

Trajectory with Validated Backtracking Moments (Participant 2)

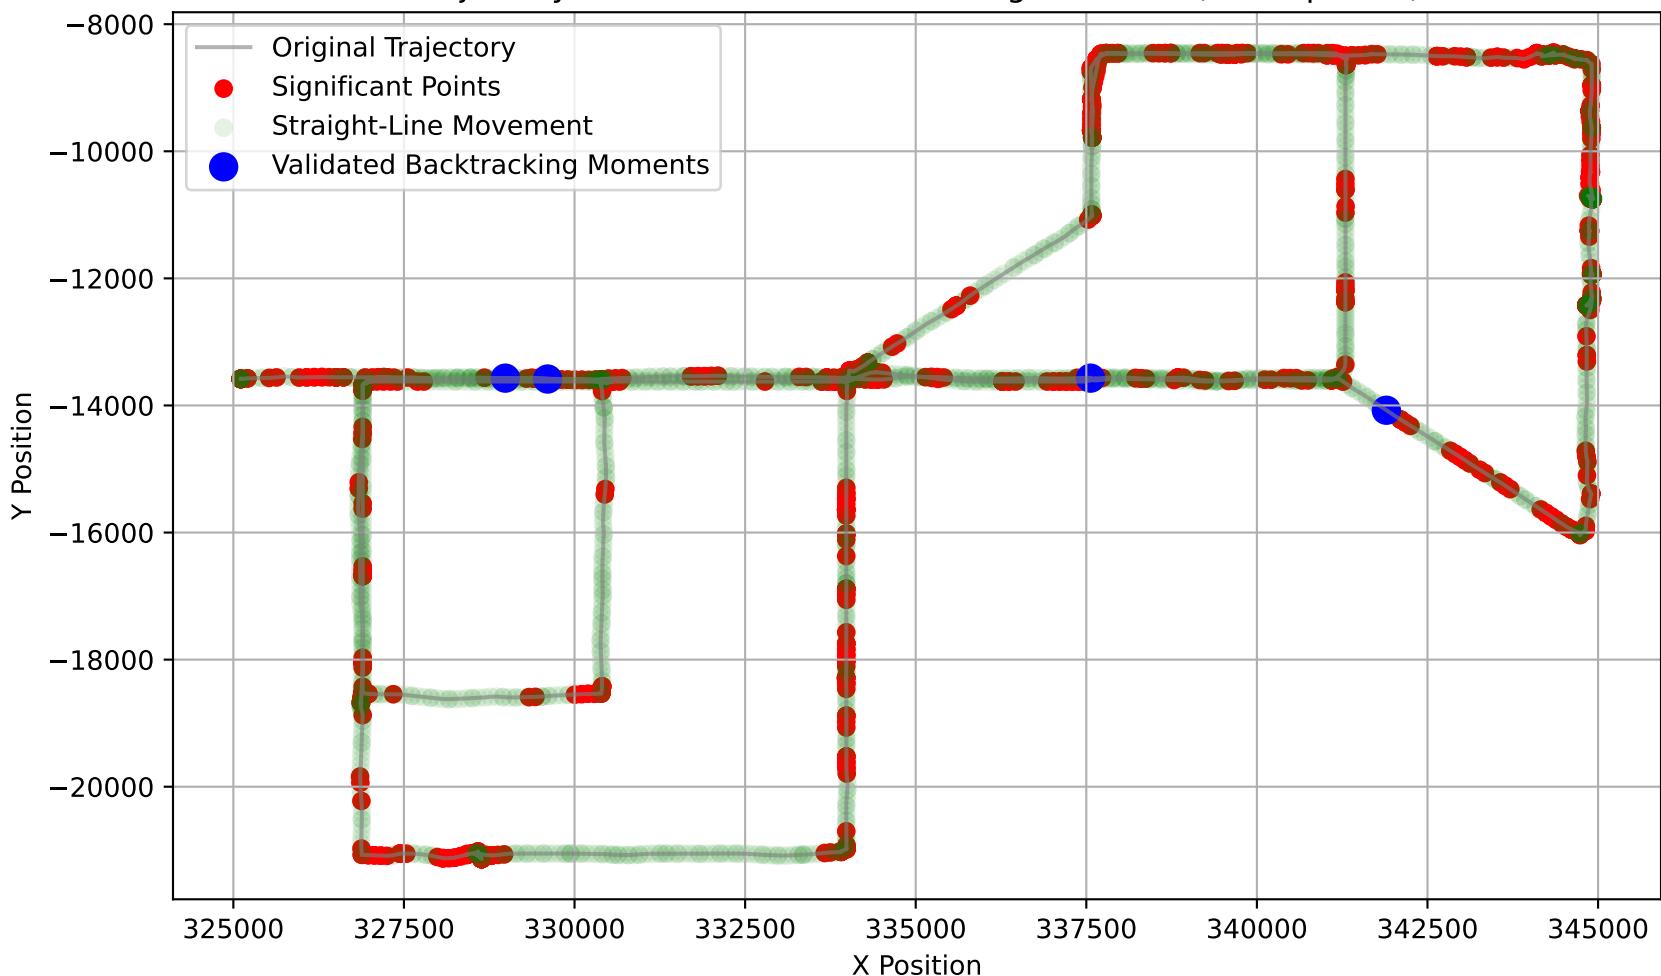

Trajectory with Validated Backtracking Moments (Participant 4)

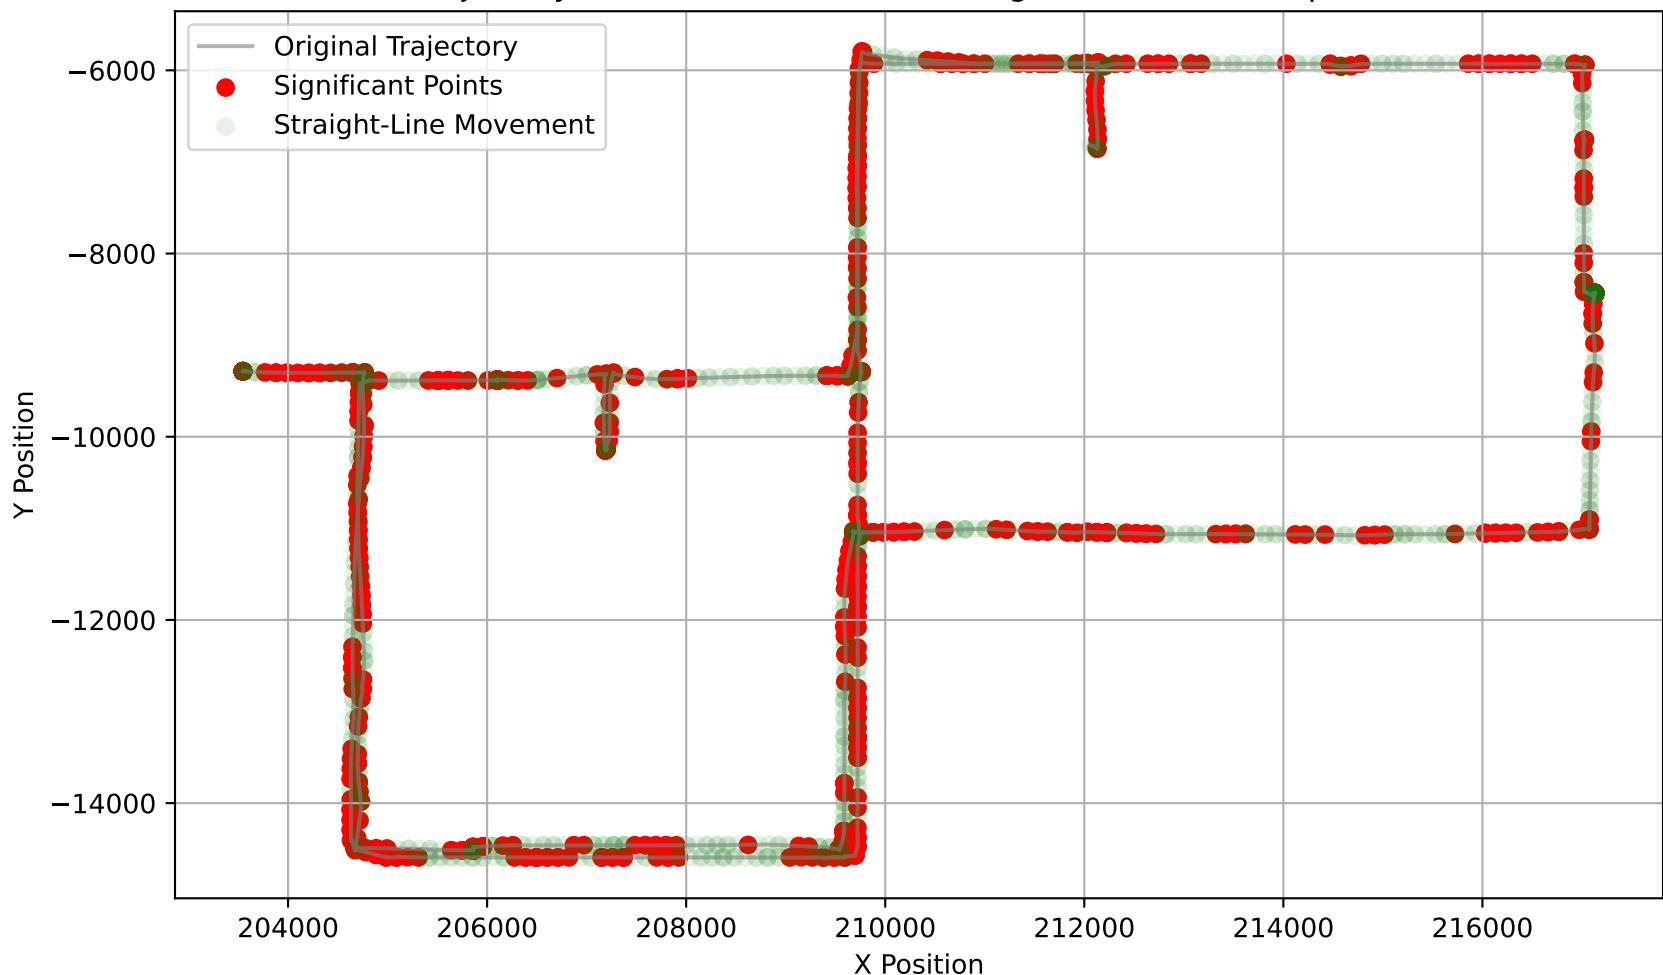

Trajectory with Validated Backtracking Moments (Participant 5)

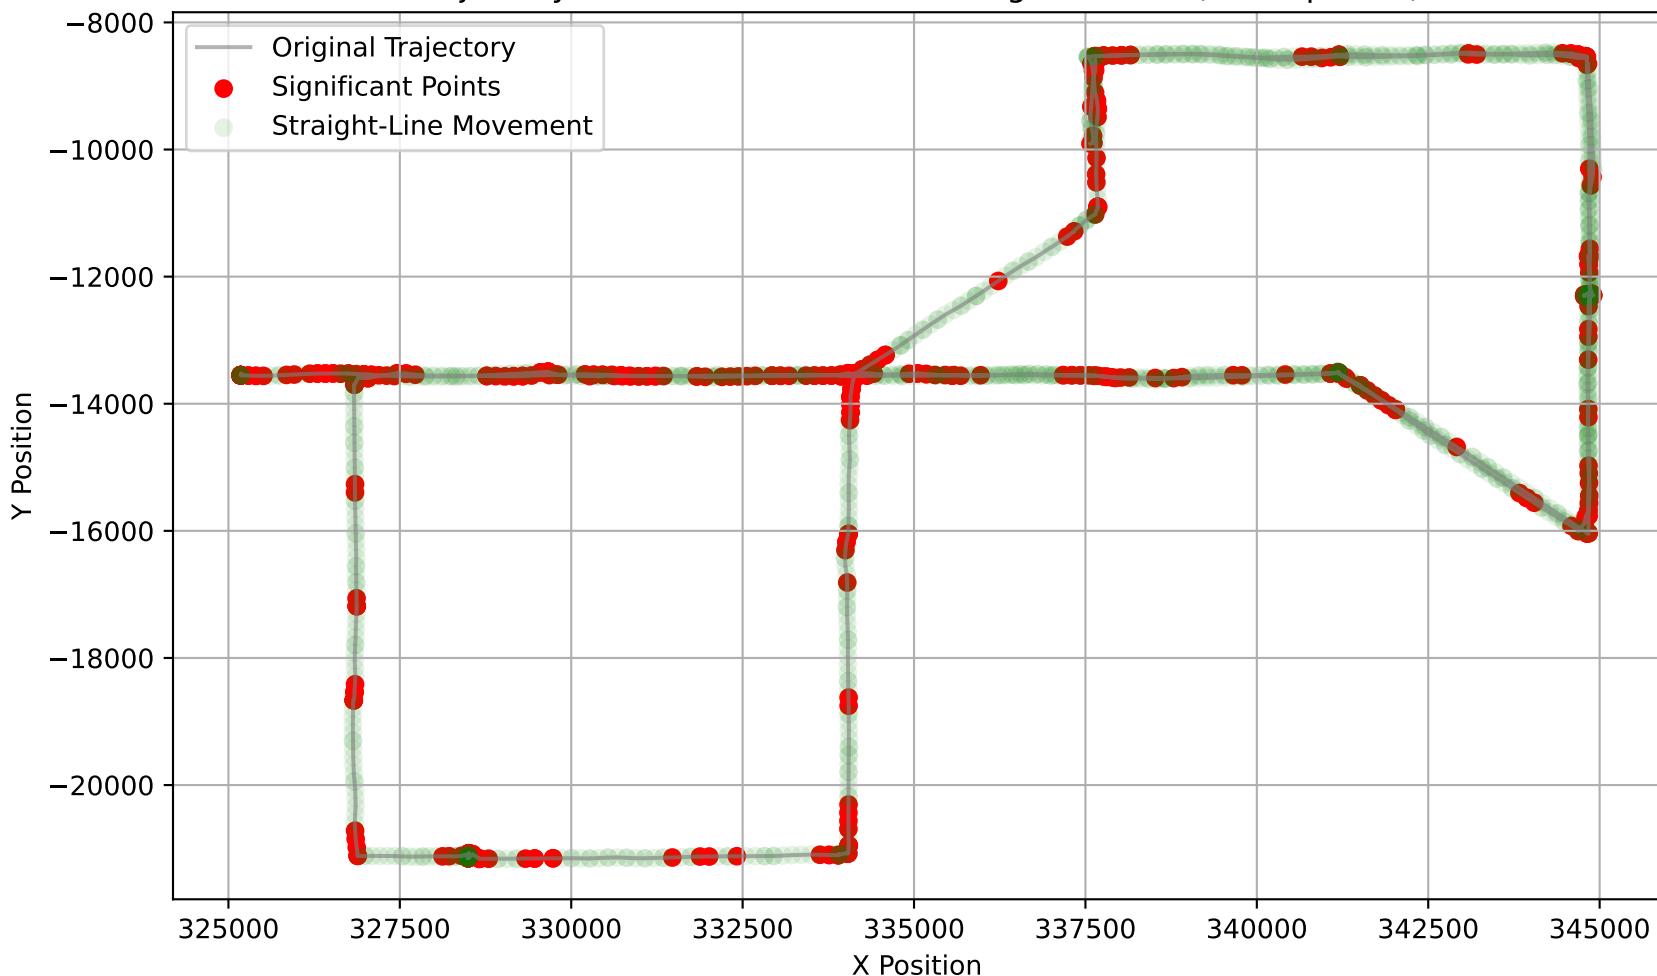

Trajectory with Validated Backtracking Moments (Participant 7)

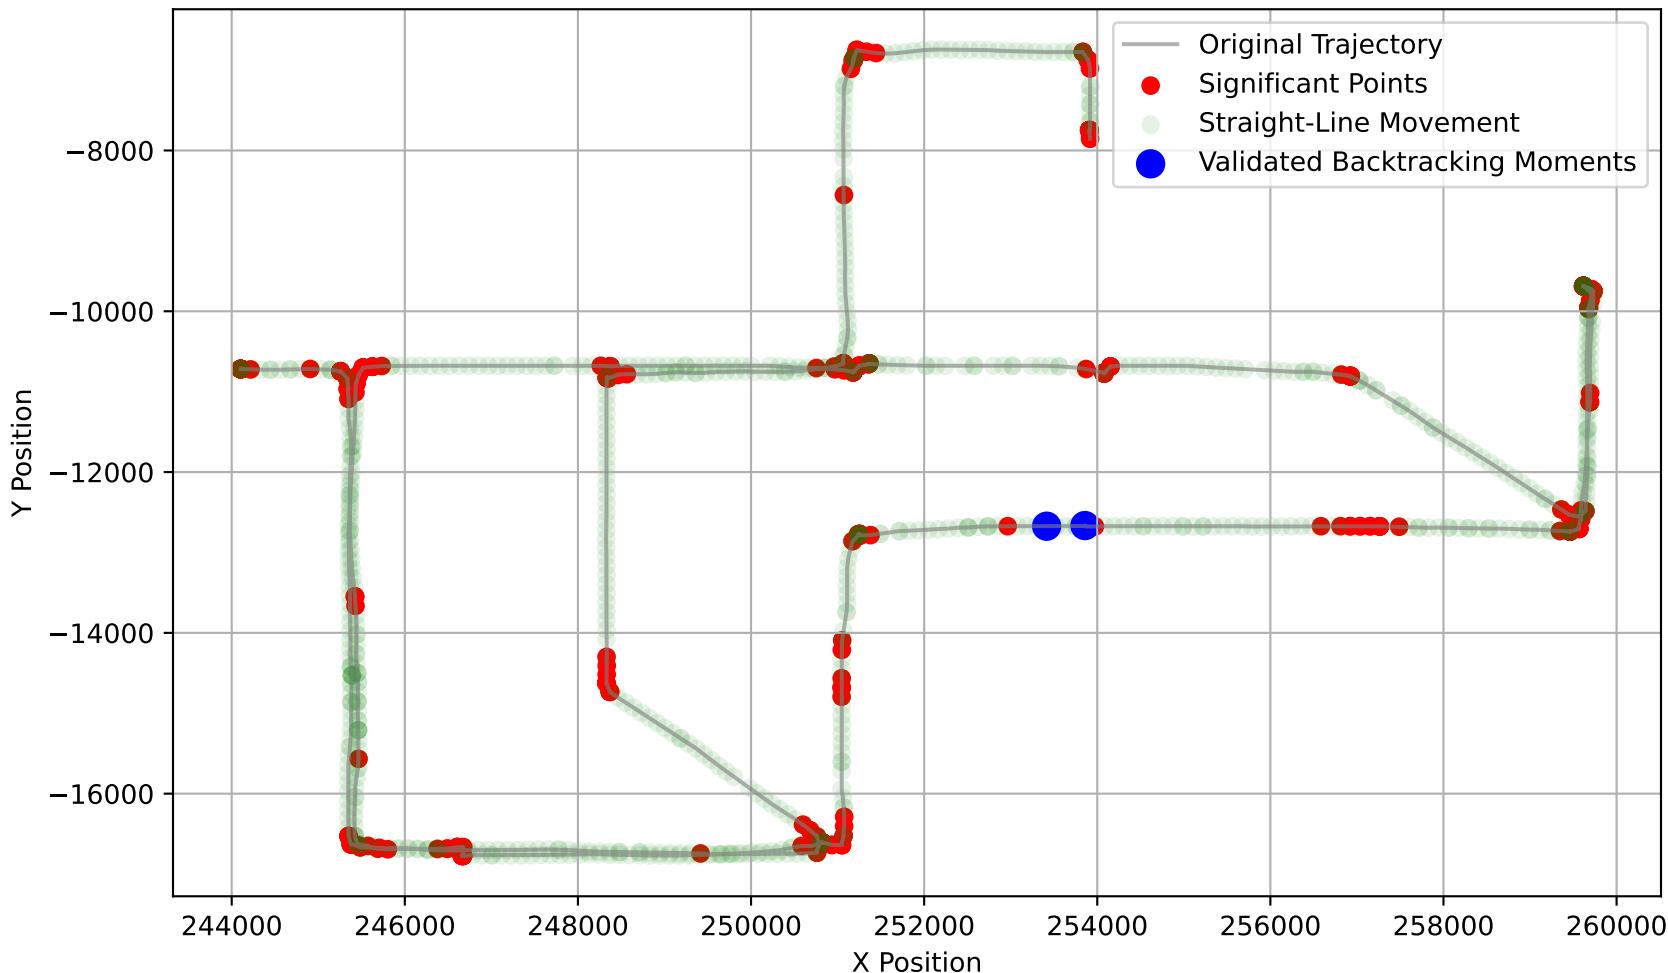

Trajectory with Validated Backtracking Moments (Participant 8)

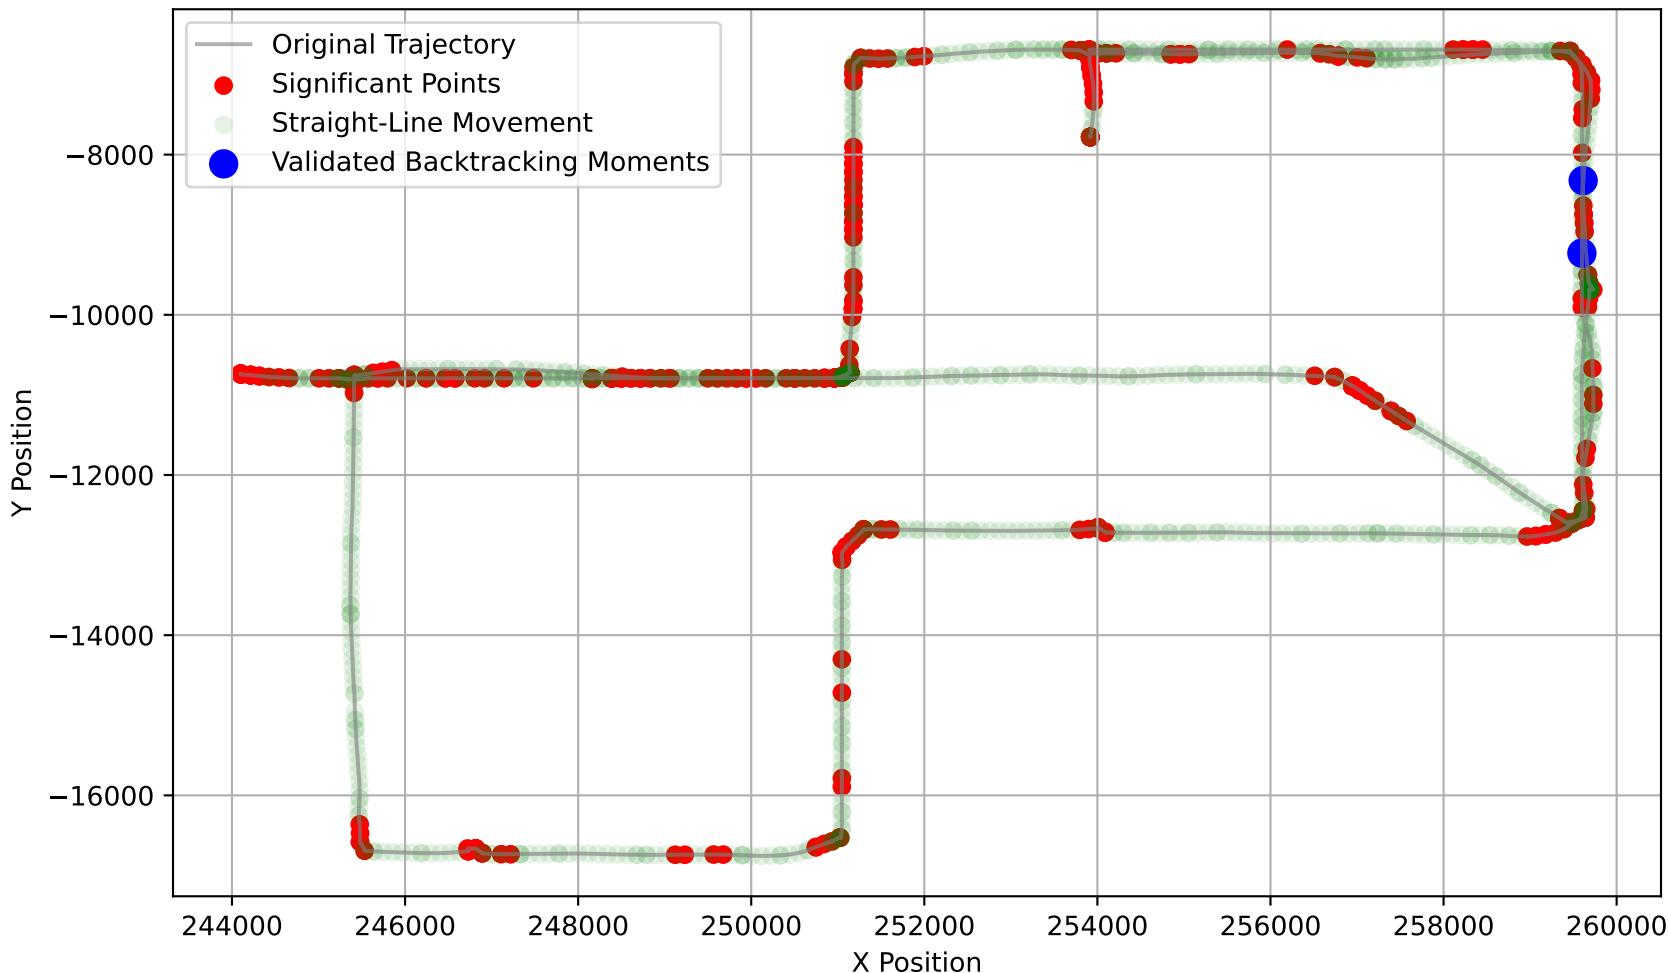

Trajectory with Validated Backtracking Moments (Participant 9)

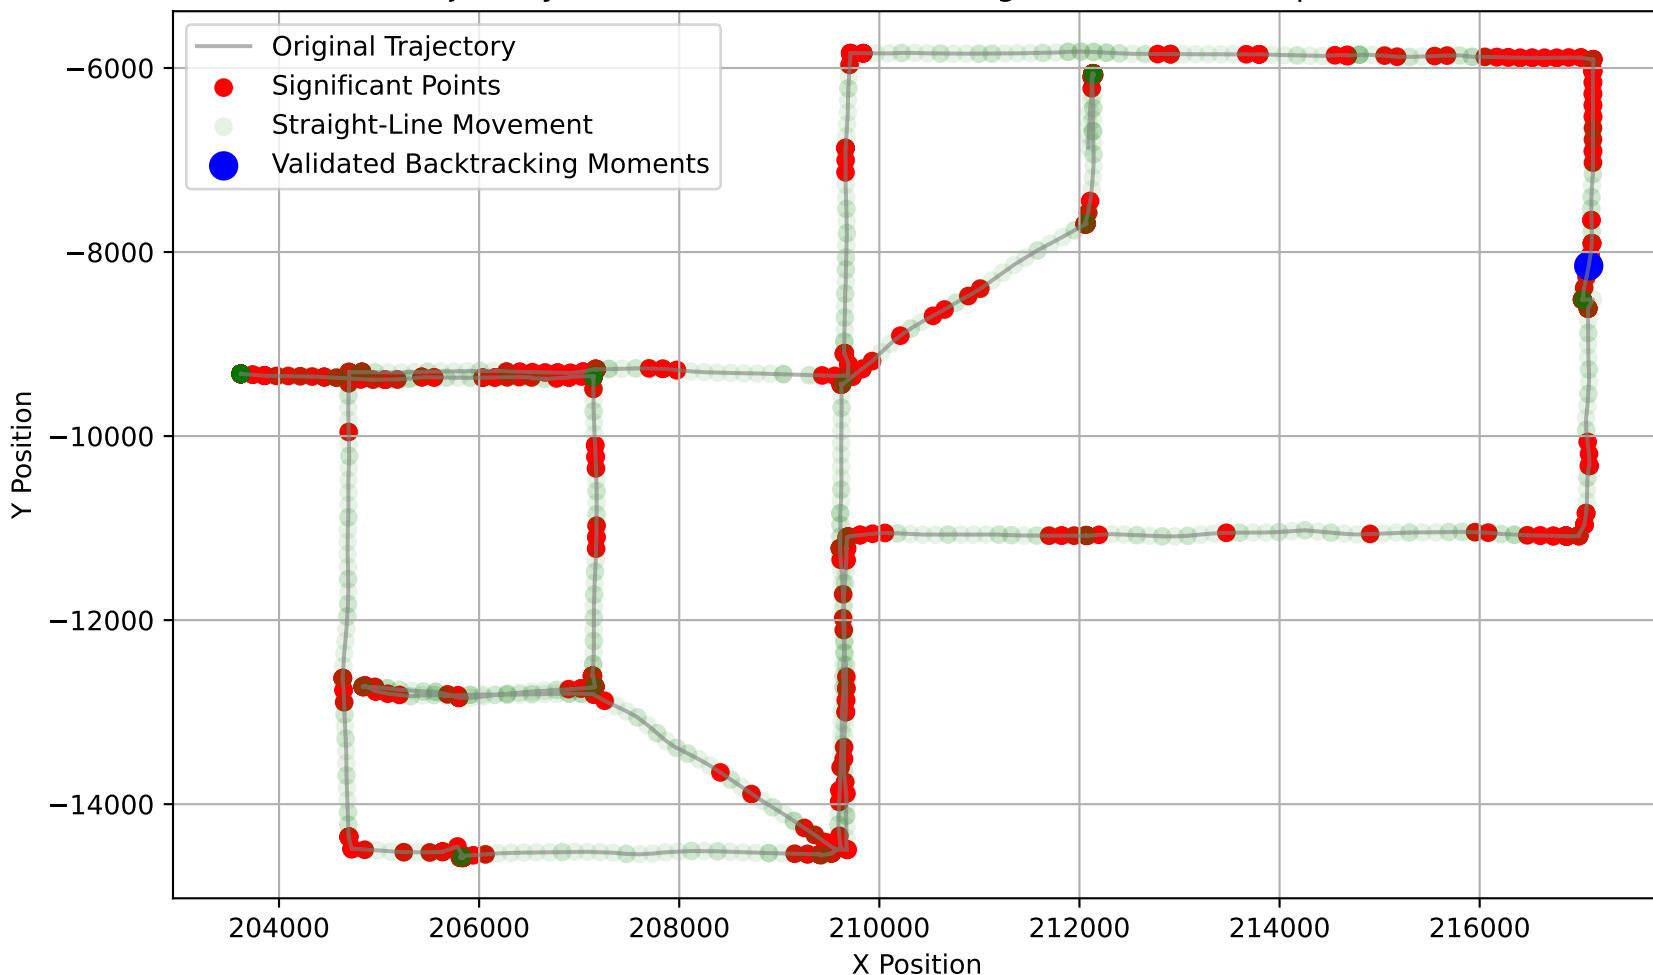

Trajectory with Validated Backtracking Moments (Participant 10)

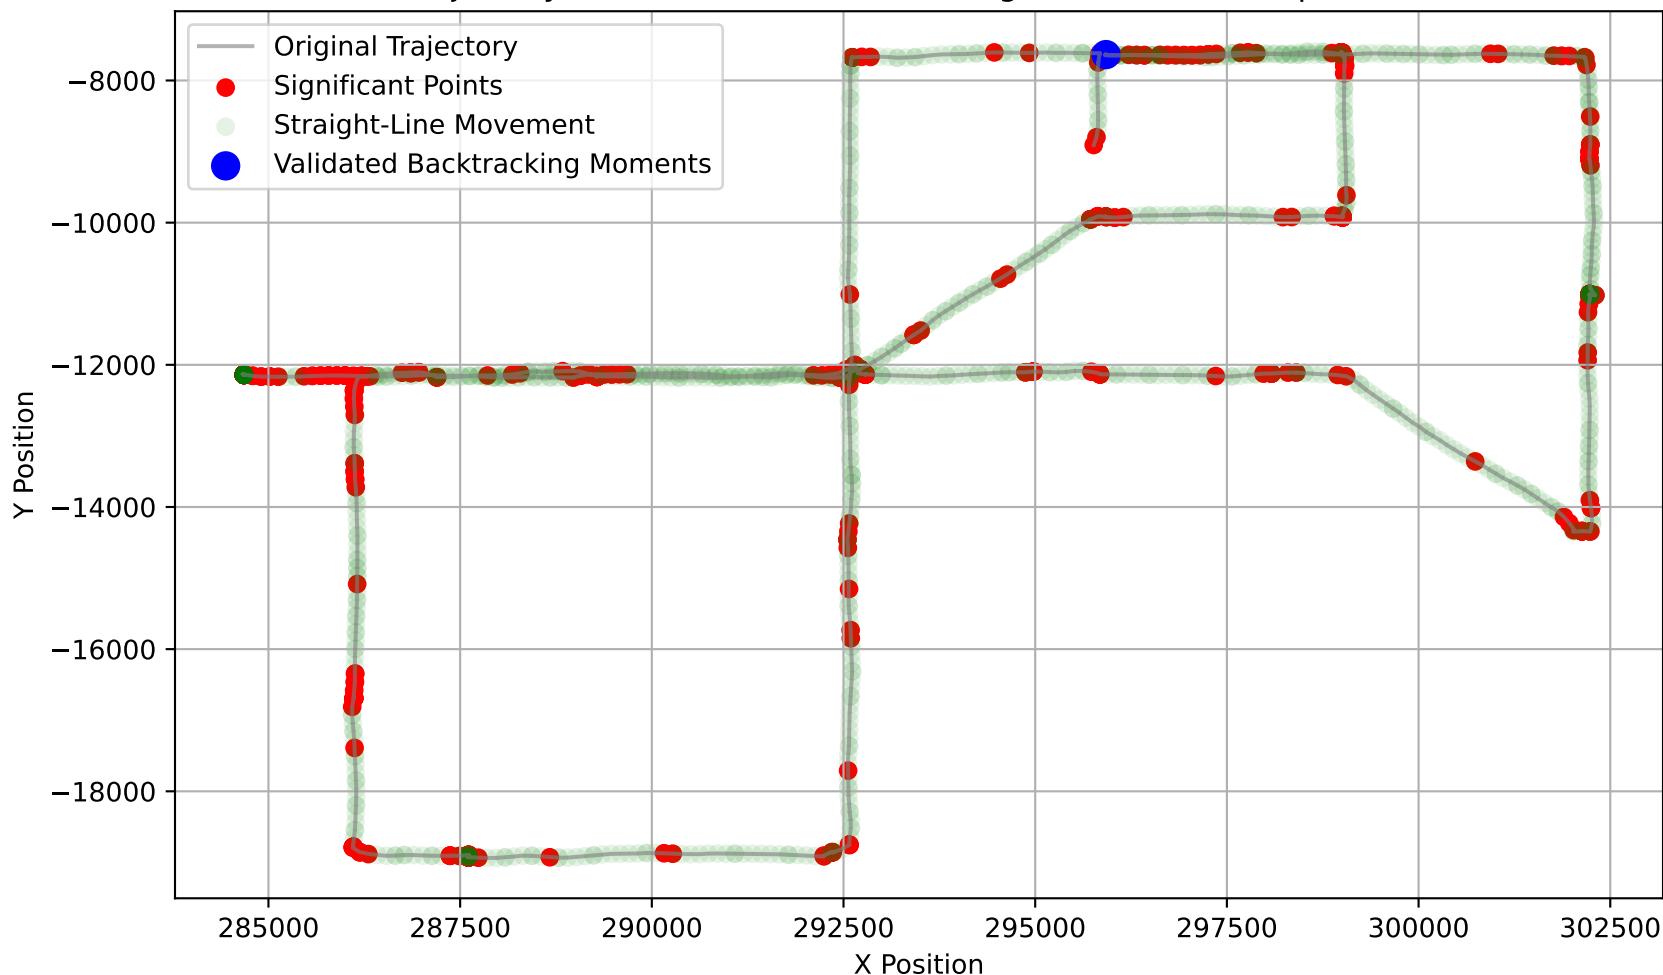

Trajectory with Validated Backtracking Moments (Participant 15)

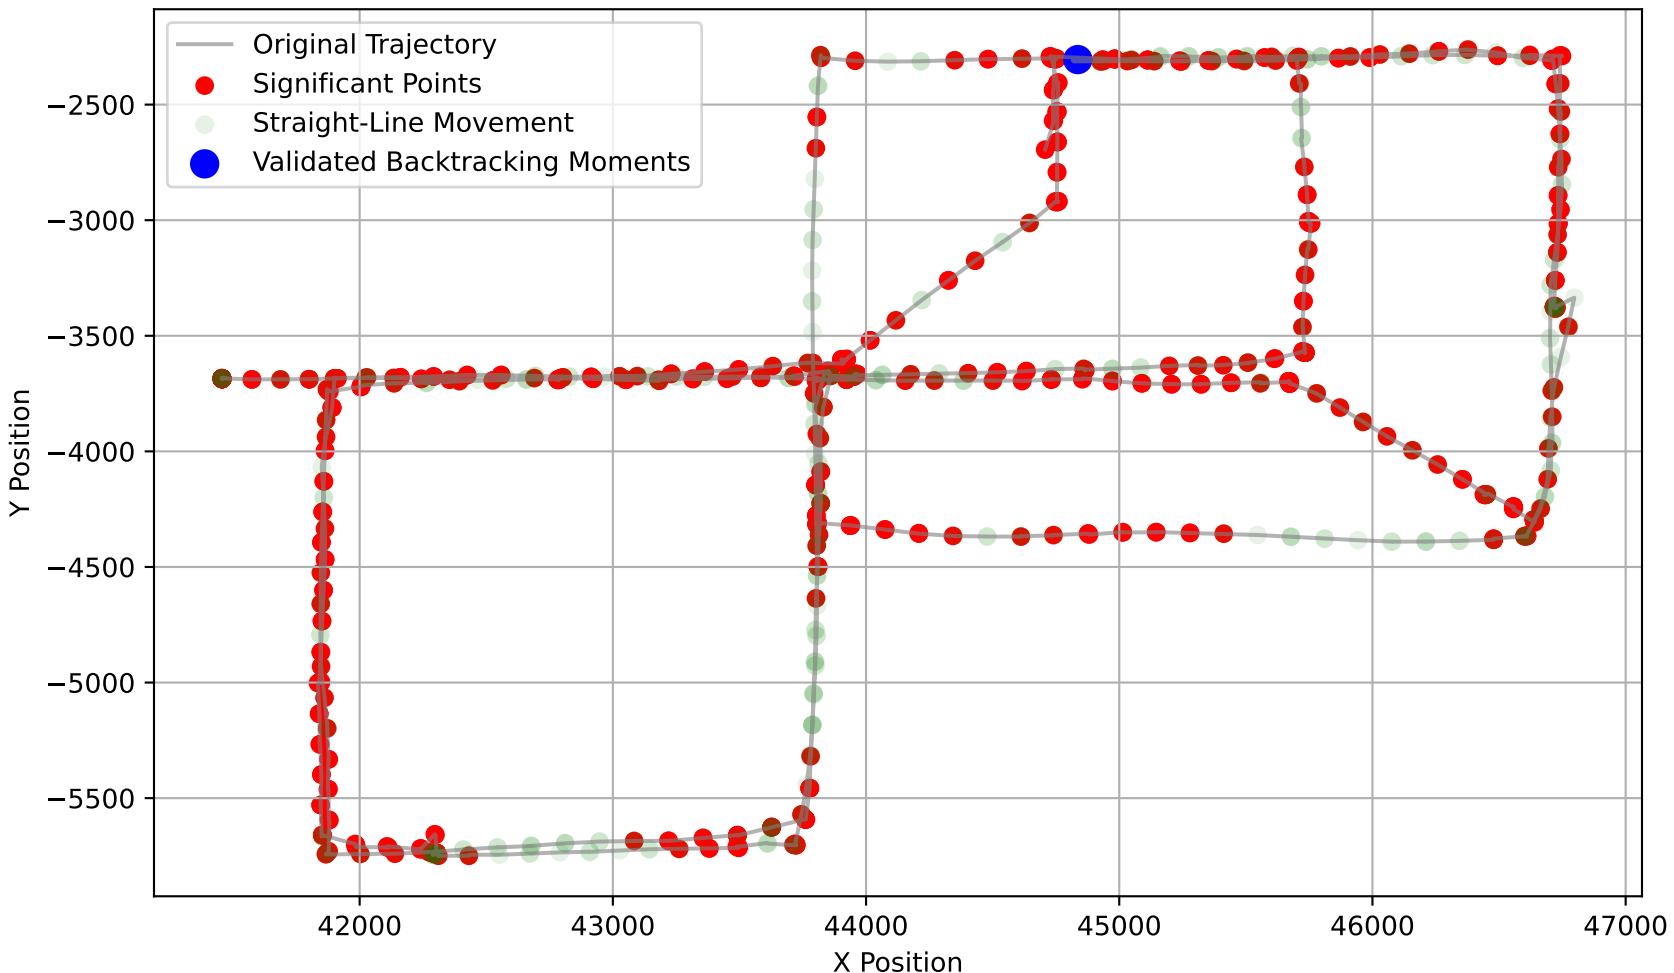

Trajectory with Validated Backtracking Moments (Participant 16)

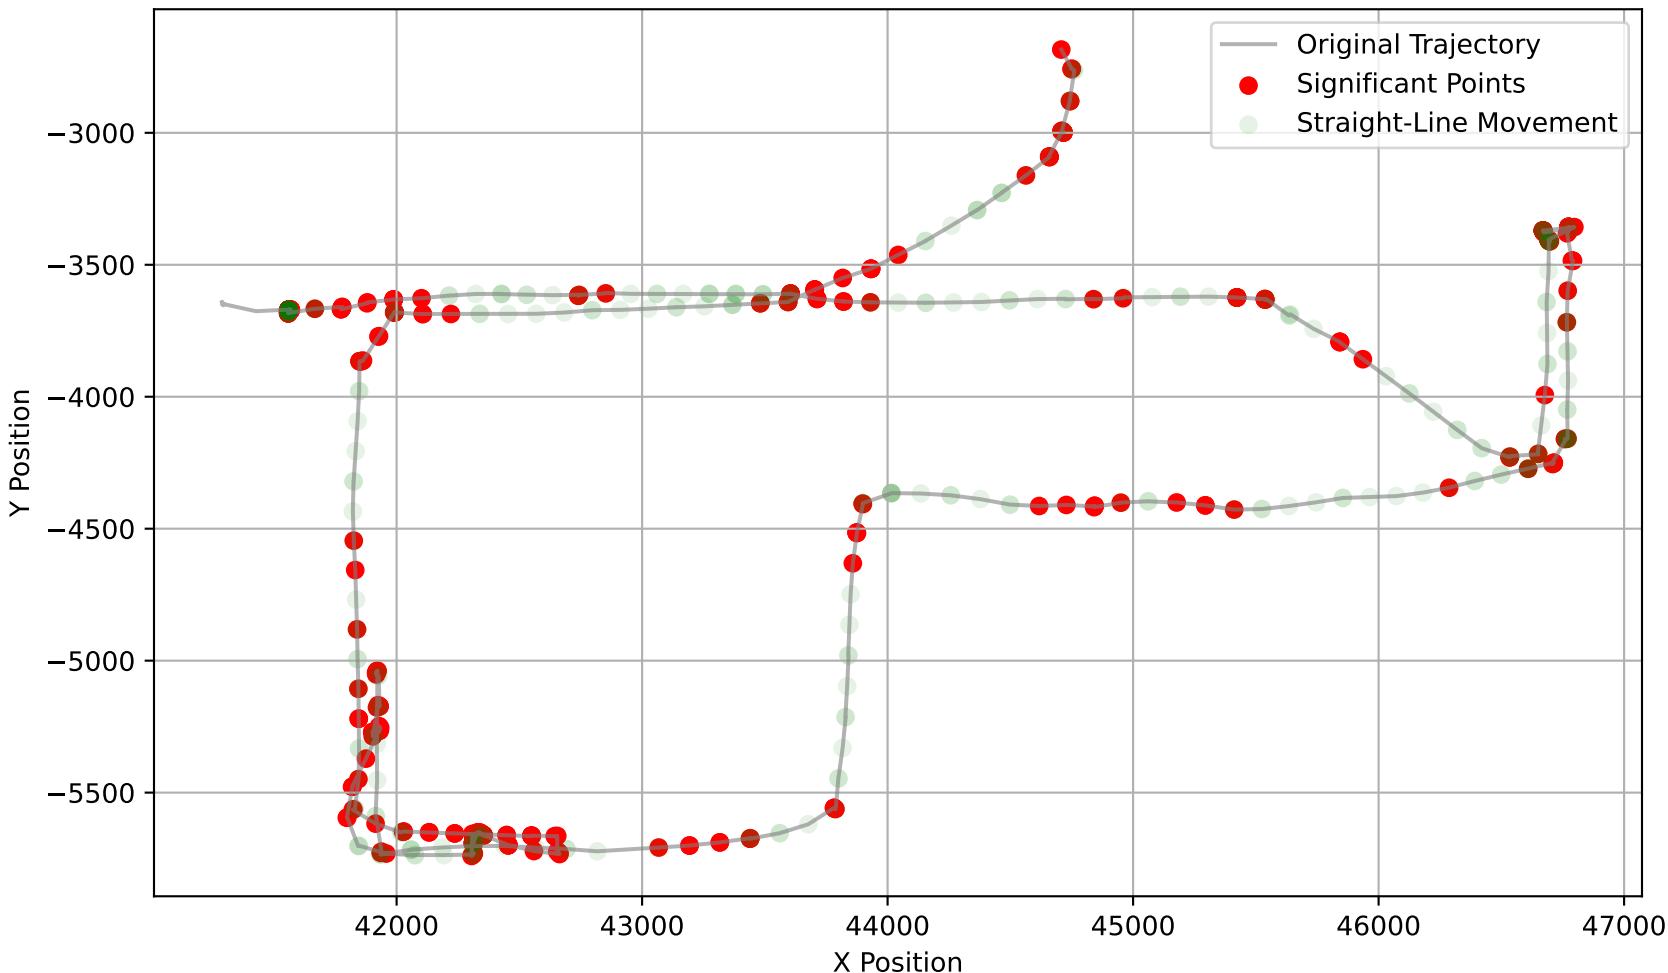

Trajectory with Validated Backtracking Moments (Participant 18)

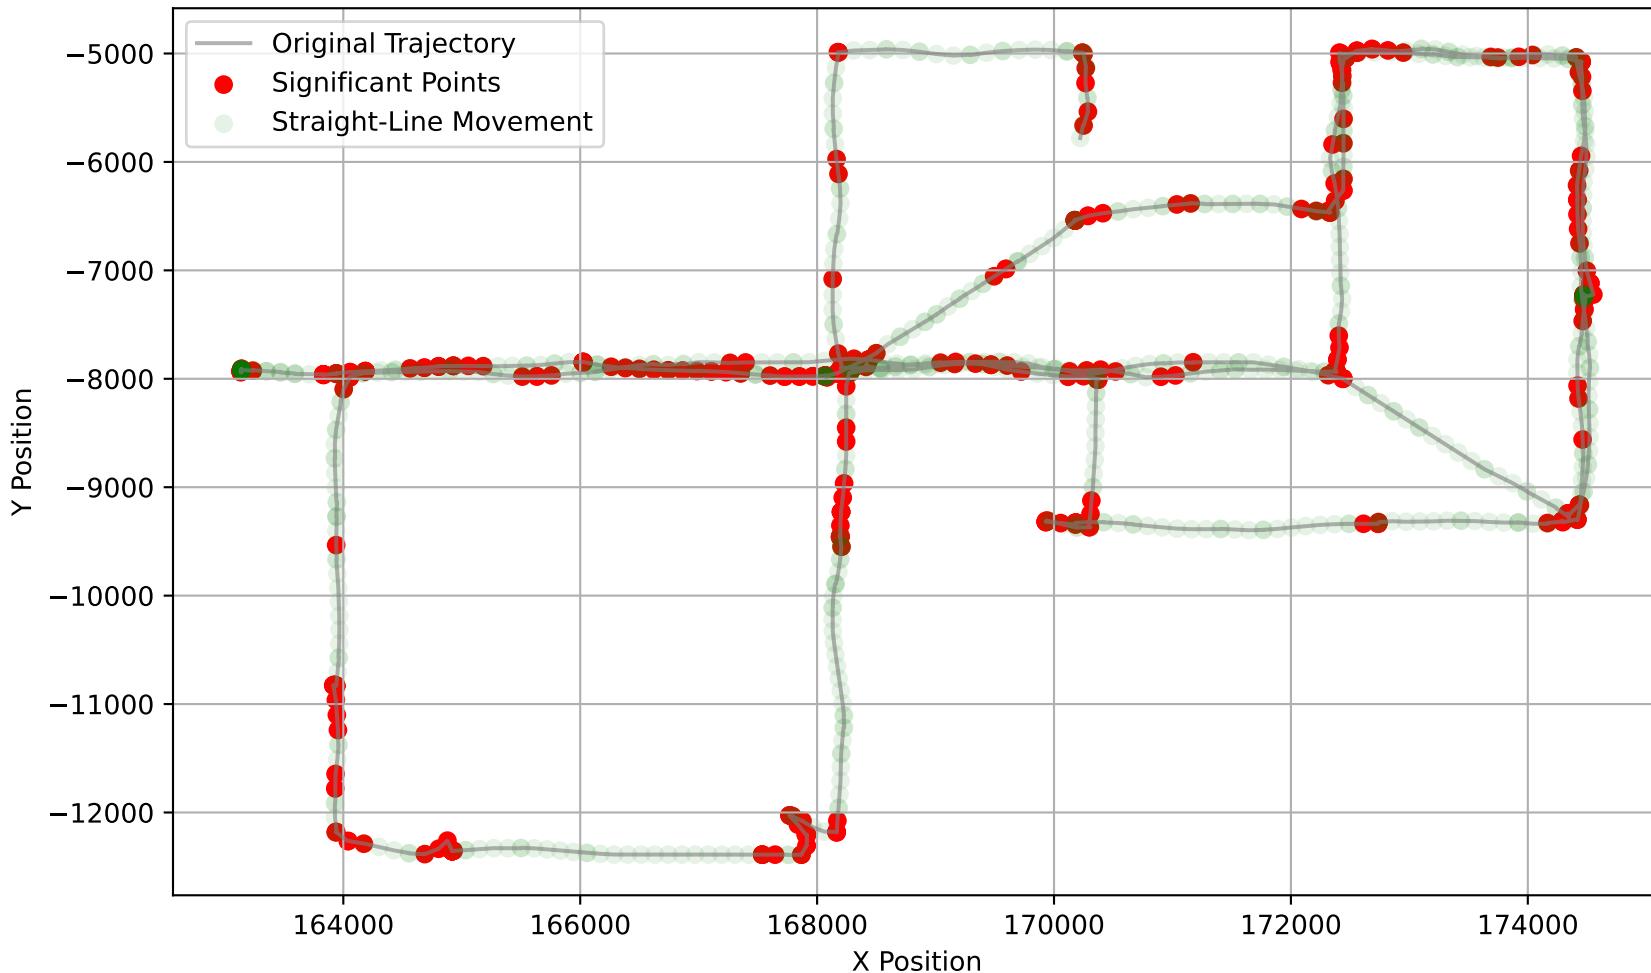

Trajectory with Validated Backtracking Moments (Participant 19)

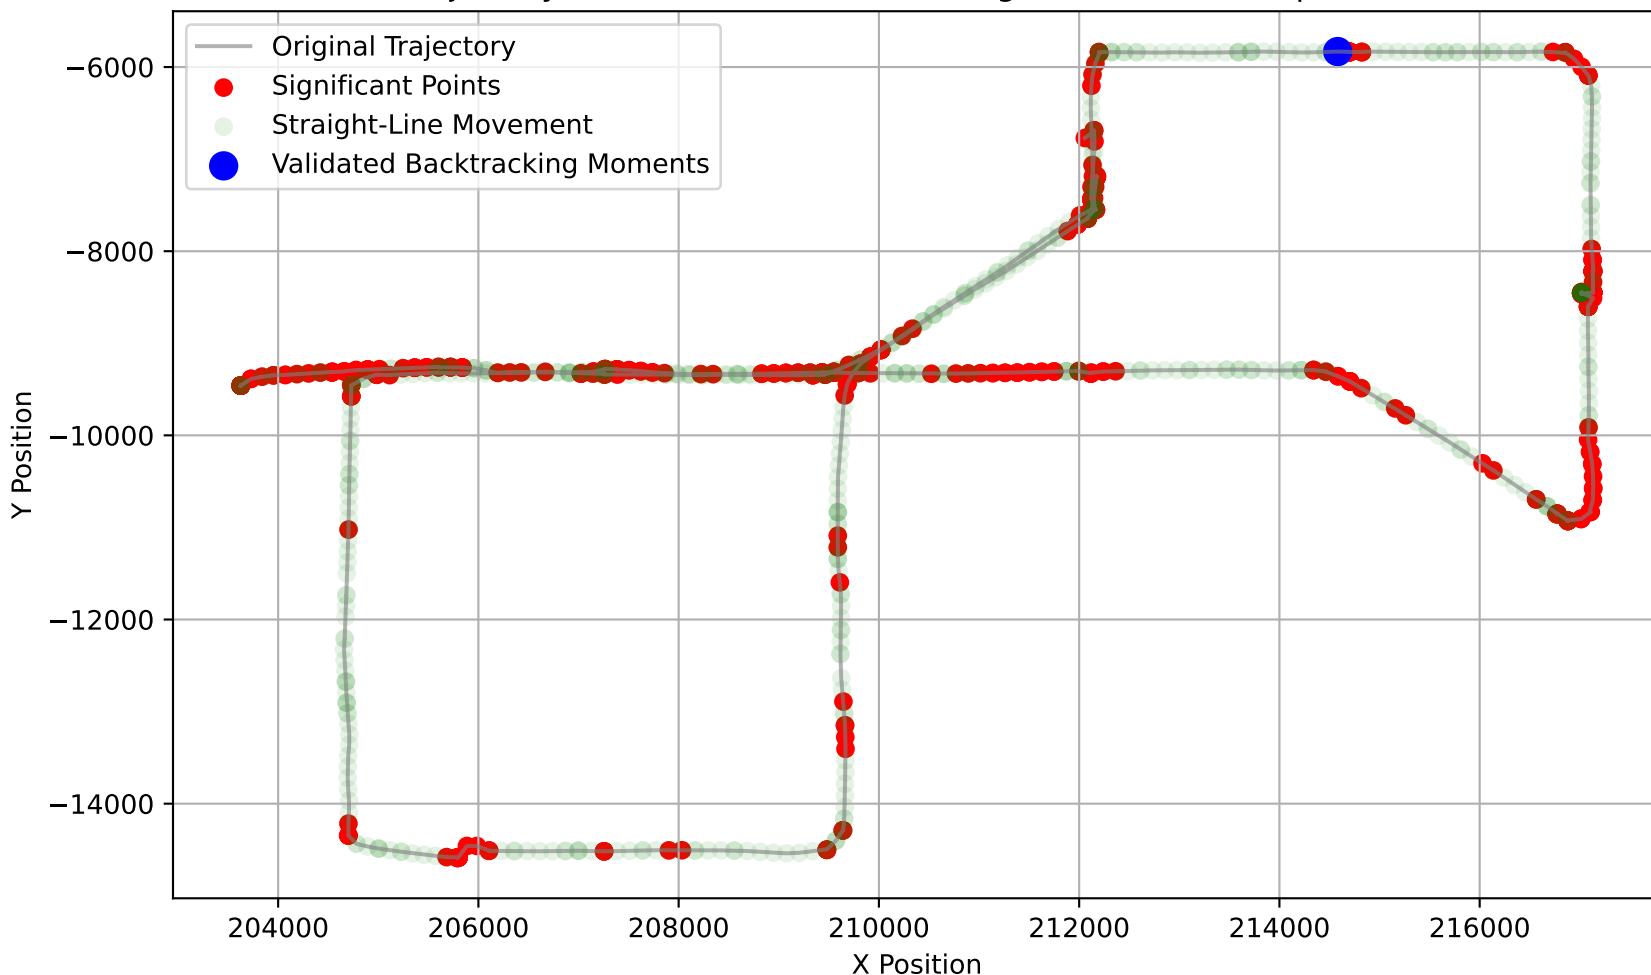

Trajectory with Validated Backtracking Moments (Participant 20)

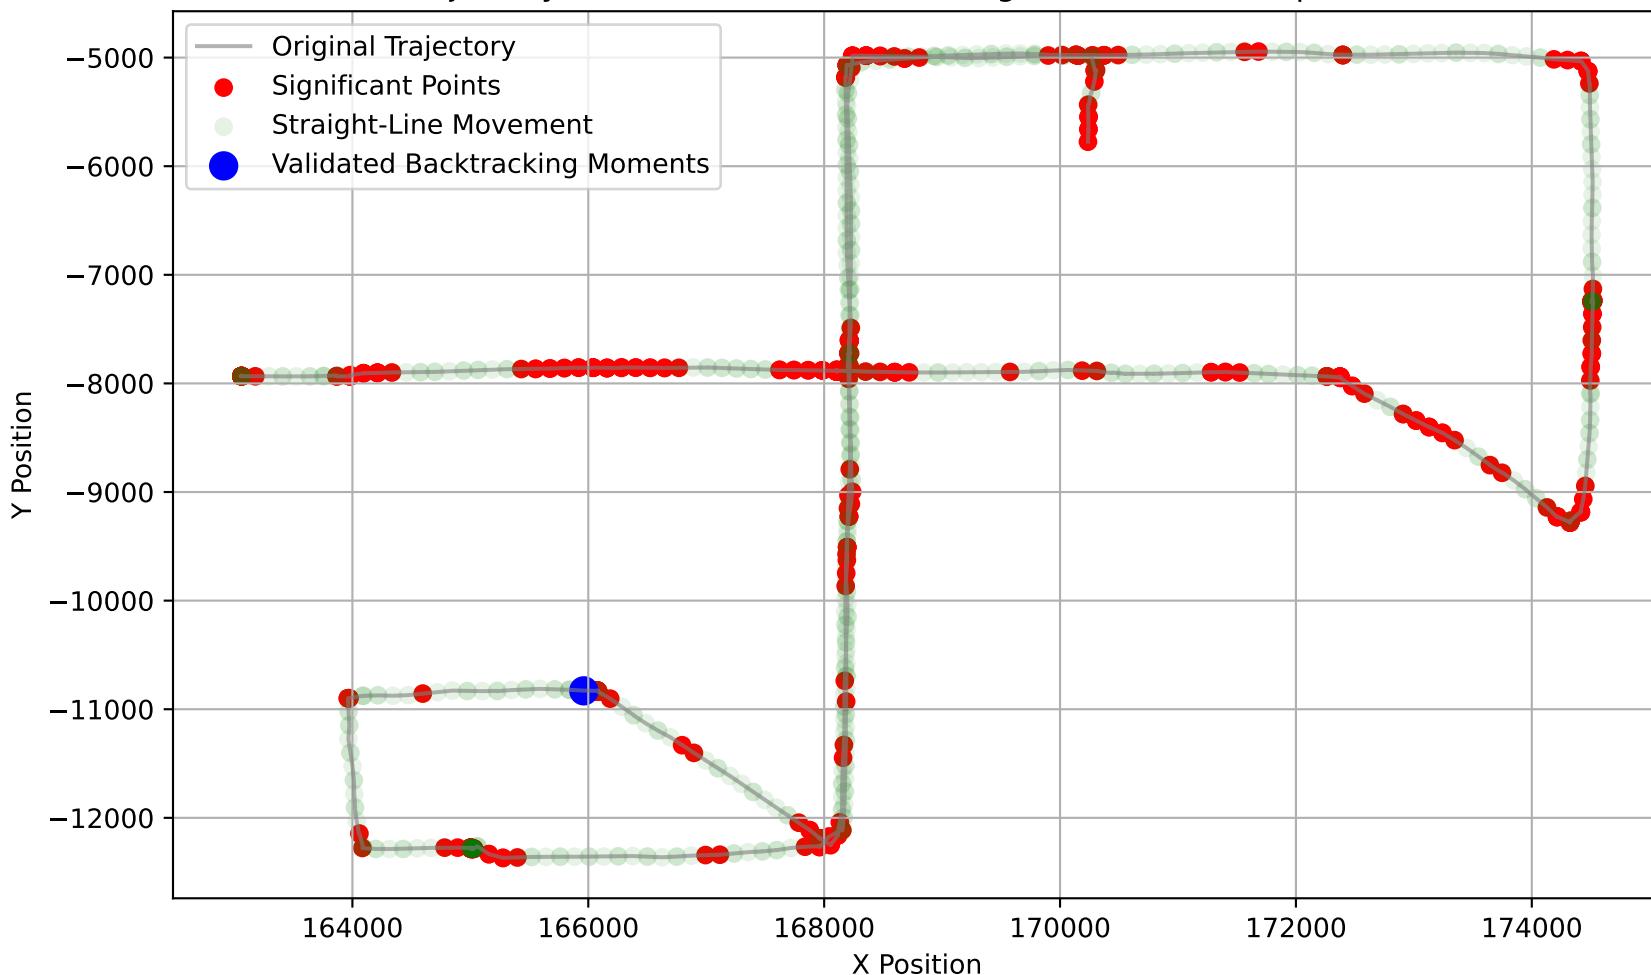

Trajectory with Validated Backtracking Moments (Participant 21)

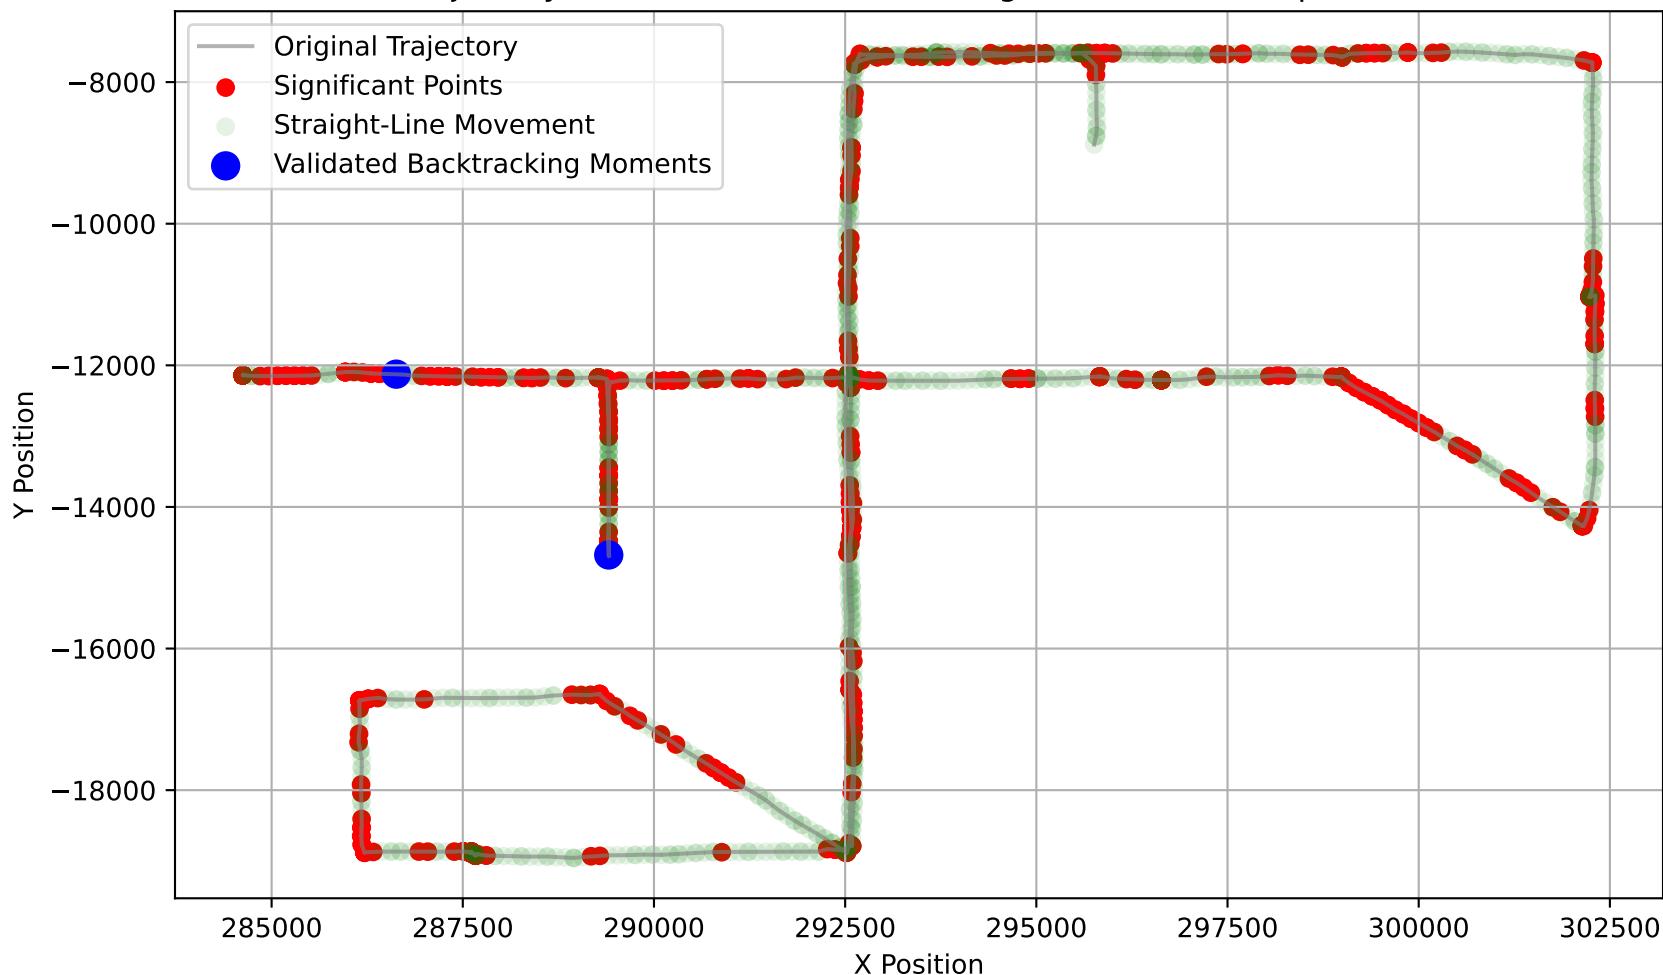

Trajectory with Validated Backtracking Moments (Participant 22)

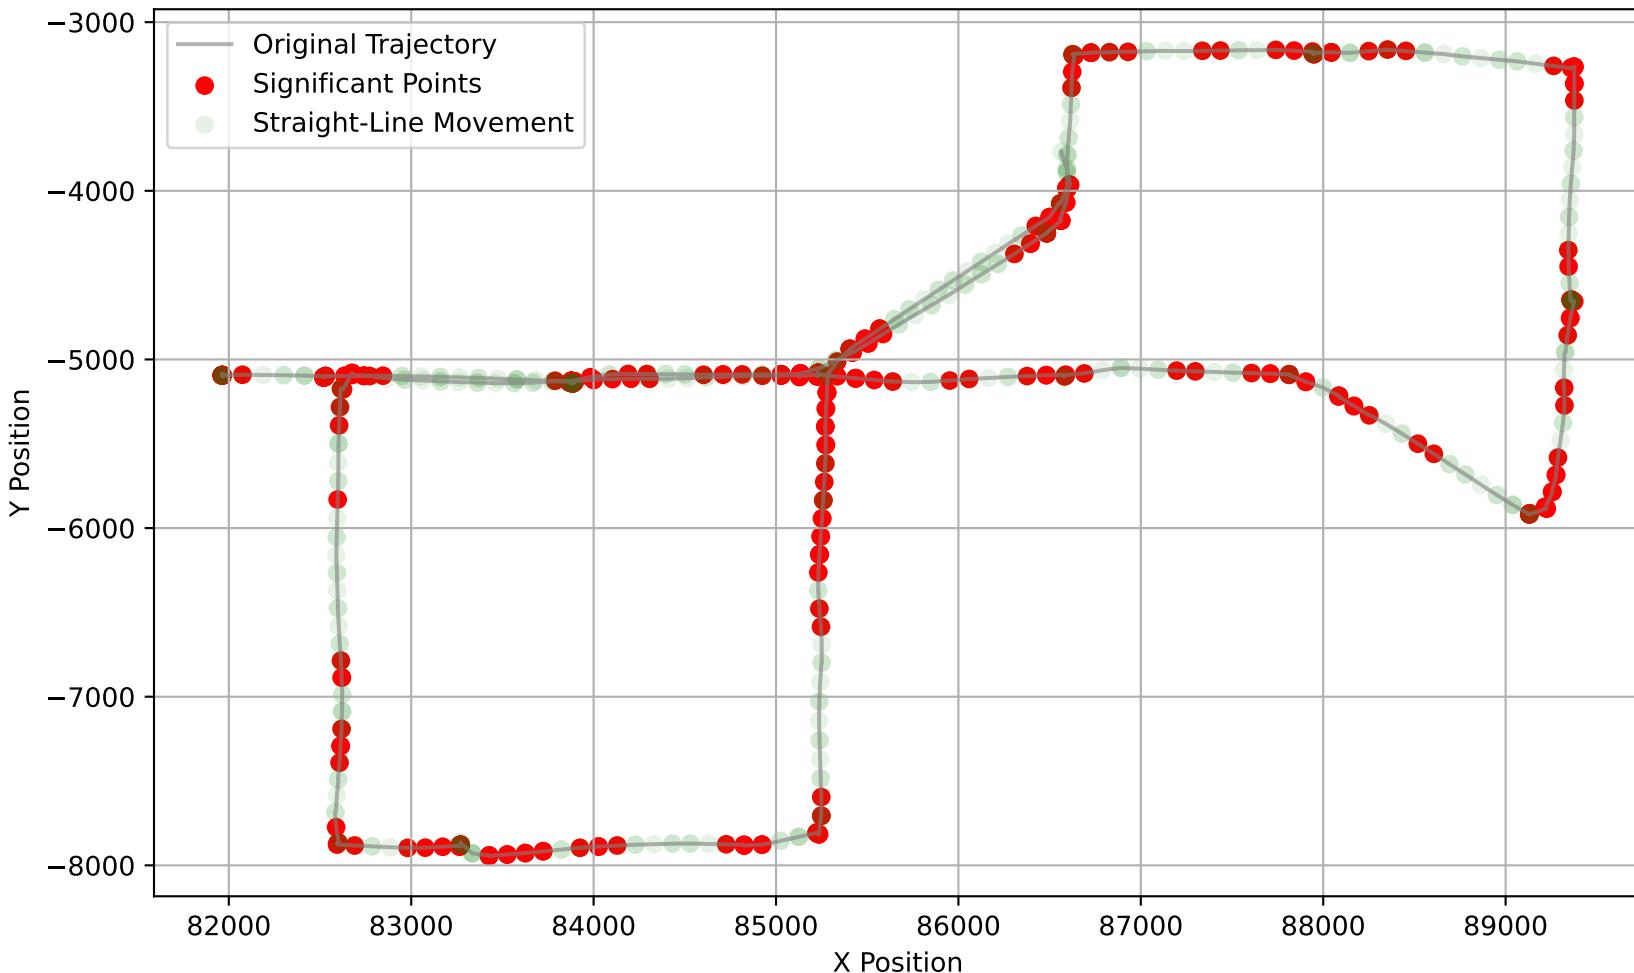

Trajectory with Validated Backtracking Moments (Participant 23)

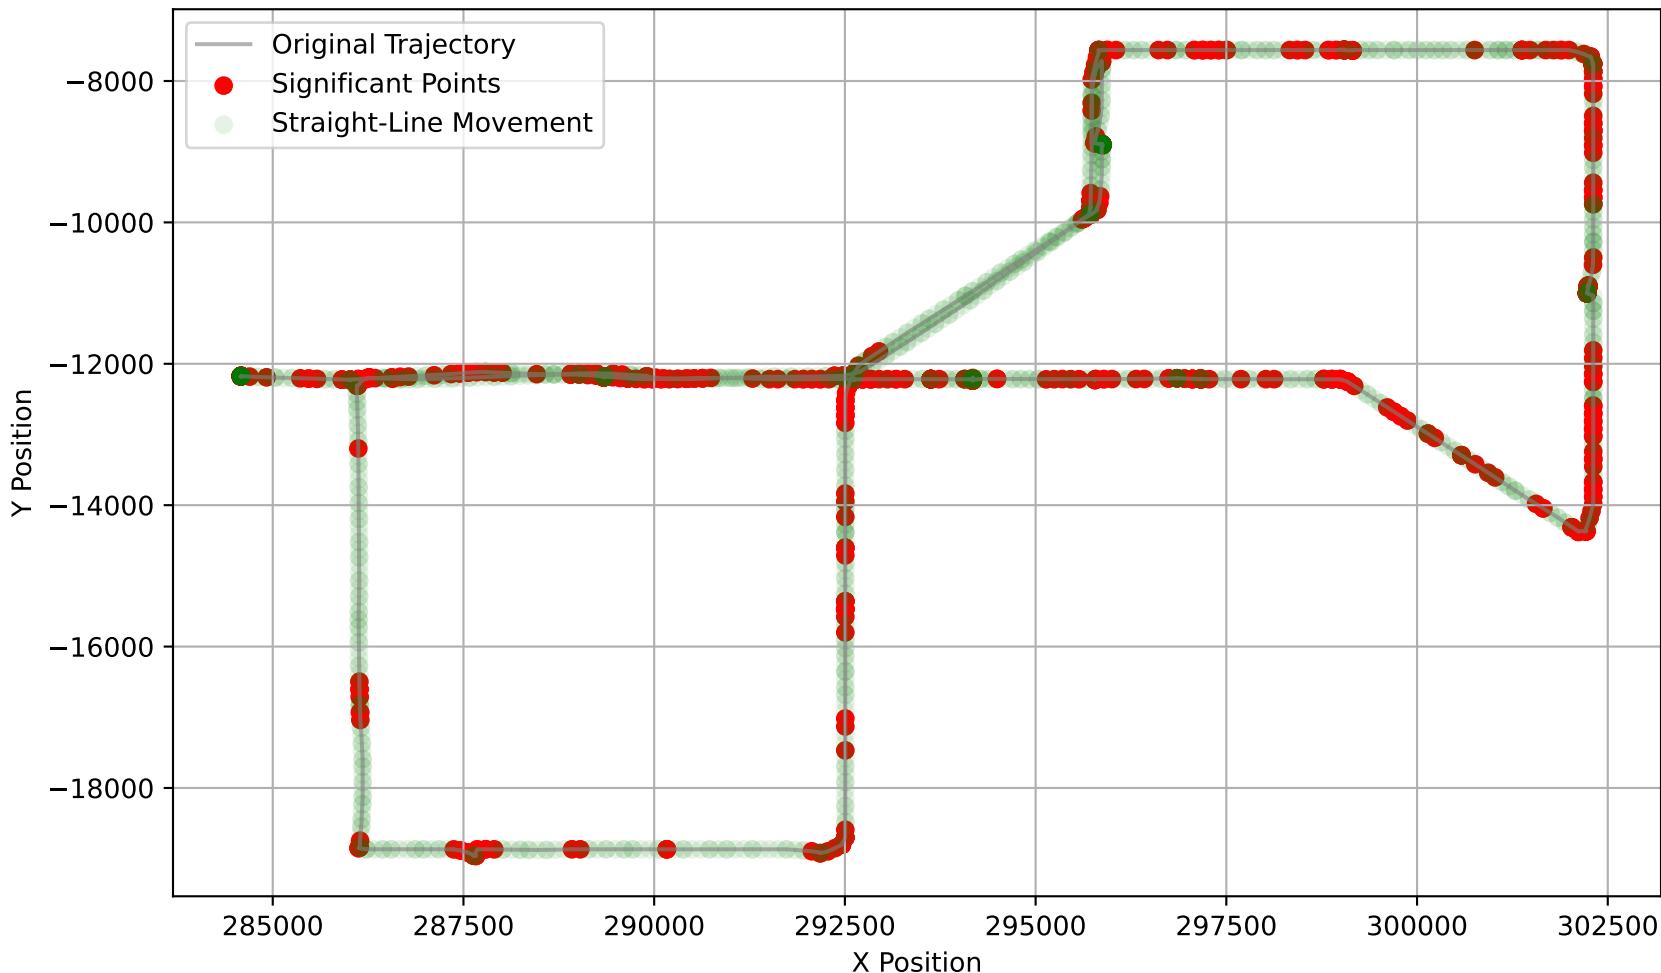

Trajectory with Validated Backtracking Moments (Participant 24)

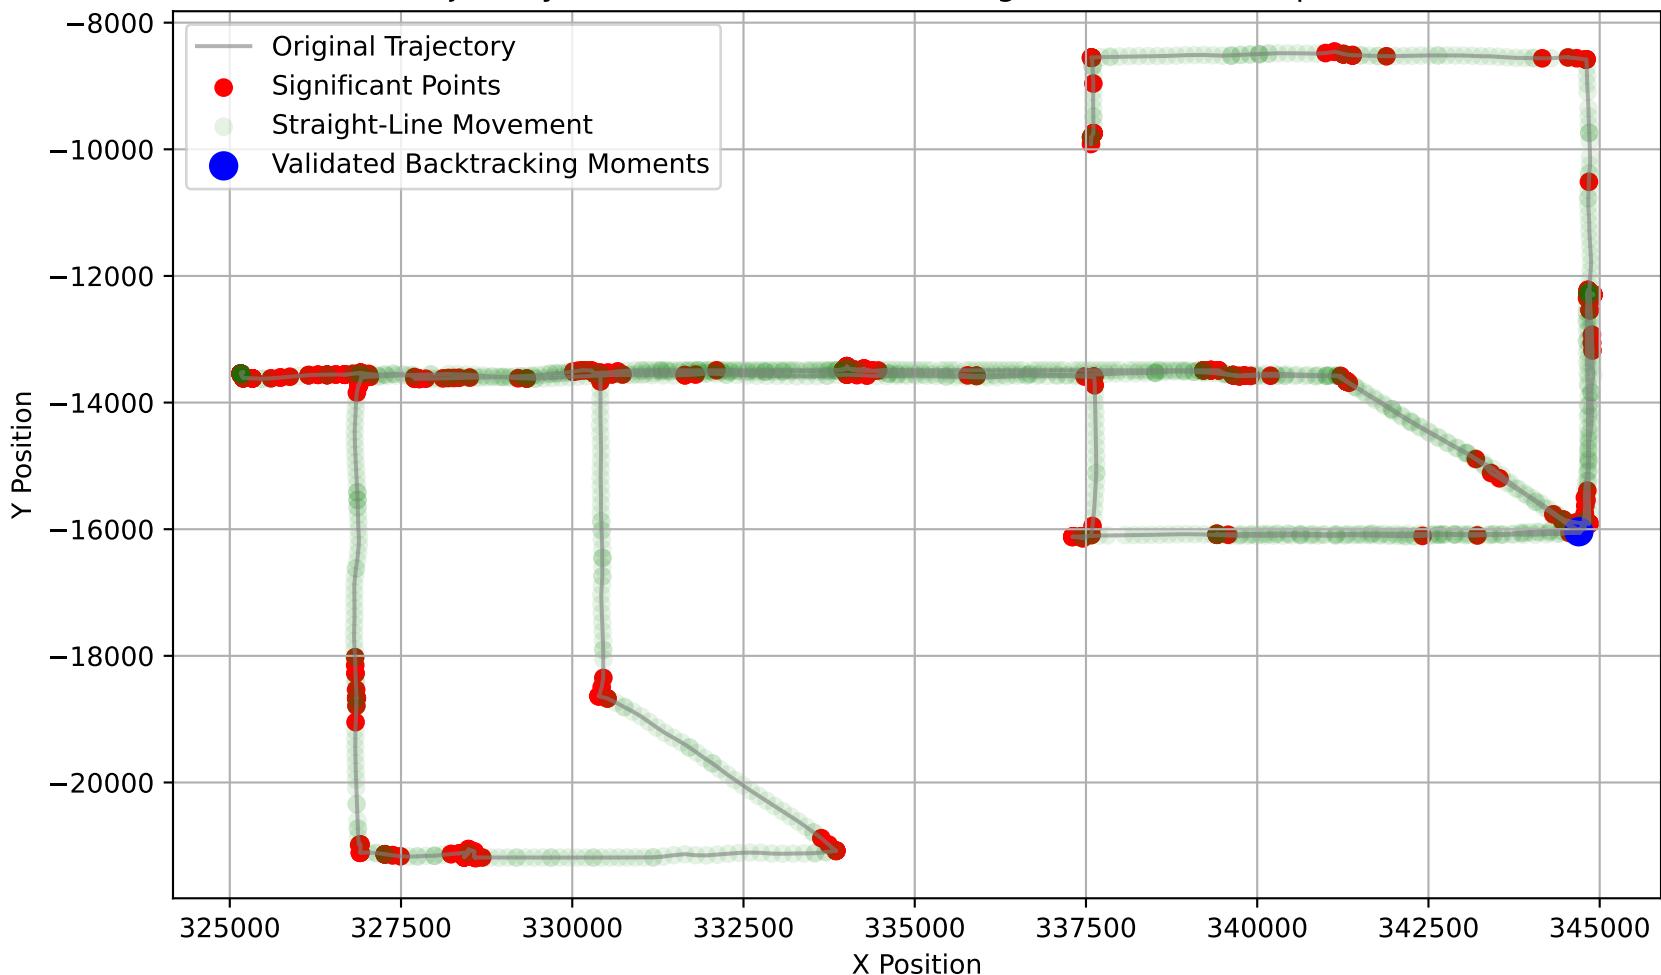

Trajectory with Validated Backtracking Moments (Participant 25)

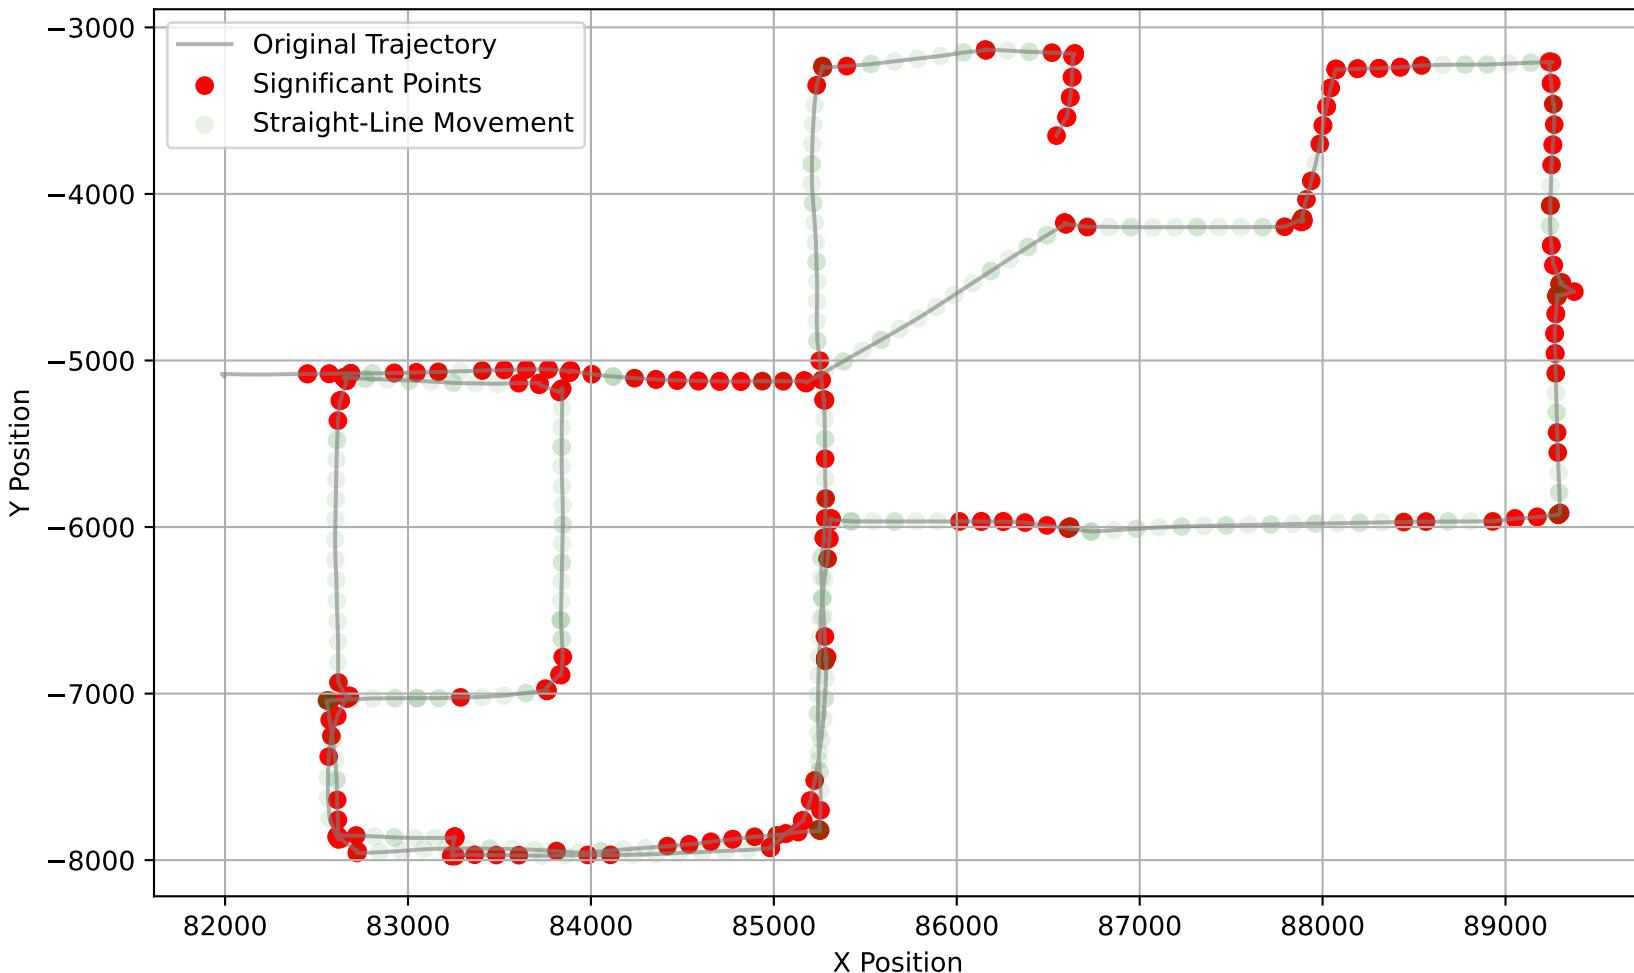

Trajectory with Validated Backtracking Moments (Participant 26)

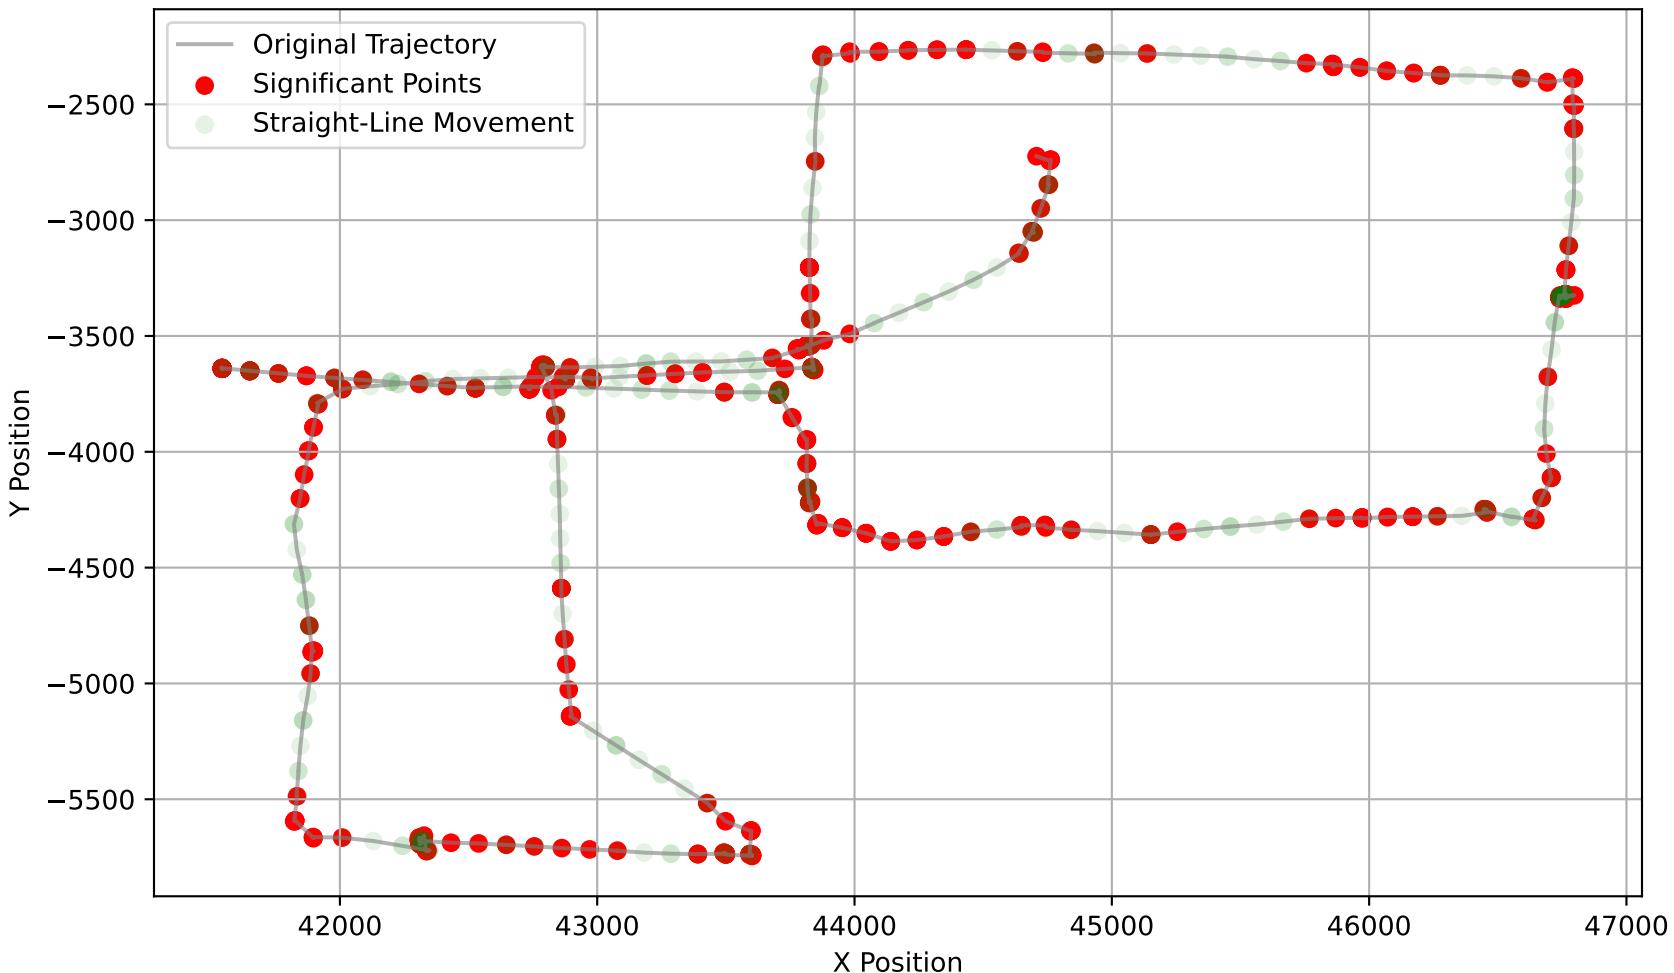

Trajectory with Validated Backtracking Moments (Participant 27)

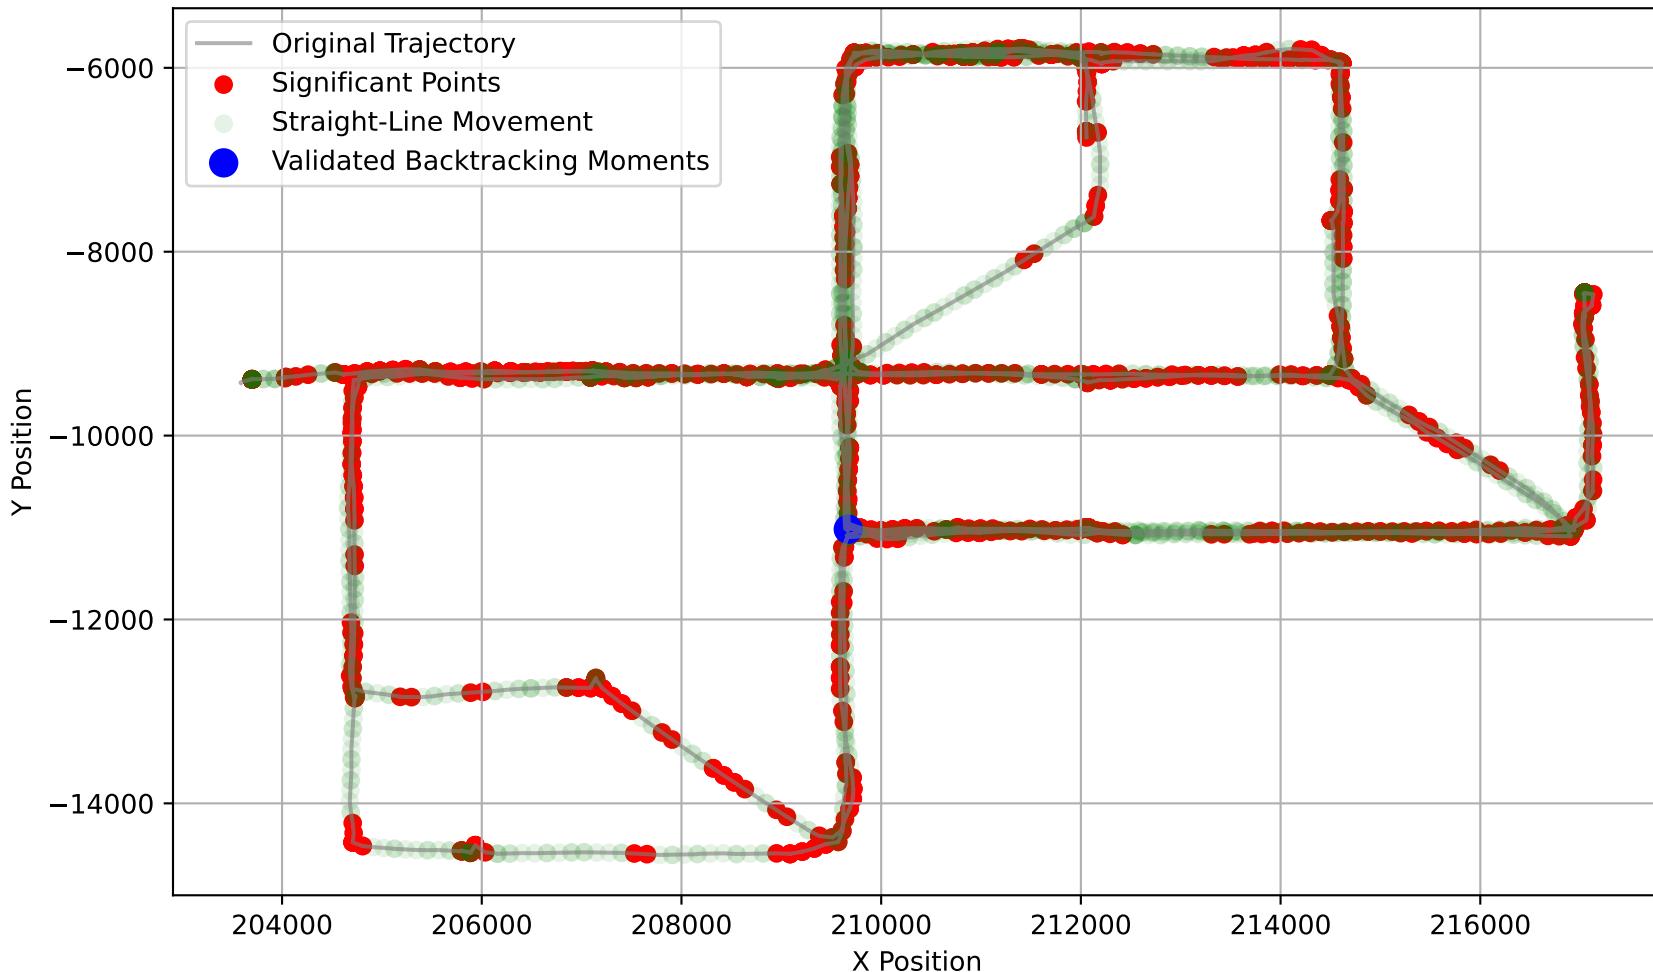

Trajectory with Validated Backtracking Moments (Participant 29)

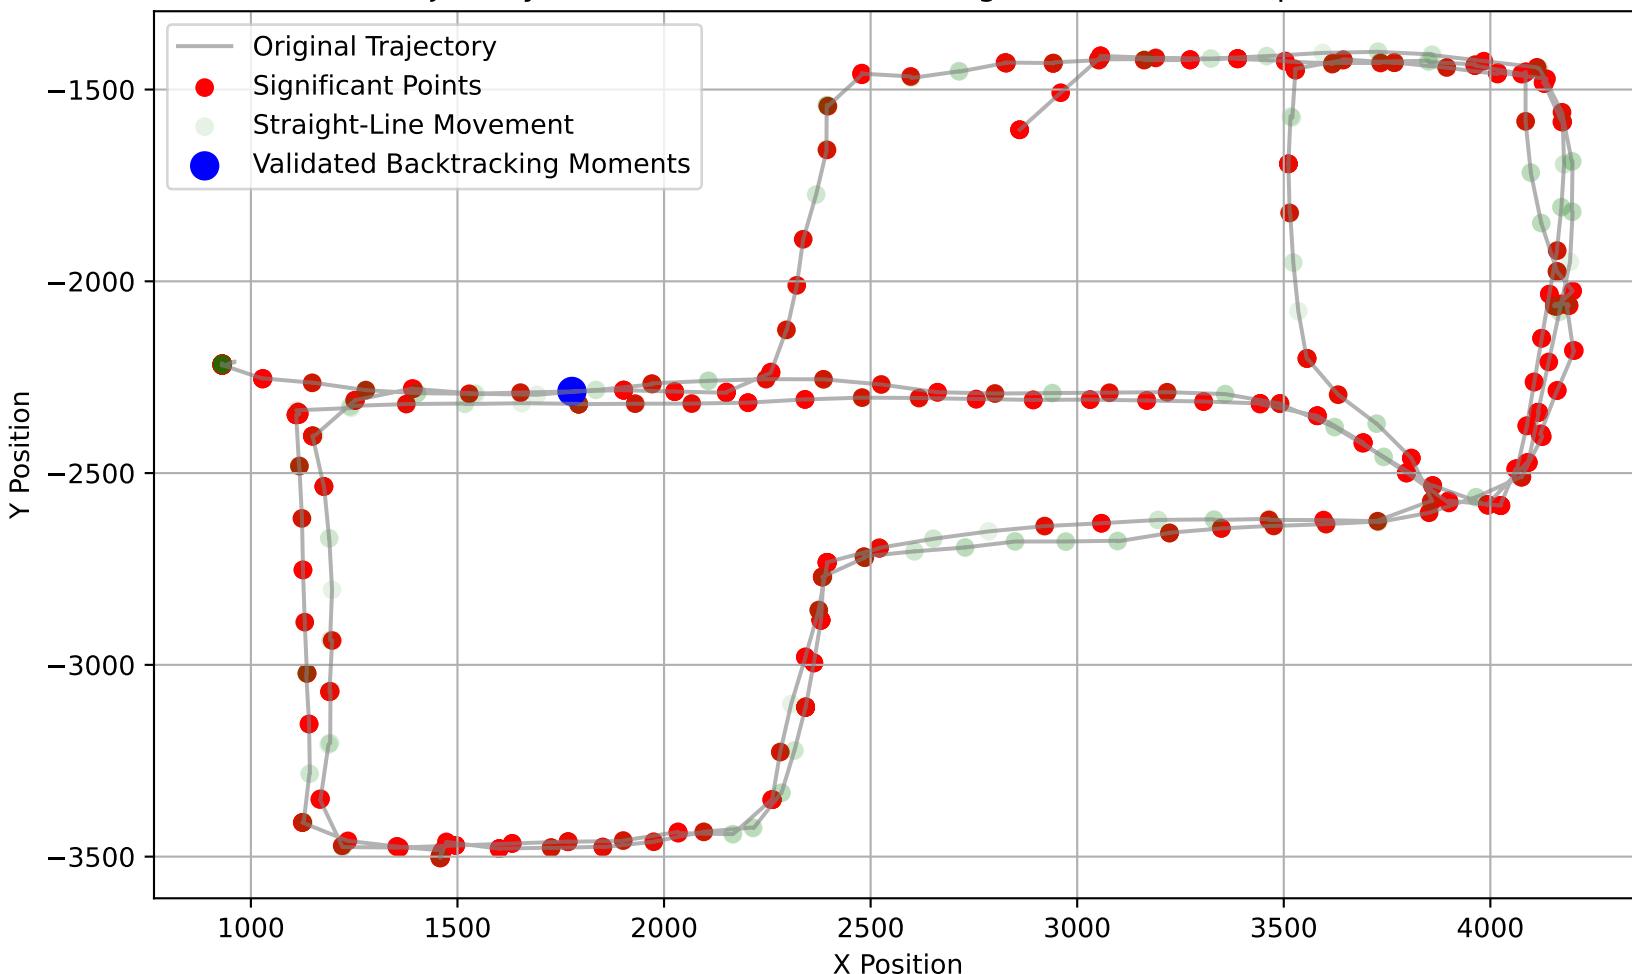

Trajectory with Validated Backtracking Moments (Participant 30)

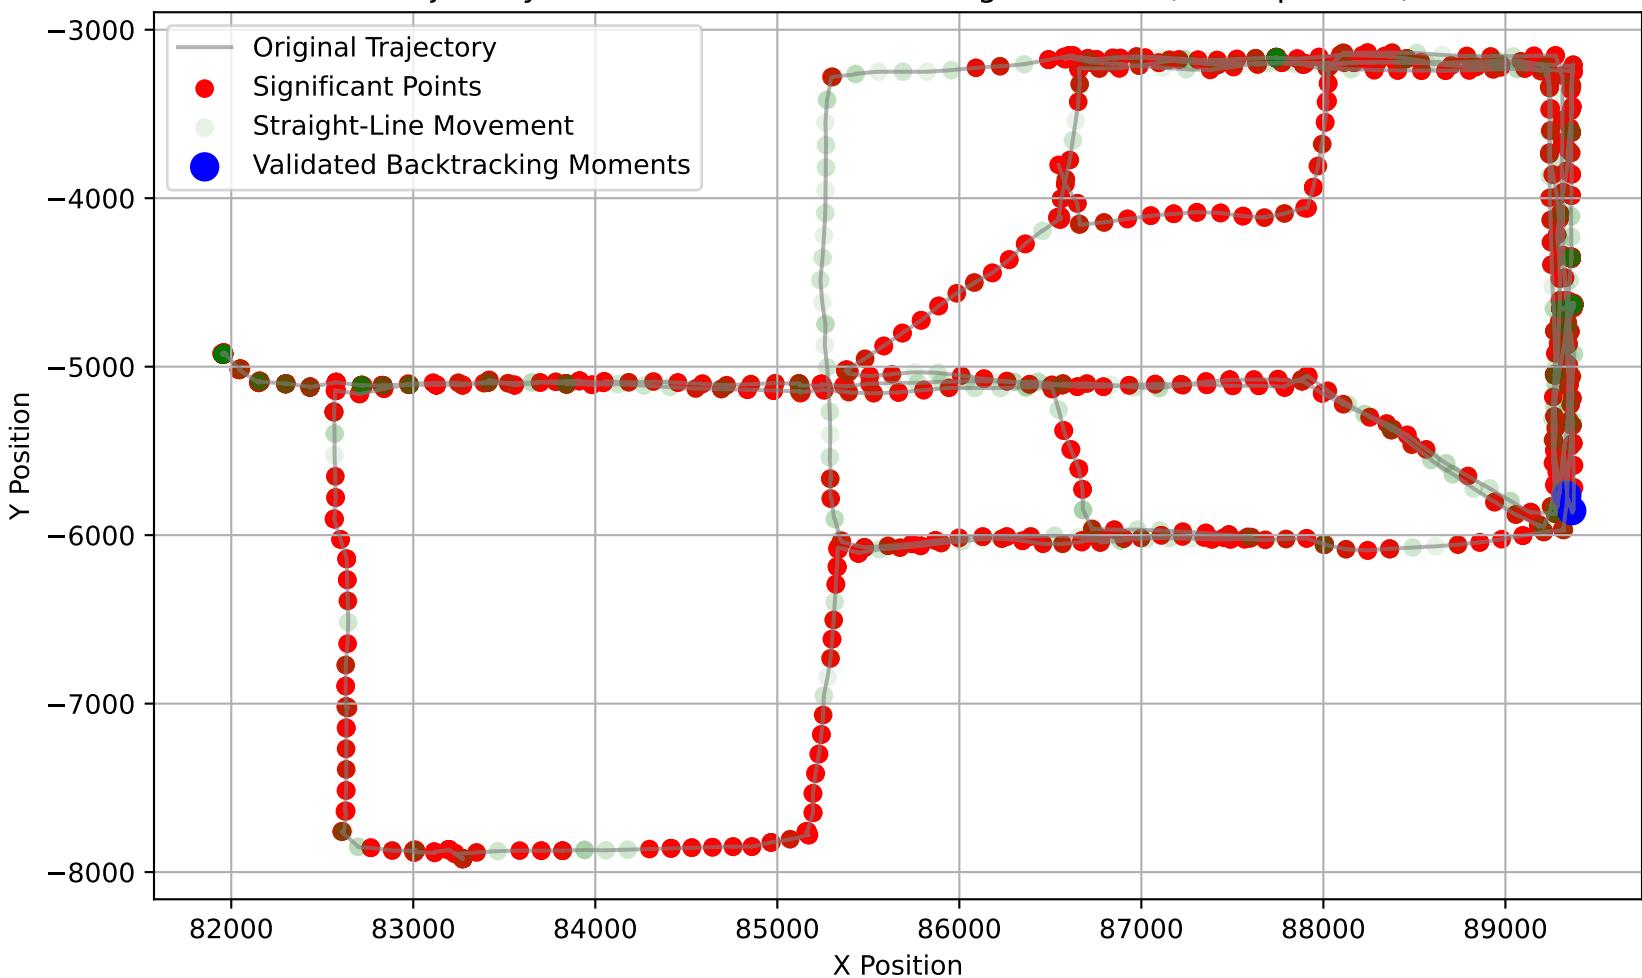

Trajectory with Validated Backtracking Moments (Participant 31)

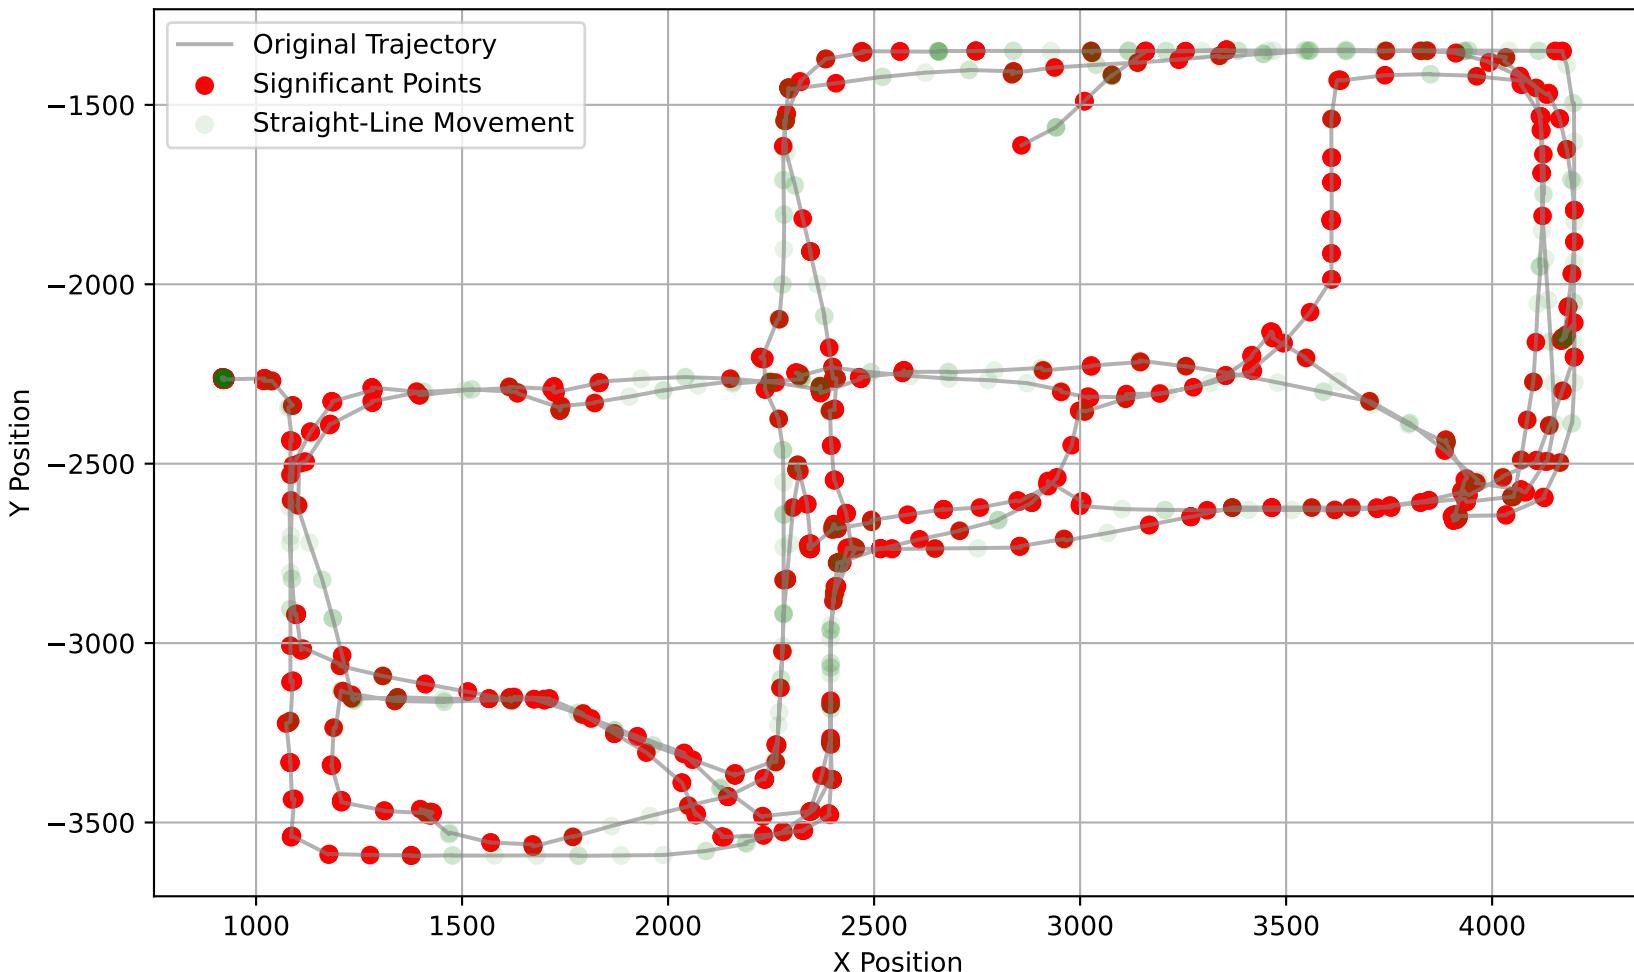

Trajectory with Validated Backtracking Moments (Participant 32)

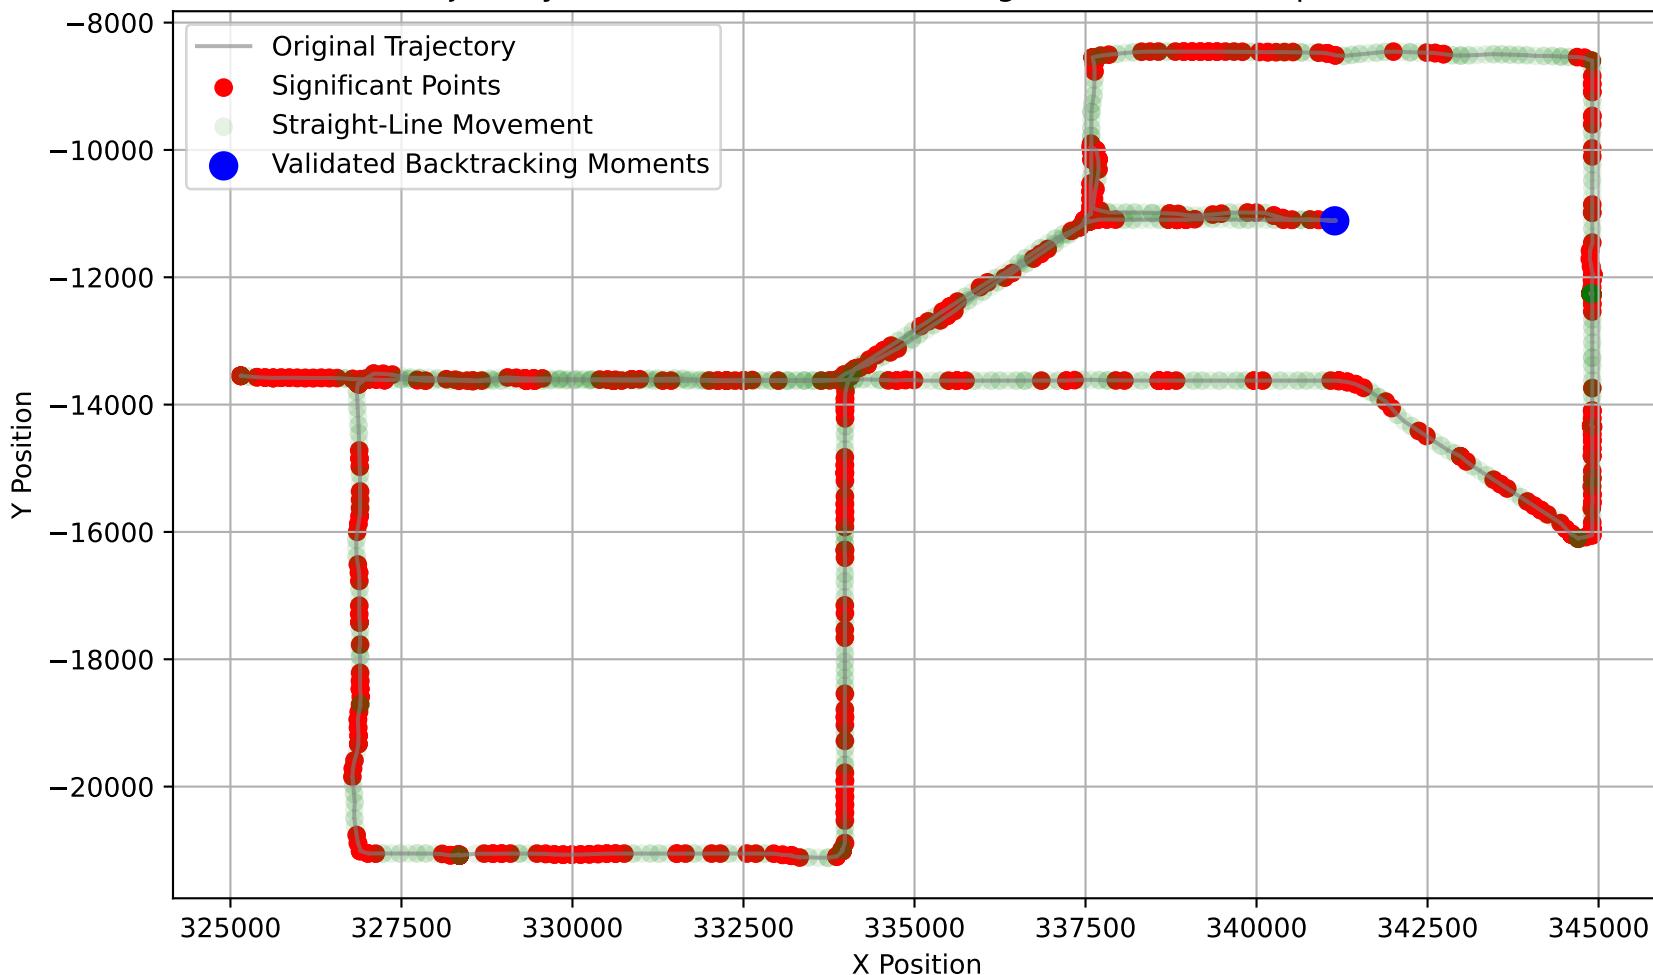

Trajectory with Validated Backtracking Moments (Participant 33)

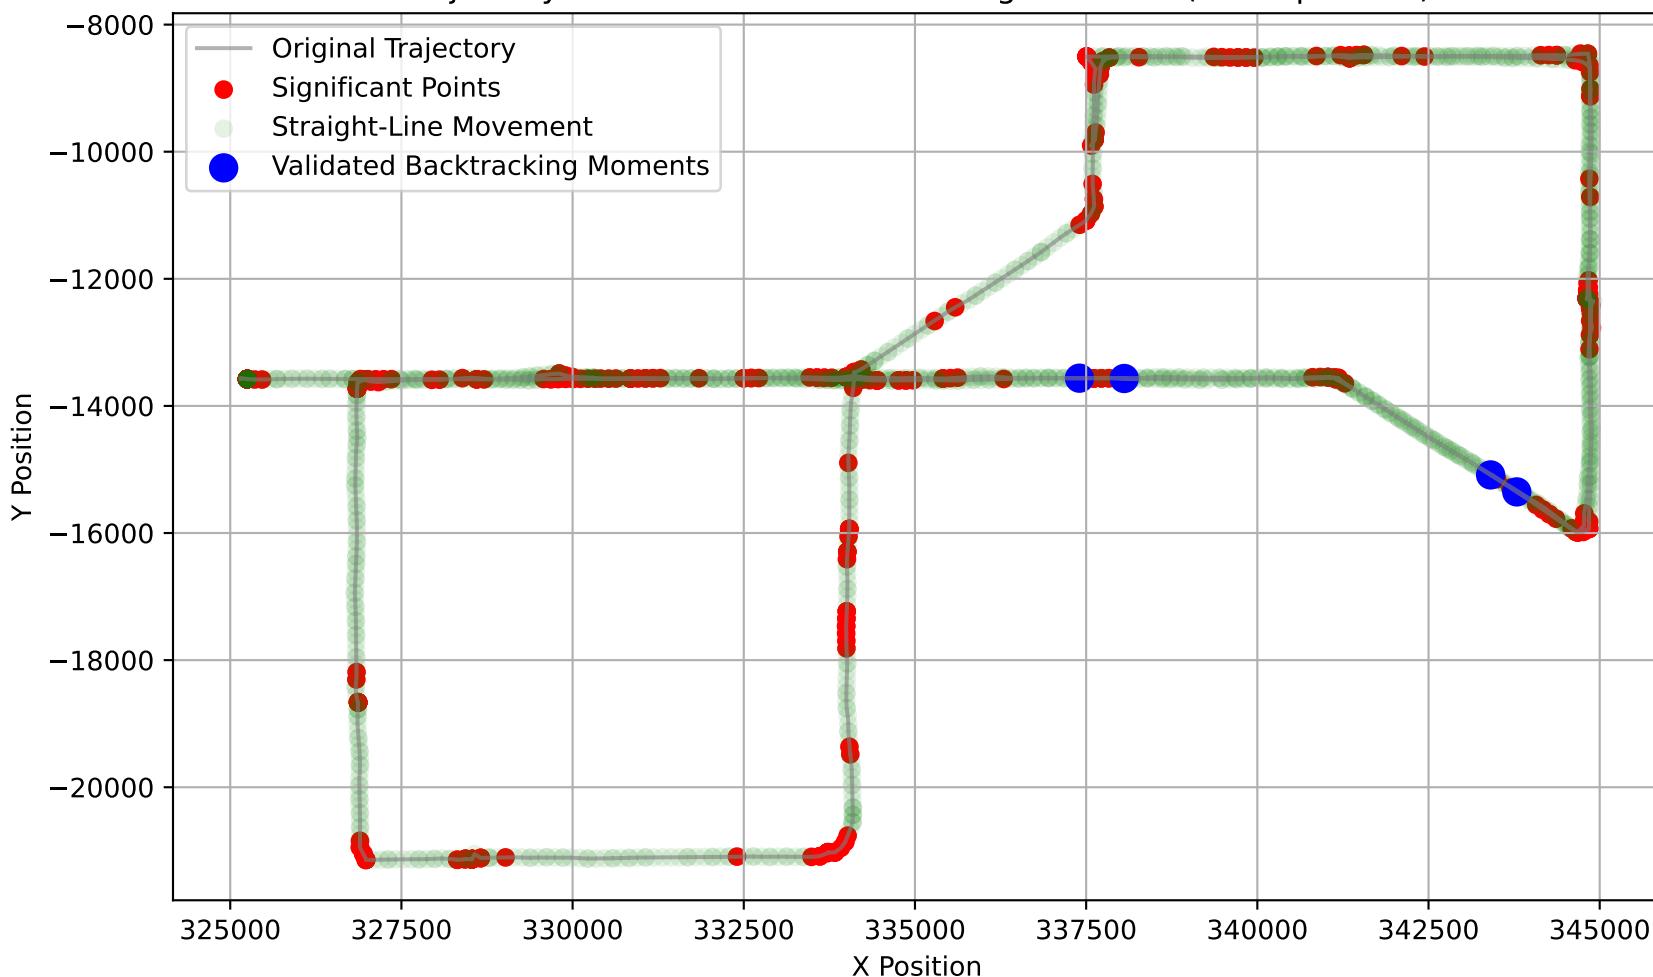

Trajectory with Validated Backtracking Moments (Participant 34)

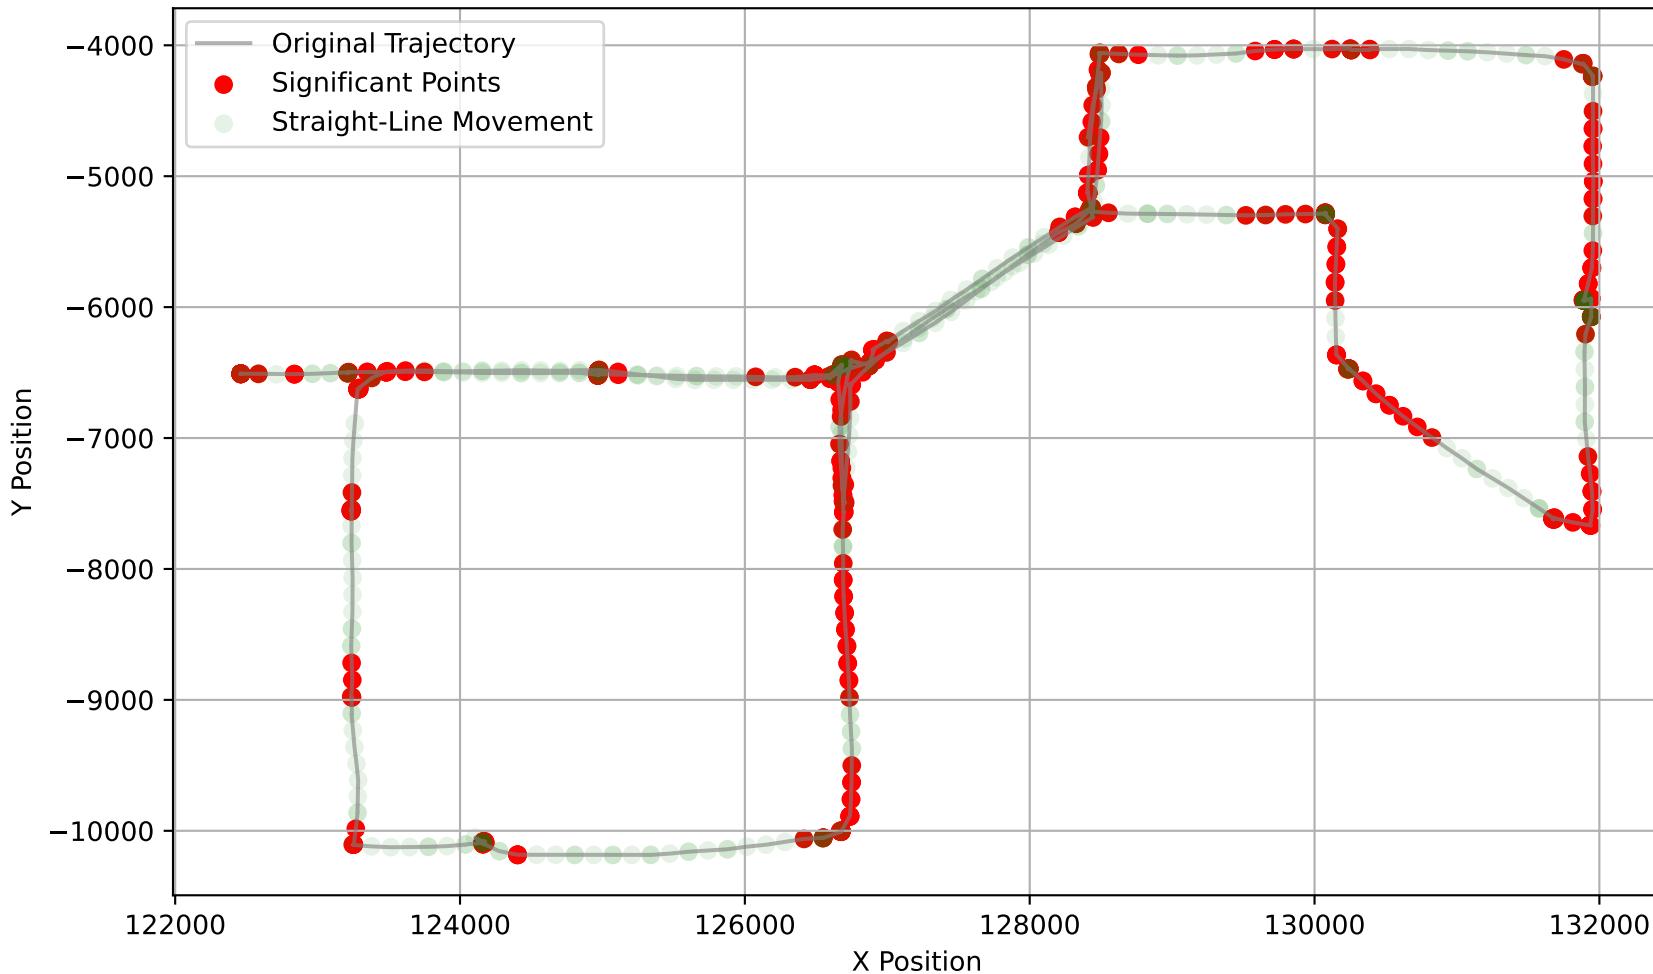

Trajectory with Validated Backtracking Moments (Participant 35)

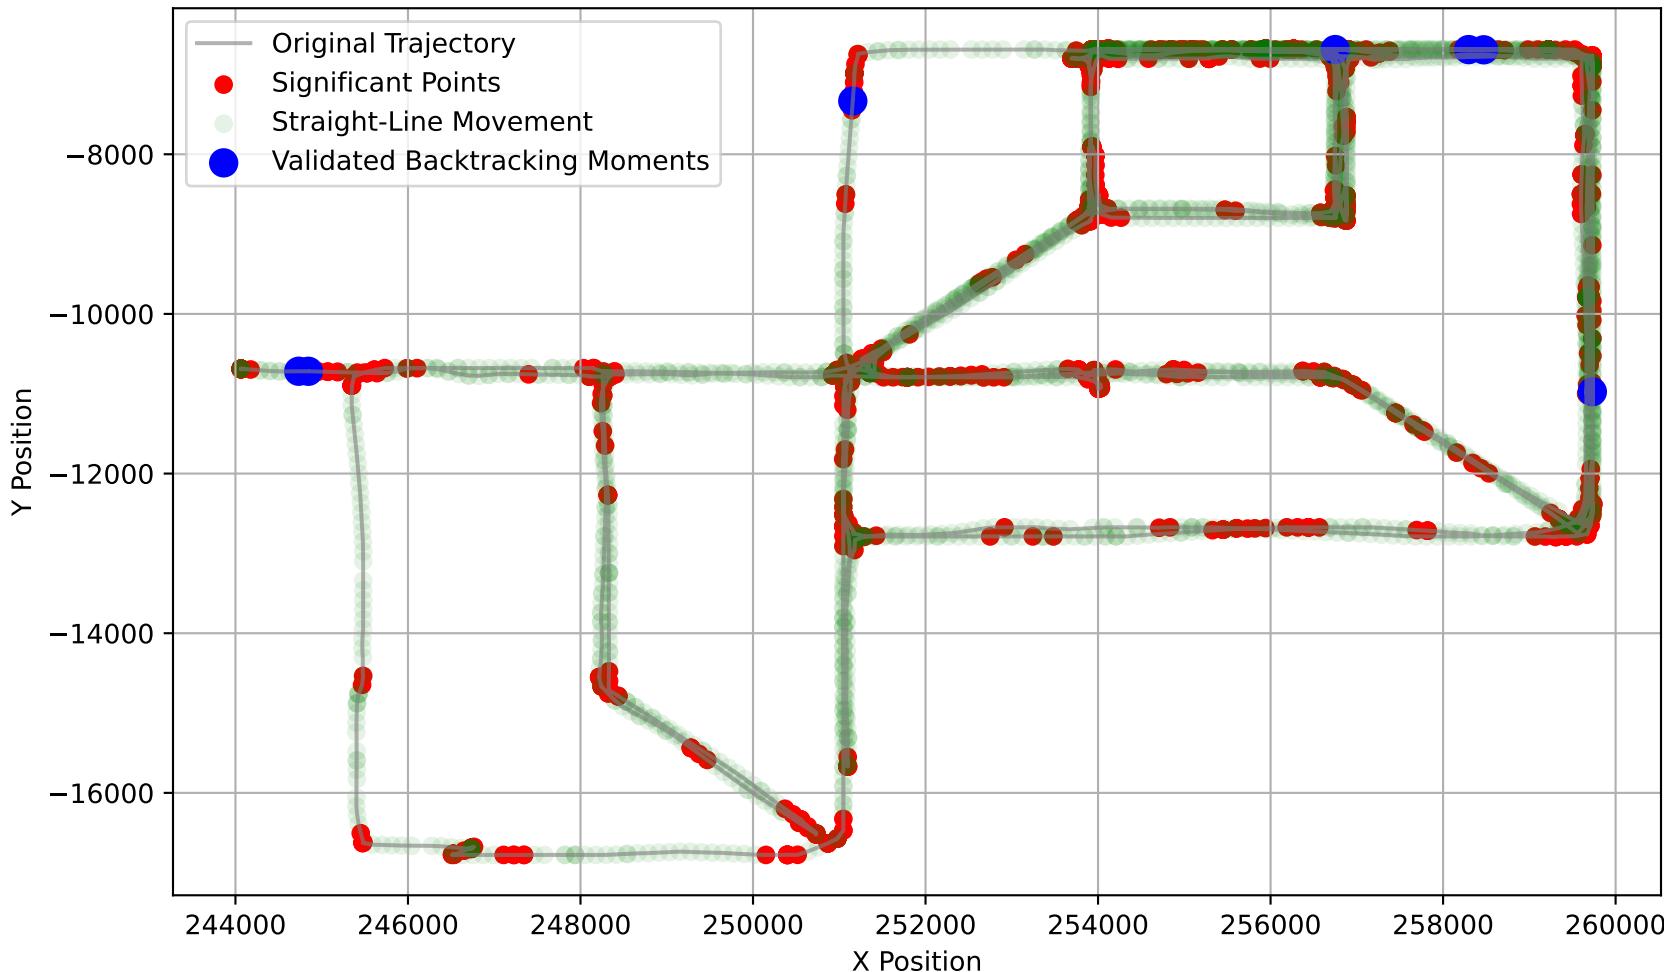

Trajectory with Validated Backtracking Moments (Participant 36)

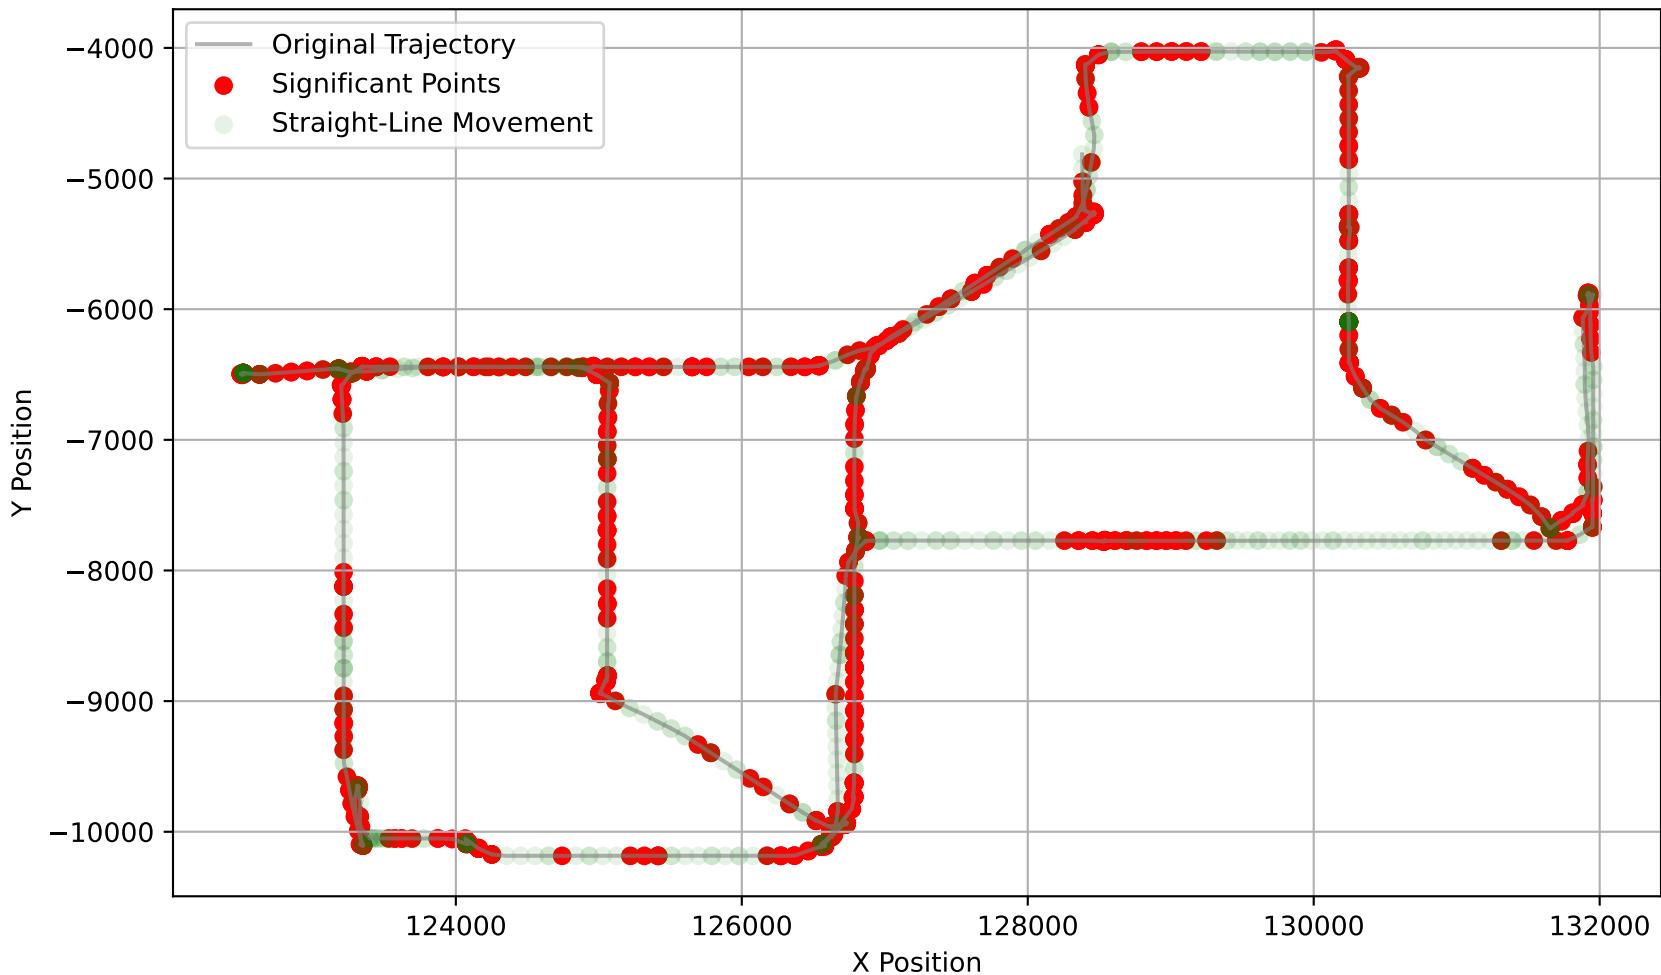

Trajectory with Validated Backtracking Moments (Participant 38)

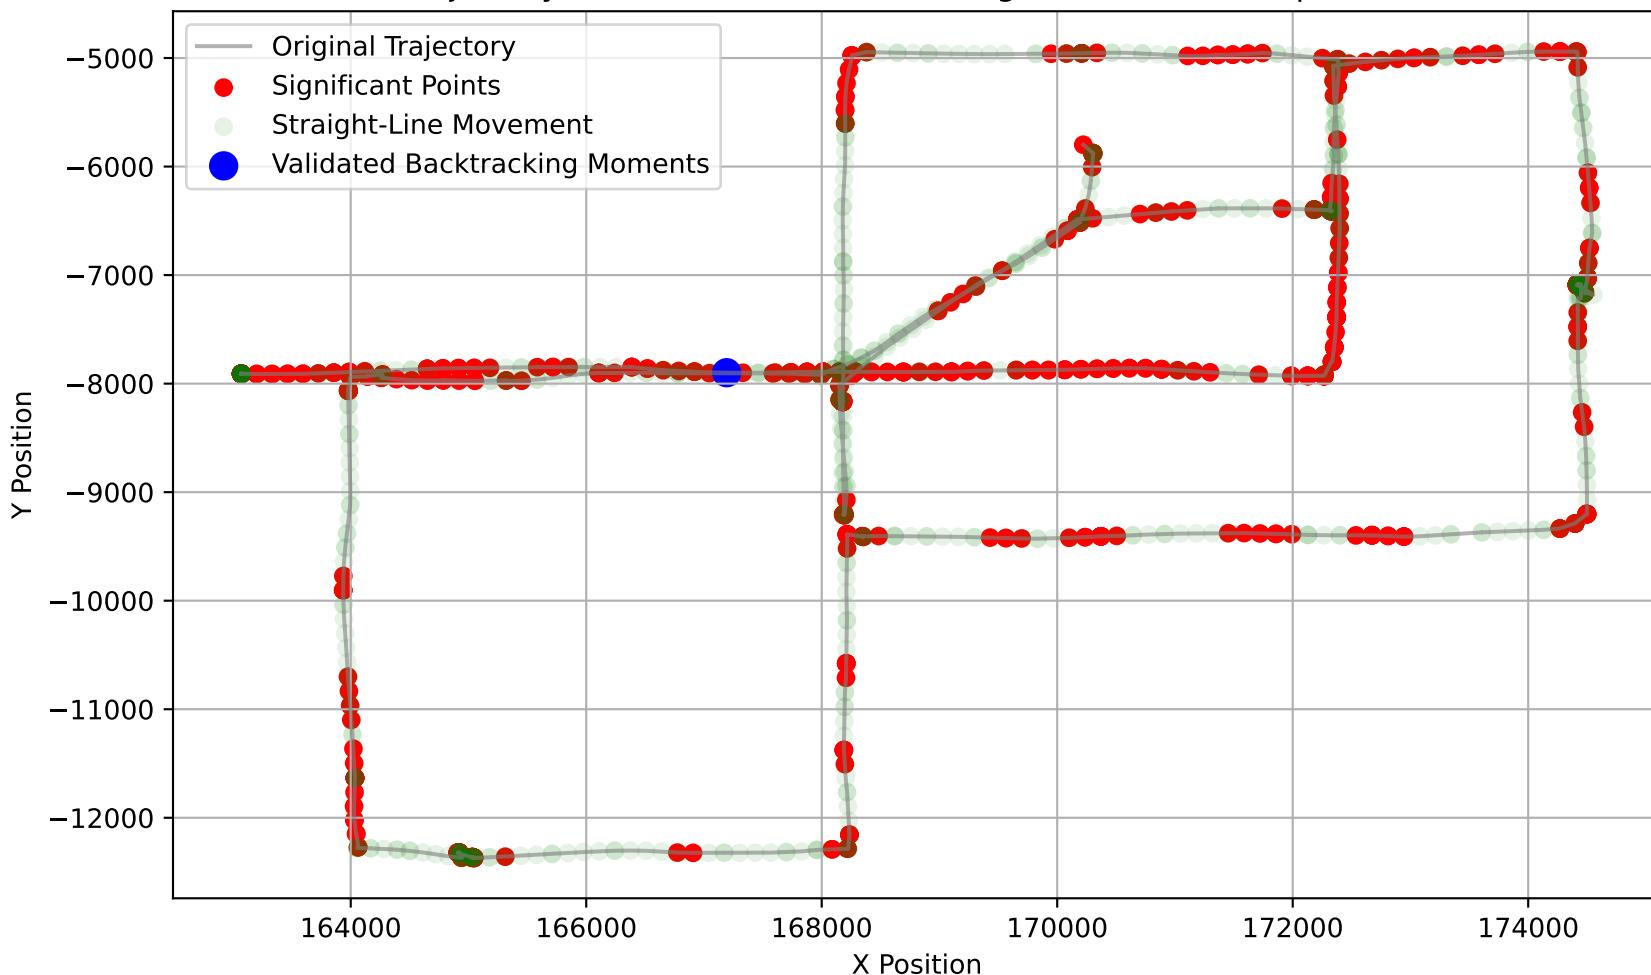

Trajectory with Validated Backtracking Moments (Participant 39)

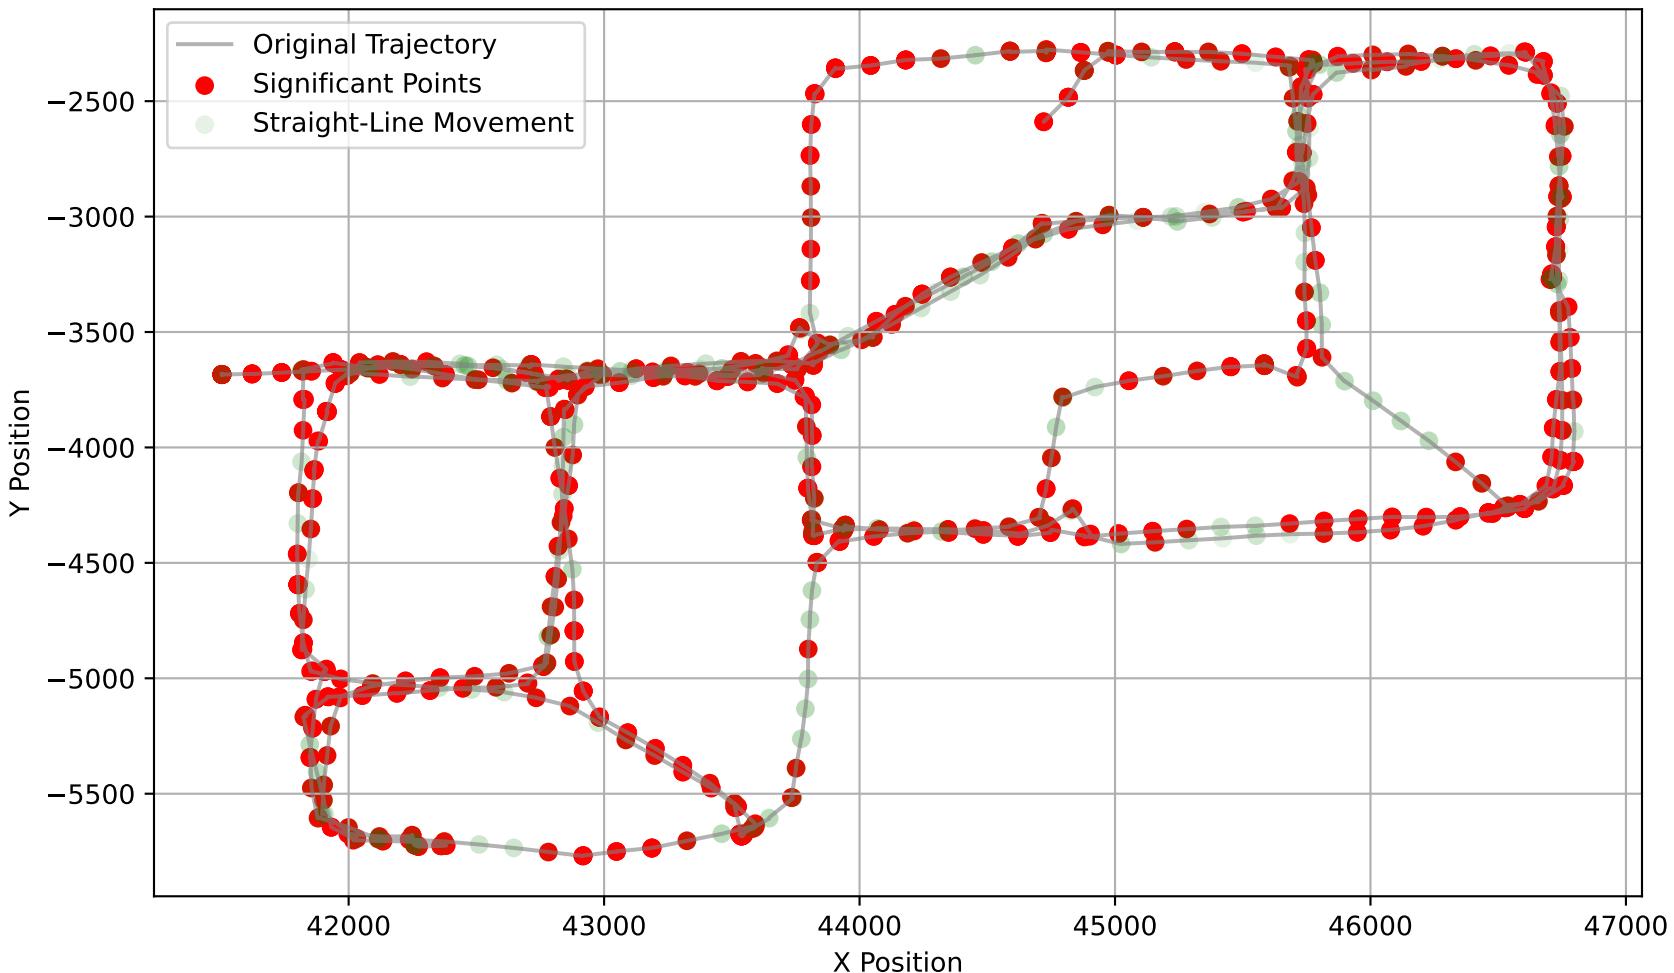

Trajectory with Validated Backtracking Moments (Participant 40)

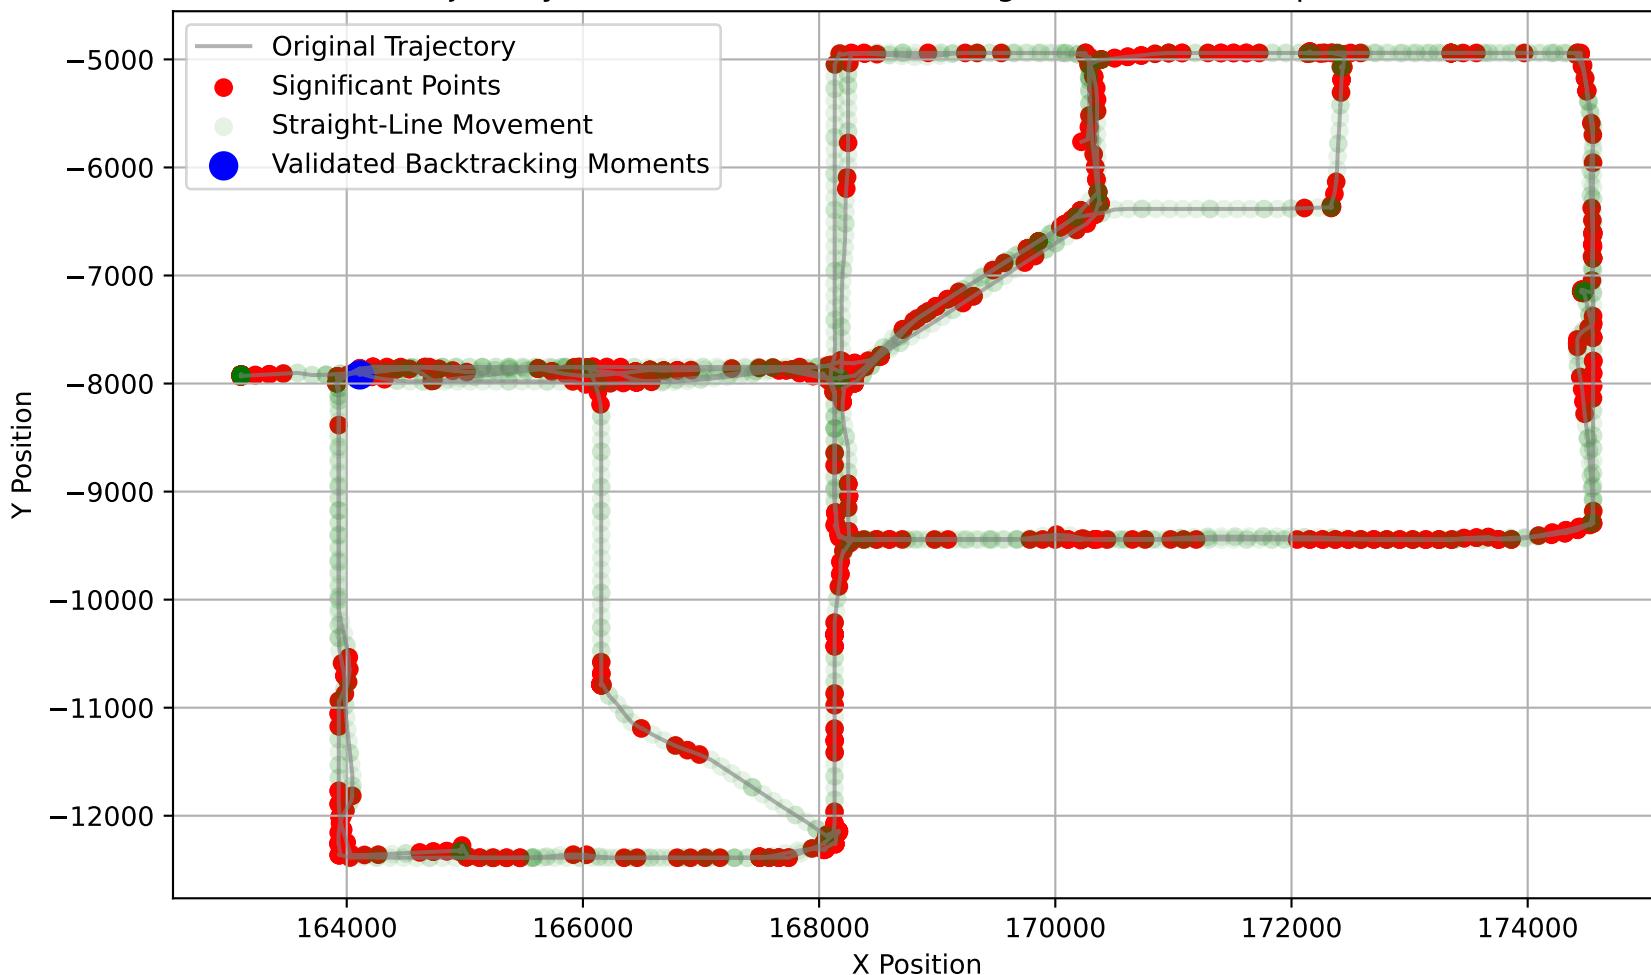

Trajectory with Validated Backtracking Moments (Participant 44)

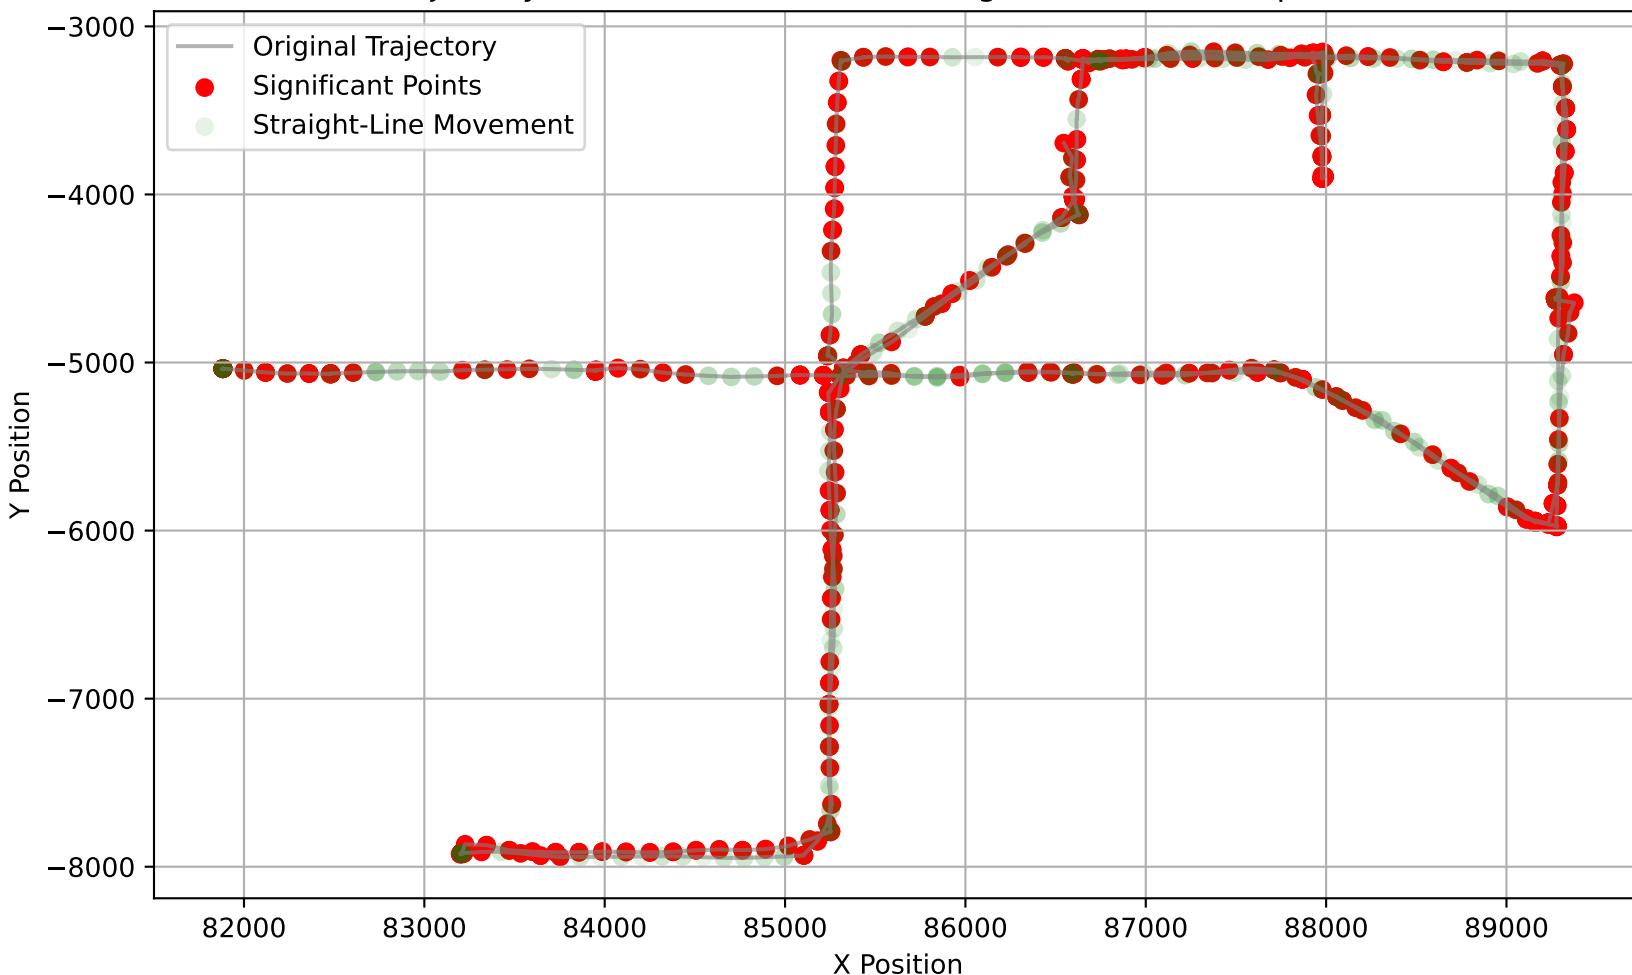

Trajectory with Validated Backtracking Moments (Participant 45)

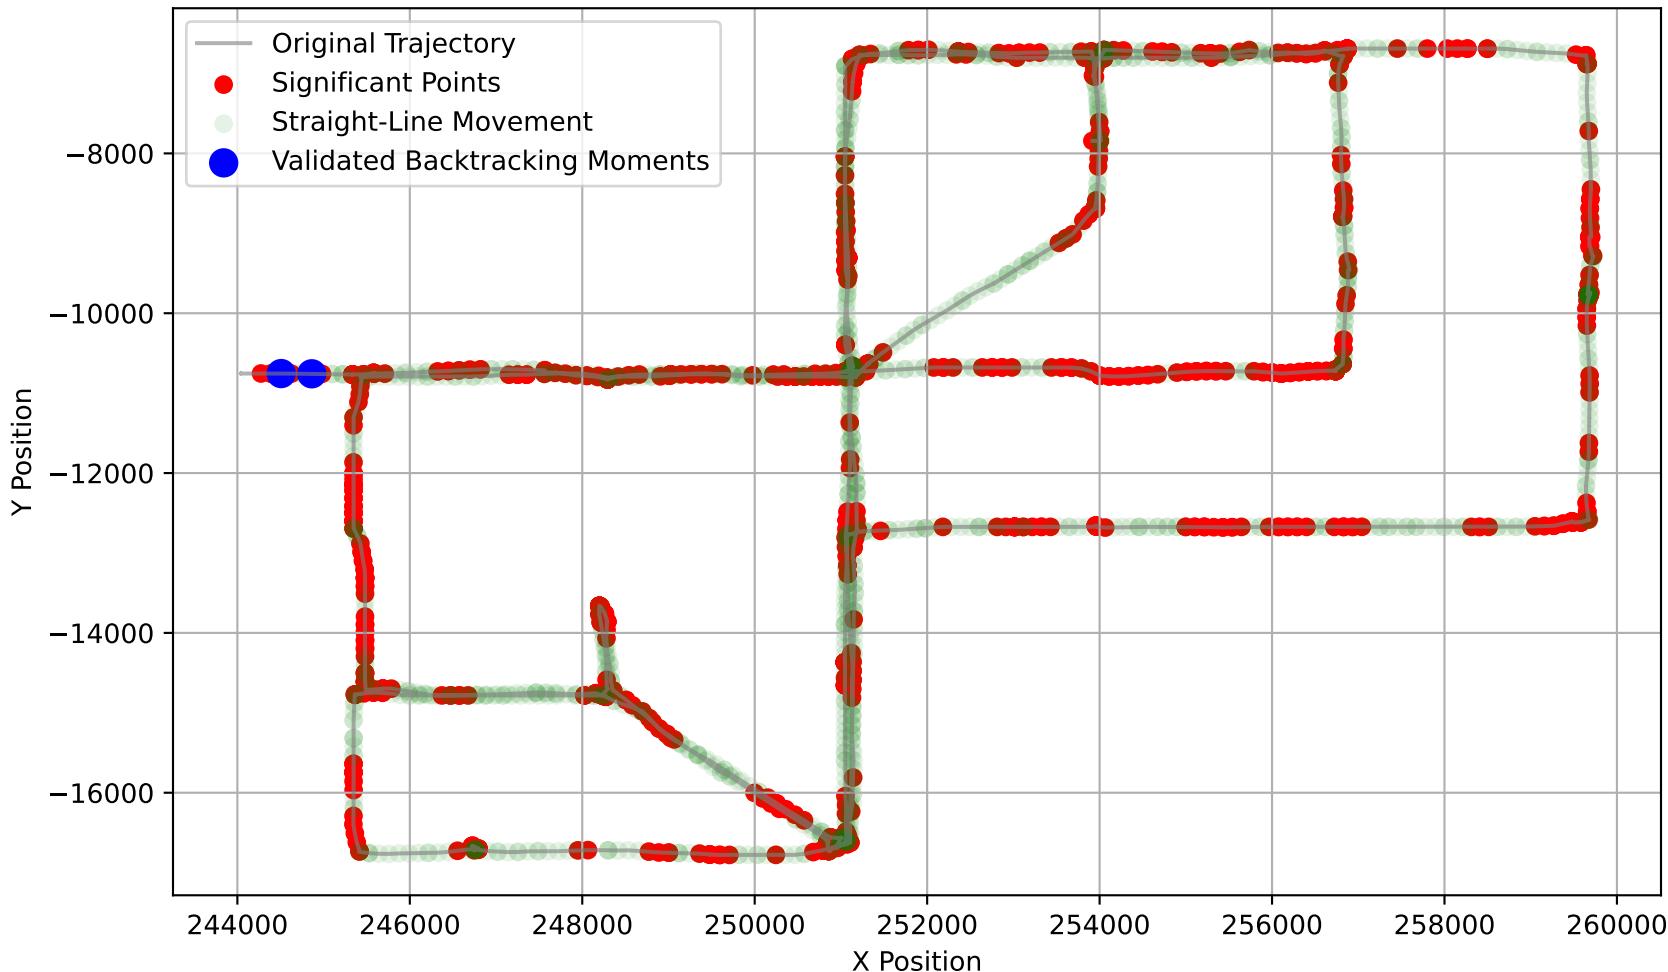

Trajectory with Validated Backtracking Moments (Participant 47)

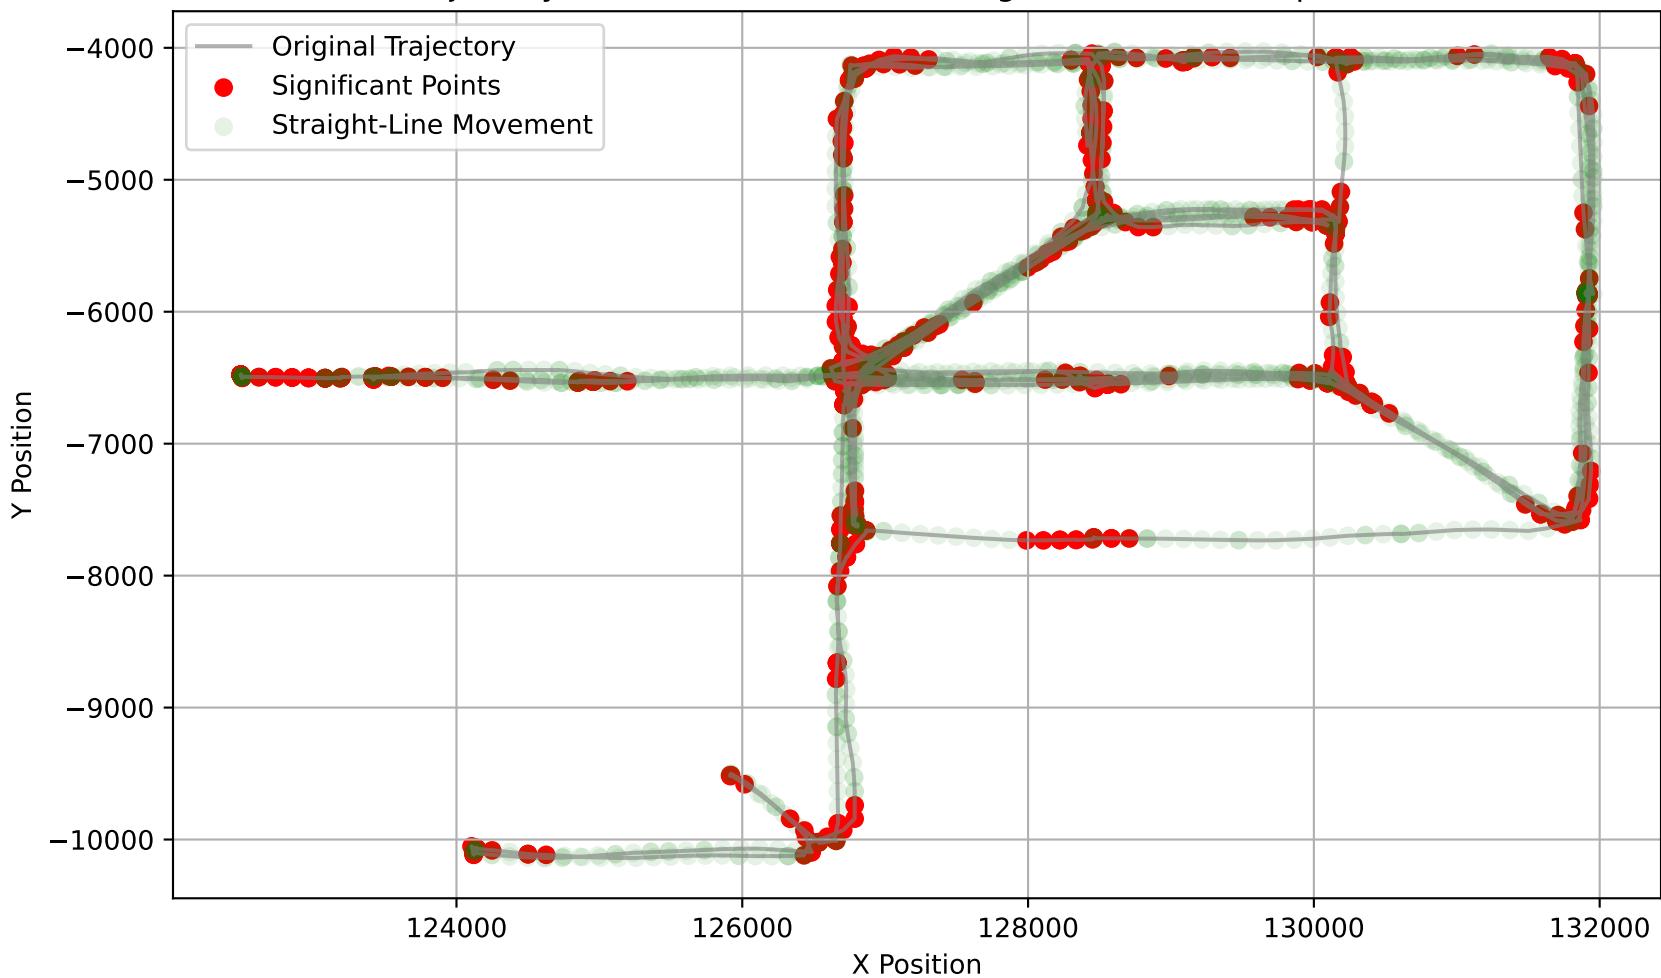

Trajectory with Validated Backtracking Moments (Participant 51)

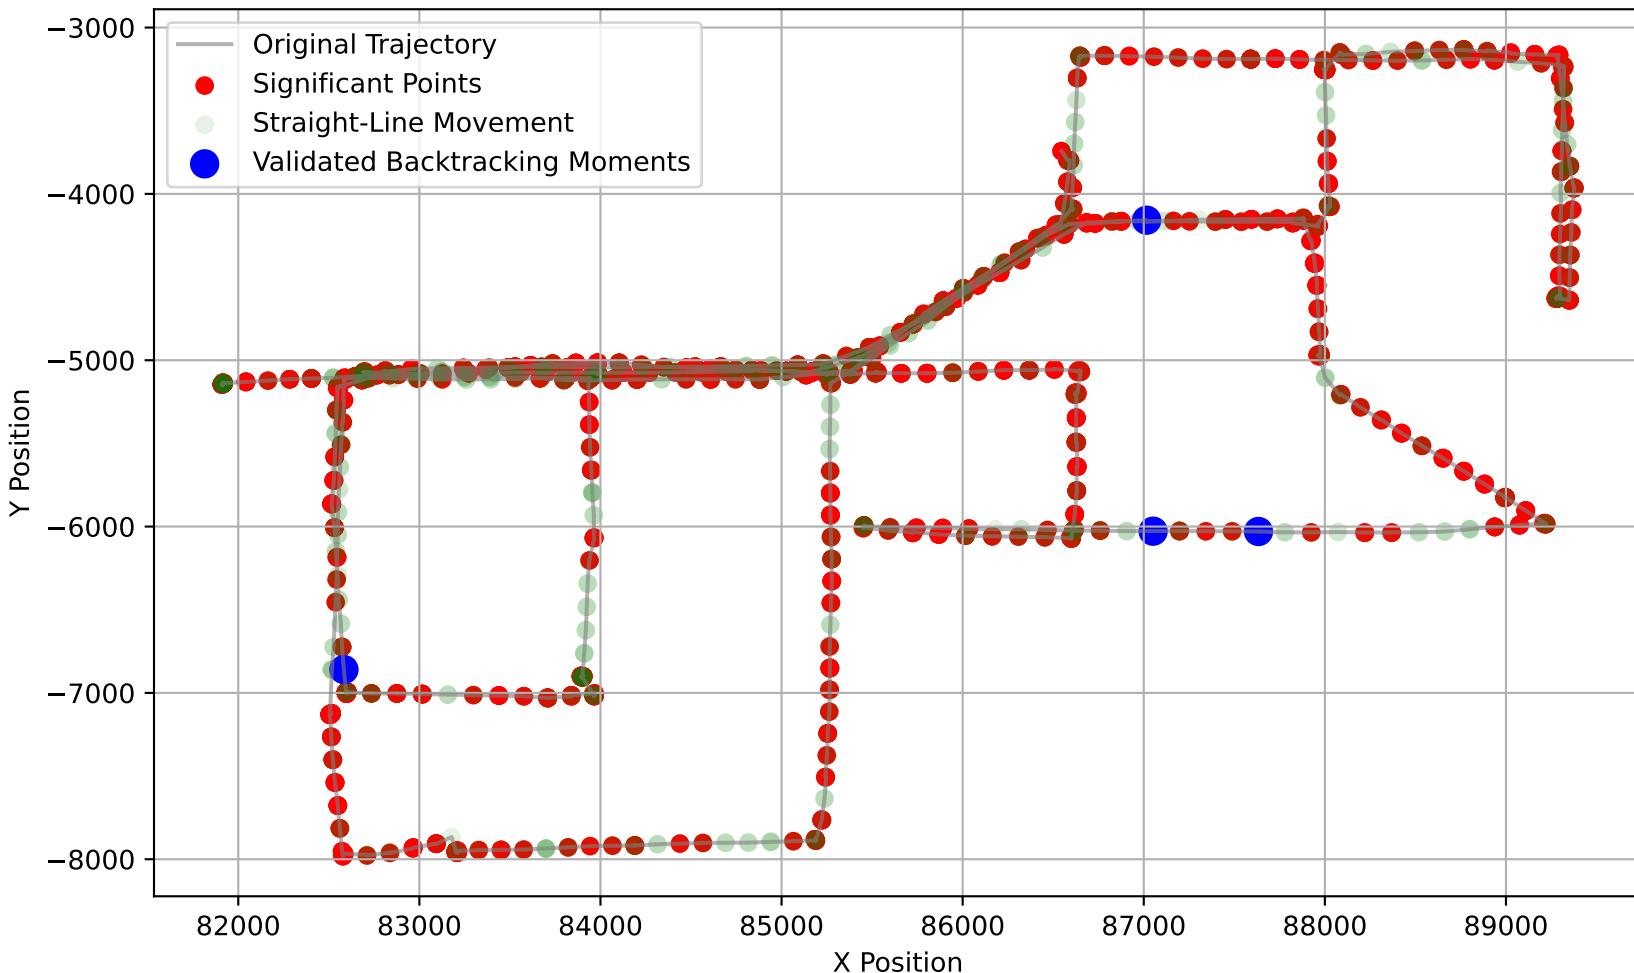

Trajectory with Validated Backtracking Moments (Participant 55)

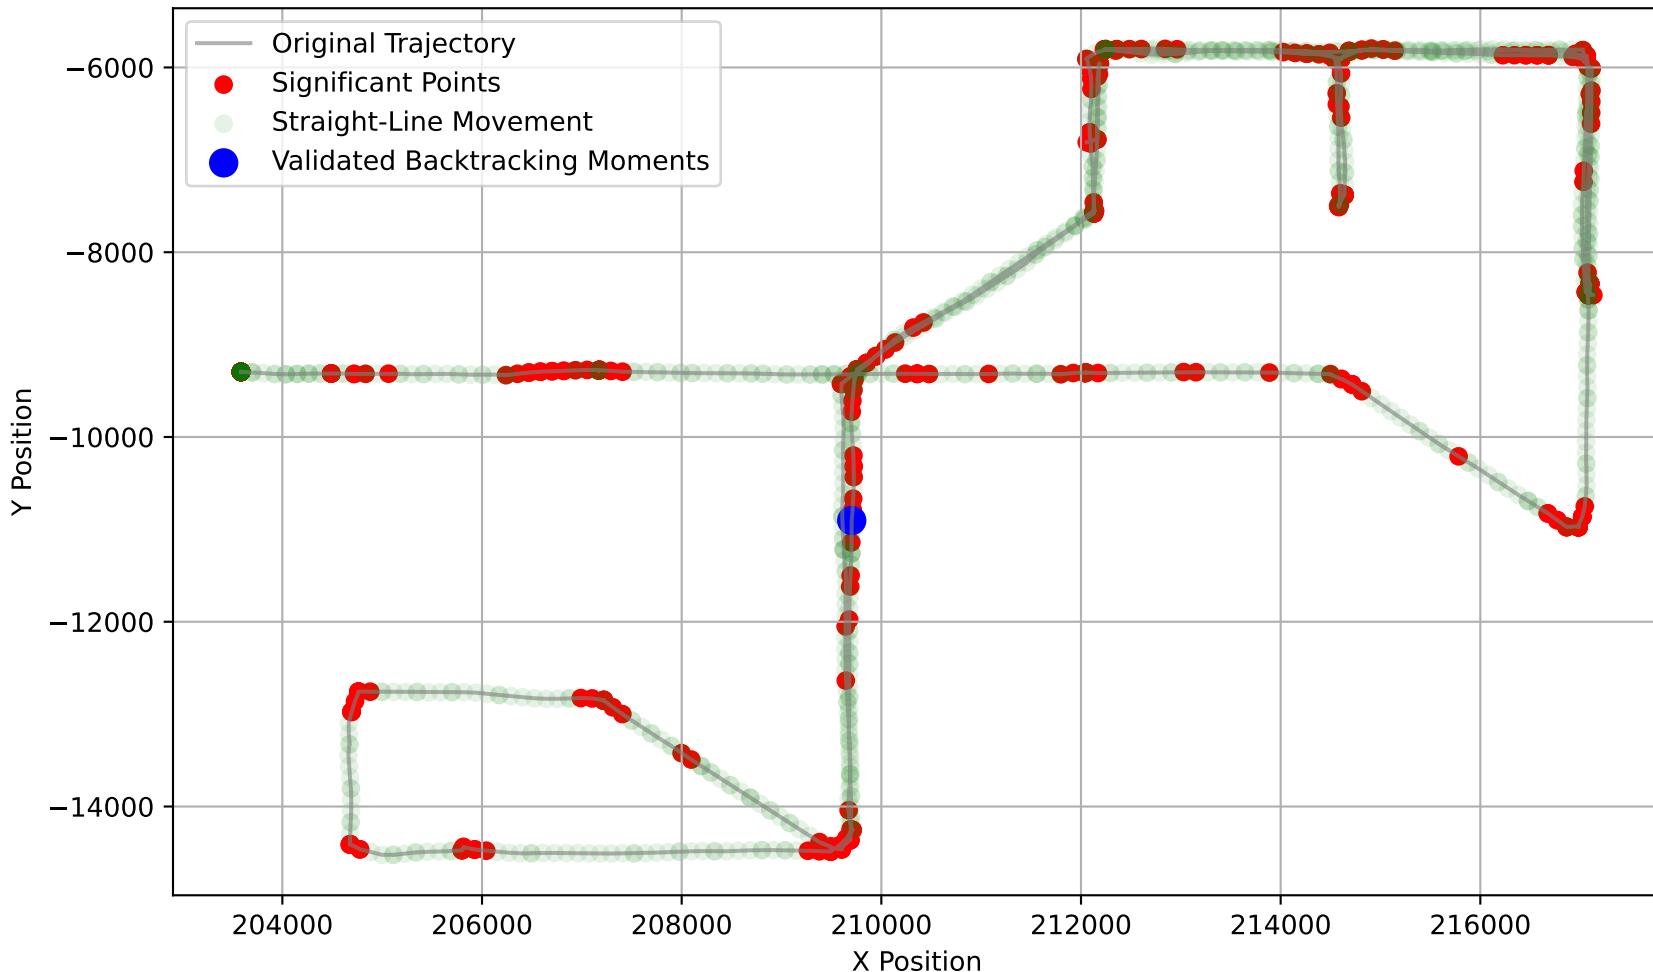

Trajectory with Validated Backtracking Moments (Participant 57)

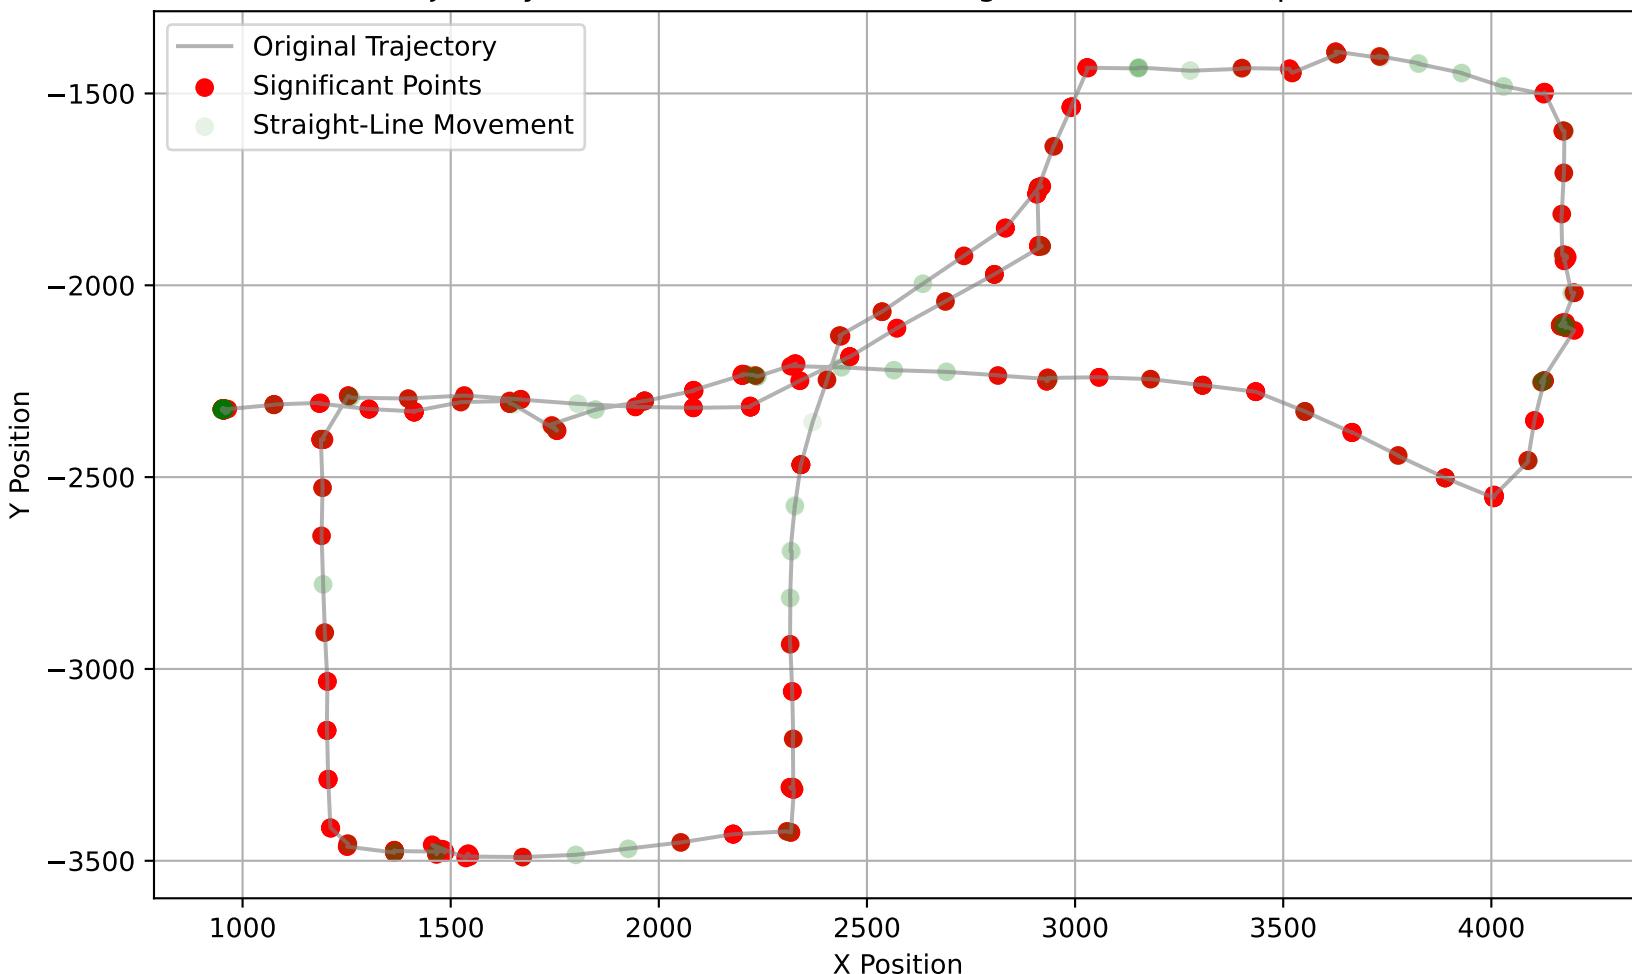

Trajectory with Validated Backtracking Moments (Participant 58)

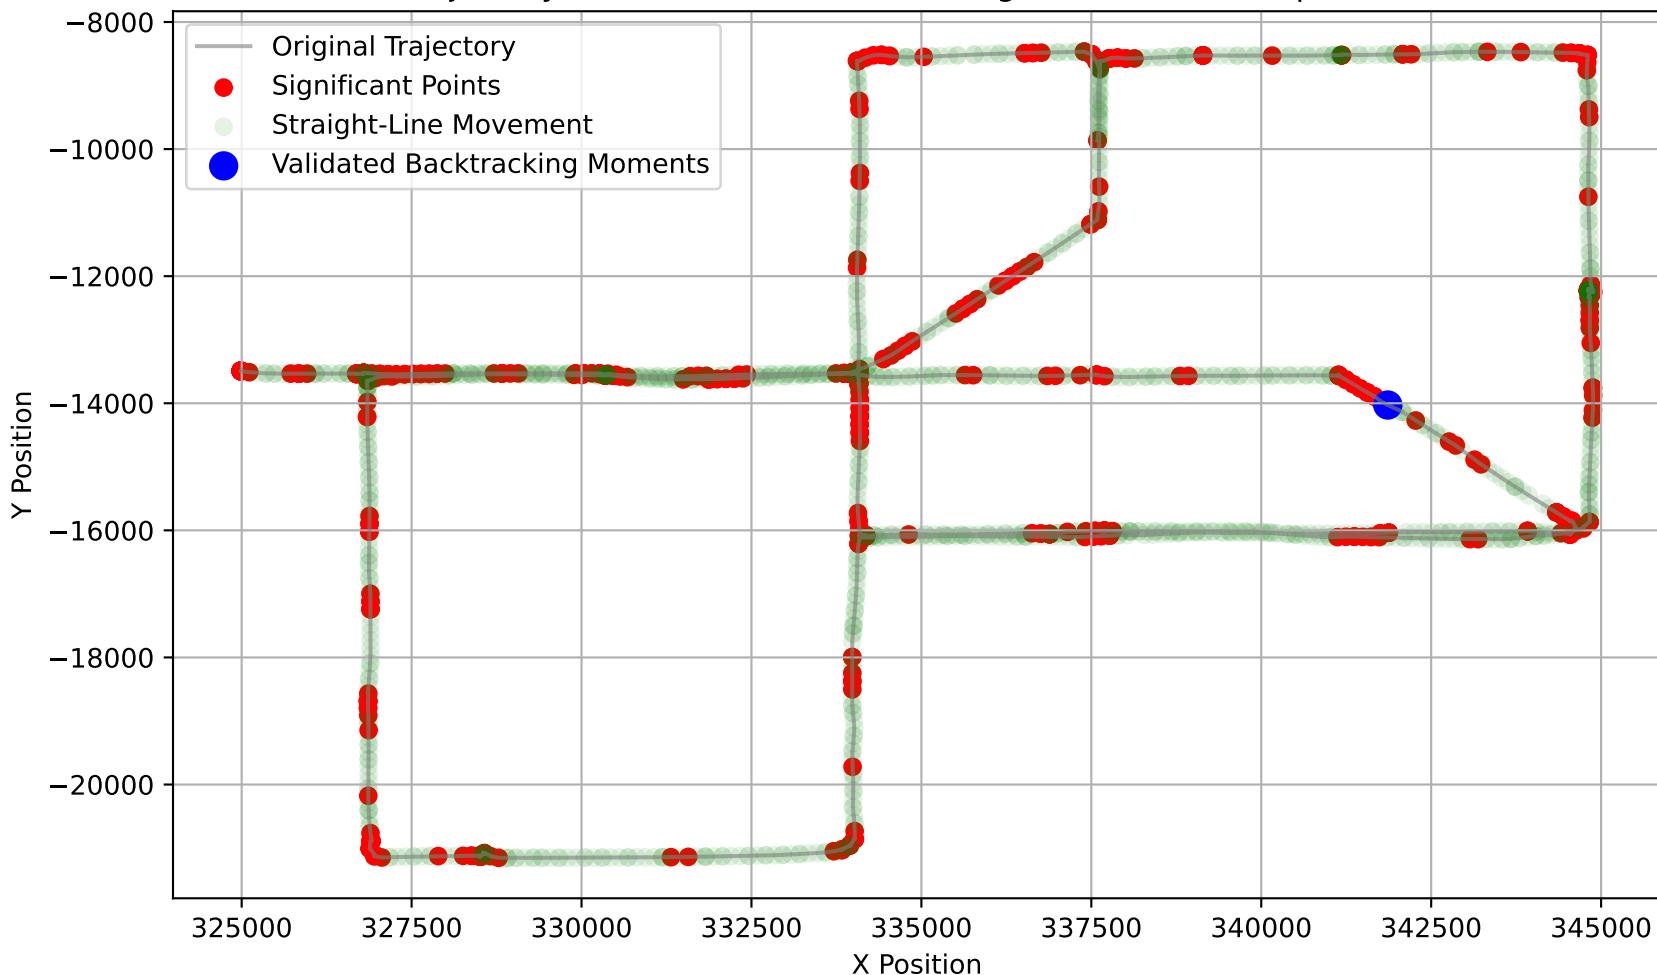

Trajectory with Validated Backtracking Moments (Participant 61)

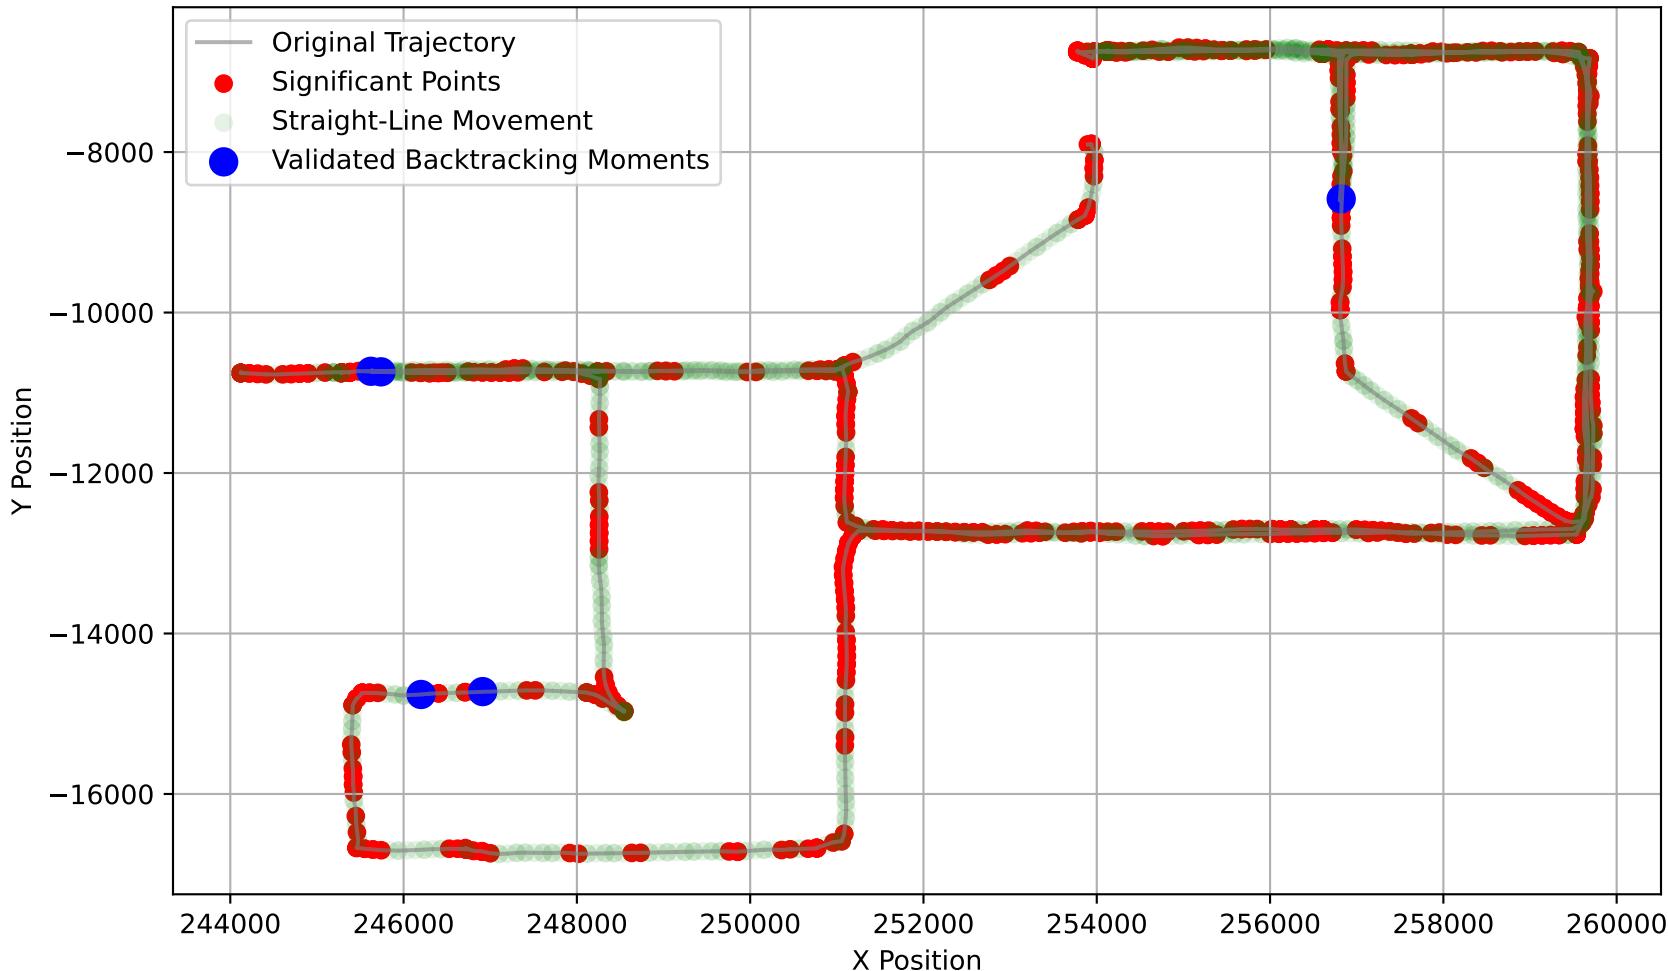

Trajectory with Validated Backtracking Moments (Participant 64)

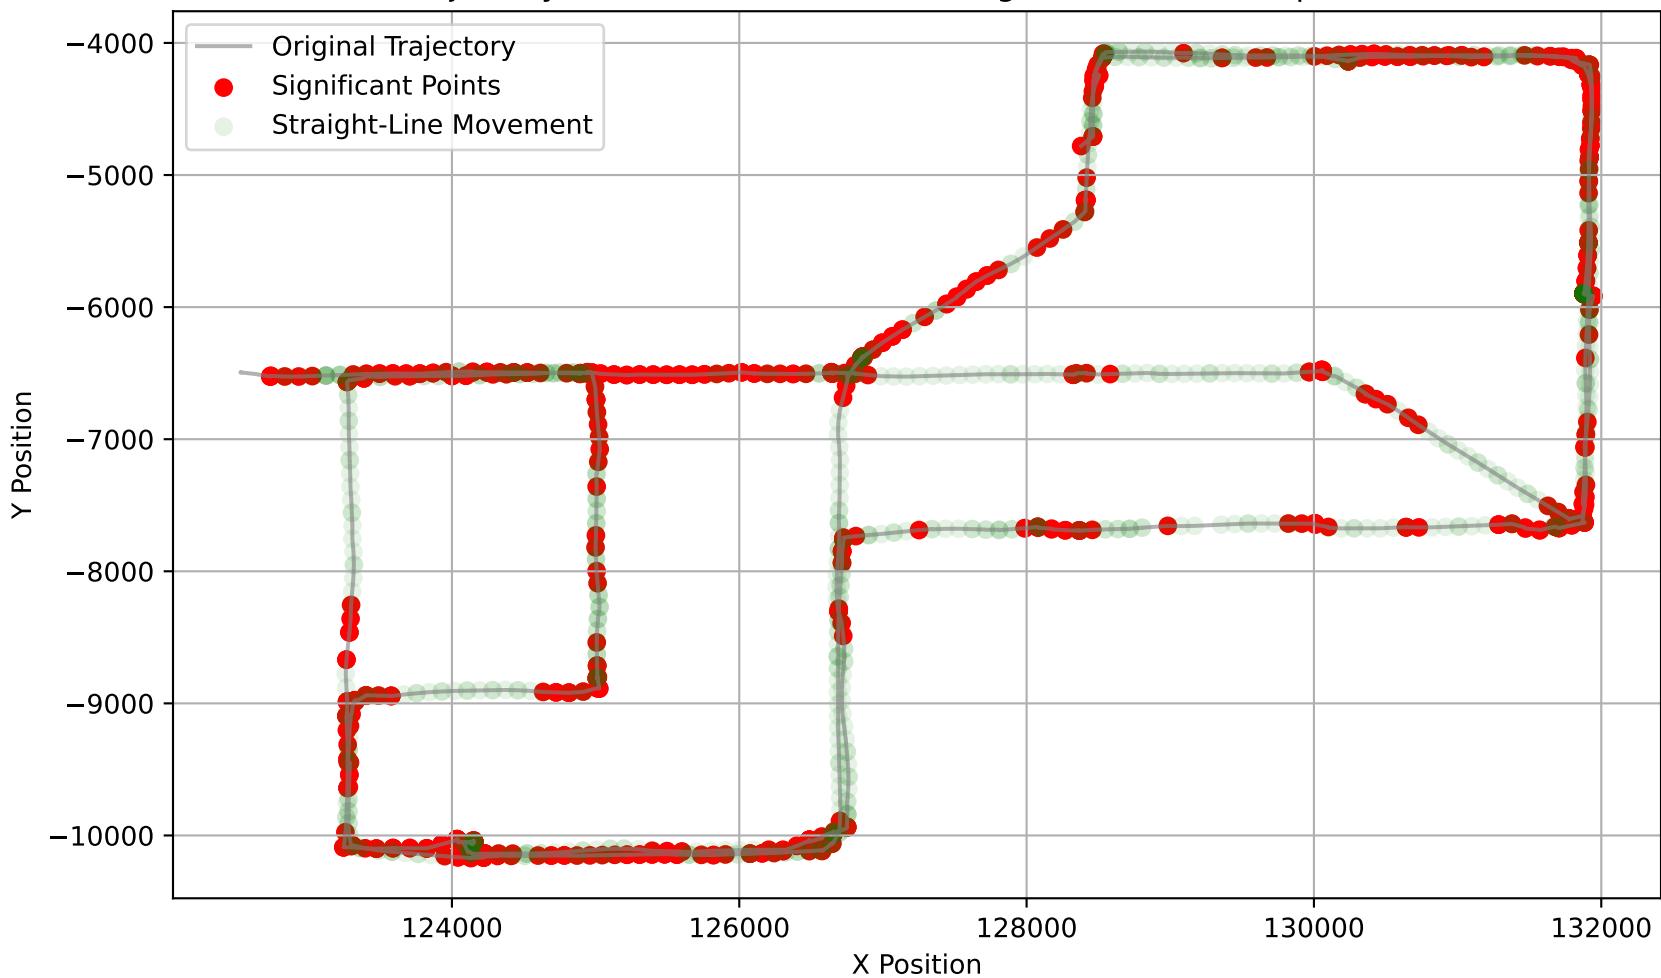

Trajectory with Validated Backtracking Moments (Participant 69)

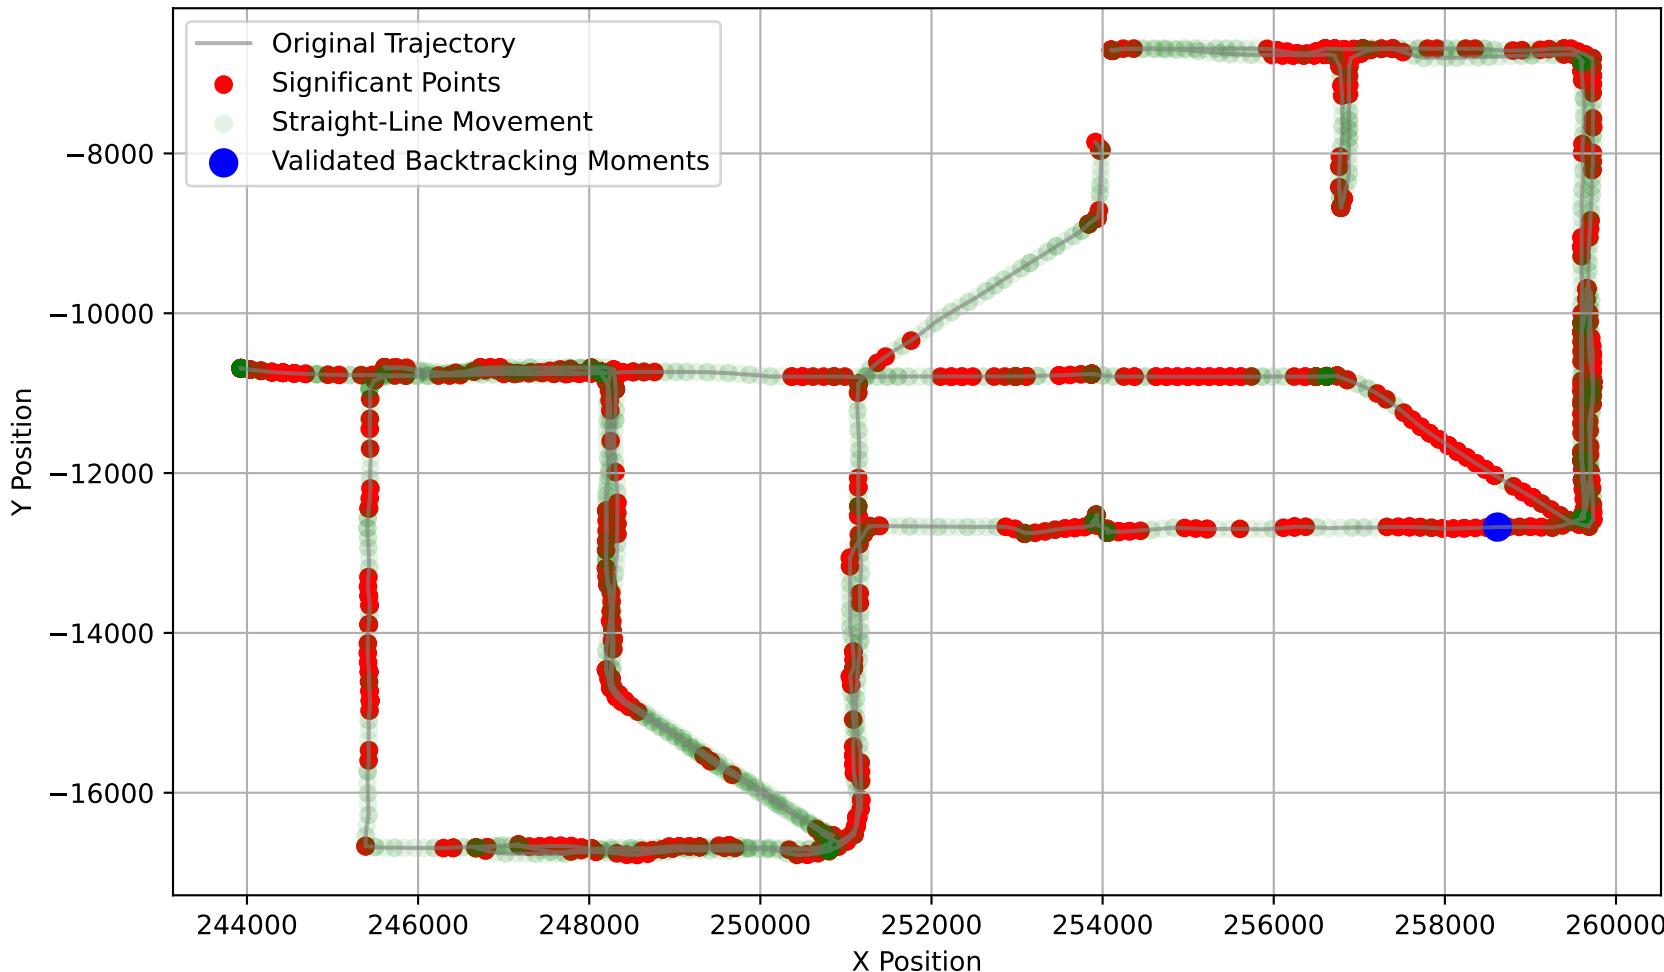

Trajectory with Validated Backtracking Moments (Participant 70)

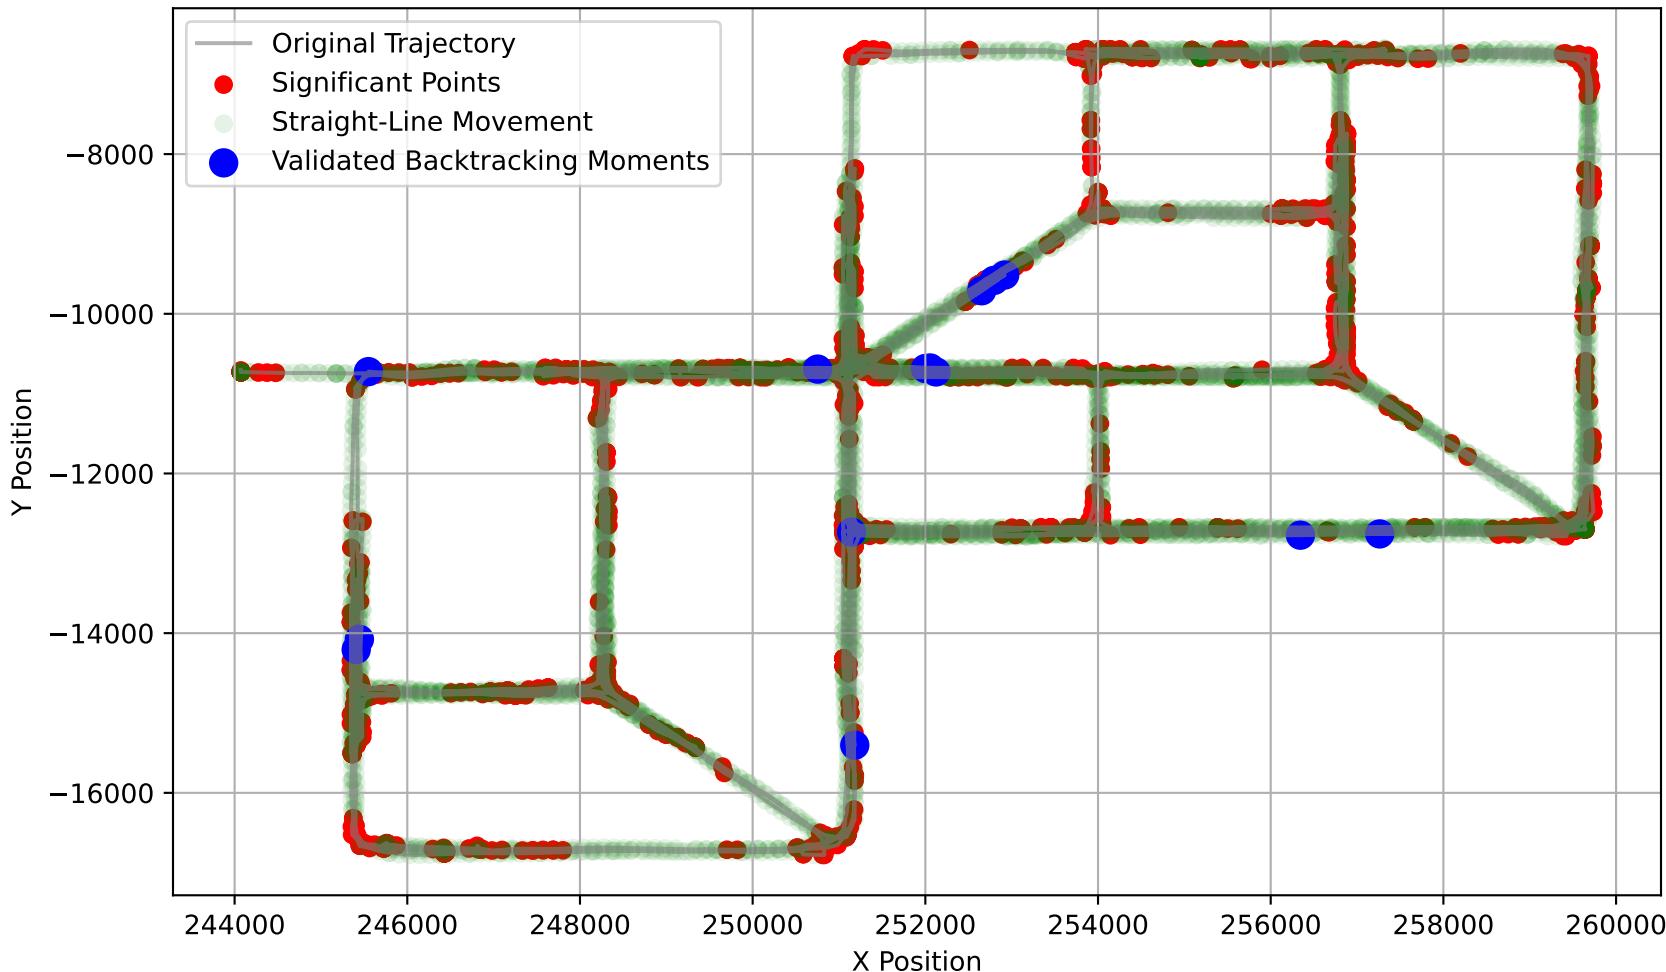

Trajectory with Validated Backtracking Moments (Participant 71)

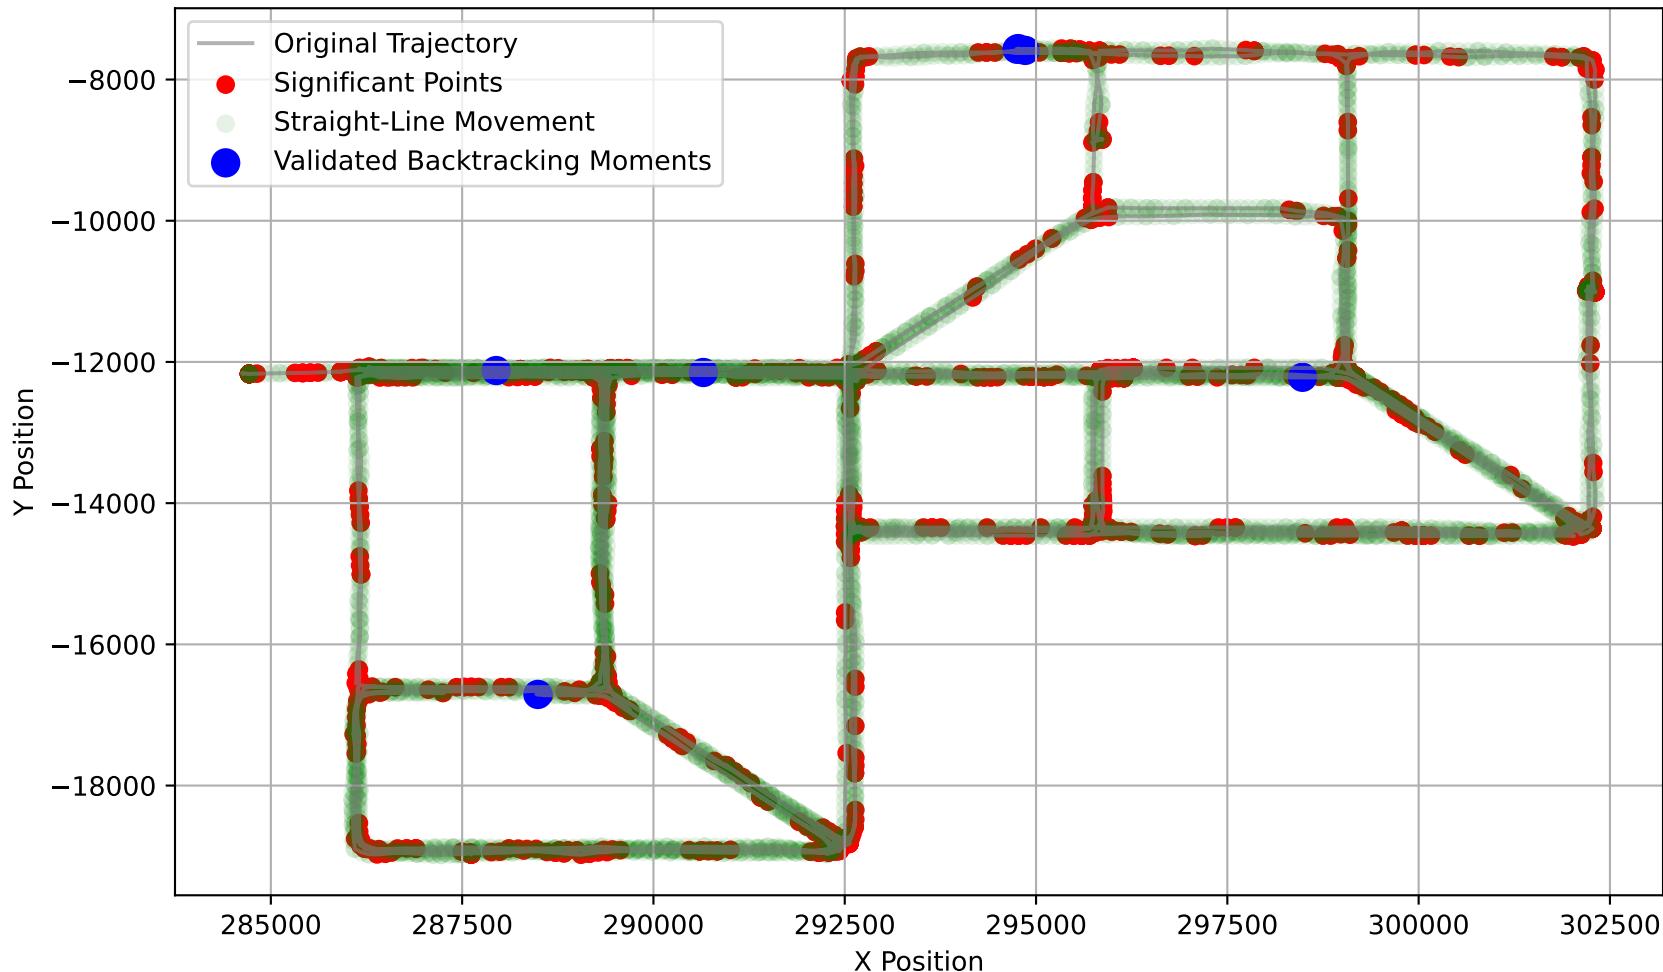

Trajectory with Validated Backtracking Moments (Participant 72)

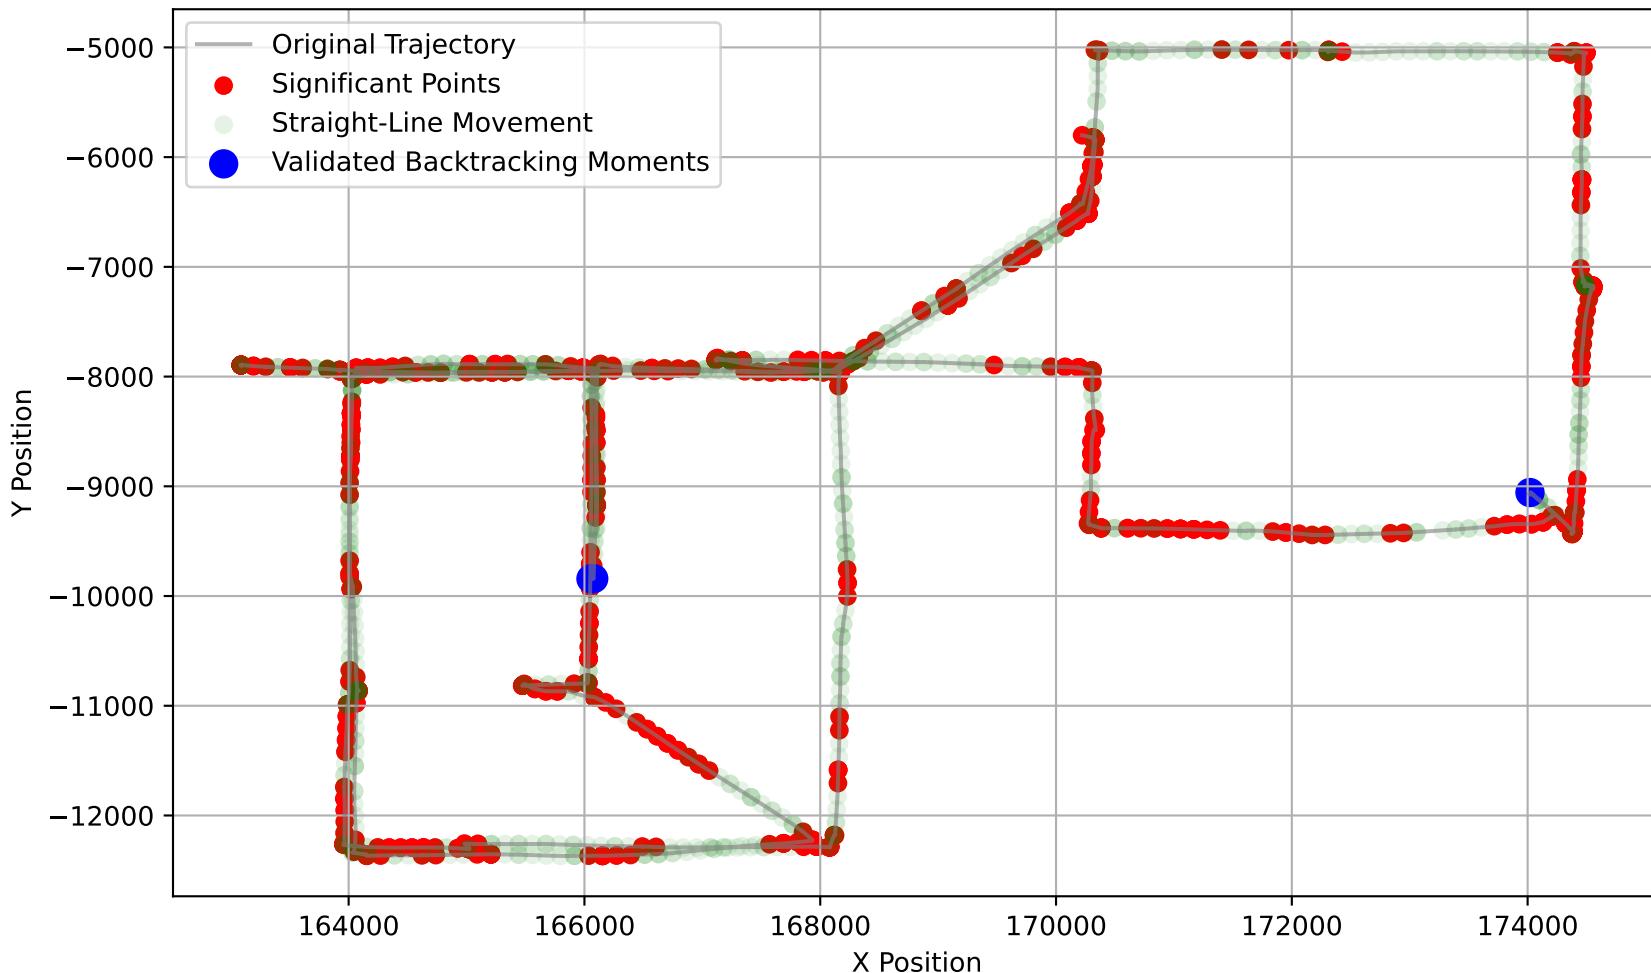

Trajectory with Validated Backtracking Moments (Participant 74)

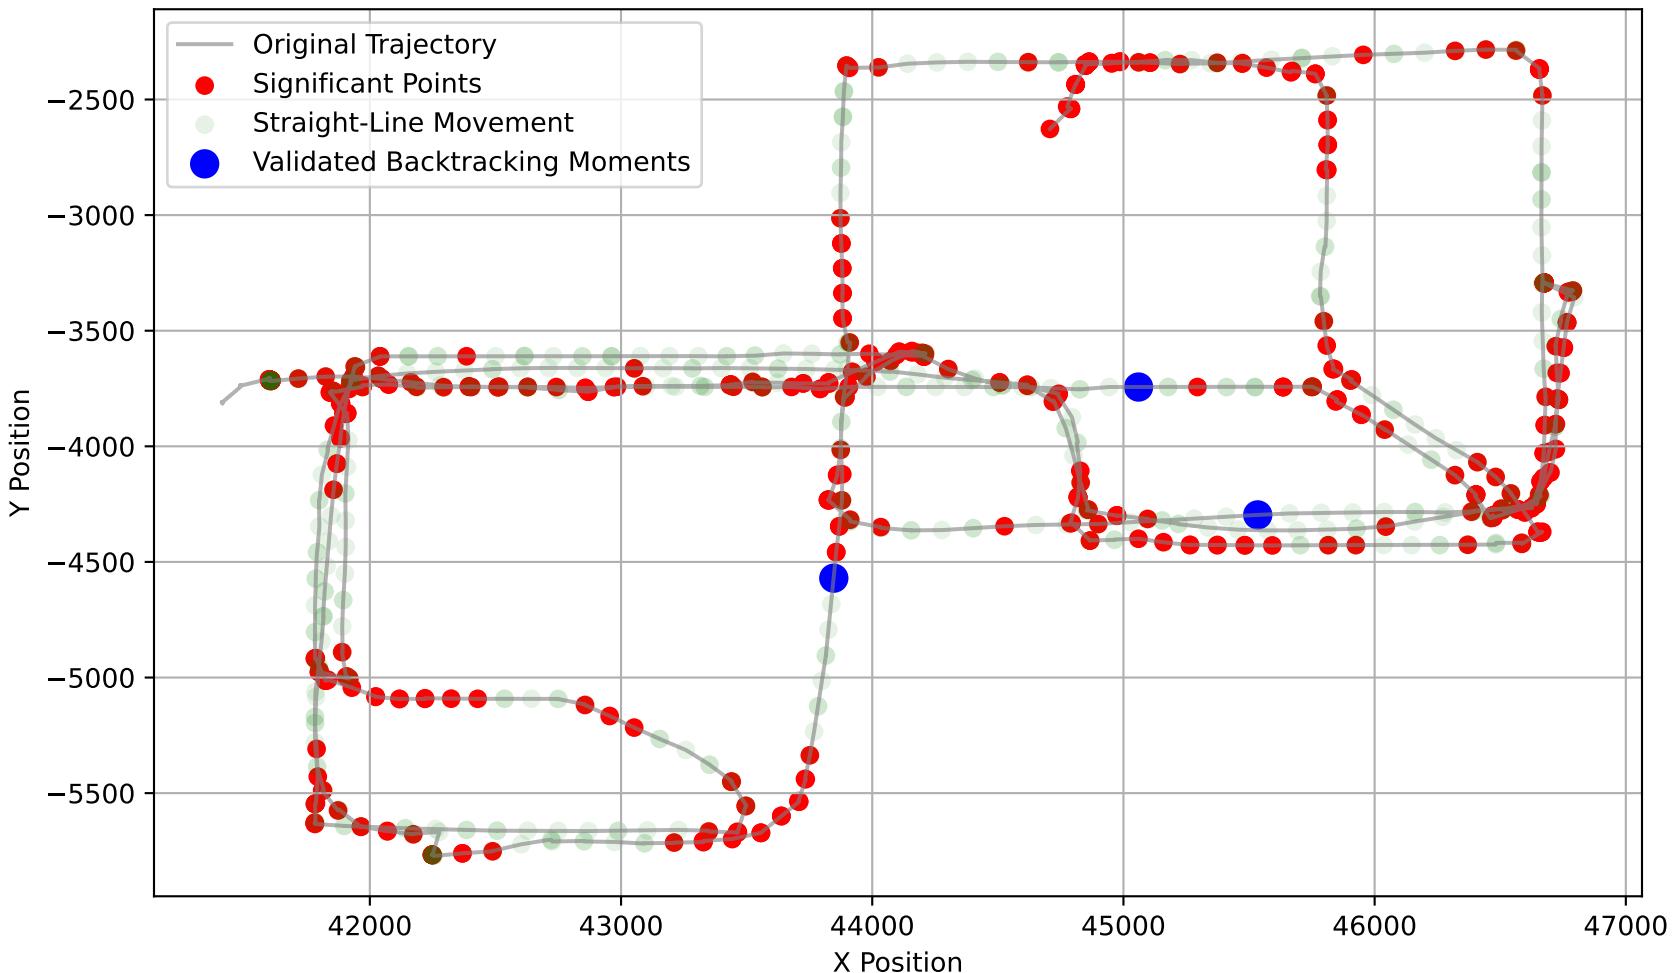

Trajectory with Validated Backtracking Moments (Participant 76)

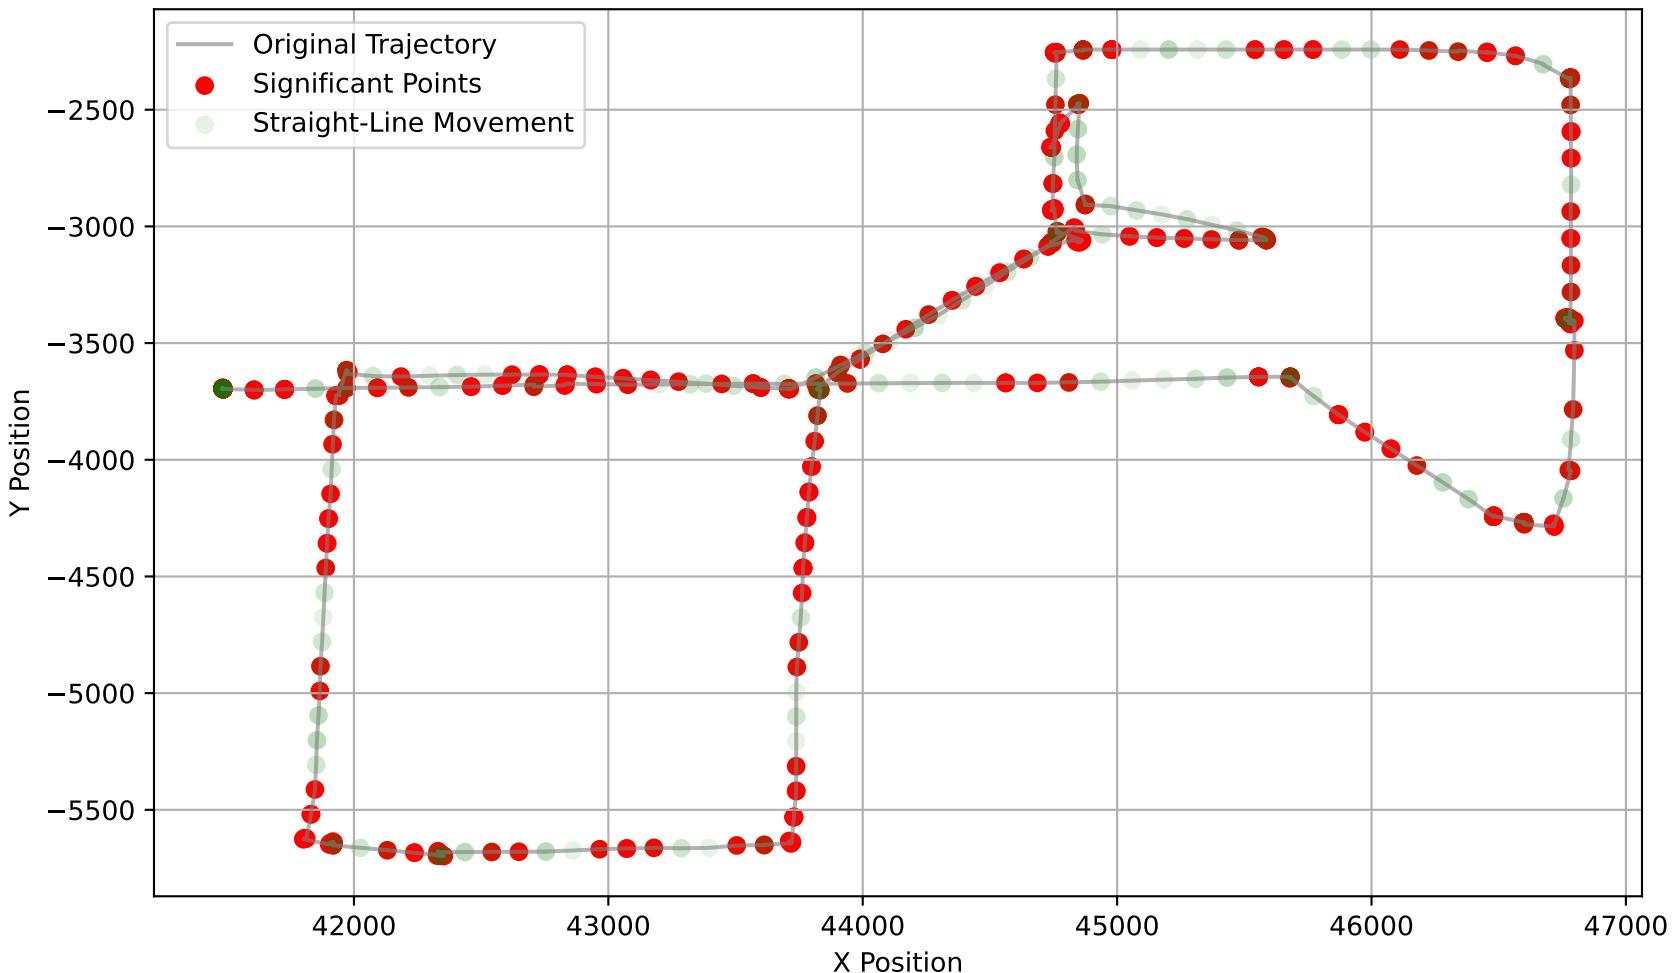

Trajectory with Validated Backtracking Moments (Participant 77)

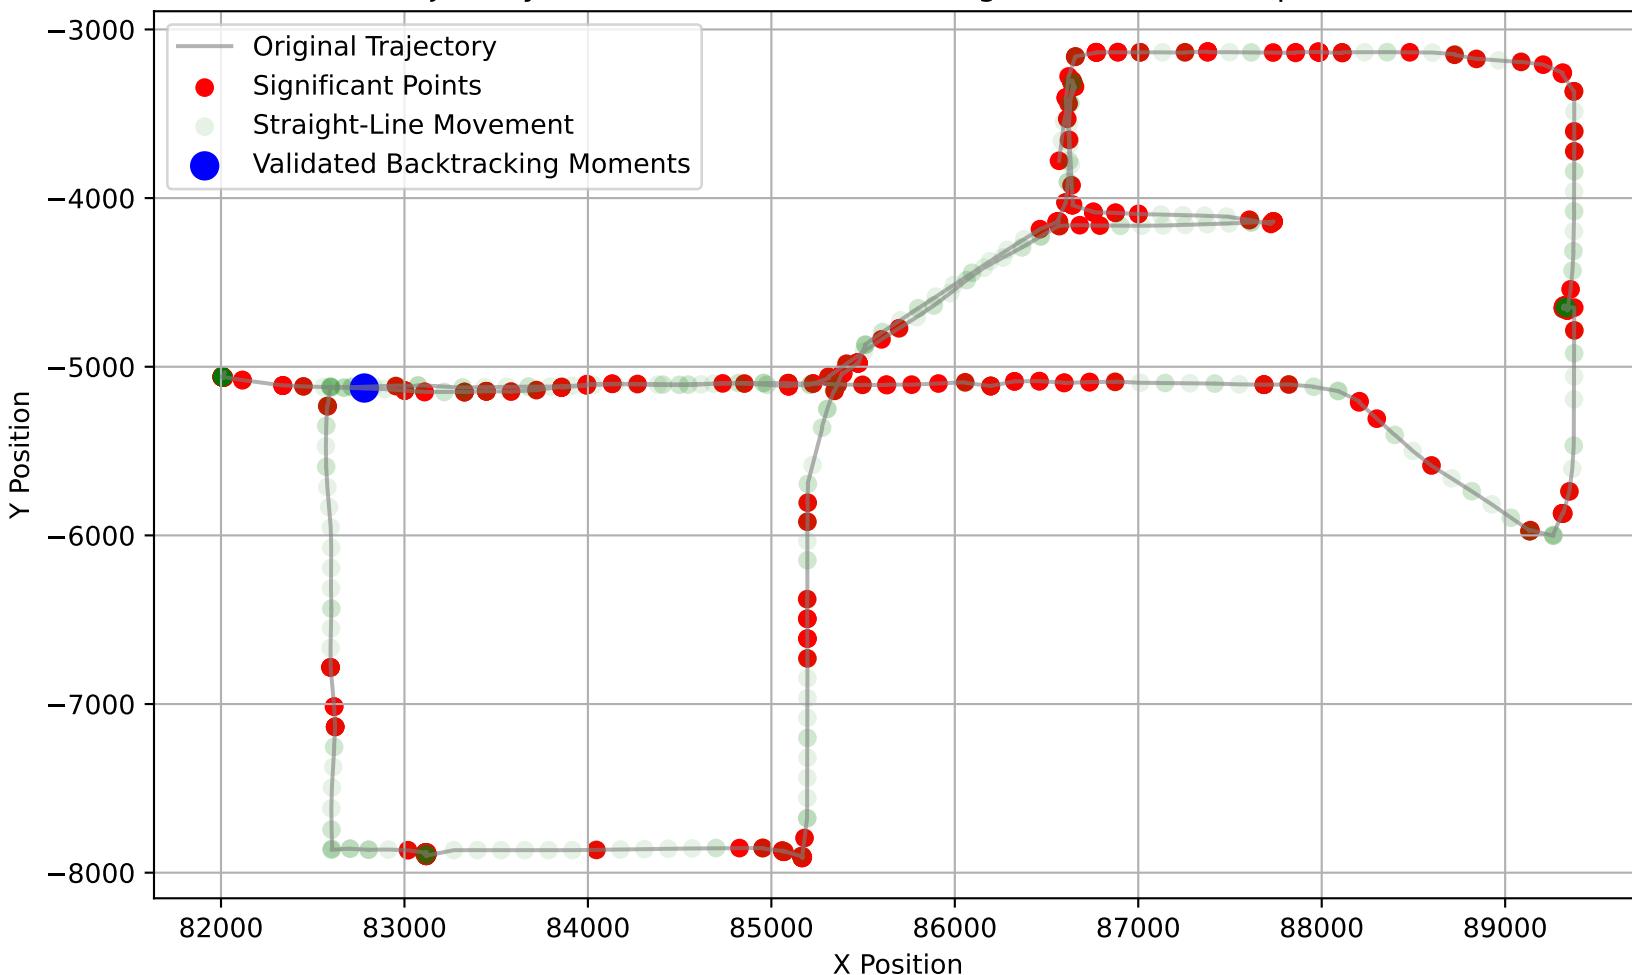

Trajectory with Validated Backtracking Moments (Participant 78)

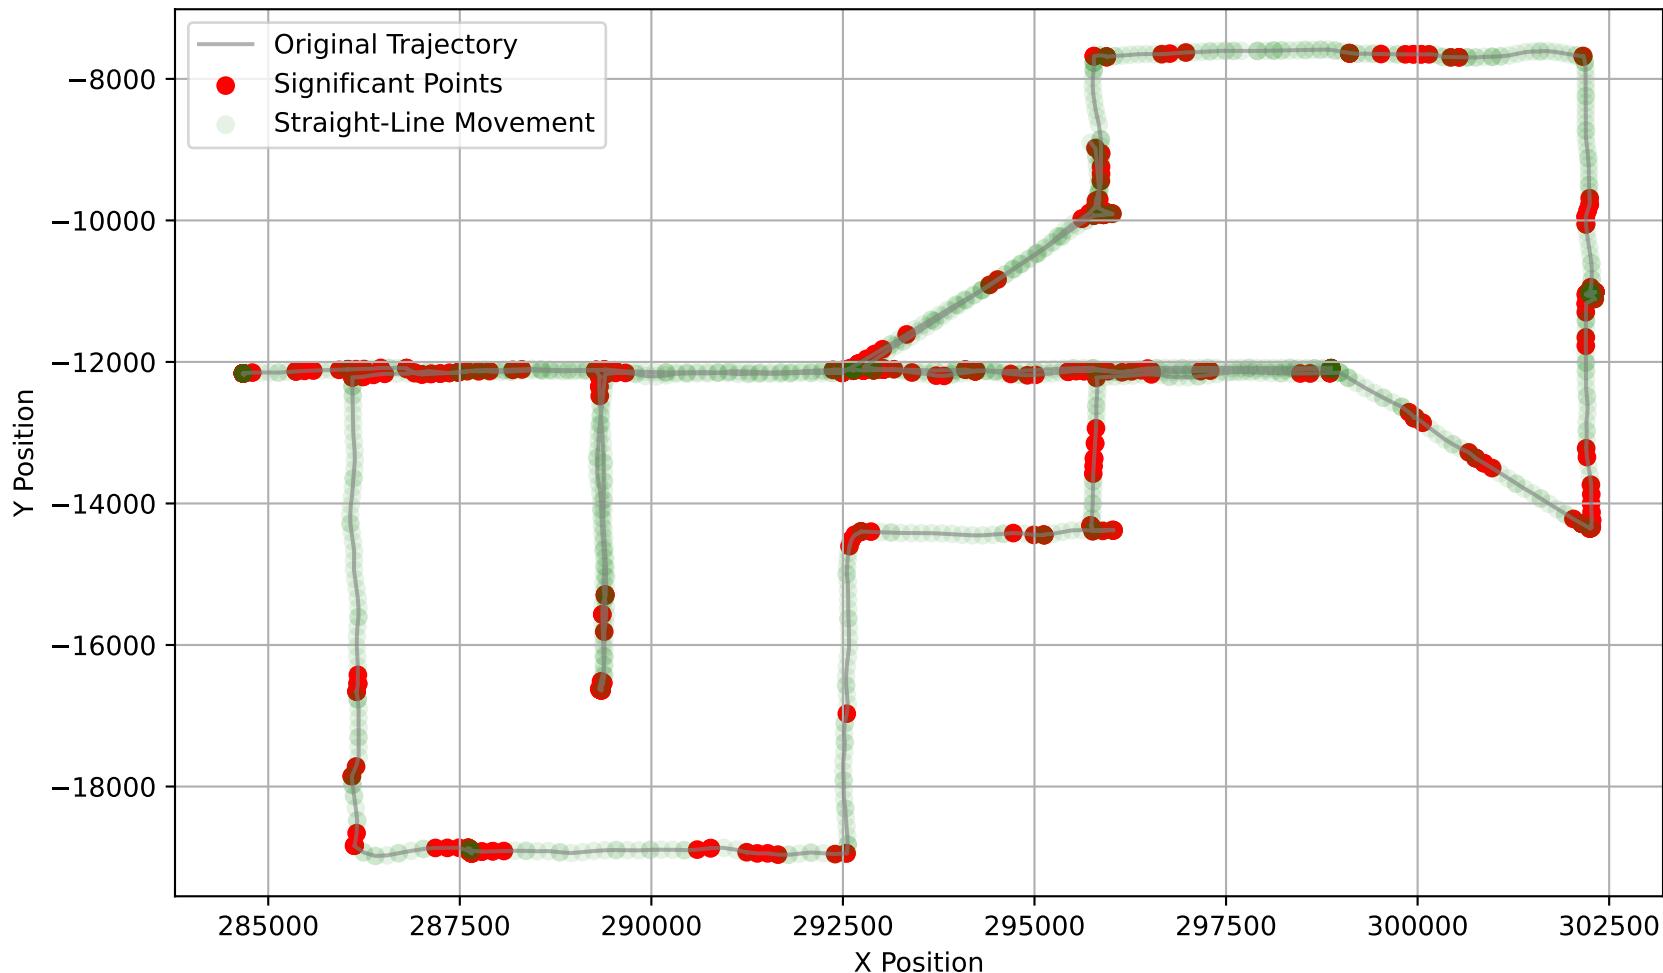

Trajectory with Validated Backtracking Moments (Participant 79)

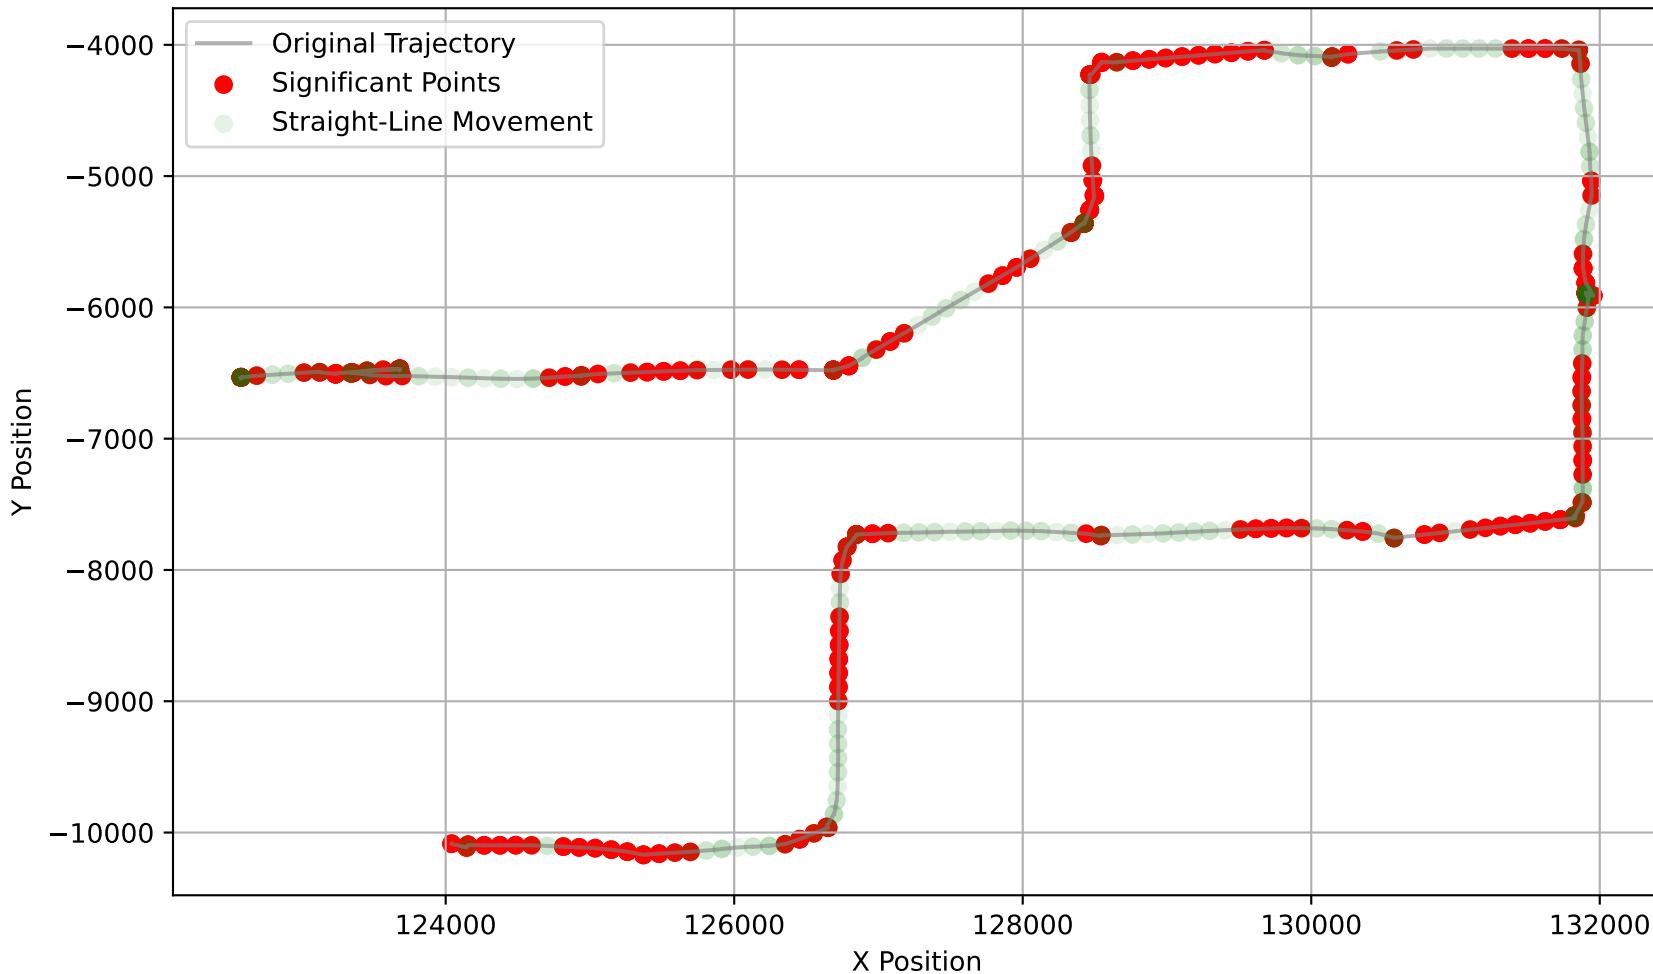

Trajectory with Validated Backtracking Moments (Participant 84)

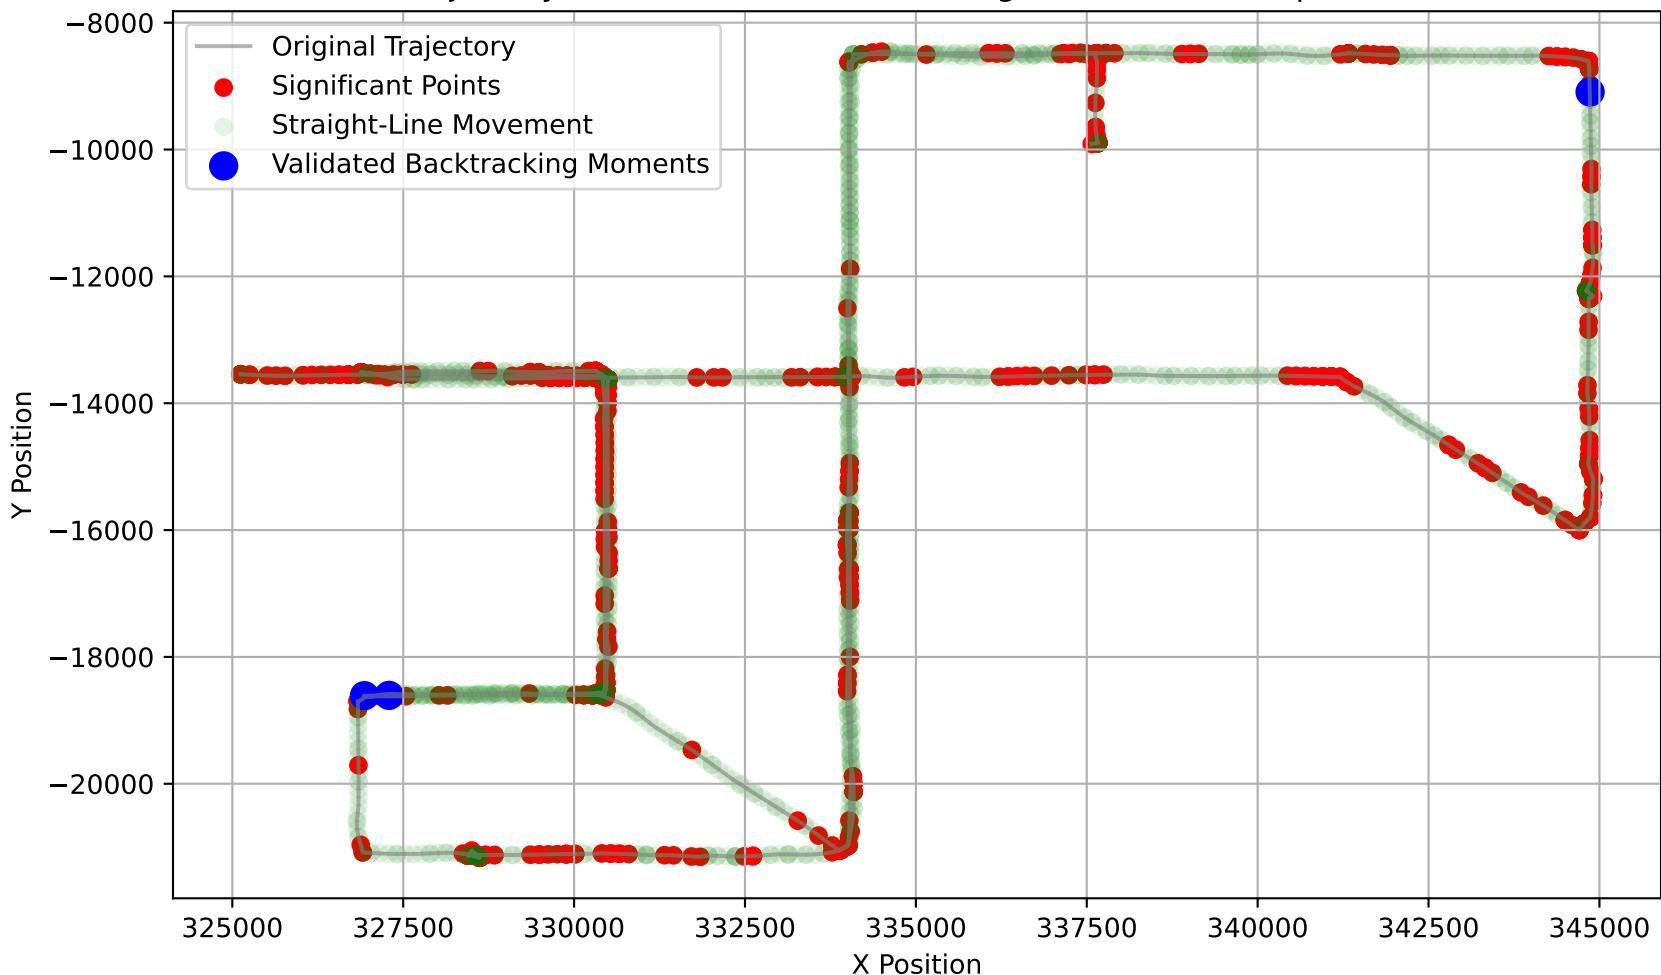

Trajectory with Validated Backtracking Moments (Participant 85)

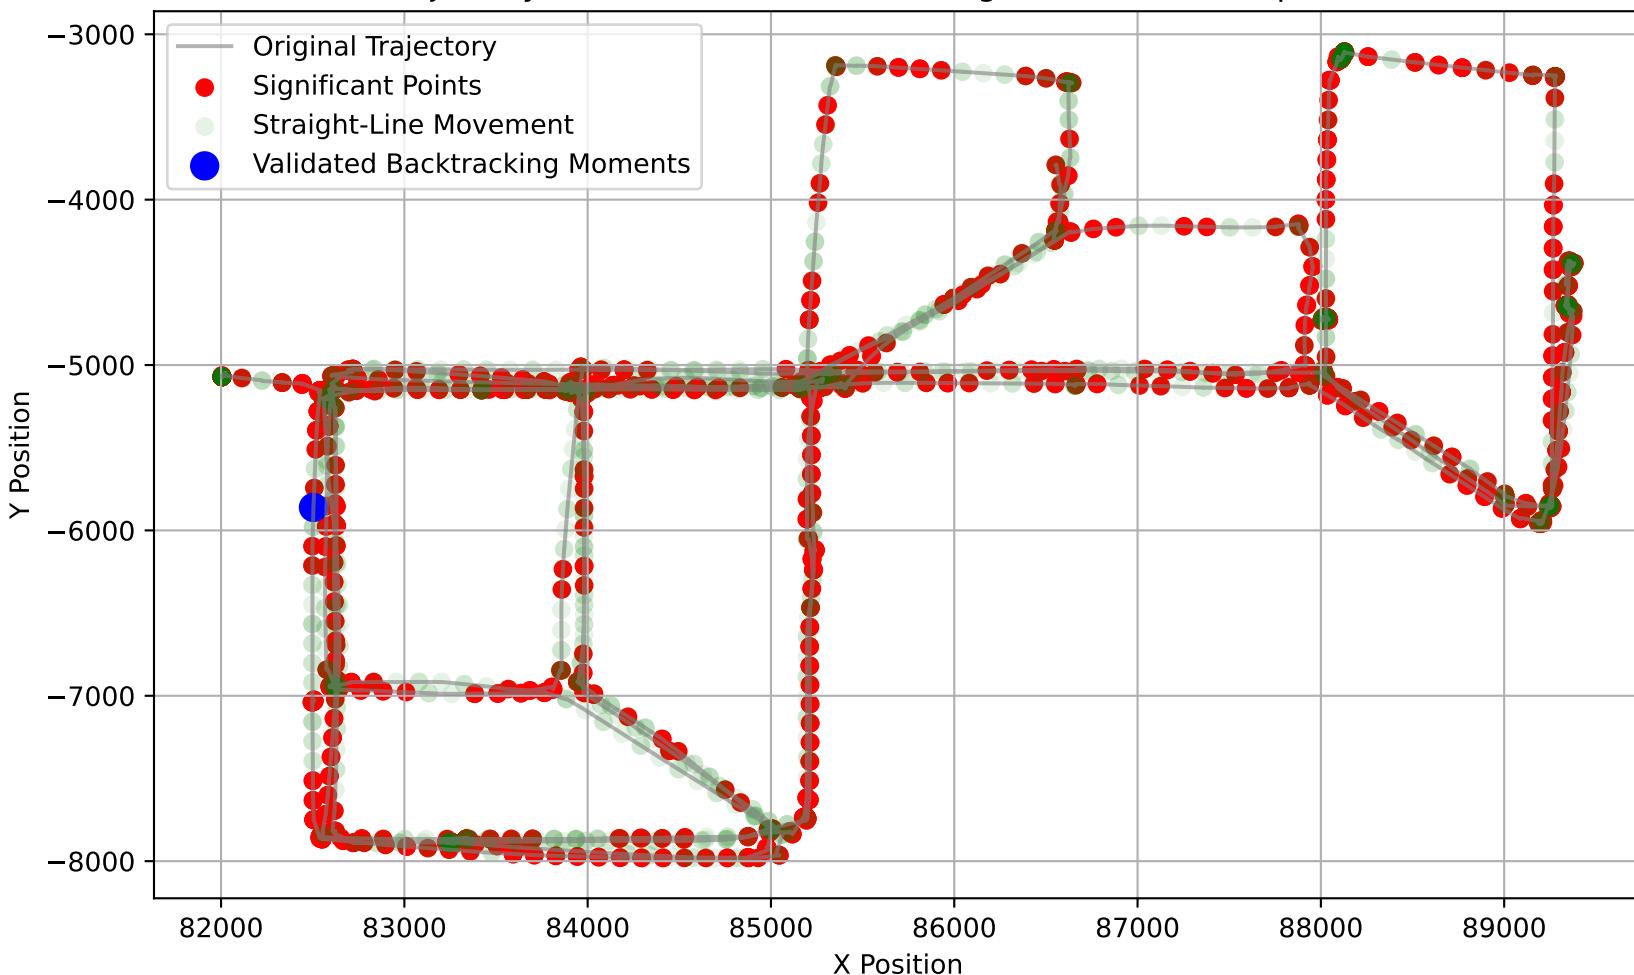

Trajectory with Validated Backtracking Moments (Participant 86)

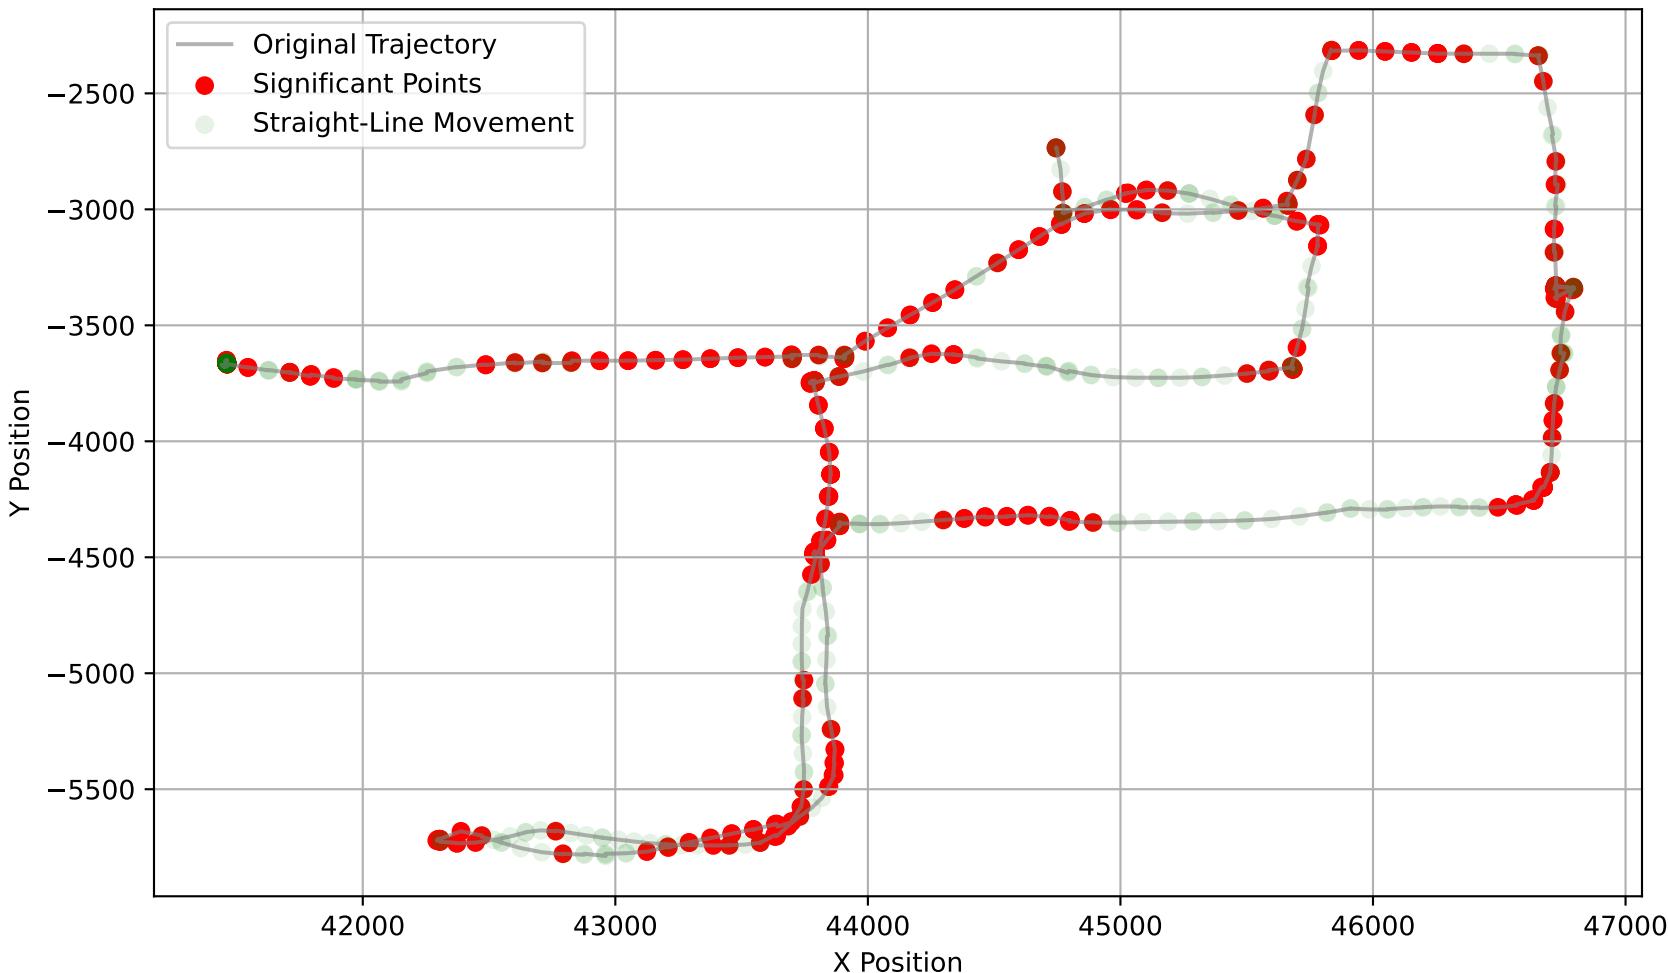

Trajectory with Validated Backtracking Moments (Participant 87)

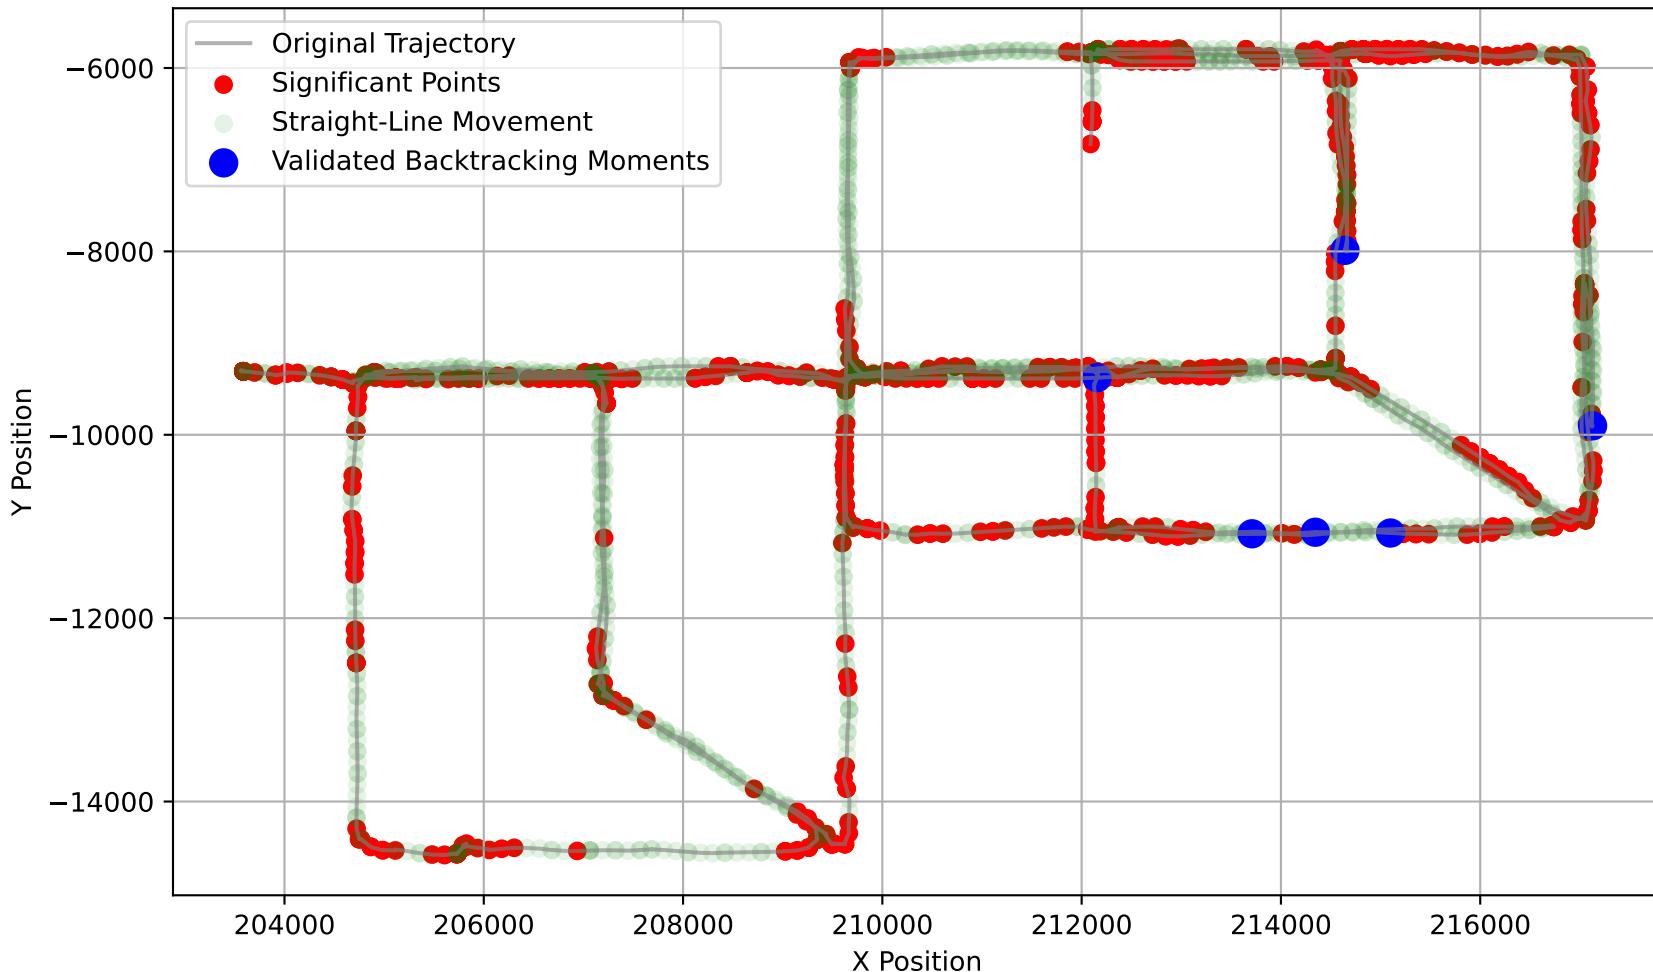

Trajectory with Validated Backtracking Moments (Participant 88)

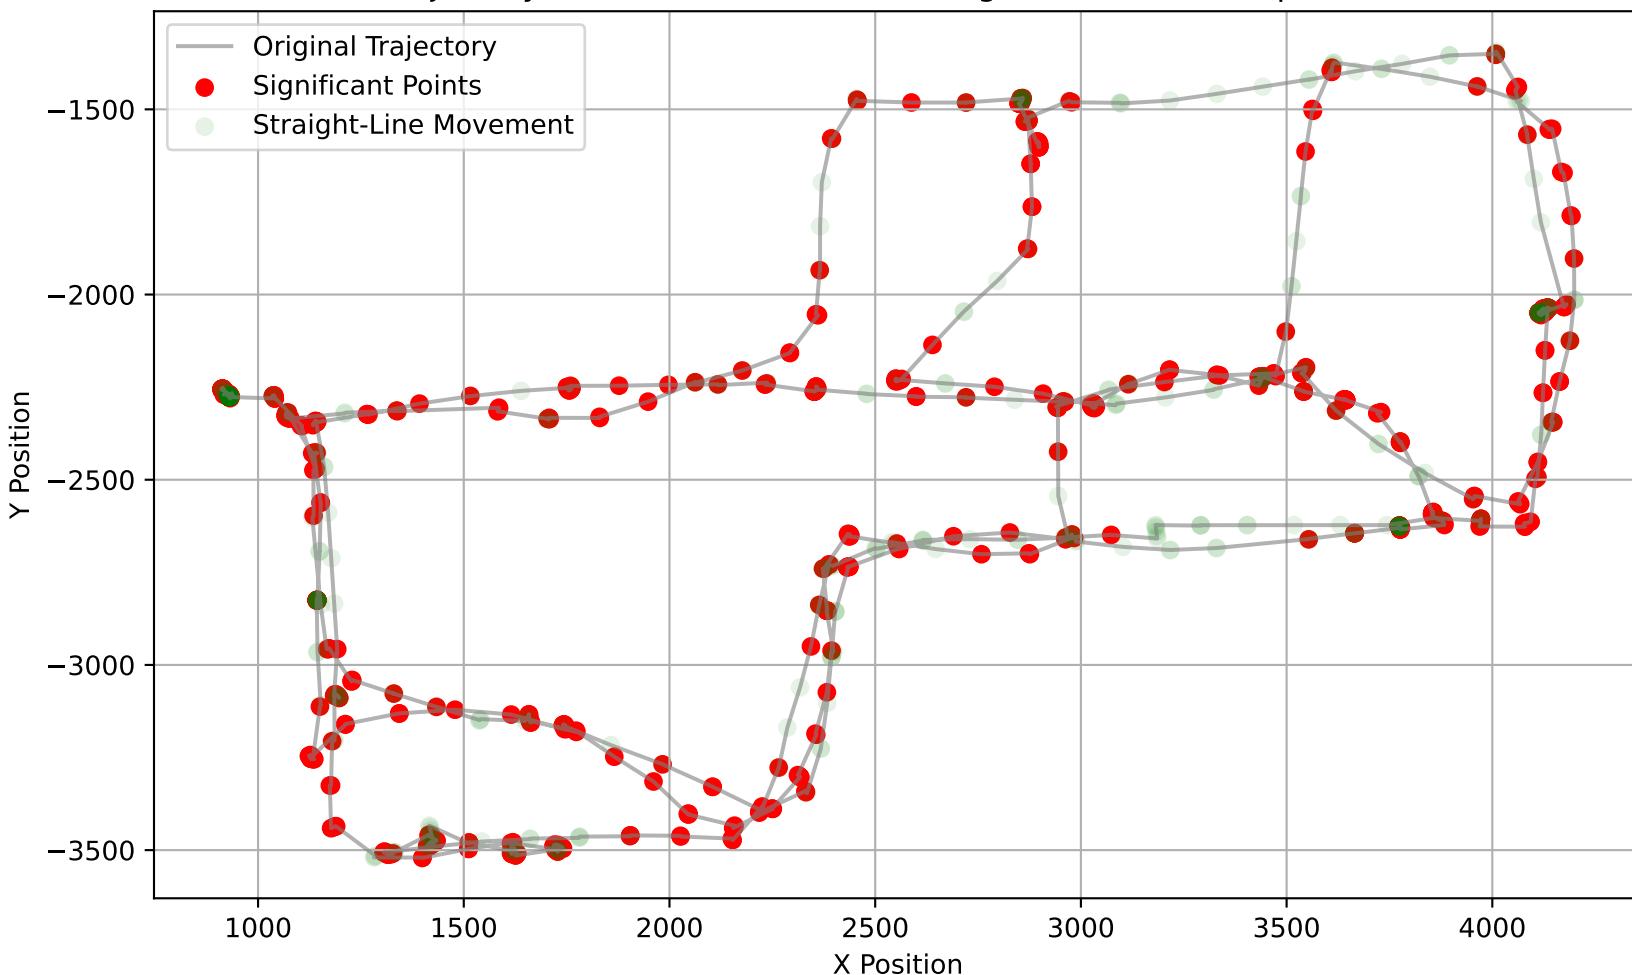

Trajectory with Validated Backtracking Moments (Participant 89)

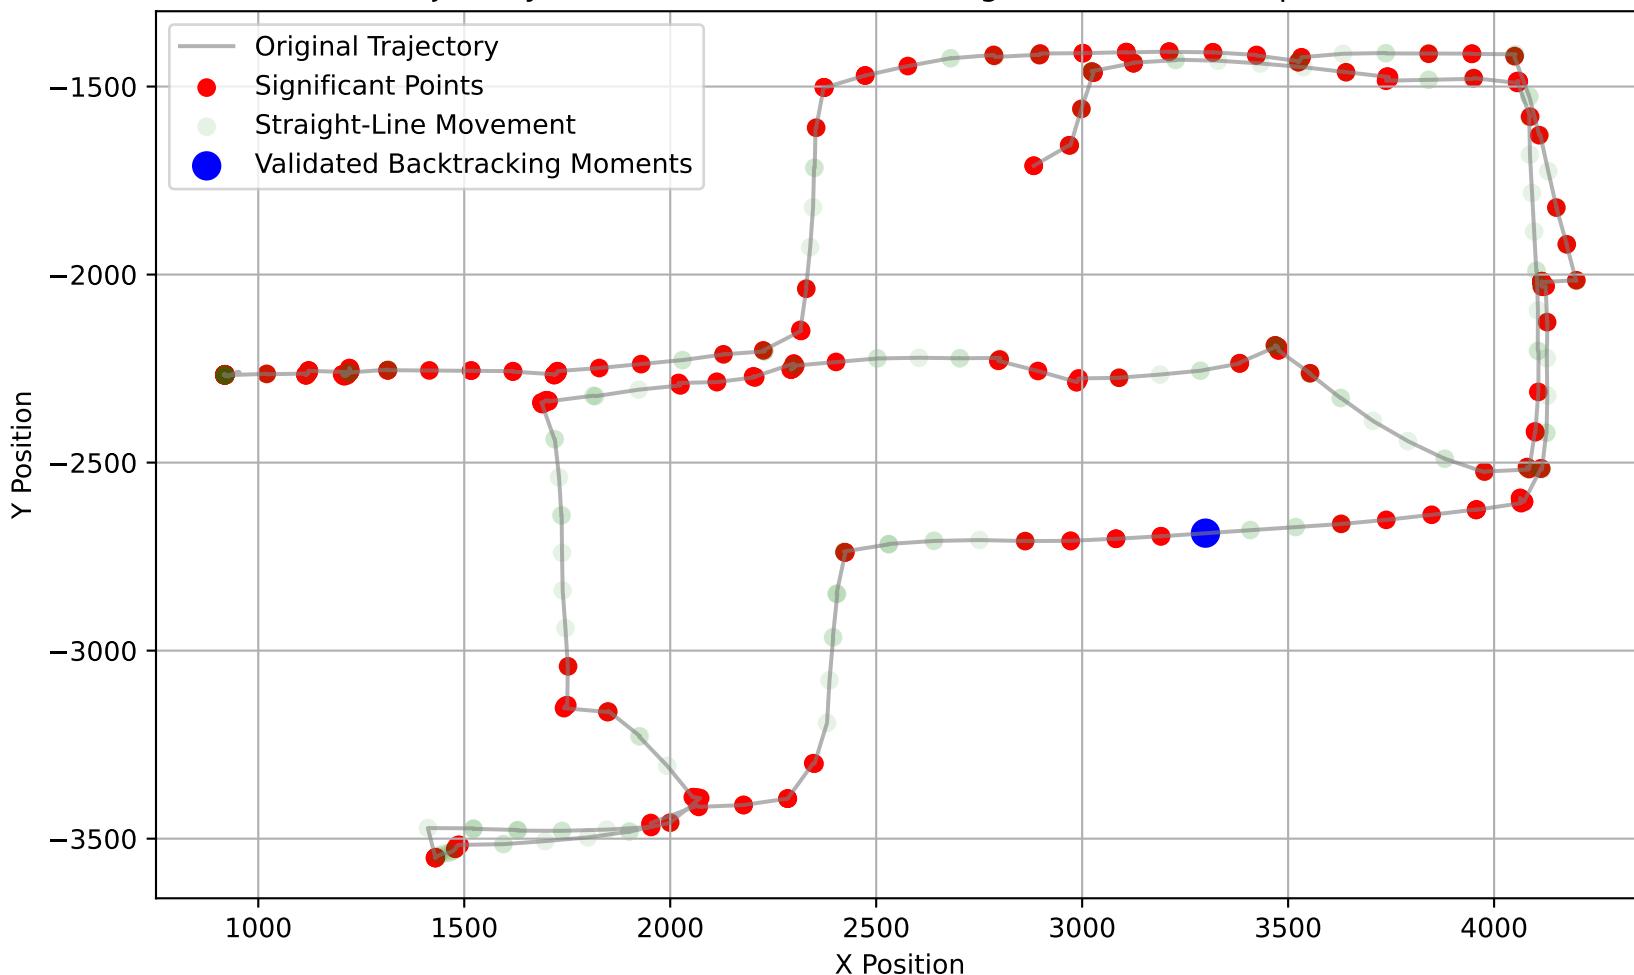

Trajectory with Validated Backtracking Moments (Participant 90)

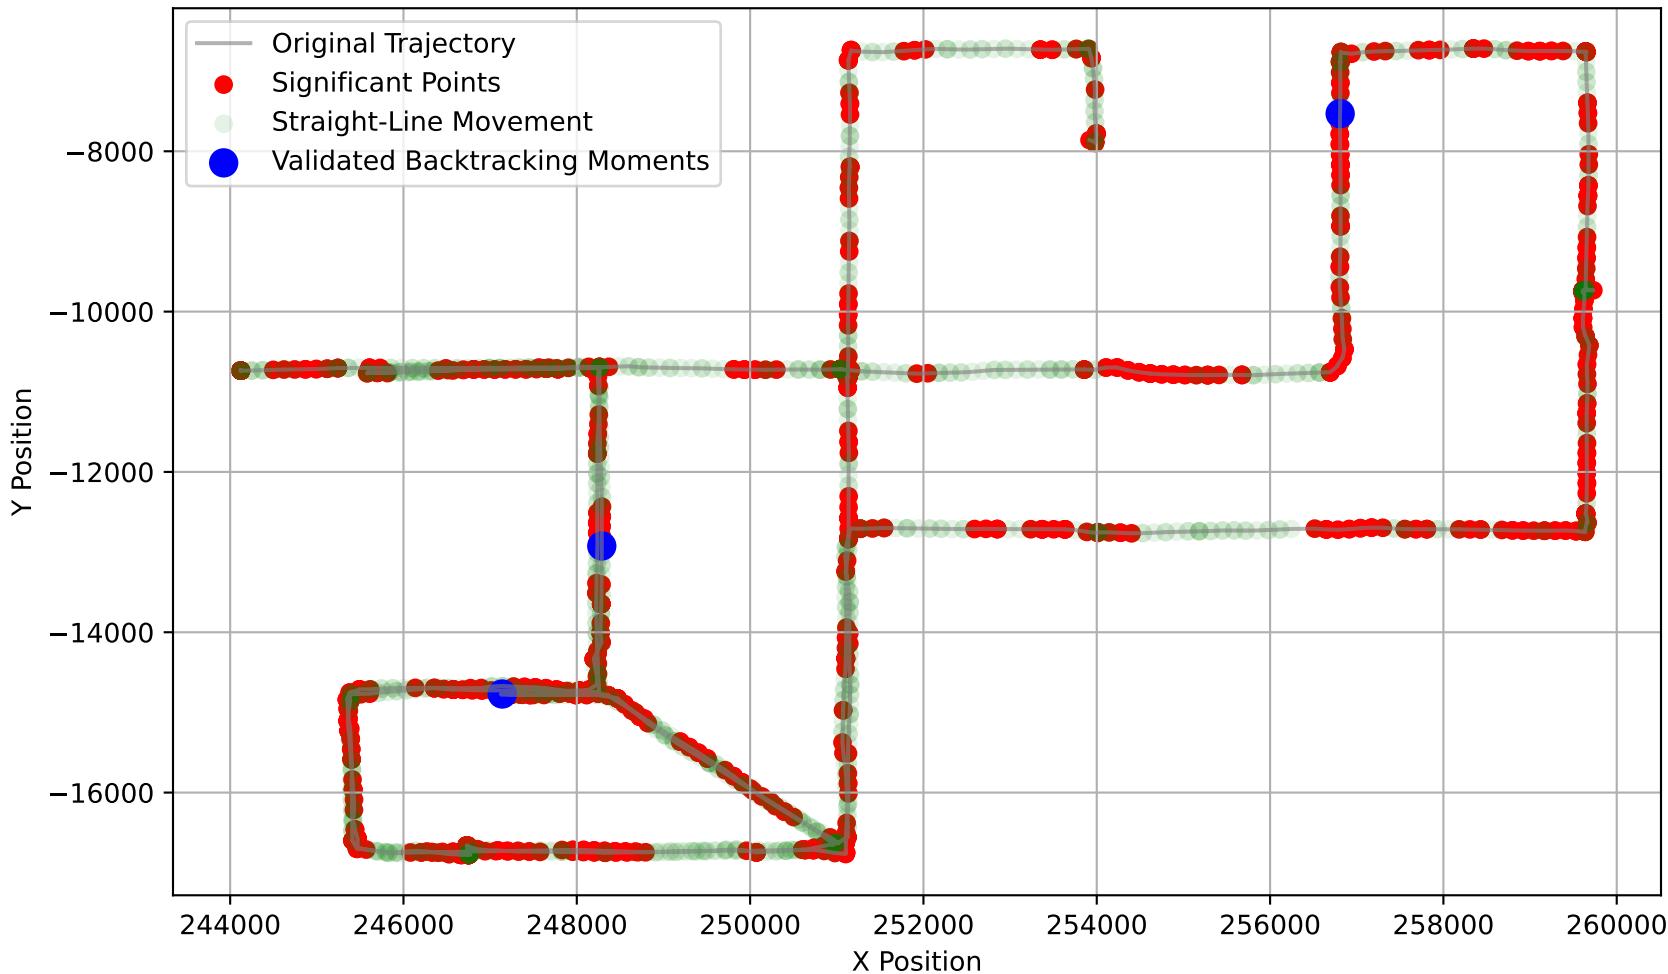

Trajectory with Validated Backtracking Moments (Participant 91)

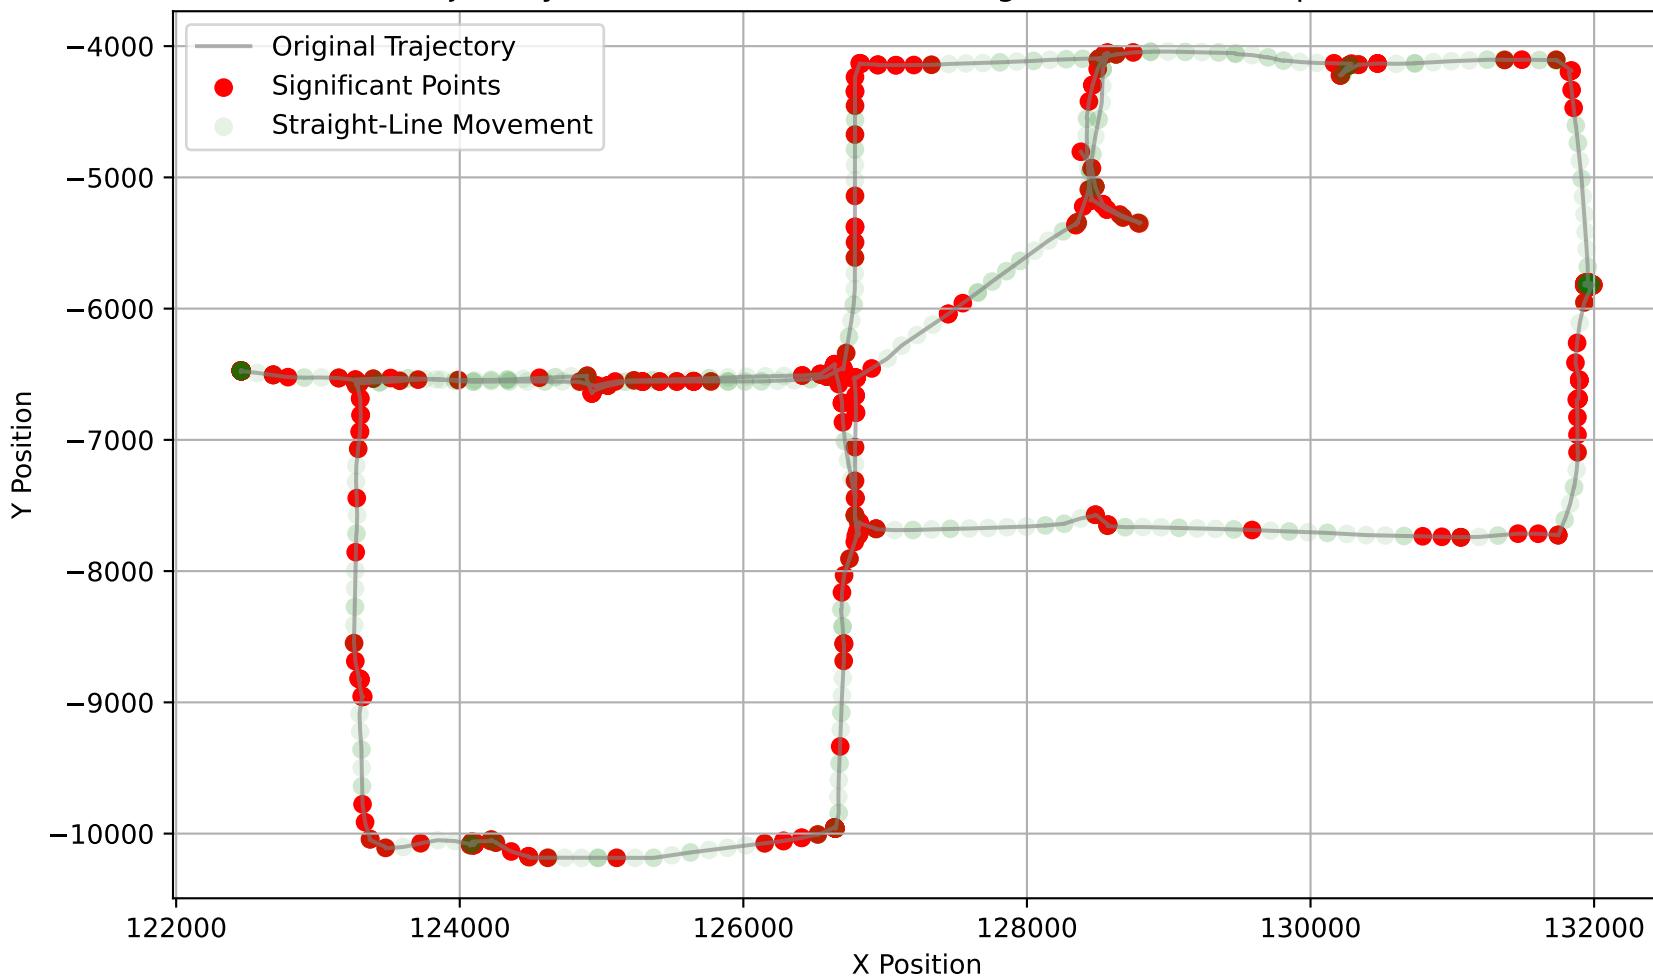

Trajectory with Validated Backtracking Moments (Participant 94)

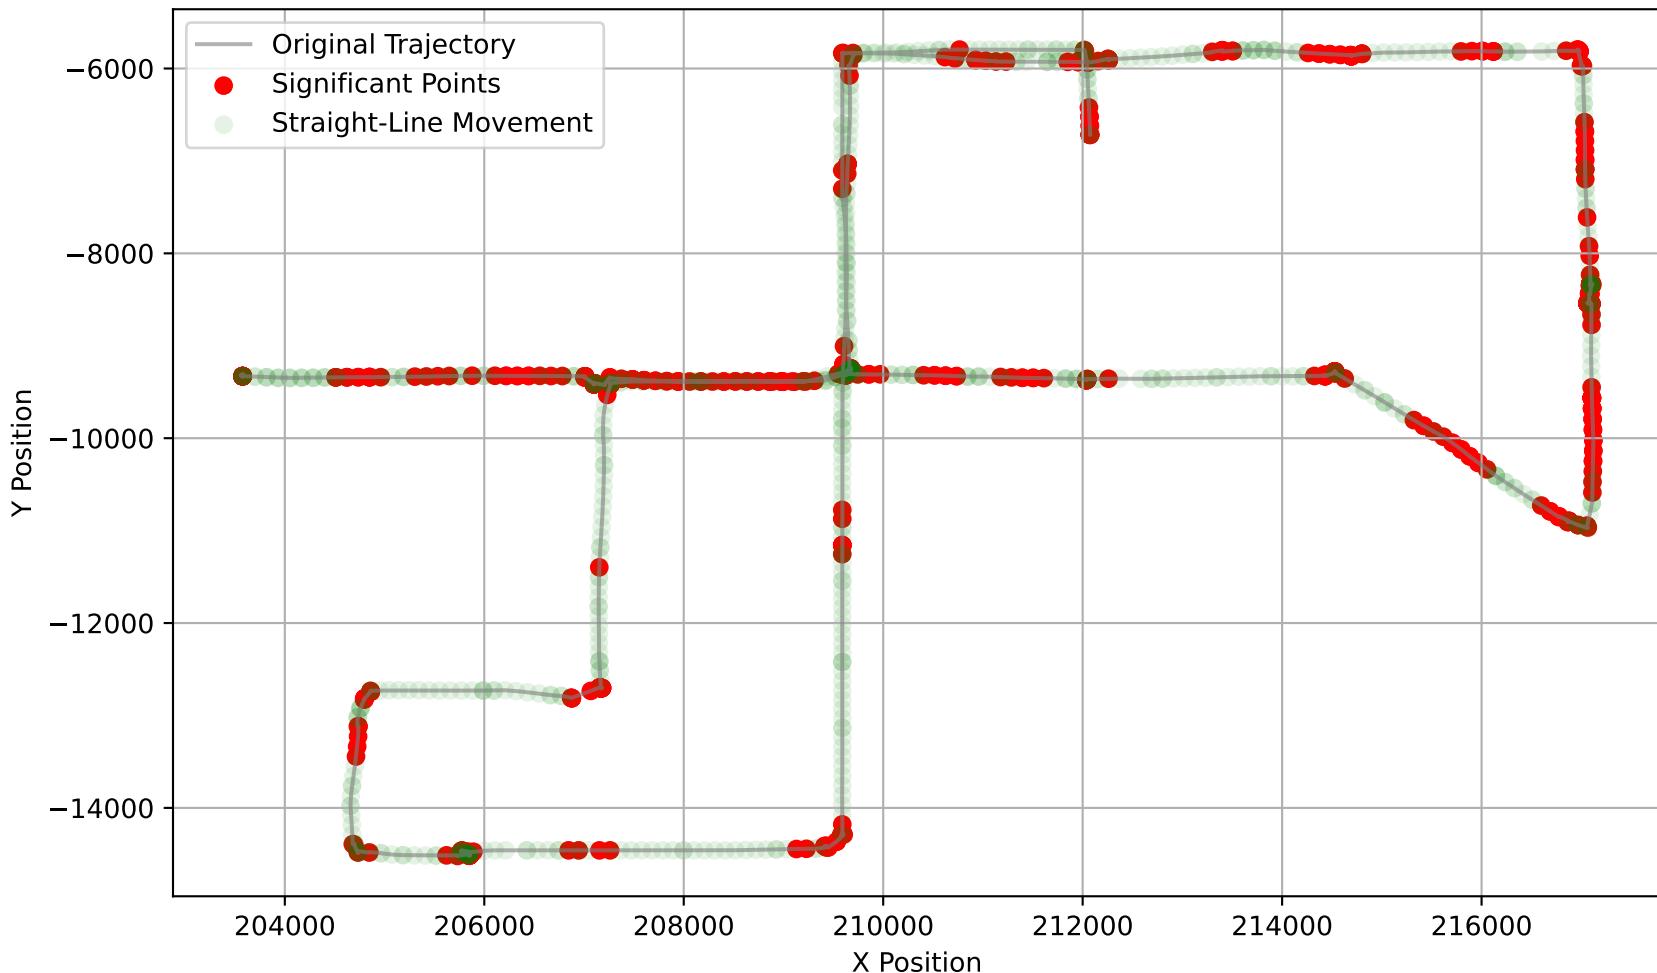

Trajectory with Validated Backtracking Moments (Participant 97)

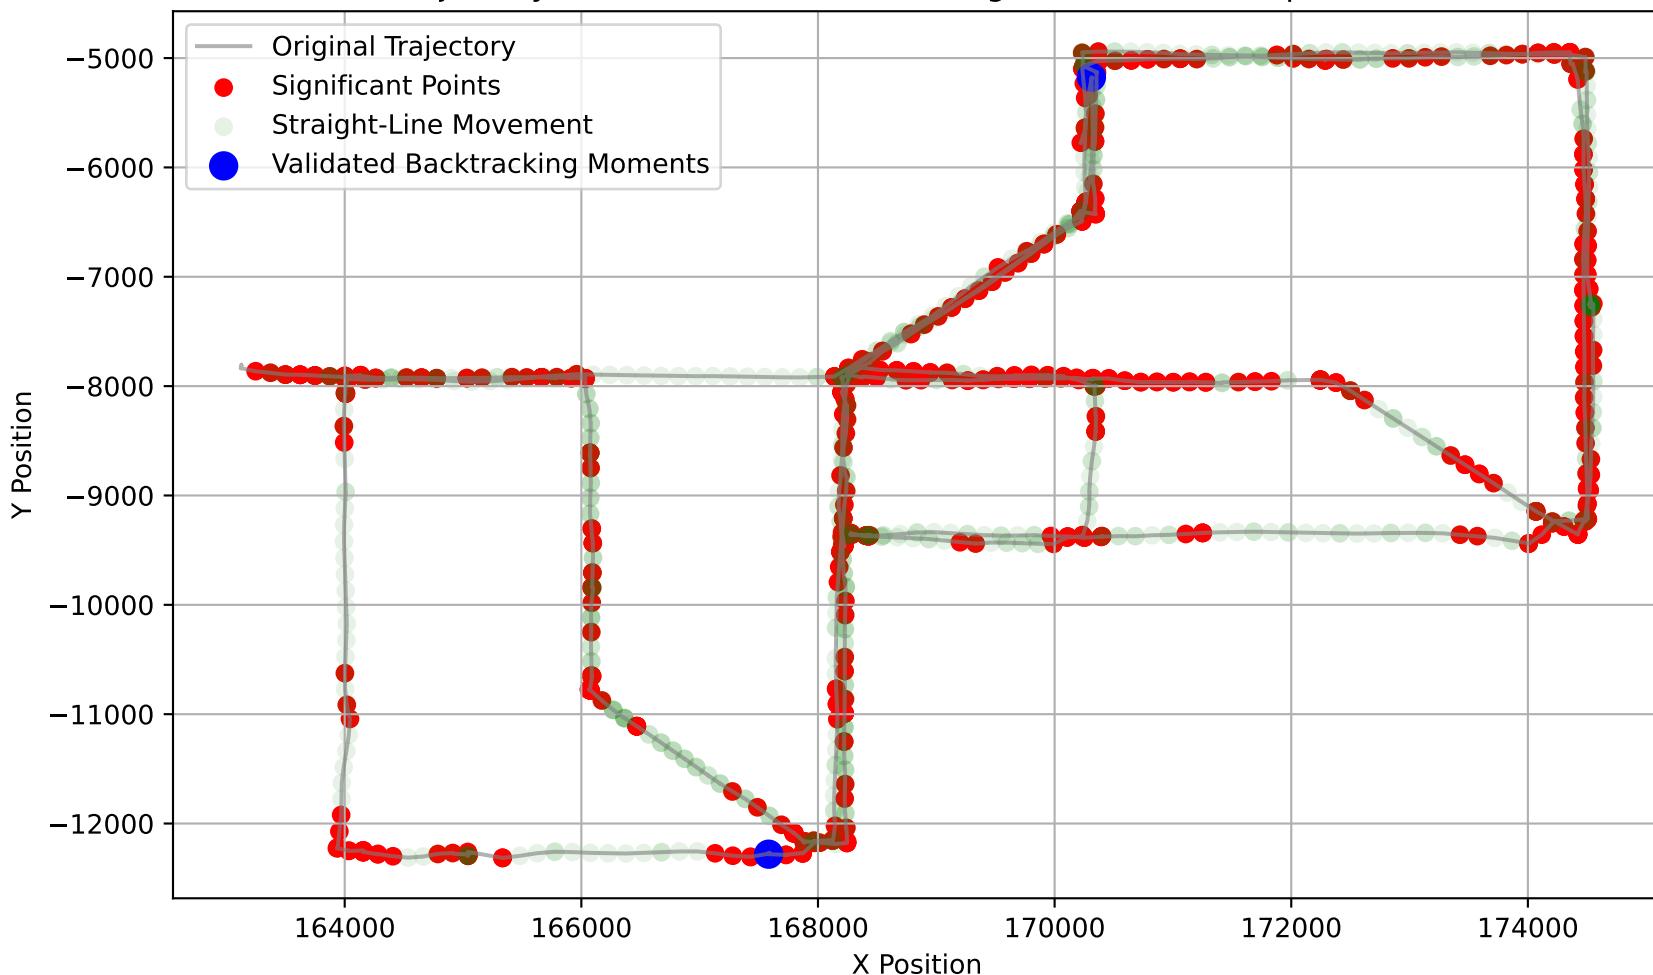

Trajectory with Validated Backtracking Moments (Participant 98)

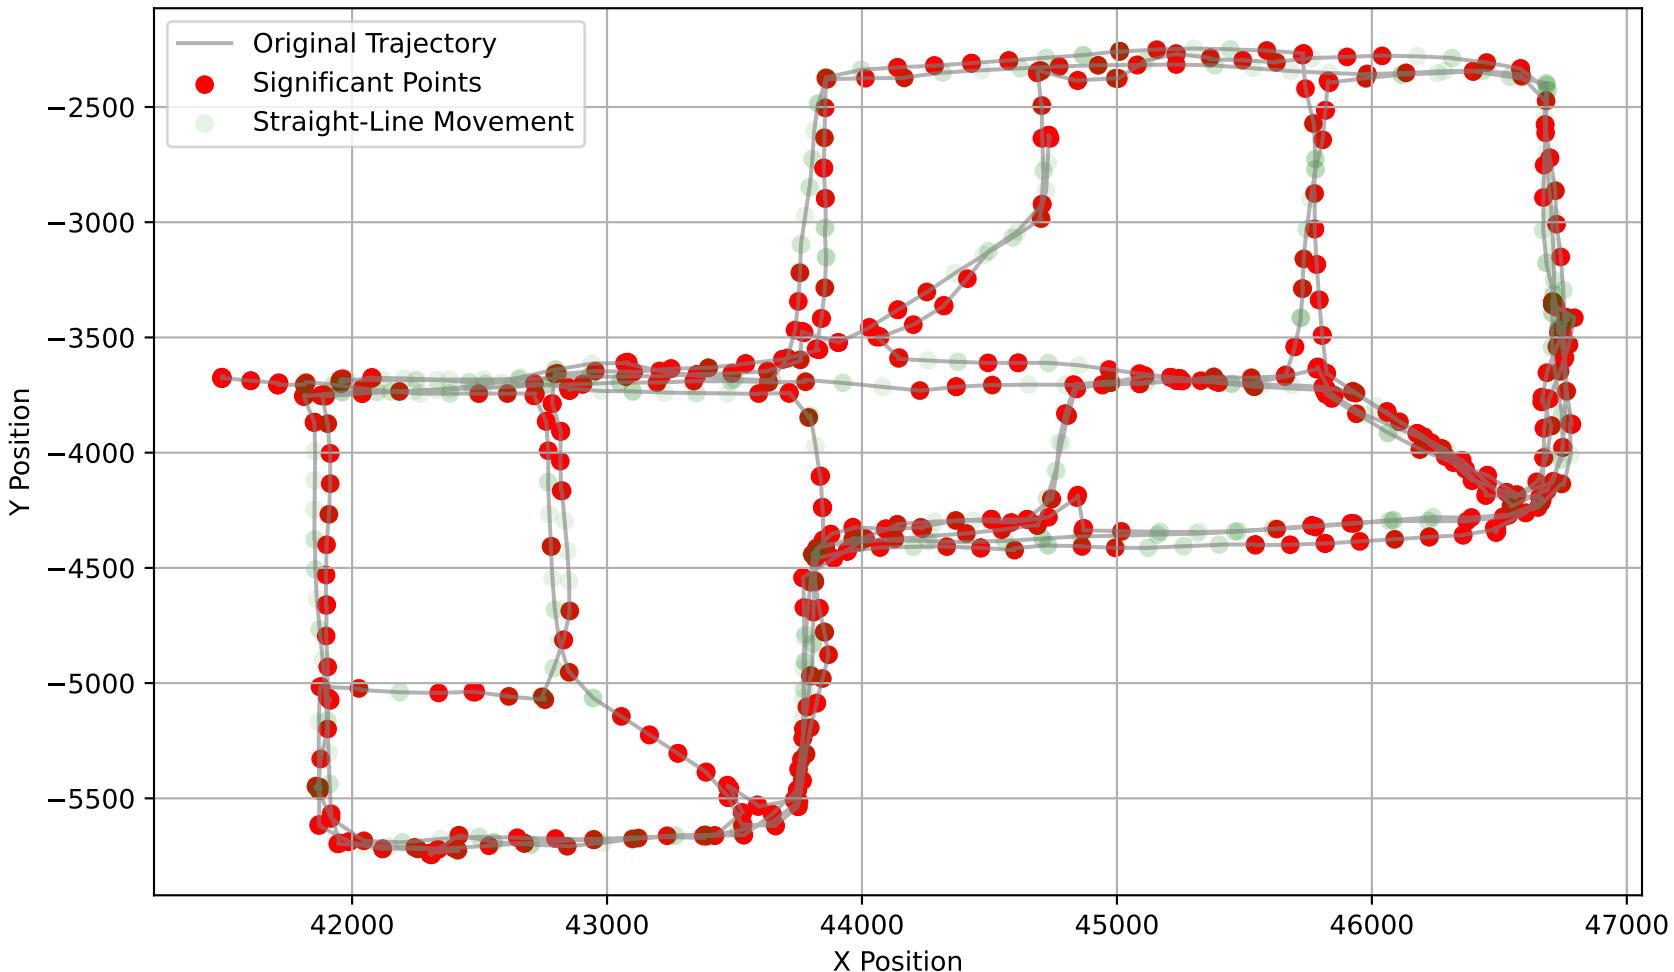

Trajectory with Validated Backtracking Moments (Participant 100)

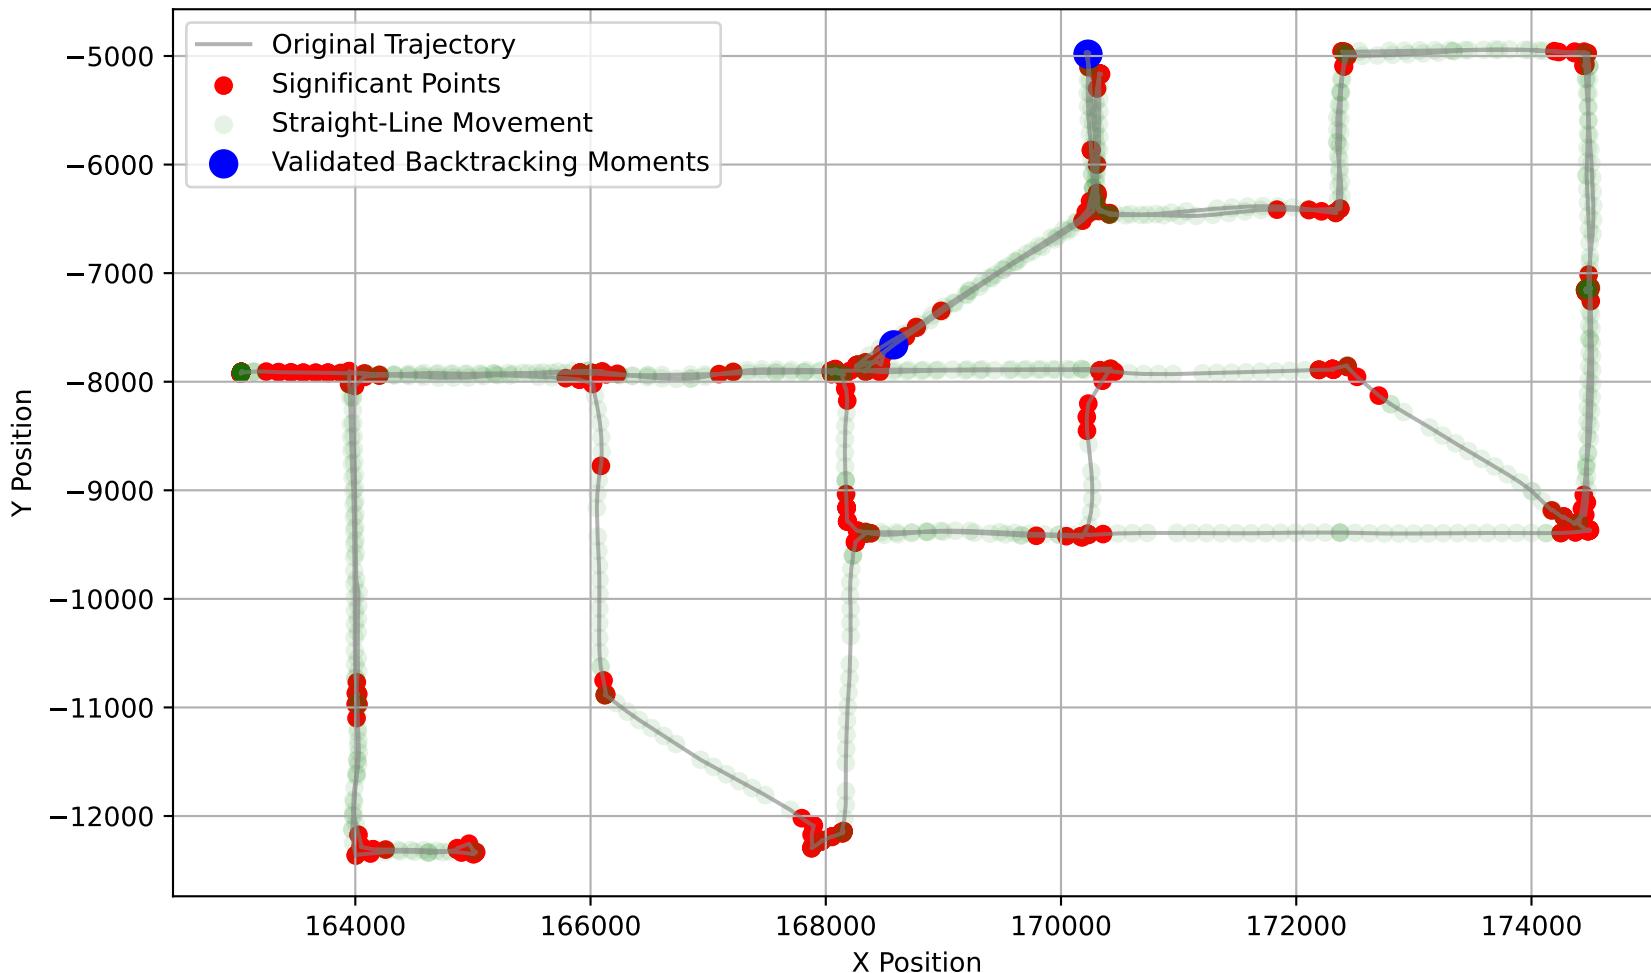

Trajectory with Validated Backtracking Moments (Participant 102)

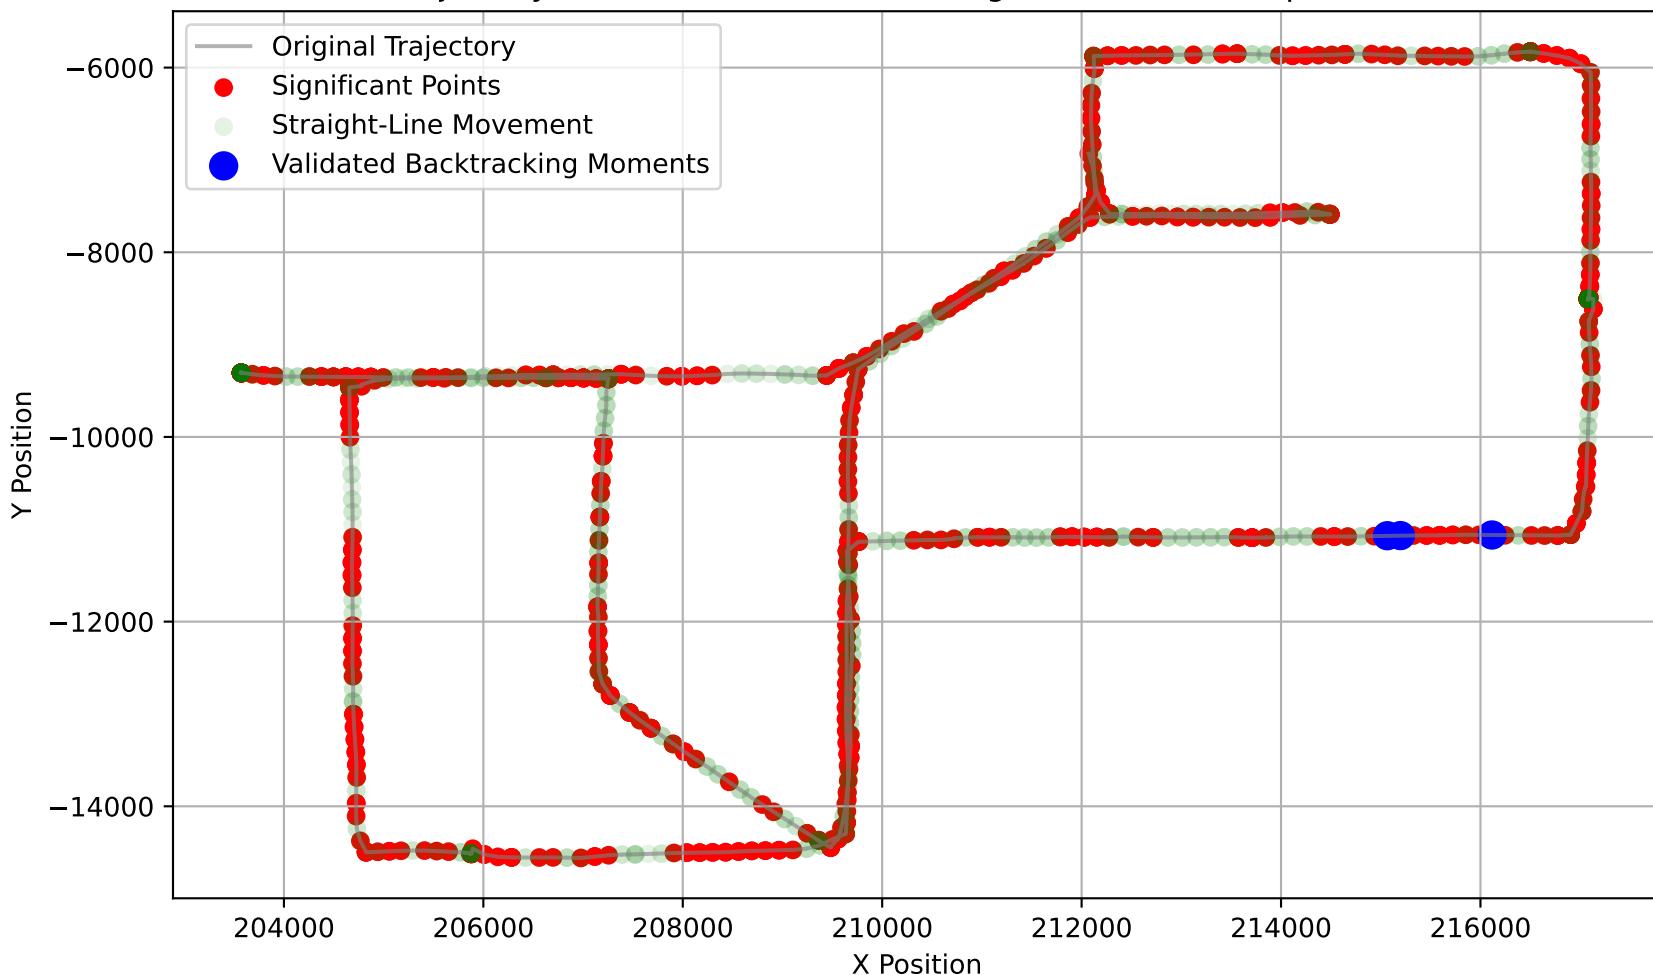

Trajectory with Validated Backtracking Moments (Participant 103)

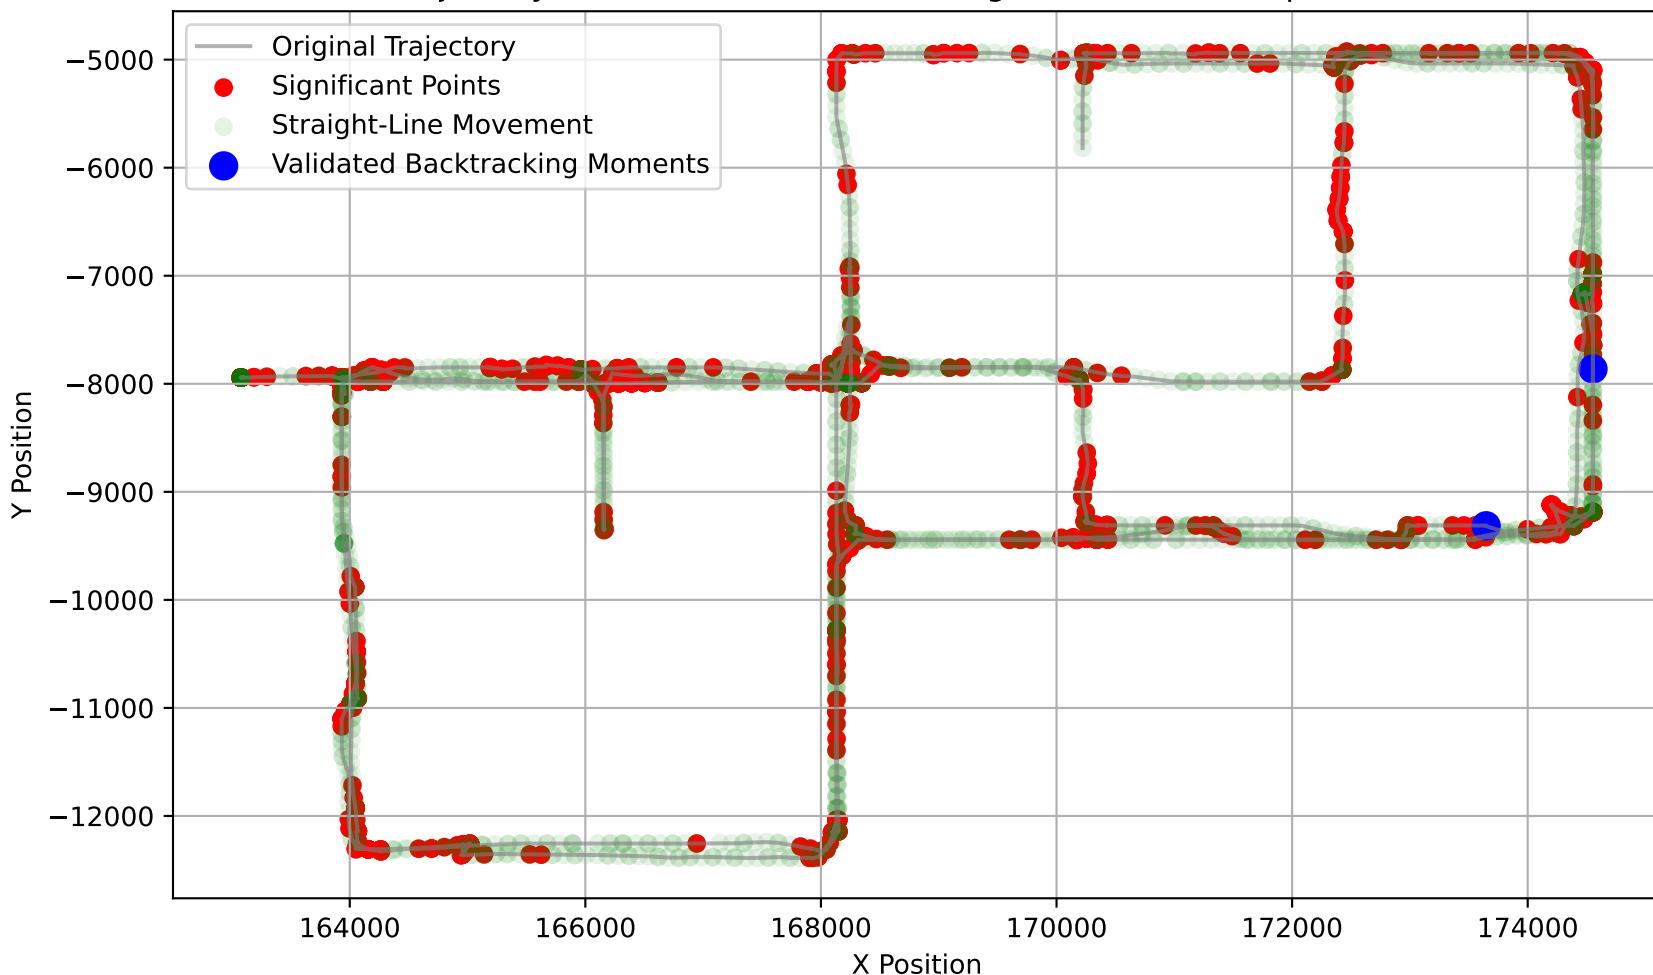

Trajectory with Validated Backtracking Moments (Participant 105)

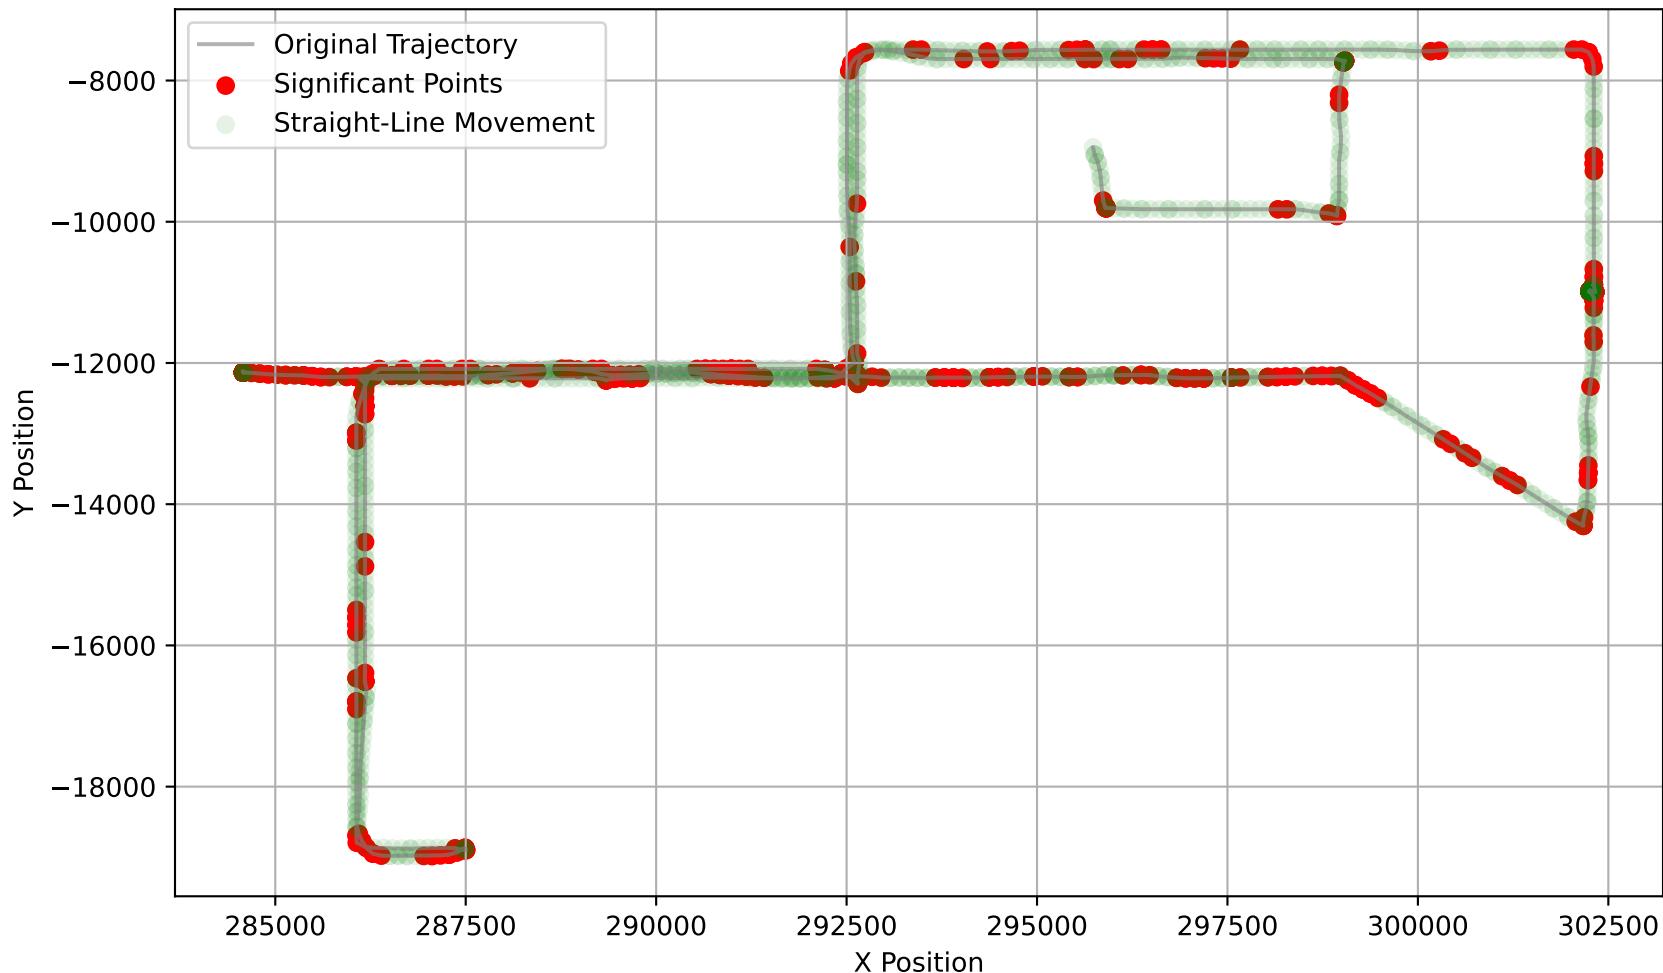

Trajectory with Validated Backtracking Moments (Participant 106)

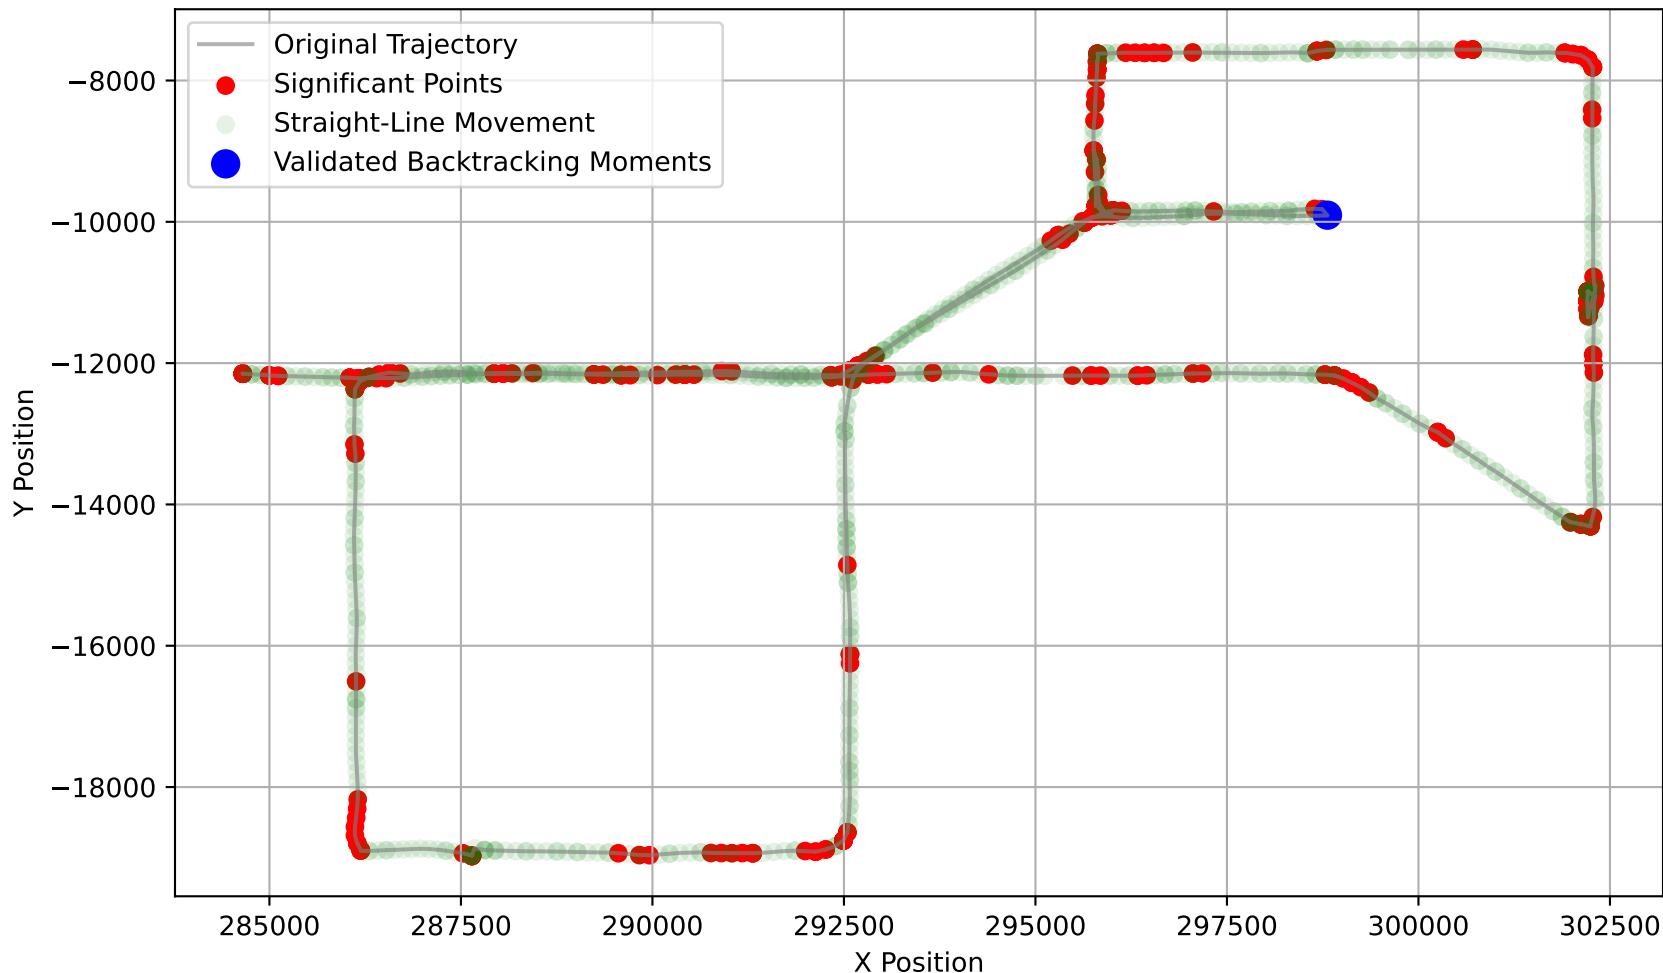

Trajectory with Validated Backtracking Moments (Participant 107)

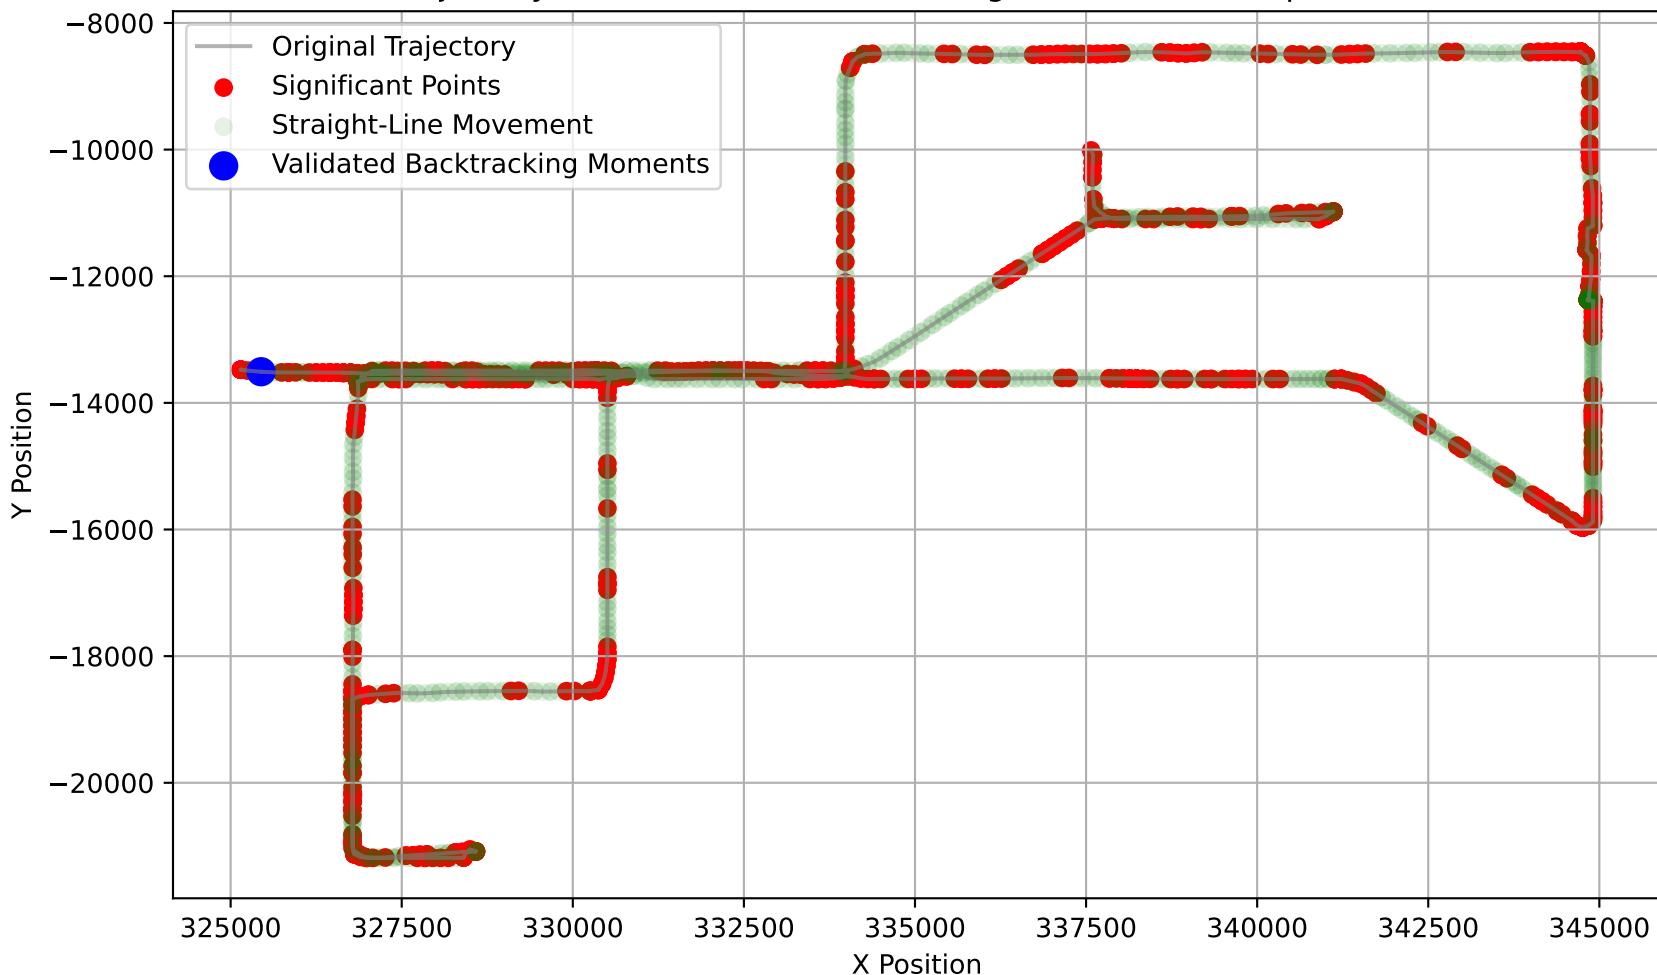

Trajectory with Validated Backtracking Moments (Participant 108)

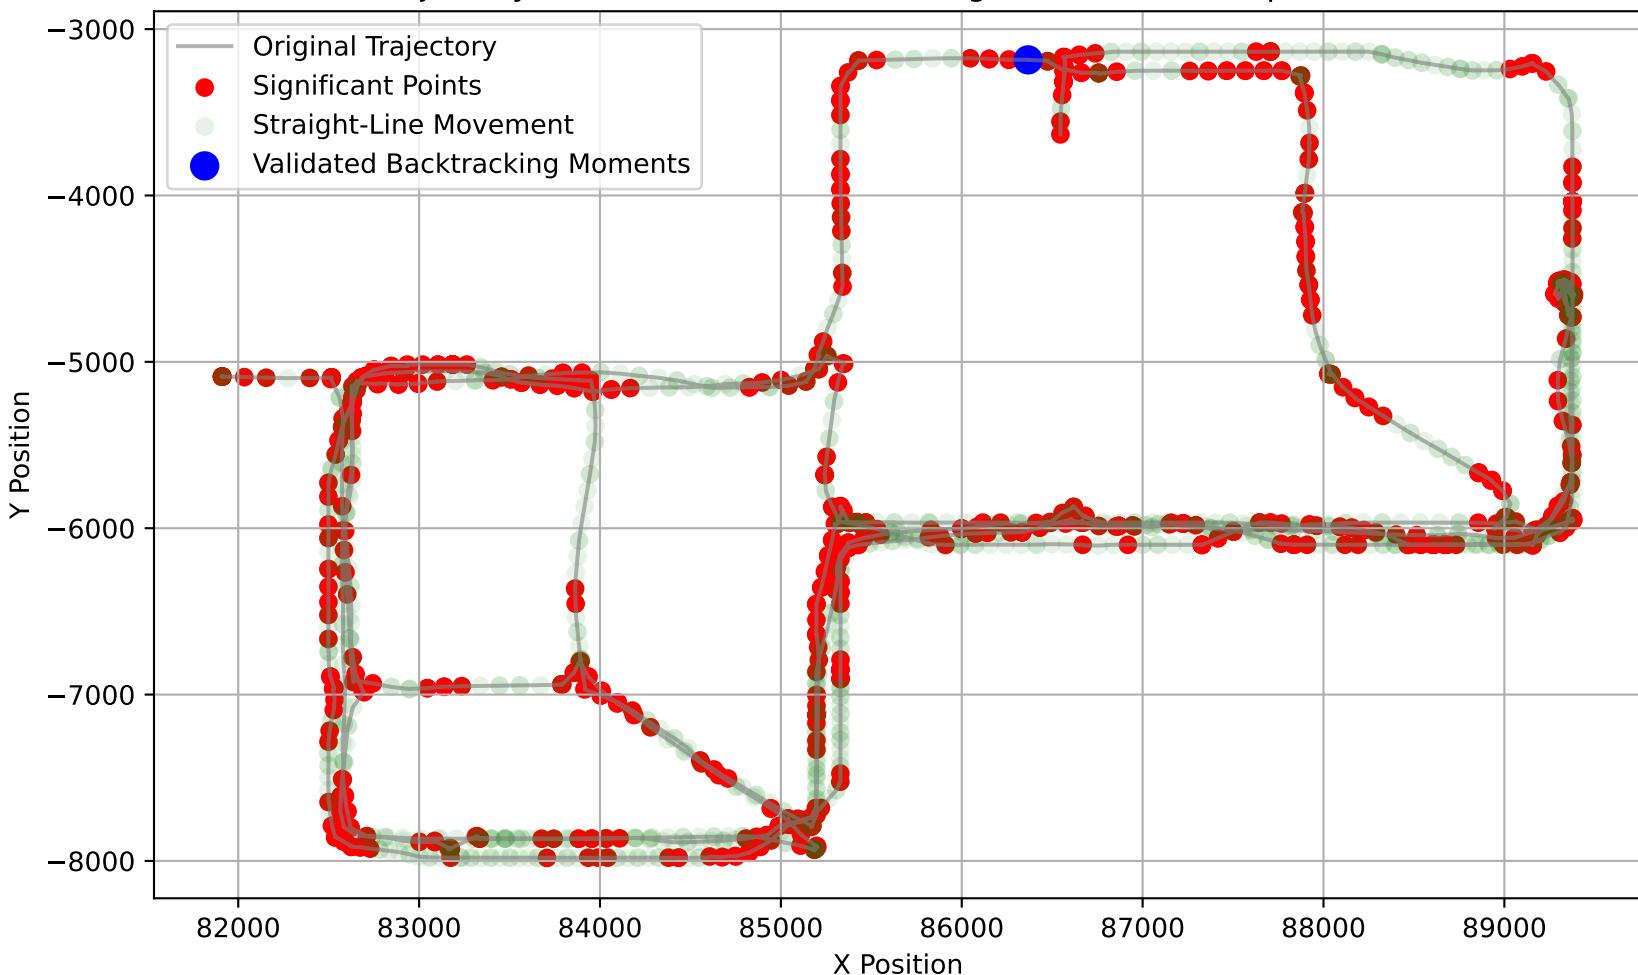

Trajectory with Validated Backtracking Moments (Participant 110)

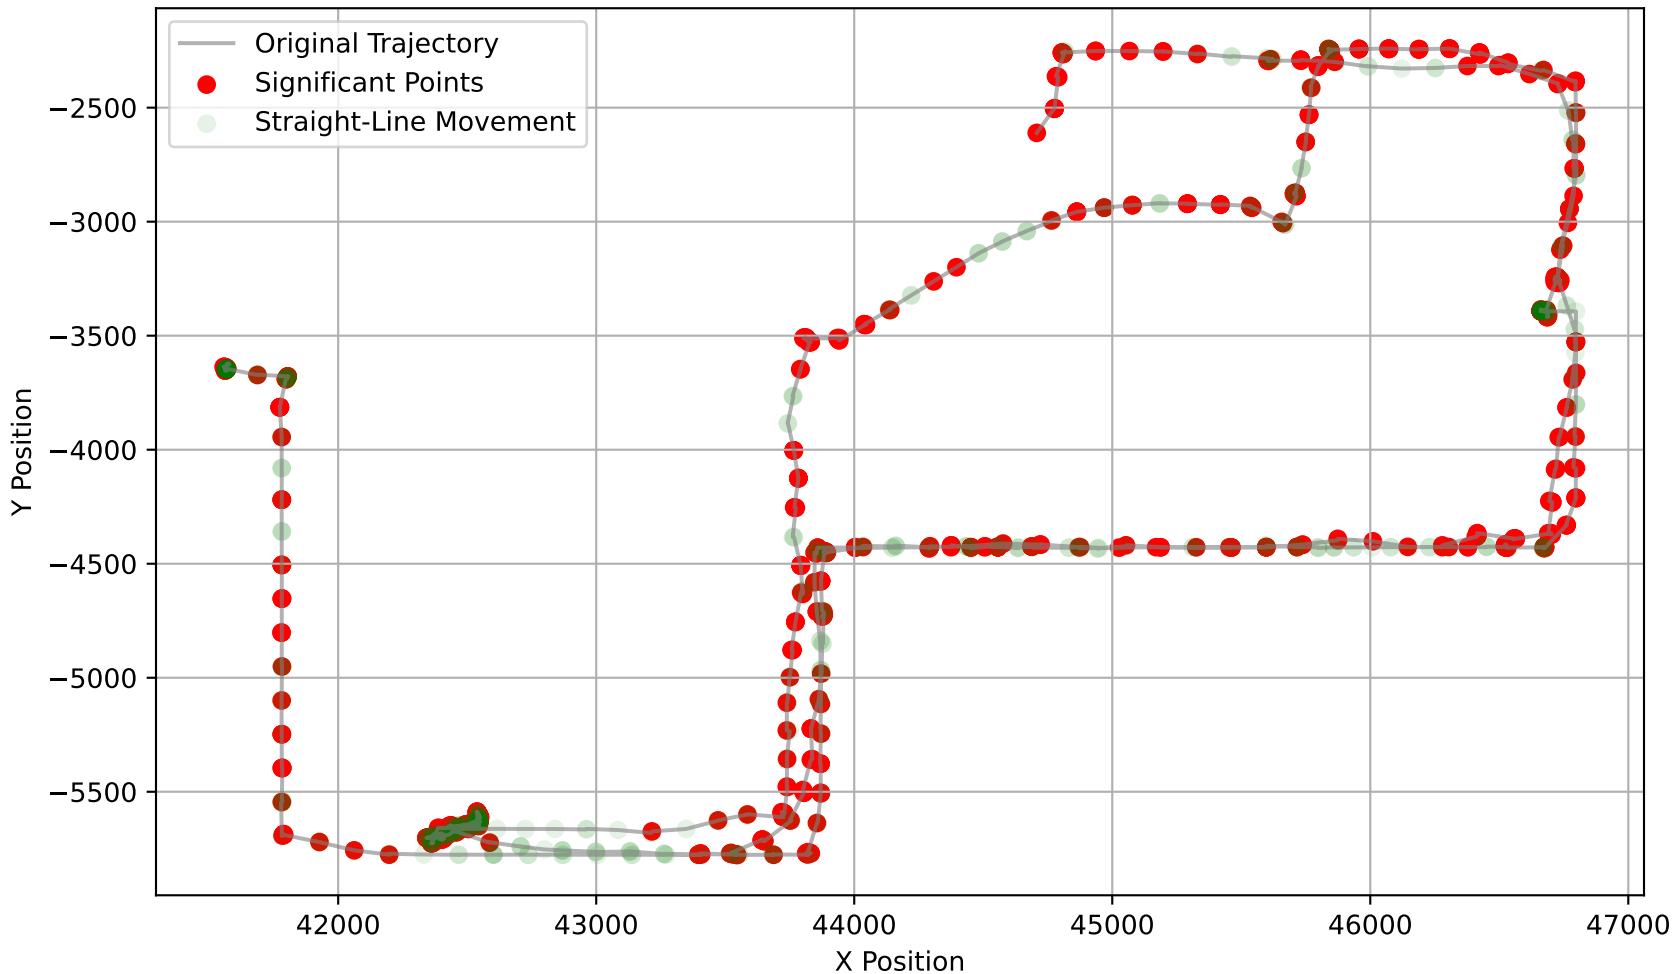

Trajectory with Validated Backtracking Moments (Participant 111)

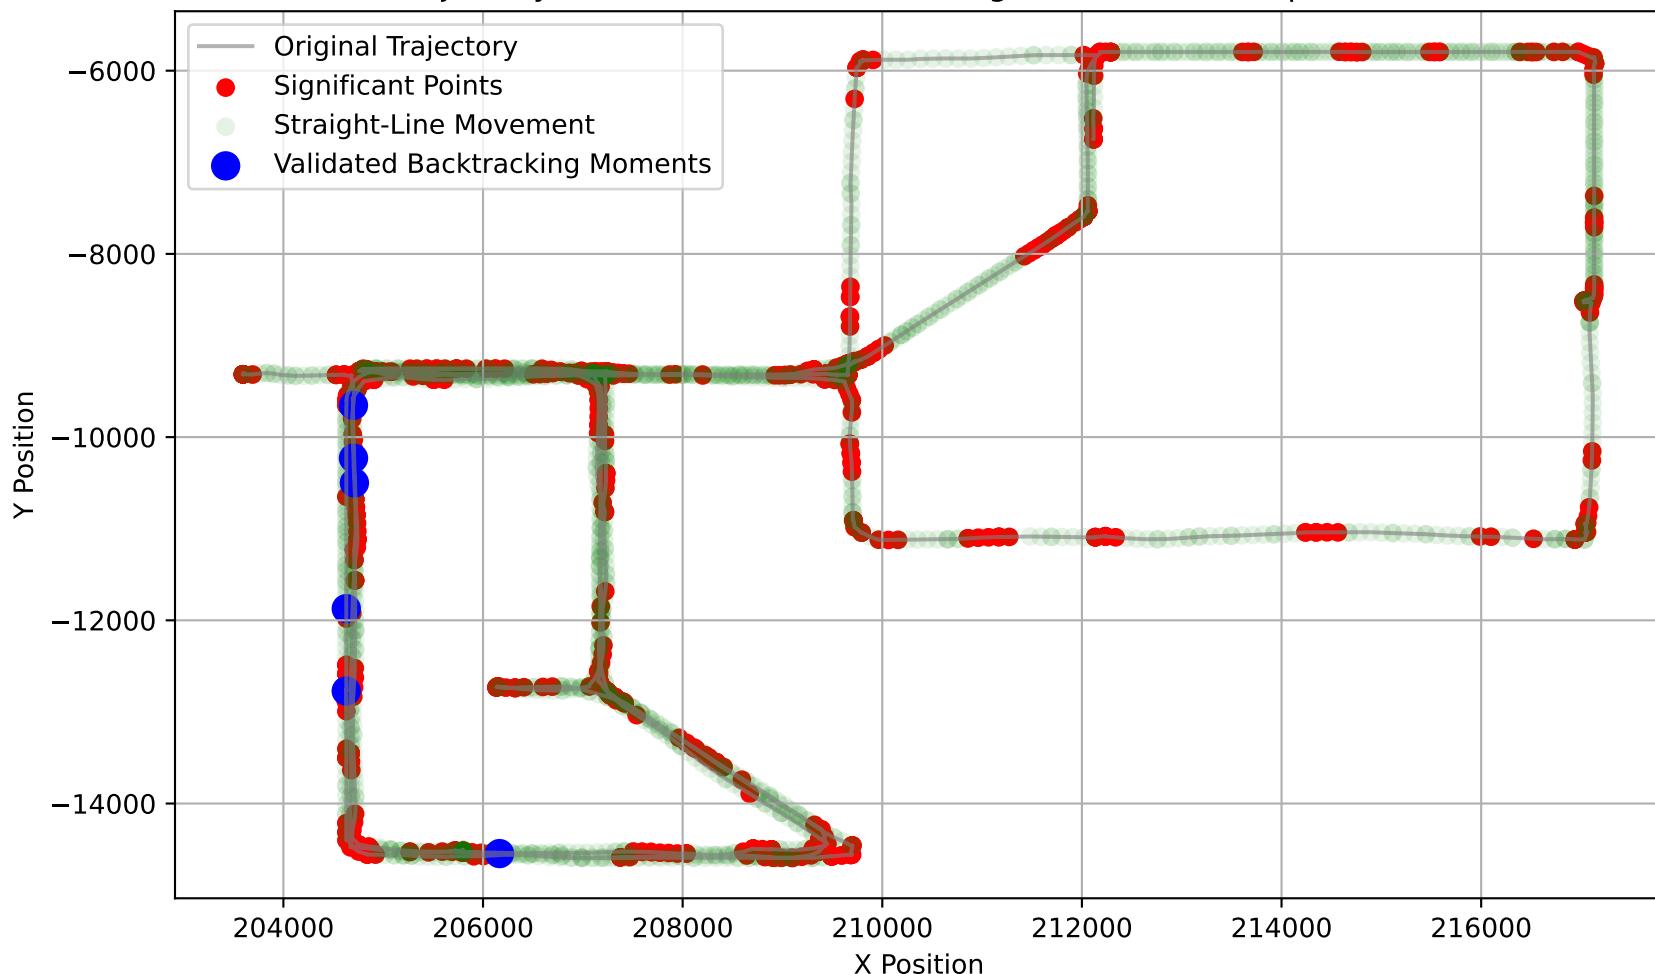

Trajectory with Validated Backtracking Moments (Participant 113)

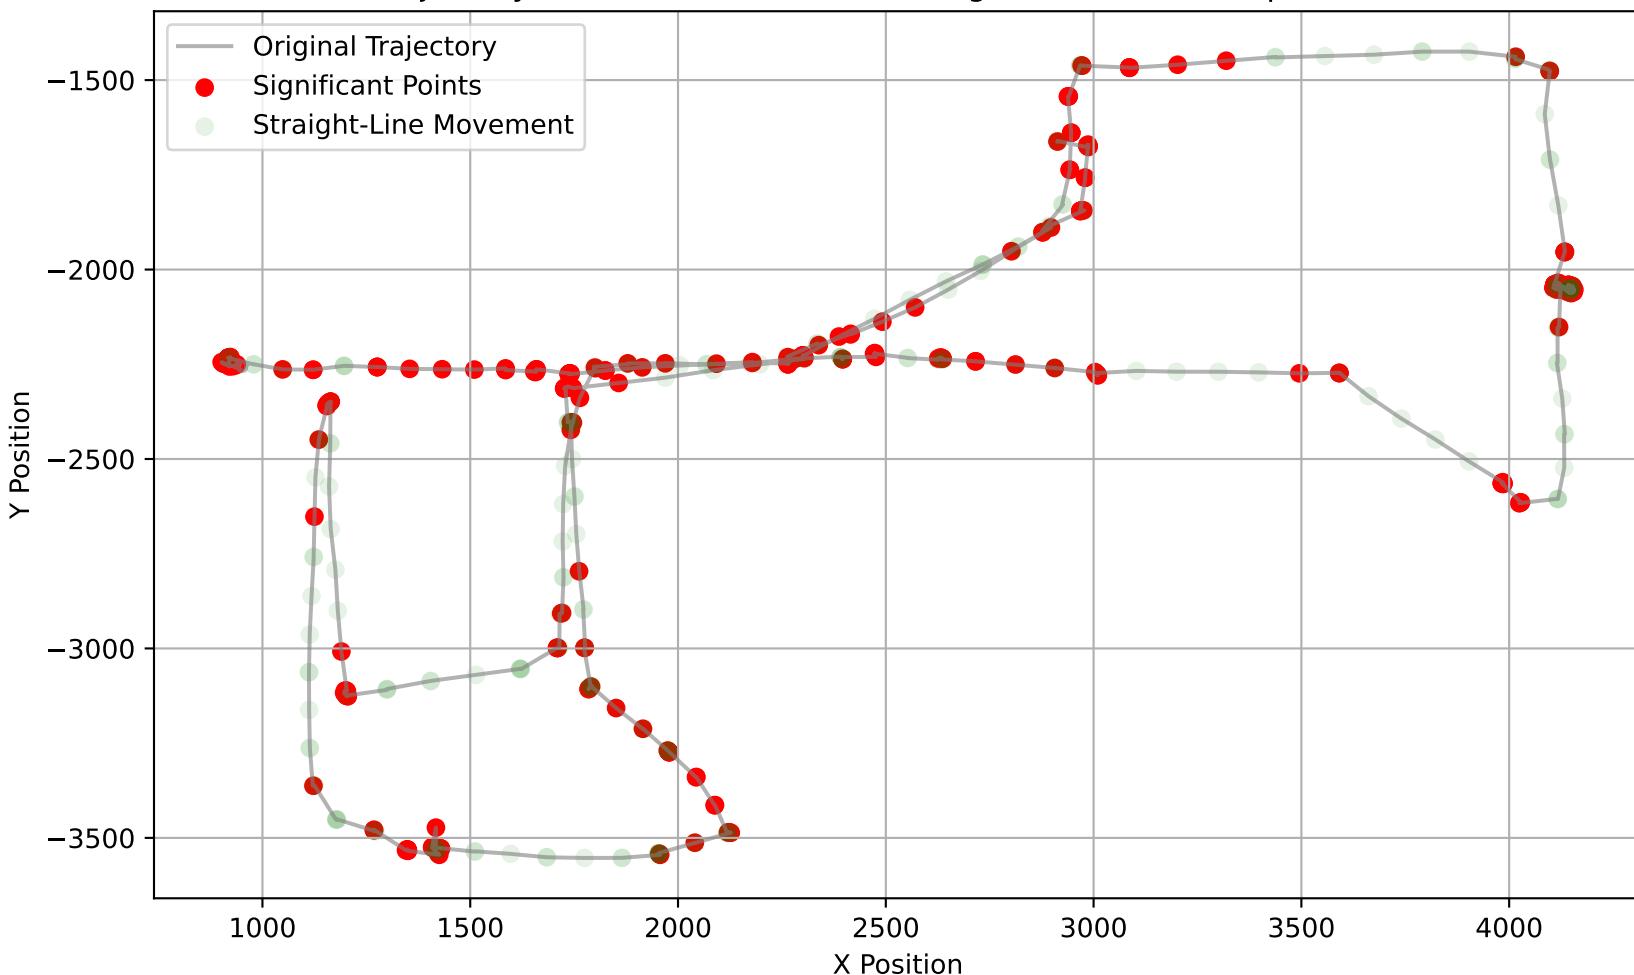

Trajectory with Validated Backtracking Moments (Participant 114)

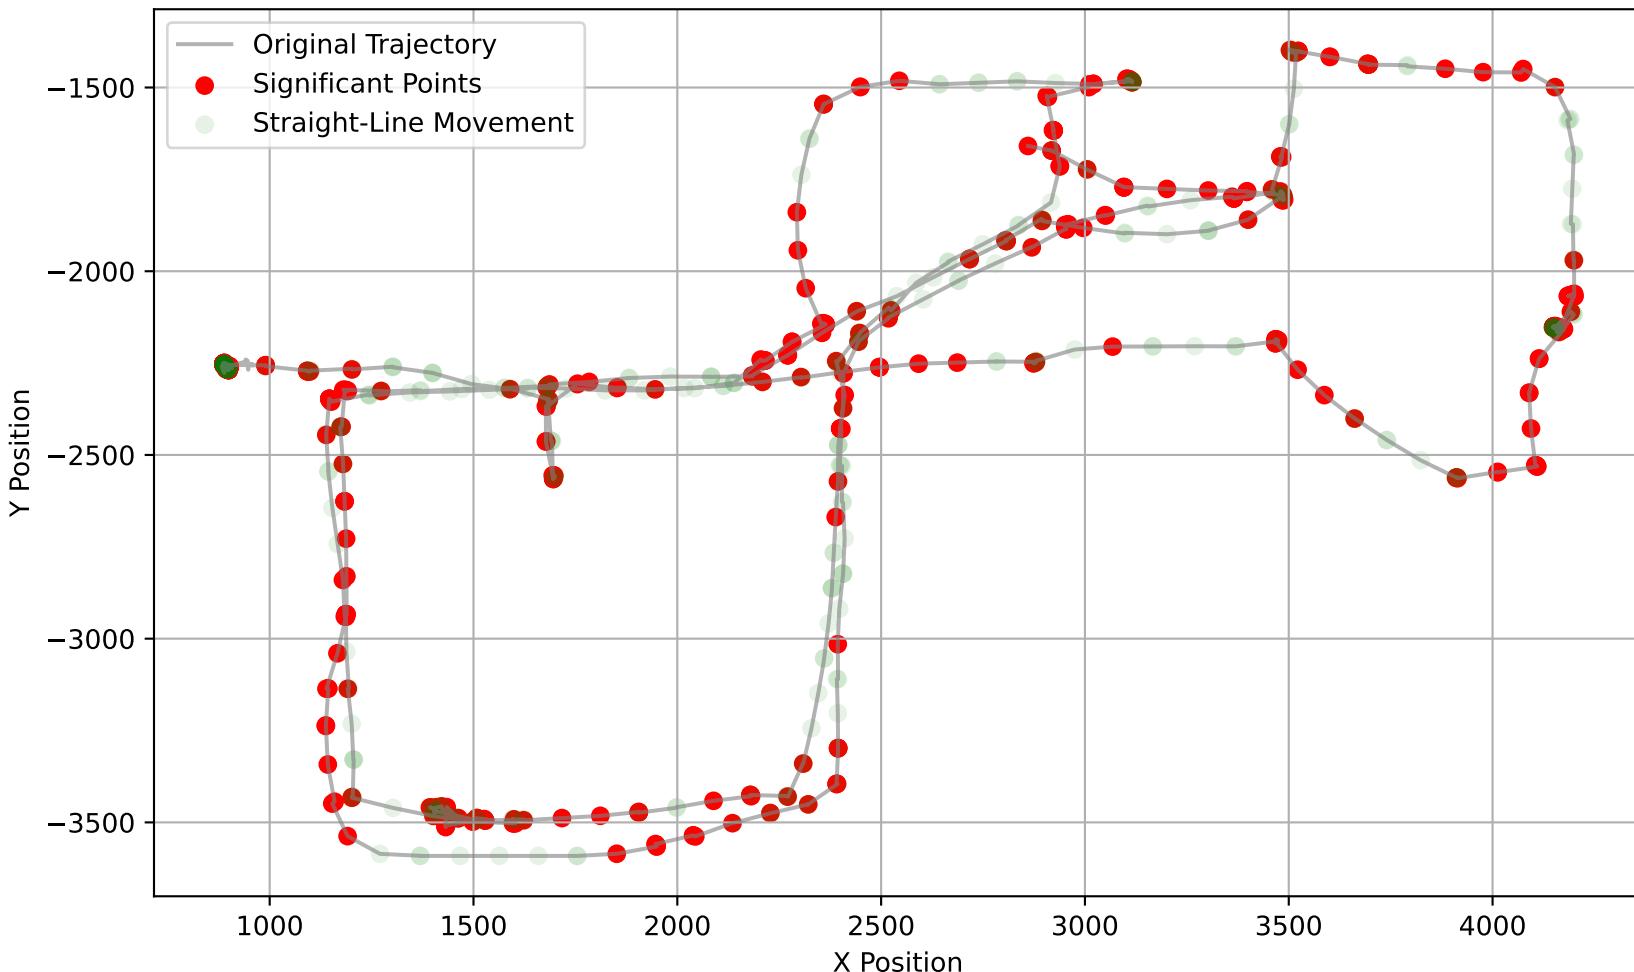

Trajectory with Validated Backtracking Moments (Participant 115)

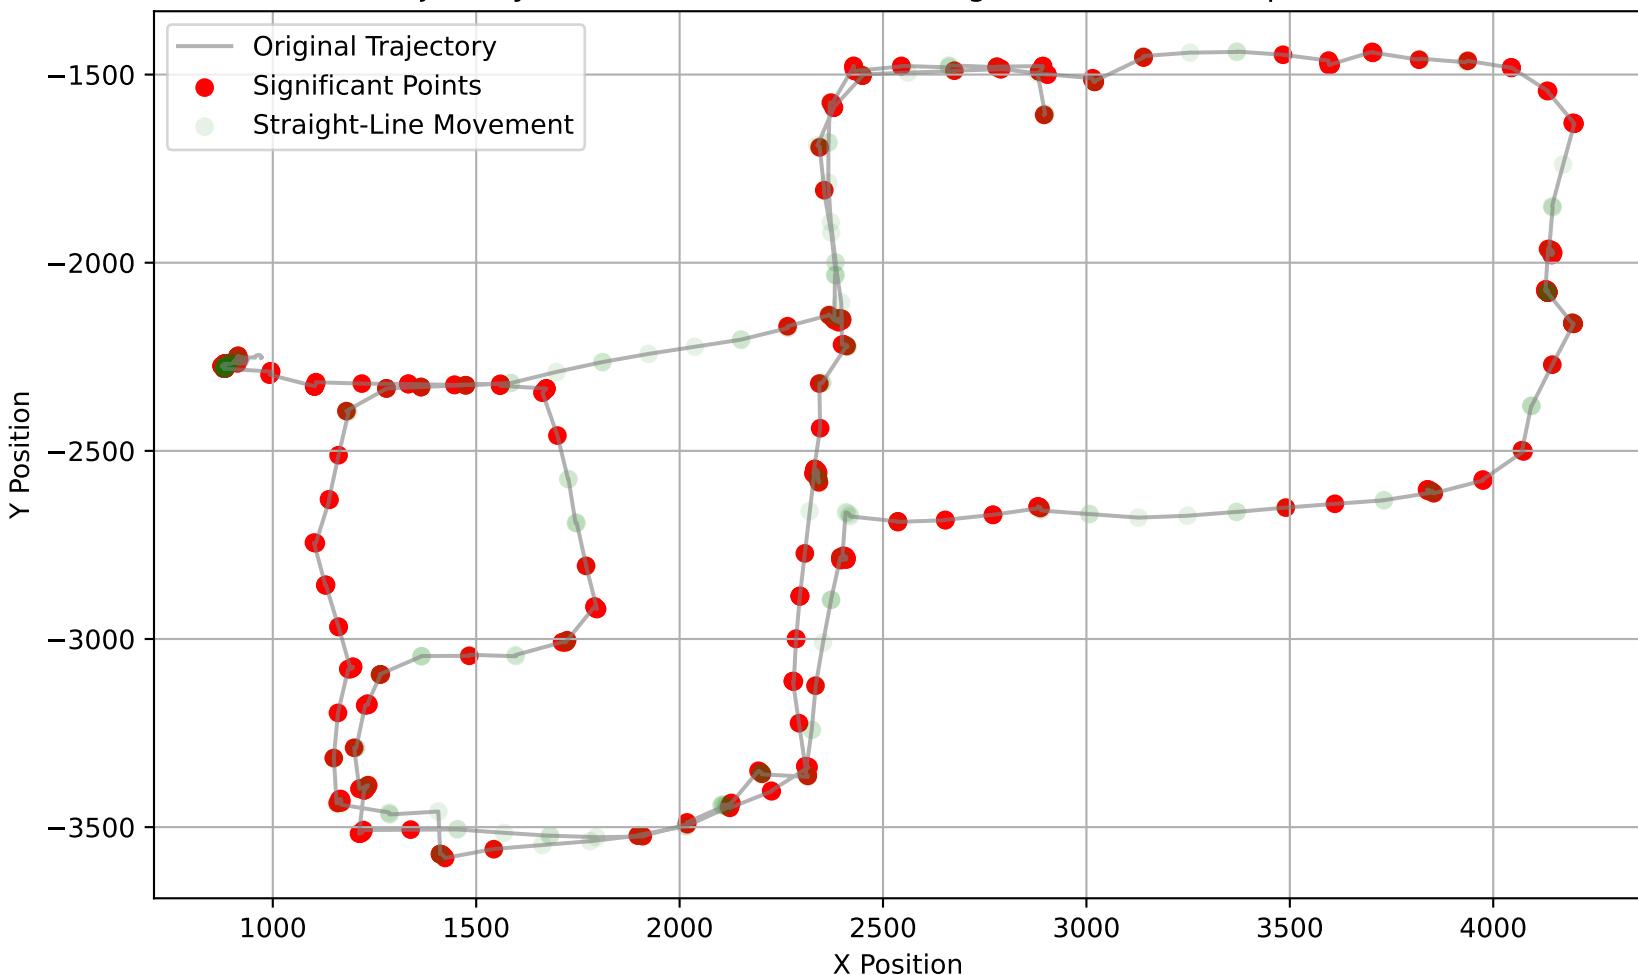

Trajectory with Validated Backtracking Moments (Participant 116)

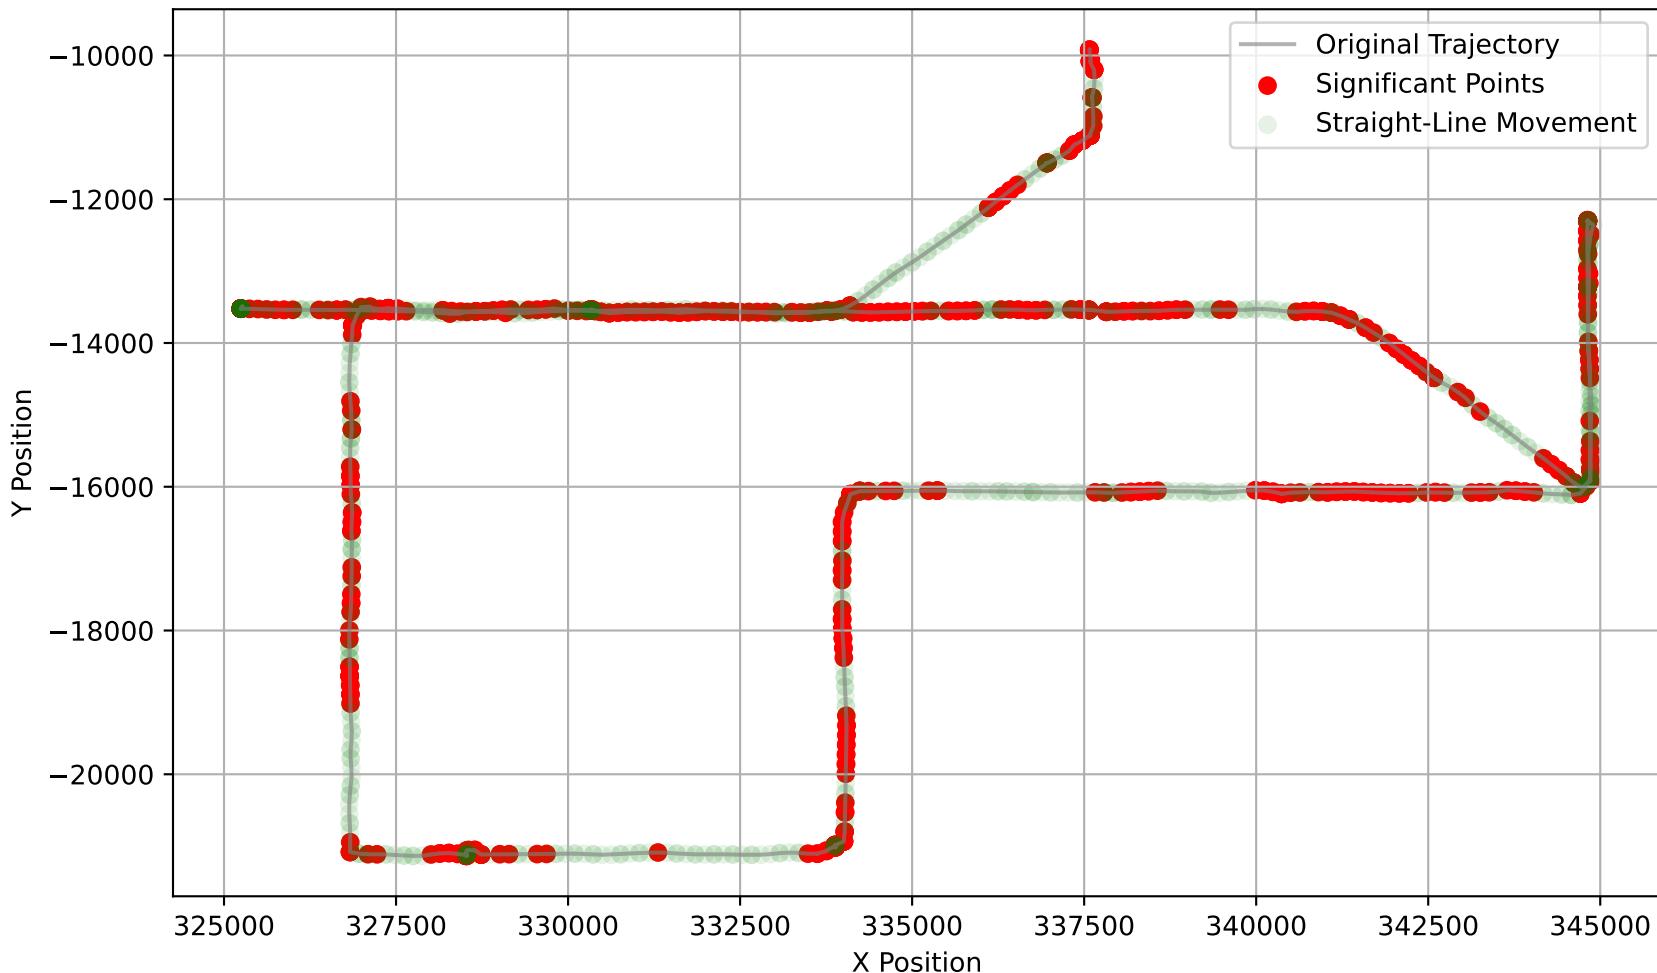

Trajectory with Validated Backtracking Moments (Participant 117)

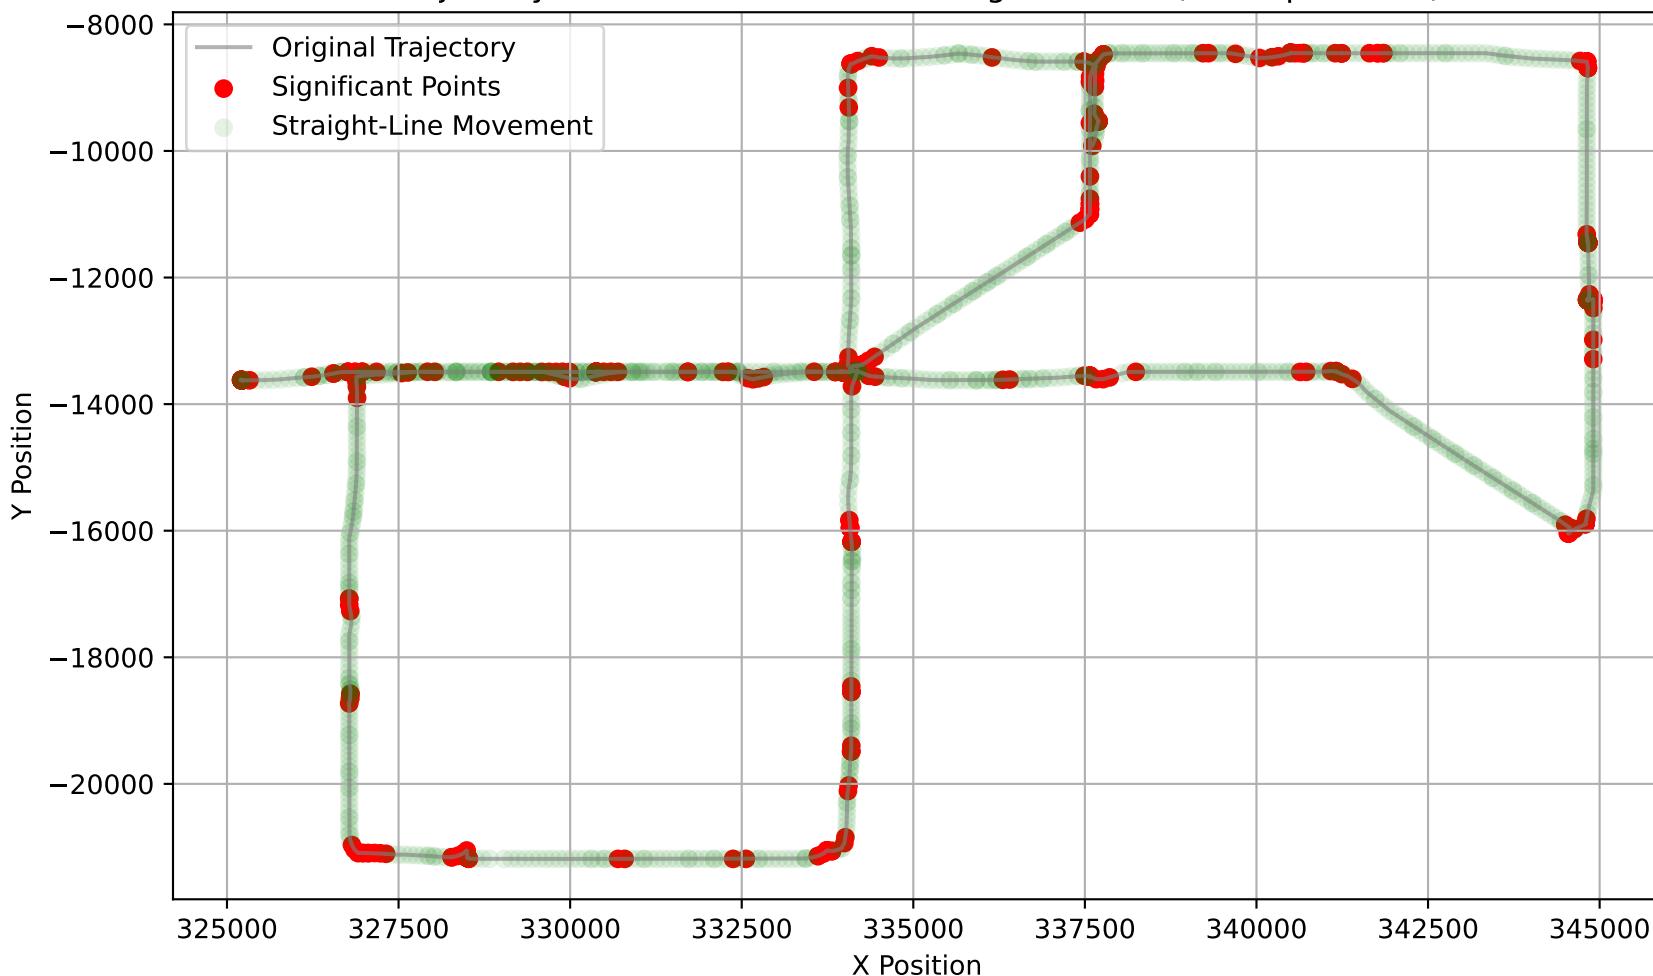

Trajectory with Validated Backtracking Moments (Participant 119)

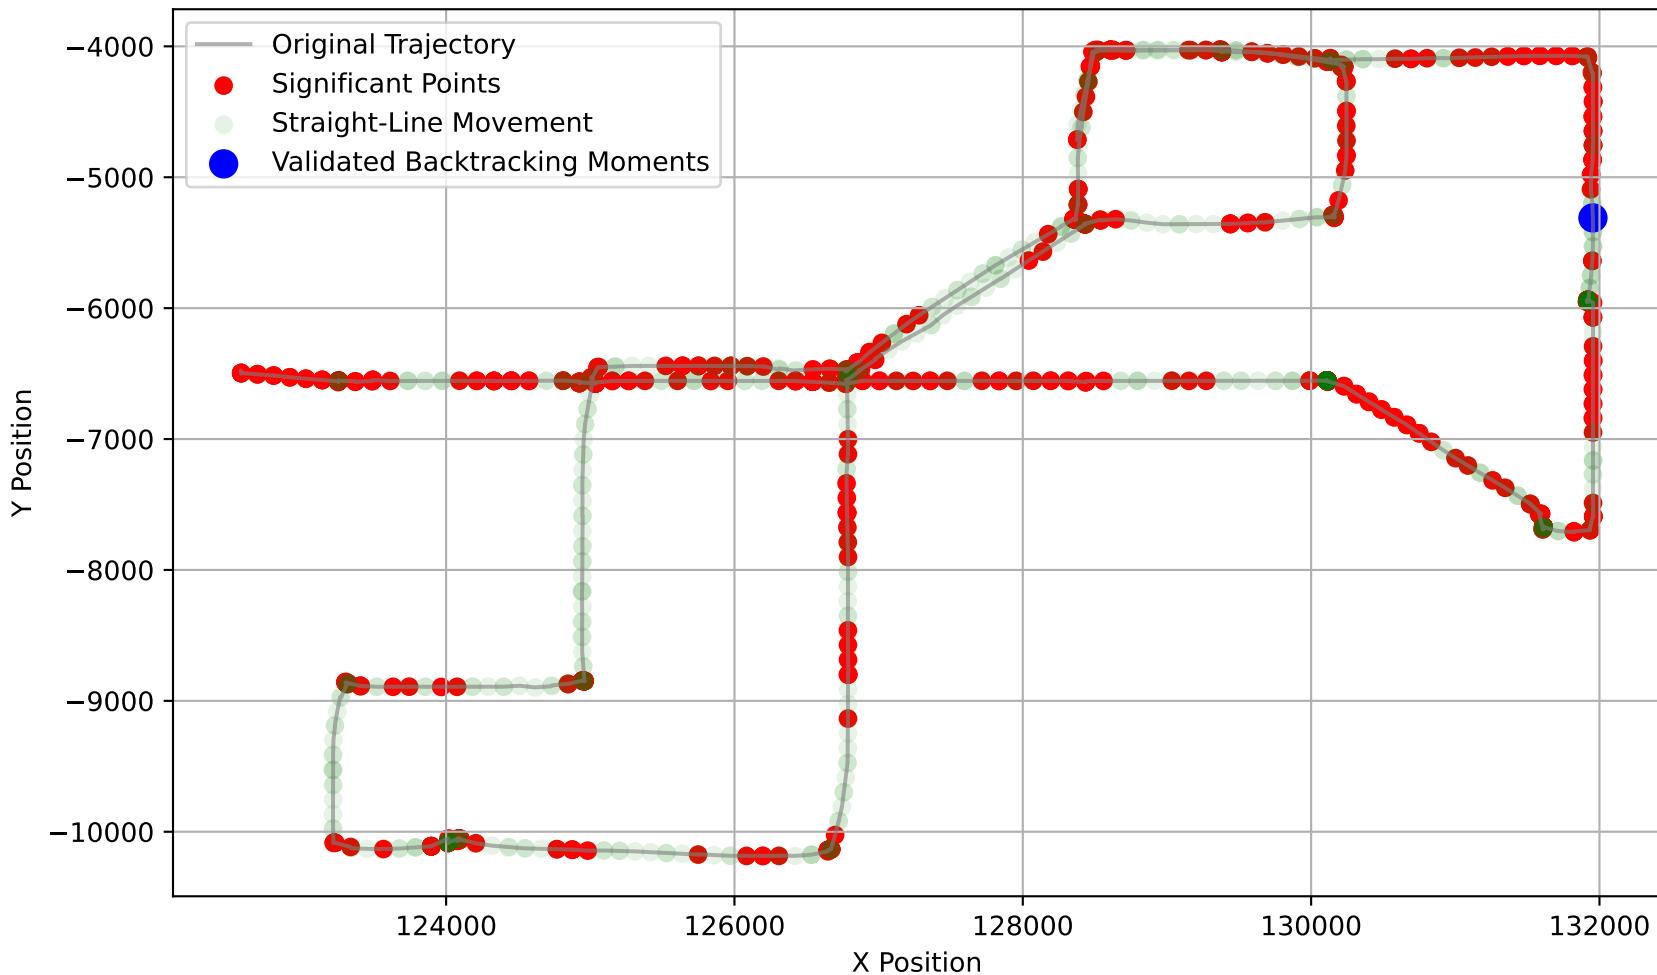

Trajectory with Validated Backtracking Moments (Participant 120)

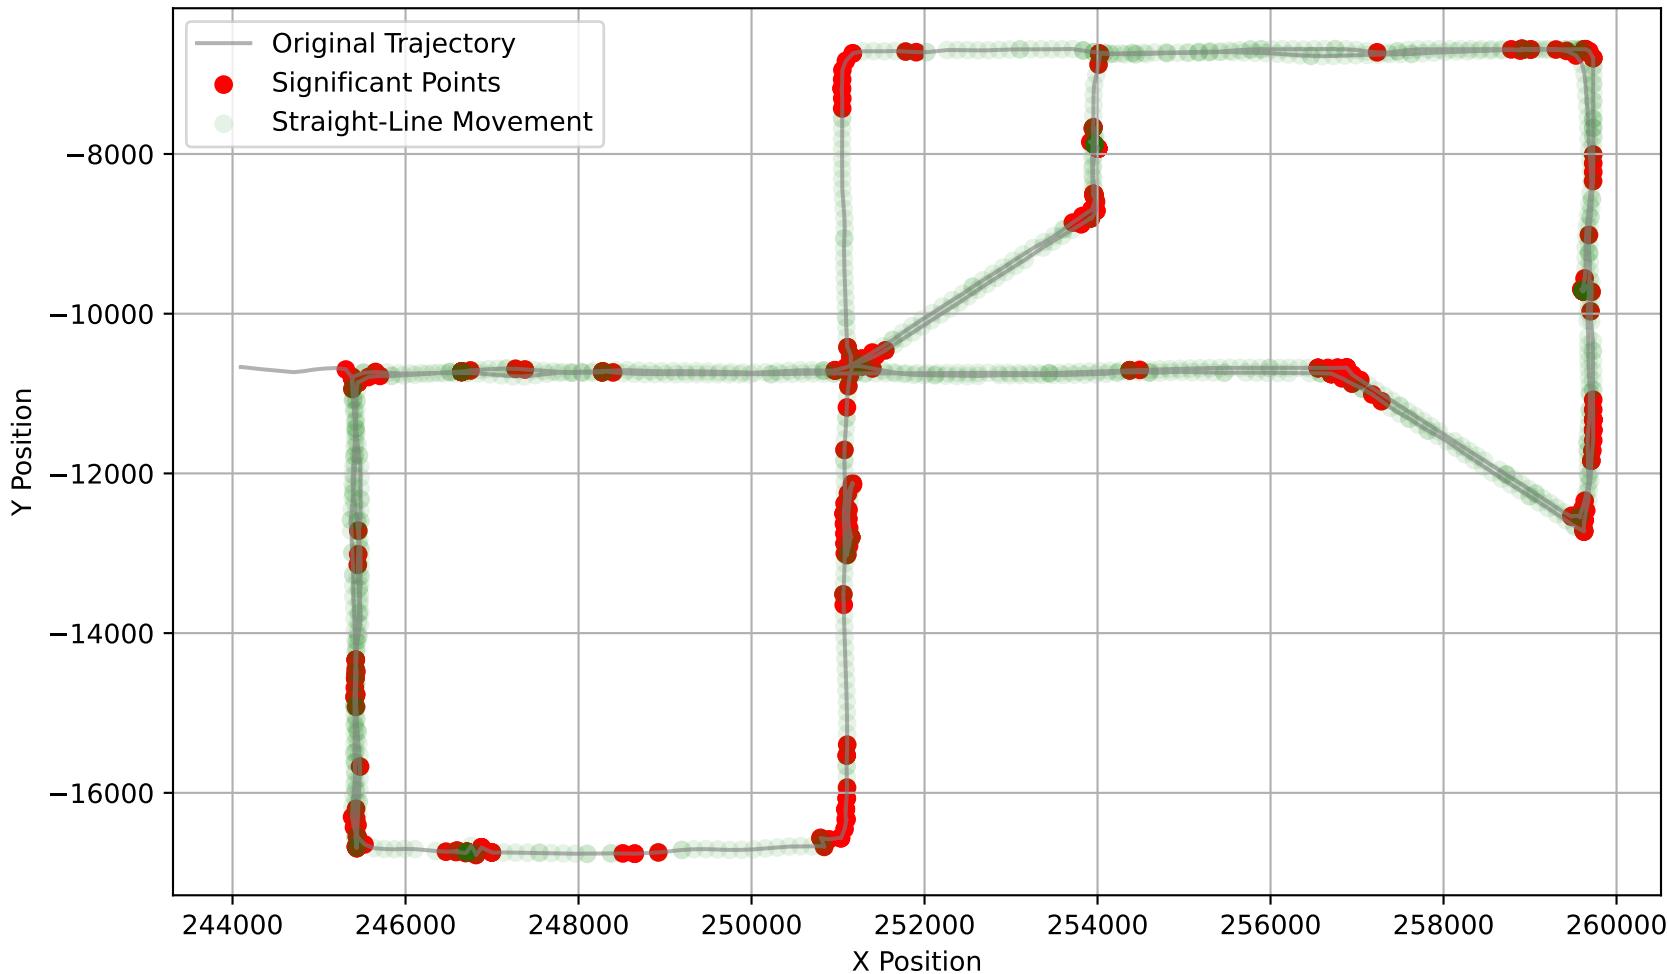

Trajectory with Validated Backtracking Moments (Participant 121)

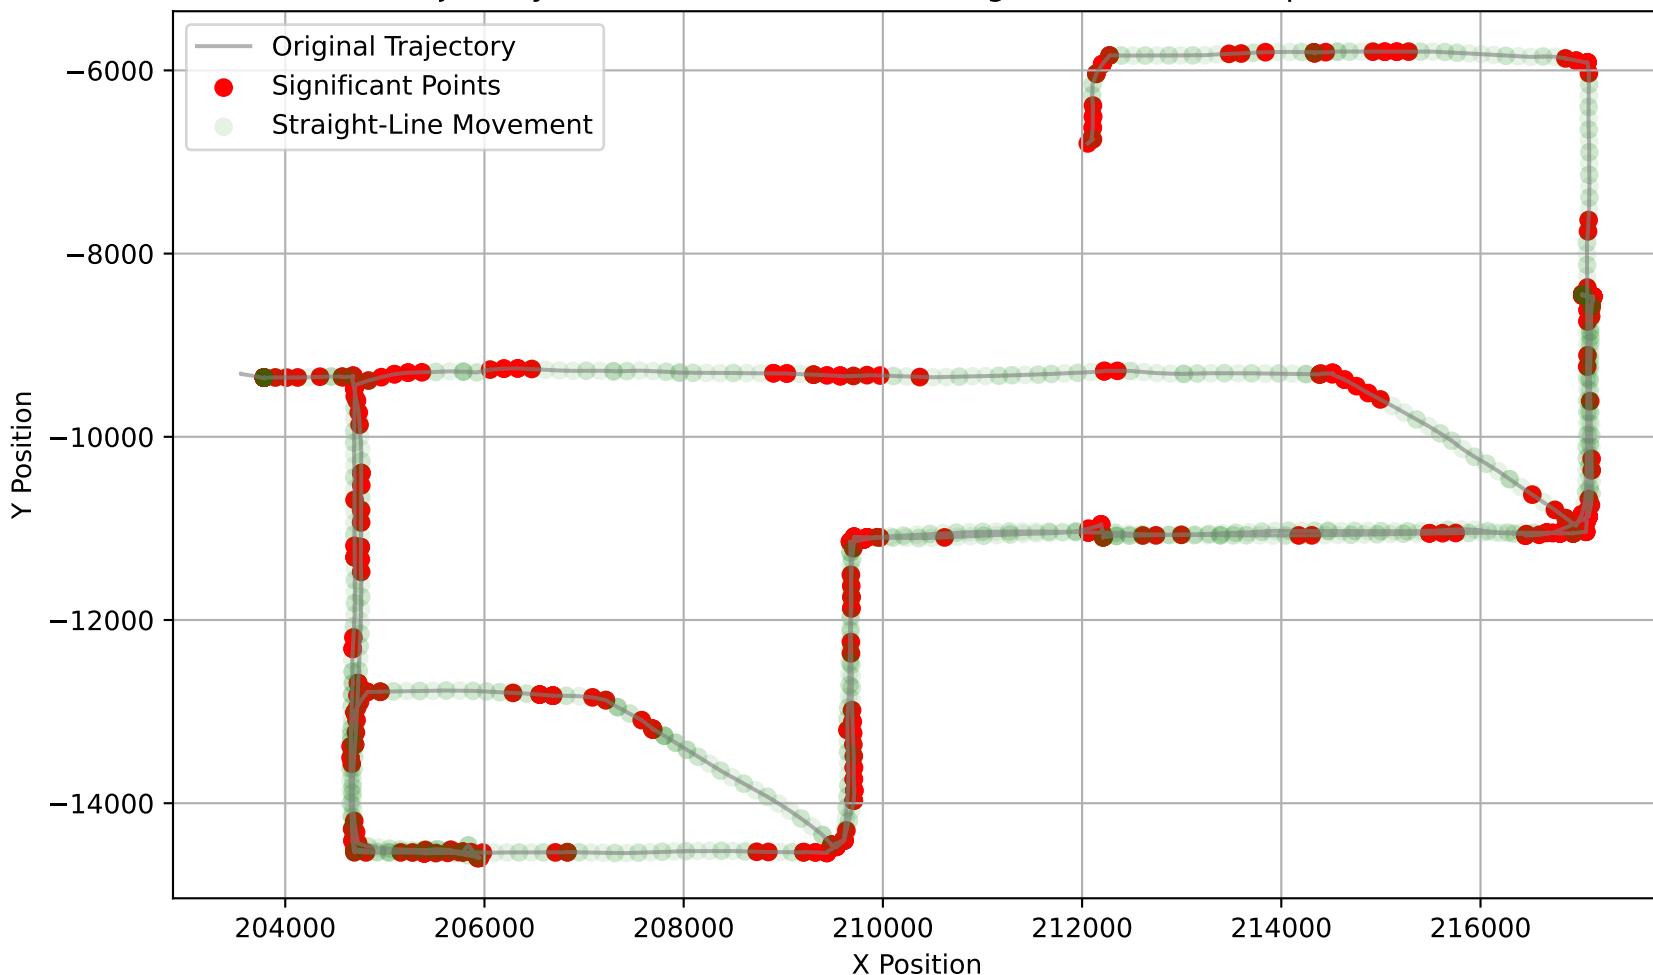

Trajectory with Validated Backtracking Moments (Participant 123)

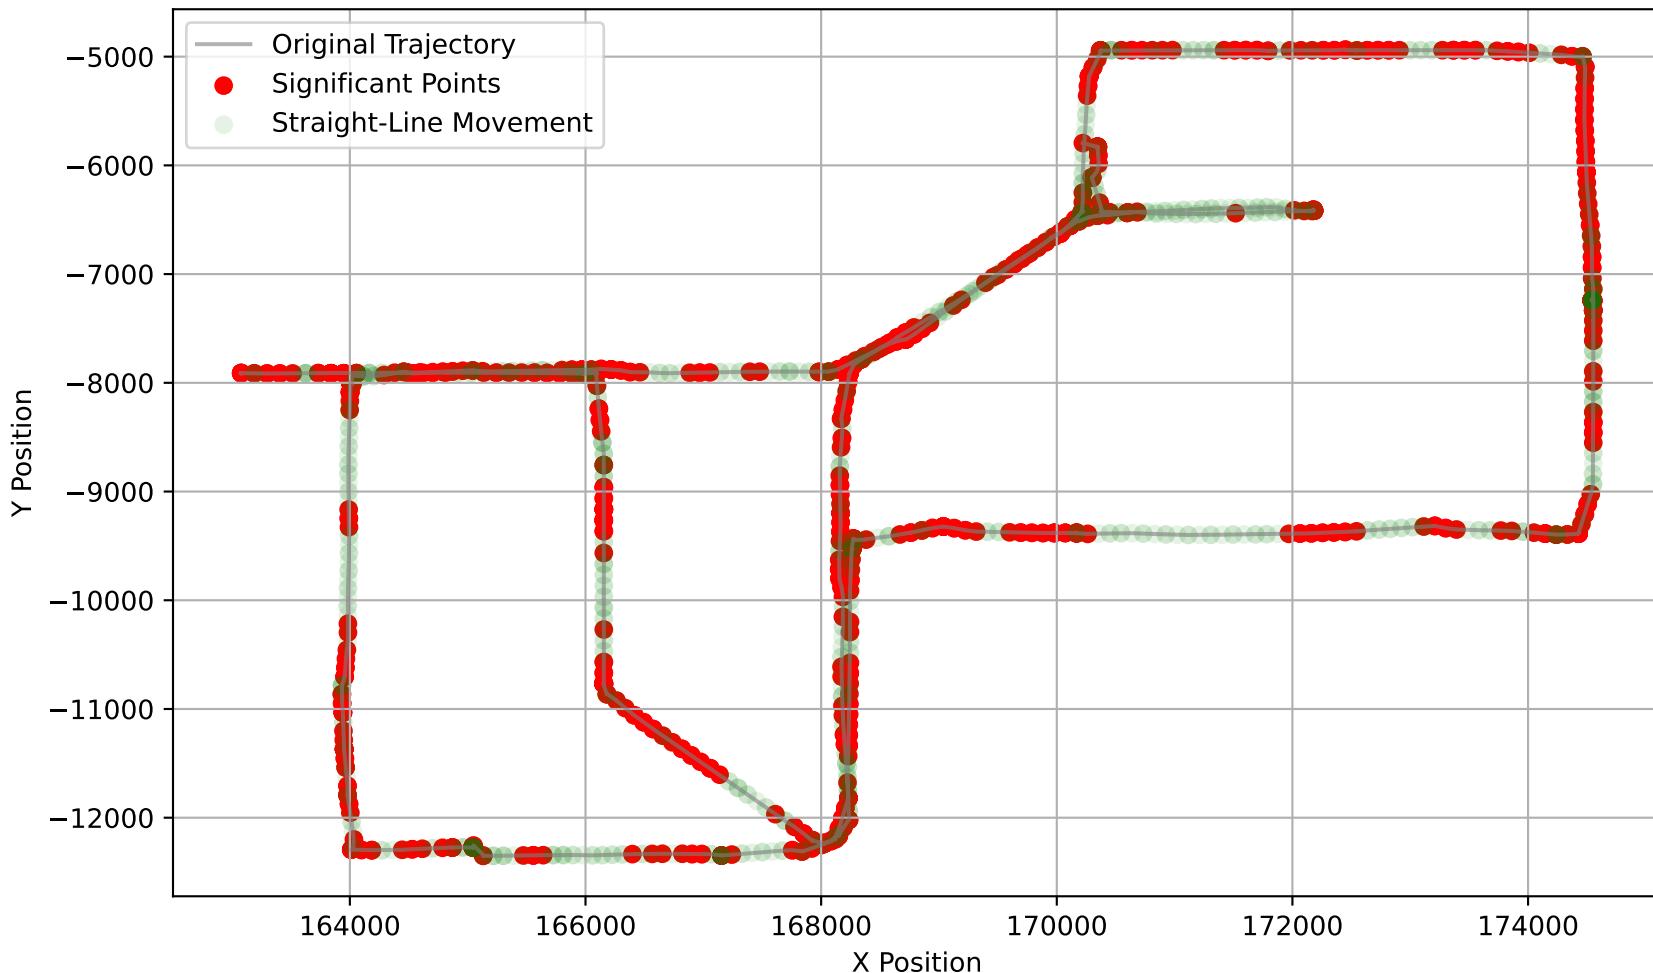

Trajectory with Validated Backtracking Moments (Participant 124)

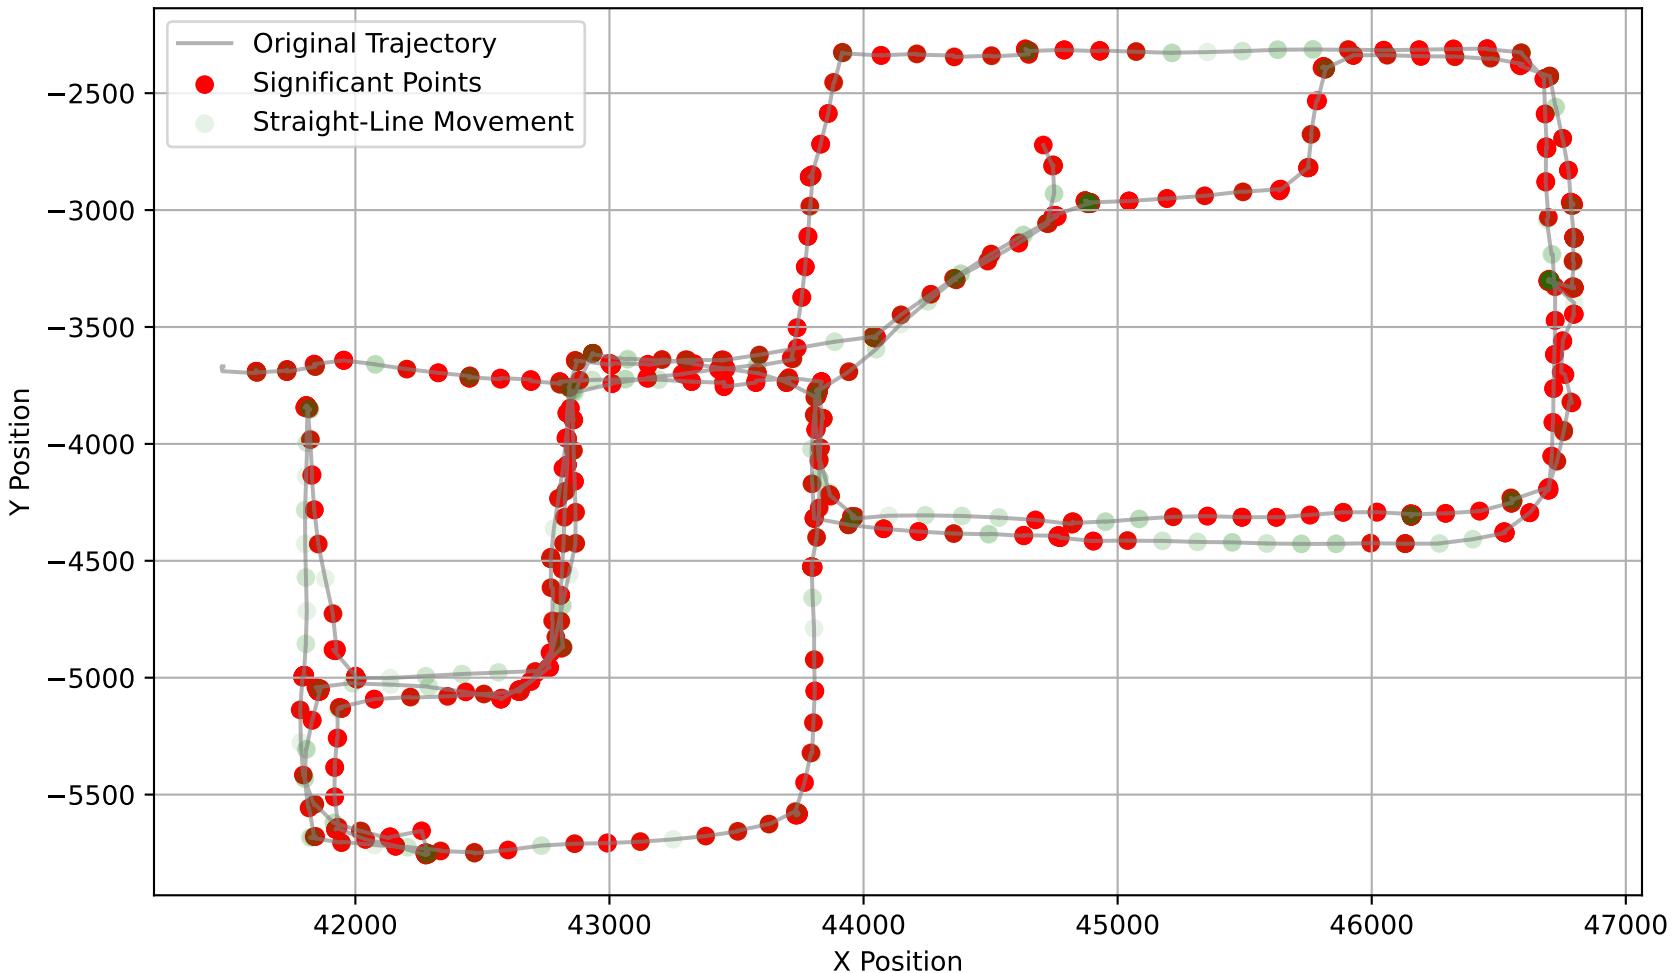

Trajectory with Validated Backtracking Moments (Participant 127)

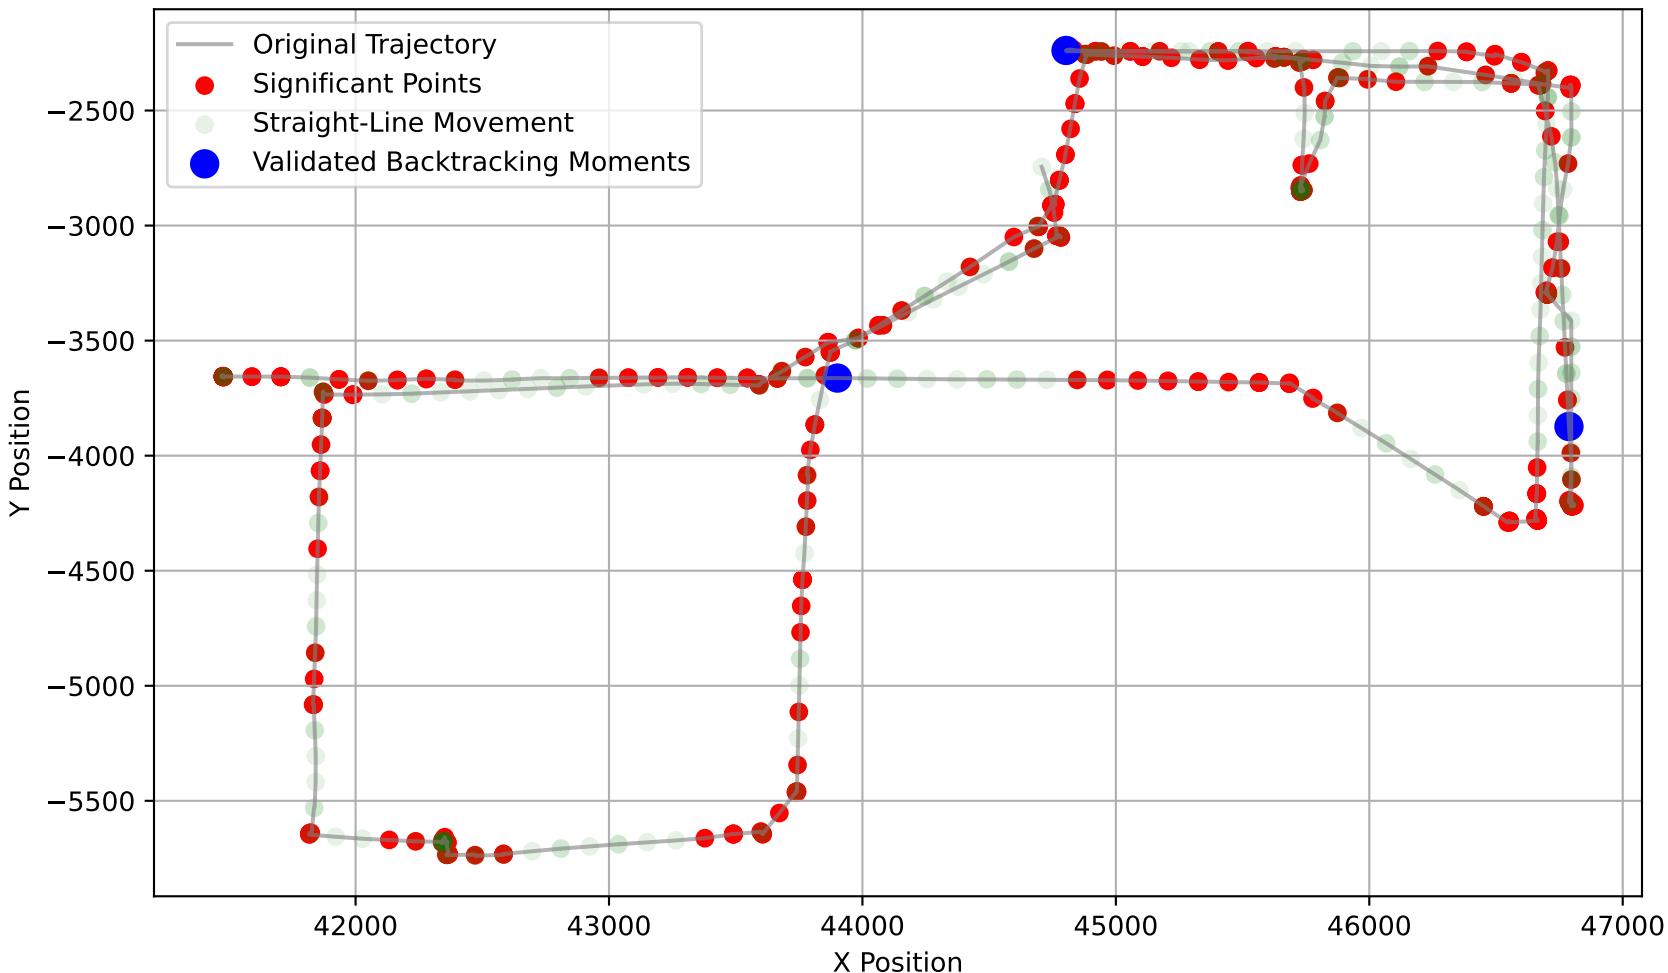

Trajectory with Validated Backtracking Moments (Participant 131)

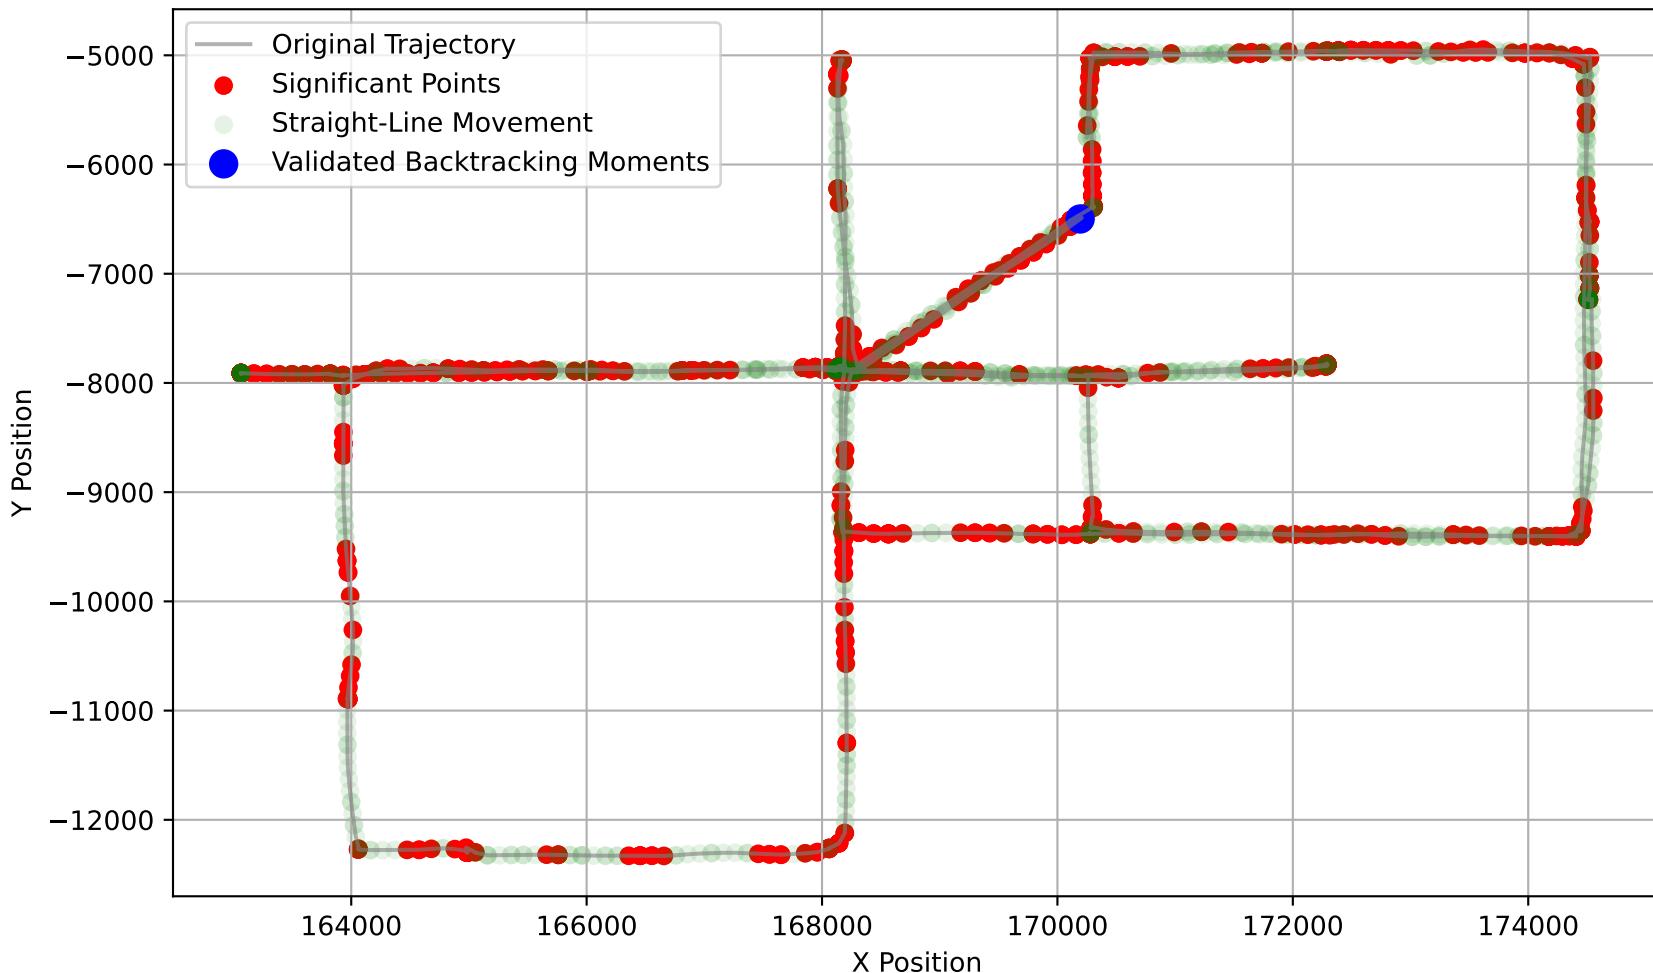

Trajectory with Validated Backtracking Moments (Participant 132)

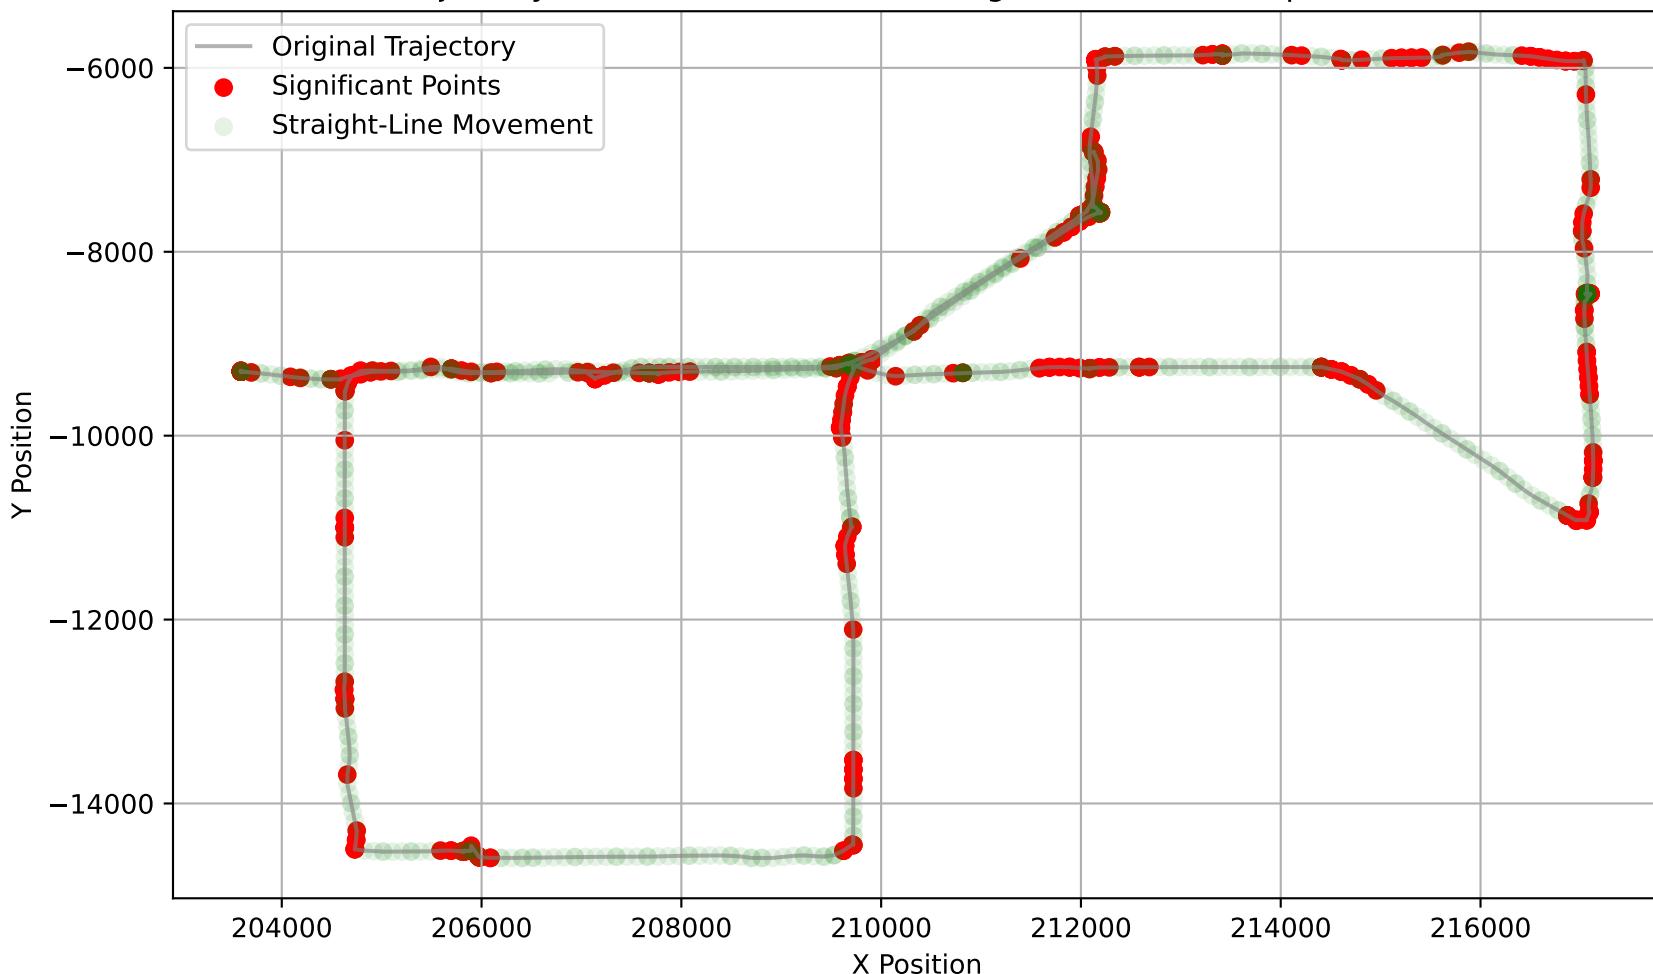

Trajectory with Validated Backtracking Moments (Participant 133)

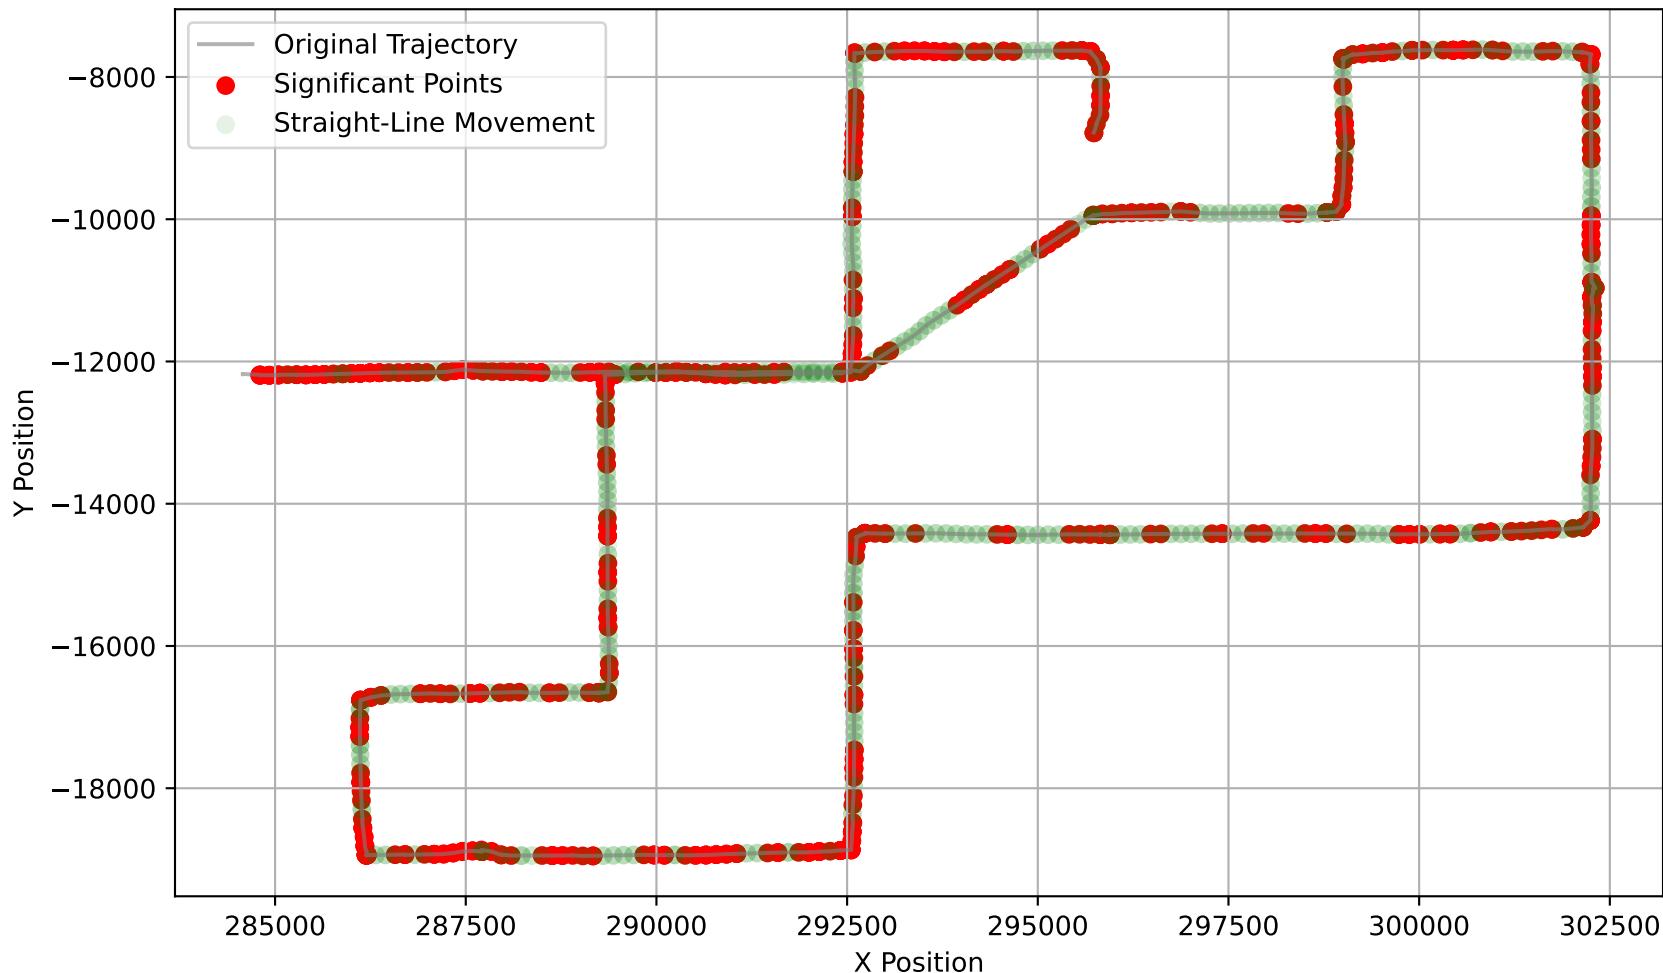

Trajectory with Validated Backtracking Moments (Participant 134)

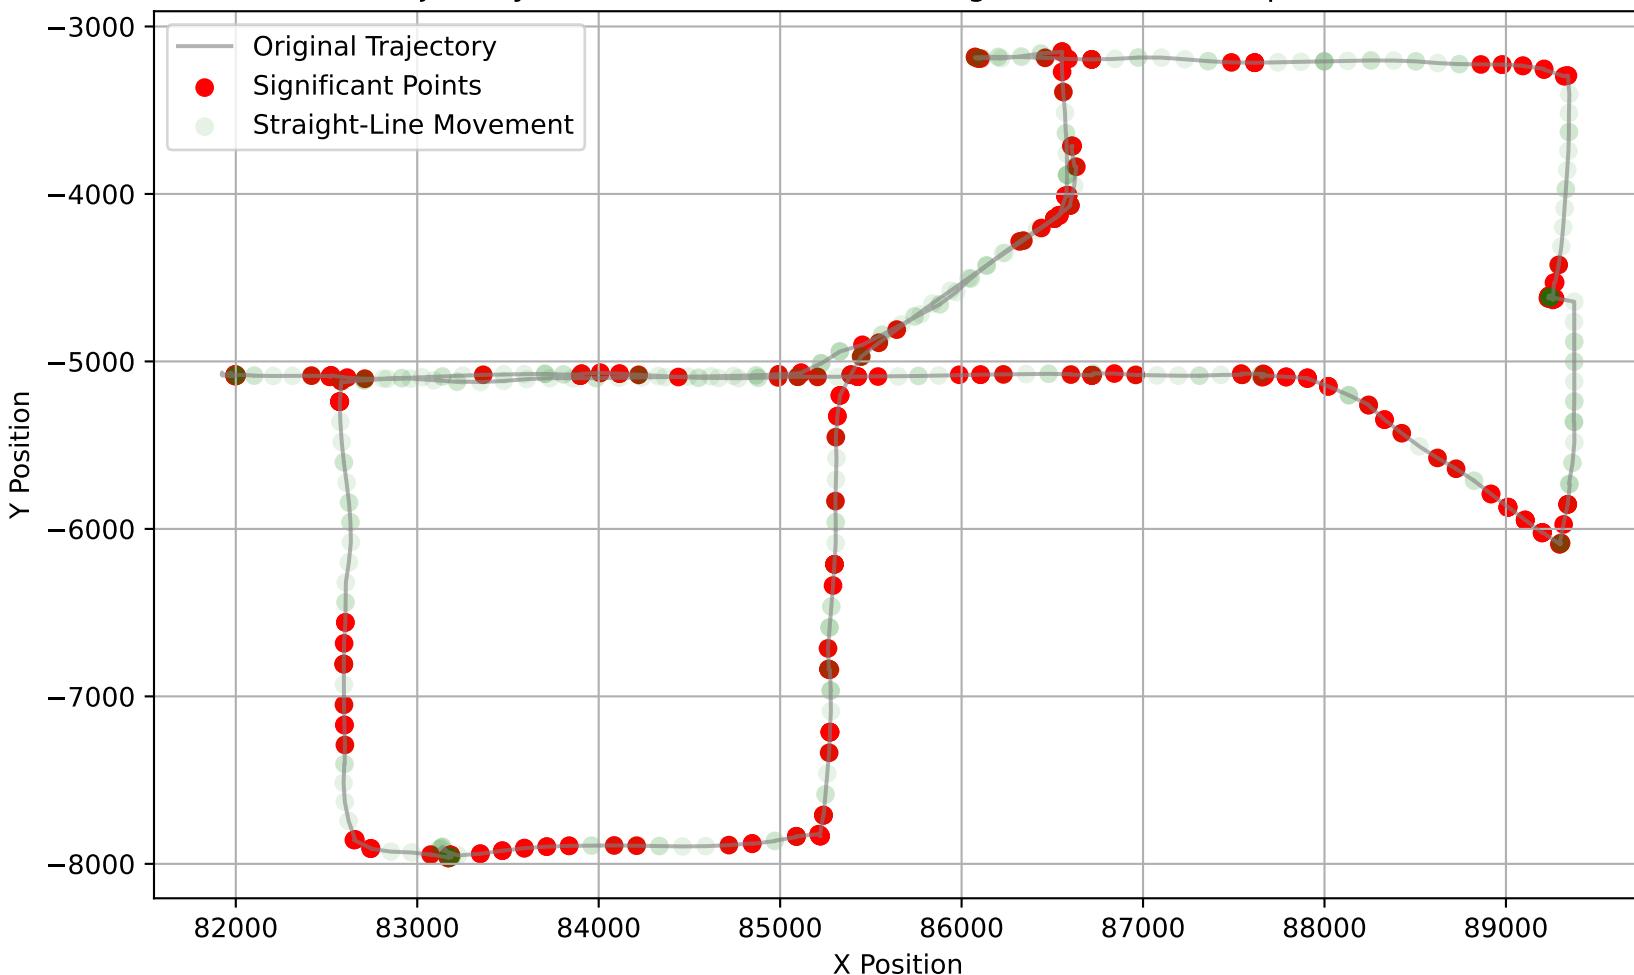

Trajectory with Validated Backtracking Moments (Participant 135)

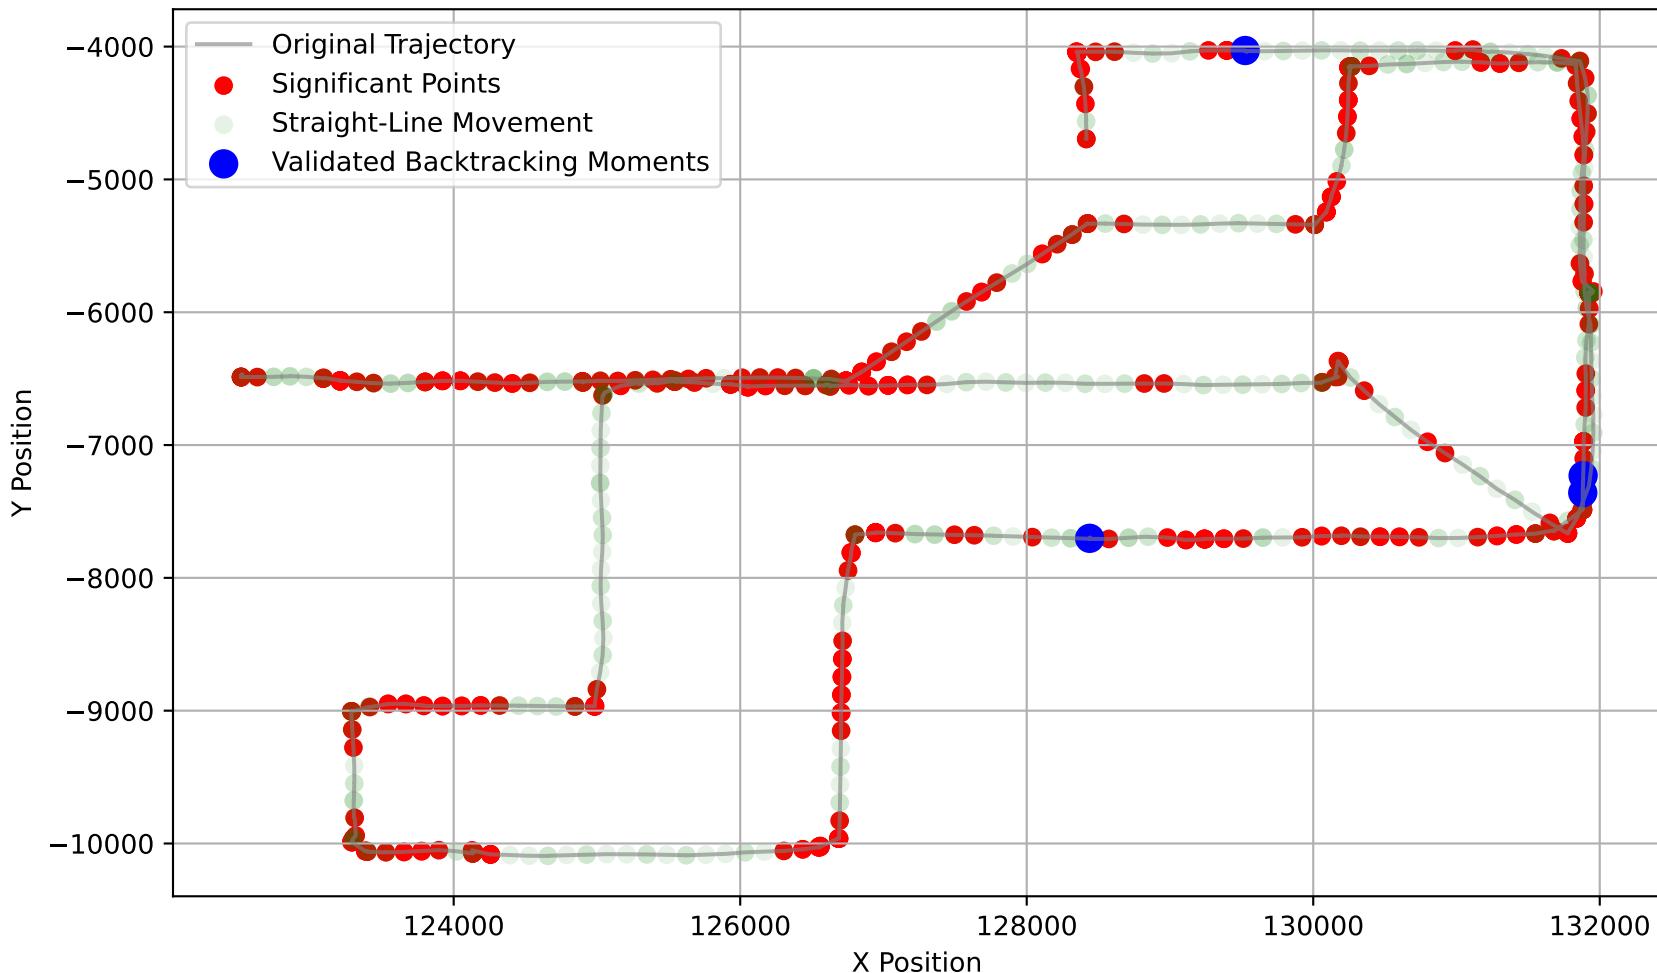

Trajectory with Validated Backtracking Moments (Participant 137)

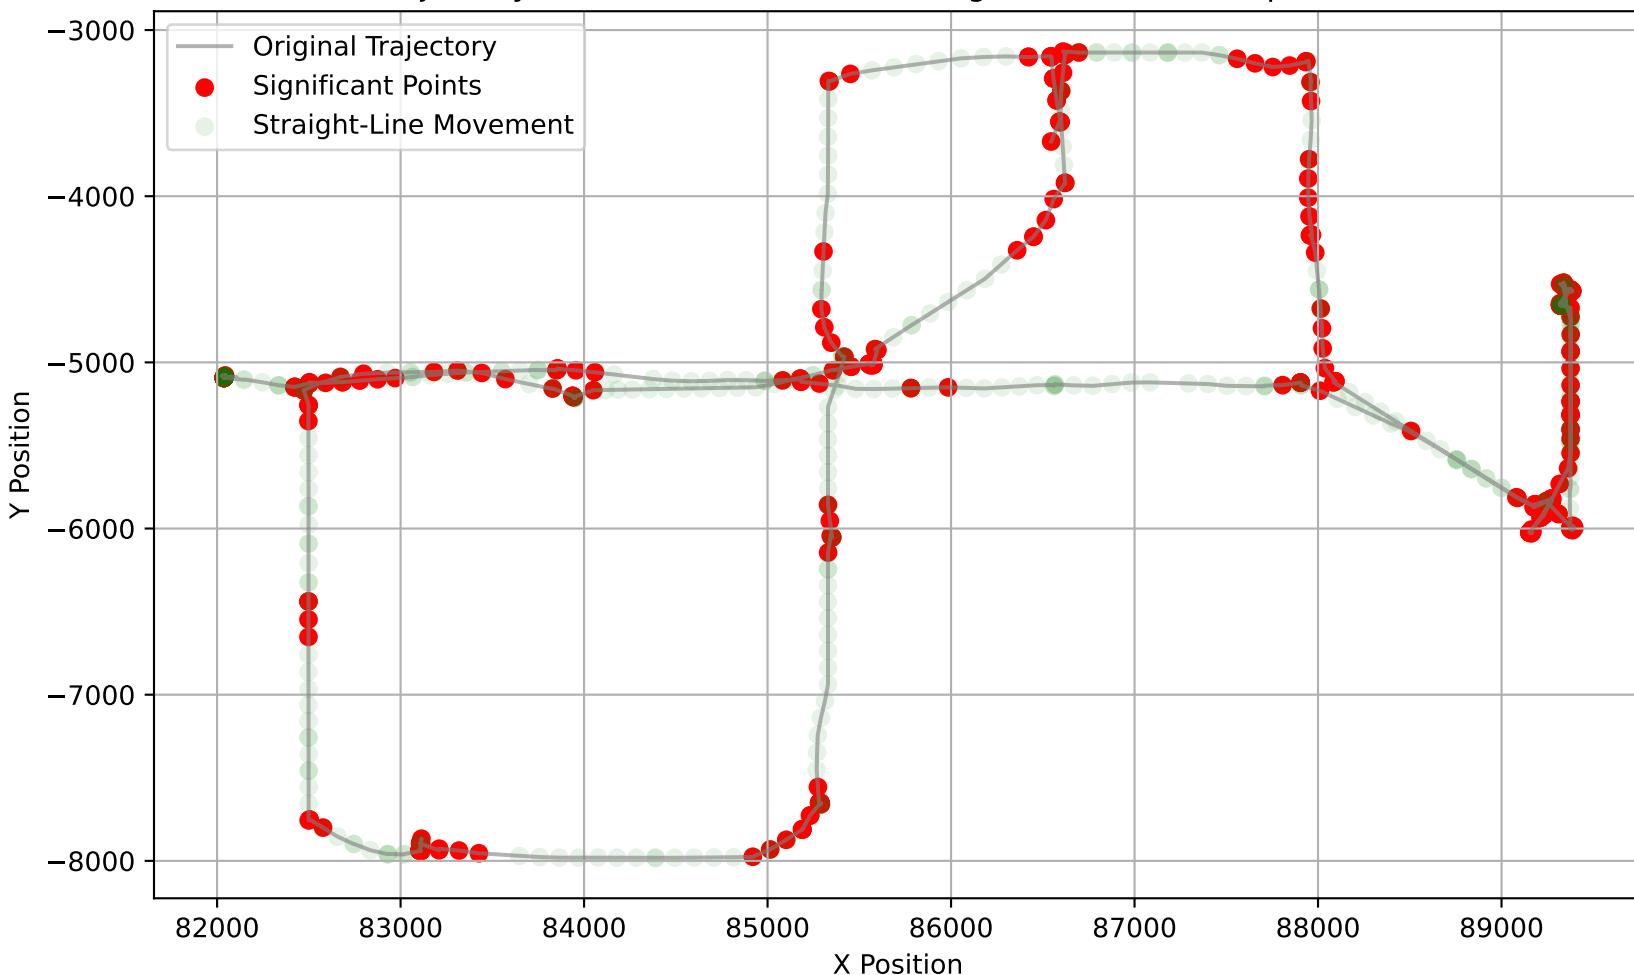

Trajectory with Validated Backtracking Moments (Participant 138)

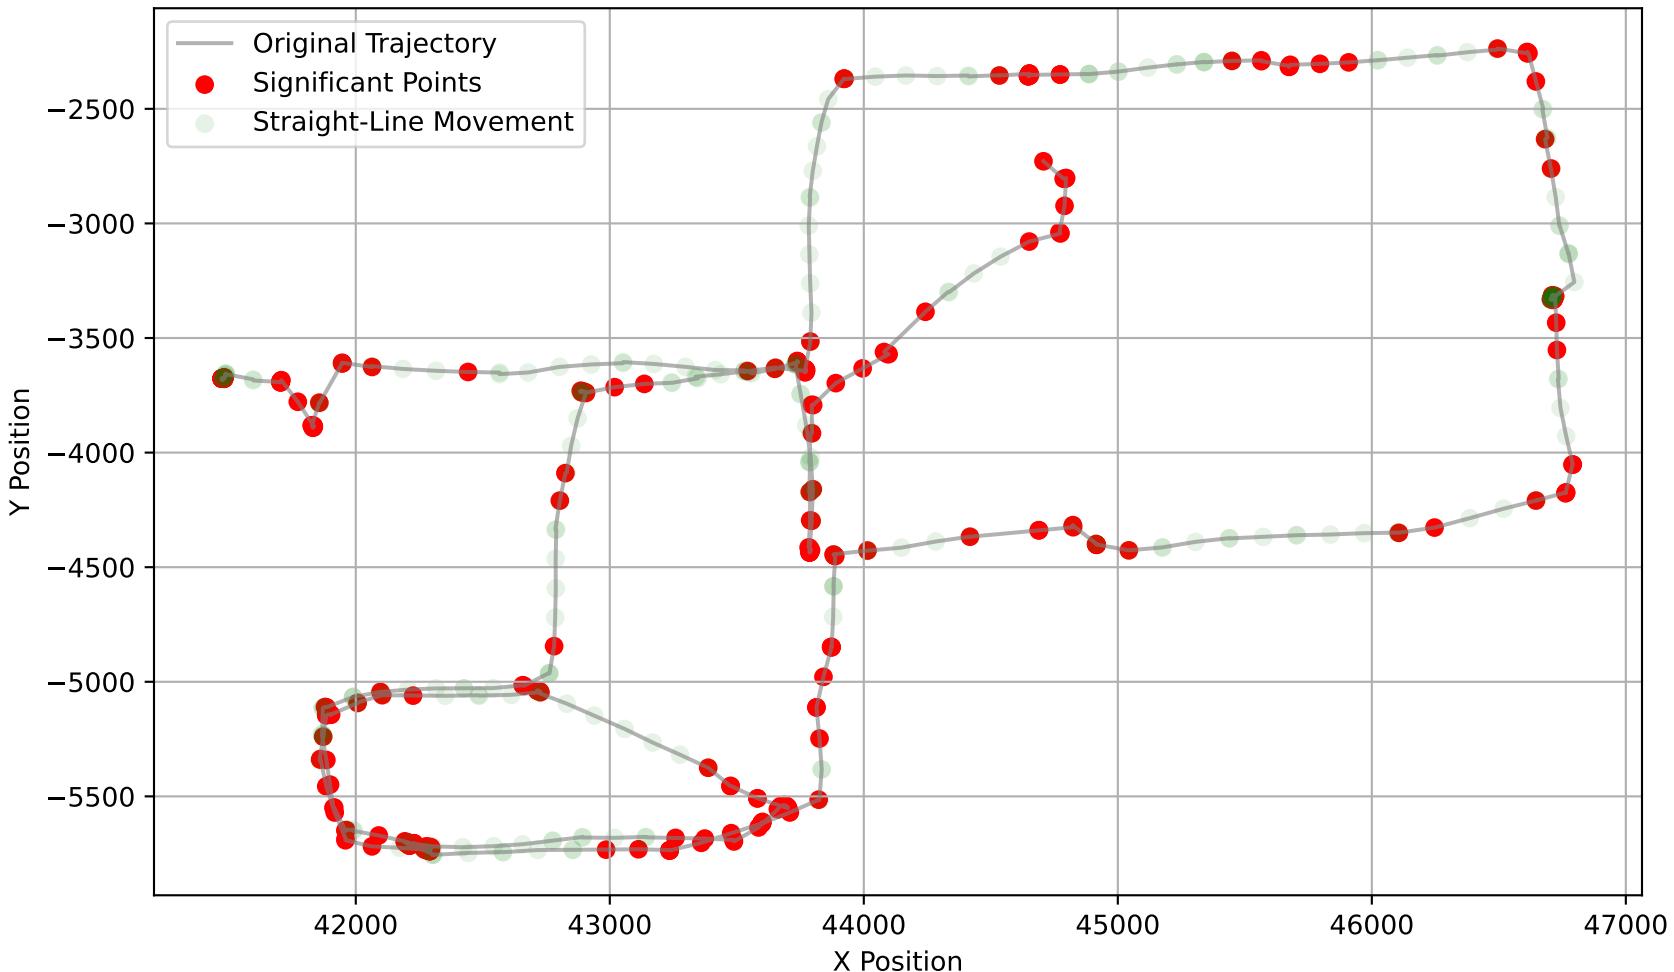

Trajectory with Validated Backtracking Moments (Participant 141)

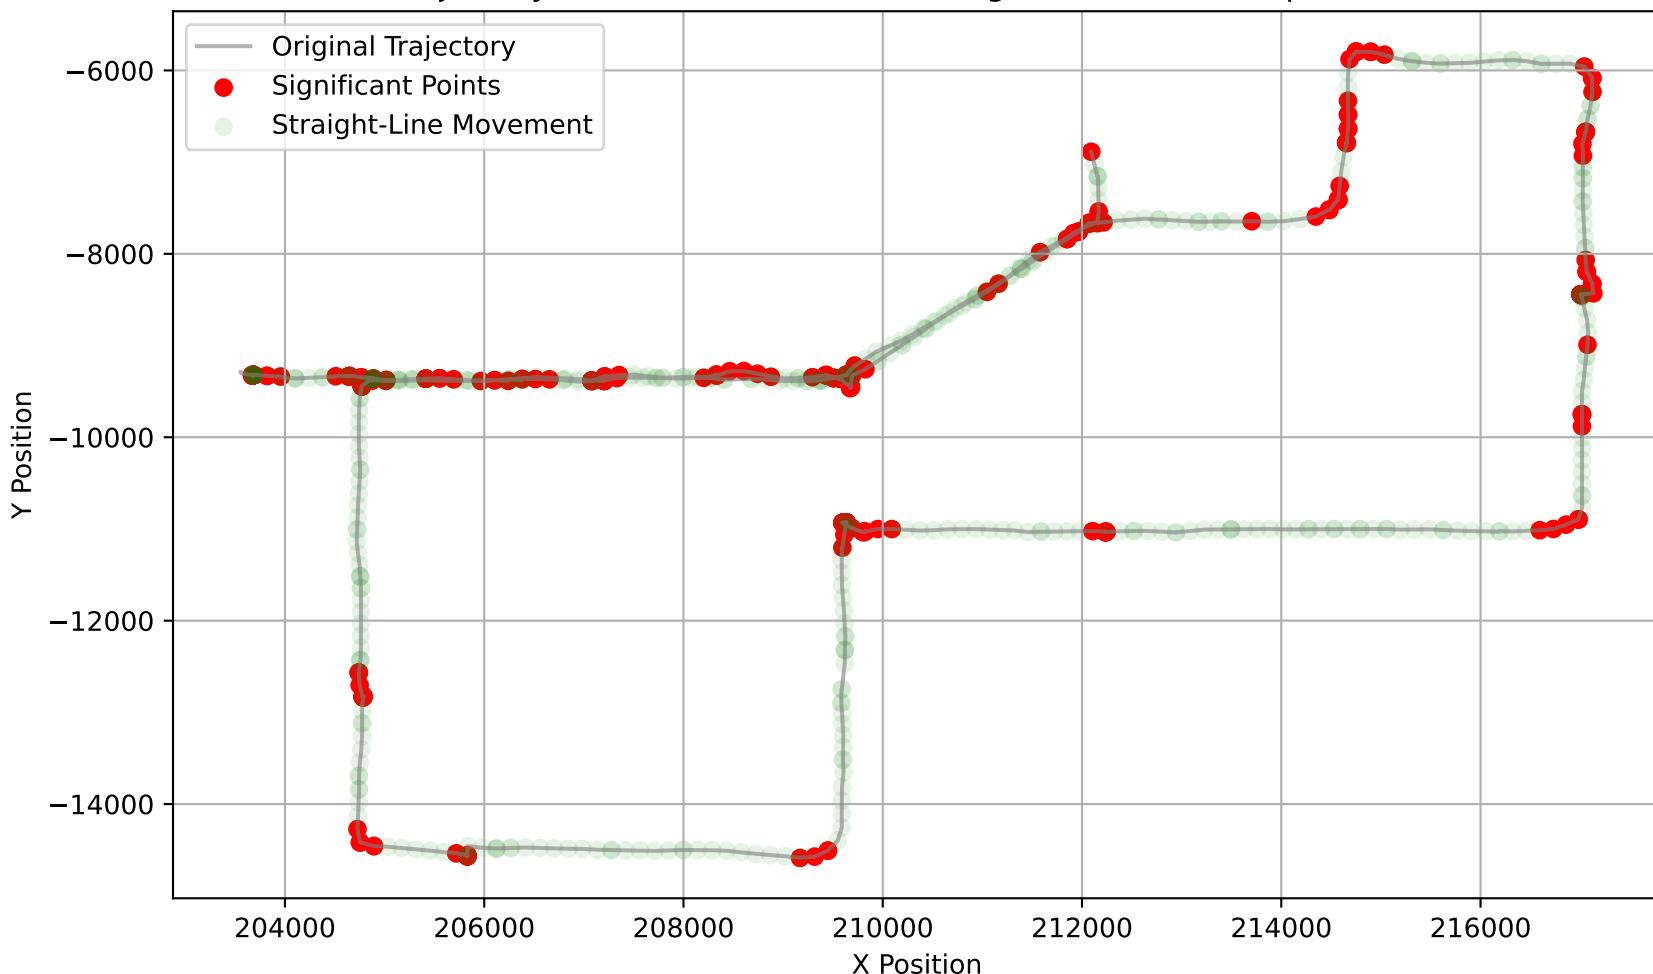

Trajectory with Validated Backtracking Moments (Participant 142)

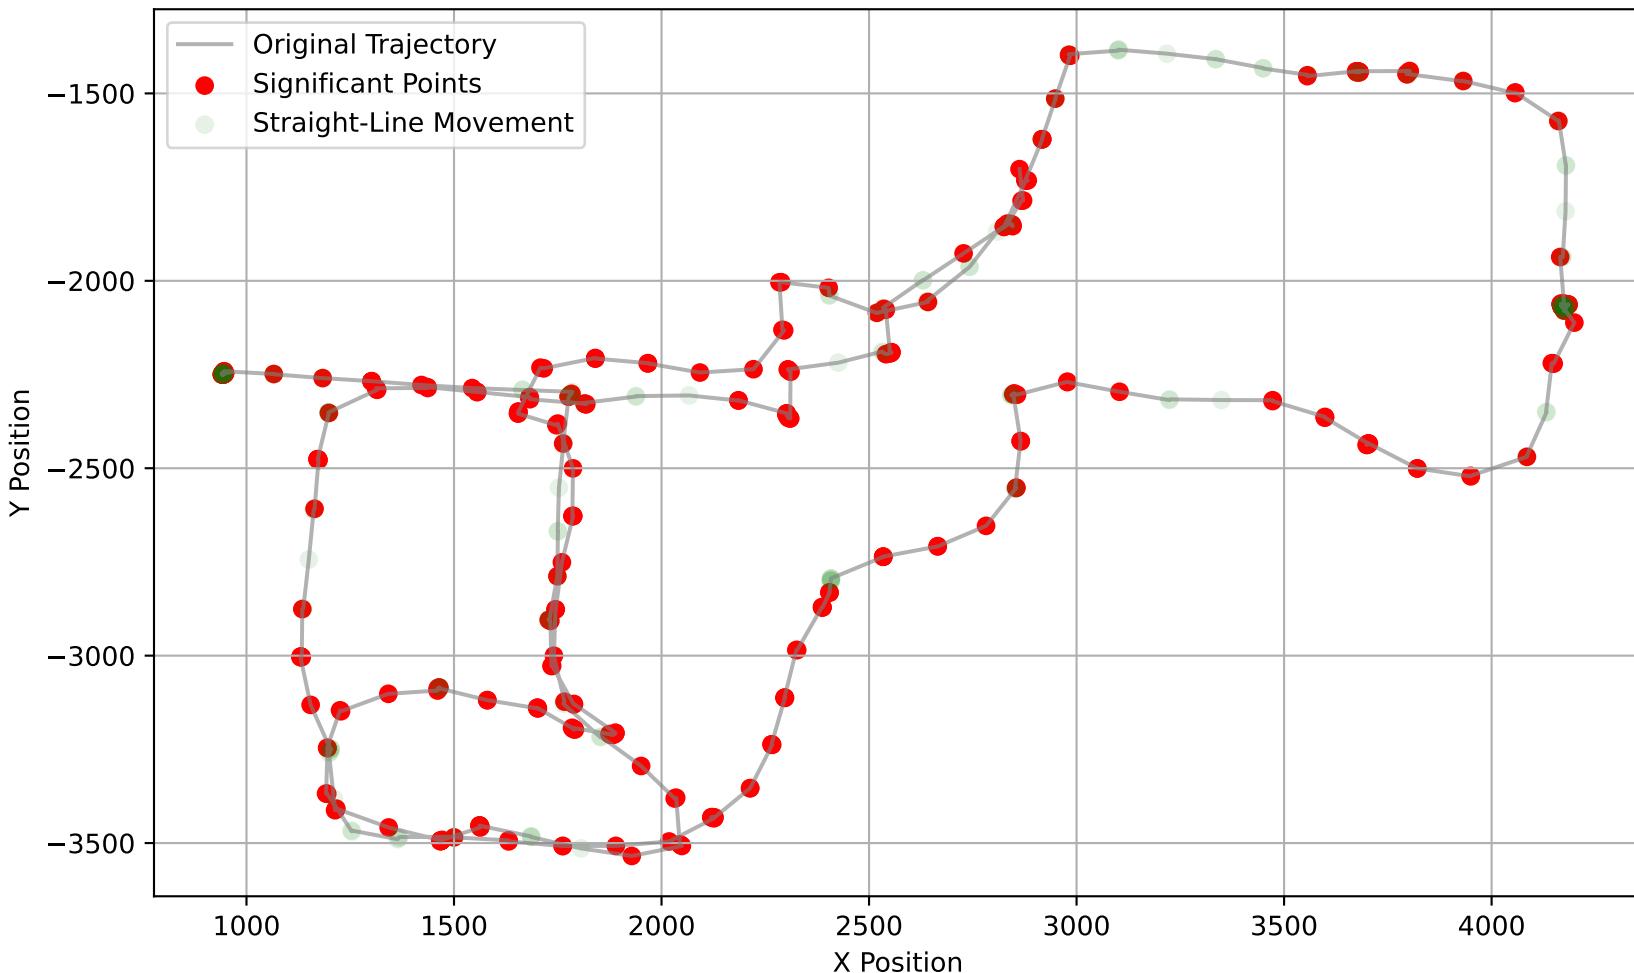

Trajectory with Validated Backtracking Moments (Participant 143)

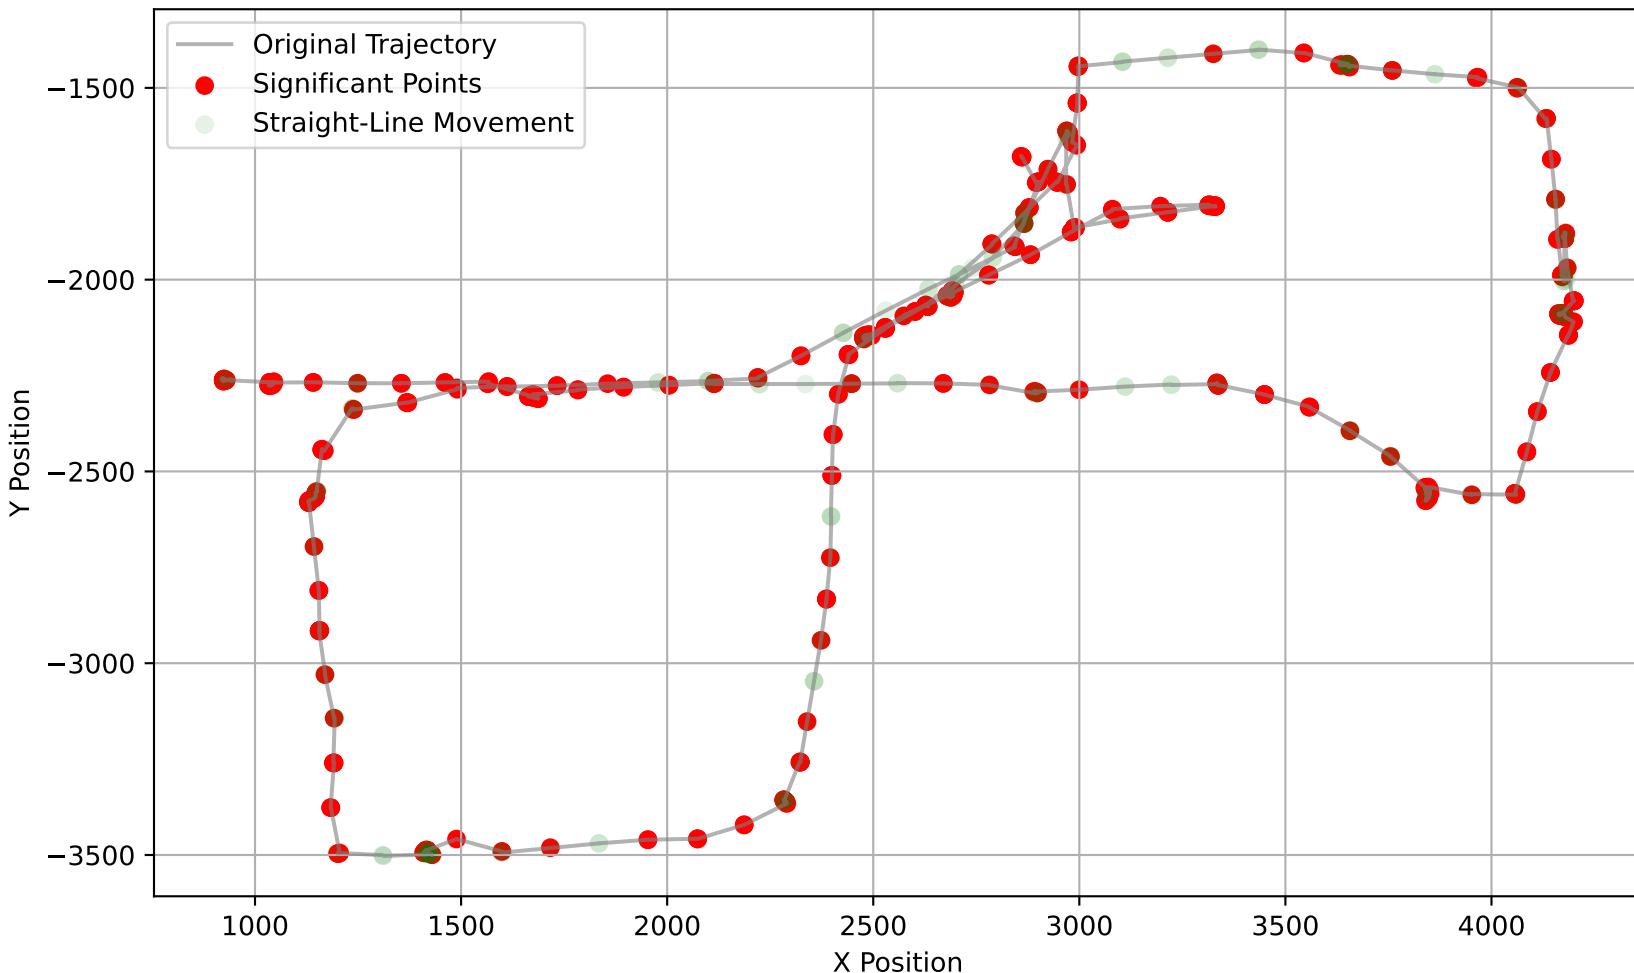

Trajectory with Validated Backtracking Moments (Participant 144)

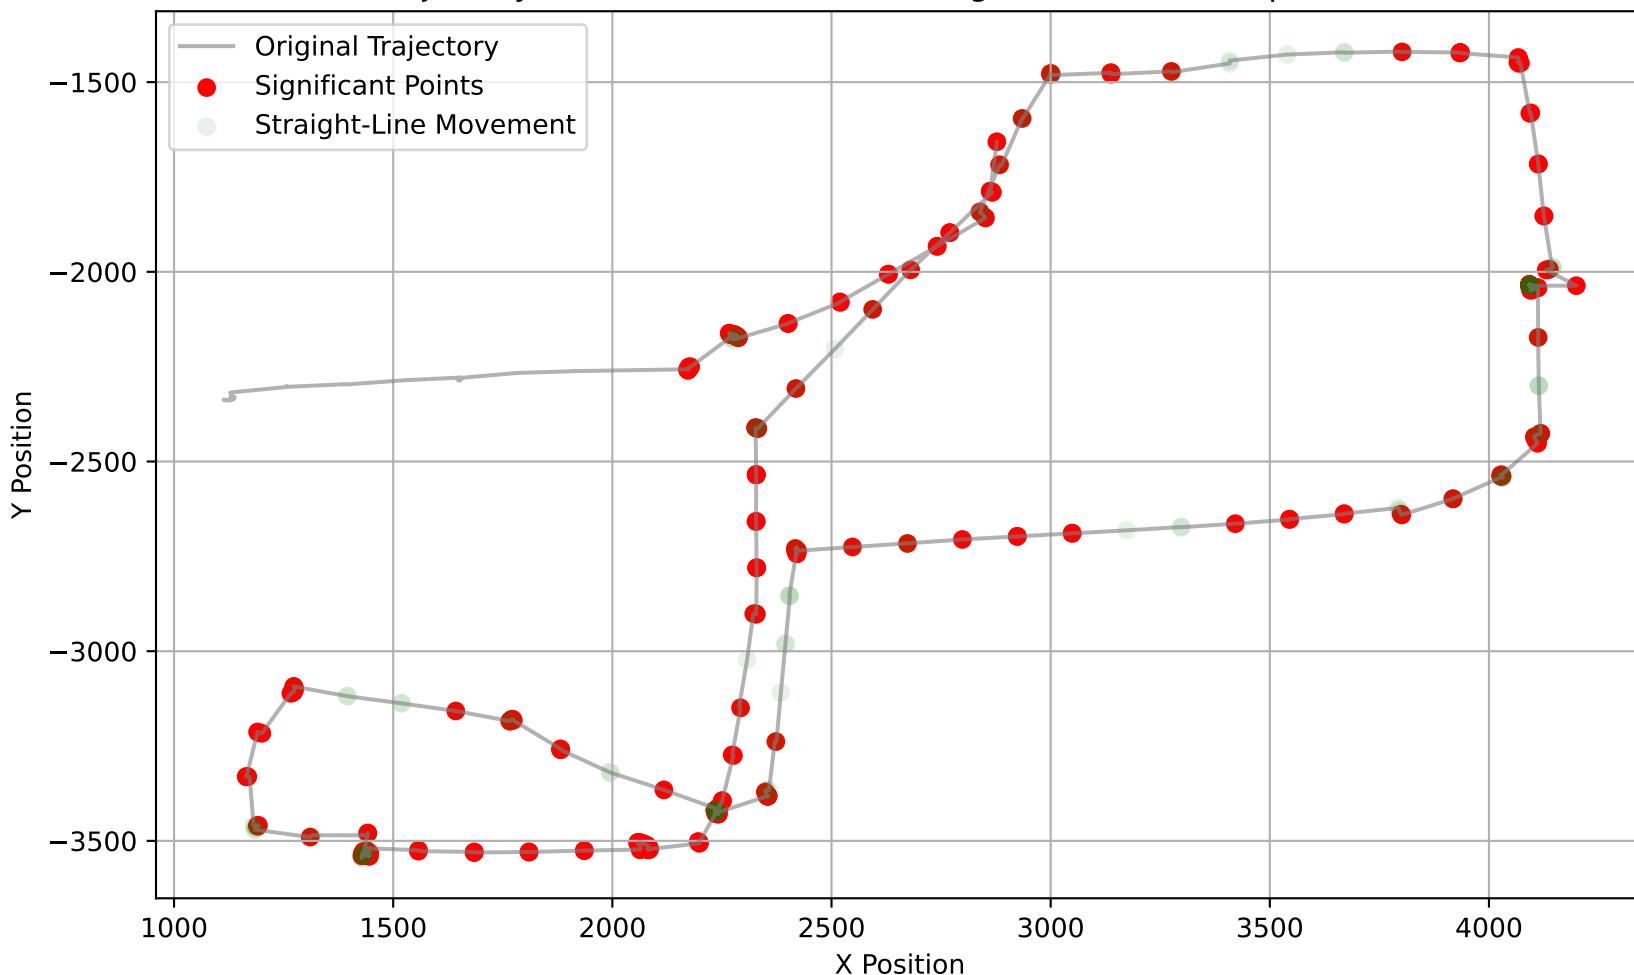

Trajectory with Validated Backtracking Moments (Participant 145)

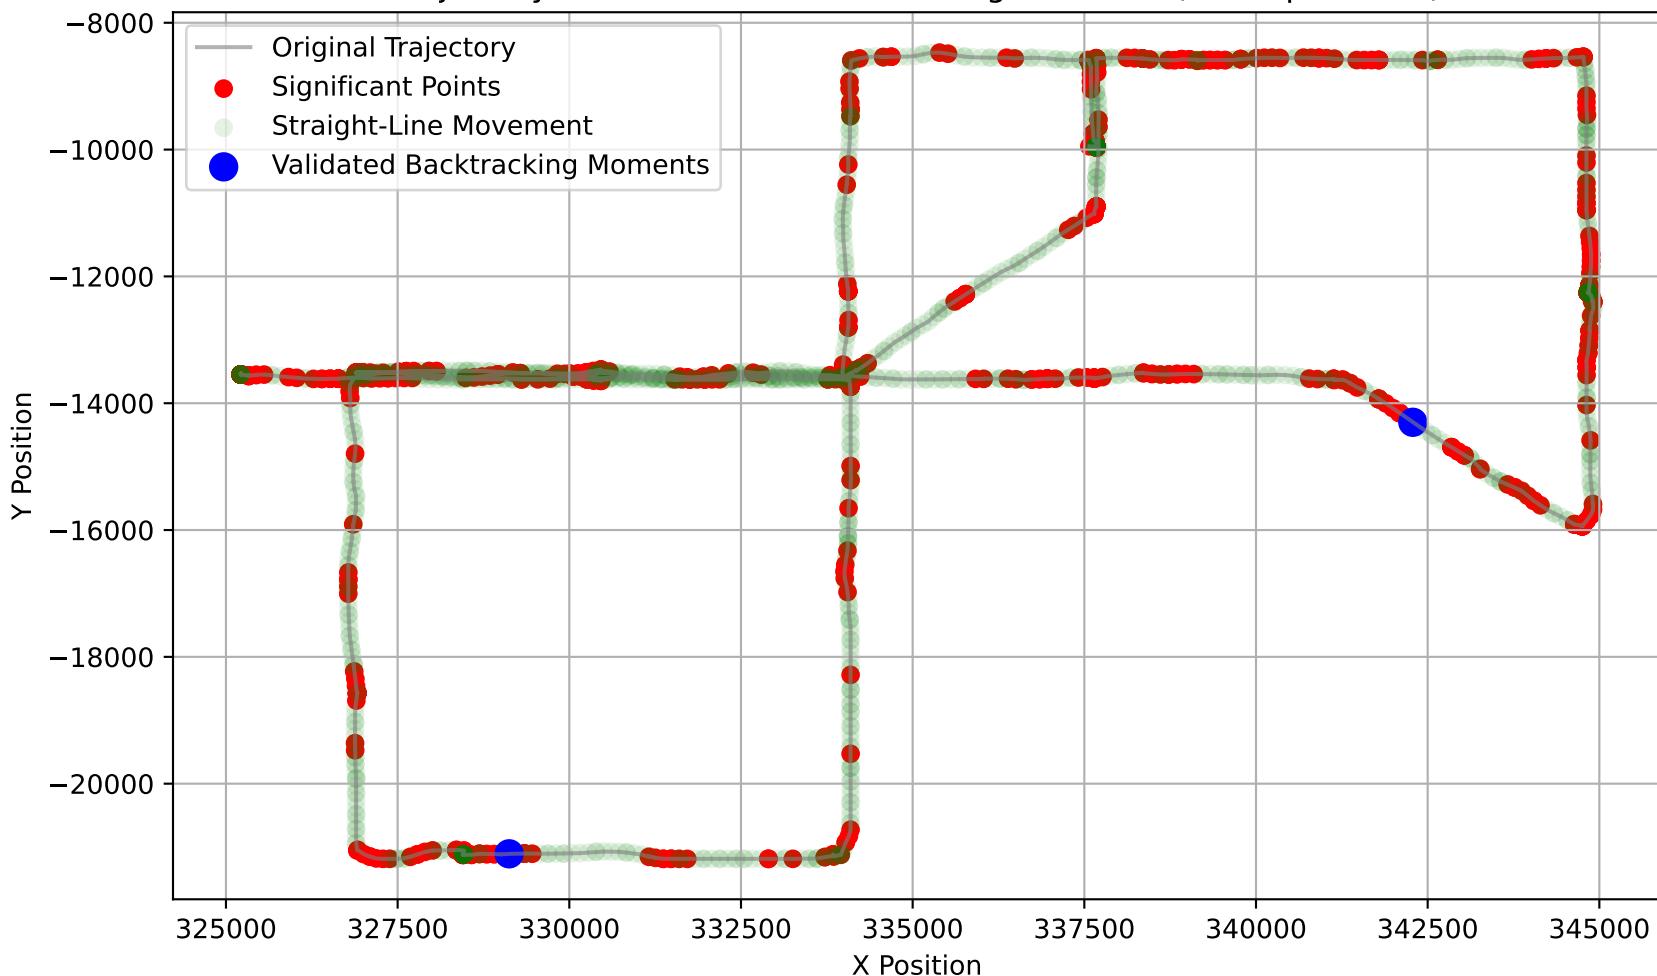

Trajectory with Validated Backtracking Moments (Participant 146)

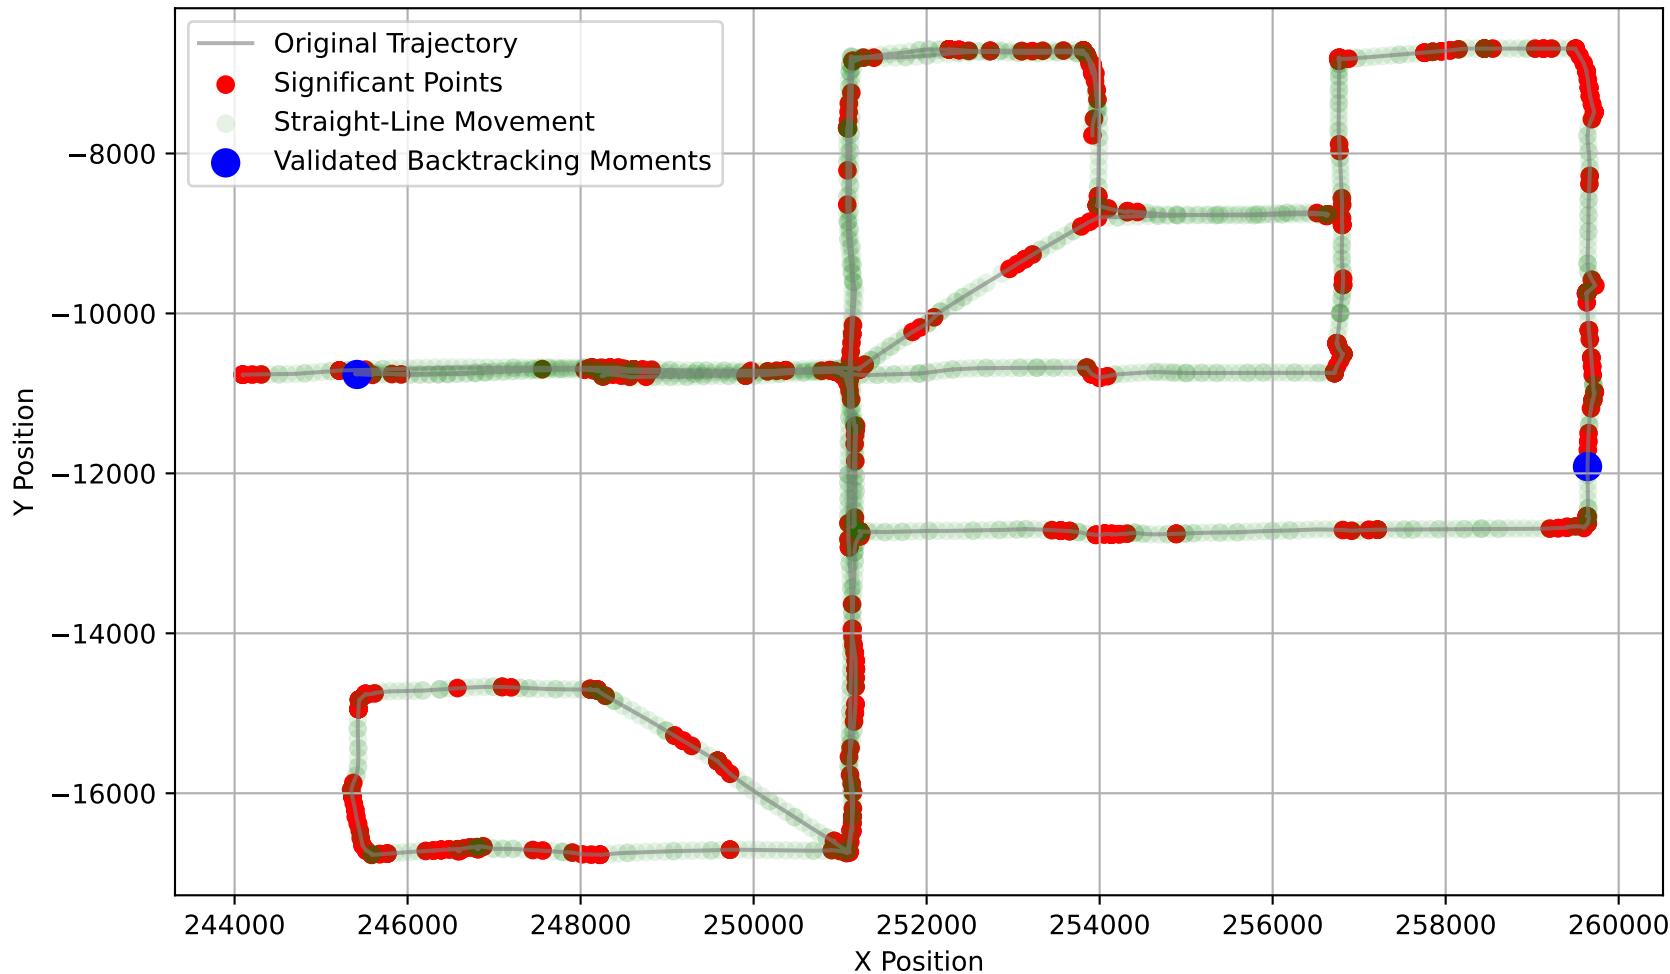

Trajectory with Validated Backtracking Moments (Participant 148)

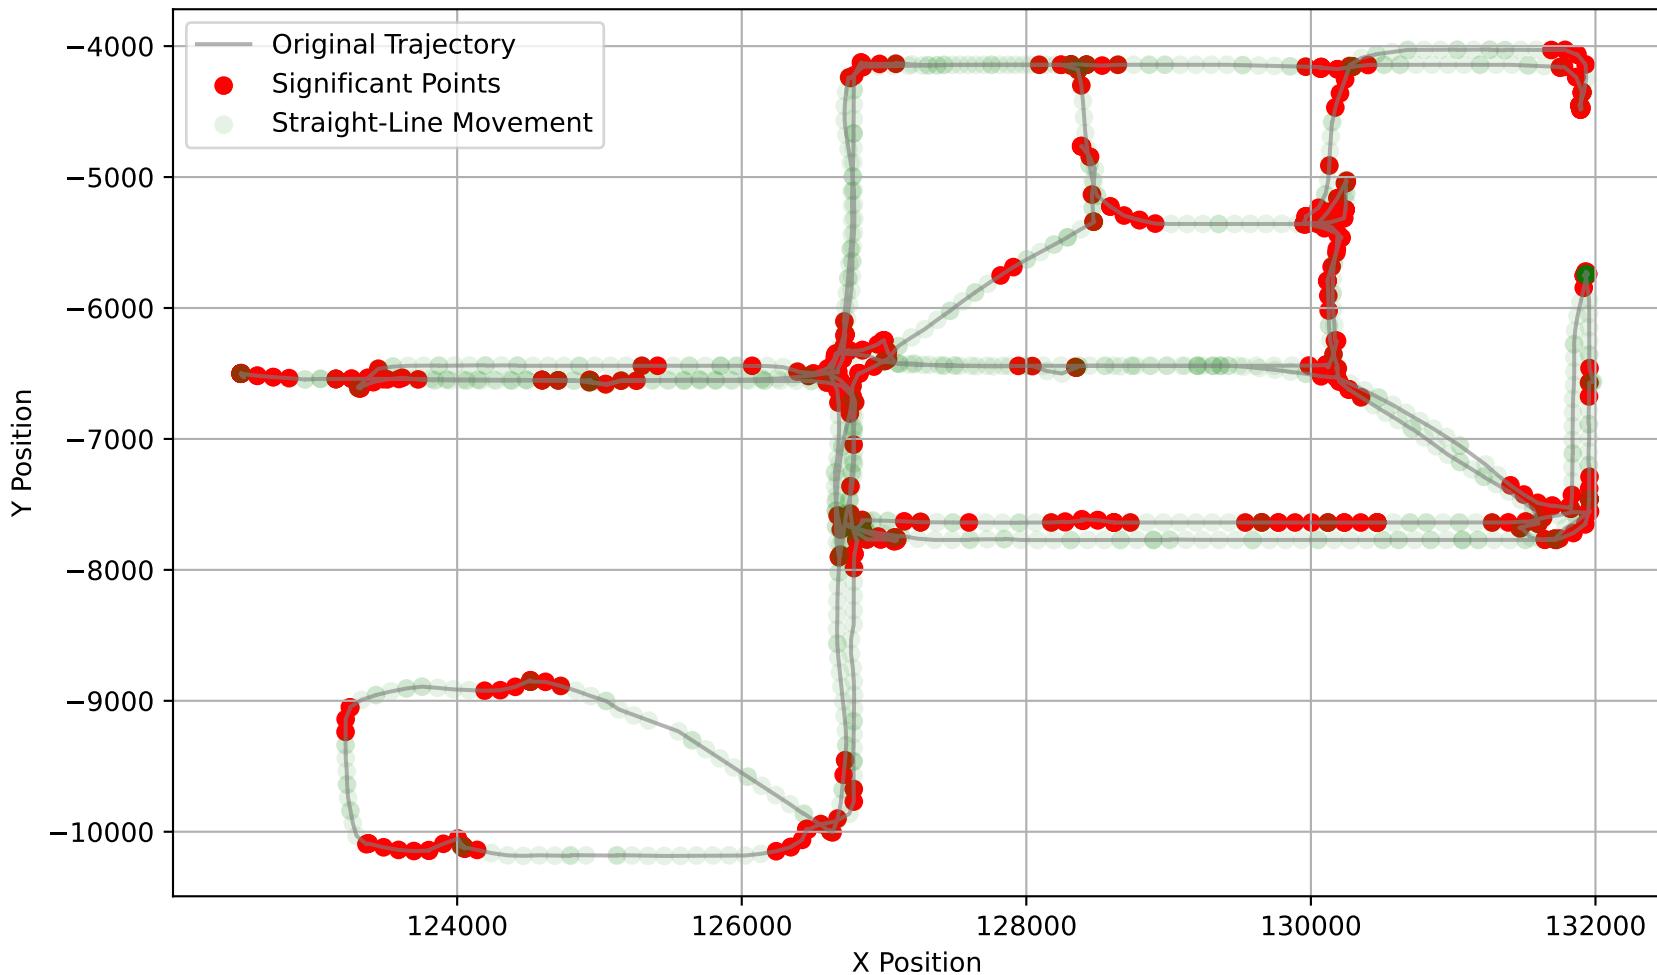

Trajectory with Validated Backtracking Moments (Participant 150)

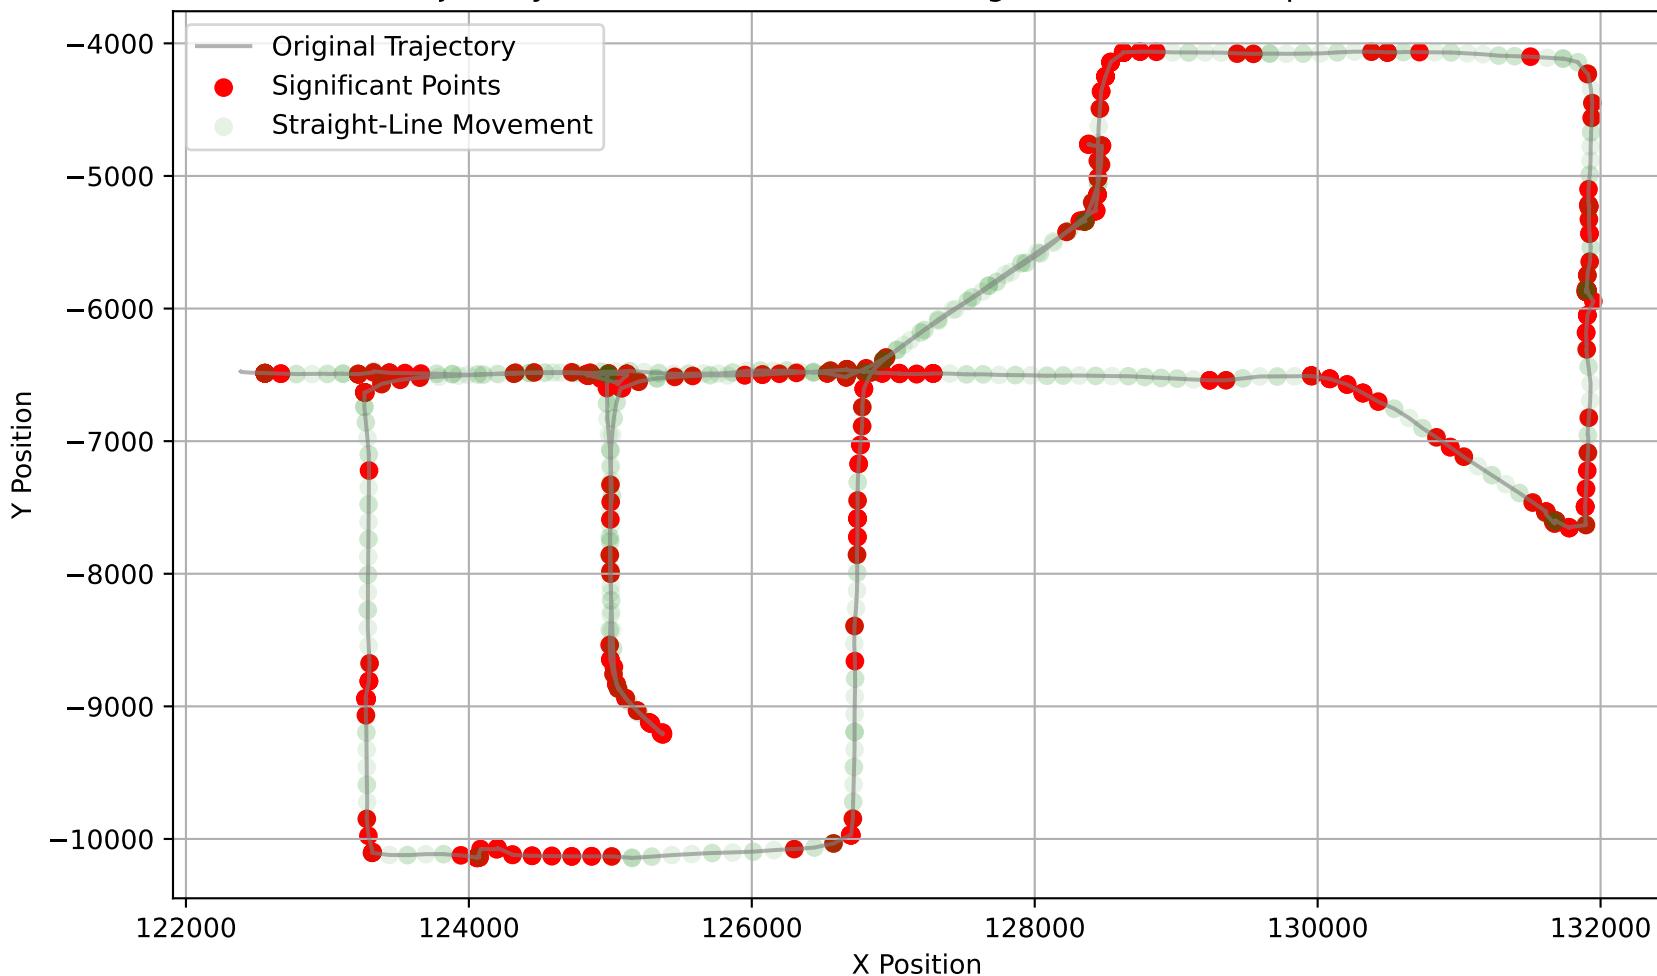

Trajectory with Validated Backtracking Moments (Participant 151)

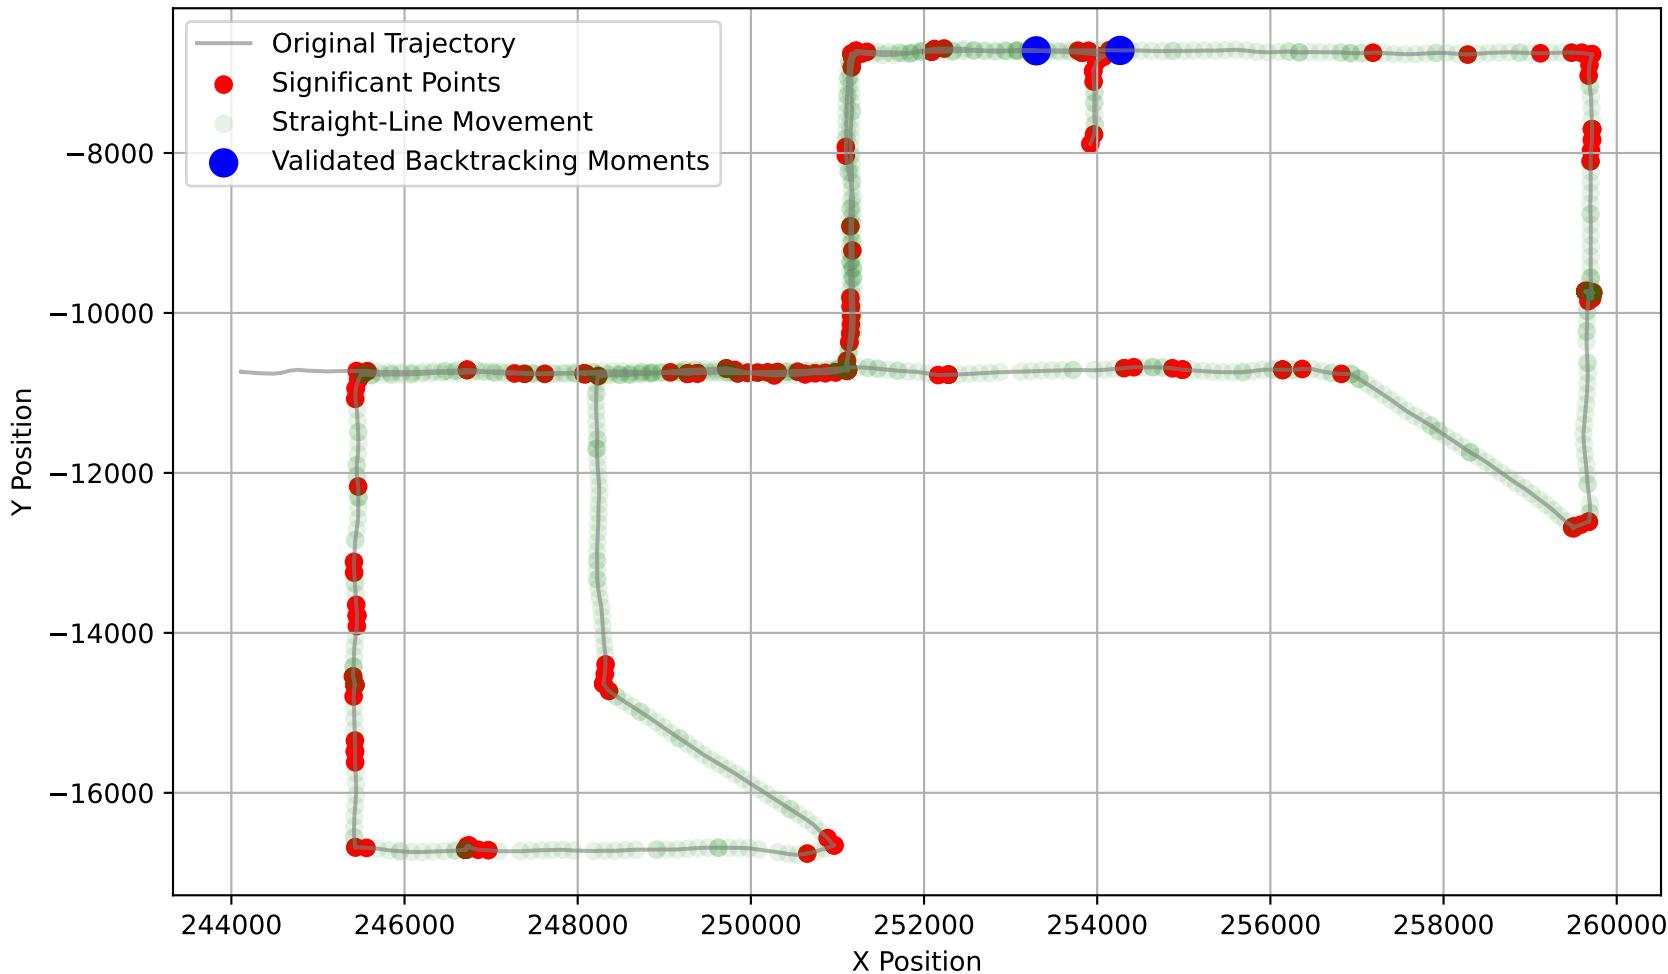

Trajectory with Validated Backtracking Moments (Participant 152)

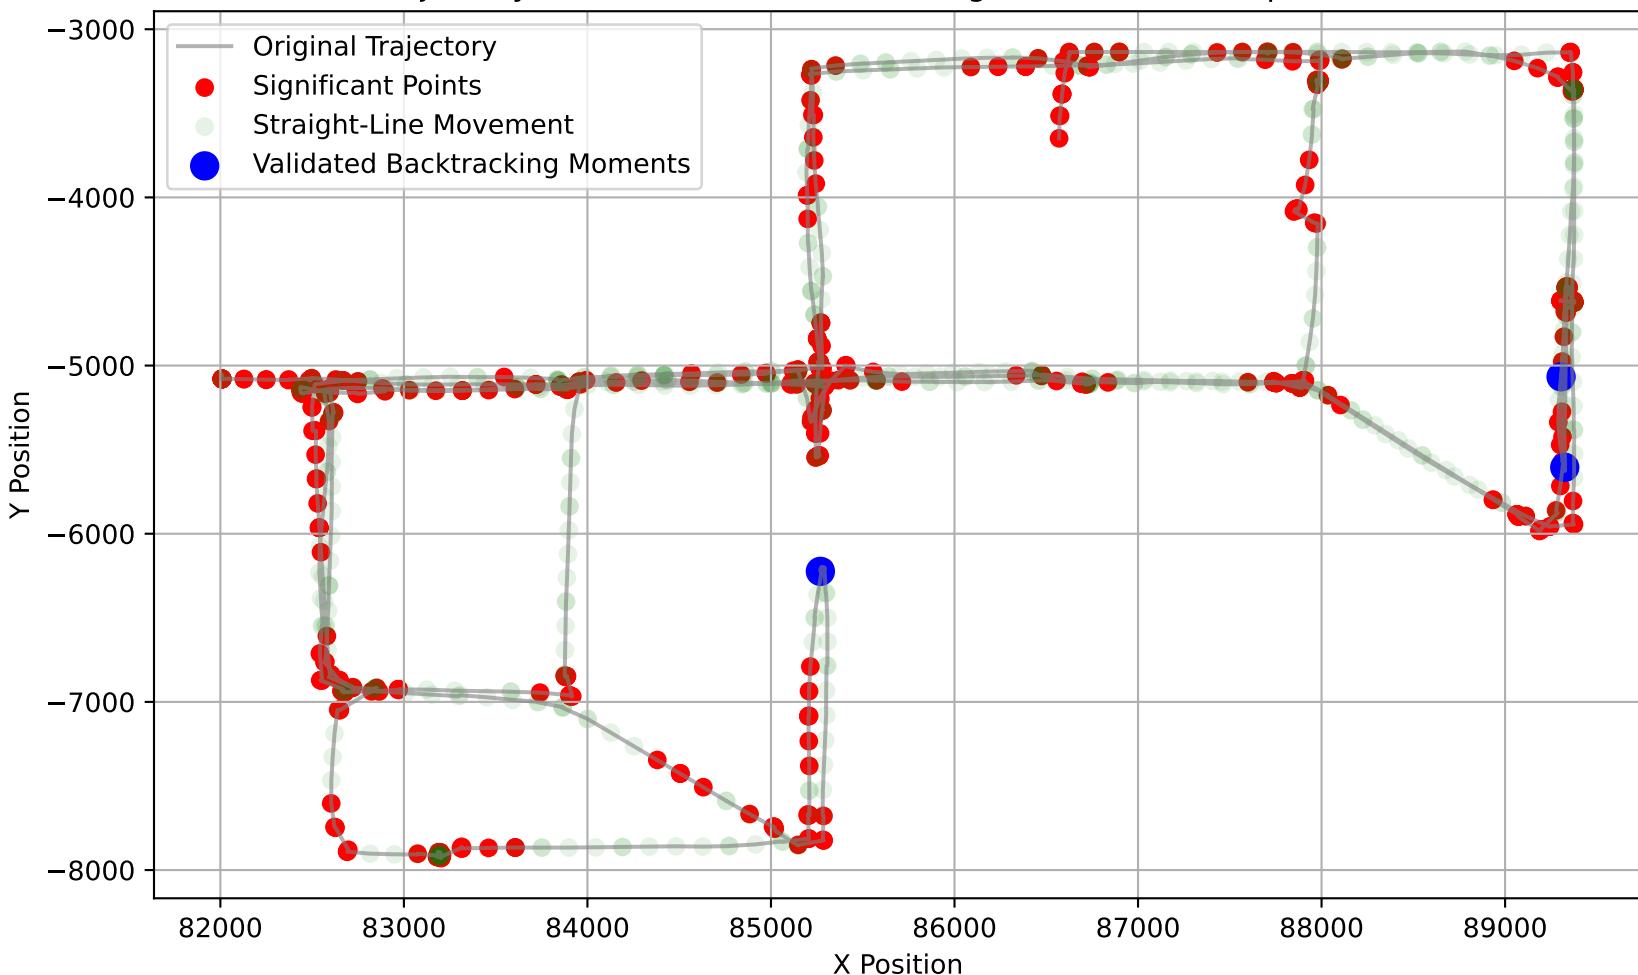

Trajectory with Validated Backtracking Moments (Participant 154)

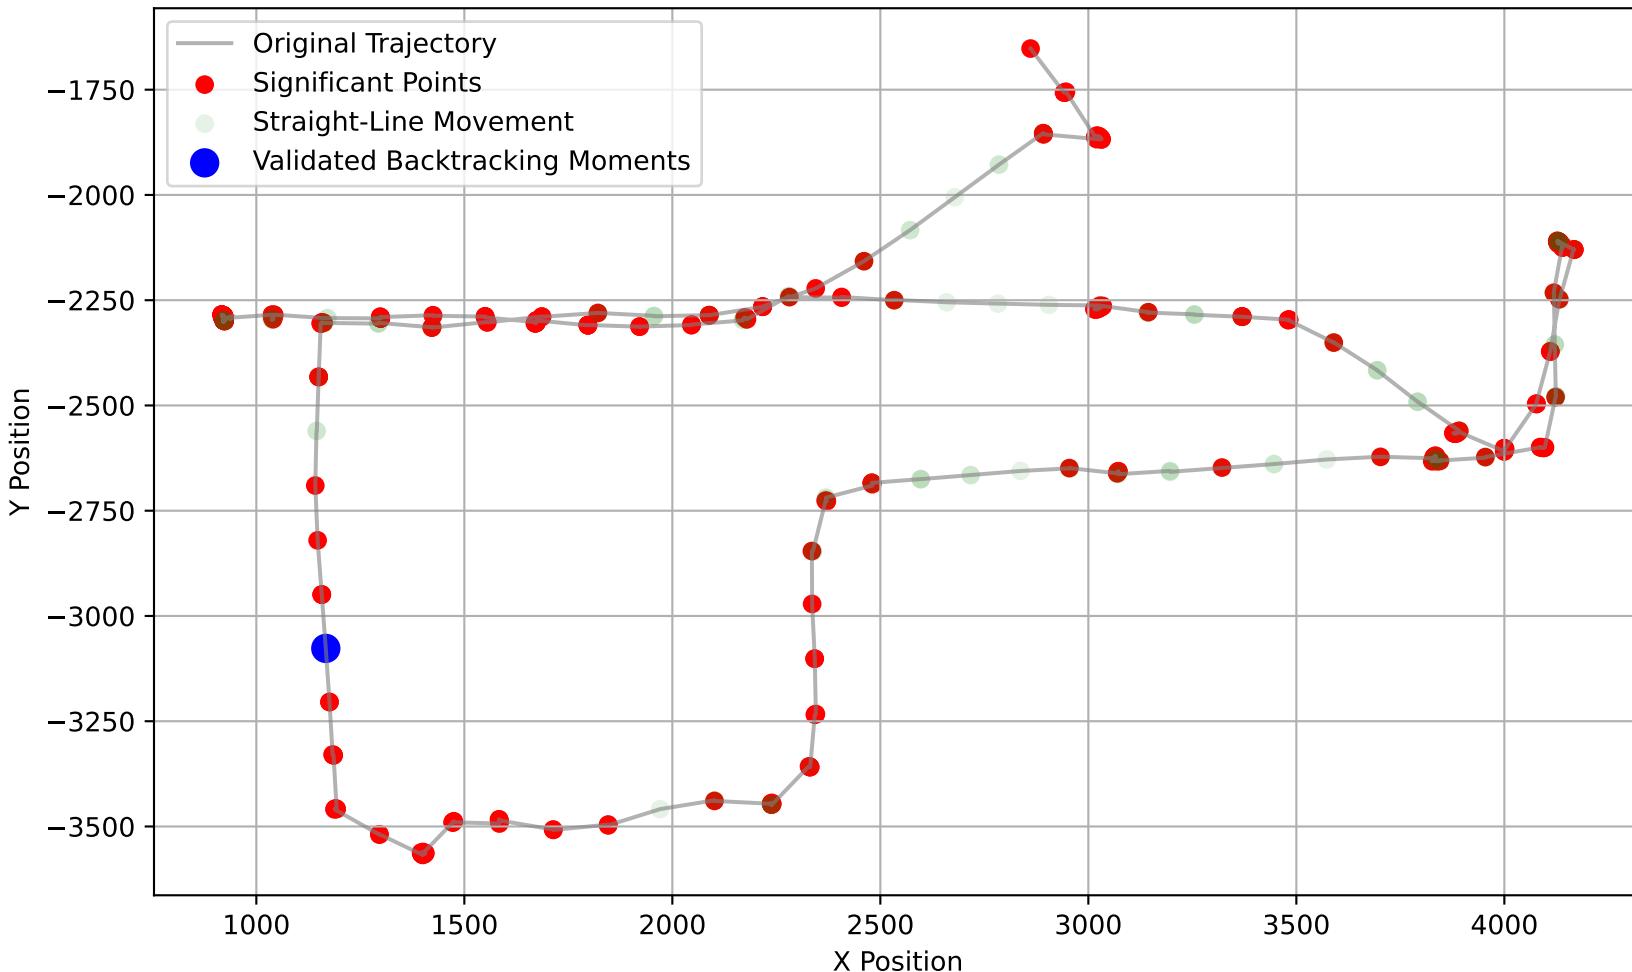

Trajectory with Validated Backtracking Moments (Participant 155)

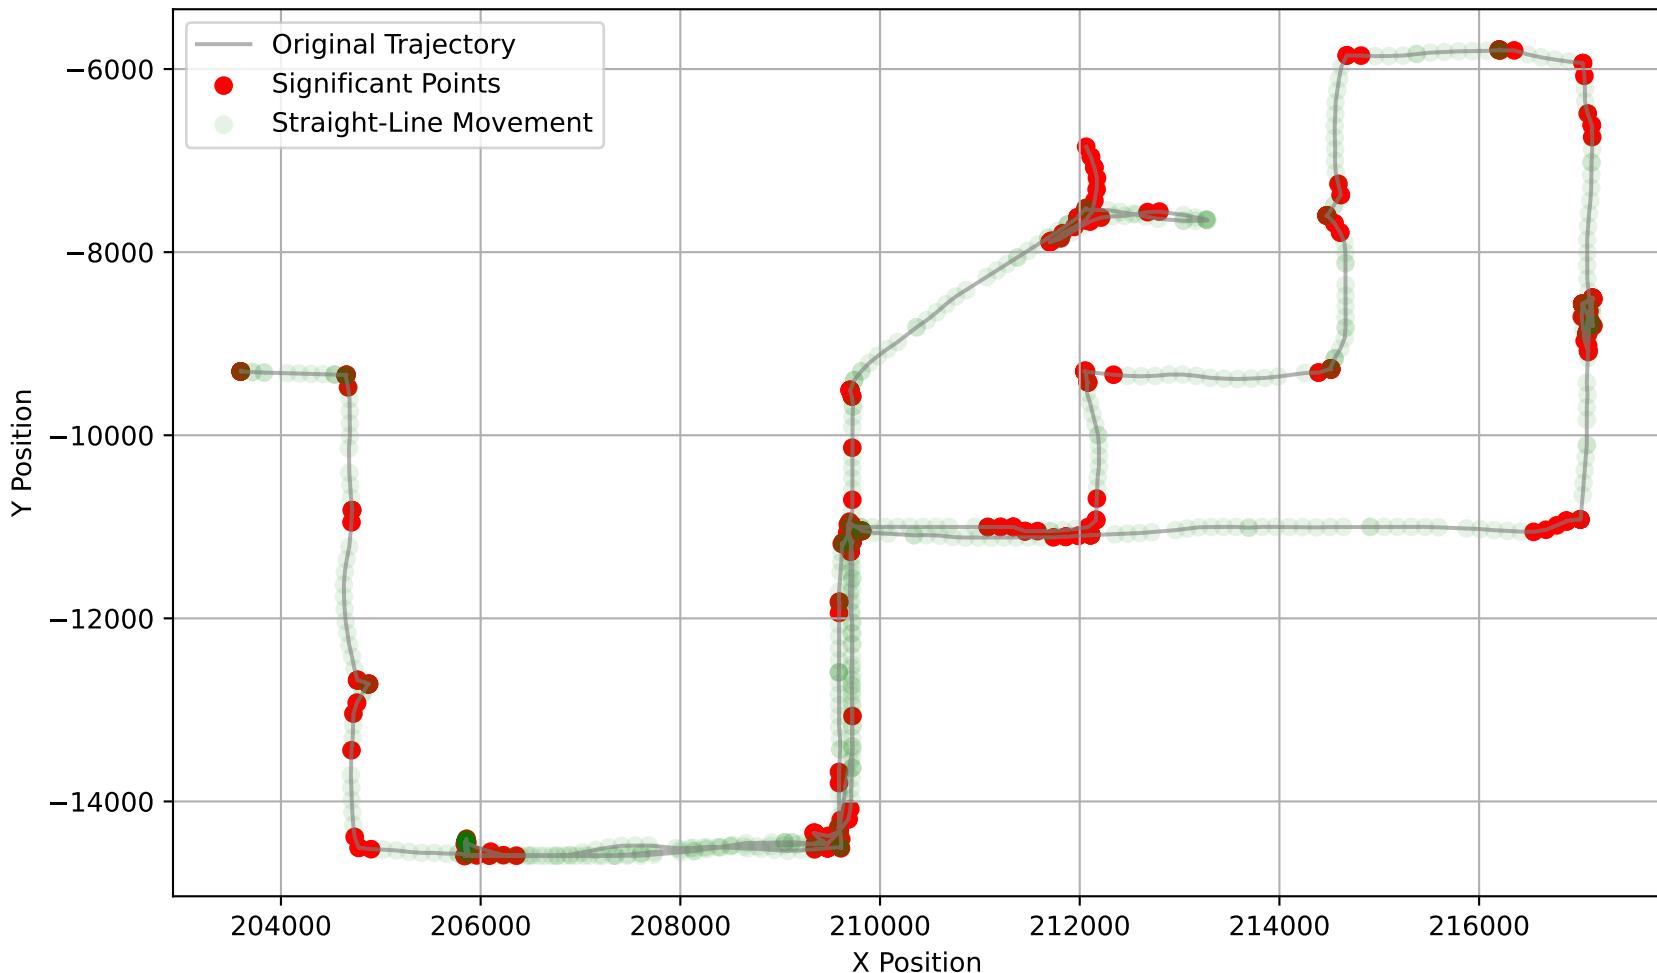

Trajectory with Validated Backtracking Moments (Participant 156)

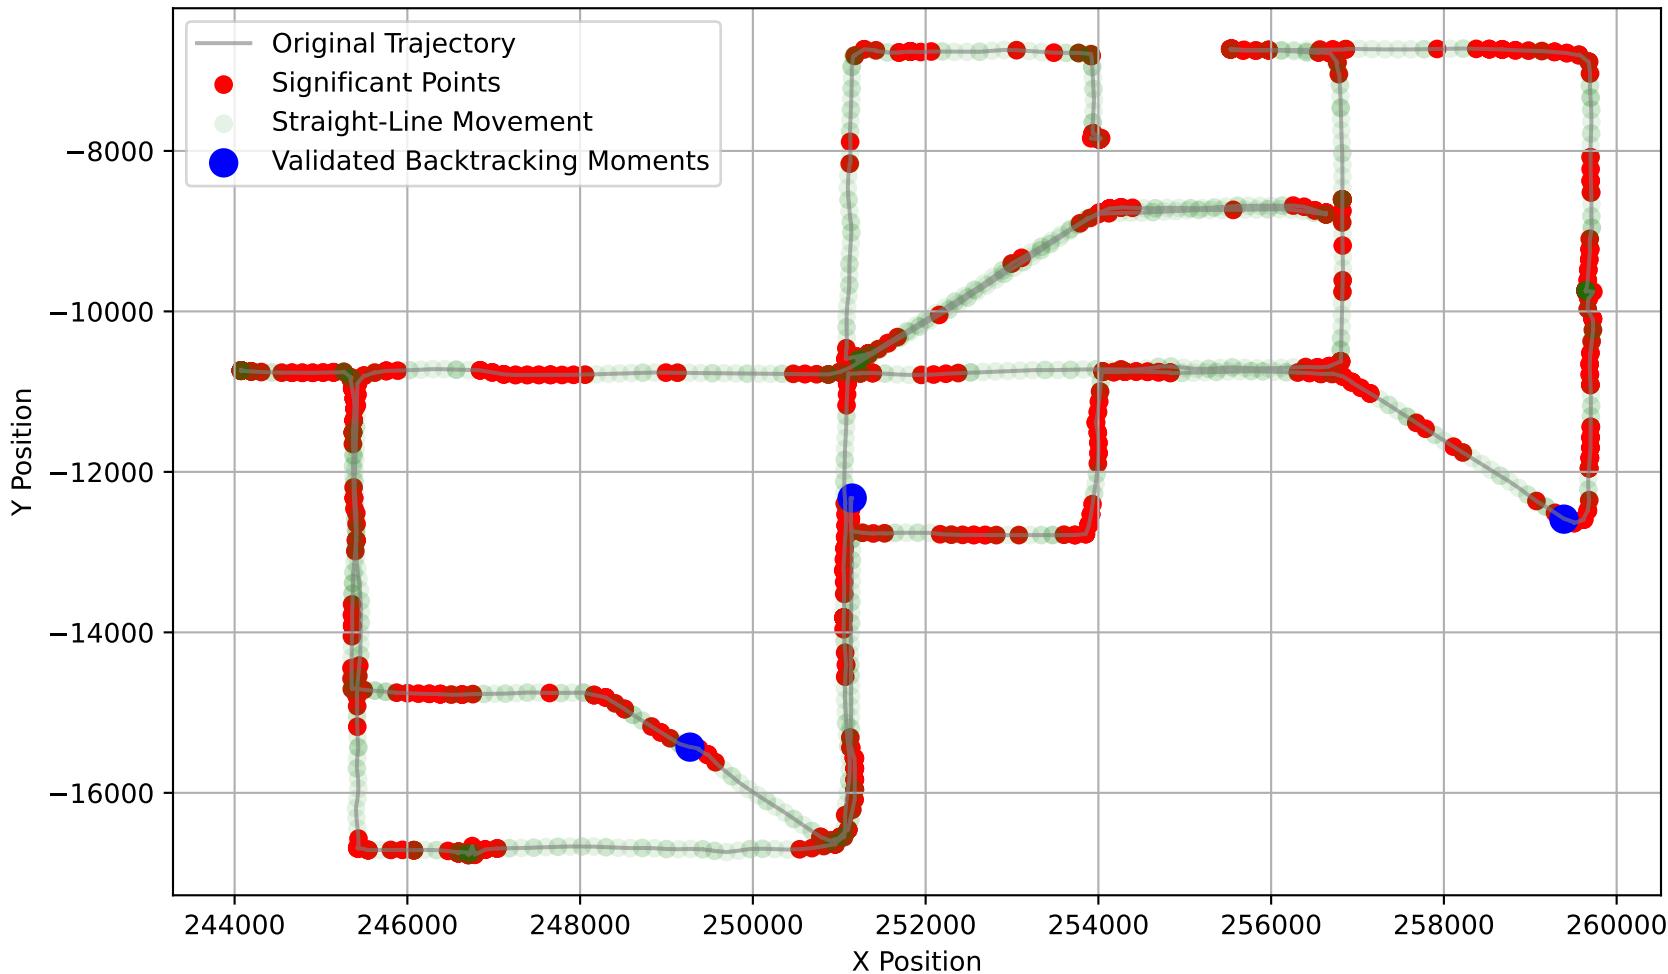

Trajectory with Validated Backtracking Moments (Participant 157)

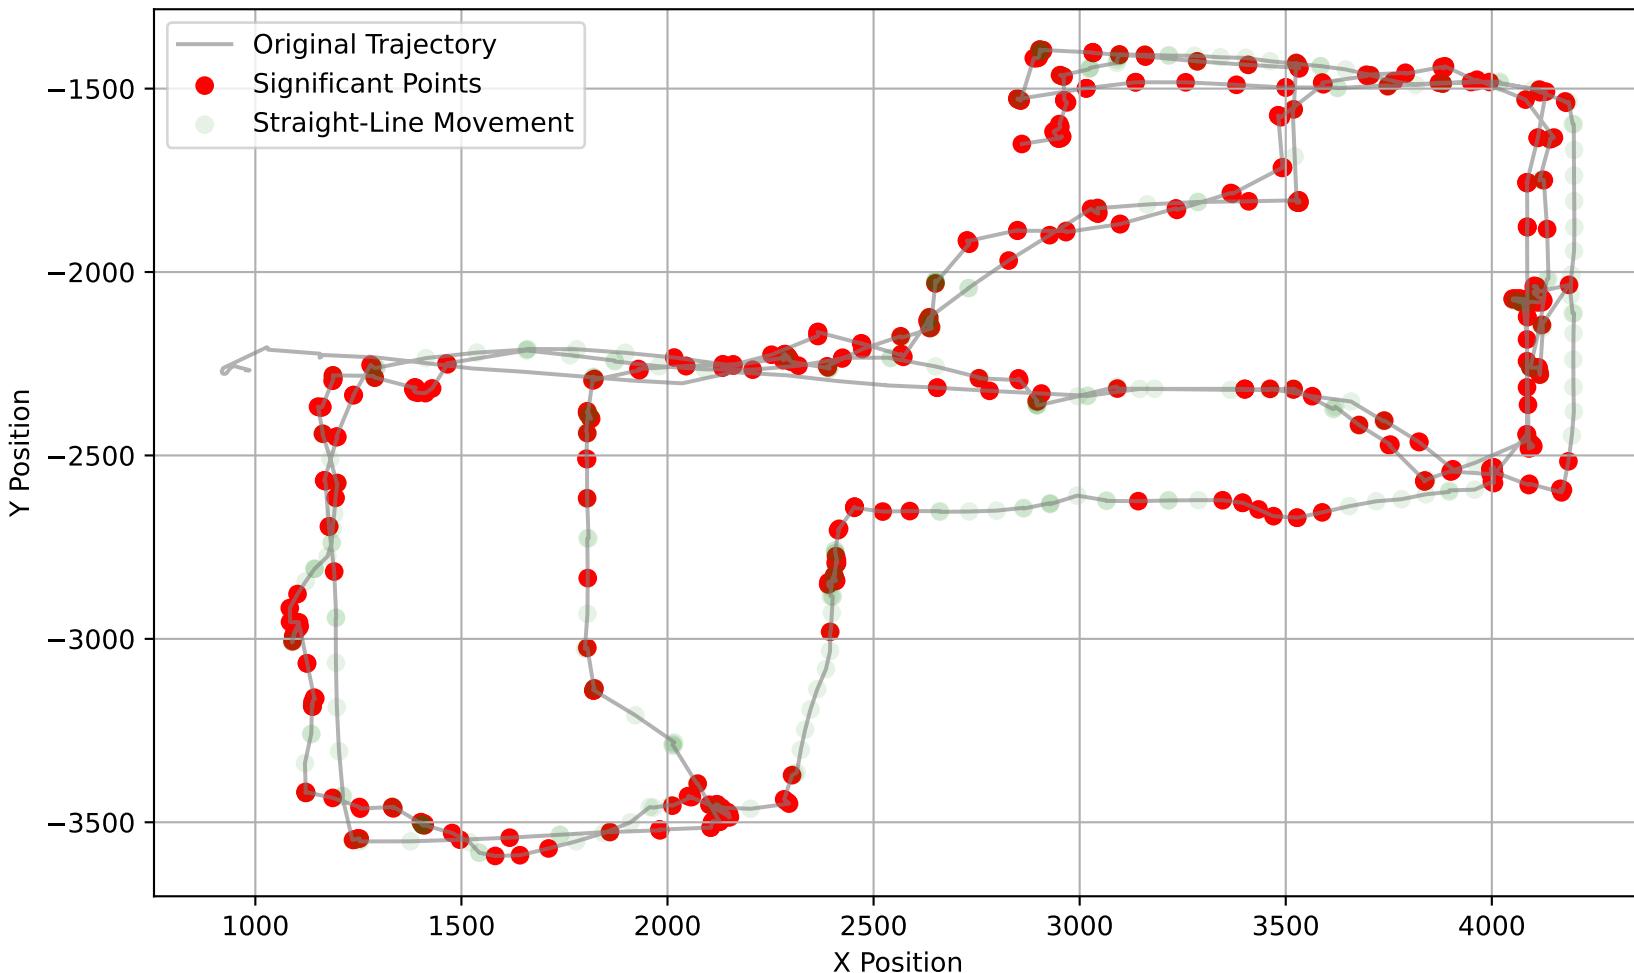

Trajectory with Validated Backtracking Moments (Participant 158)

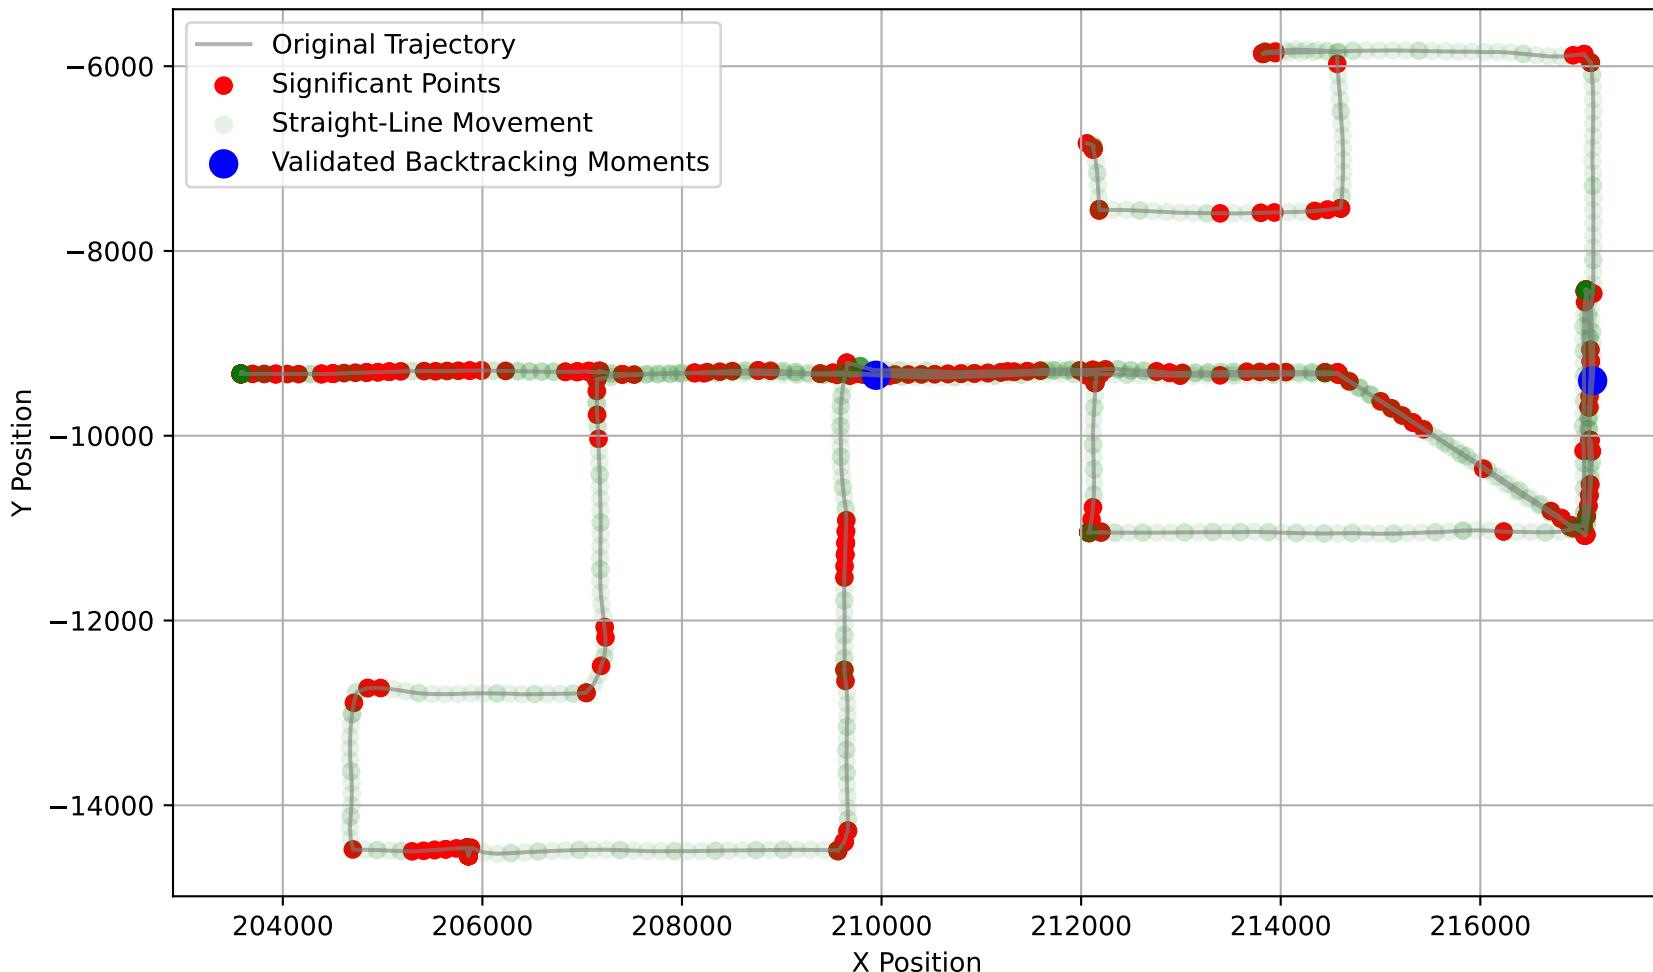

Trajectory with Validated Backtracking Moments (Participant 159)

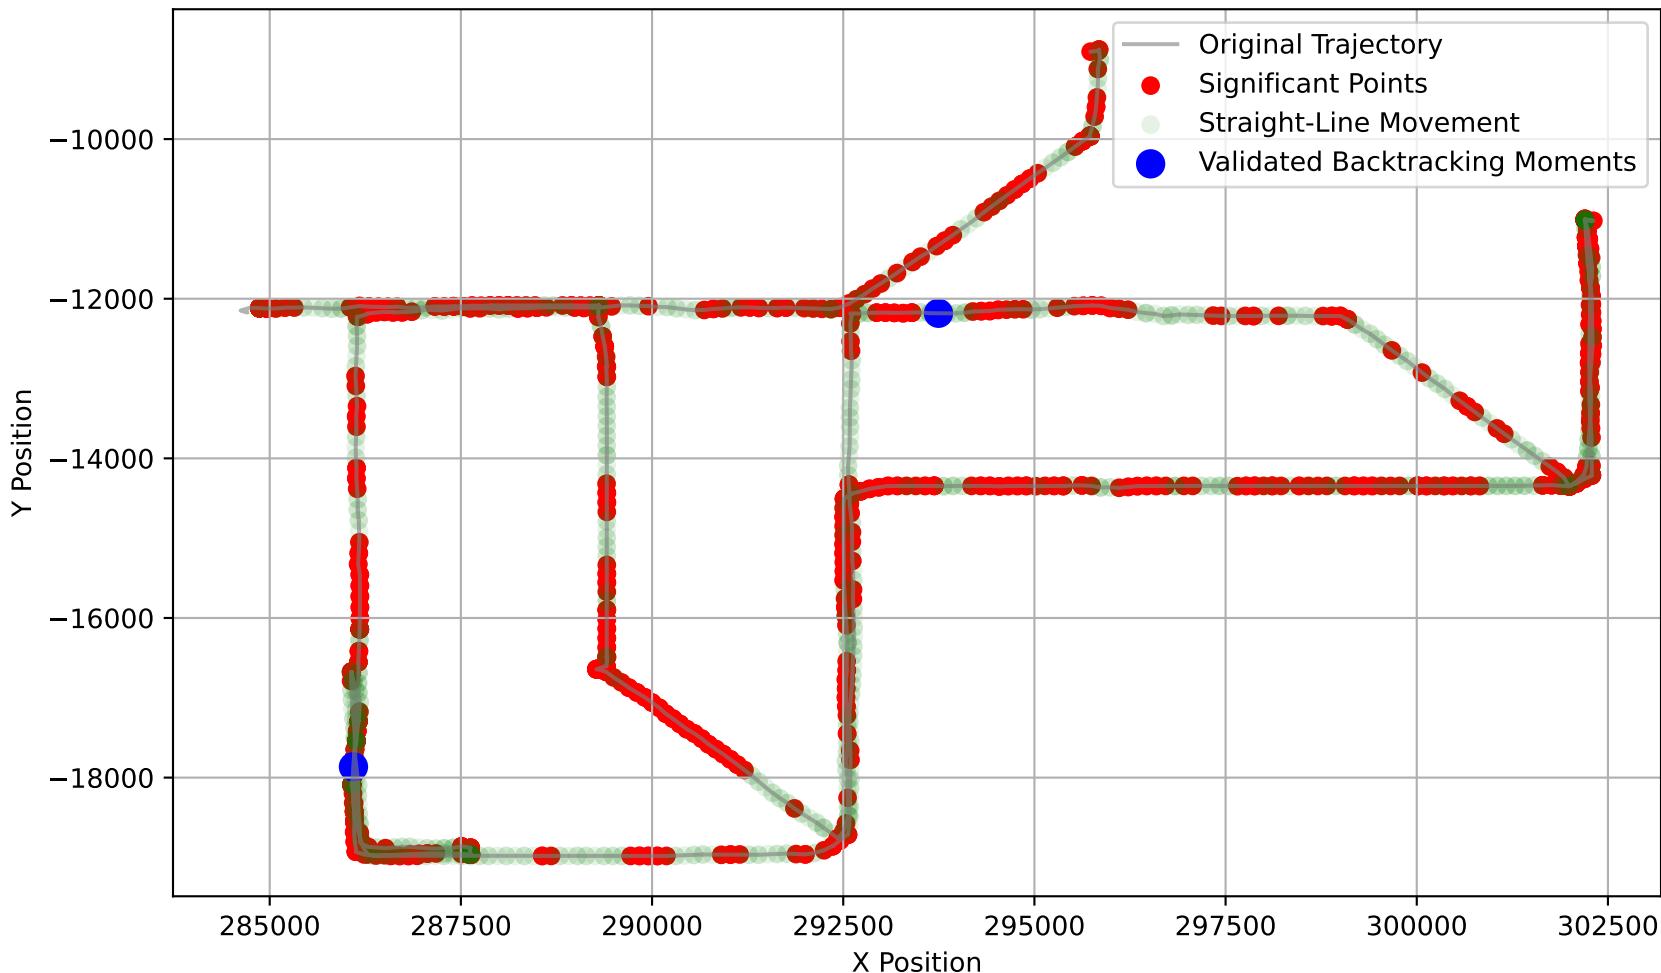

Trajectory with Validated Backtracking Moments (Participant 161)

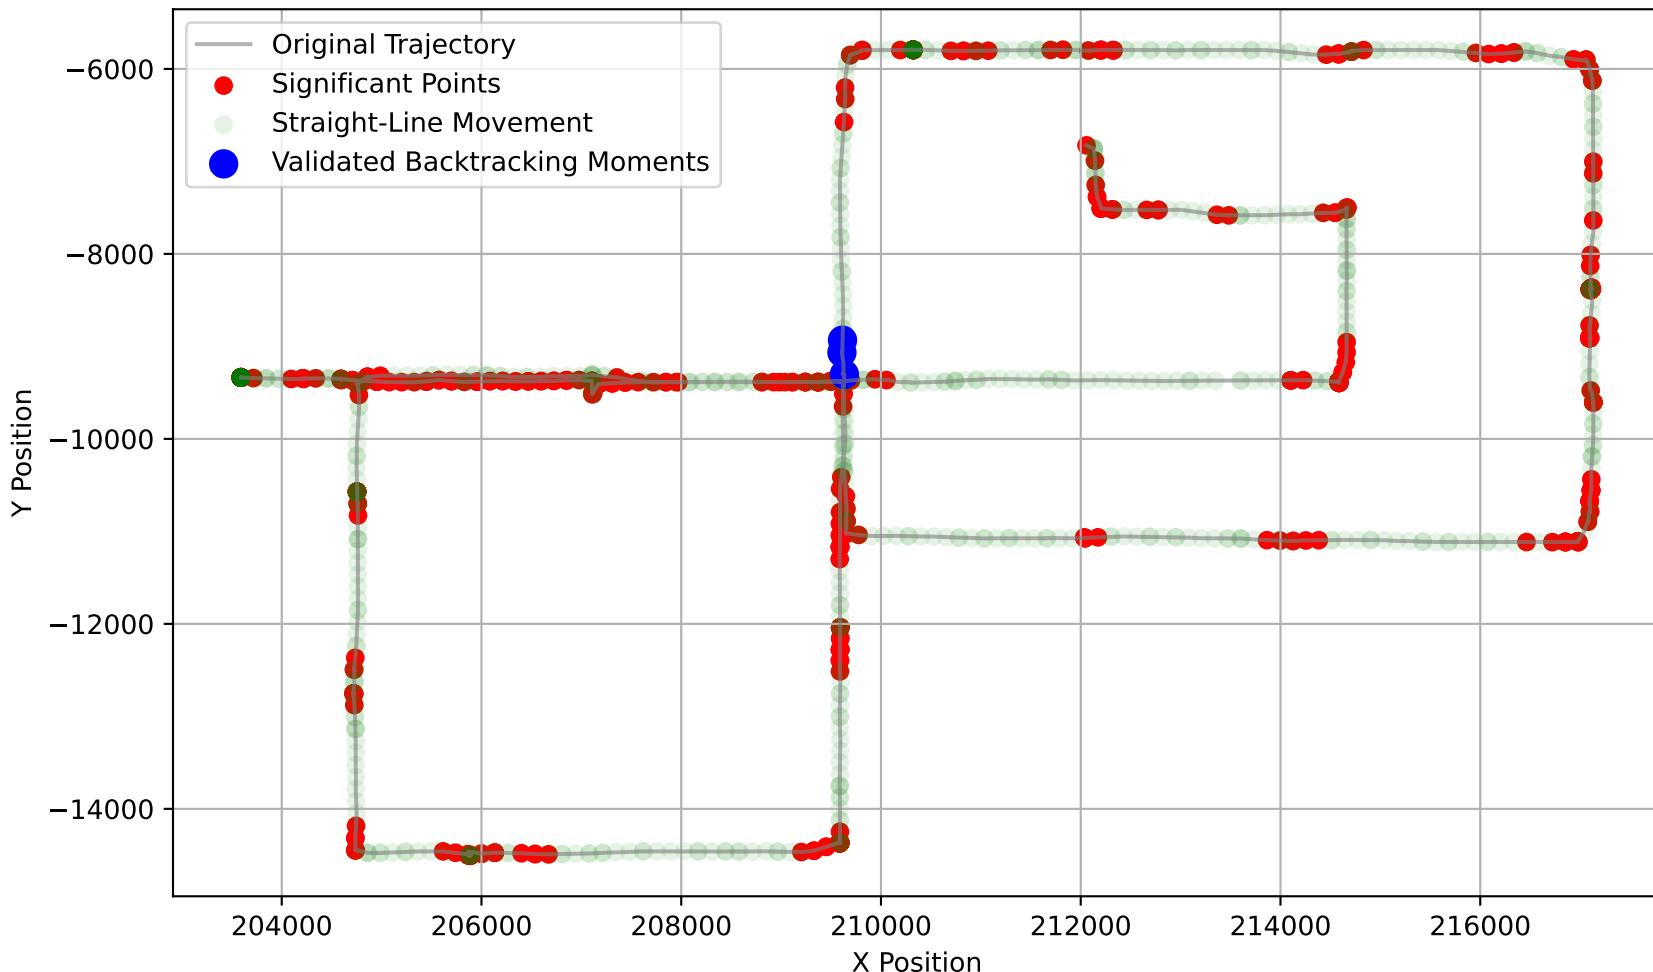

Trajectory with Validated Backtracking Moments (Participant 164)

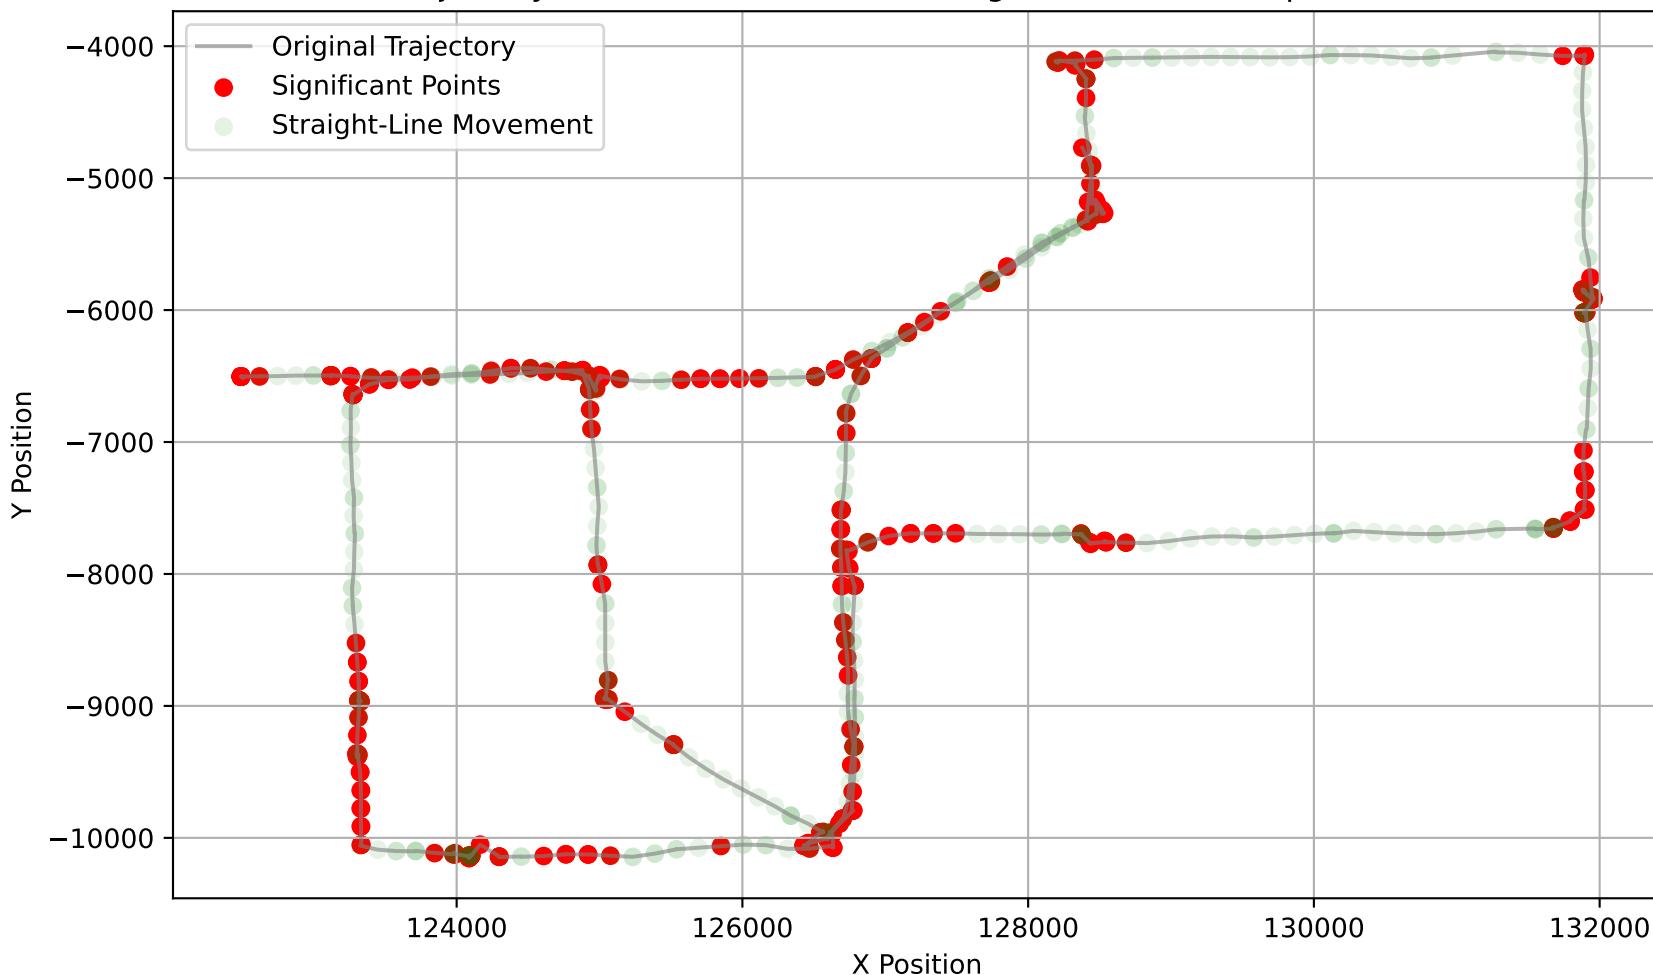

Trajectory with Validated Backtracking Moments (Participant 165)

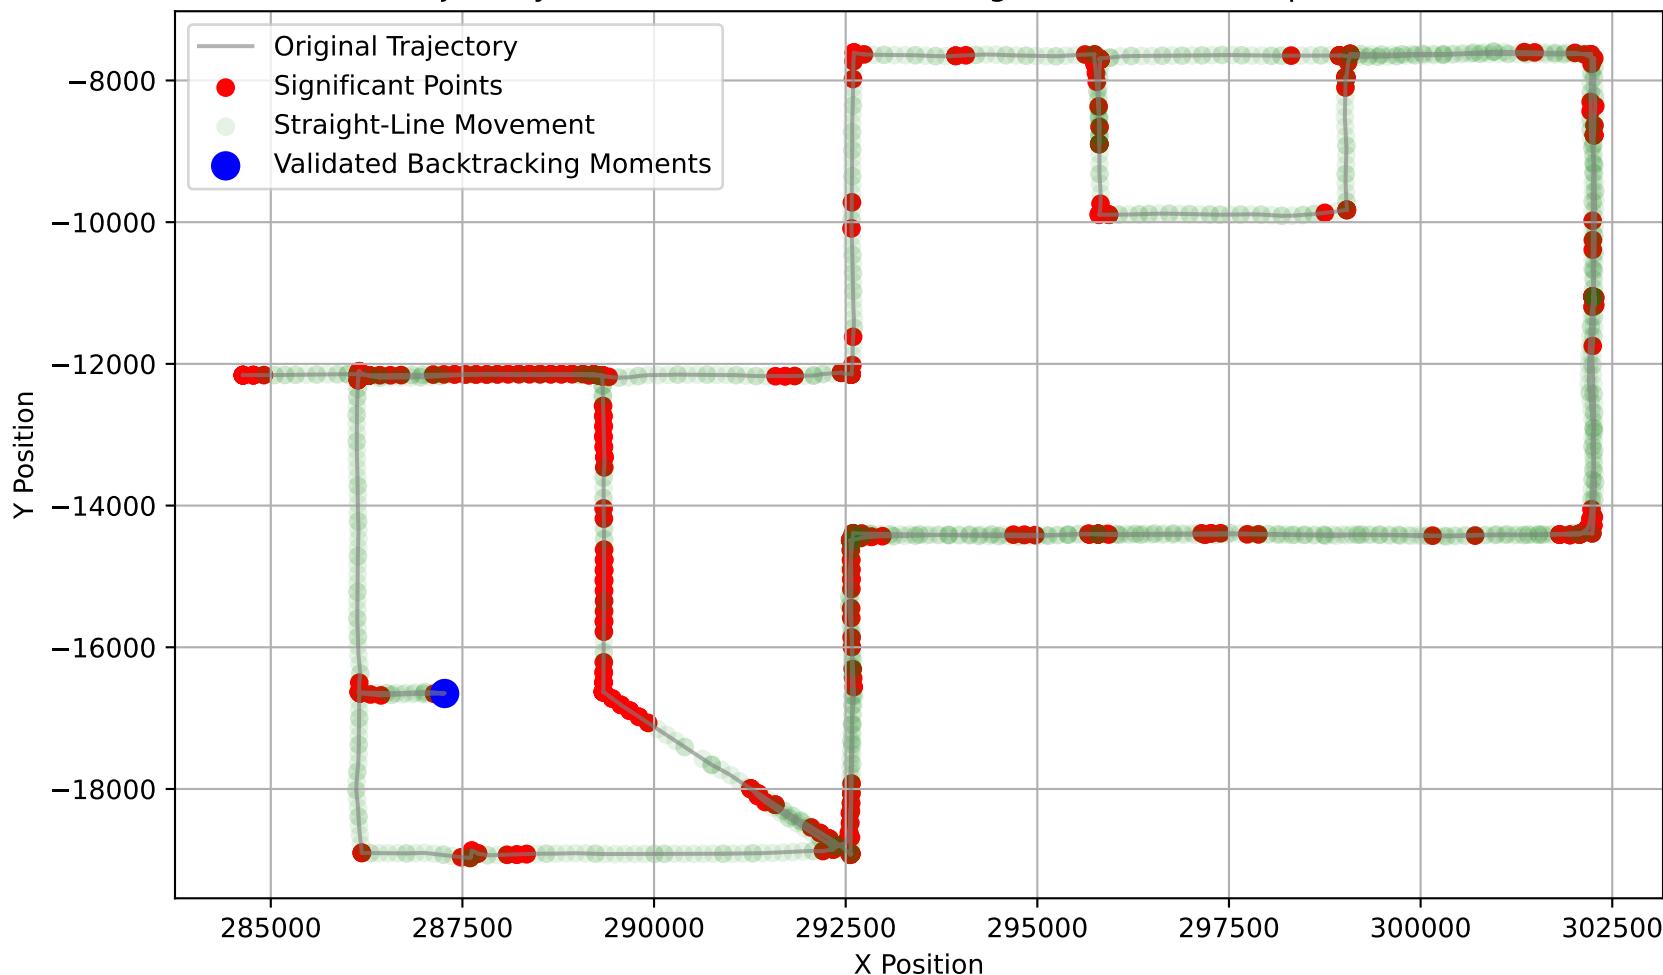

Trajectory with Validated Backtracking Moments (Participant 166)

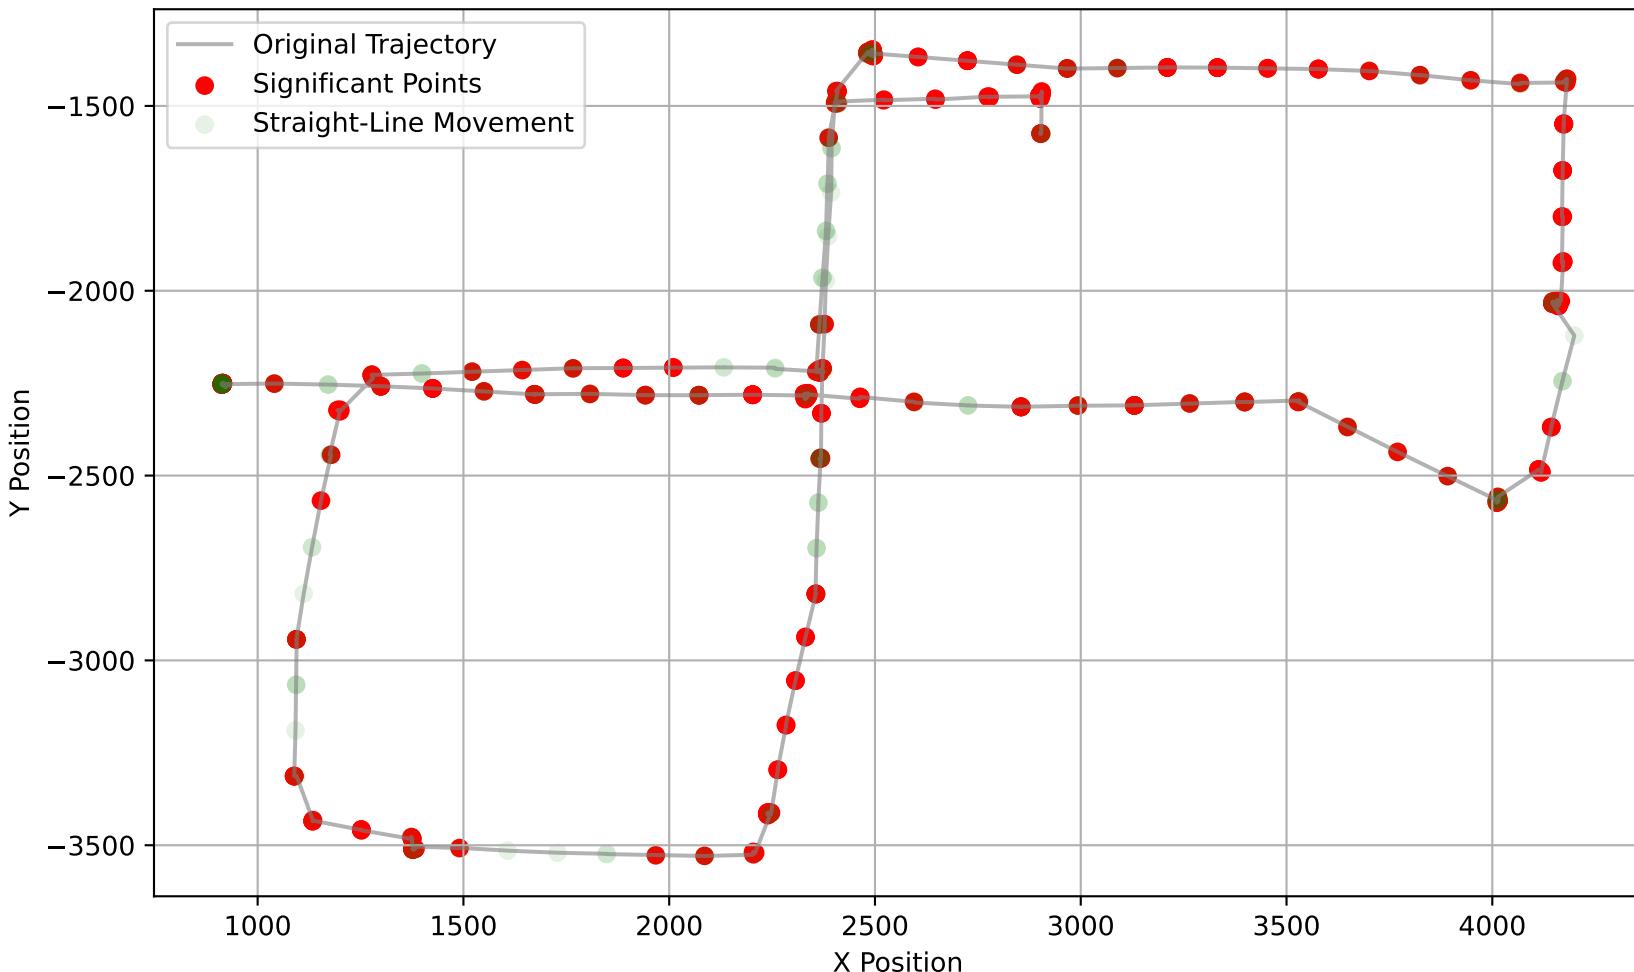

Trajectory with Validated Backtracking Moments (Participant 167)

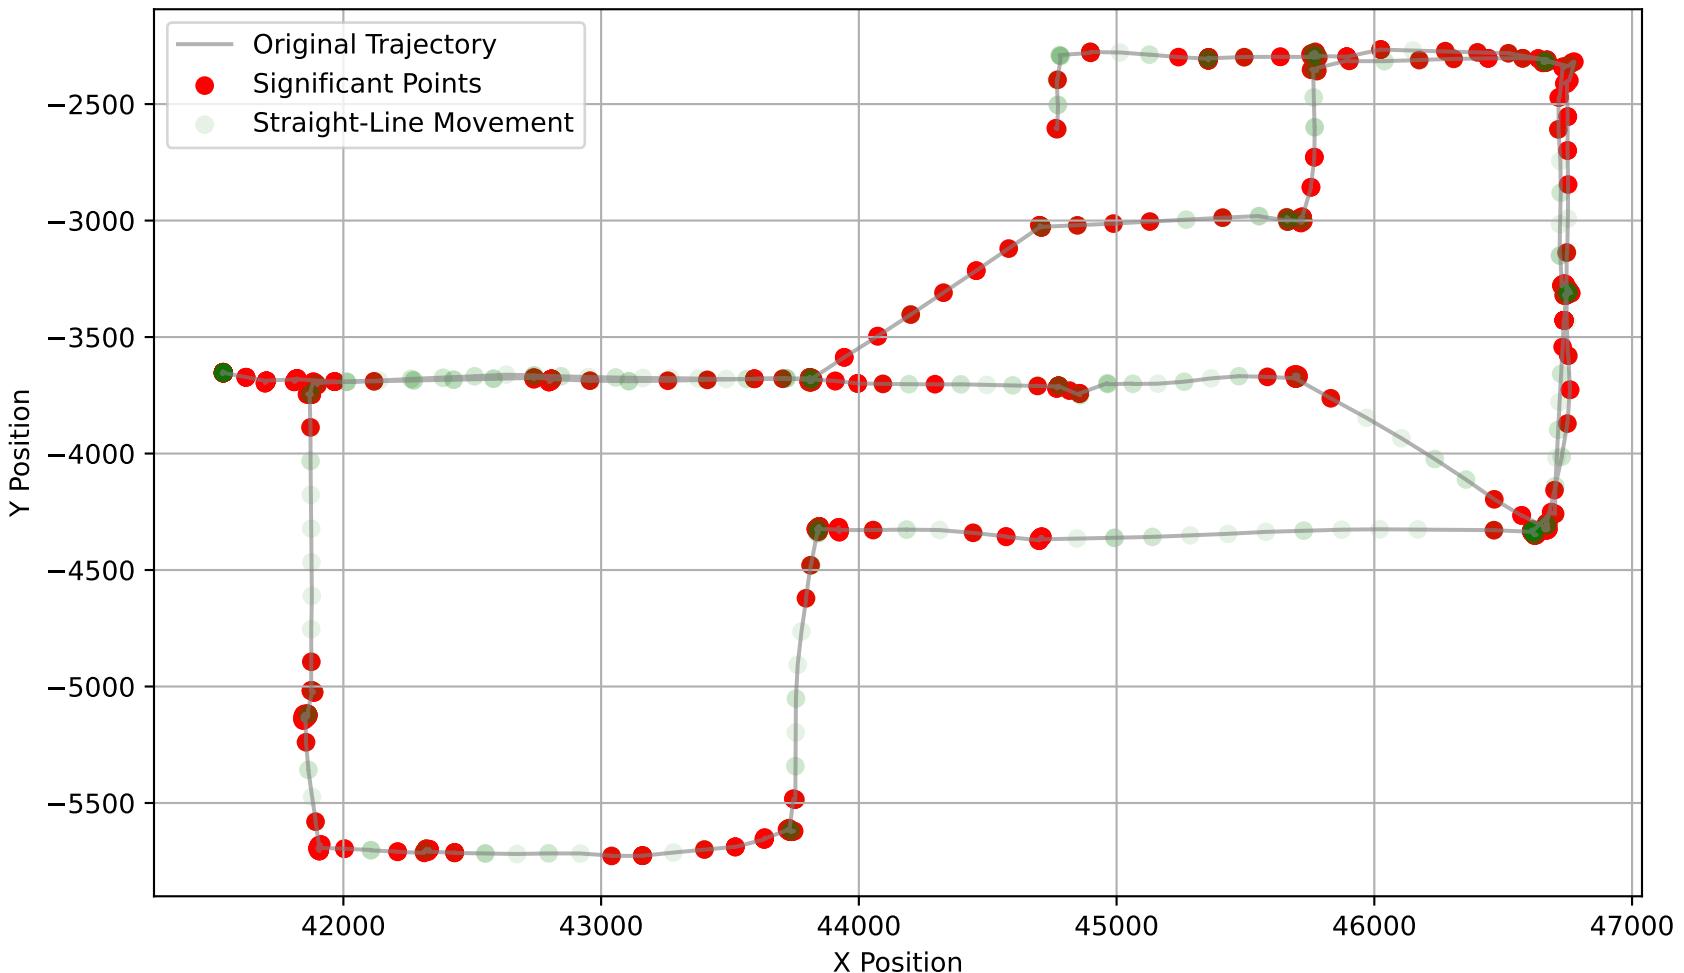

Trajectory with Validated Backtracking Moments (Participant 169)

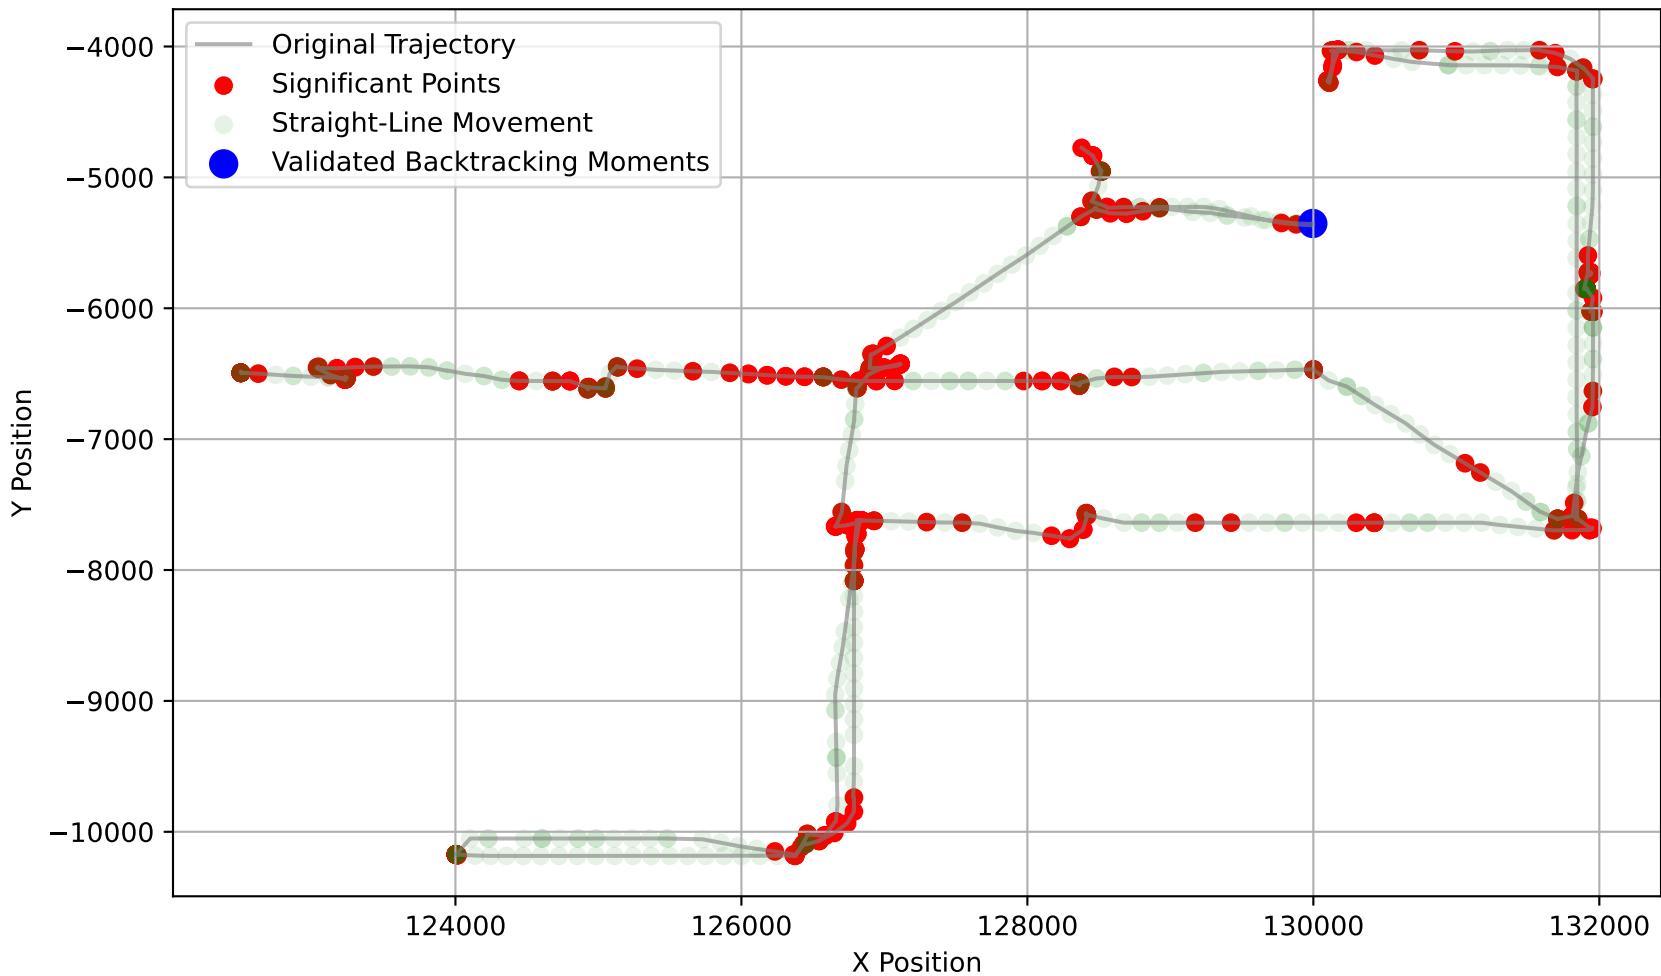

Trajectory with Validated Backtracking Moments (Participant 170)

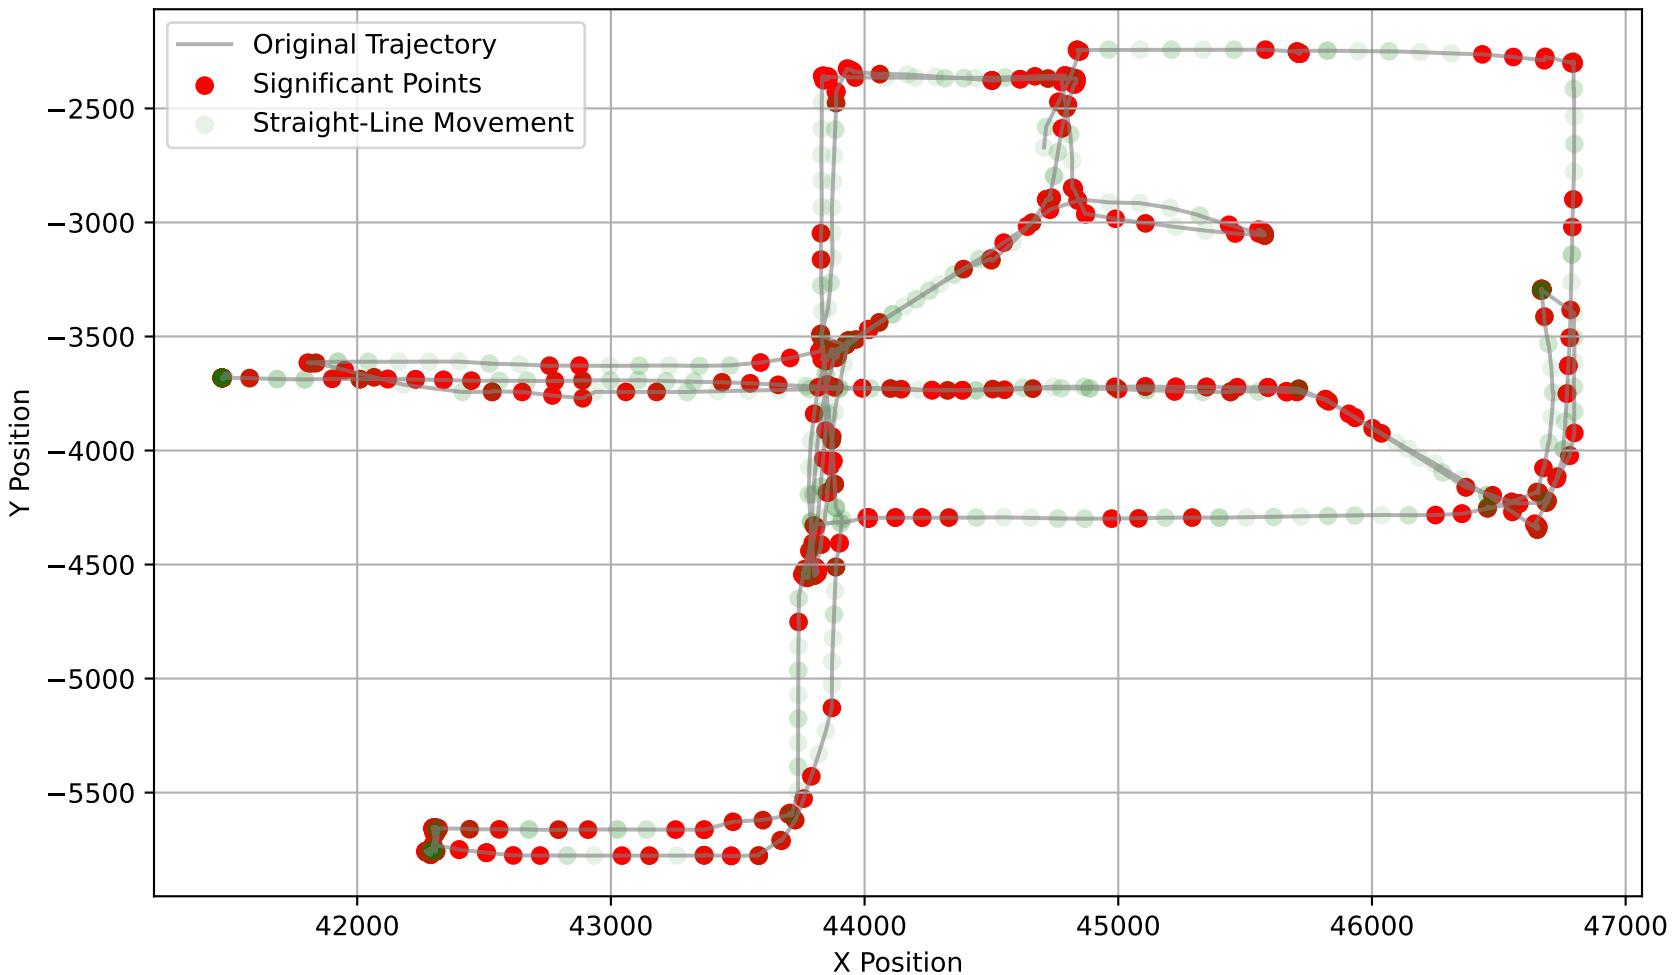

Trajectory with Validated Backtracking Moments (Participant 171)

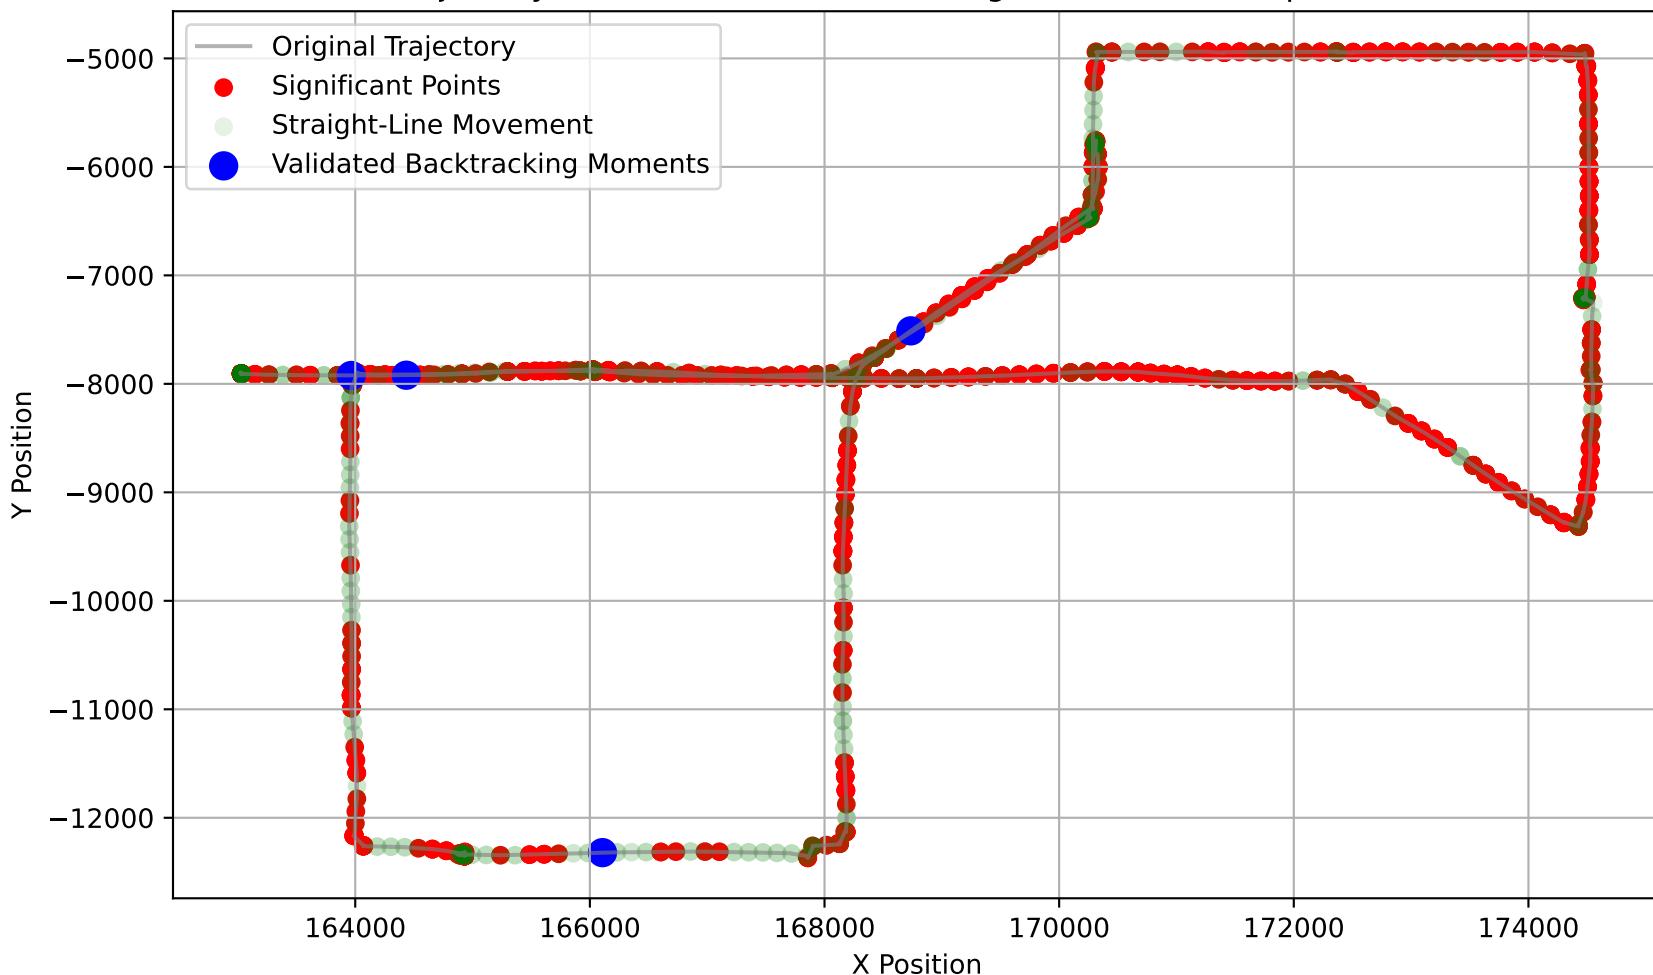

Trajectory with Validated Backtracking Moments (Participant 172)

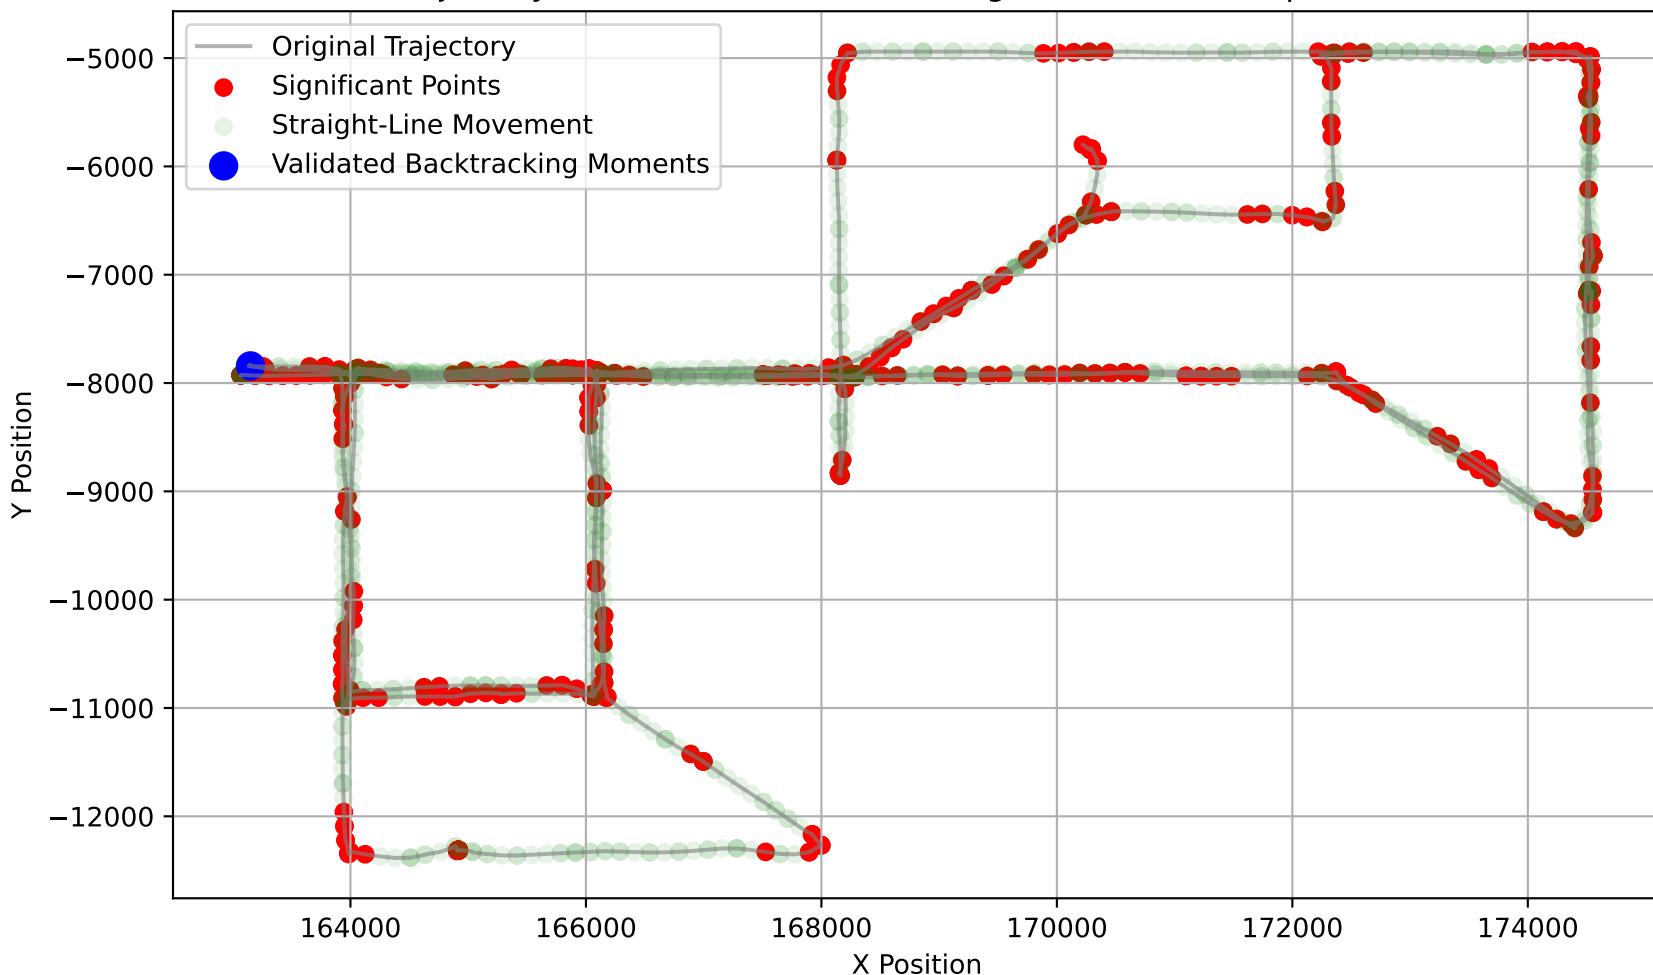

Trajectory with Validated Backtracking Moments (Participant 173)

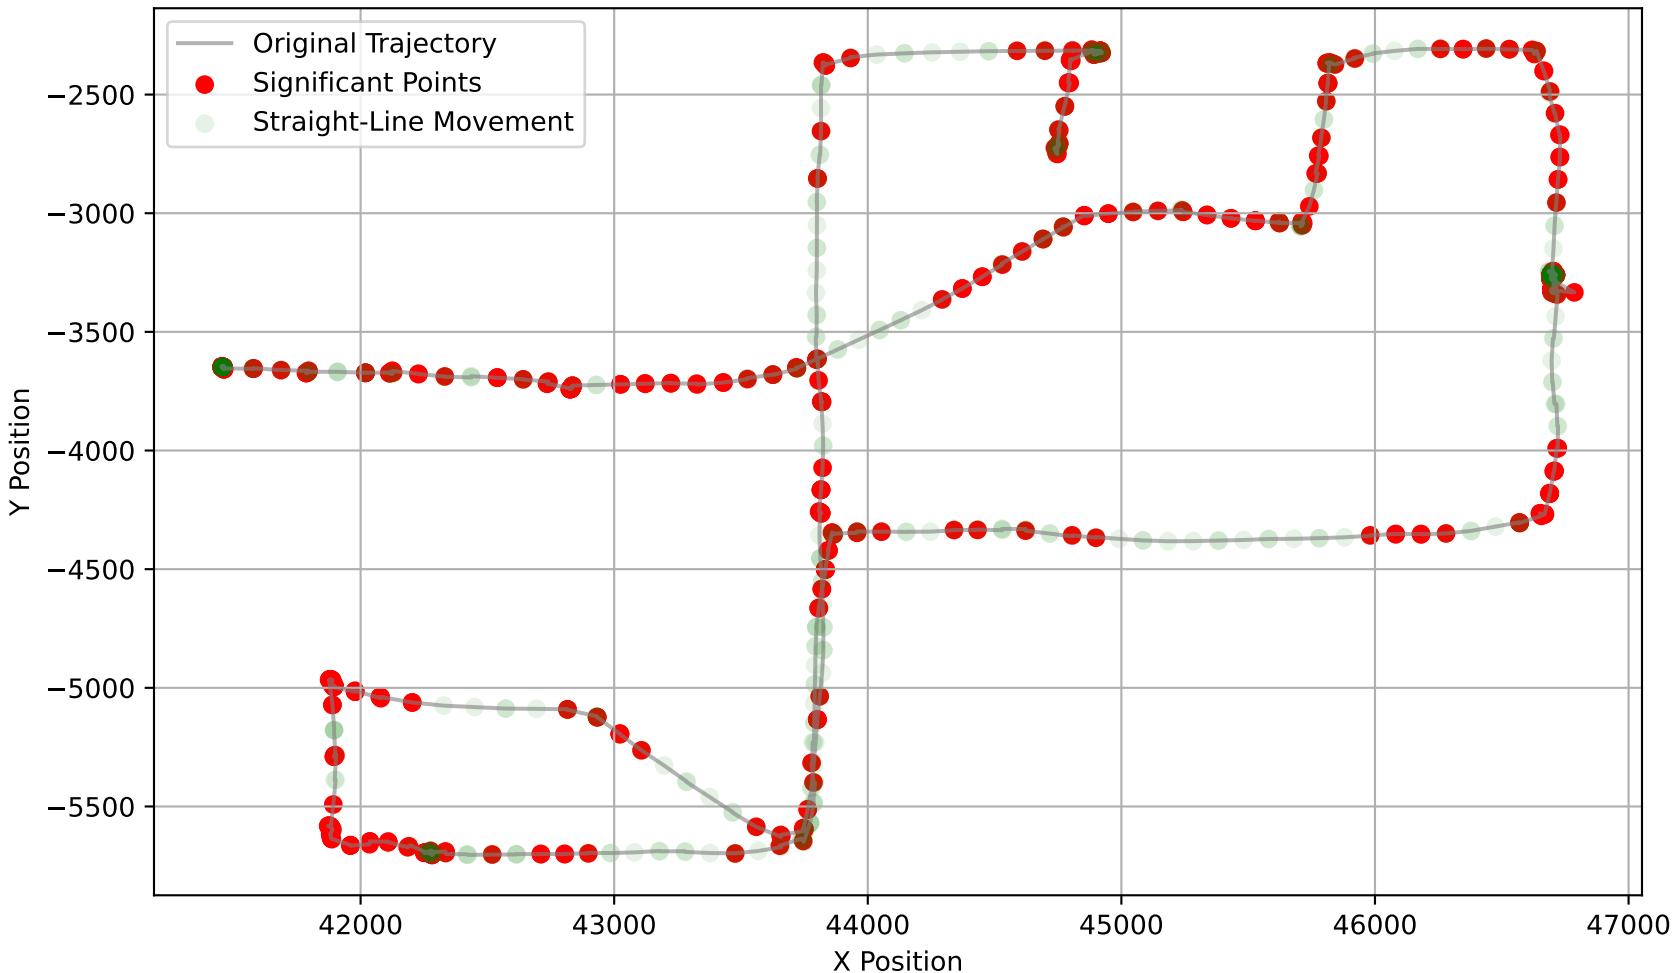

Trajectory with Validated Backtracking Moments (Participant 174)

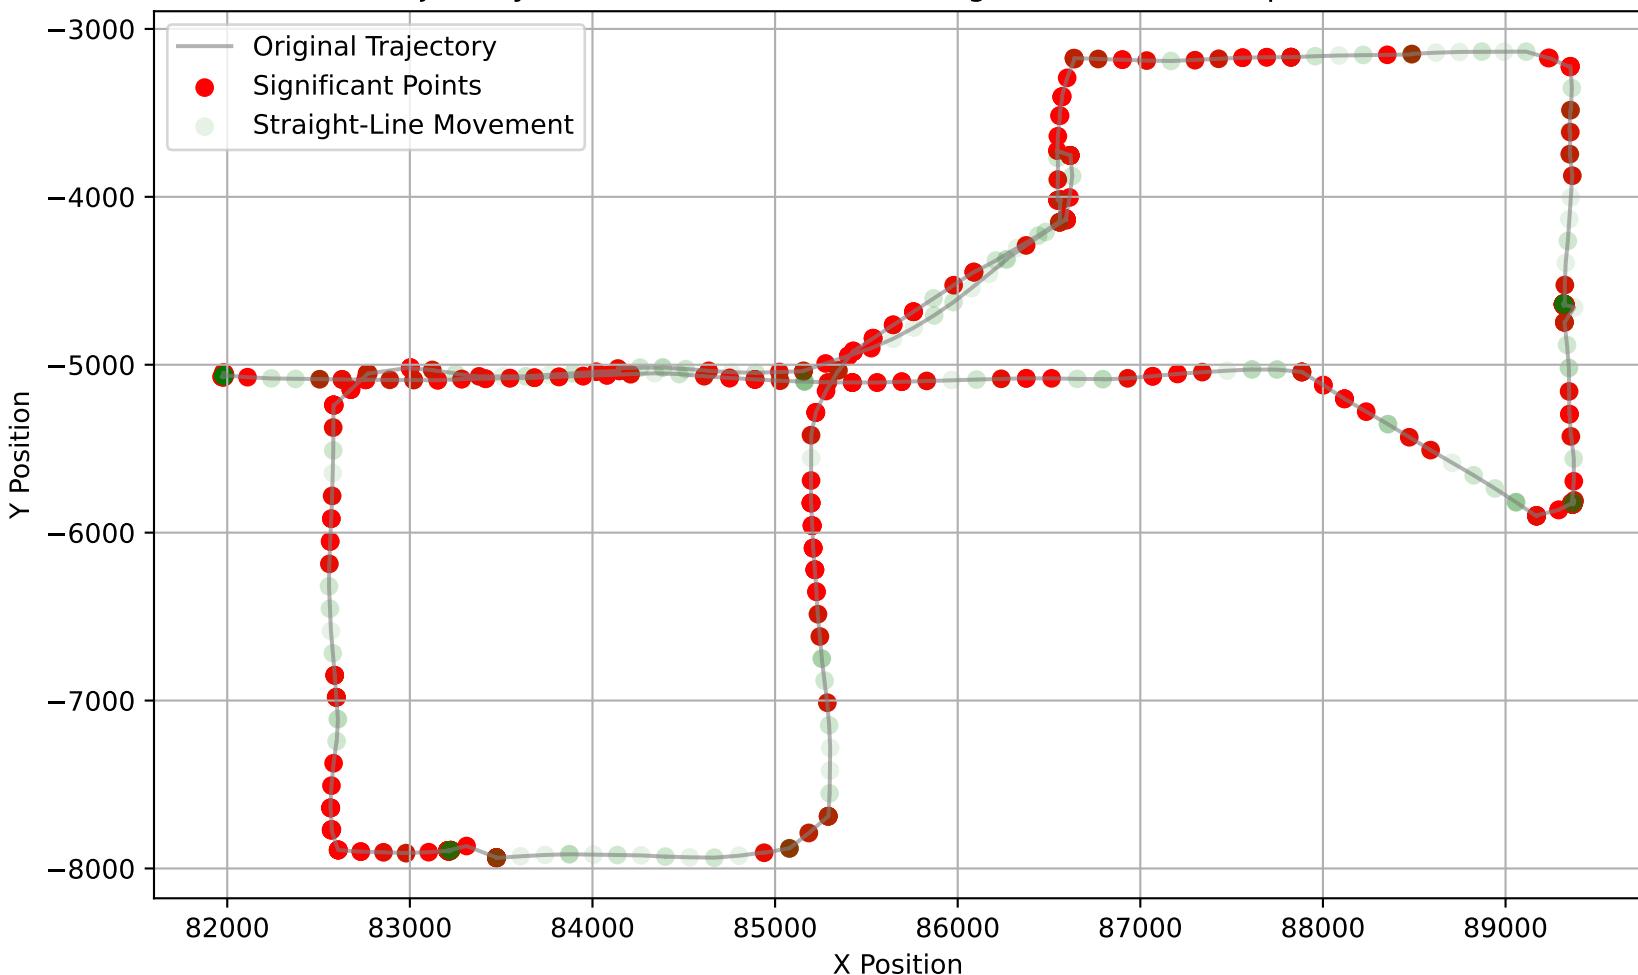

Trajectory with Validated Backtracking Moments (Participant 175)

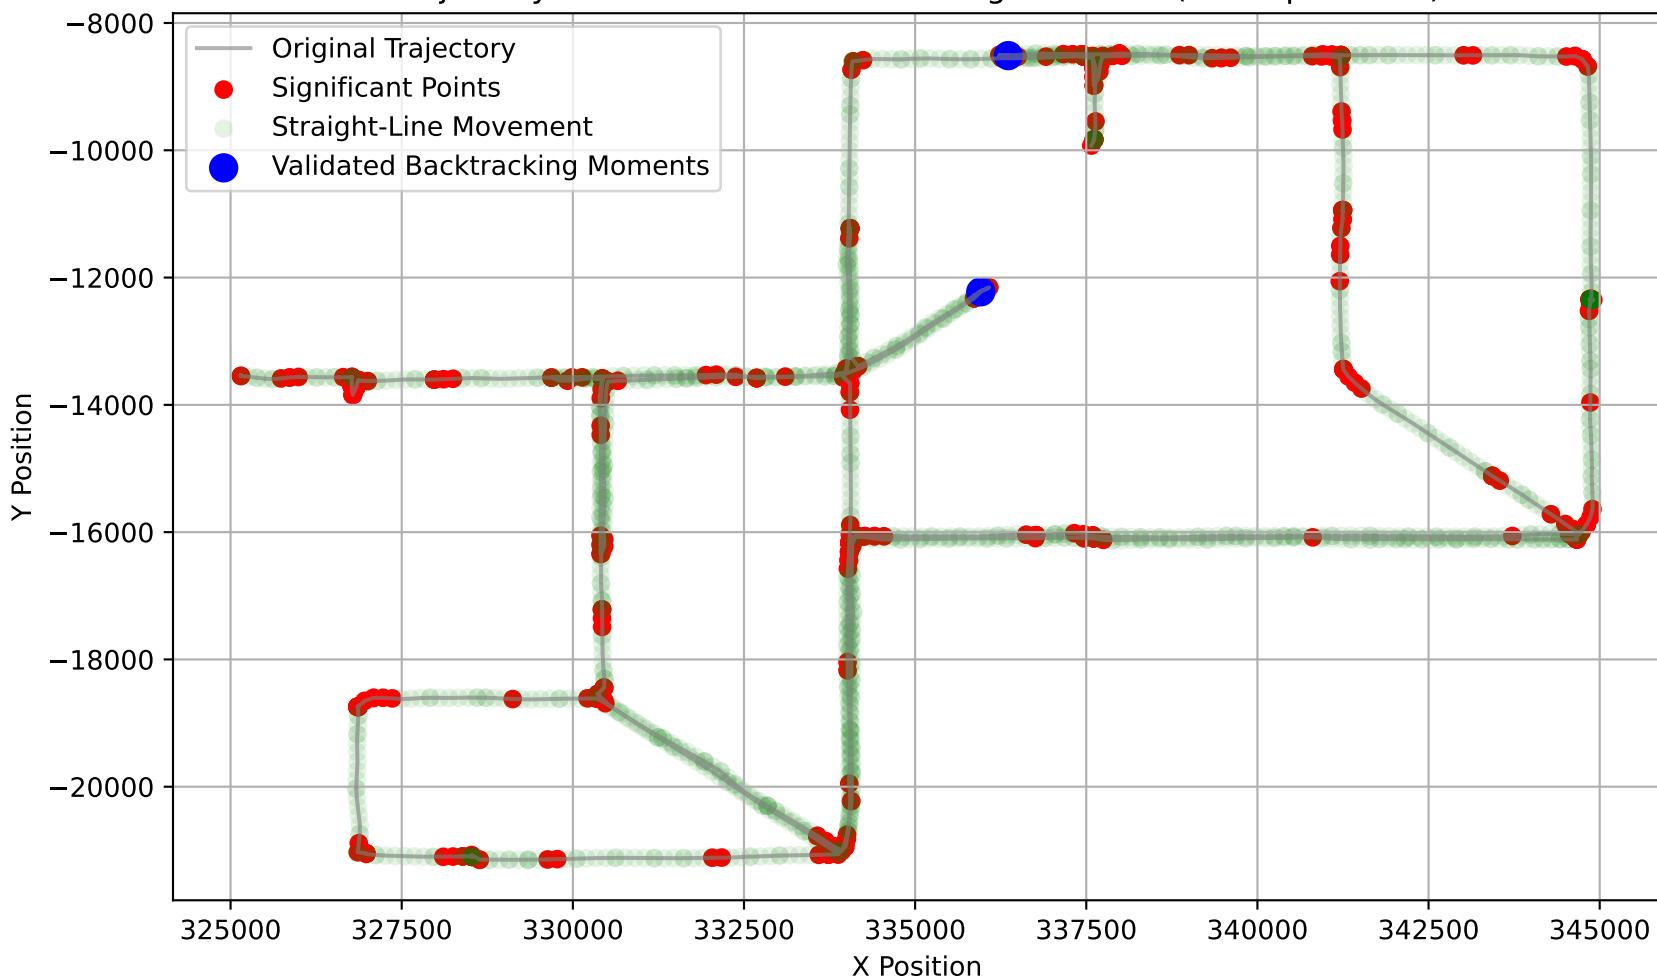

Trajectory with Validated Backtracking Moments (Participant 176)

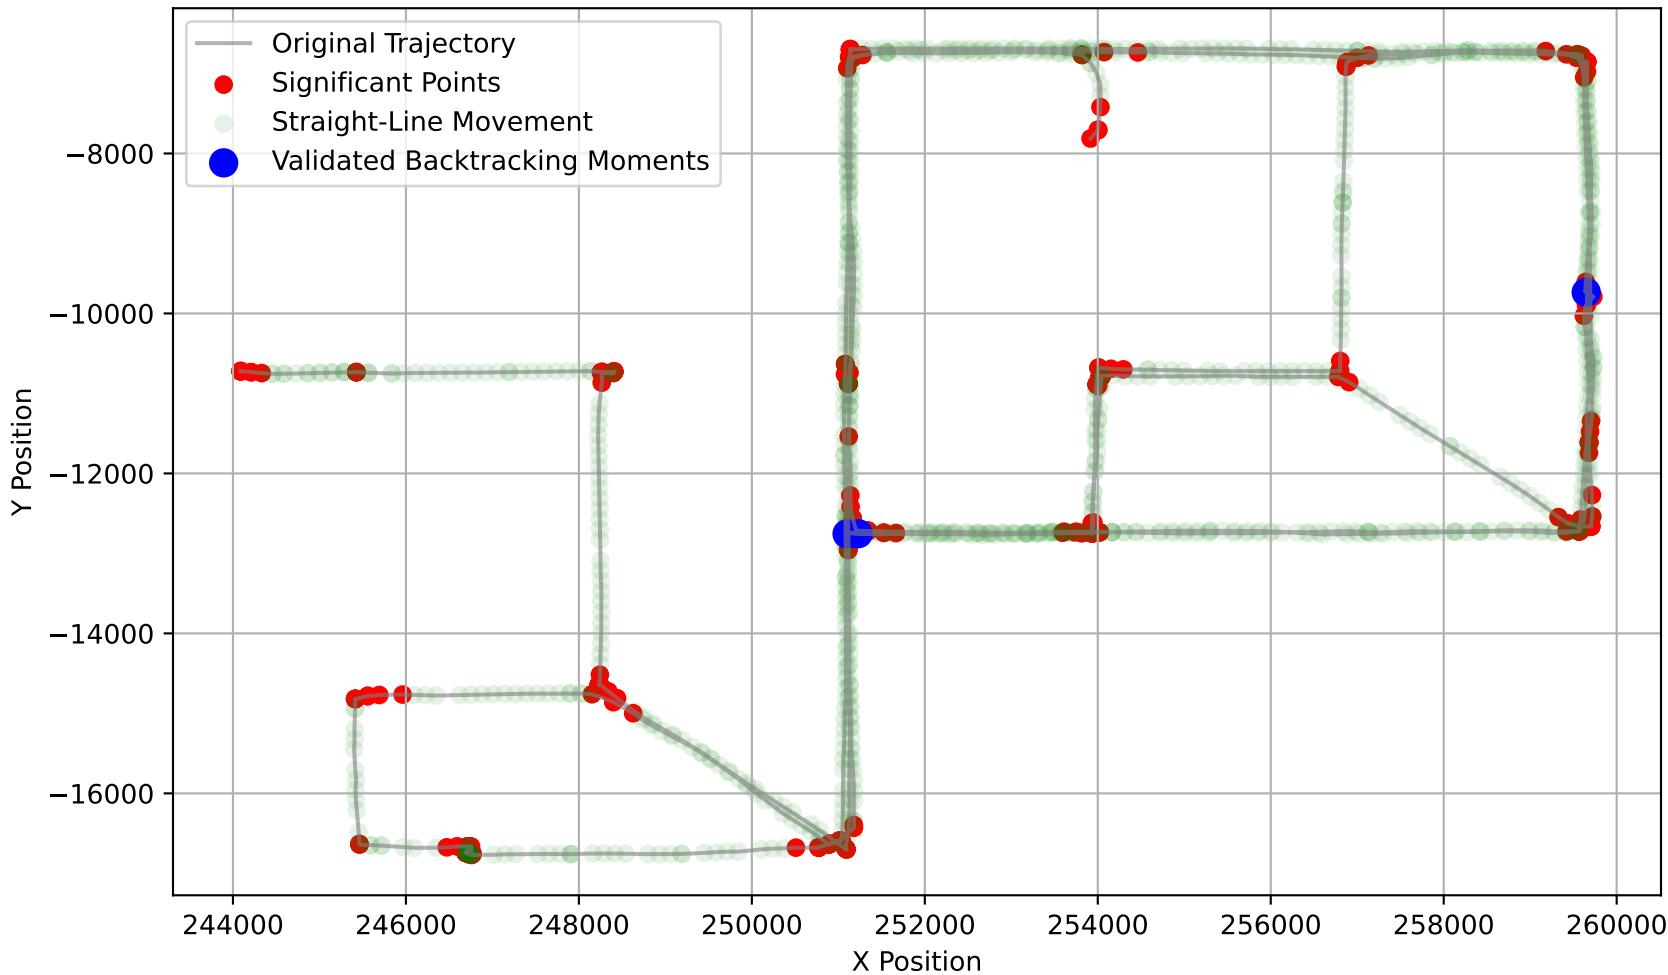

Trajectory with Validated Backtracking Moments (Participant 177)

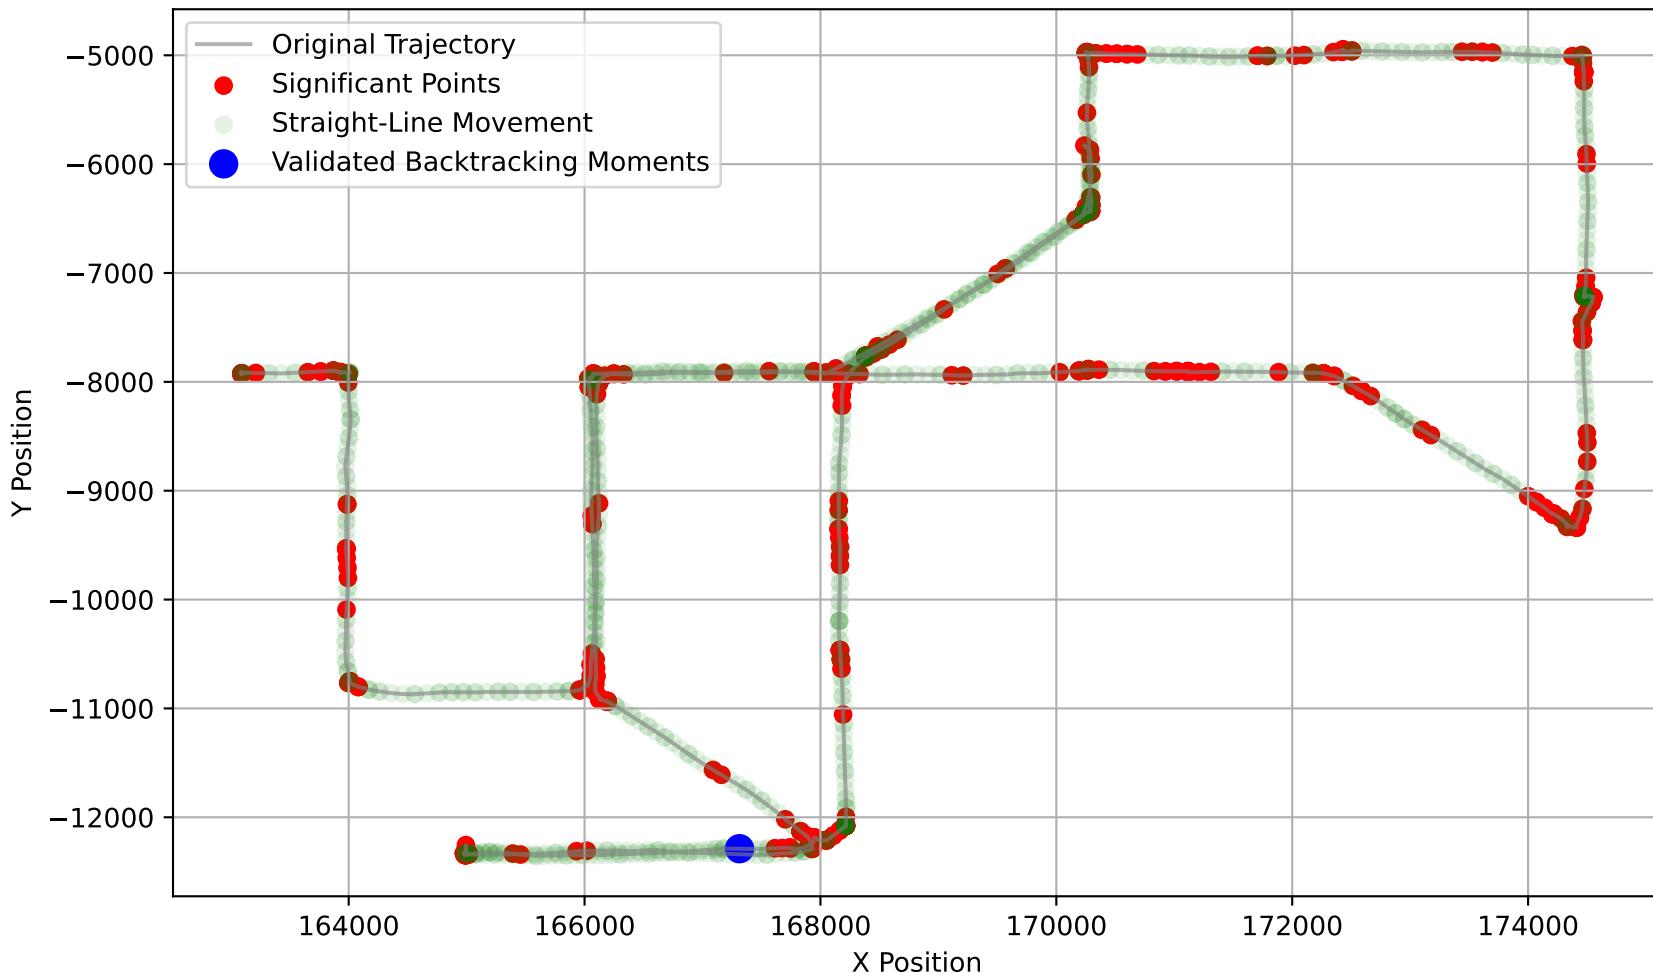

Trajectory with Validated Backtracking Moments (Participant 179)

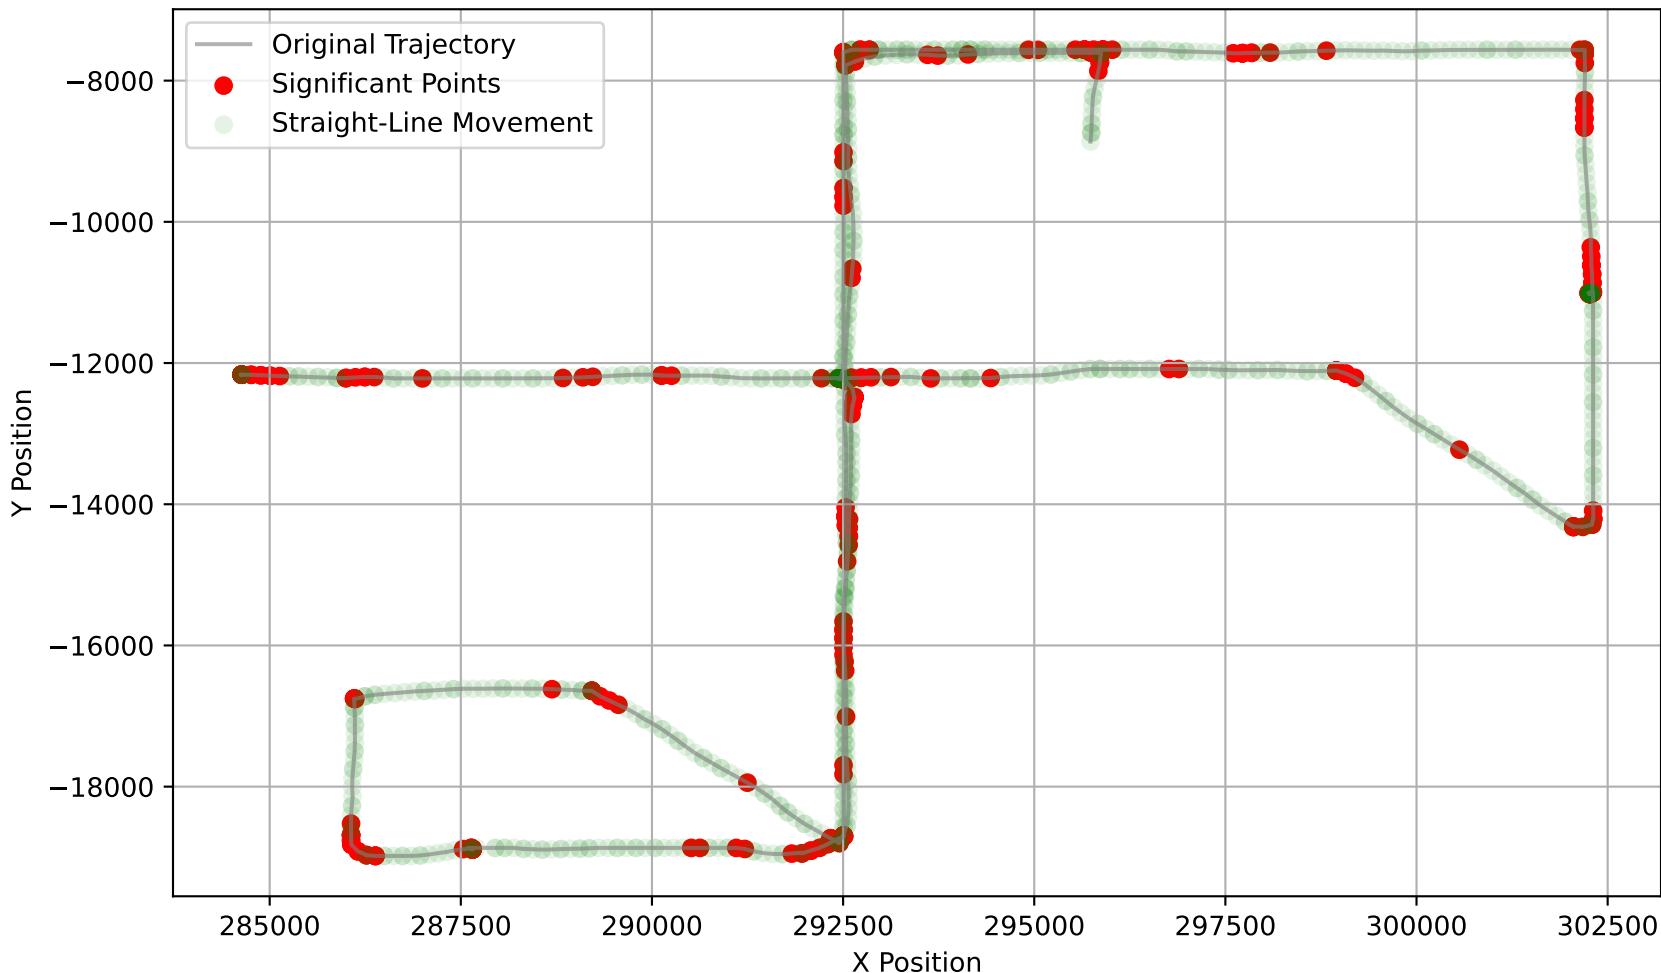

Trajectory with Validated Backtracking Moments (Participant 180)

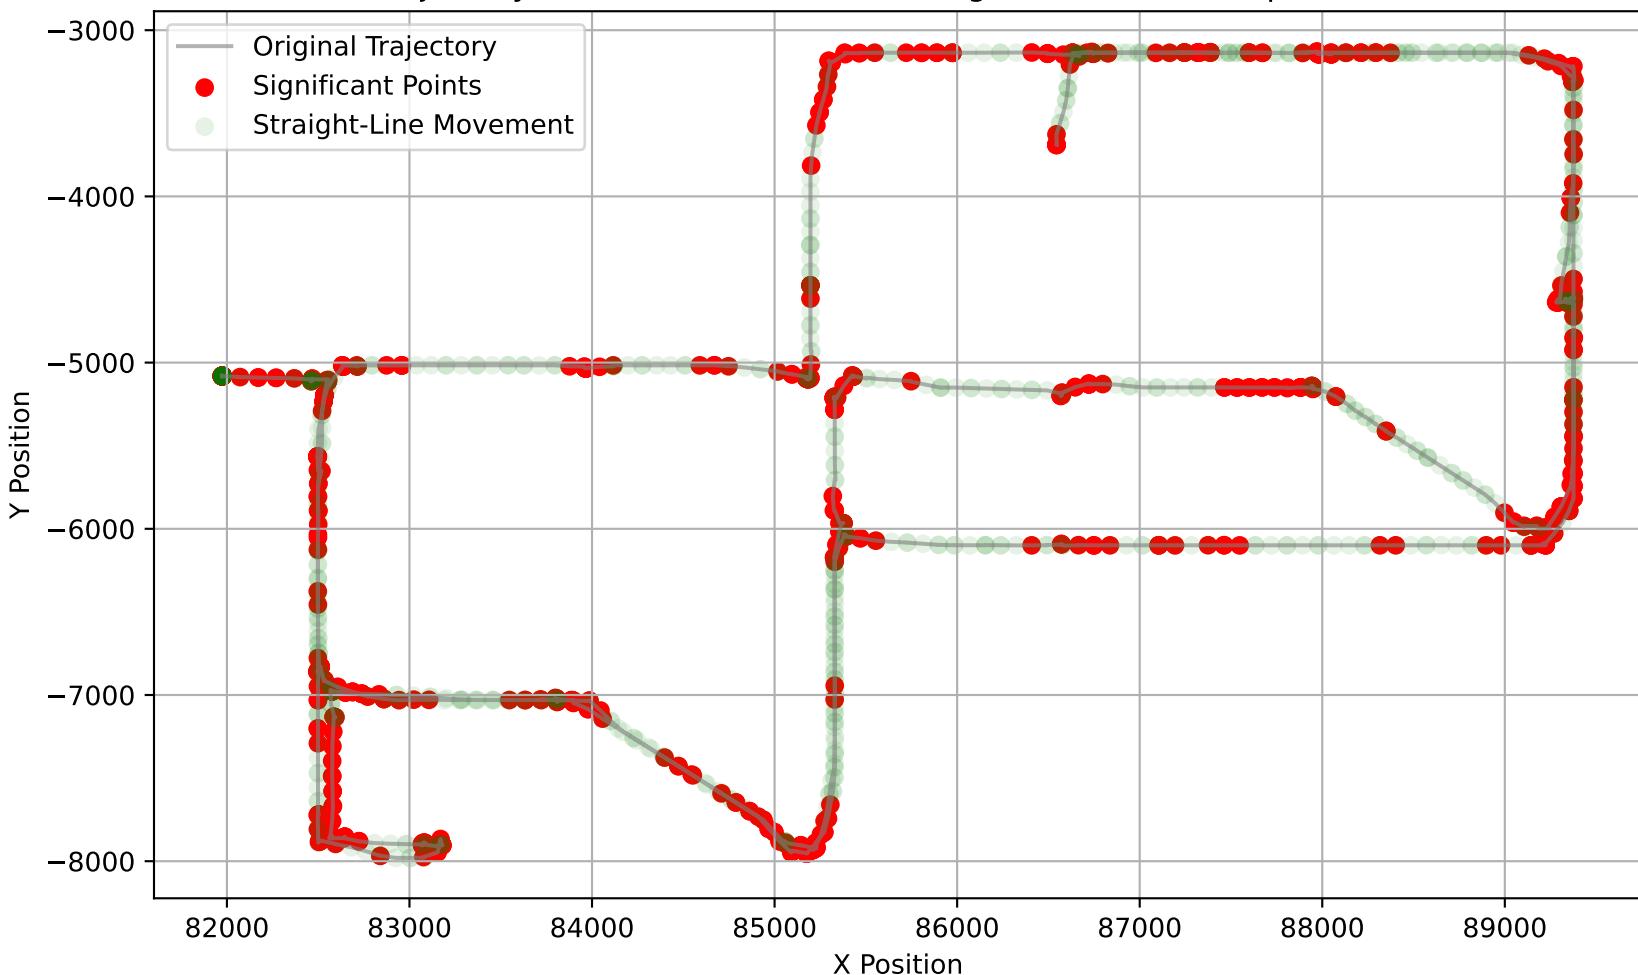

Trajectory with Validated Backtracking Moments (Participant 182)

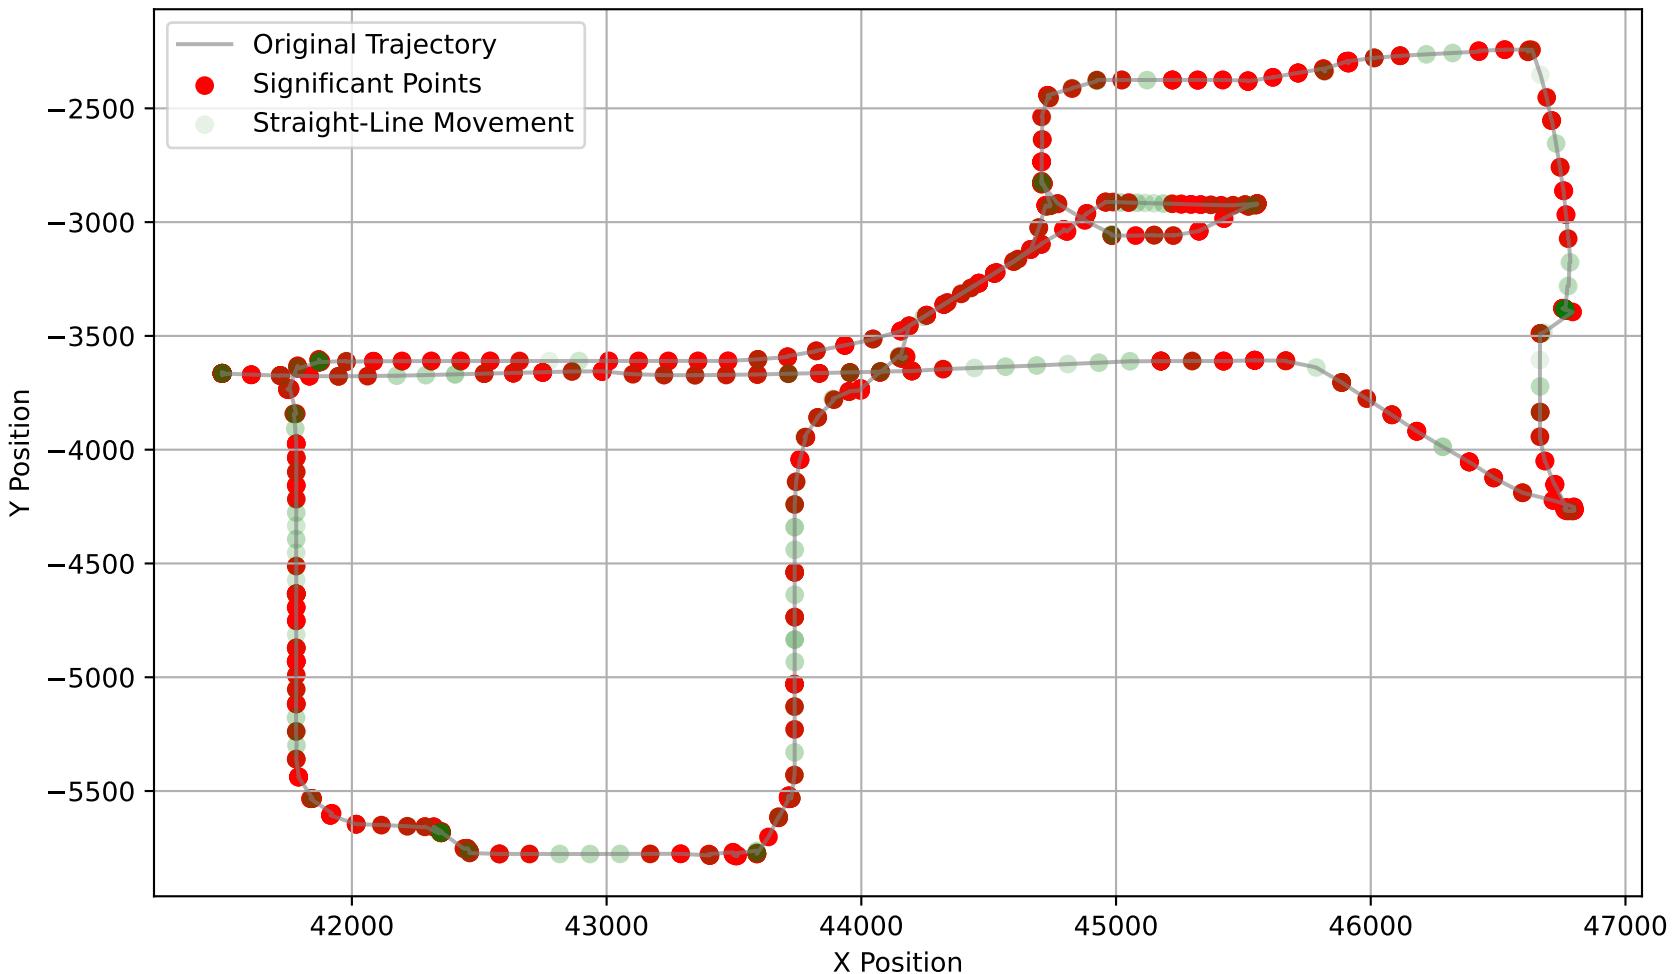

Trajectory with Validated Backtracking Moments (Participant 183)

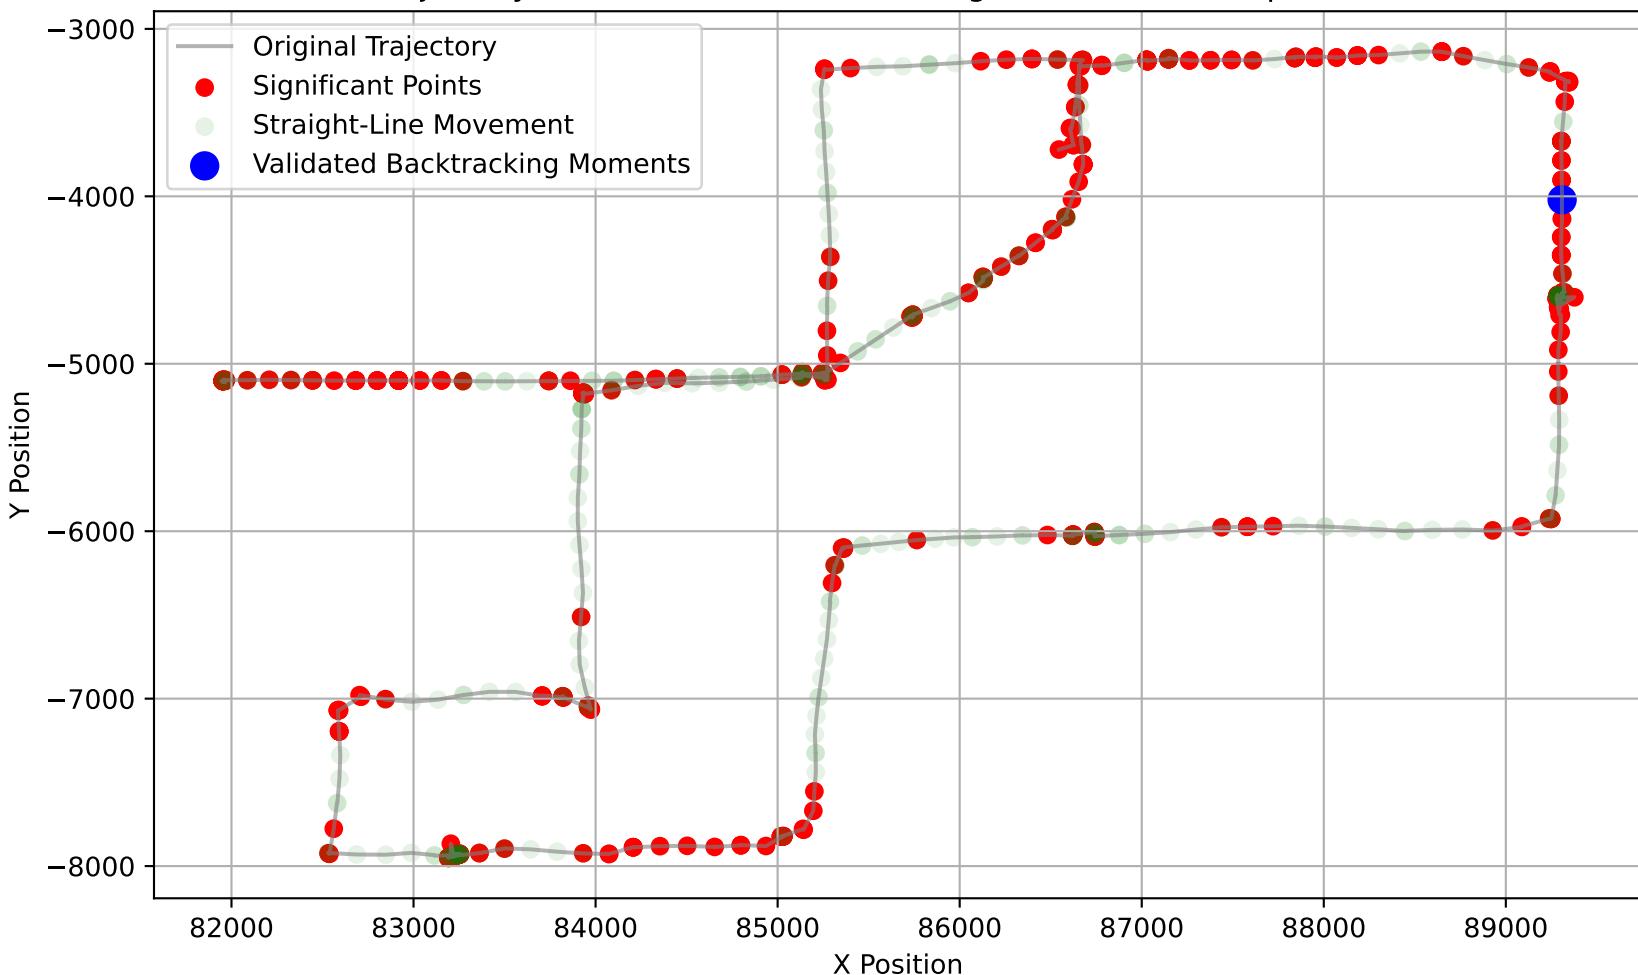

Trajectory with Validated Backtracking Moments (Participant 184)

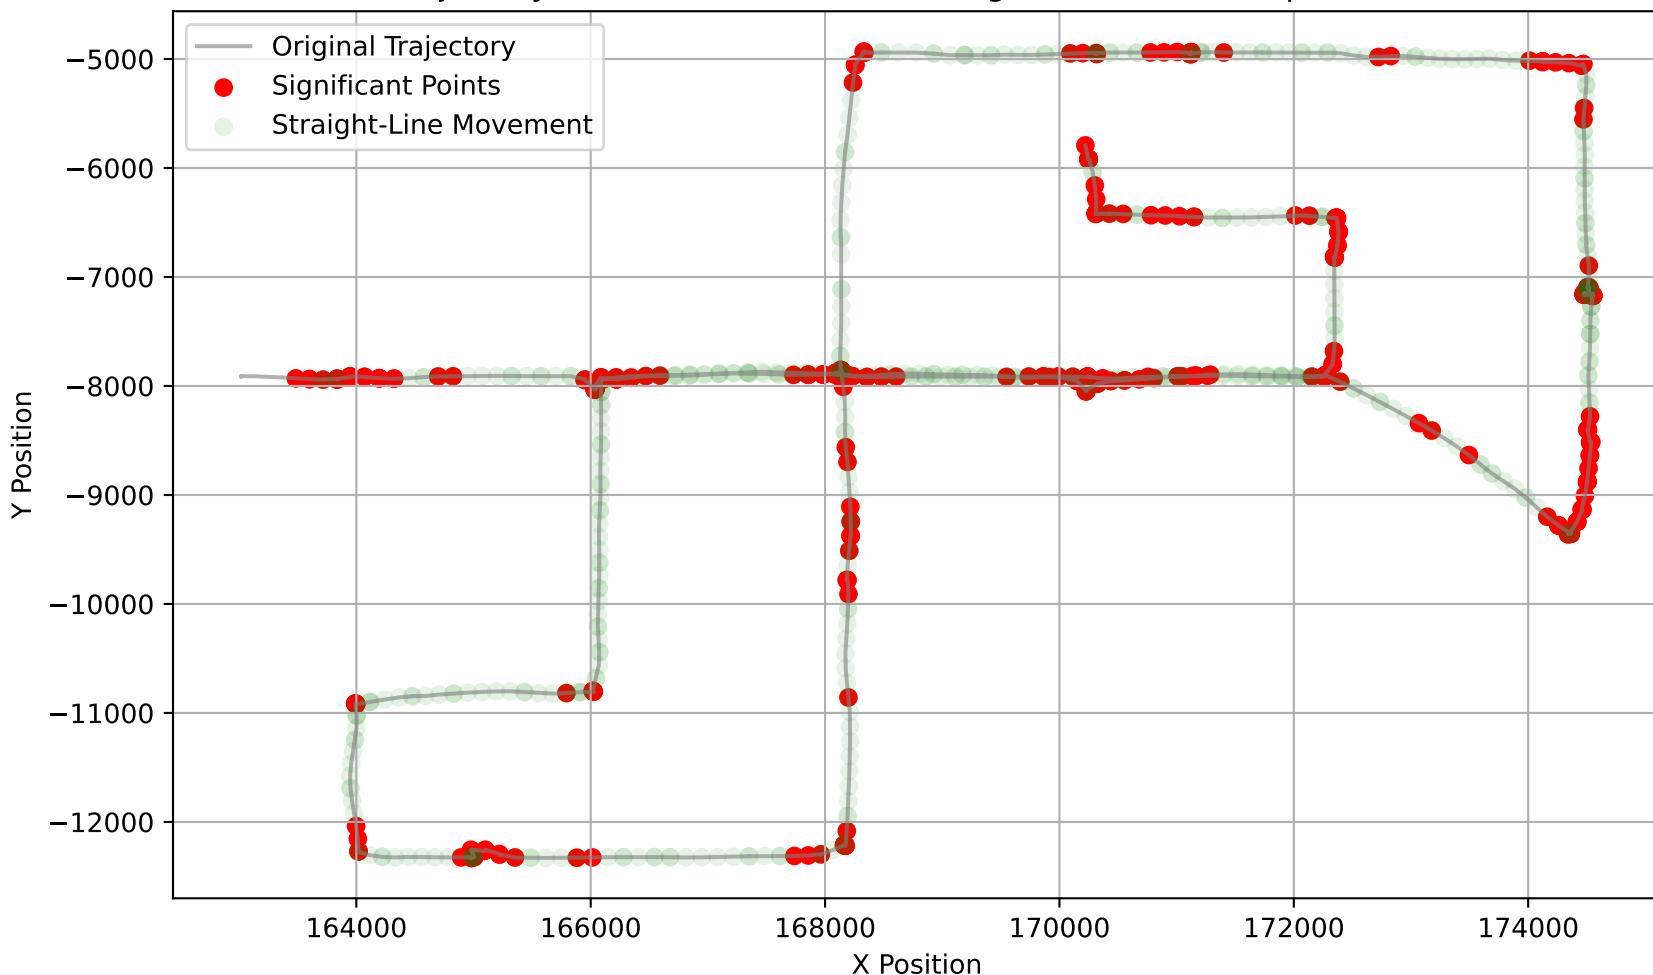

Trajectory with Validated Backtracking Moments (Participant 185)

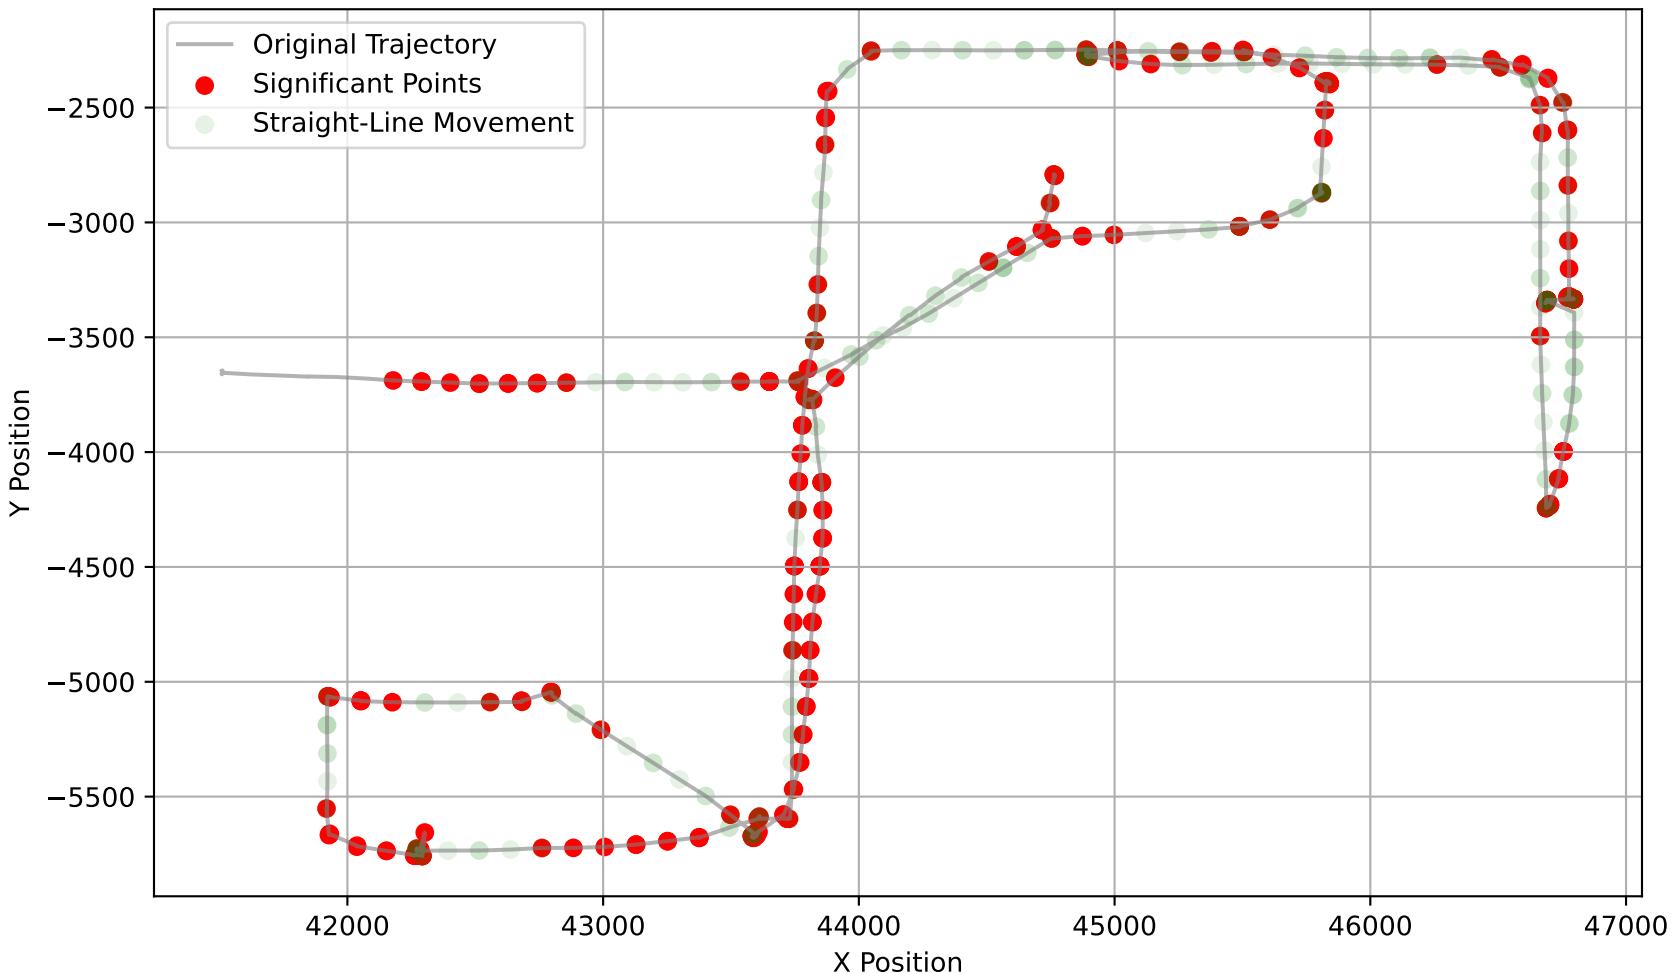

Trajectory with Validated Backtracking Moments (Participant 186)

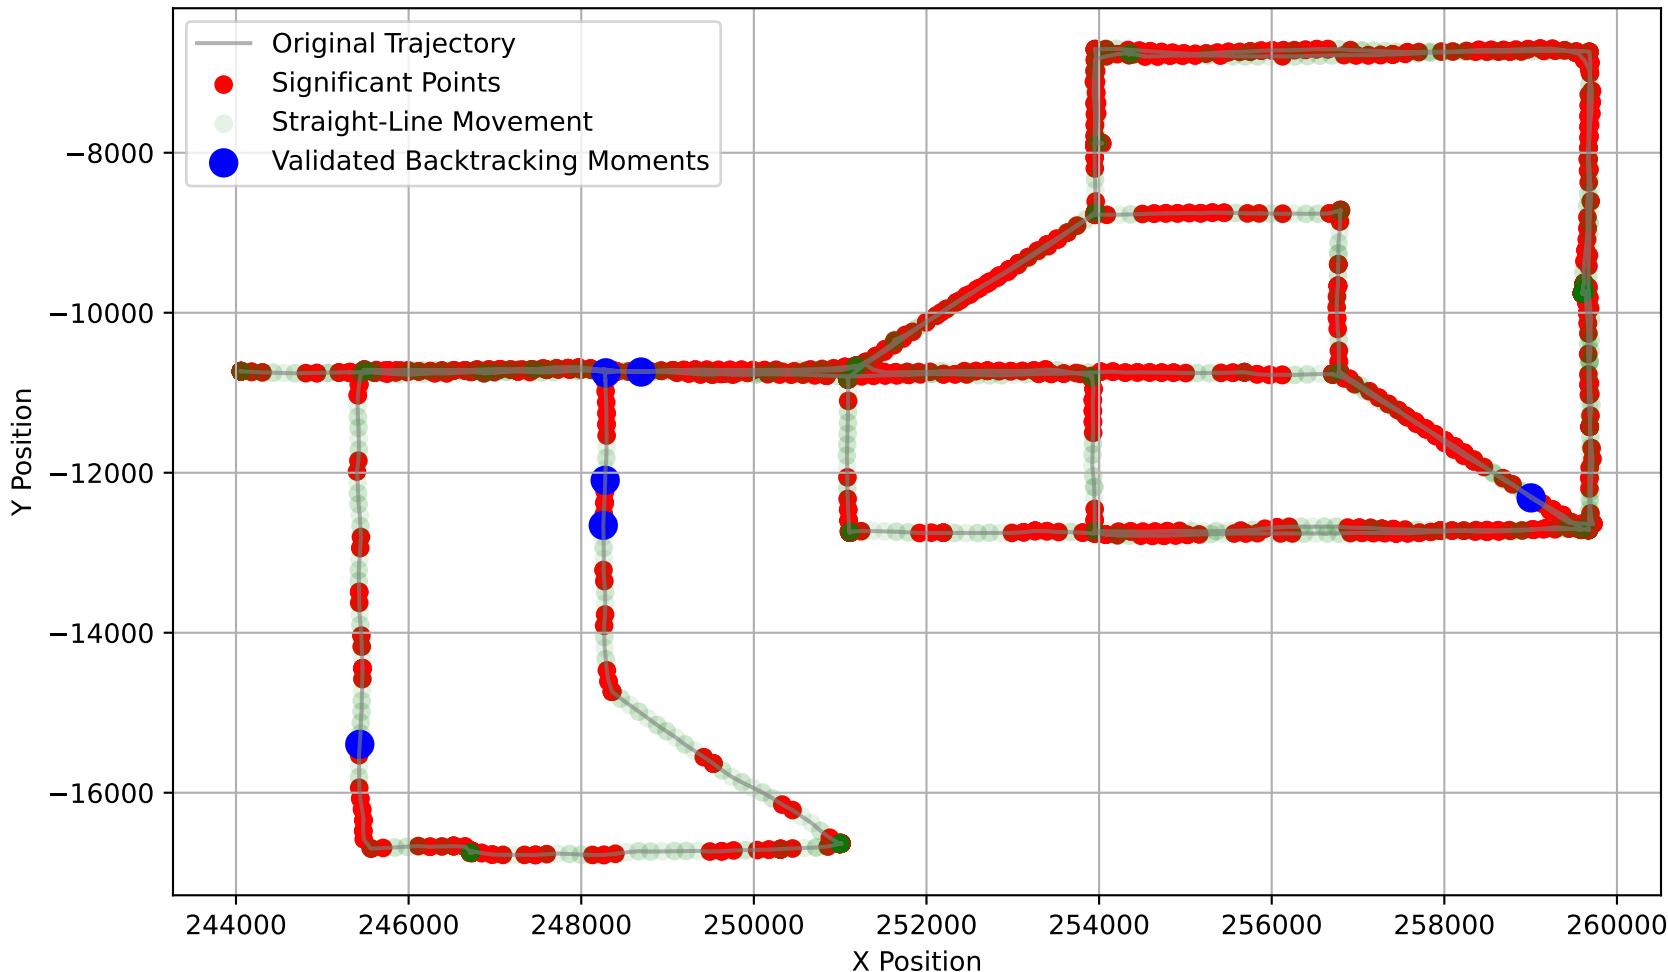

Trajectory with Validated Backtracking Moments (Participant 187)

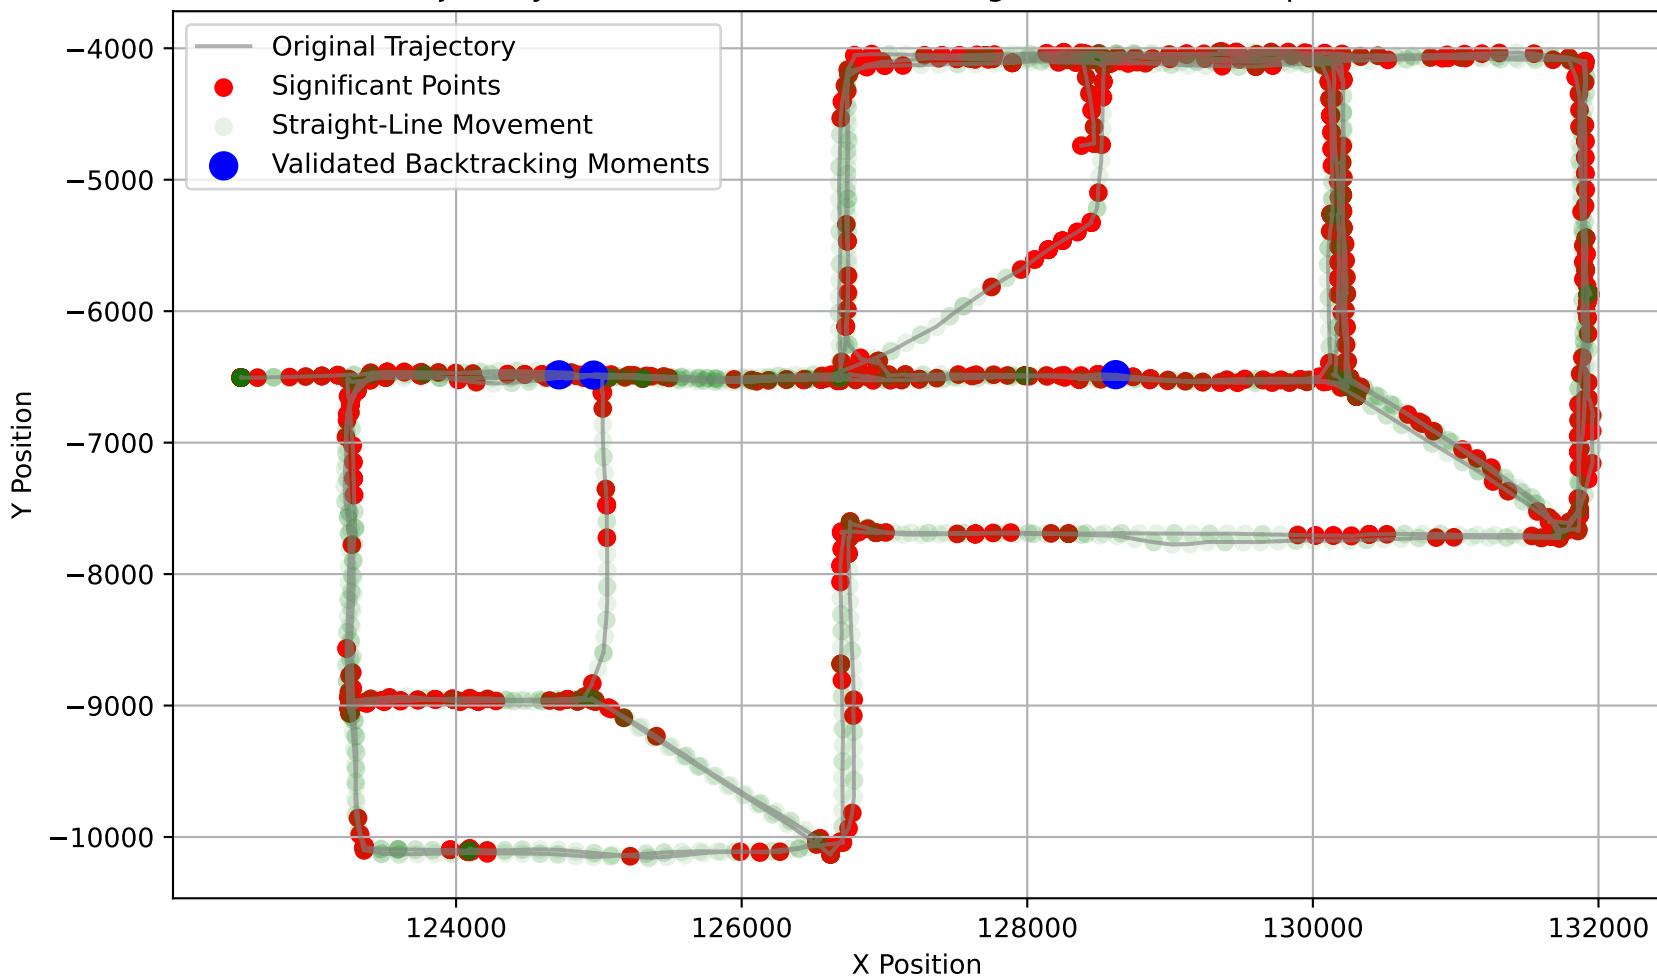

Trajectory with Validated Backtracking Moments (Participant 191)

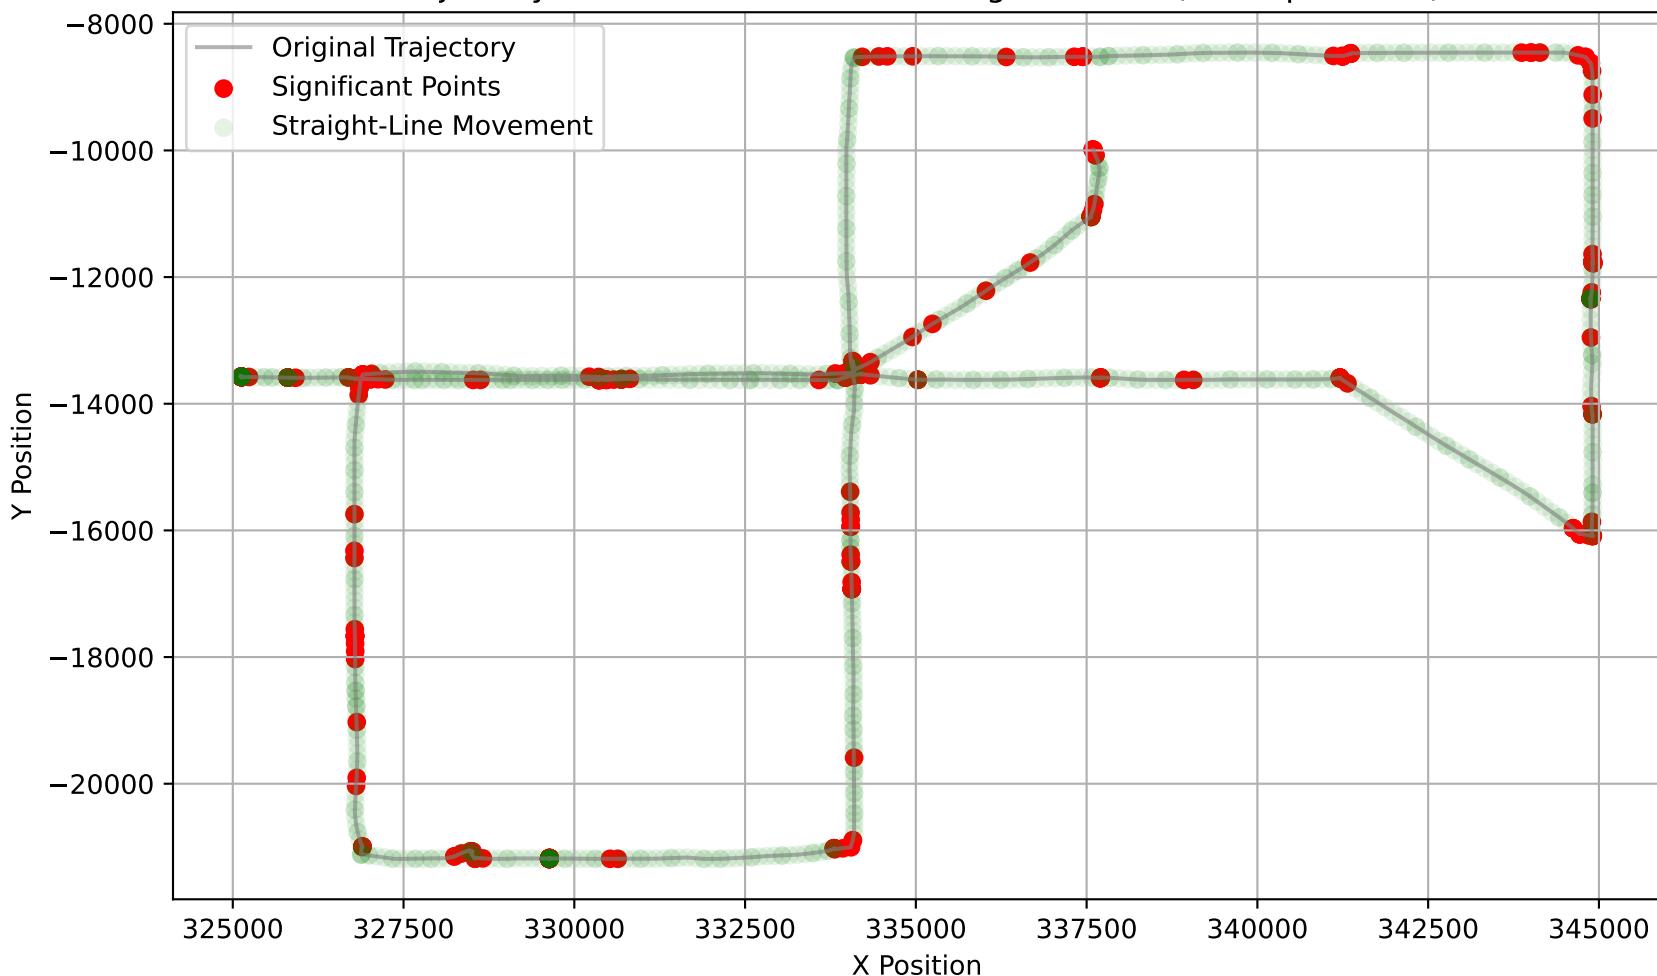

Trajectory with Validated Backtracking Moments (Participant 192)

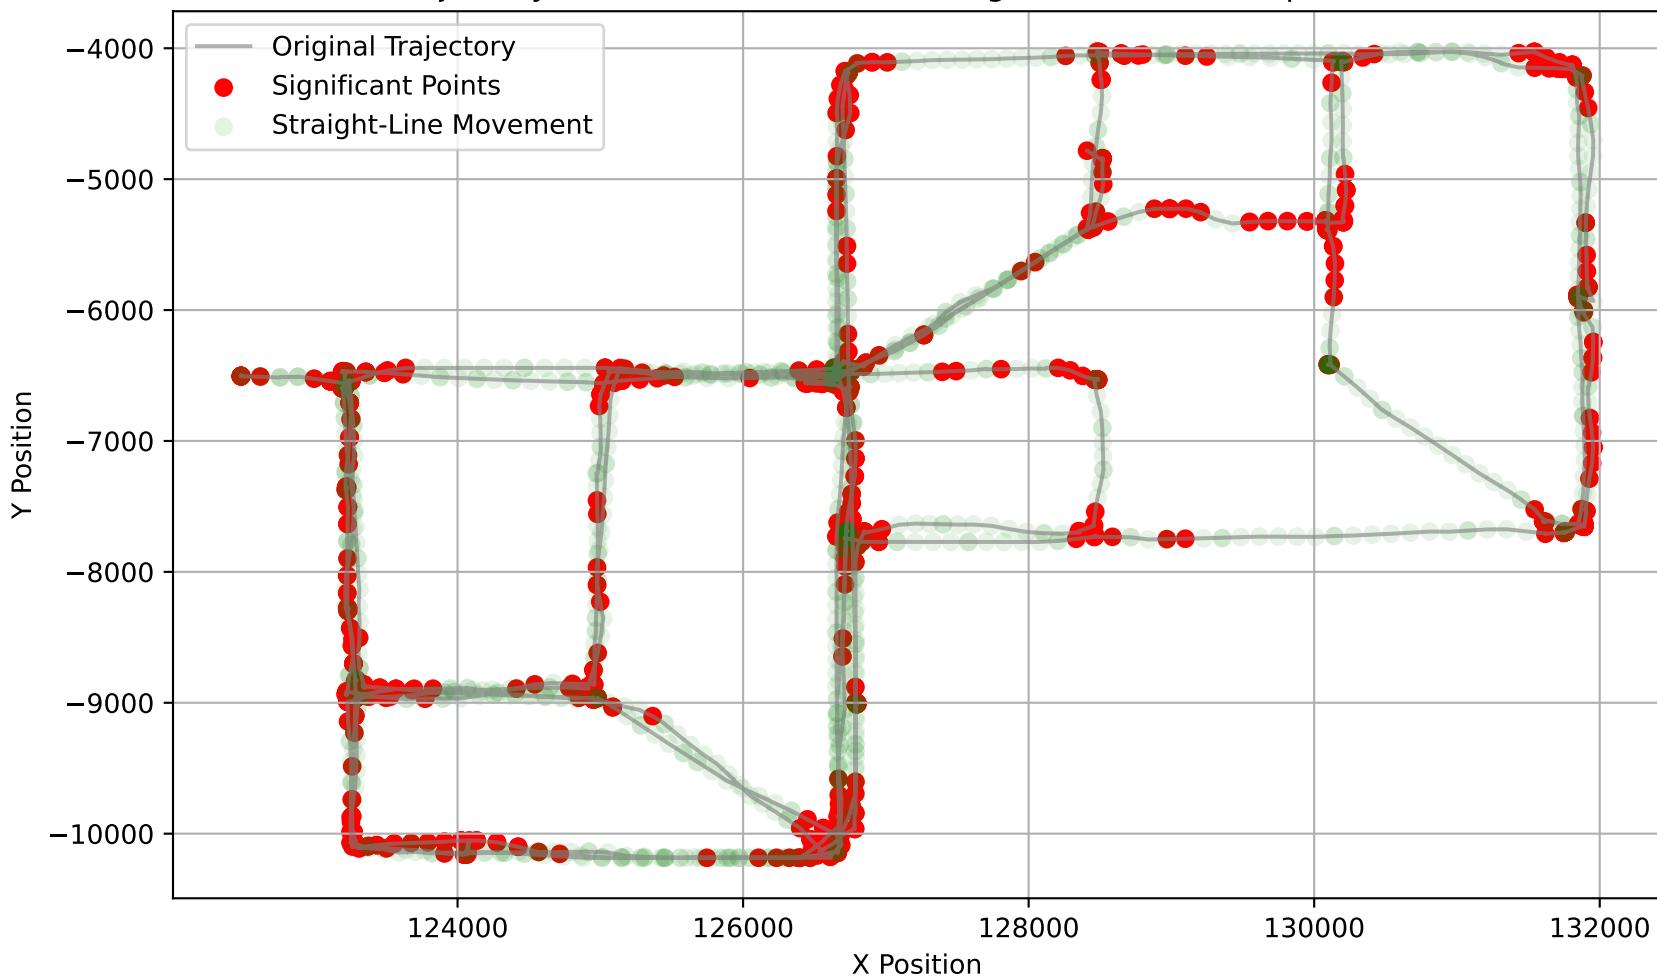

Trajectory with Validated Backtracking Moments (Participant 194)

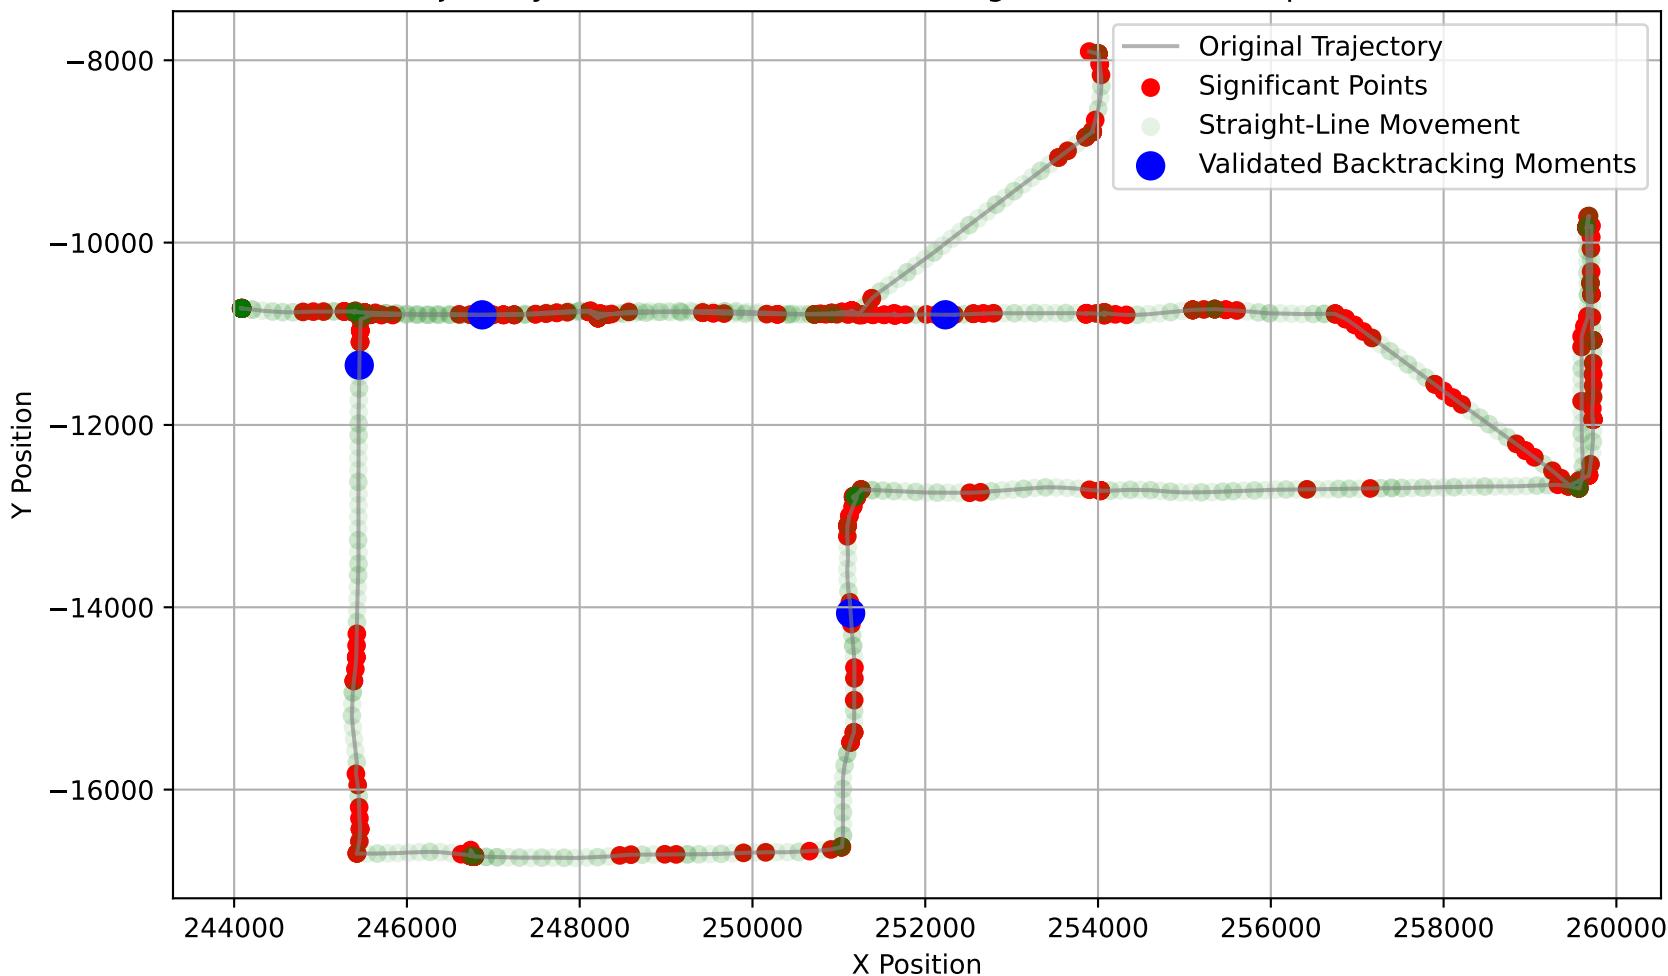

Trajectory with Validated Backtracking Moments (Participant 195)

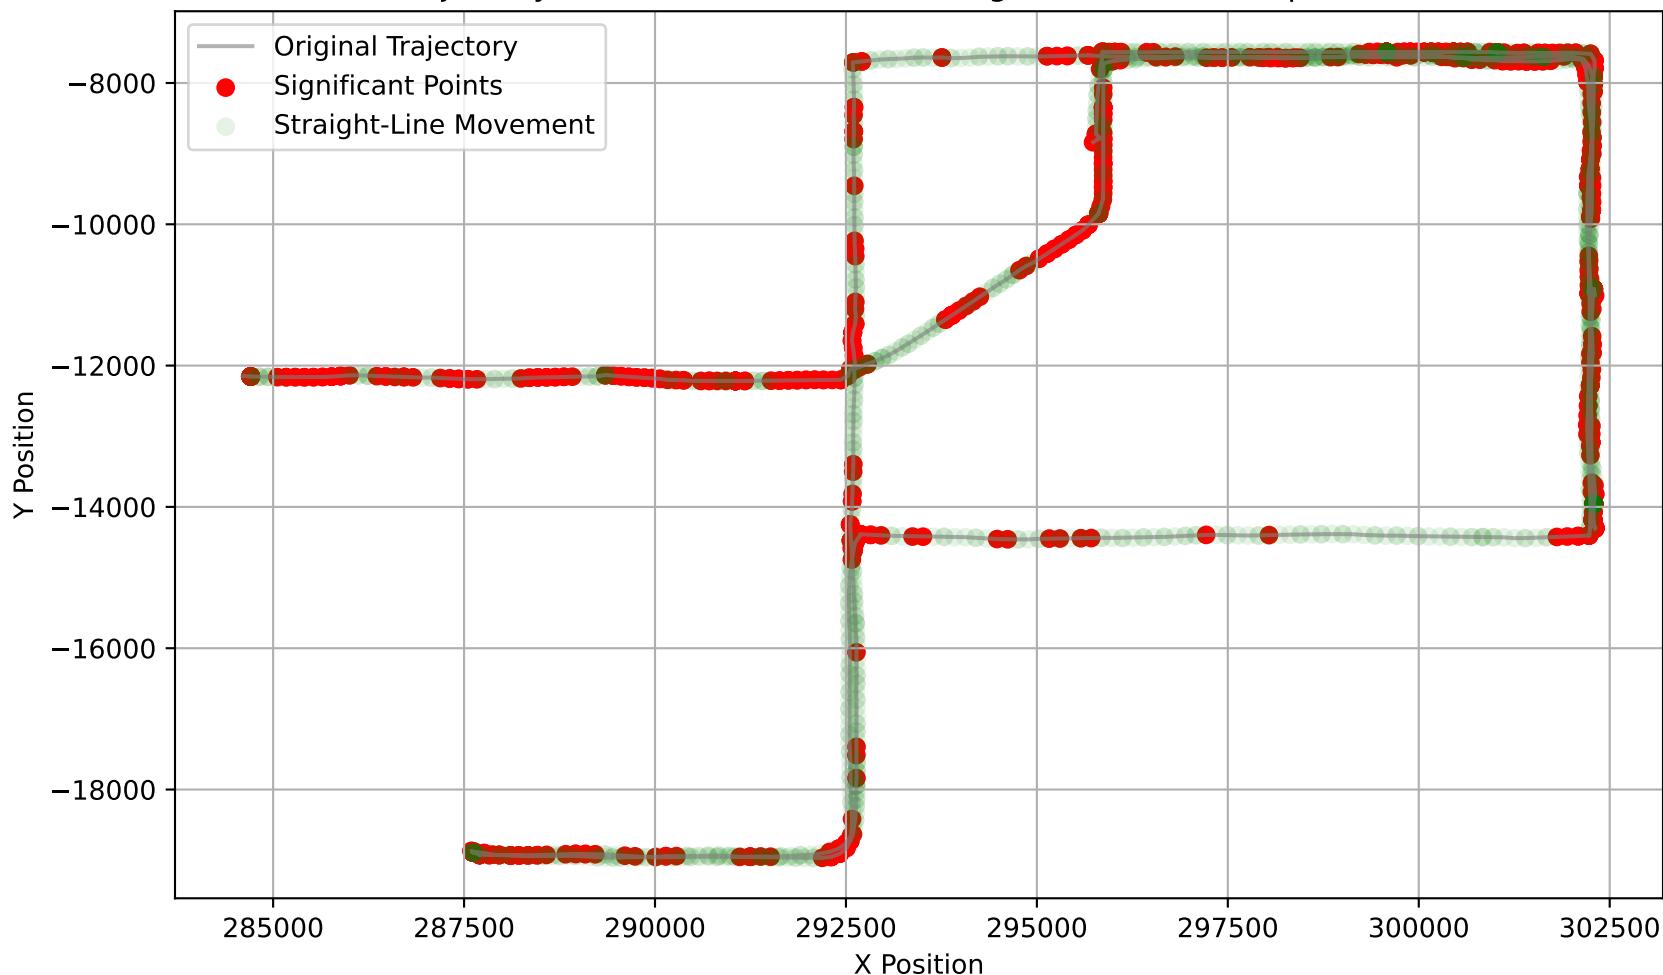

Trajectory with Validated Backtracking Moments (Participant 196)

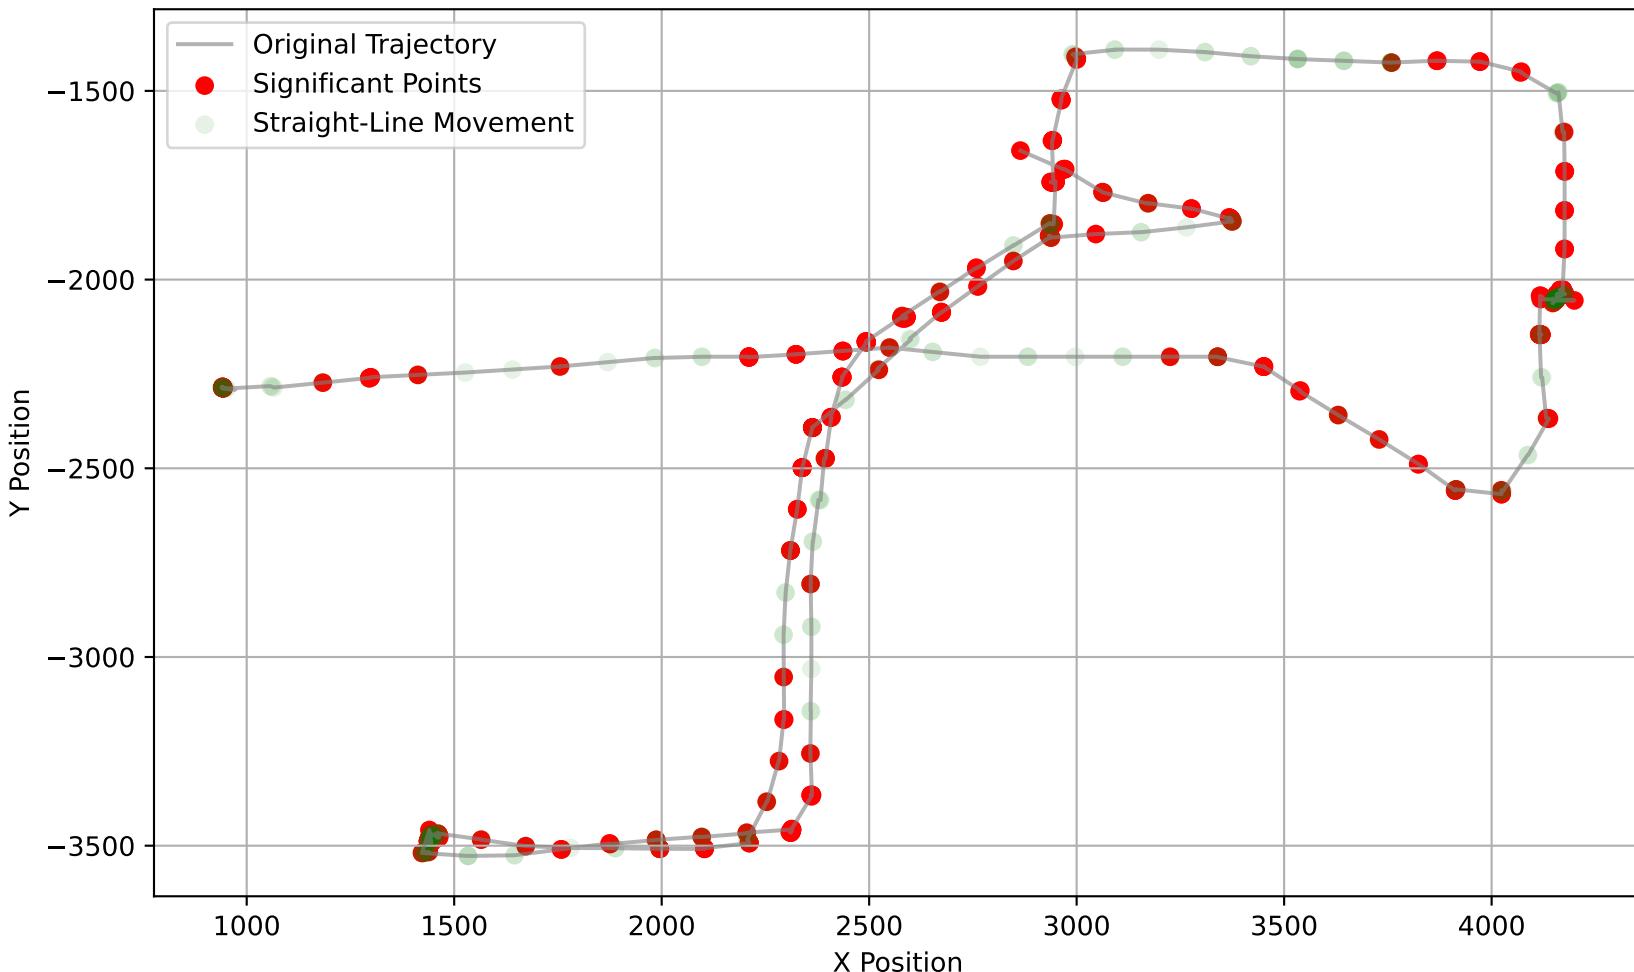

Trajectory with Validated Backtracking Moments (Participant 198)

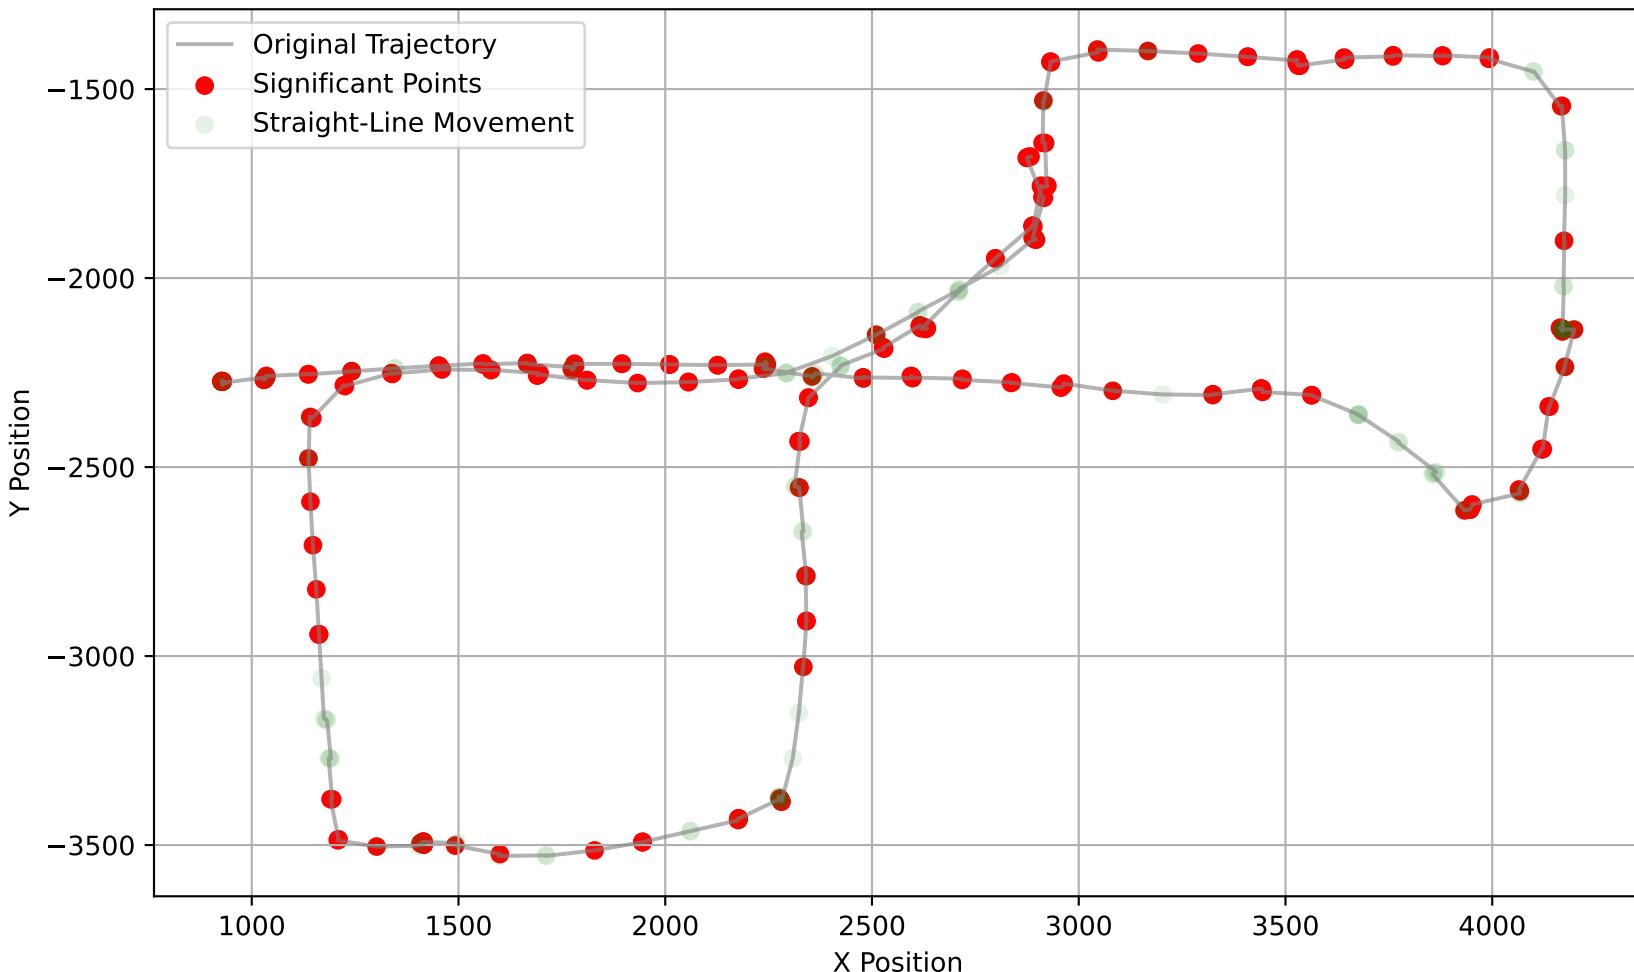

Trajectory with Validated Backtracking Moments (Participant 199)

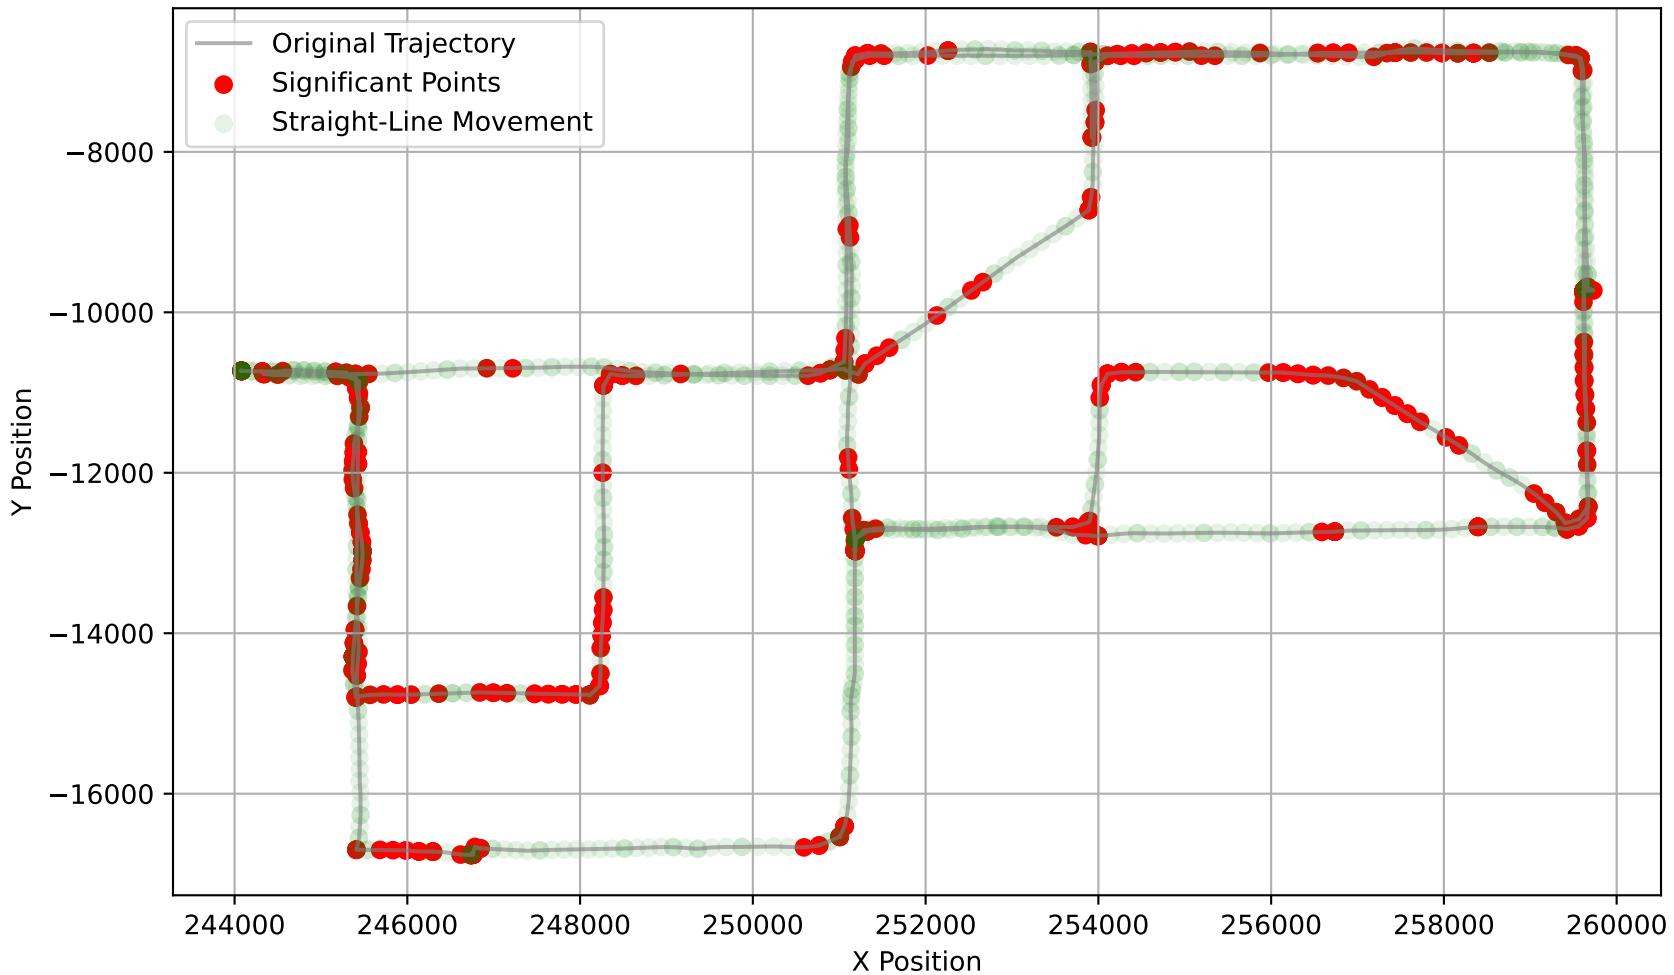

Trajectory with Validated Backtracking Moments (Participant 200)

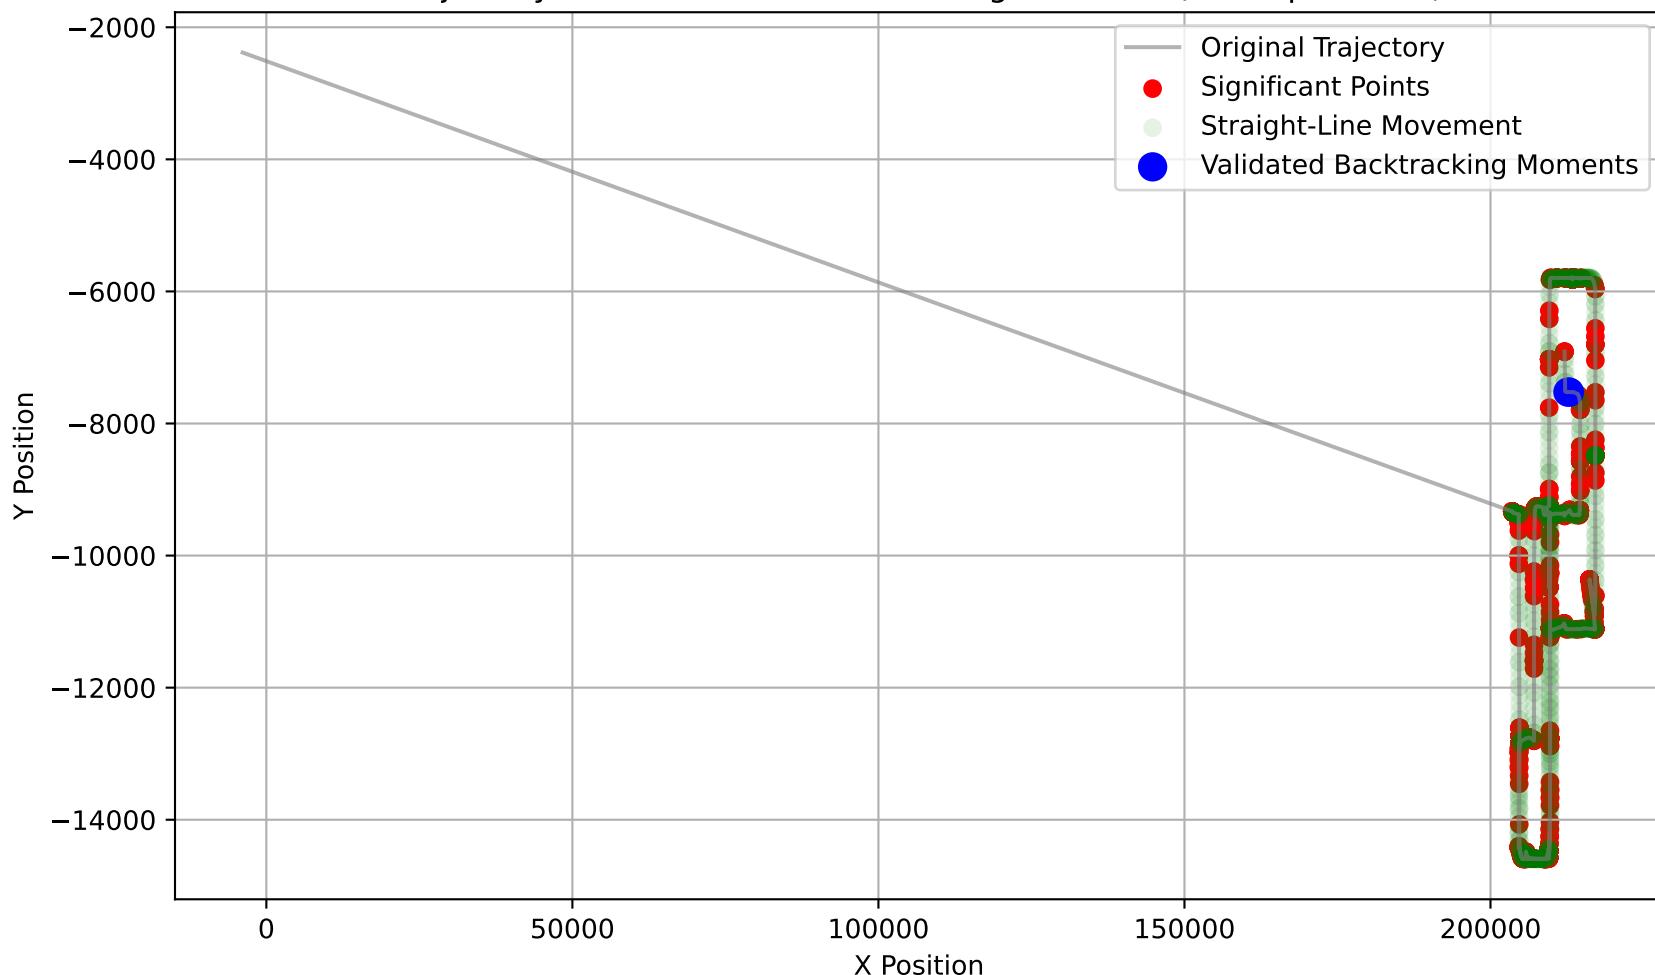

Trajectory with Validated Backtracking Moments (Participant 201)

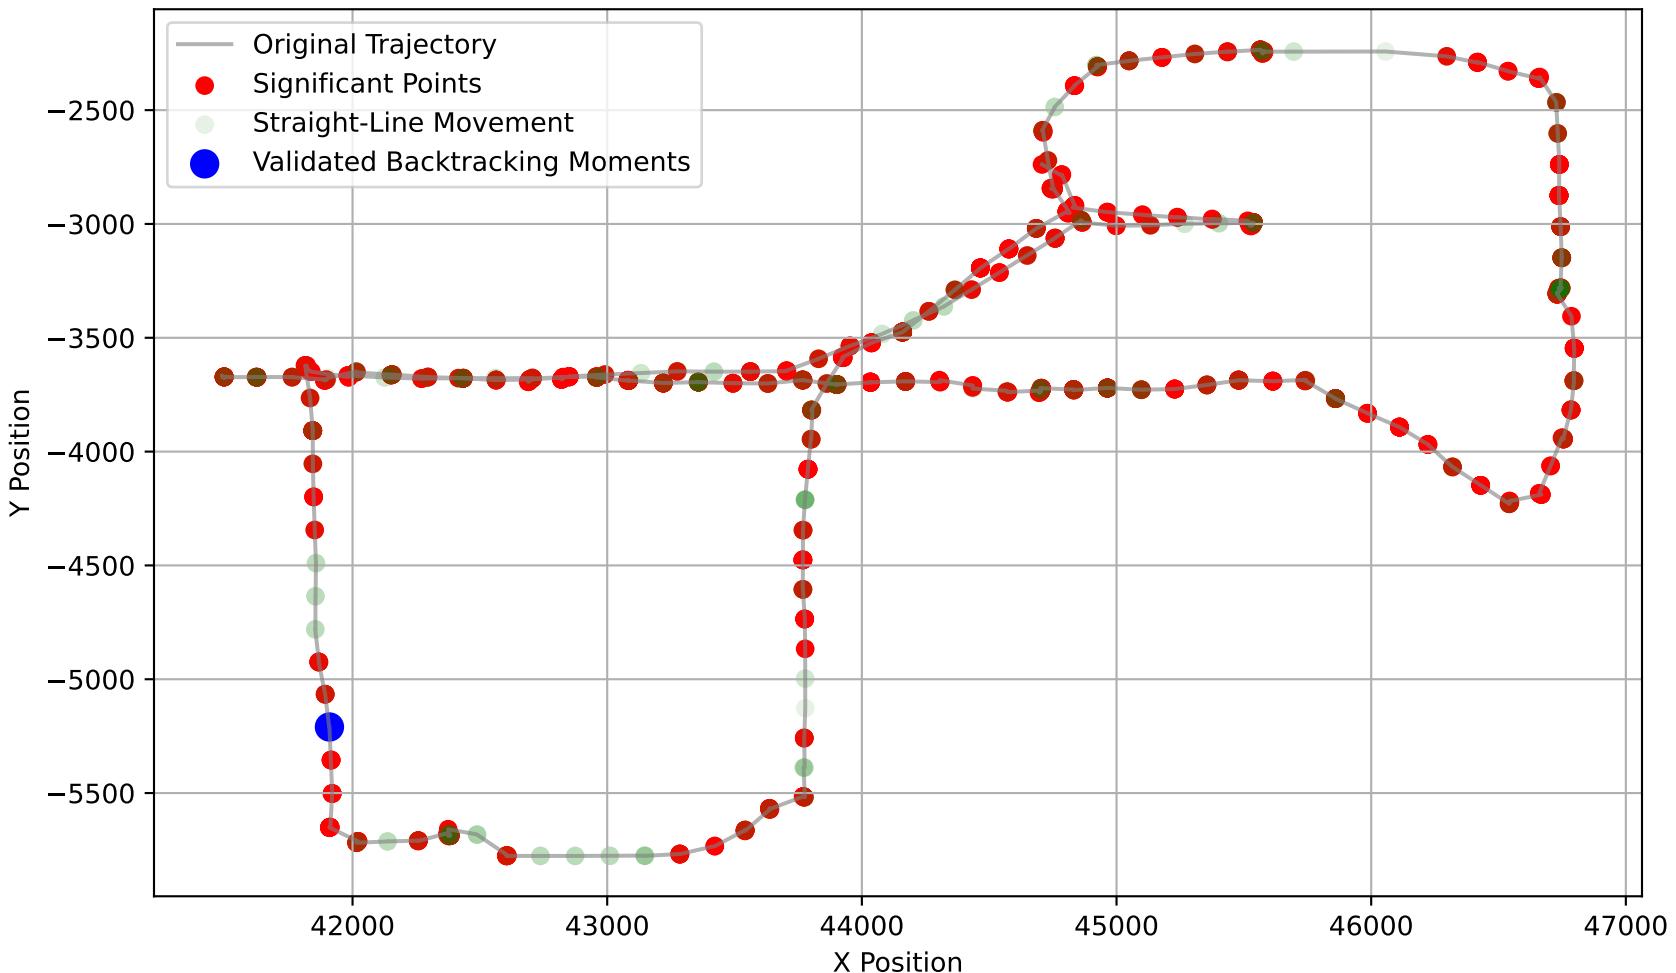

Trajectory with Validated Backtracking Moments (Participant 202)

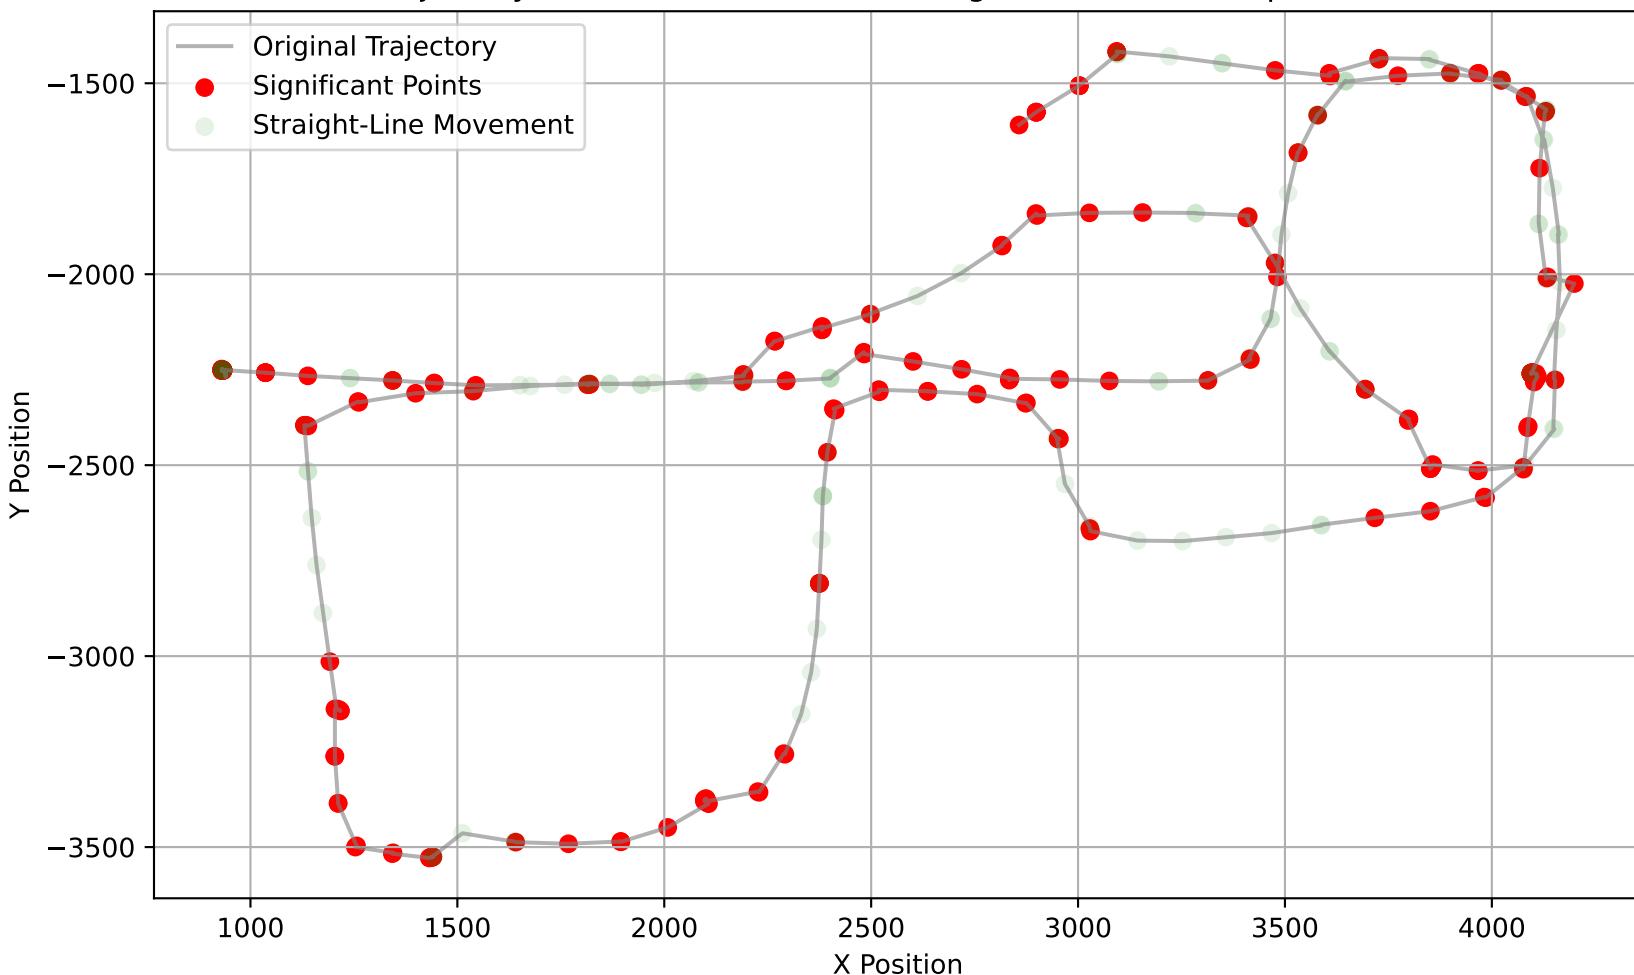

Trajectory with Validated Backtracking Moments (Participant 203)

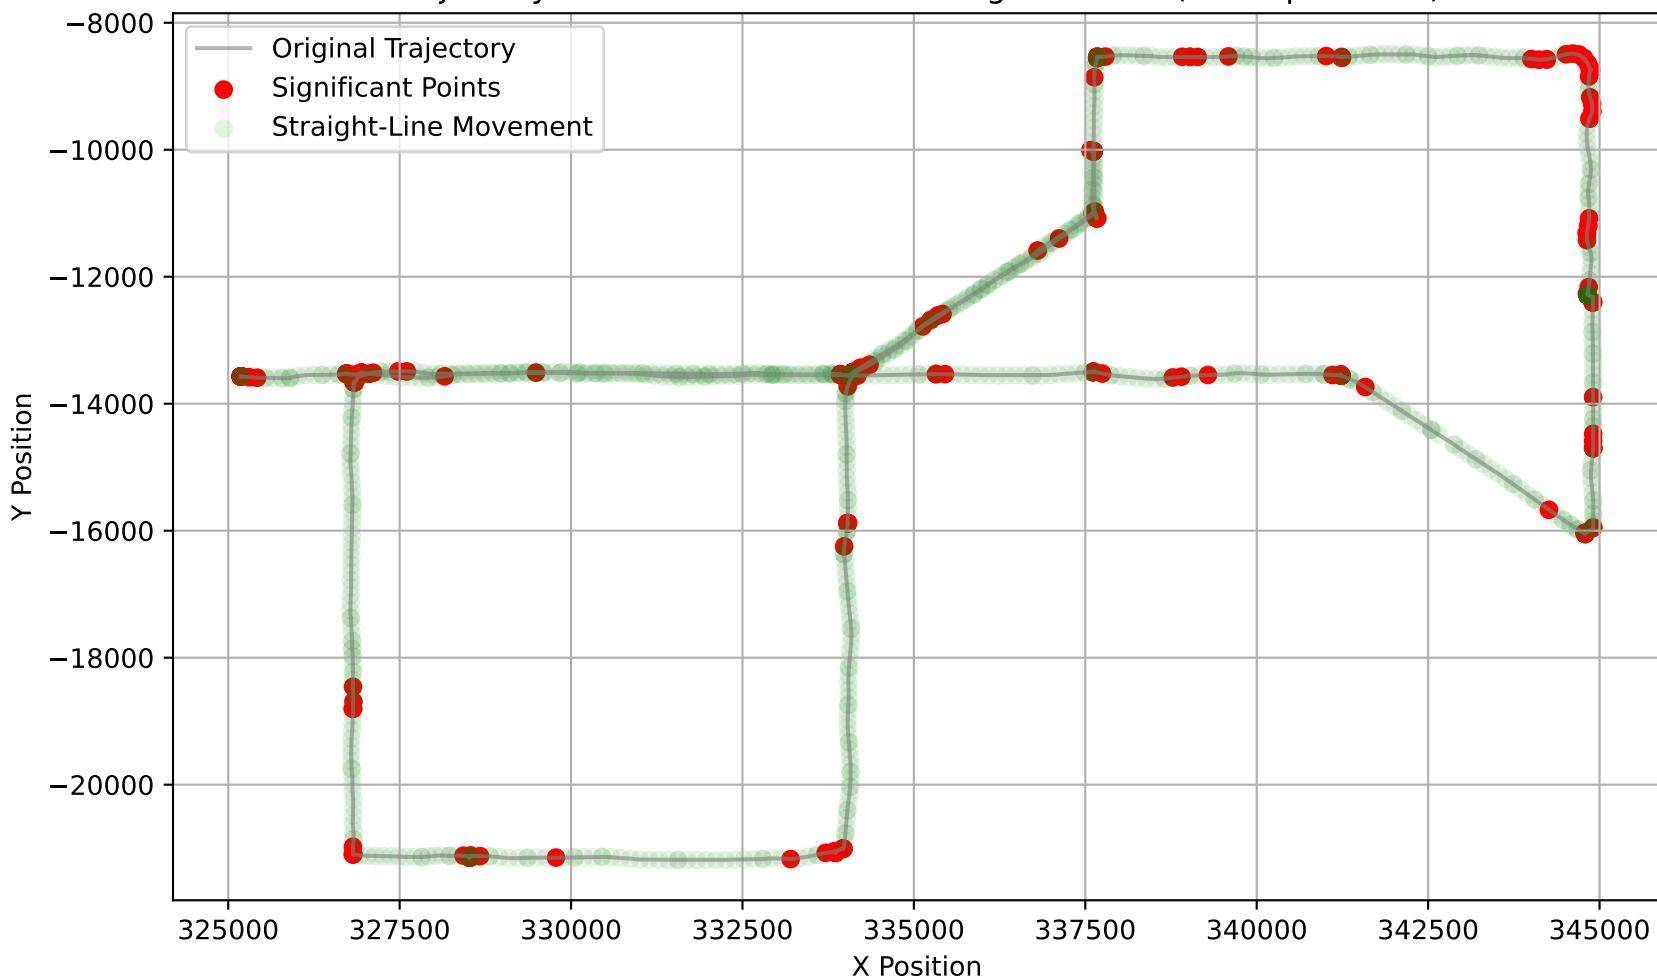

Trajectory with Validated Backtracking Moments (Participant 204)

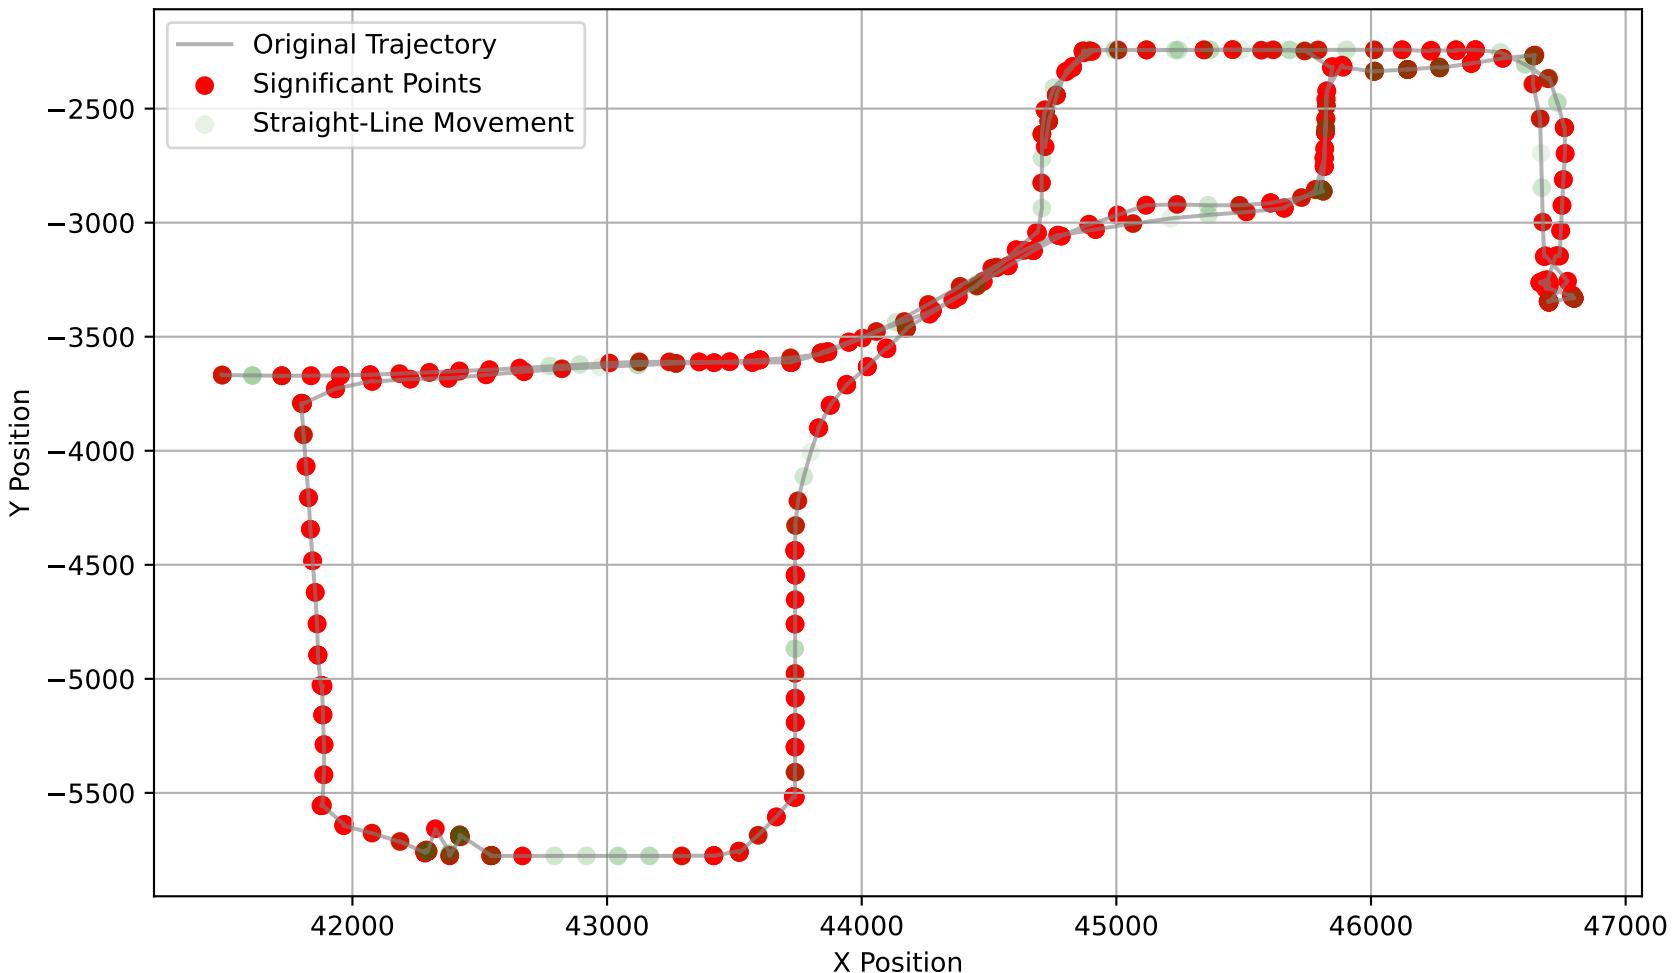

Trajectory with Validated Backtracking Moments (Participant 206)

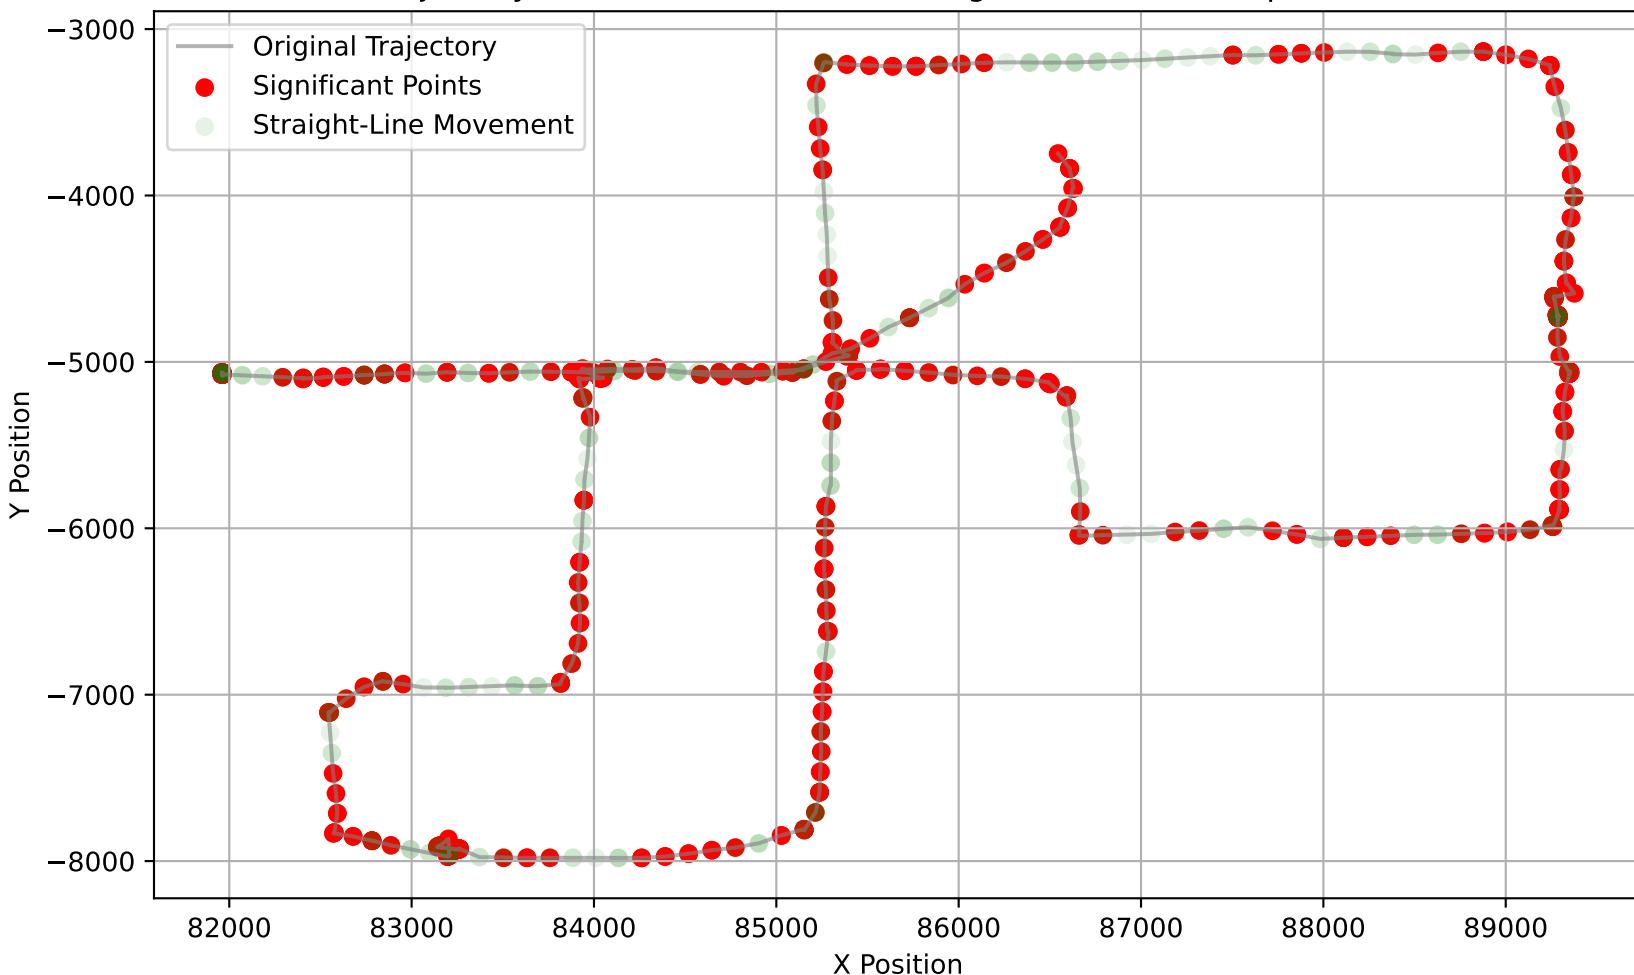

Trajectory with Validated Backtracking Moments (Participant 207)

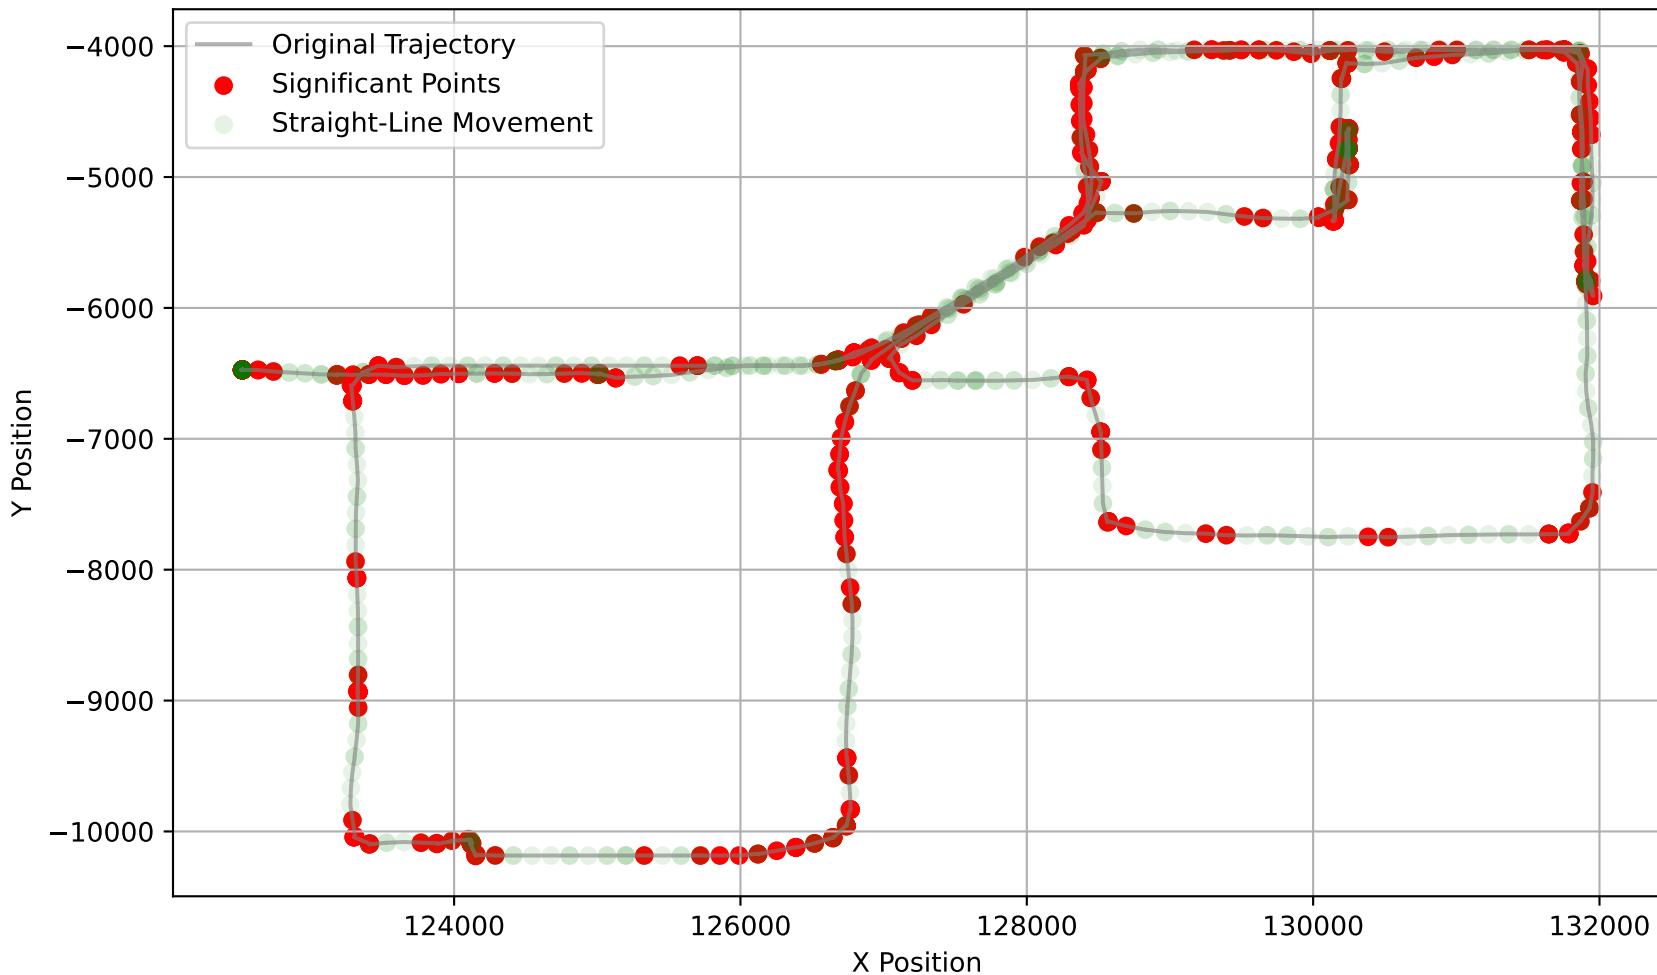

Trajectory with Validated Backtracking Moments (Participant 208)

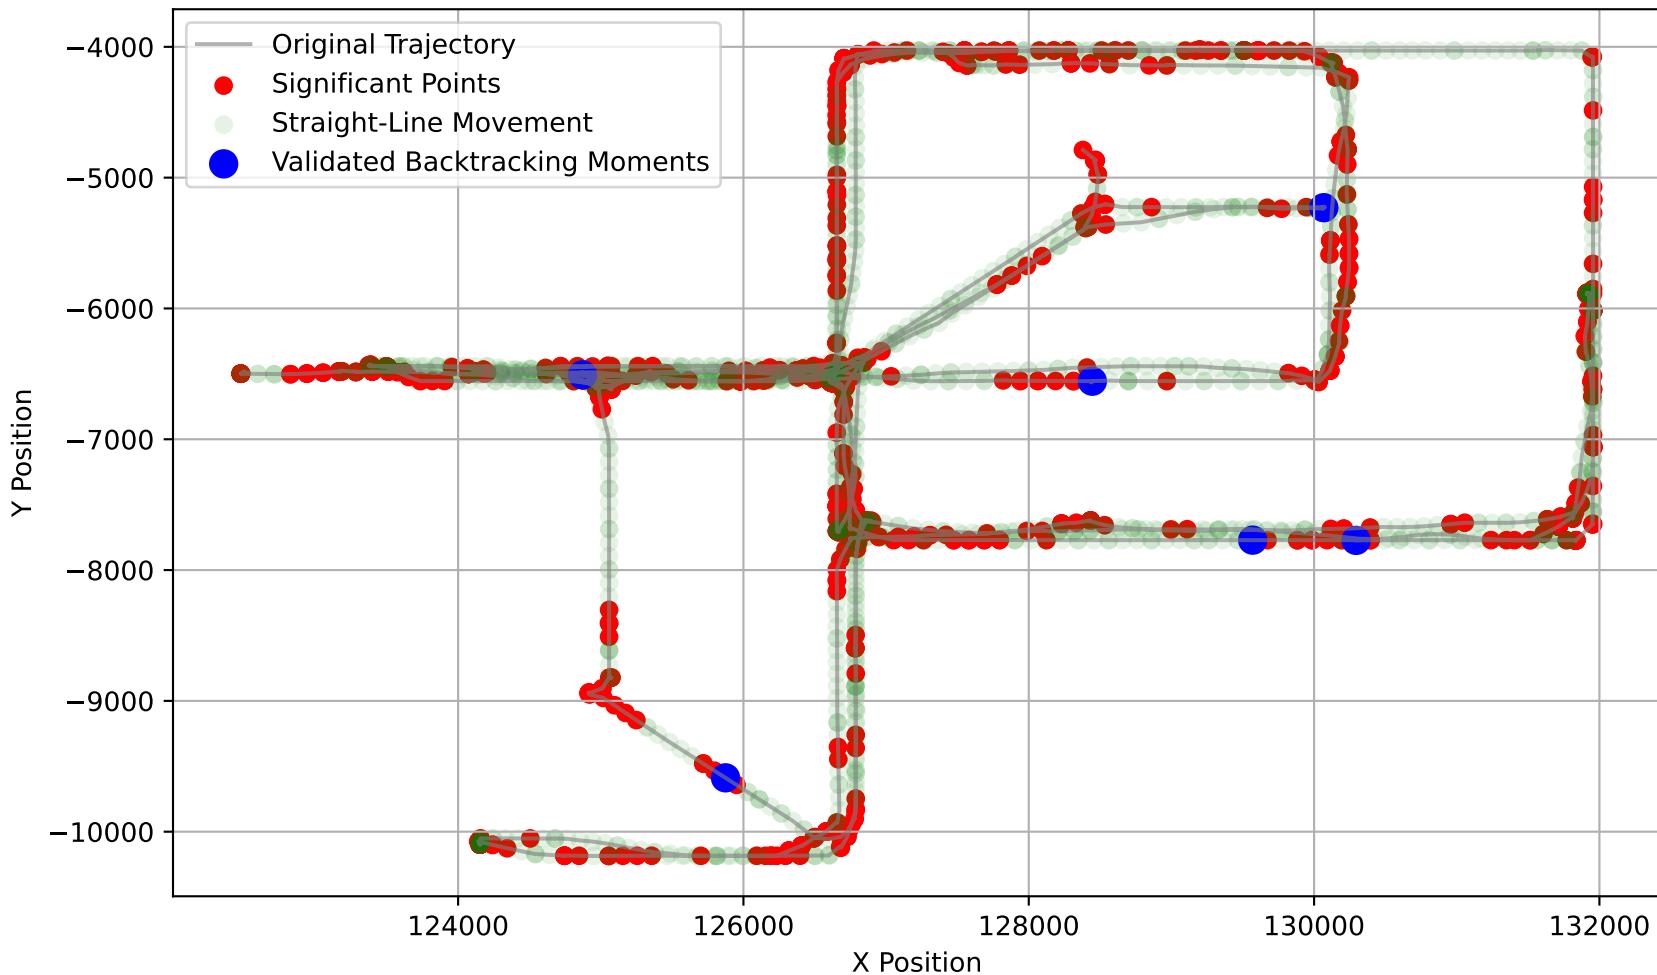

Trajectory with Validated Backtracking Moments (Participant 209)

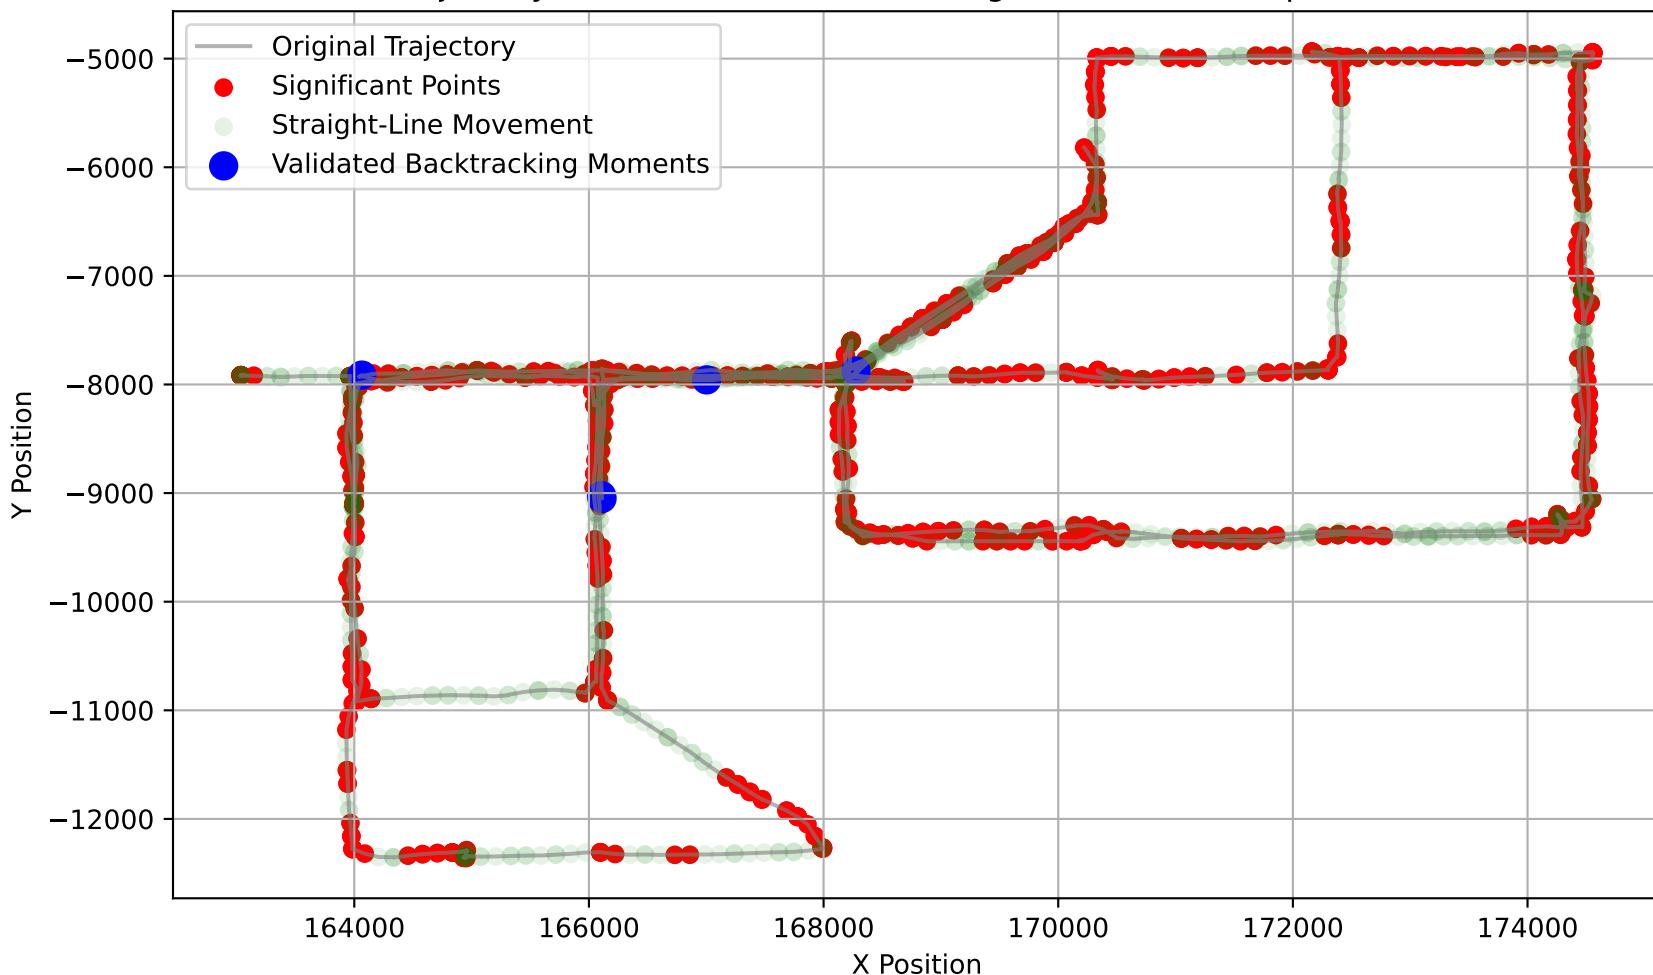

Trajectory with Validated Backtracking Moments (Participant 210)

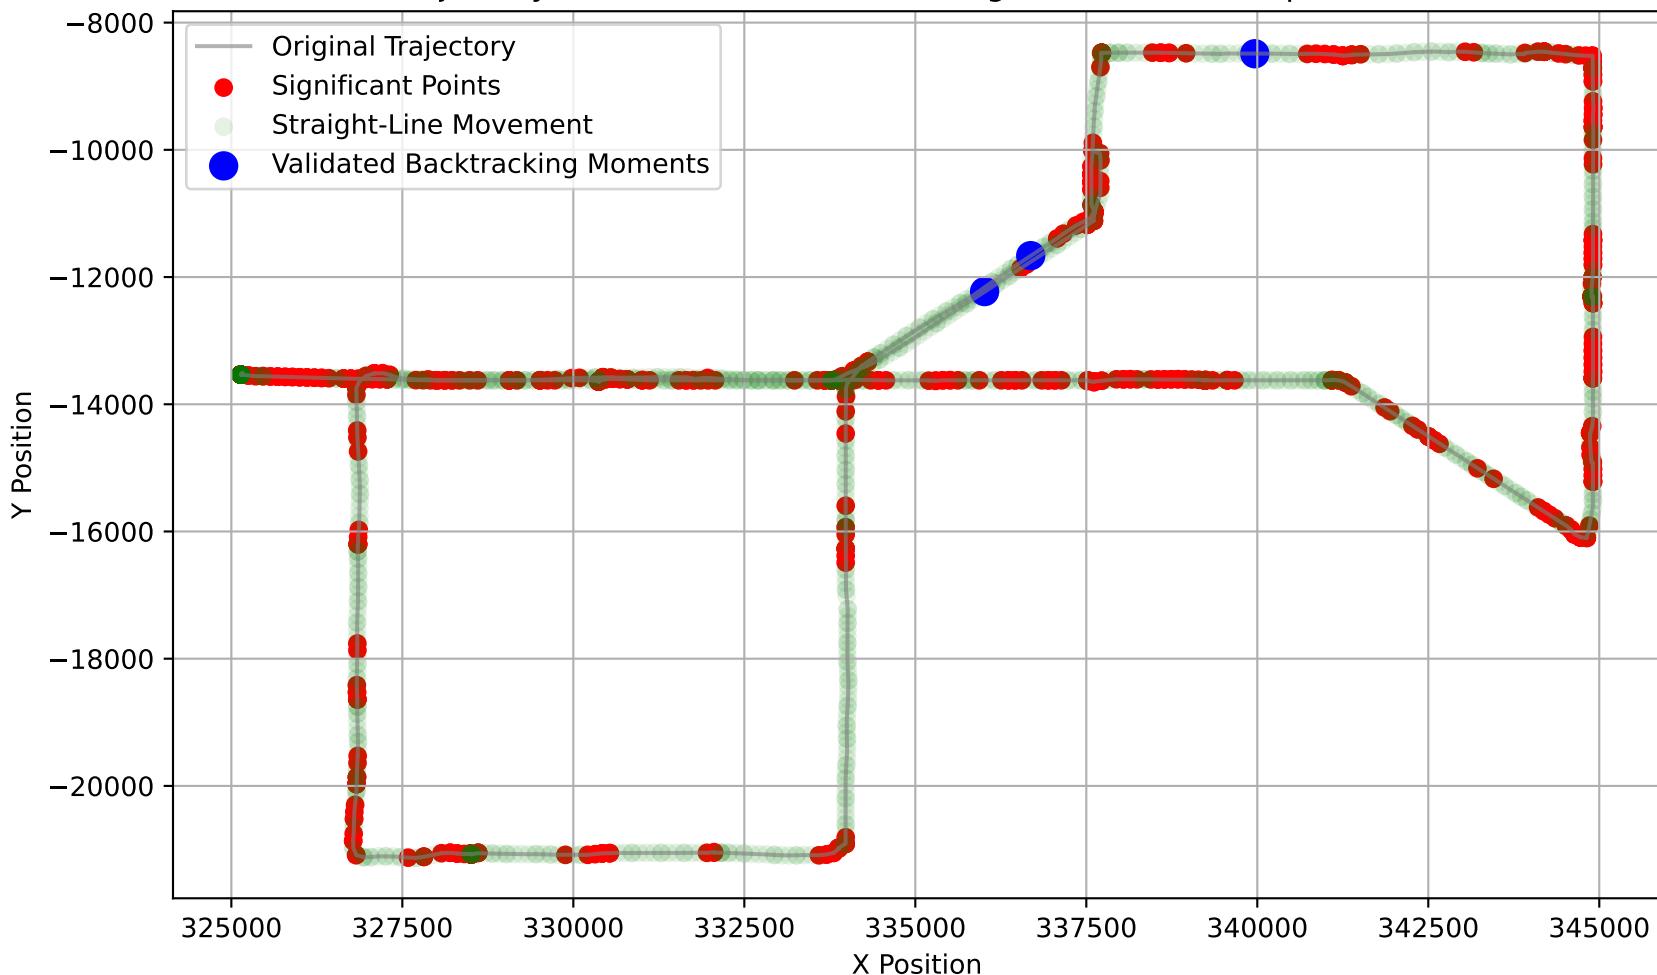

Trajectory with Validated Backtracking Moments (Participant 211)

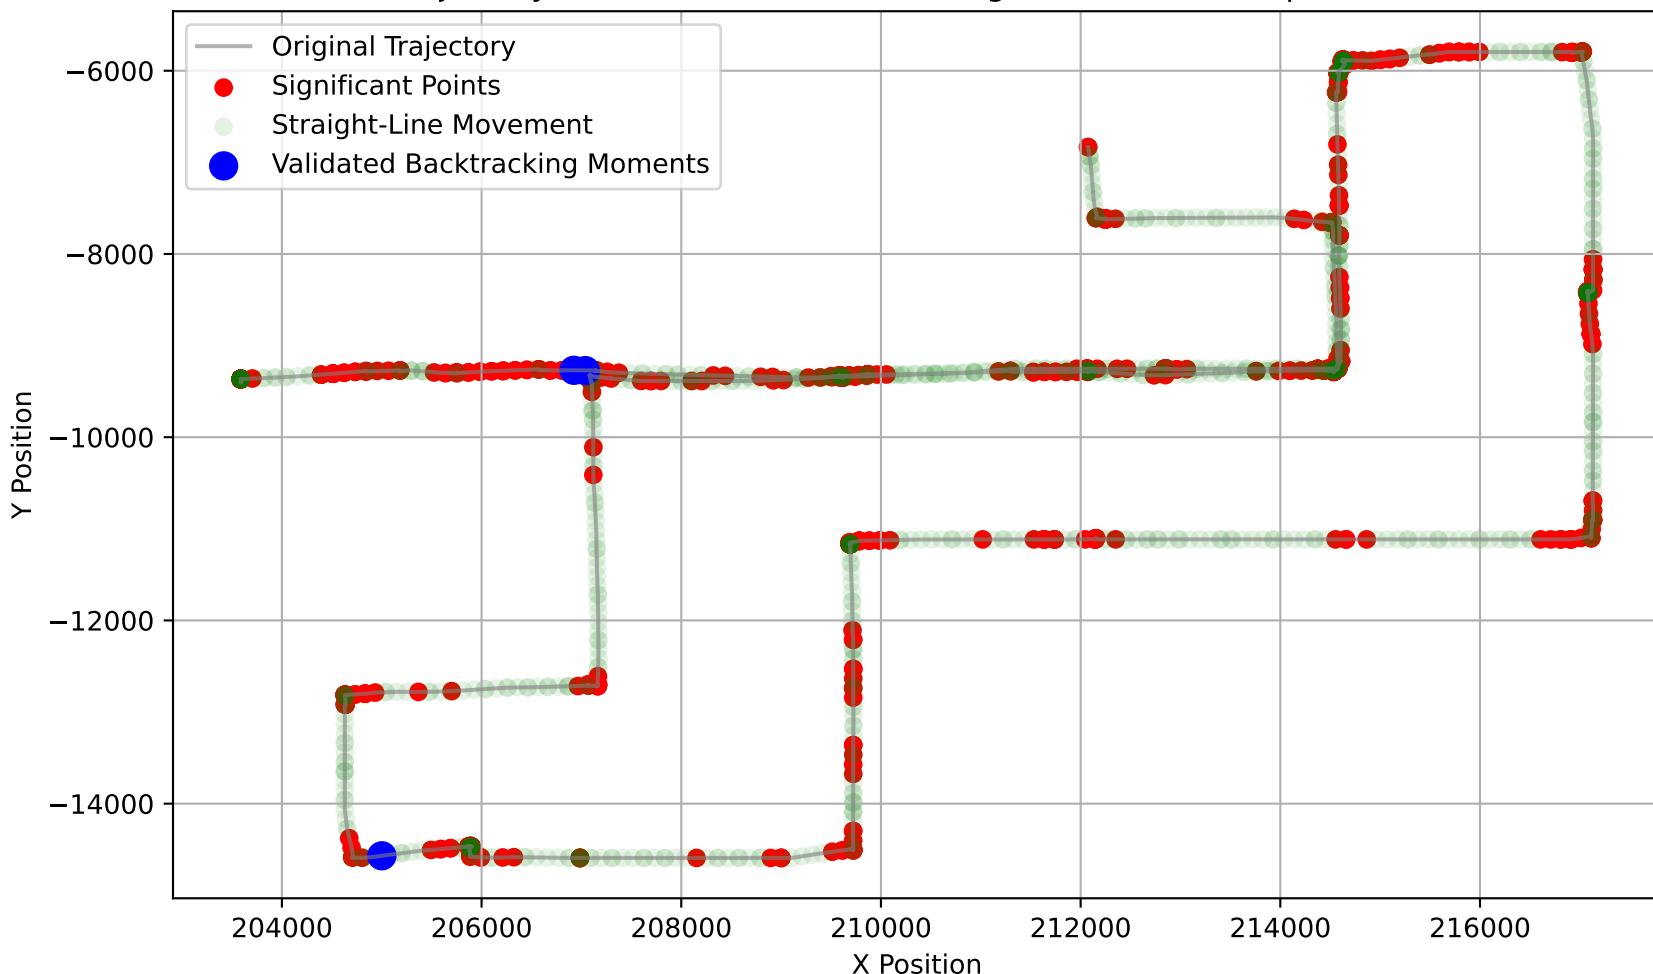

Trajectory with Validated Backtracking Moments (Participant 213)

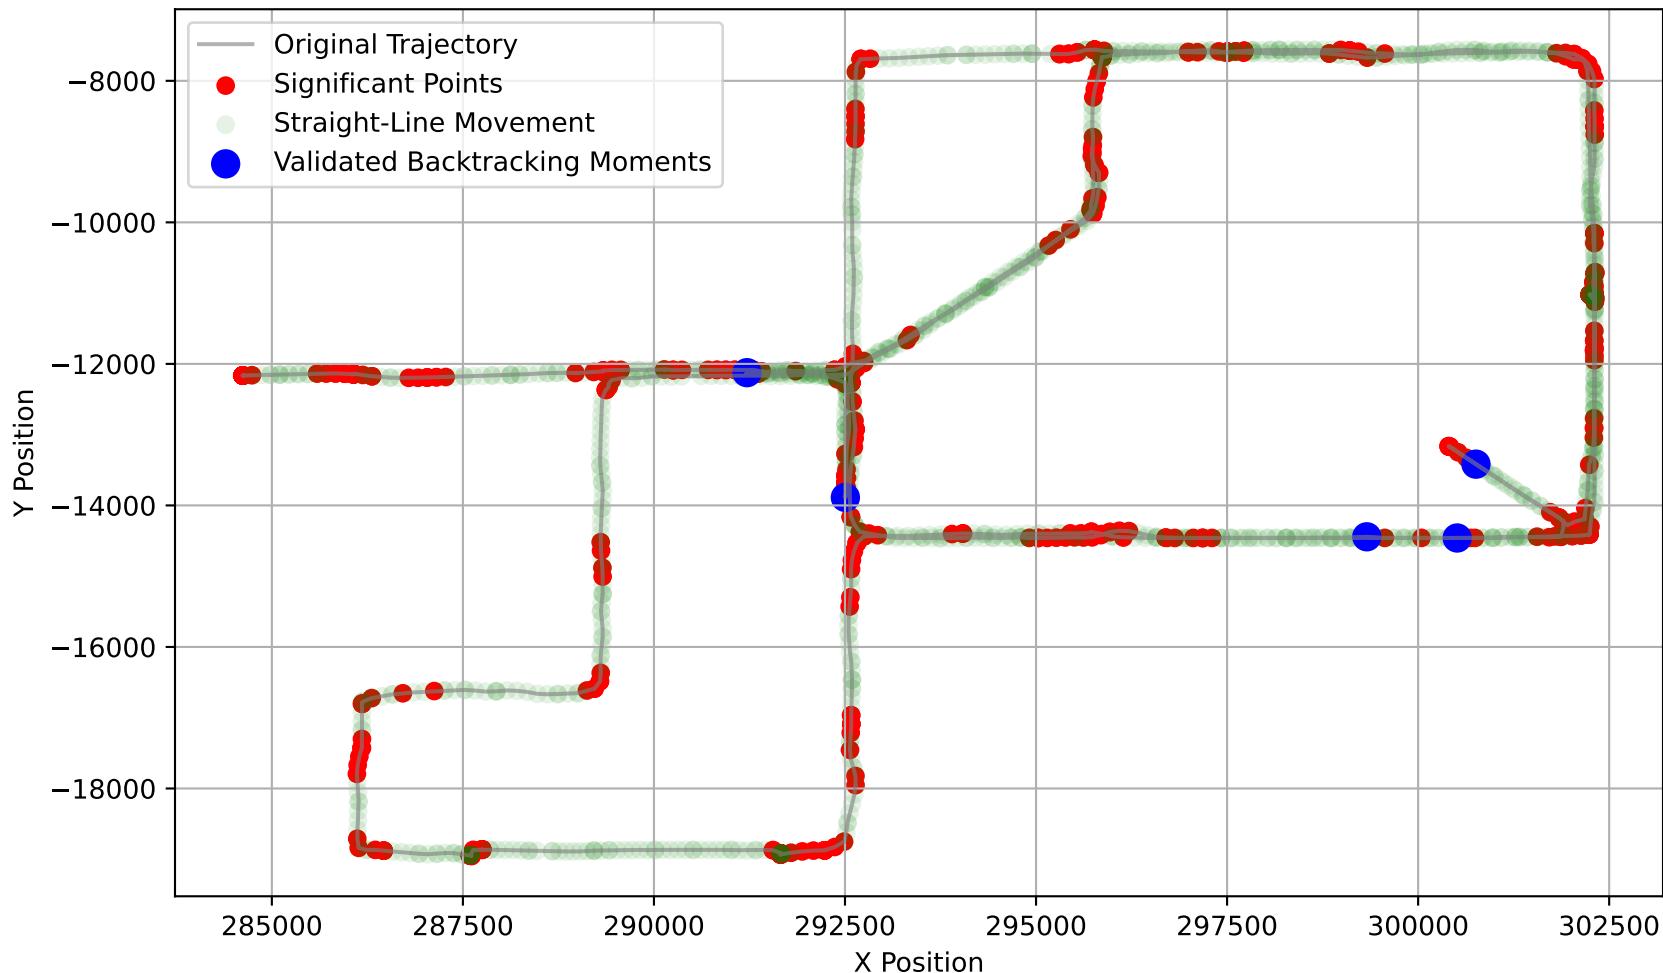

Trajectory with Validated Backtracking Moments (Participant 214)

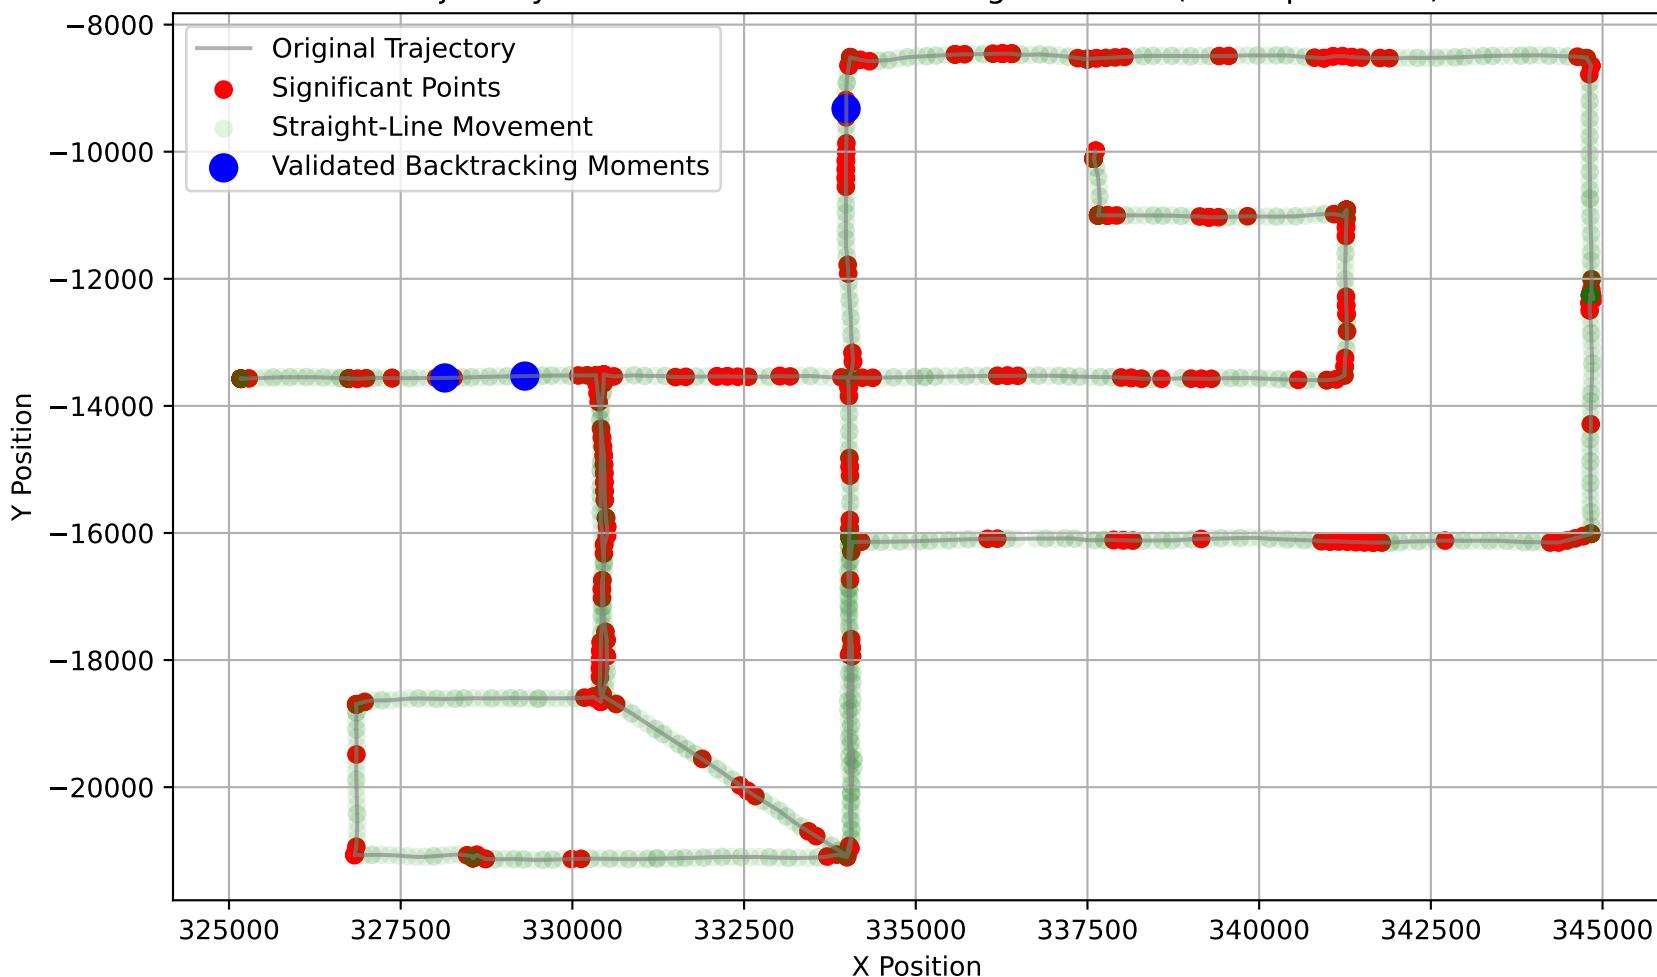

Trajectory with Validated Backtracking Moments (Participant 215)

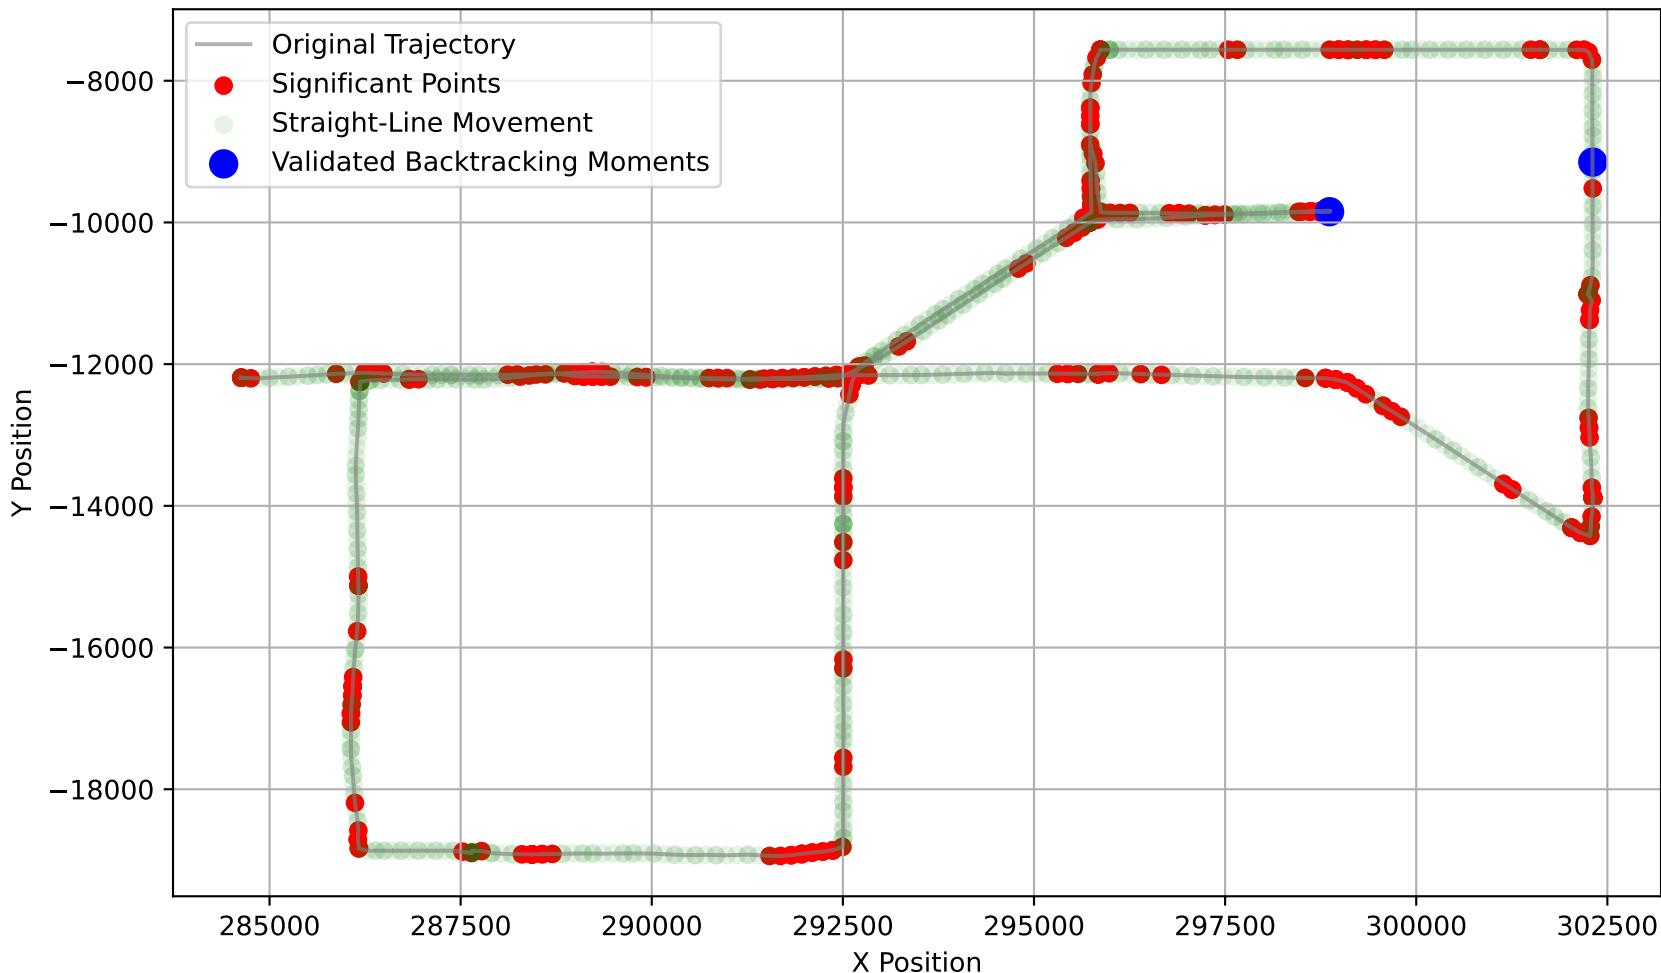

Trajectory with Validated Backtracking Moments (Participant 216)

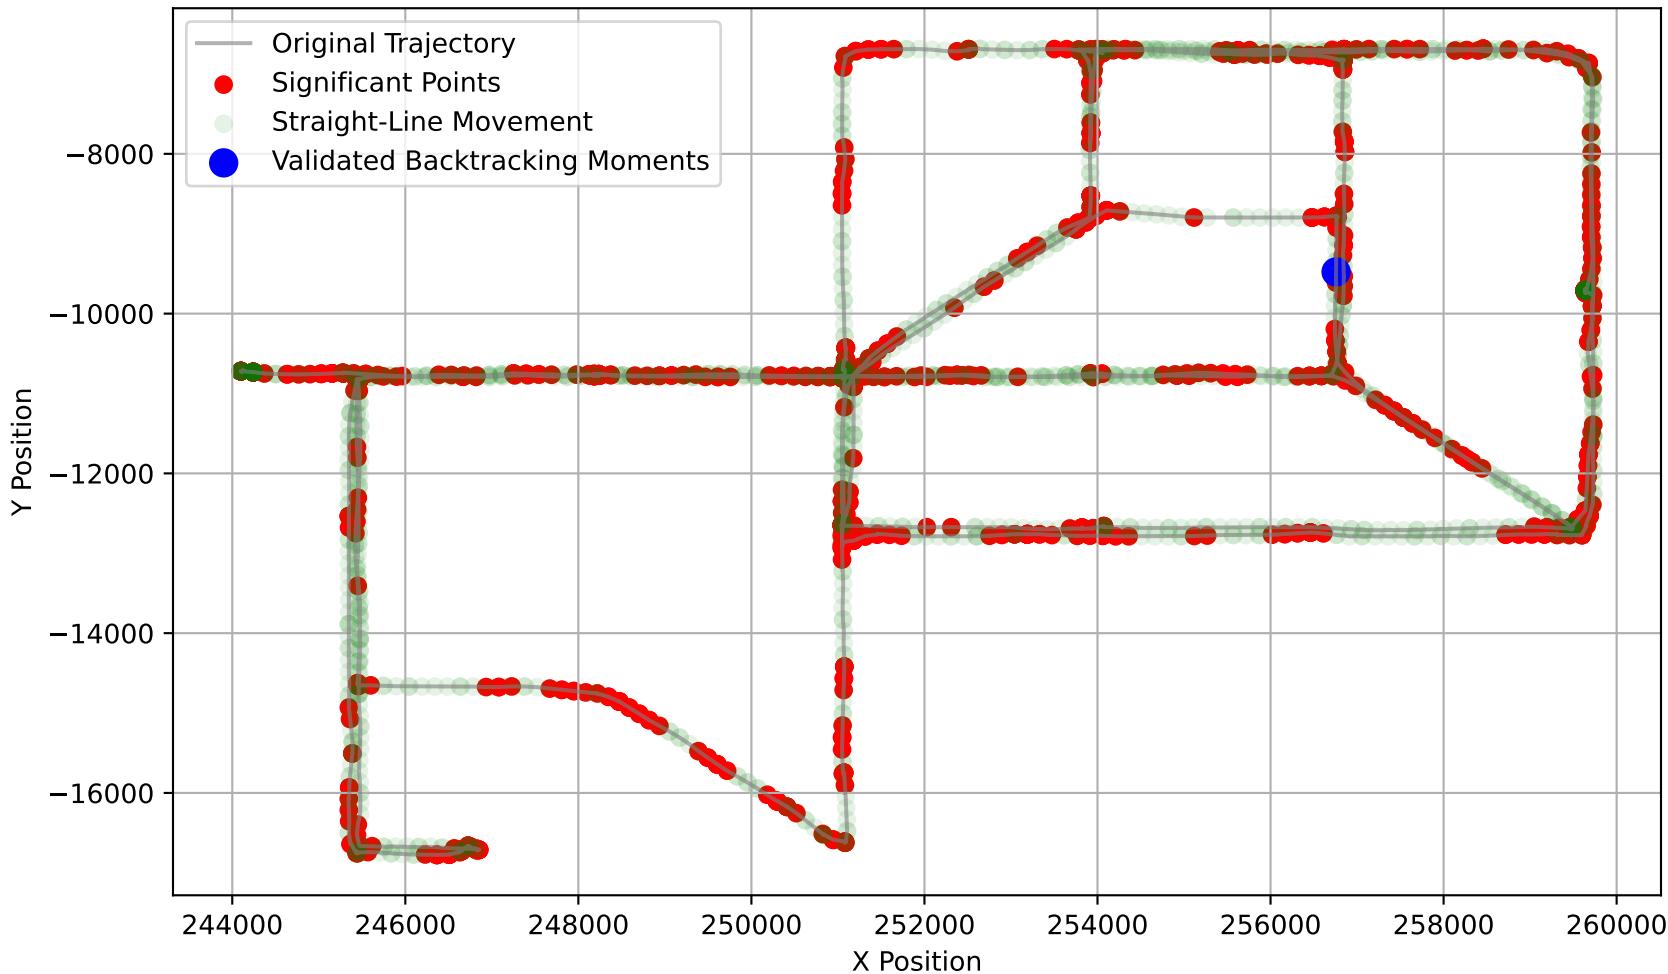

Trajectory with Validated Backtracking Moments (Participant 217)

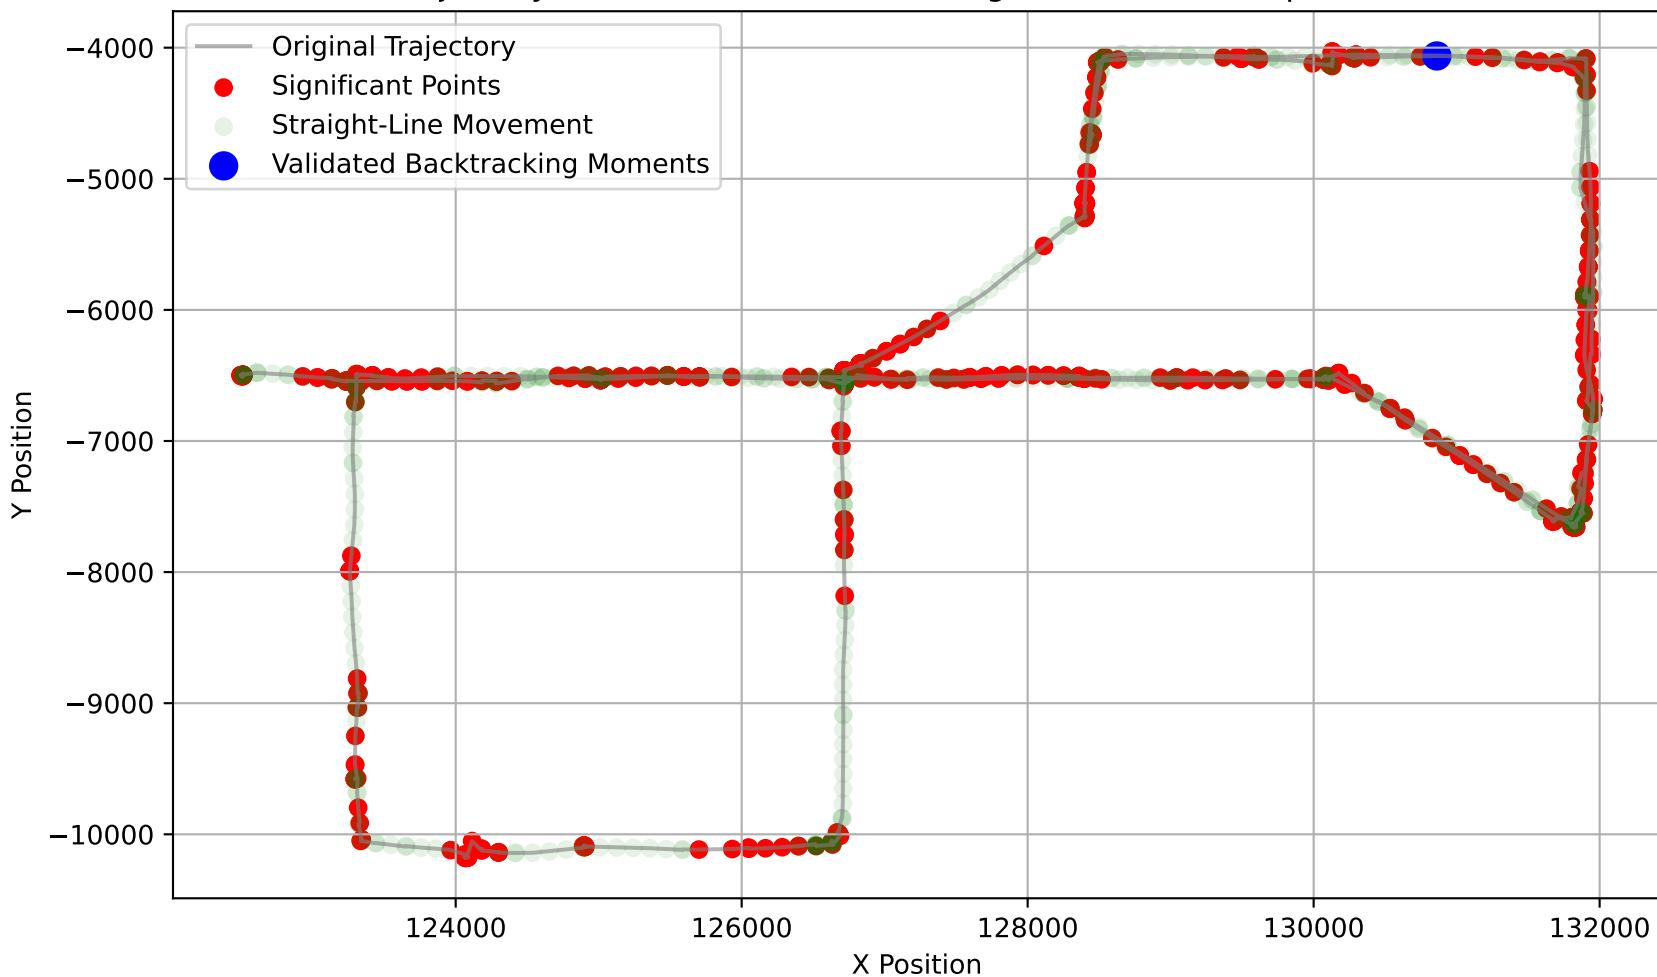

Trajectory with Validated Backtracking Moments (Participant 218)

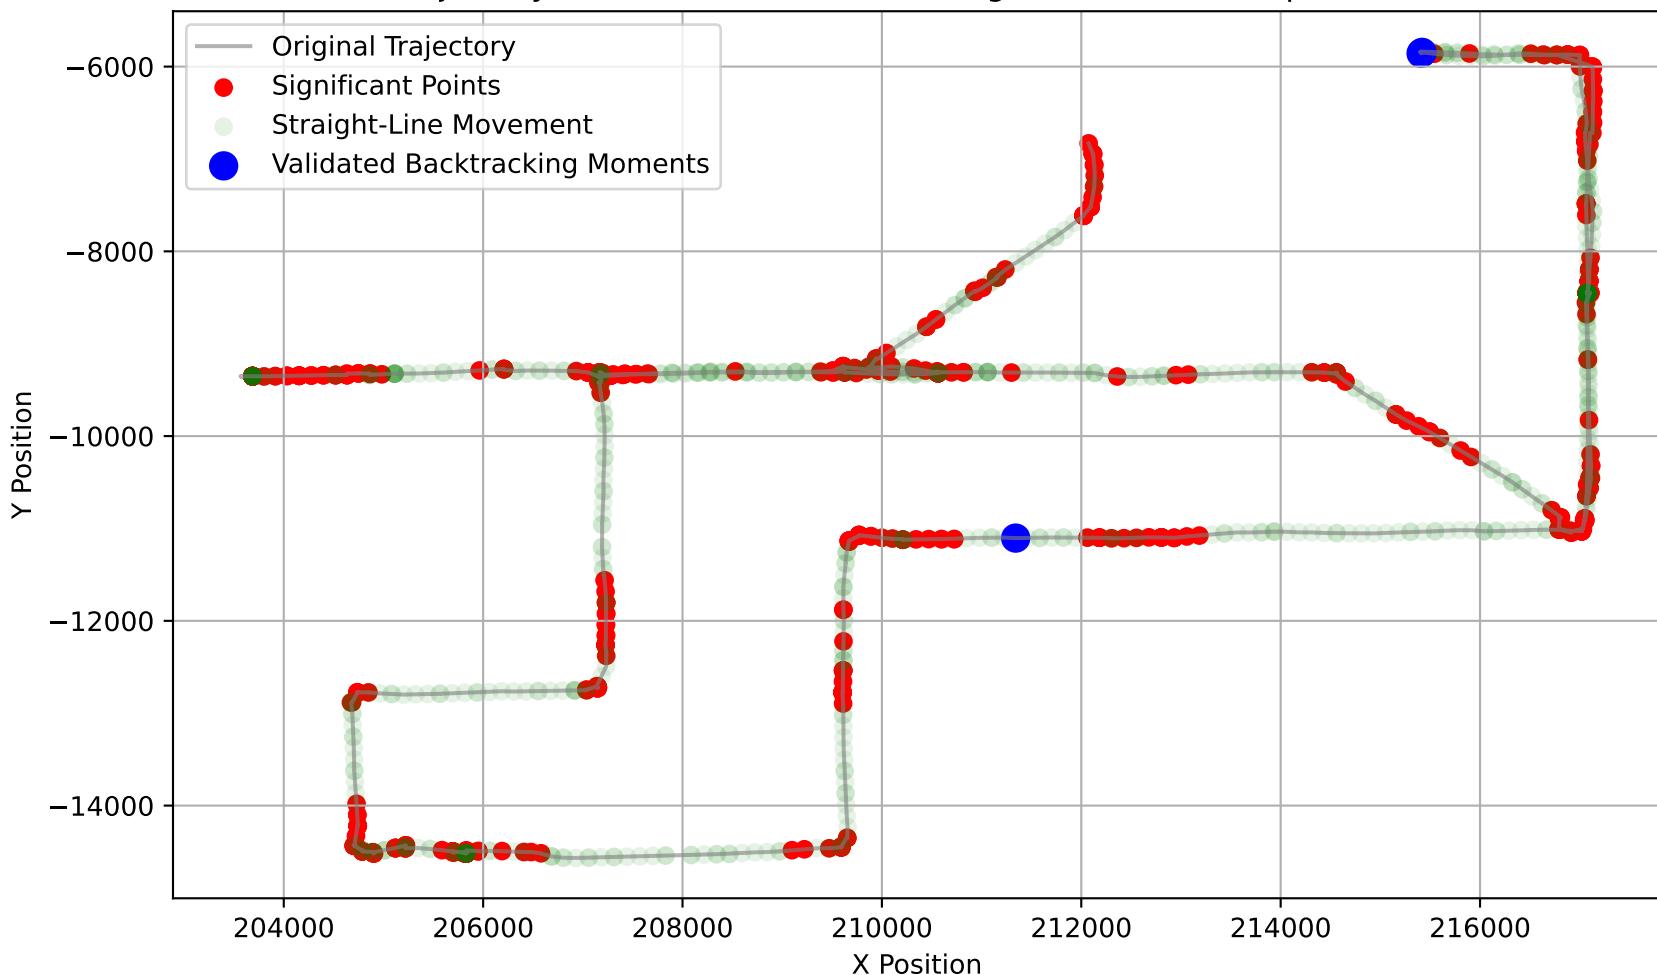

Trajectory with Validated Backtracking Moments (Participant 220)

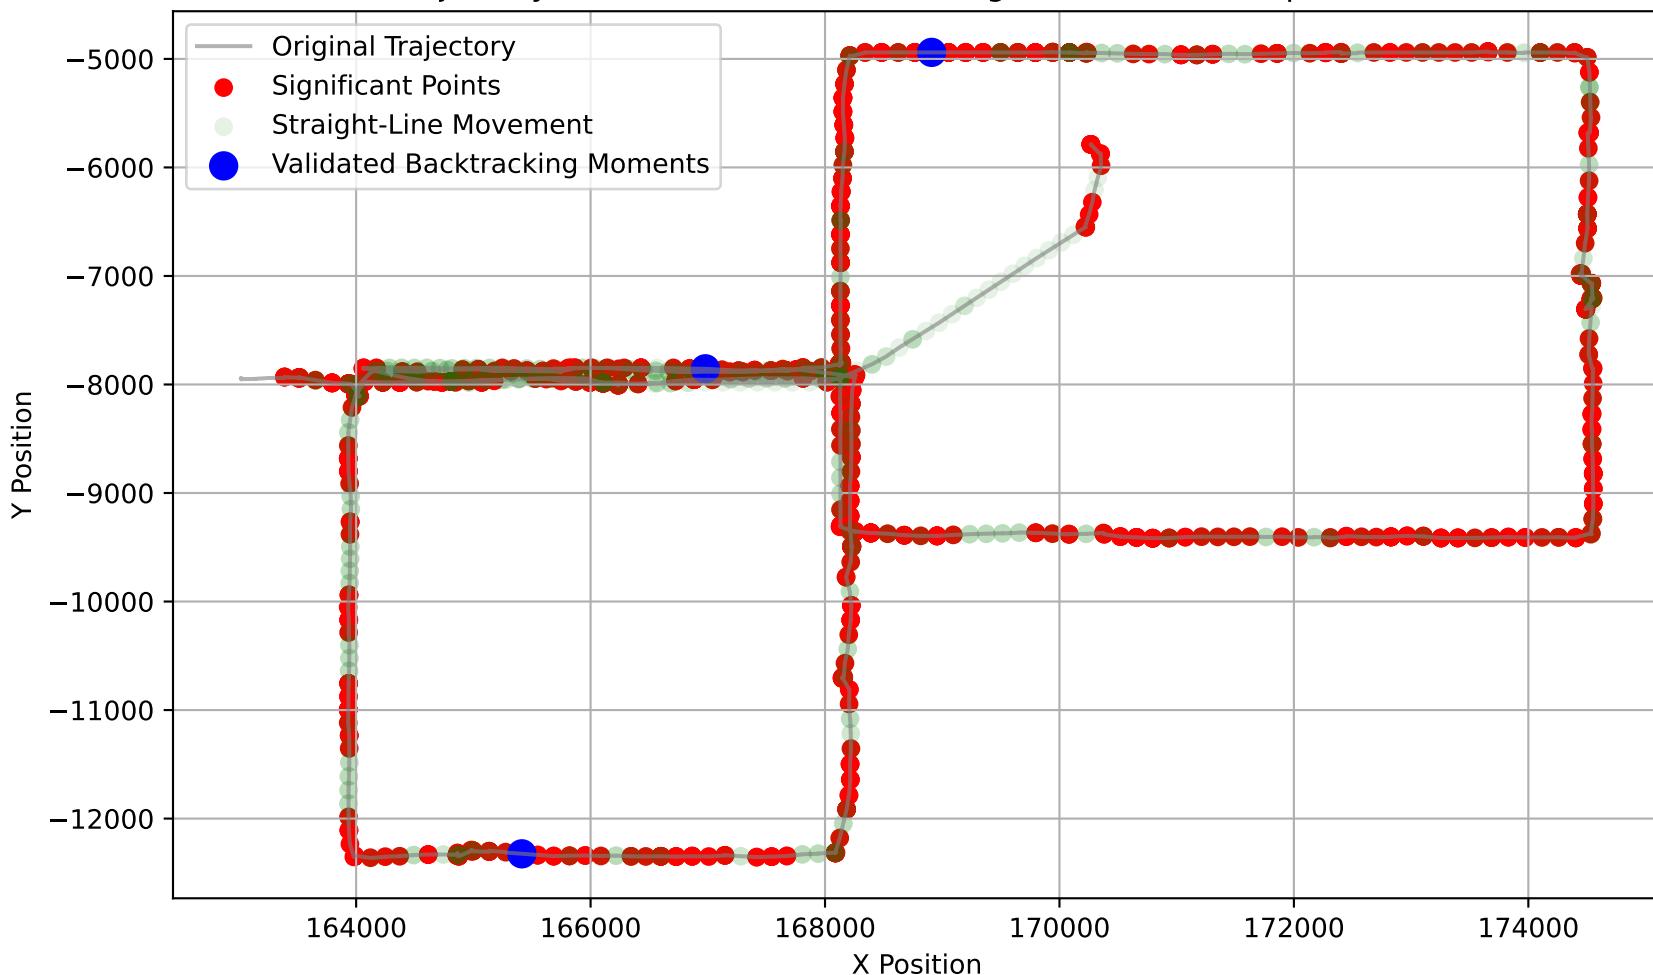

Trajectory with Validated Backtracking Moments (Participant 221)

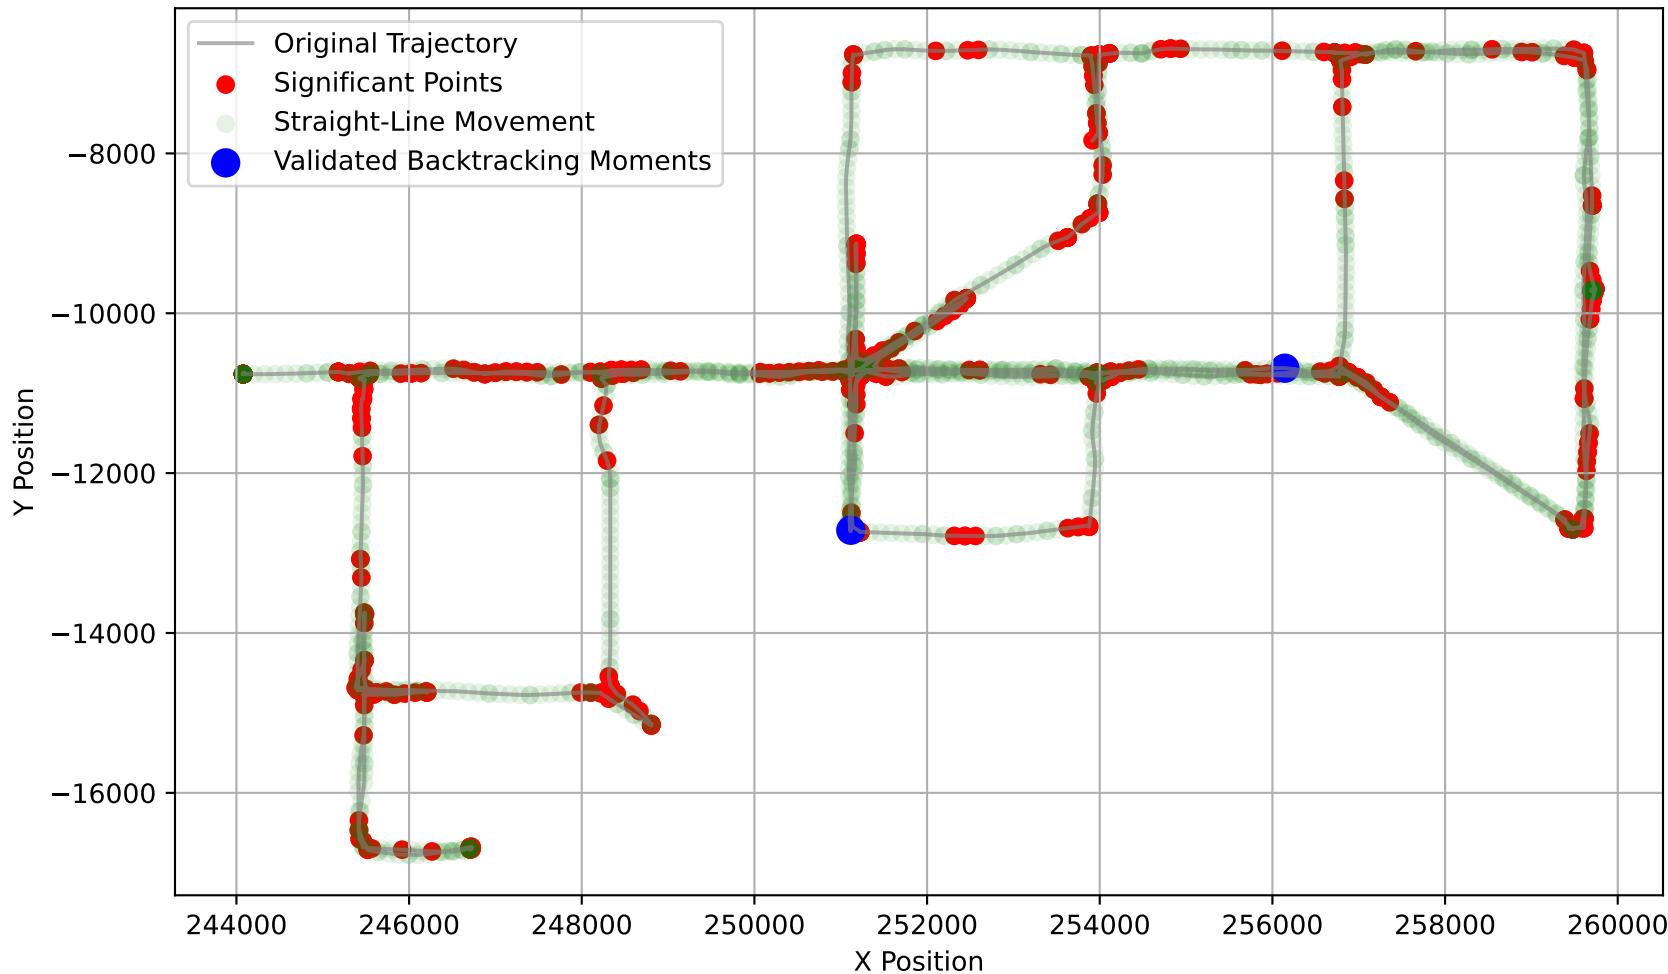

Trajectory with Validated Backtracking Moments (Participant 222)

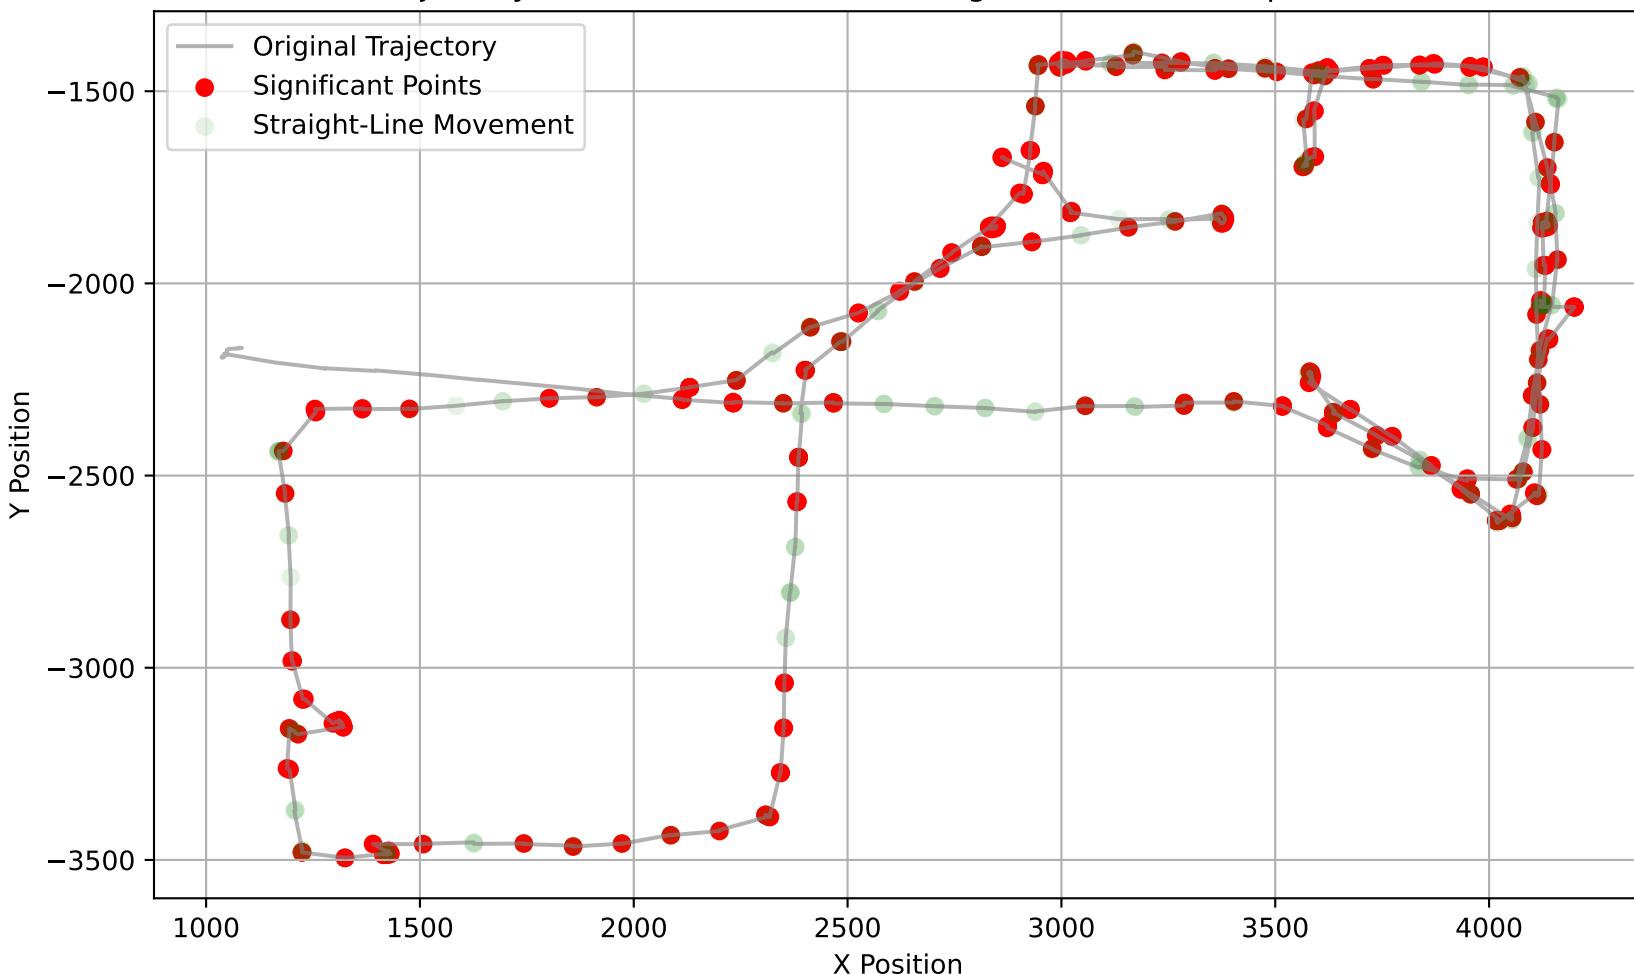

Trajectory with Validated Backtracking Moments (Participant 224)

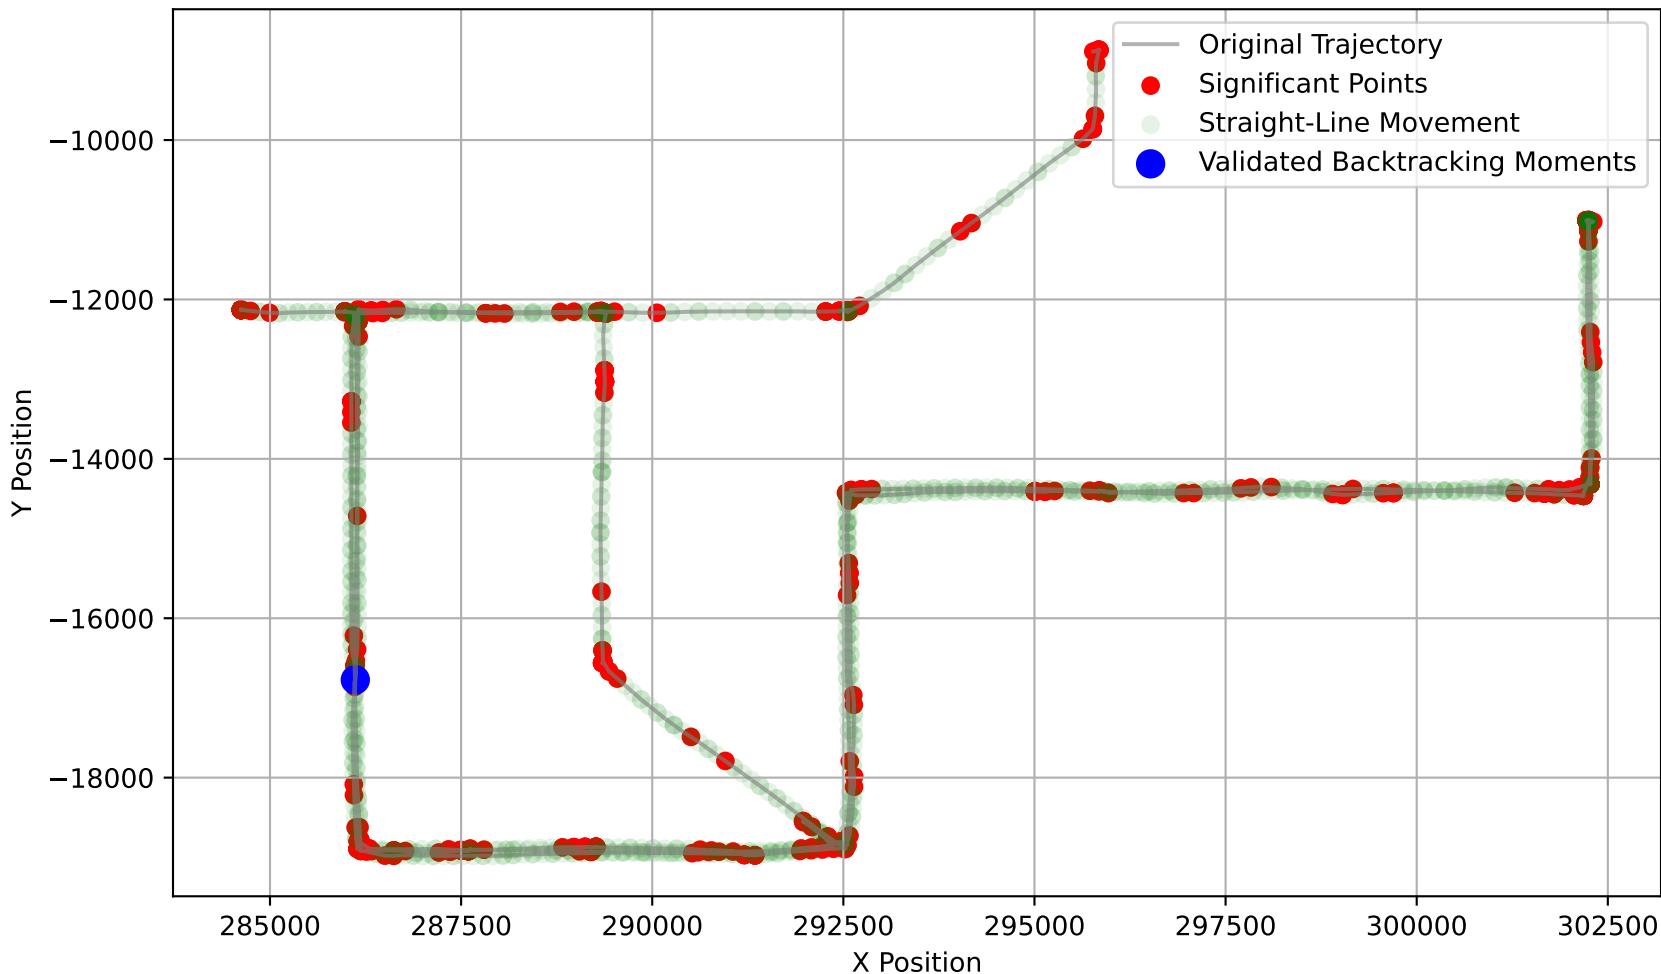

Trajectory with Validated Backtracking Moments (Participant 225)

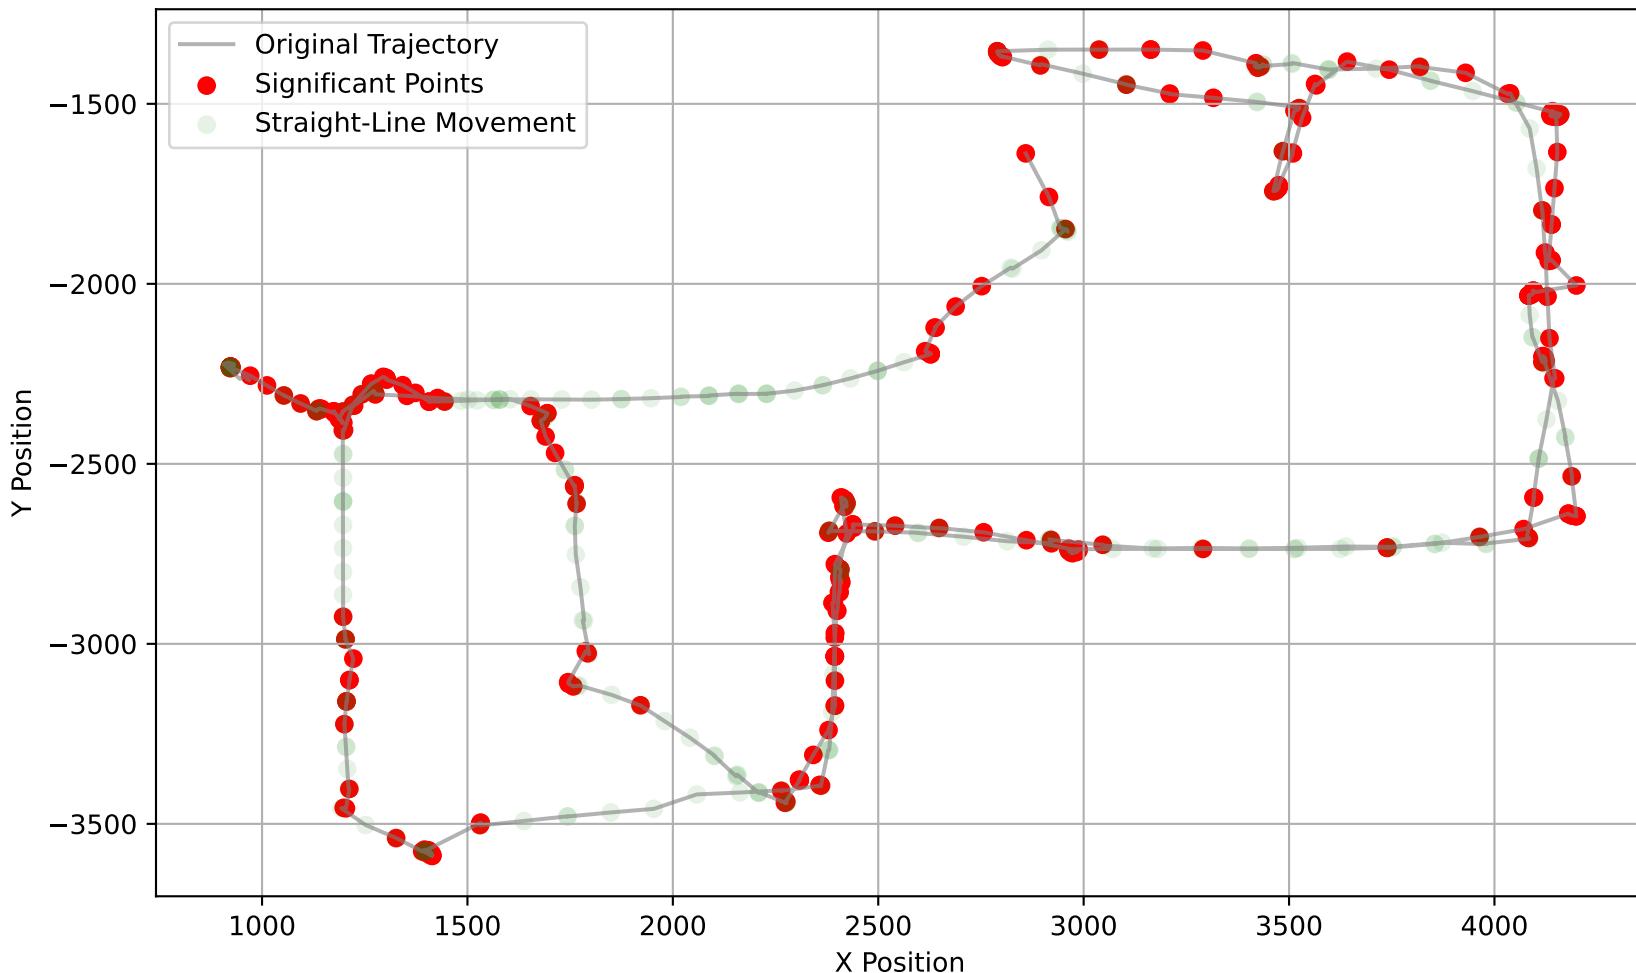

Trajectory with Validated Backtracking Moments (Participant 229)

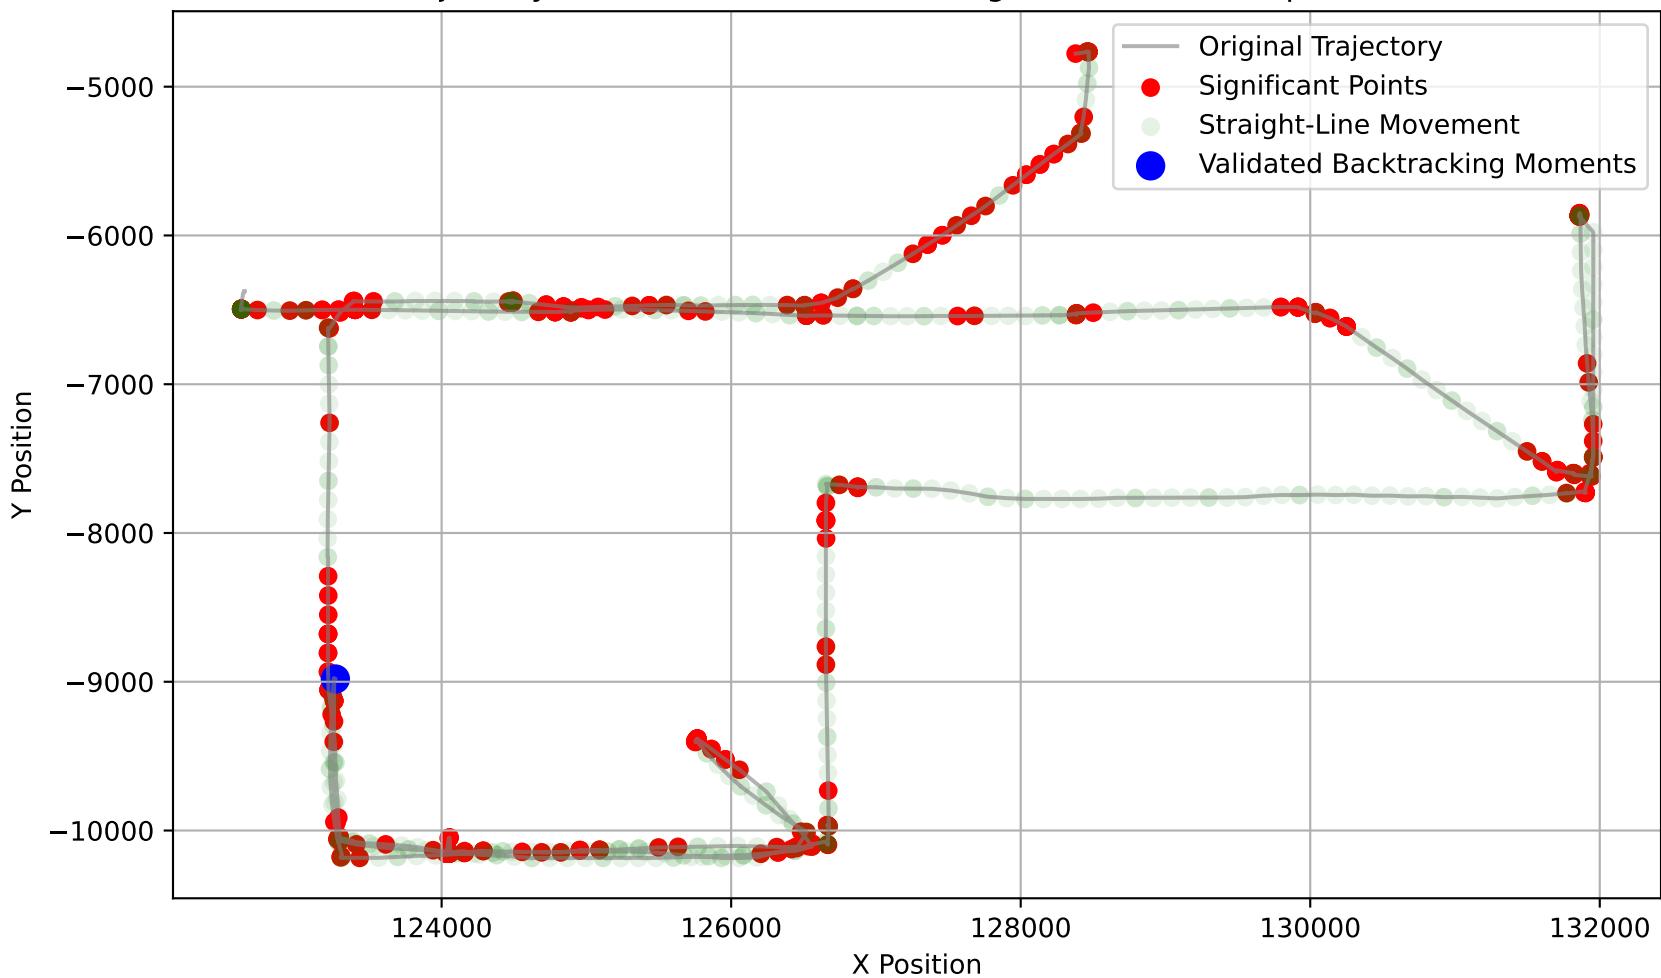

Trajectory with Validated Backtracking Moments (Participant 230)

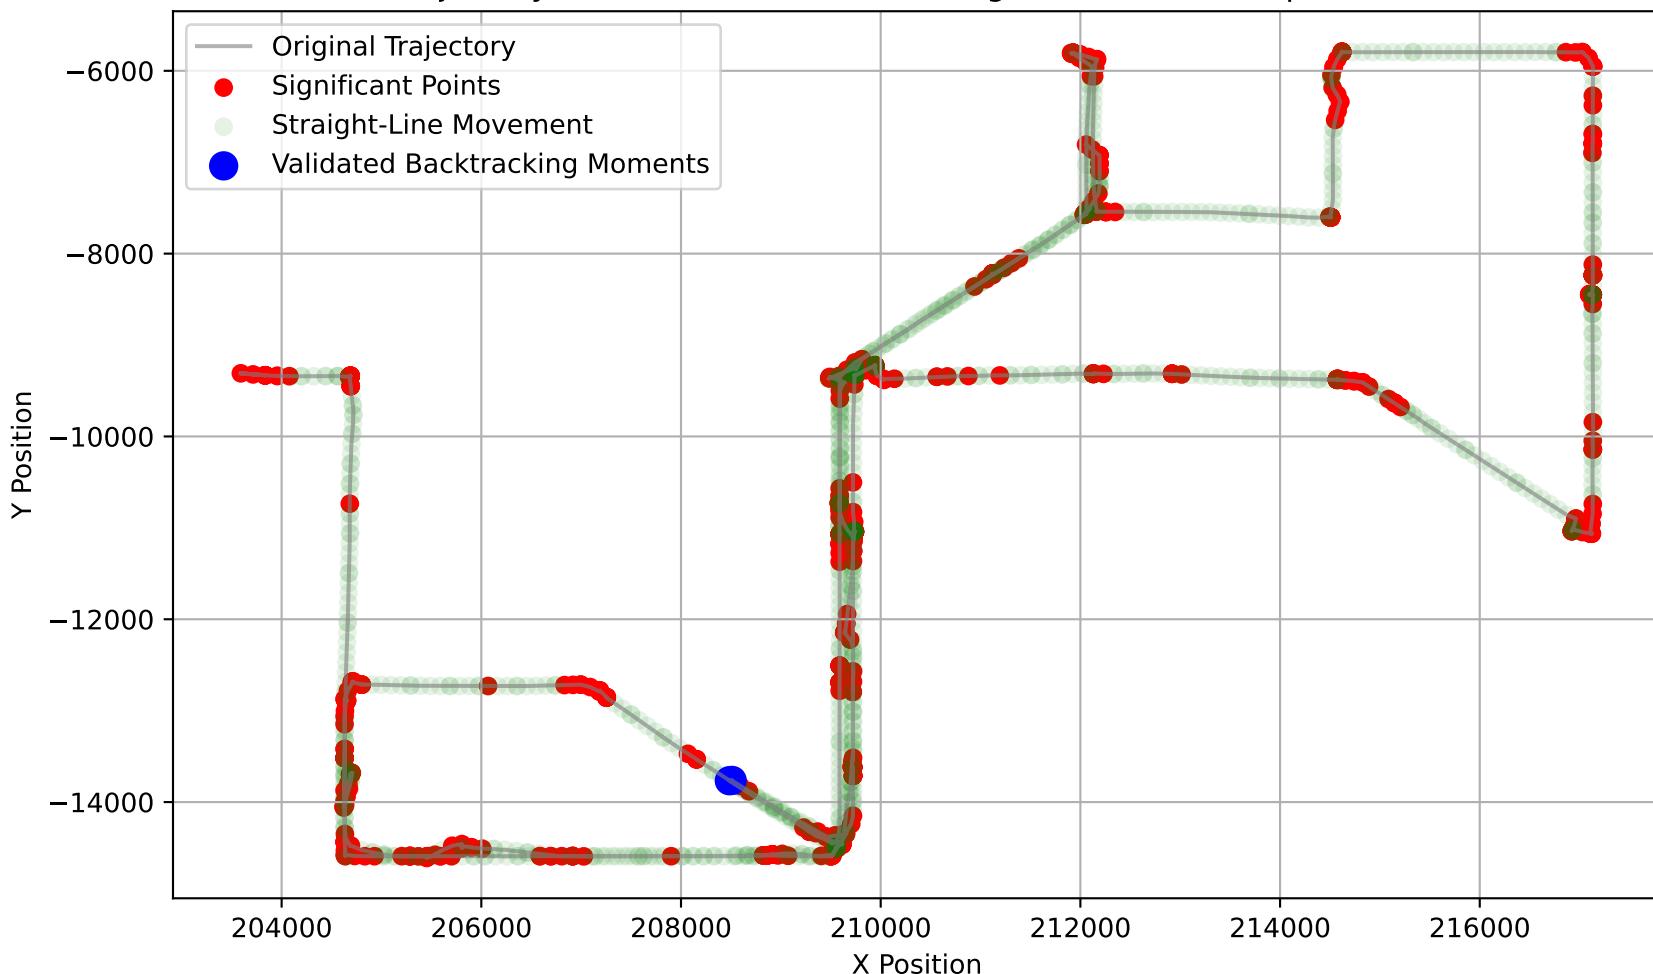

Trajectory with Validated Backtracking Moments (Participant 231)

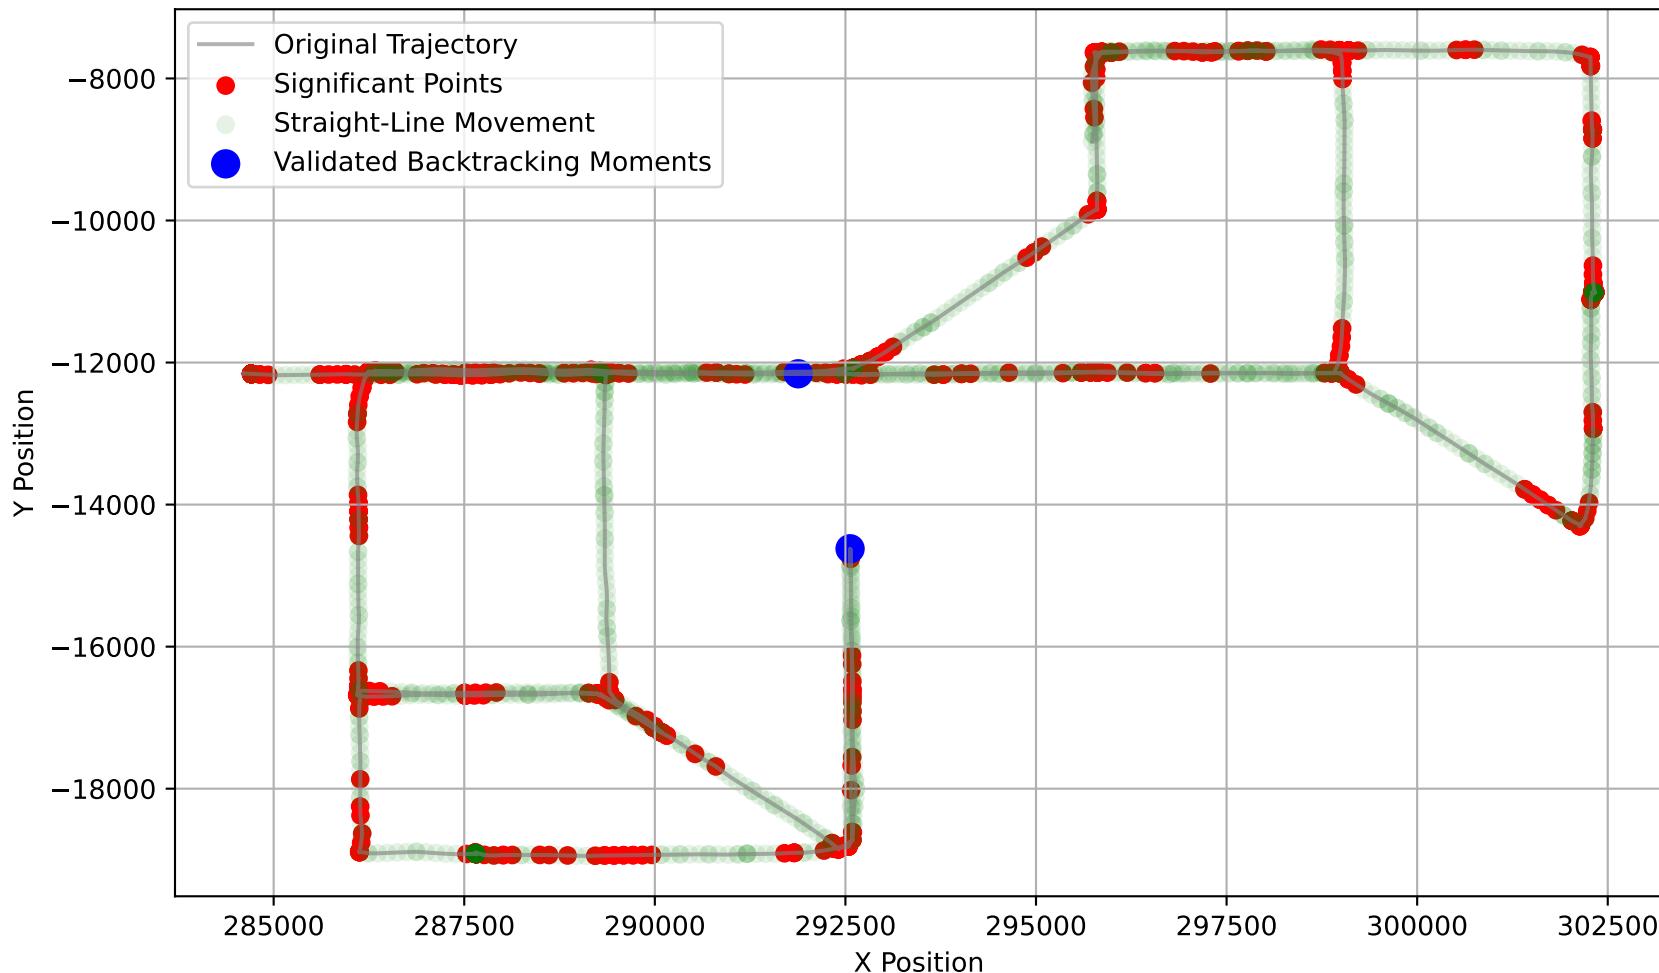

Trajectory with Validated Backtracking Moments (Participant 233)

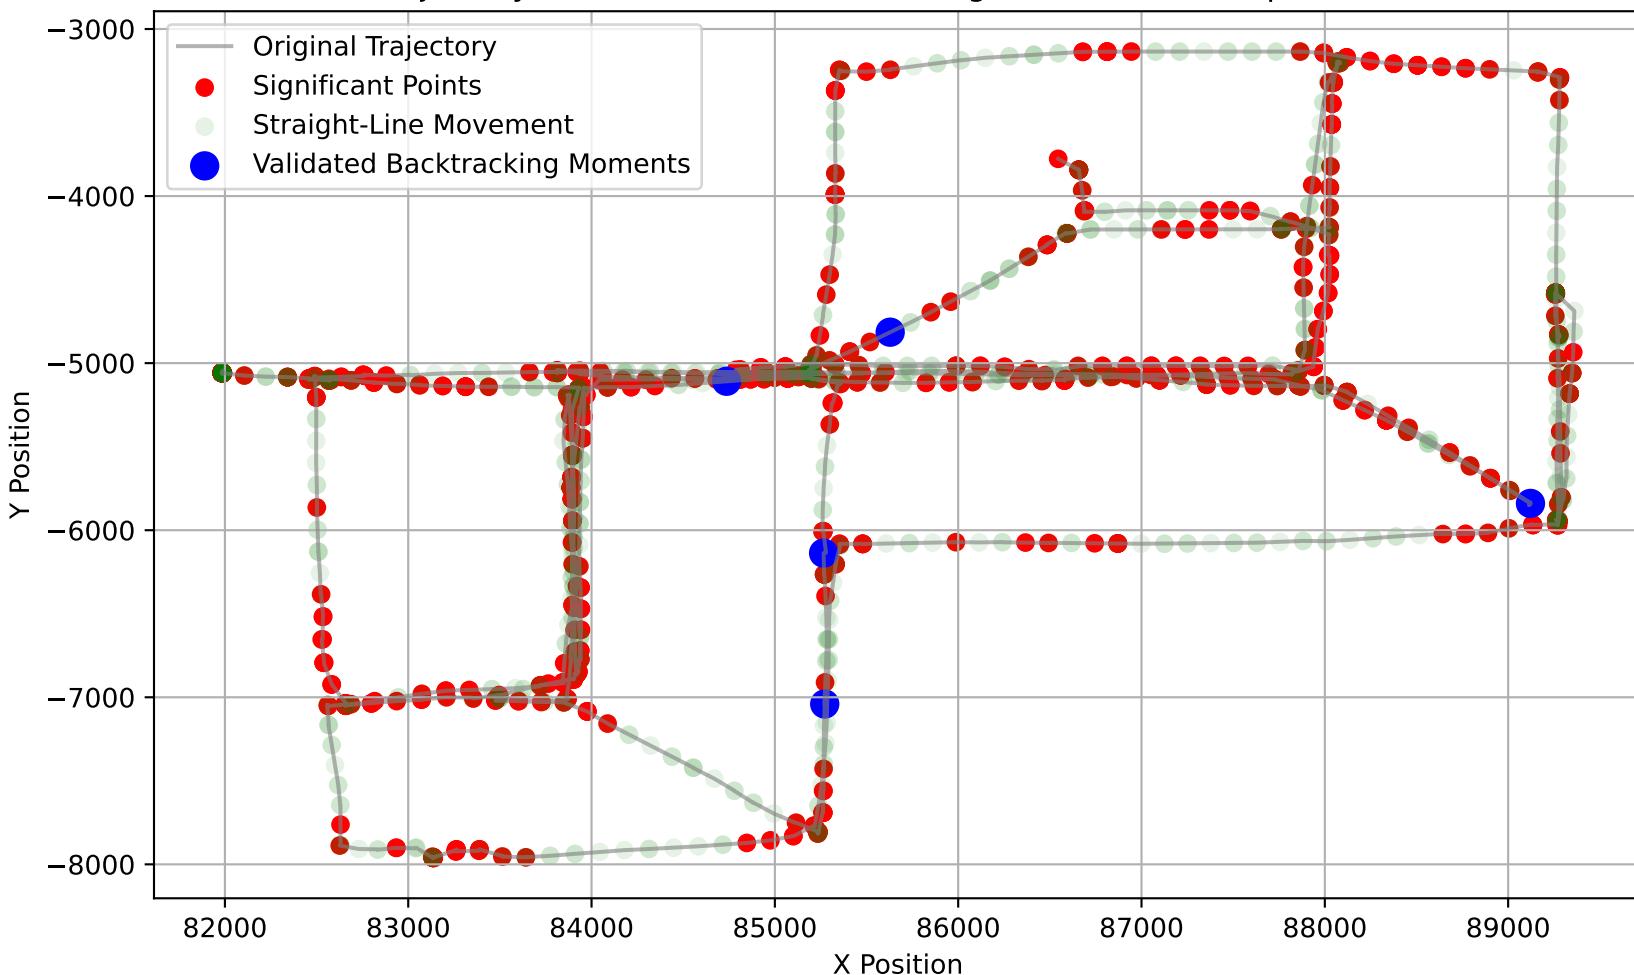

Trajectory with Validated Backtracking Moments (Participant 234)

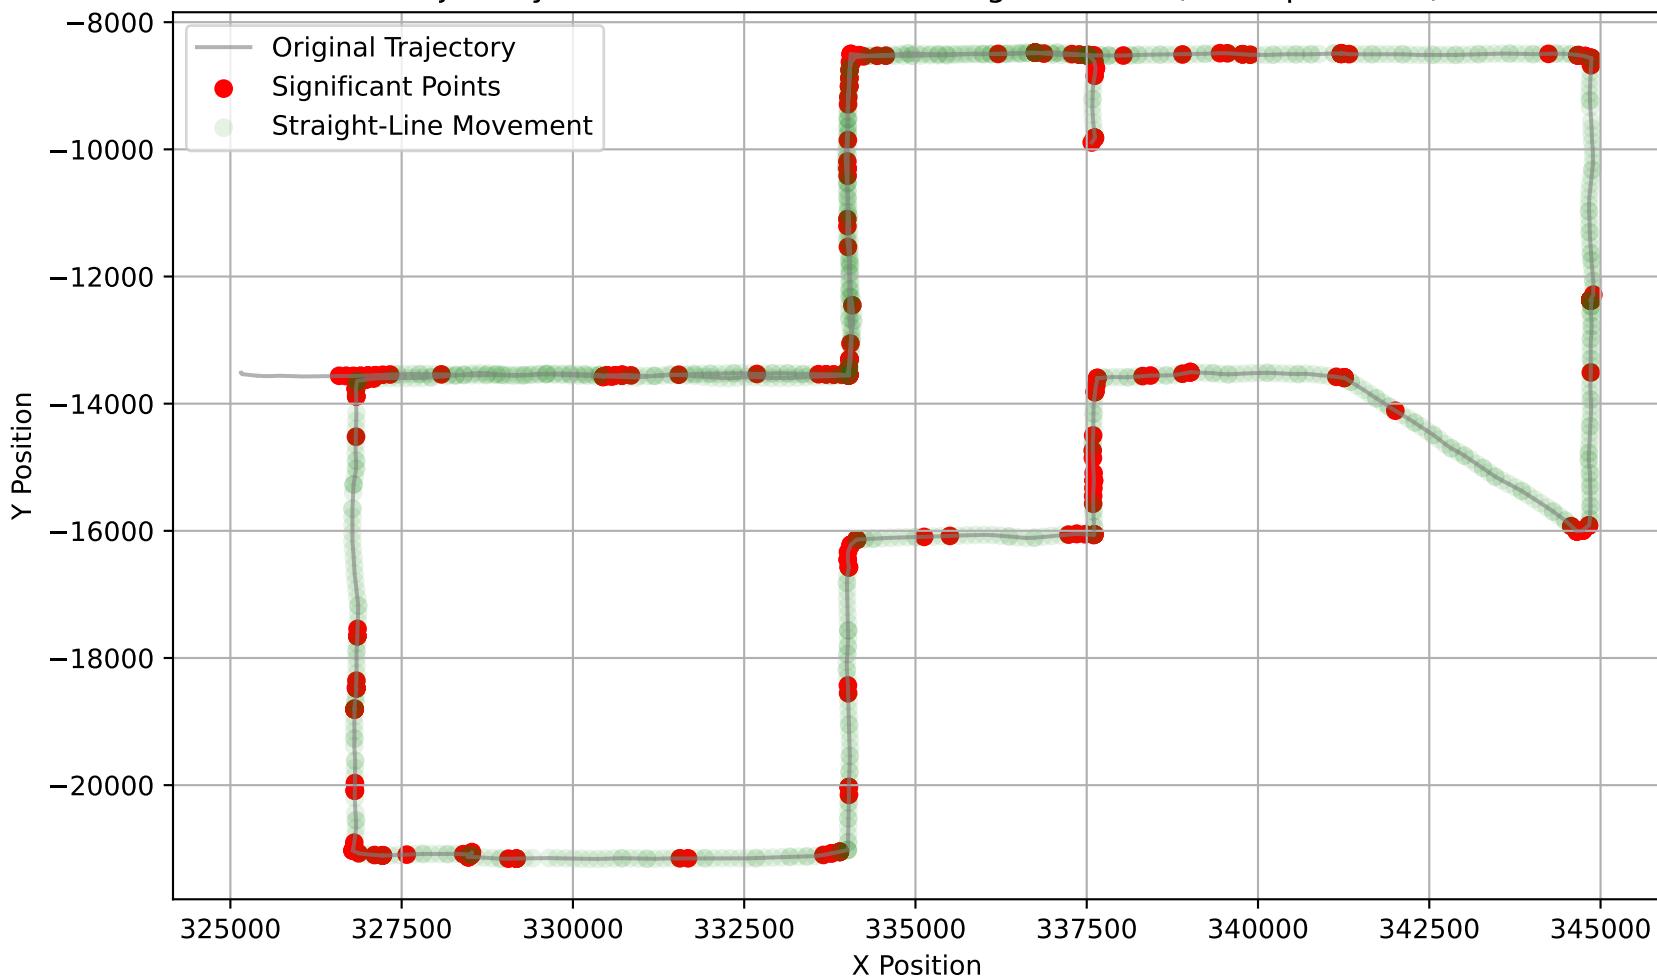

Trajectory with Validated Backtracking Moments (Participant 235)

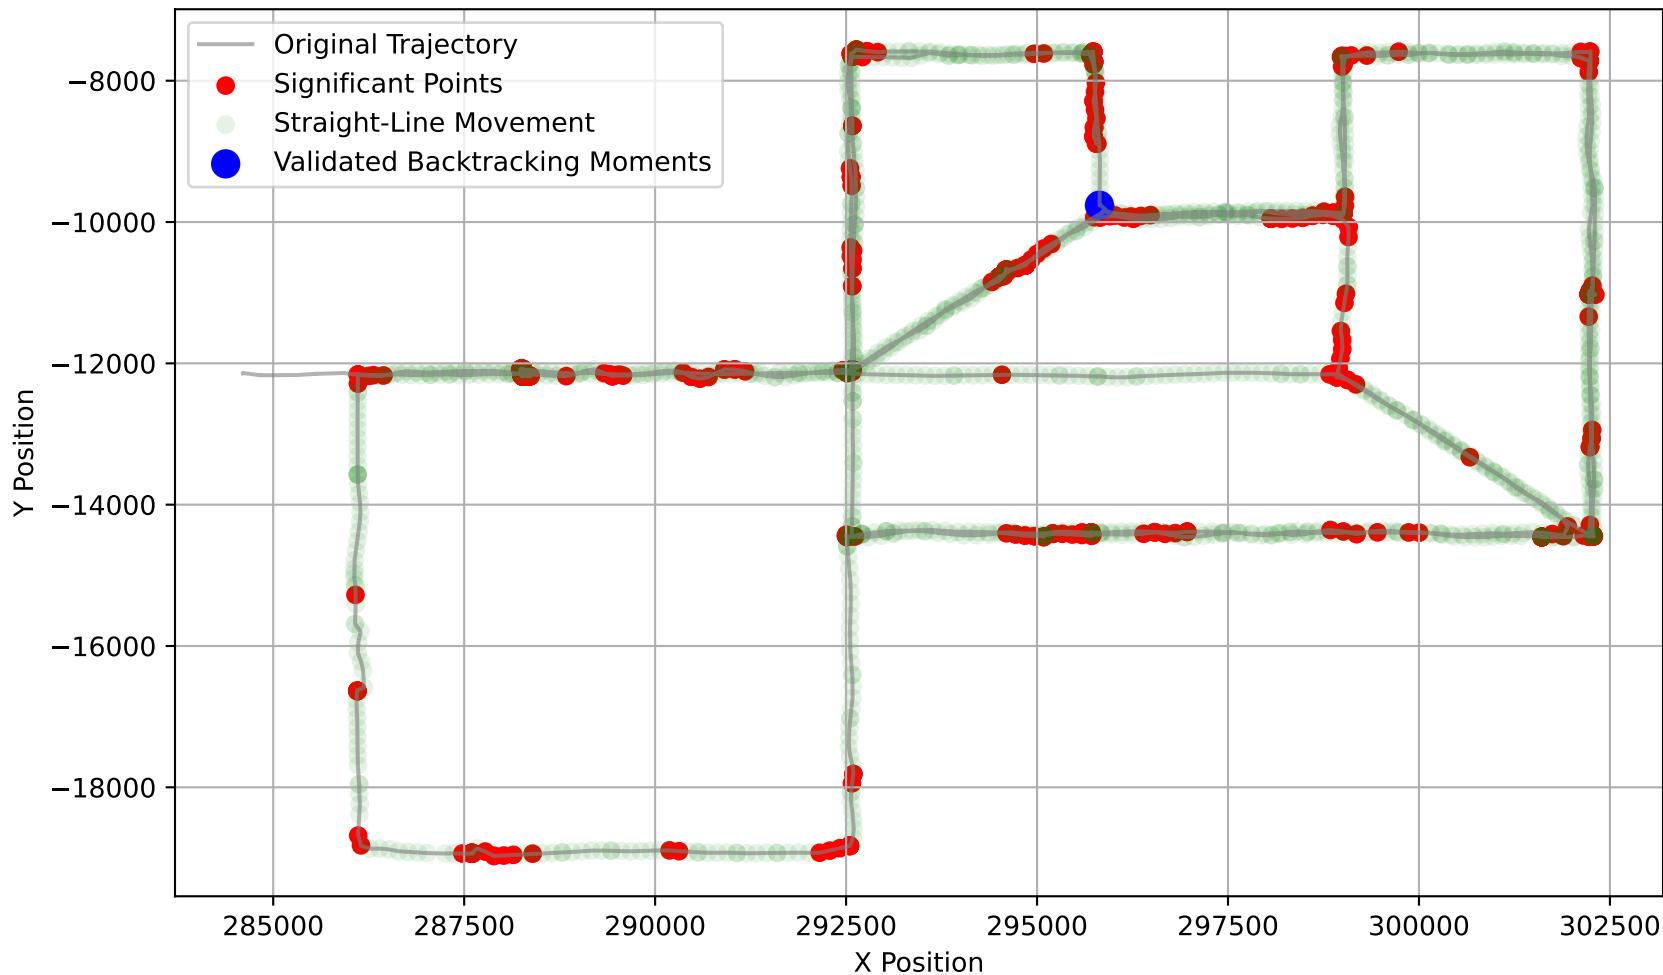

Trajectory with Validated Backtracking Moments (Participant 236)

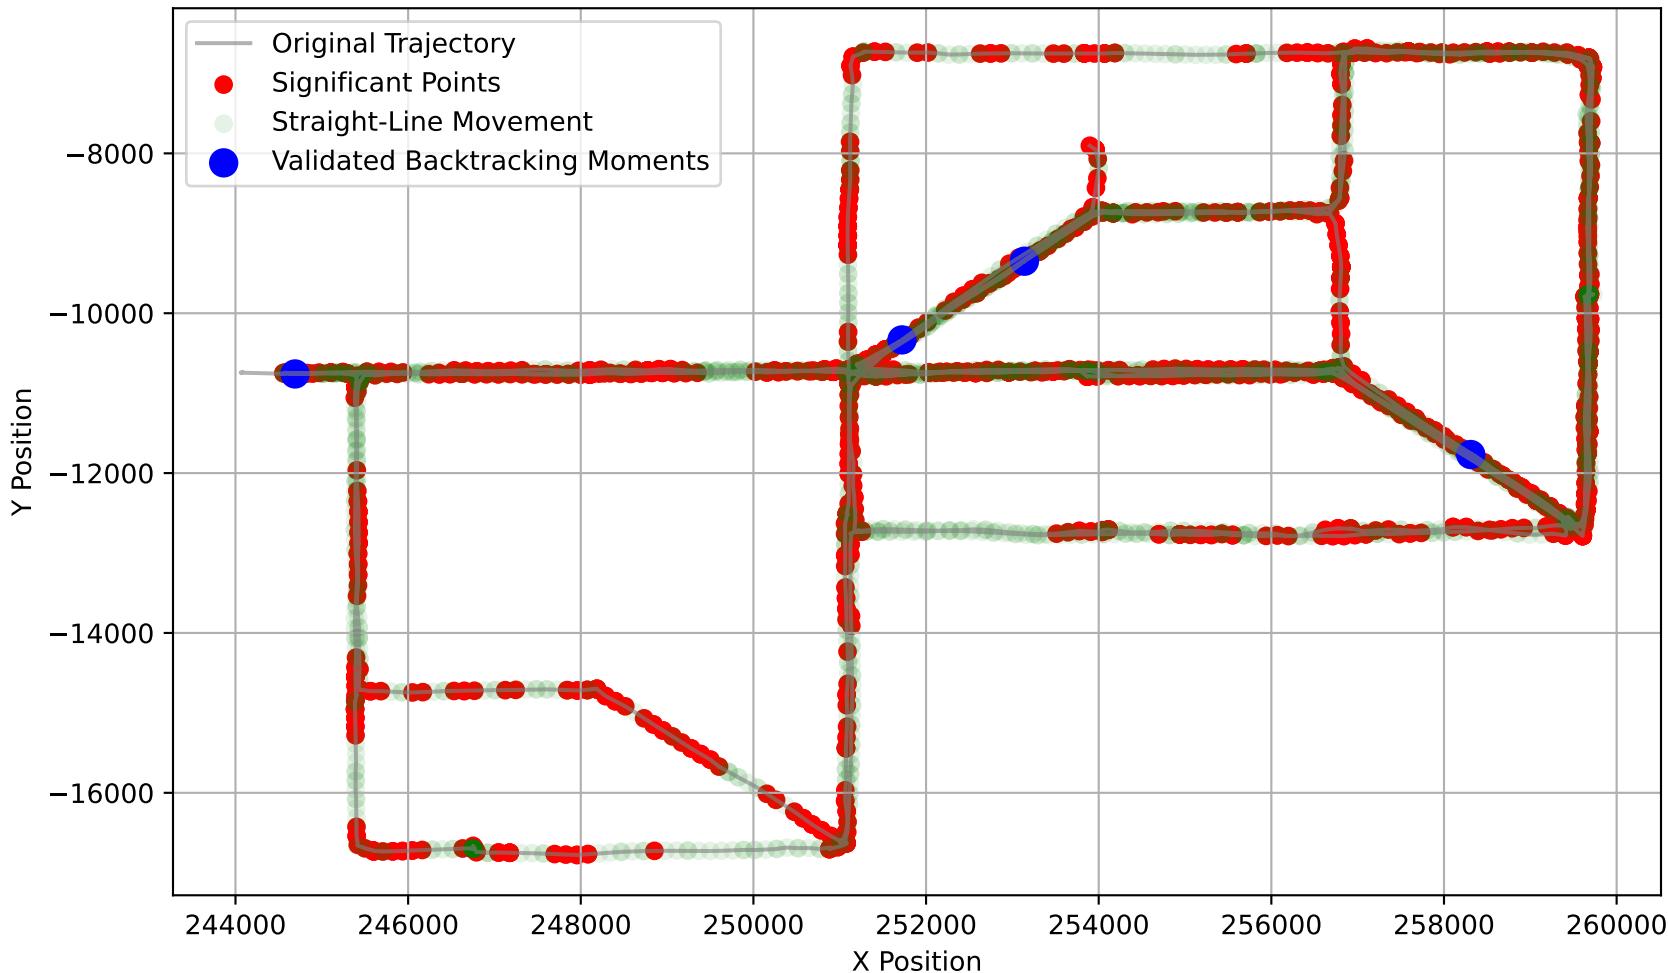

Trajectory with Validated Backtracking Moments (Participant 238)

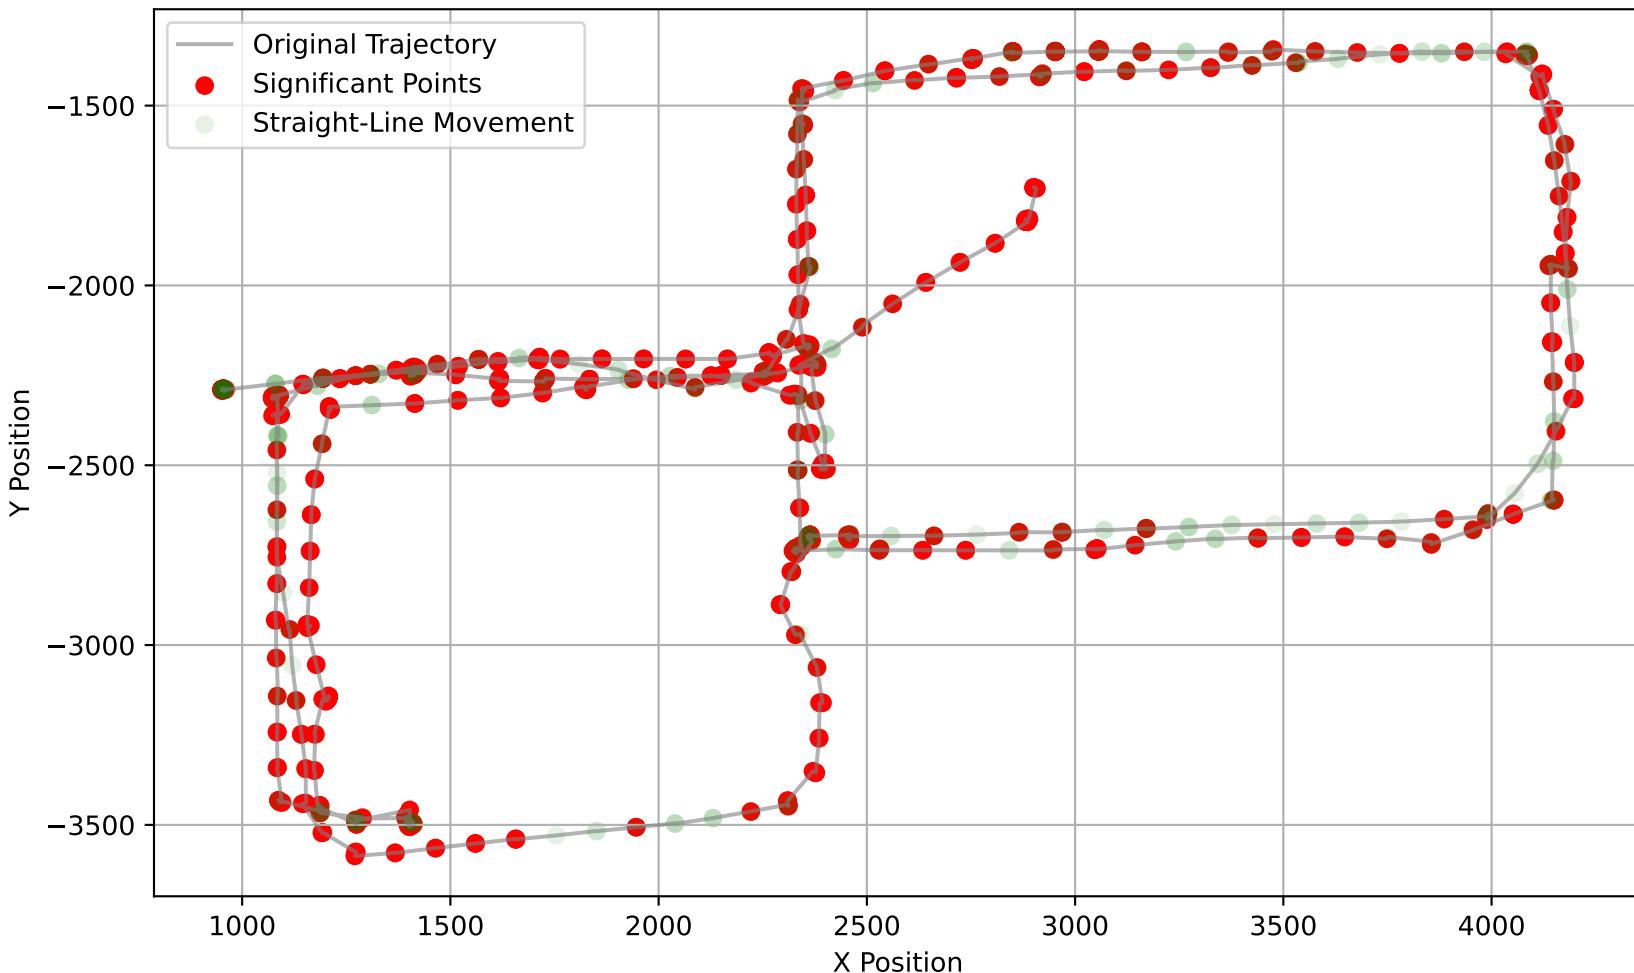

Trajectory with Validated Backtracking Moments (Participant 239)

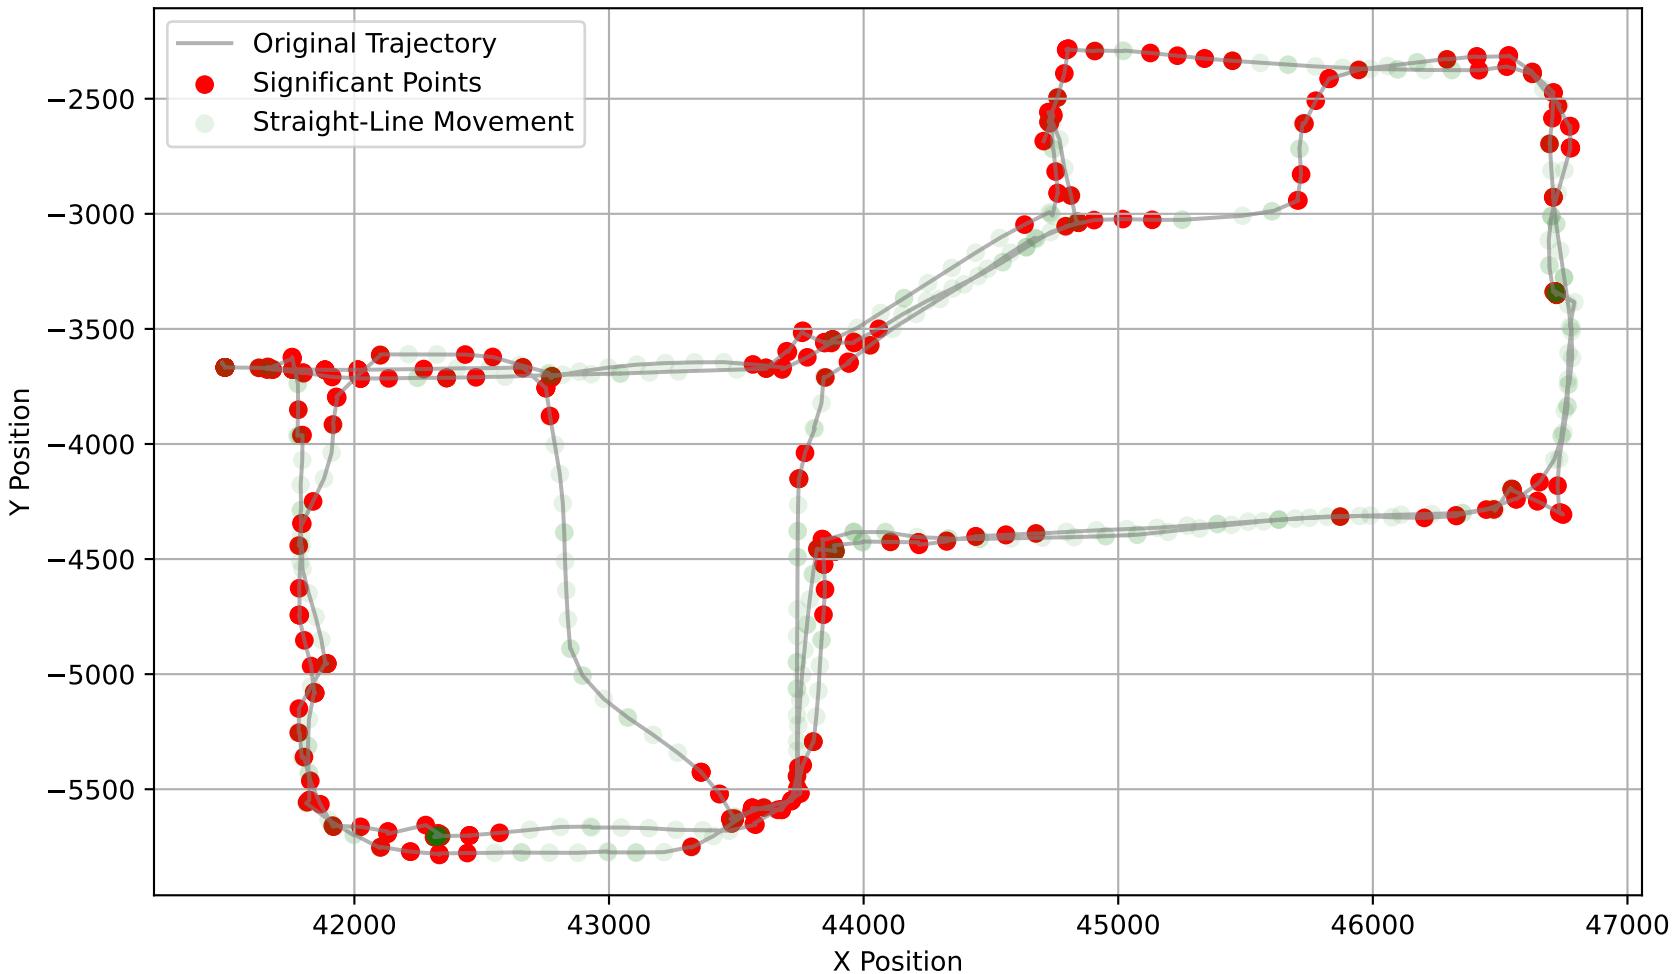

Trajectory with Validated Backtracking Moments (Participant 240)

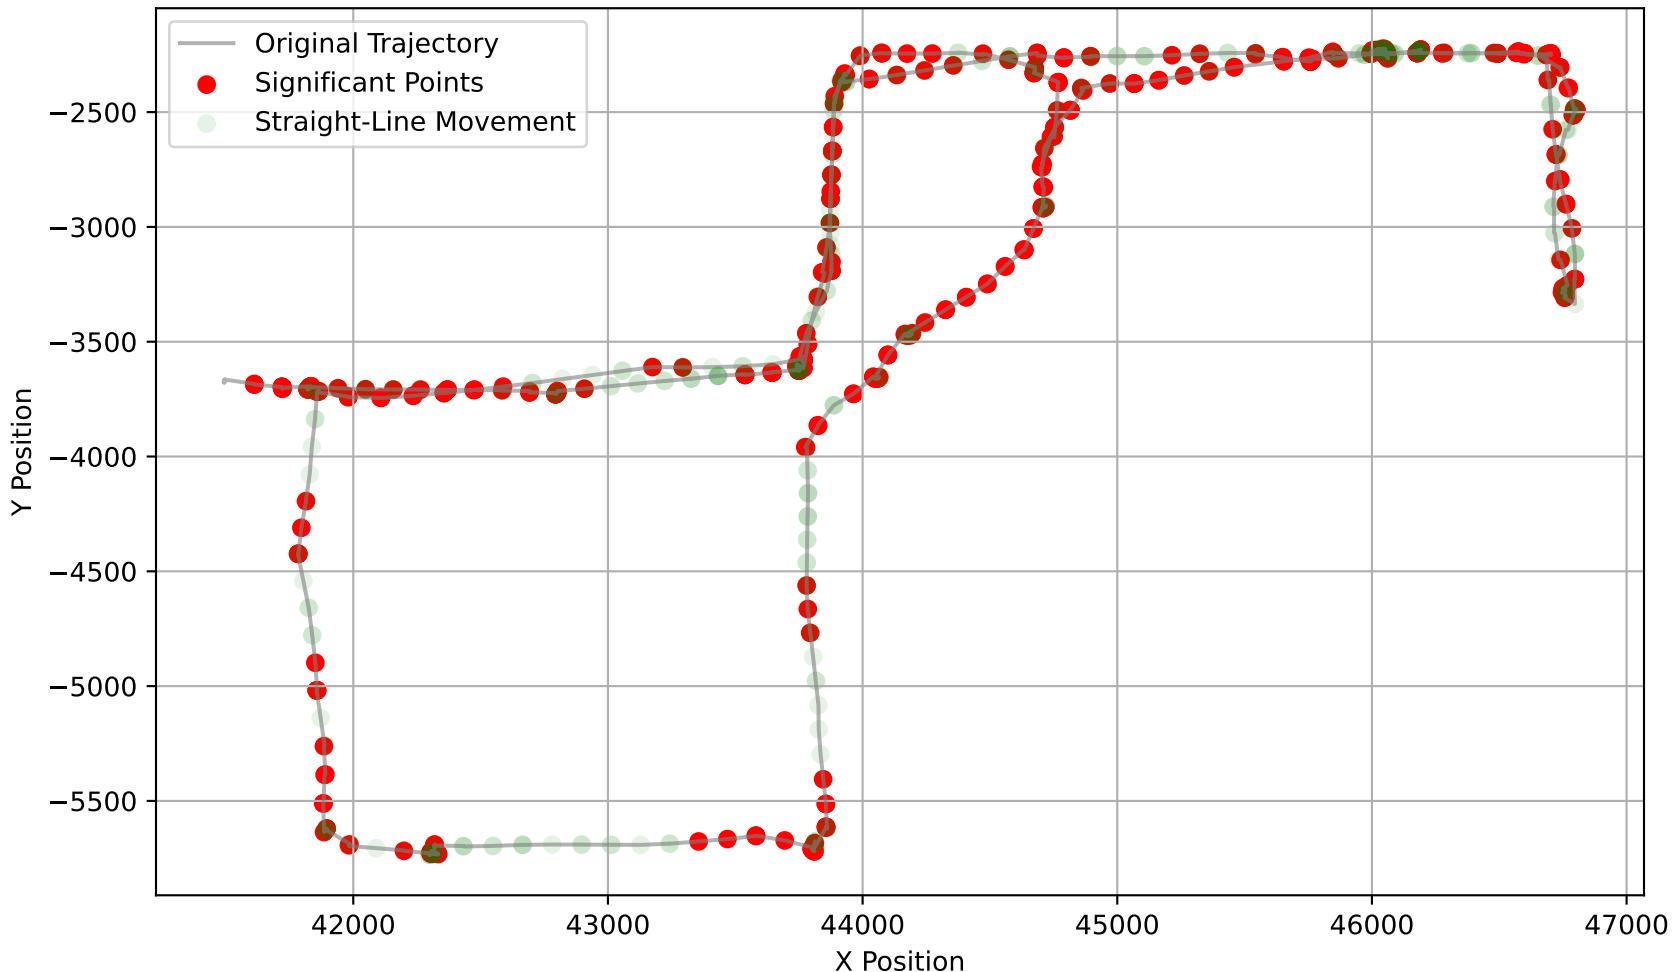

Trajectory with Validated Backtracking Moments (Participant 241)

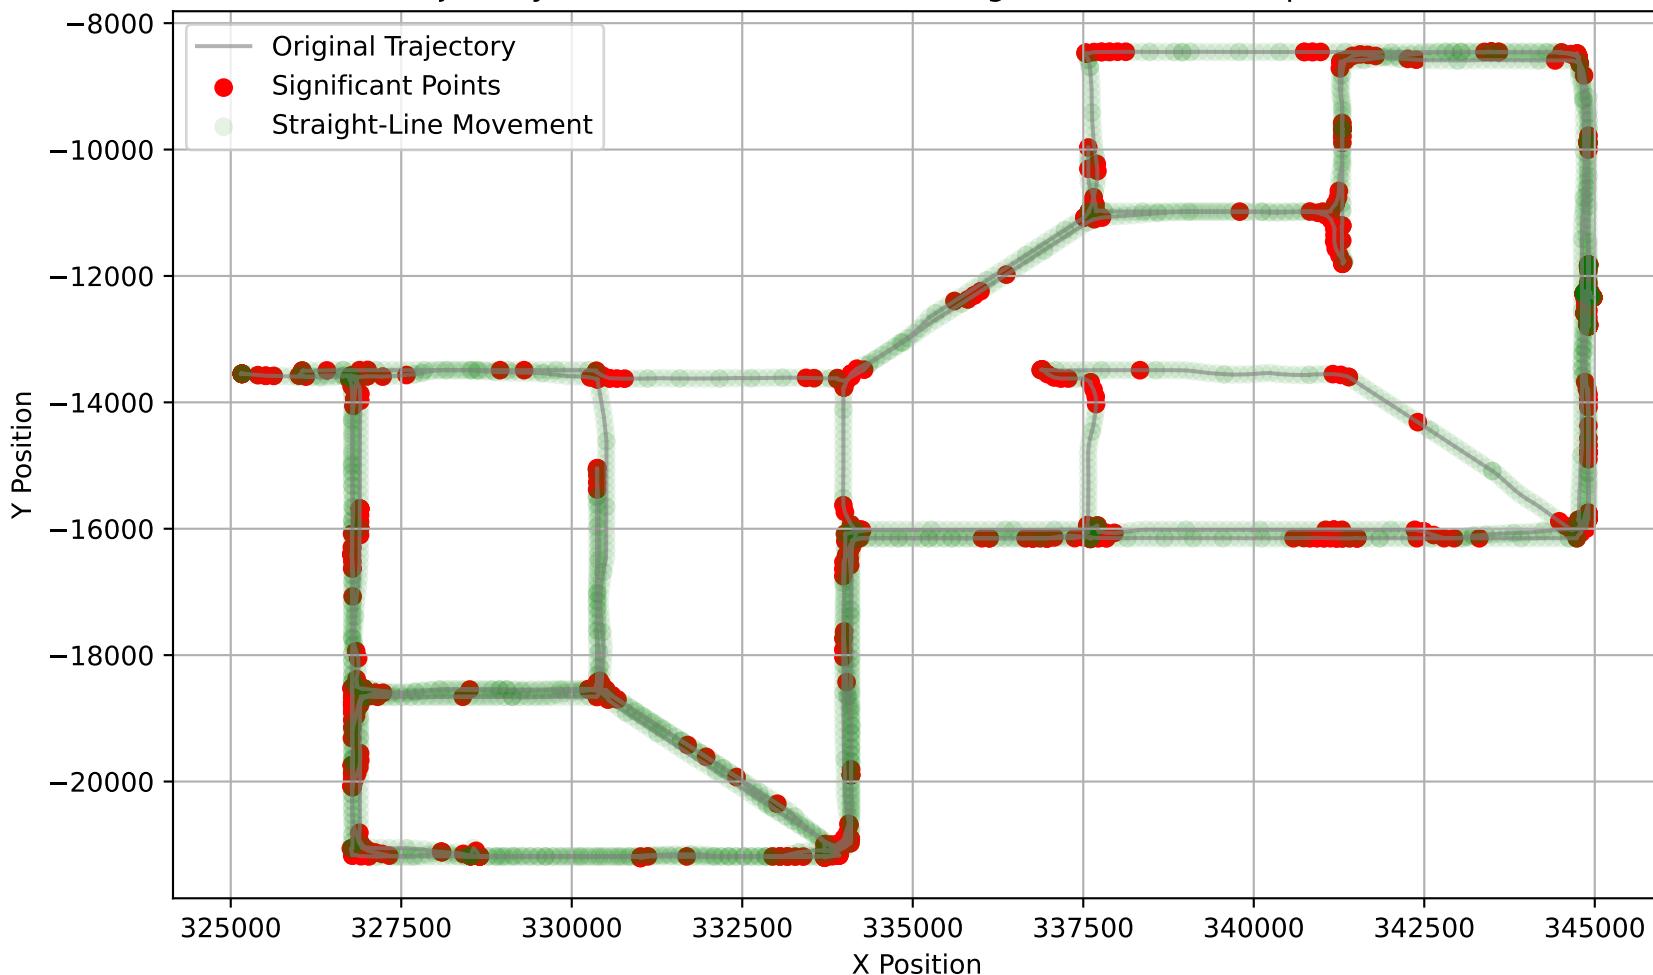

Trajectory with Validated Backtracking Moments (Participant 242)

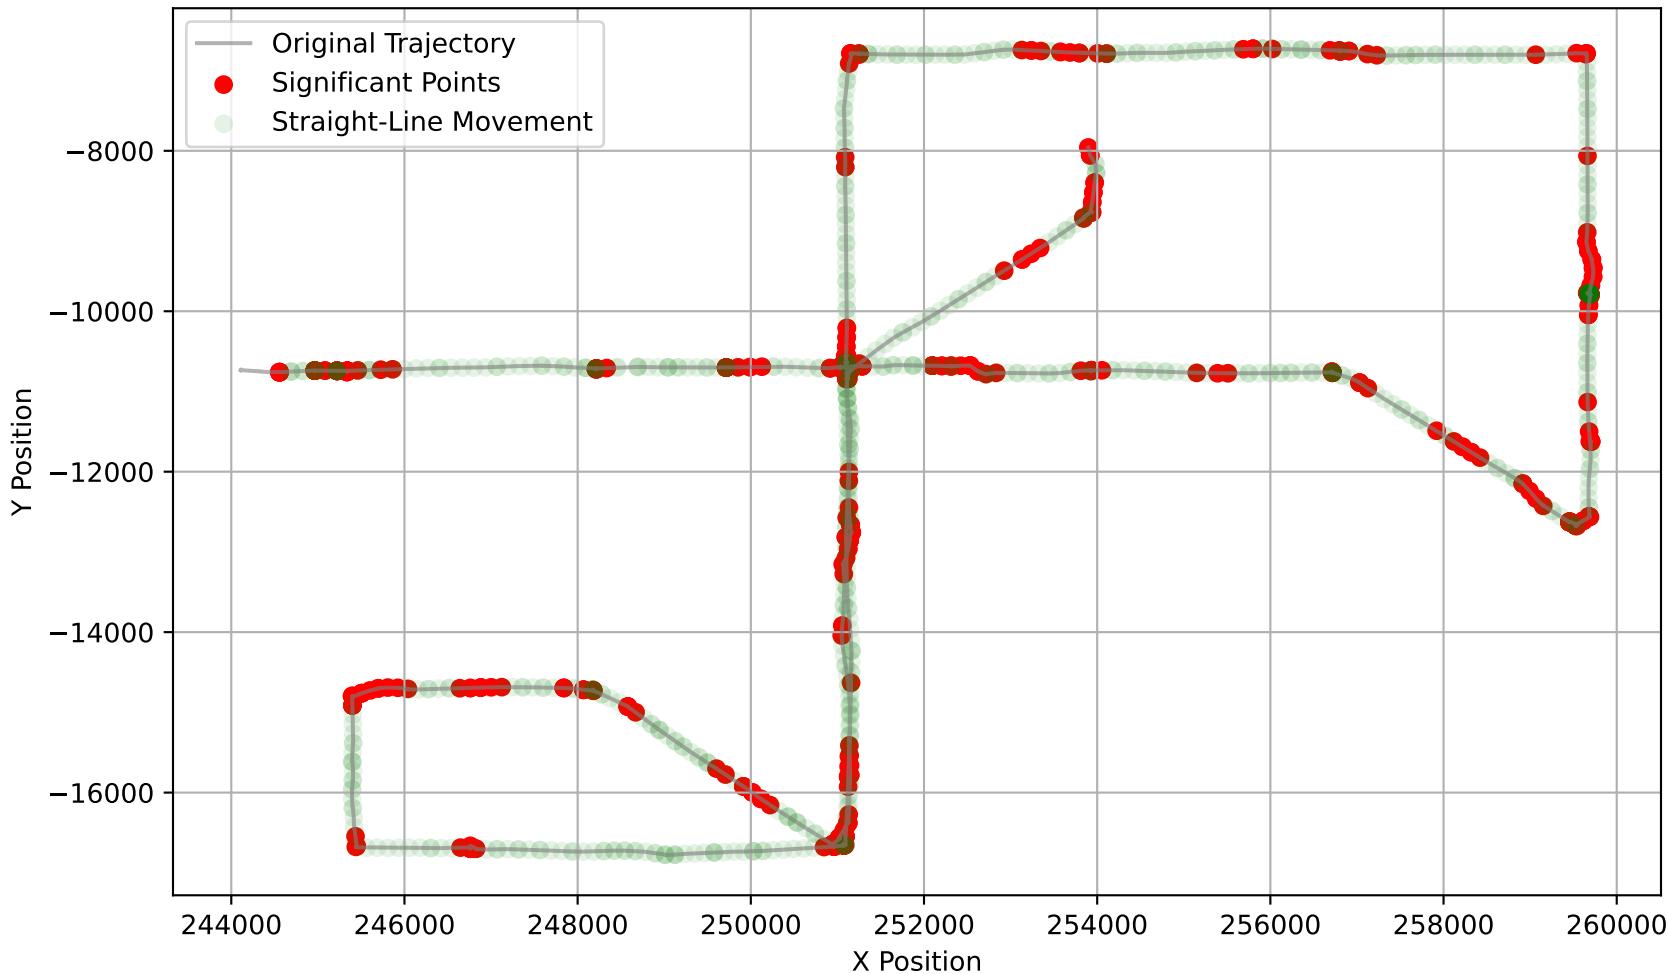

Trajectory with Validated Backtracking Moments (Participant 243)

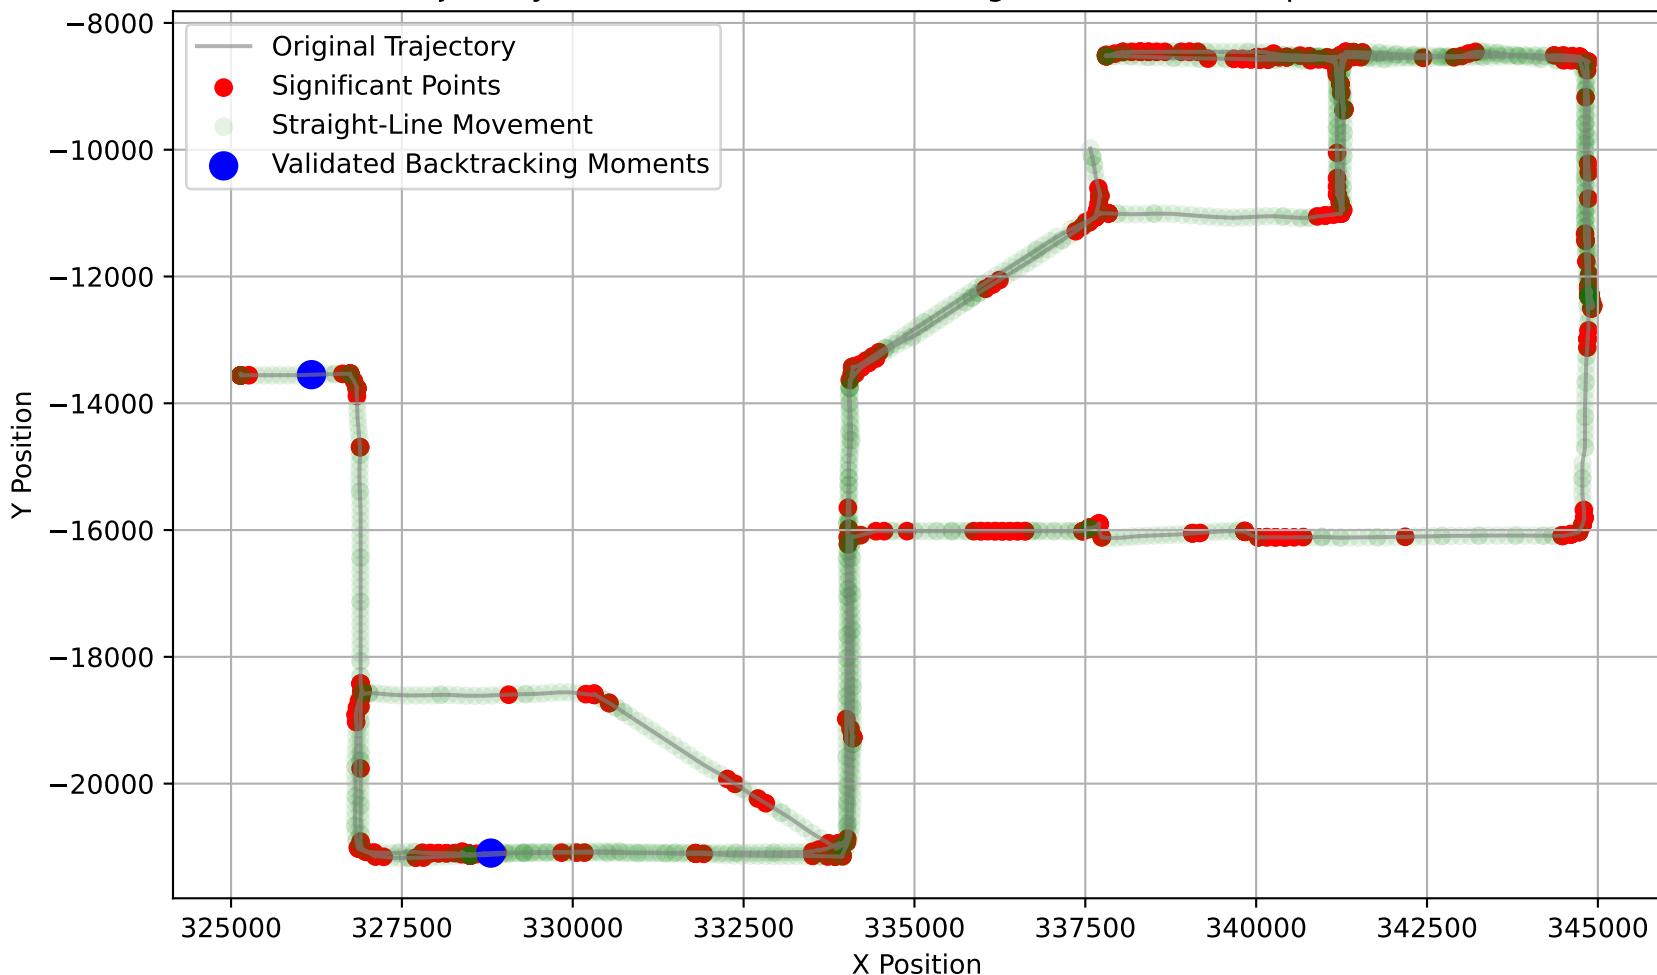

Trajectory with Validated Backtracking Moments (Participant 244)

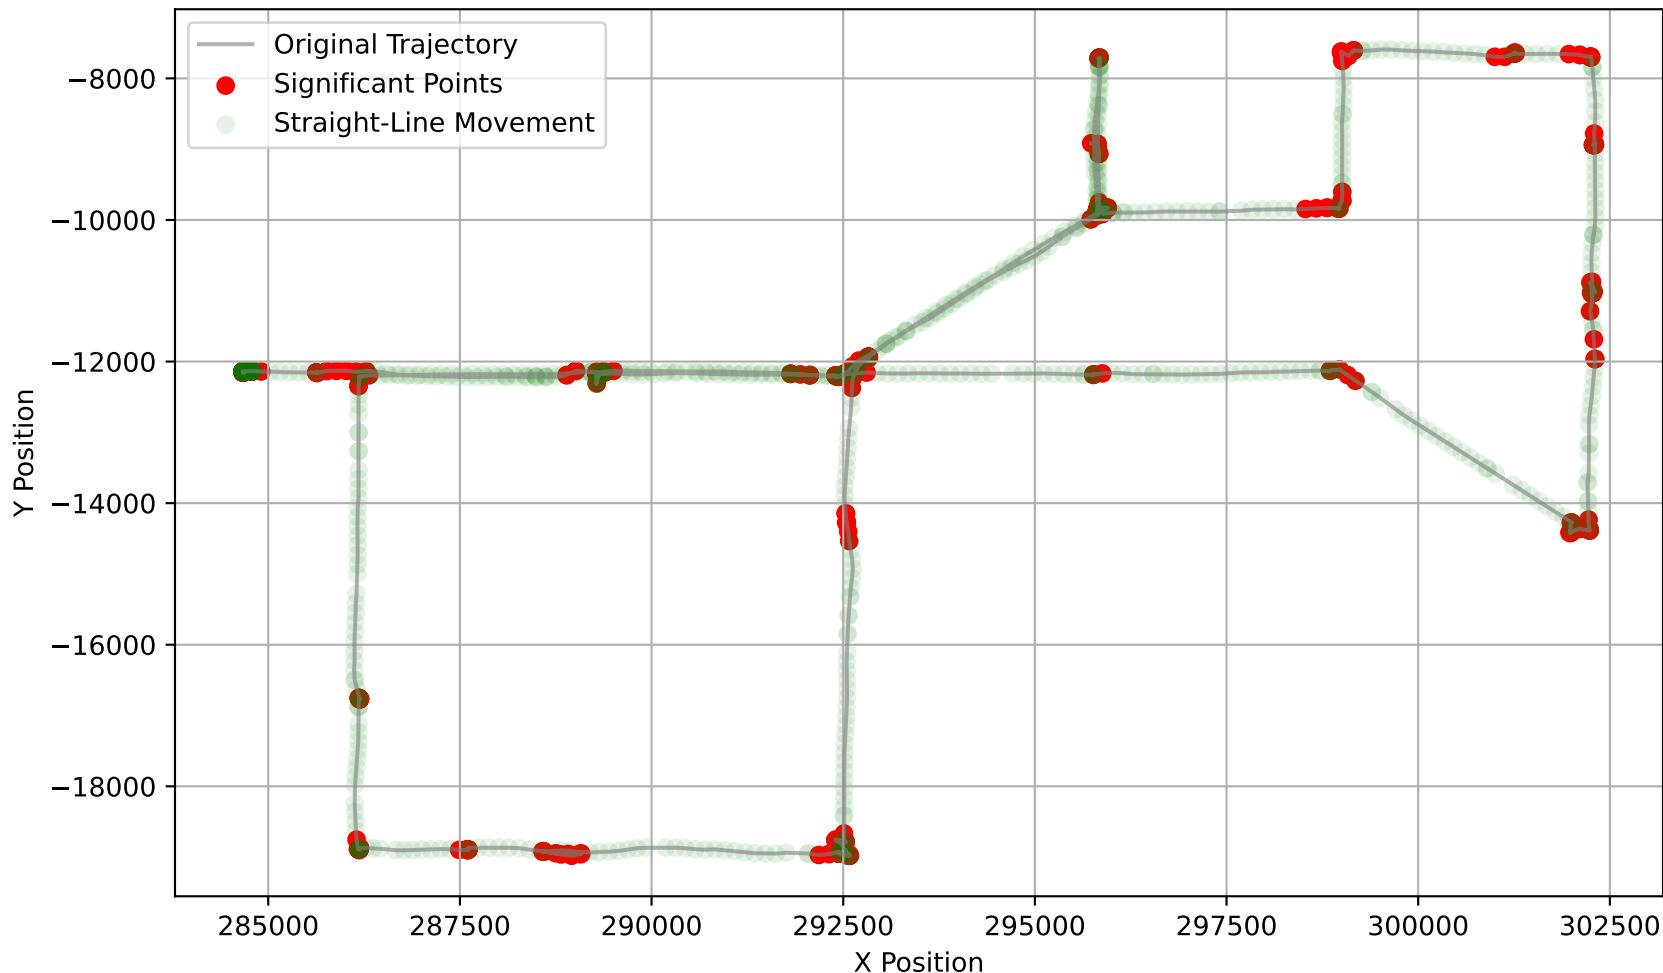

Trajectory with Validated Backtracking Moments (Participant 246)

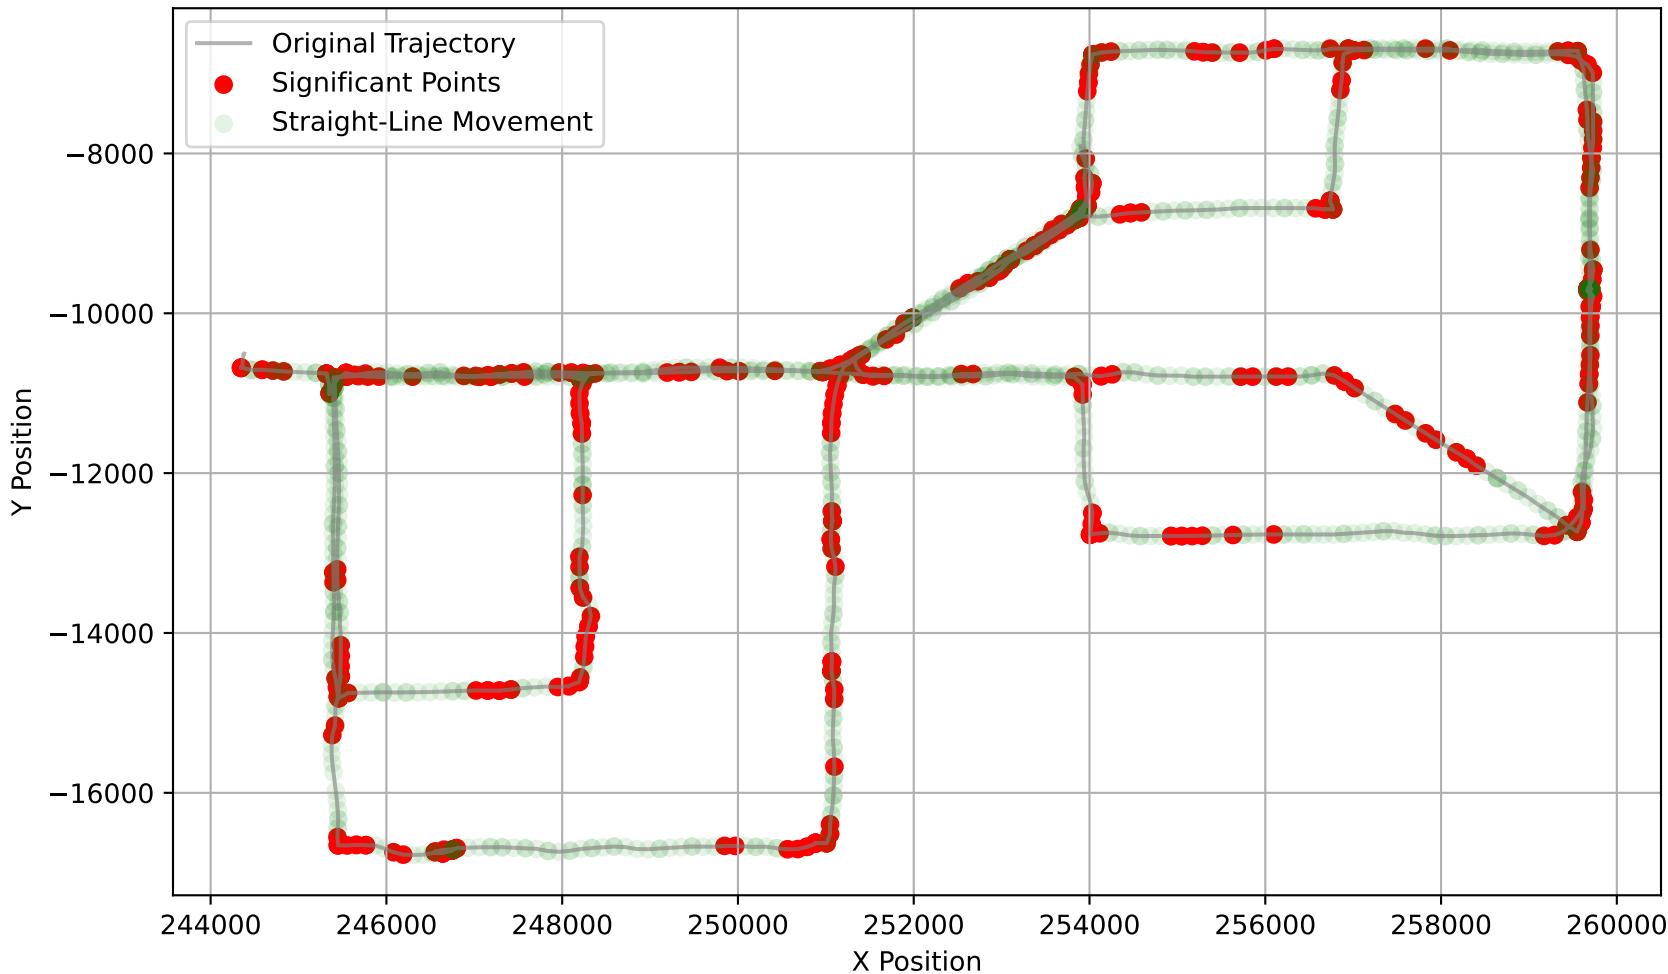

Trajectory with Validated Backtracking Moments (Participant 247)

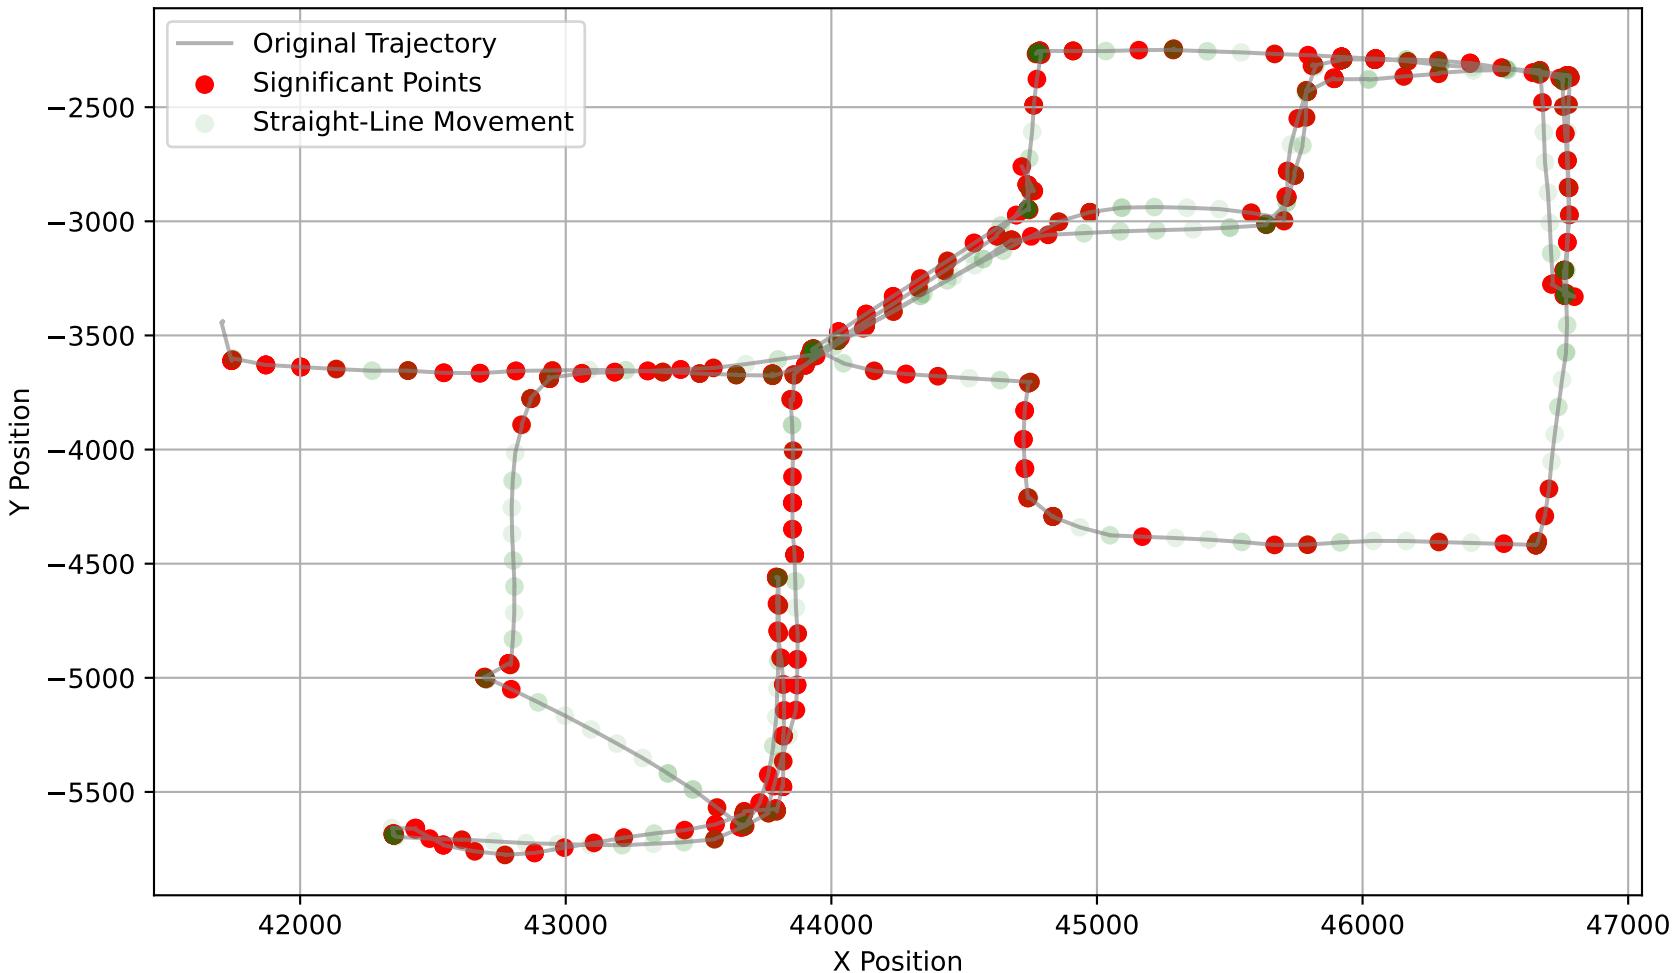

Trajectory with Validated Backtracking Moments (Participant 248)

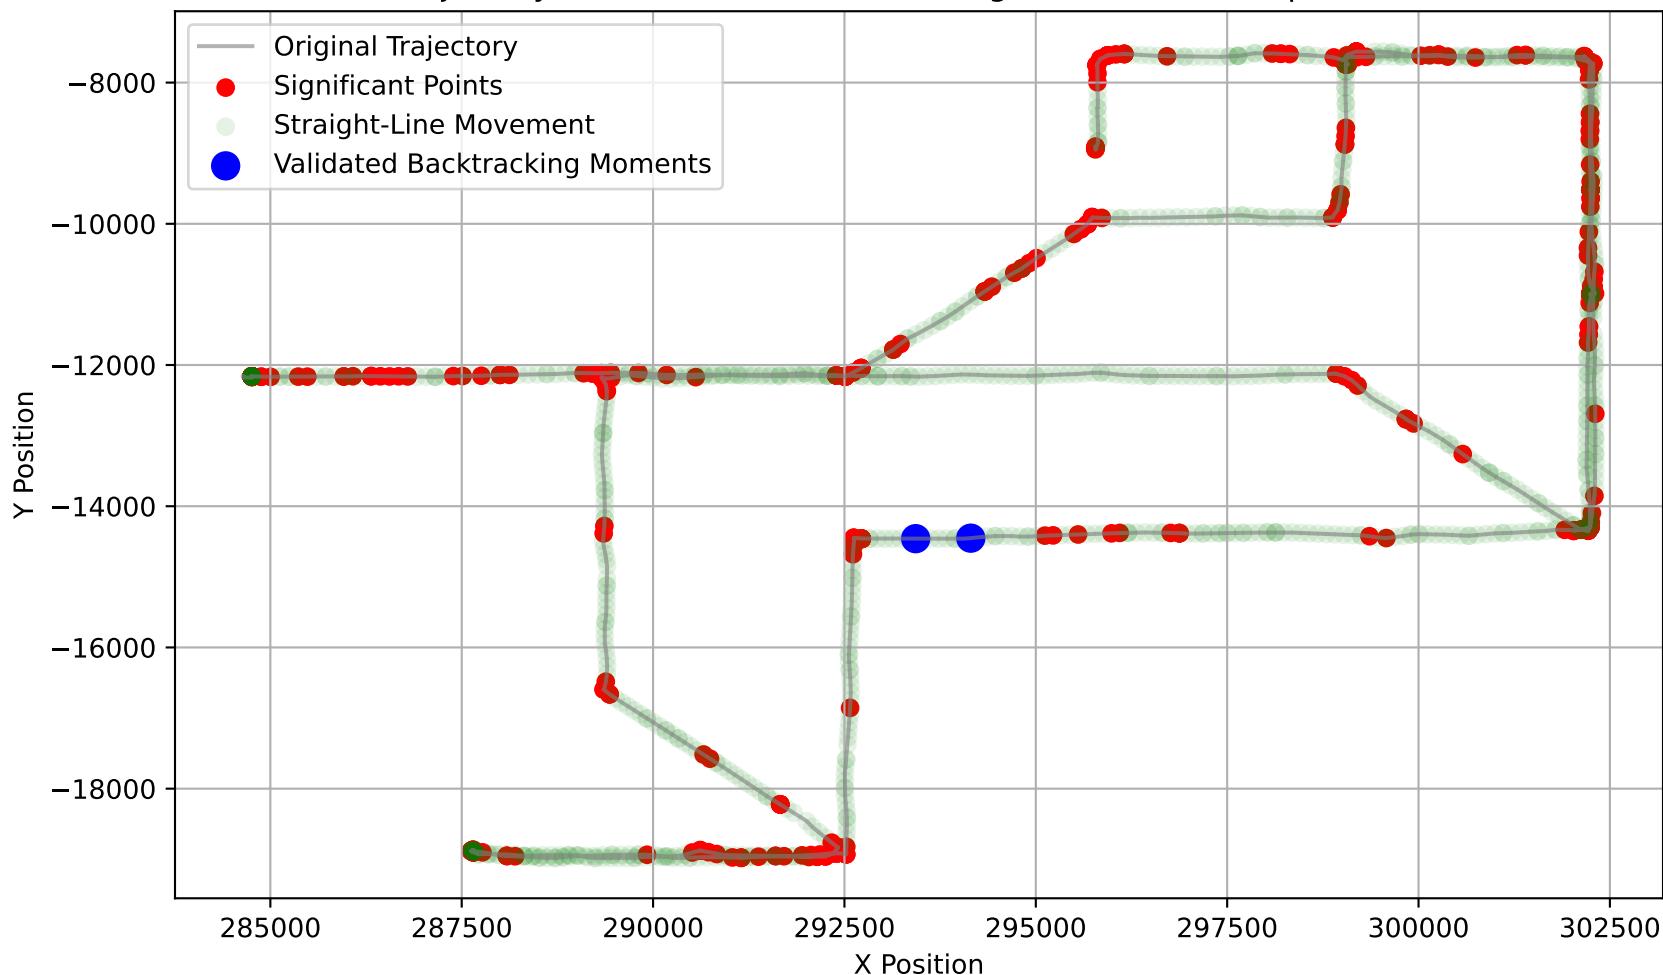

Trajectory with Validated Backtracking Moments (Participant 249)

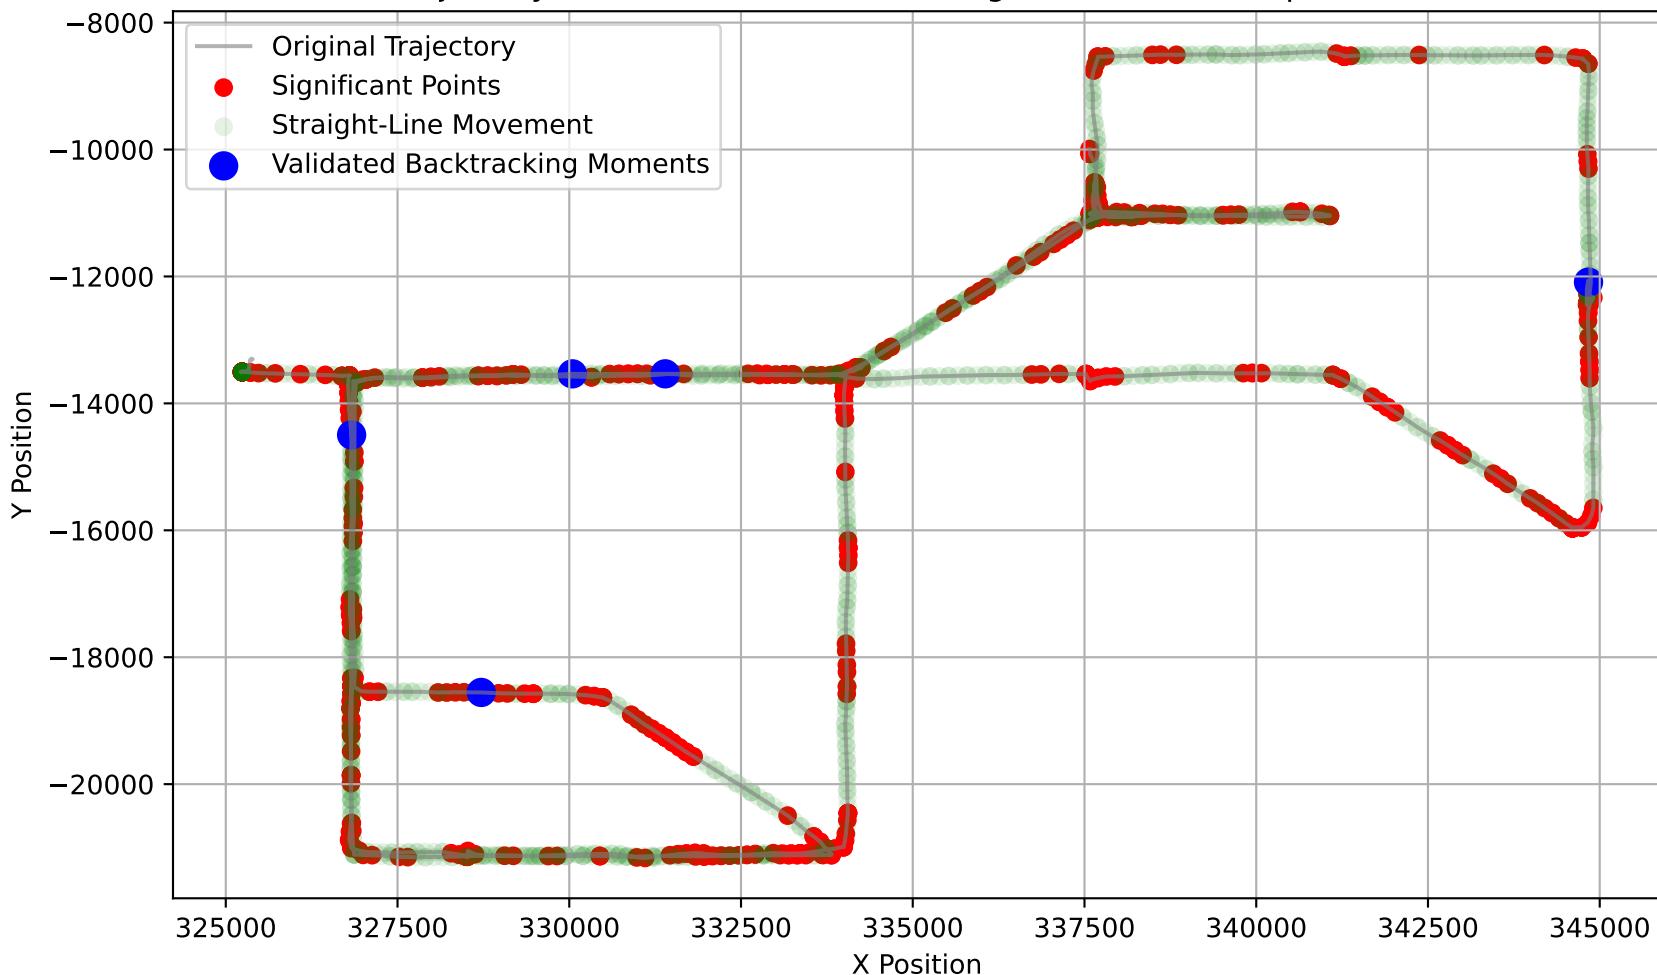

Trajectory with Validated Backtracking Moments (Participant 251)

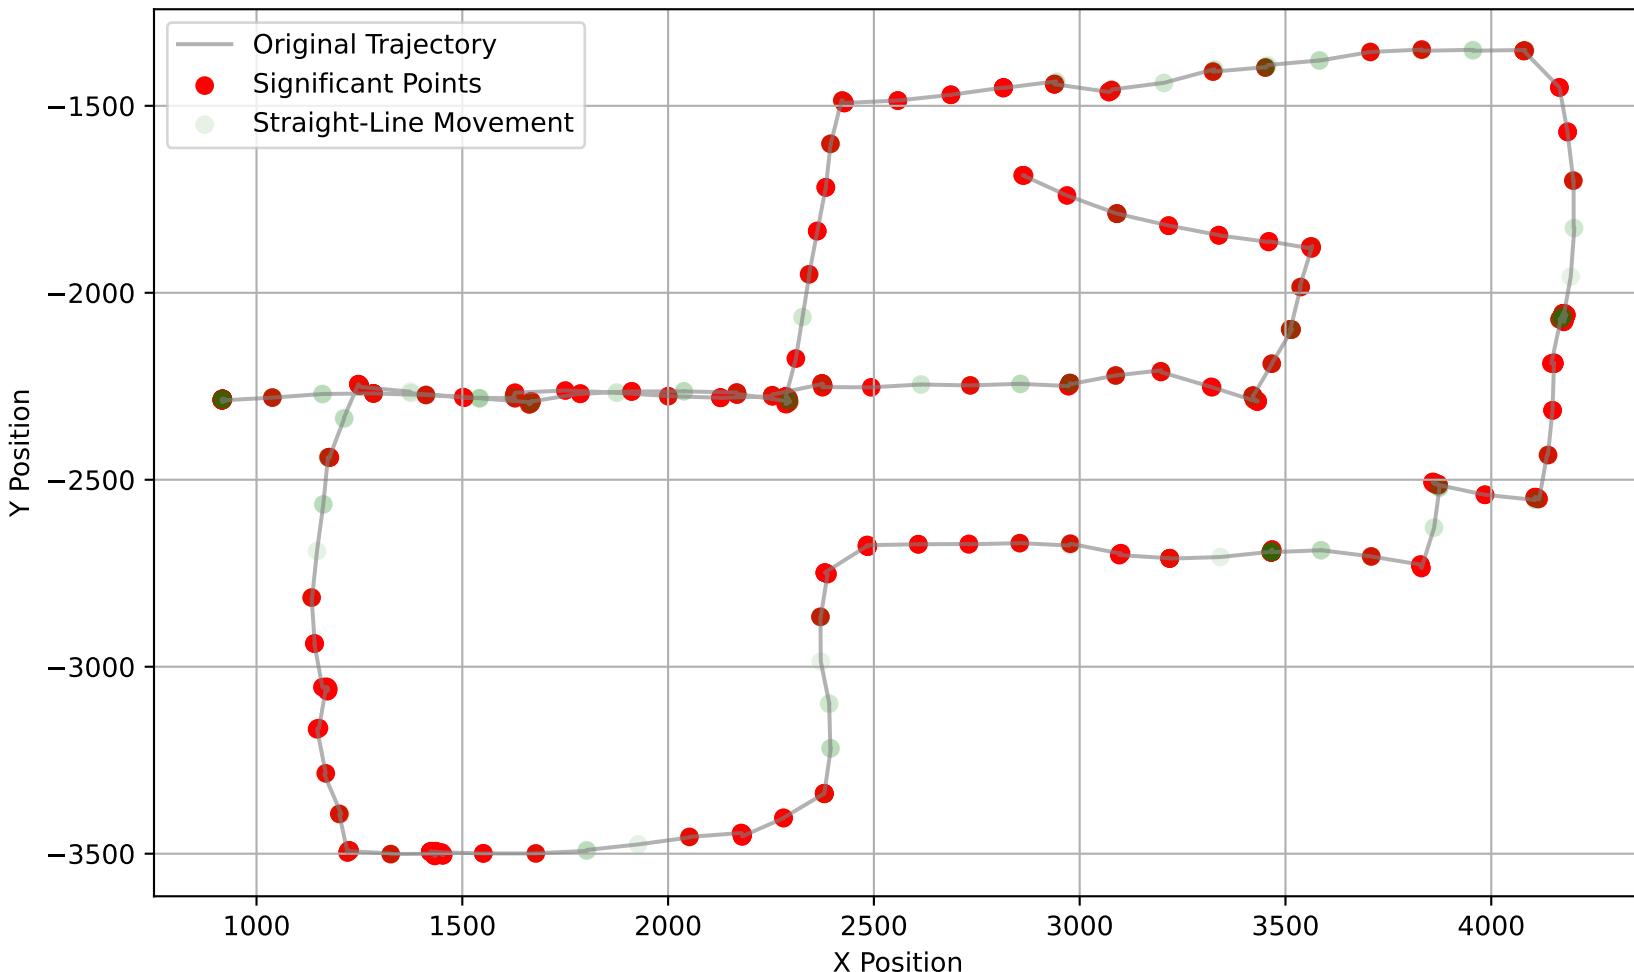

Trajectory with Validated Backtracking Moments (Participant 252)

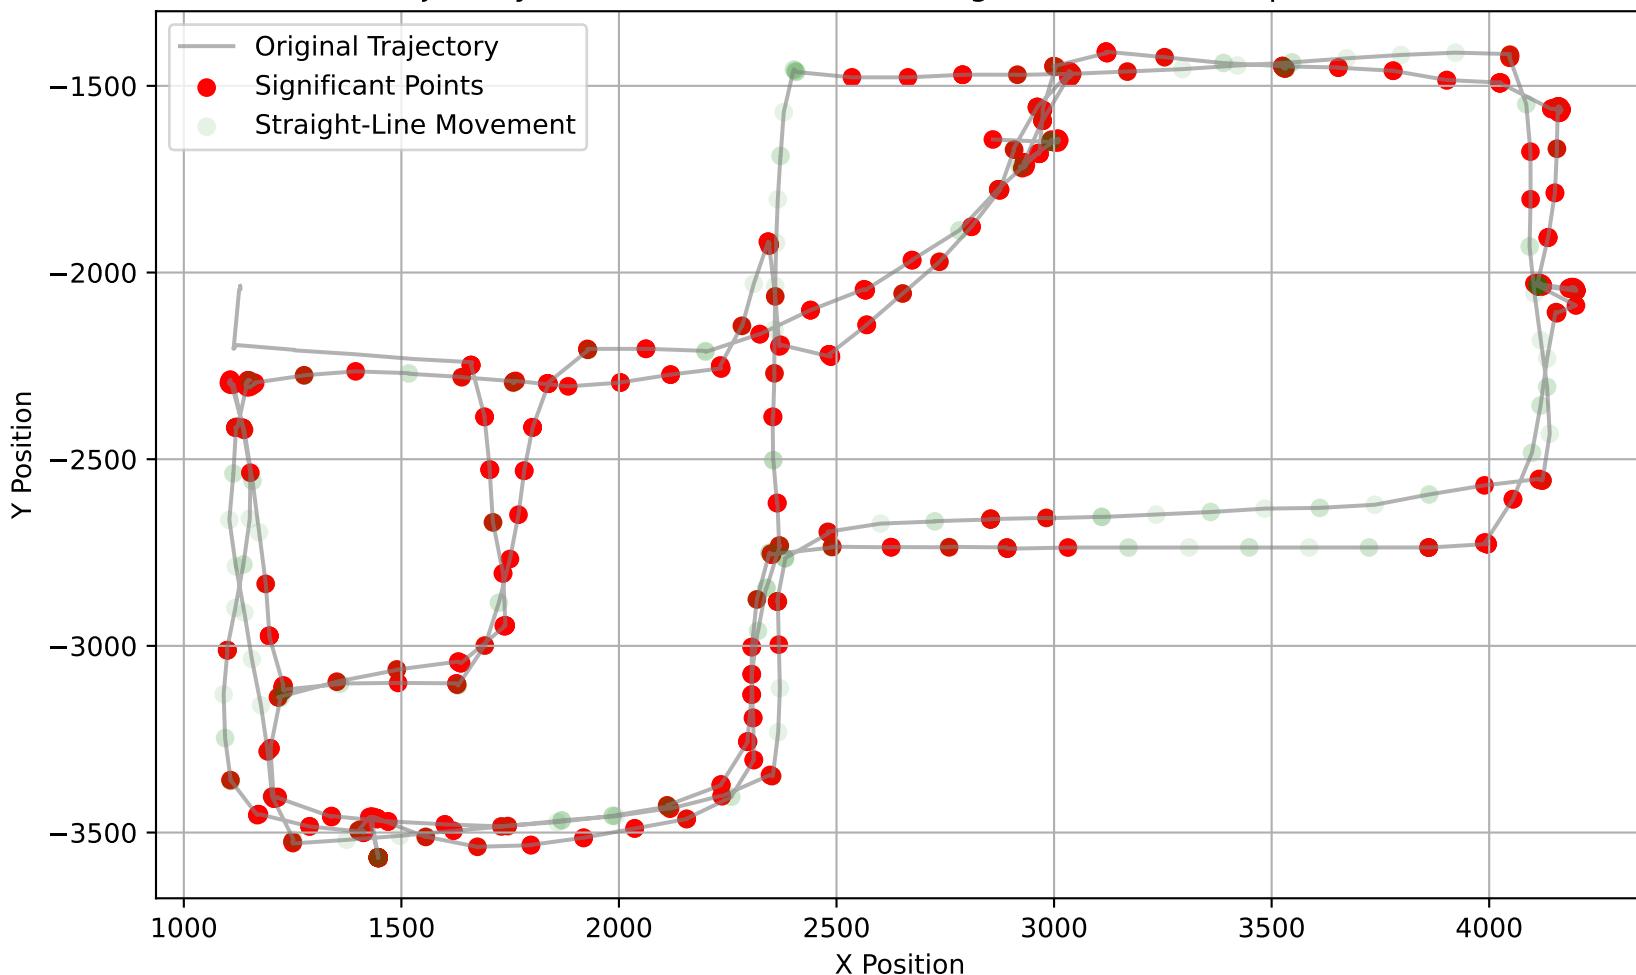

Trajectory with Validated Backtracking Moments (Participant 253)

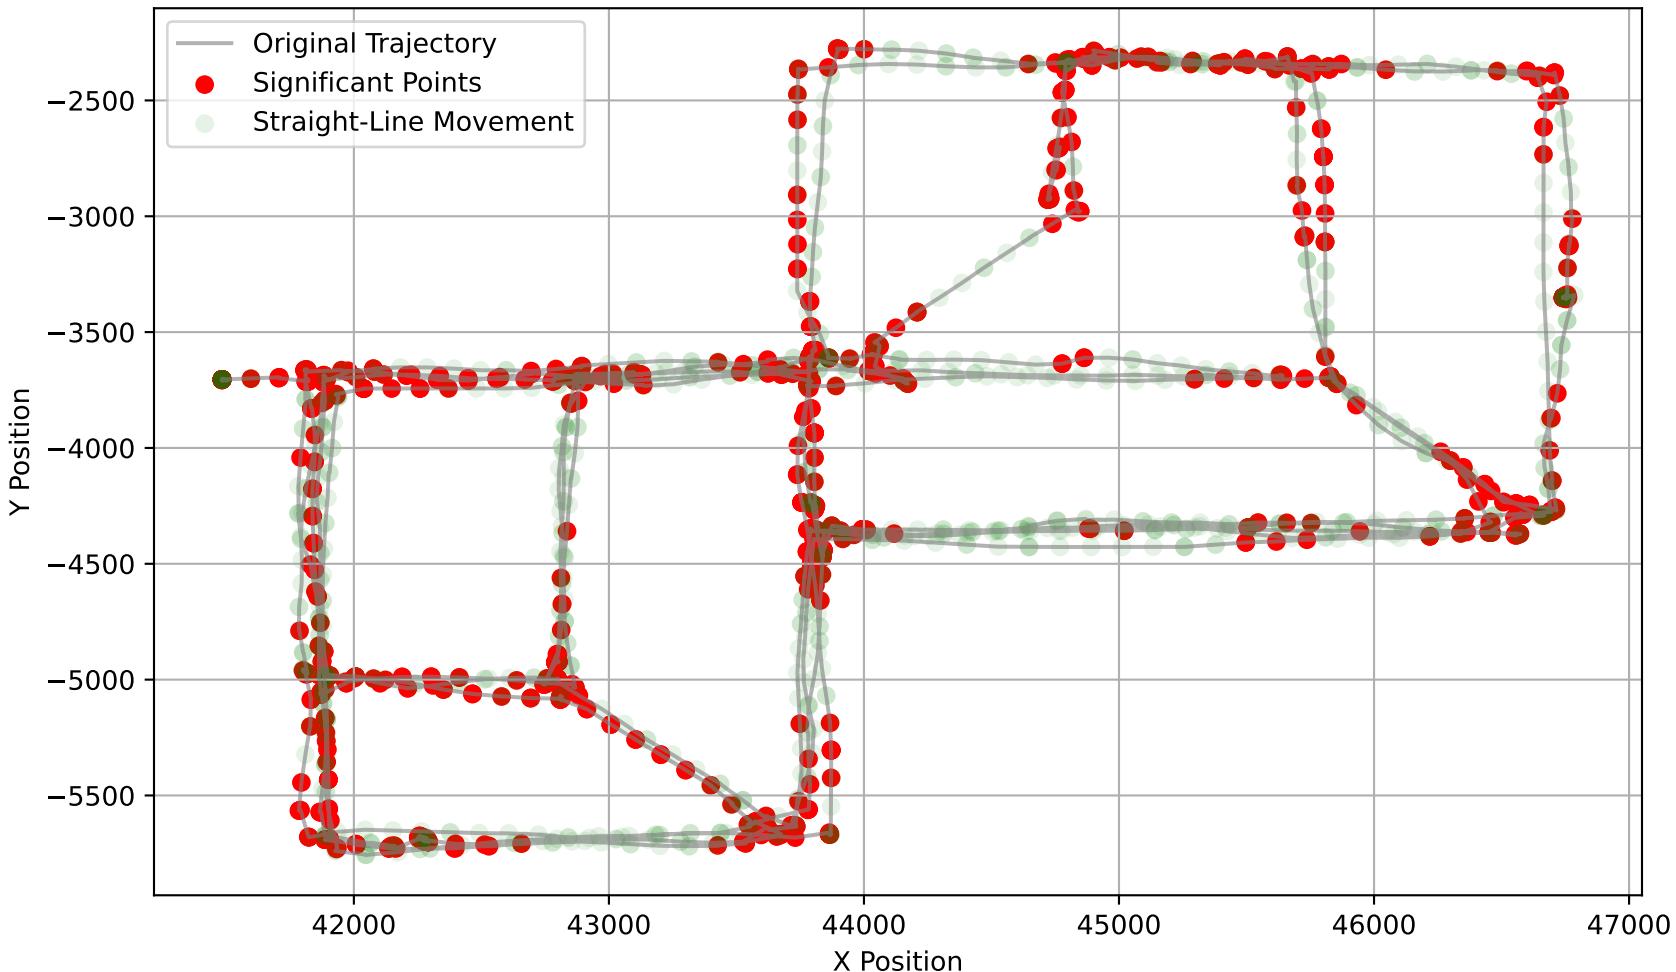

Trajectory with Validated Backtracking Moments (Participant 254)

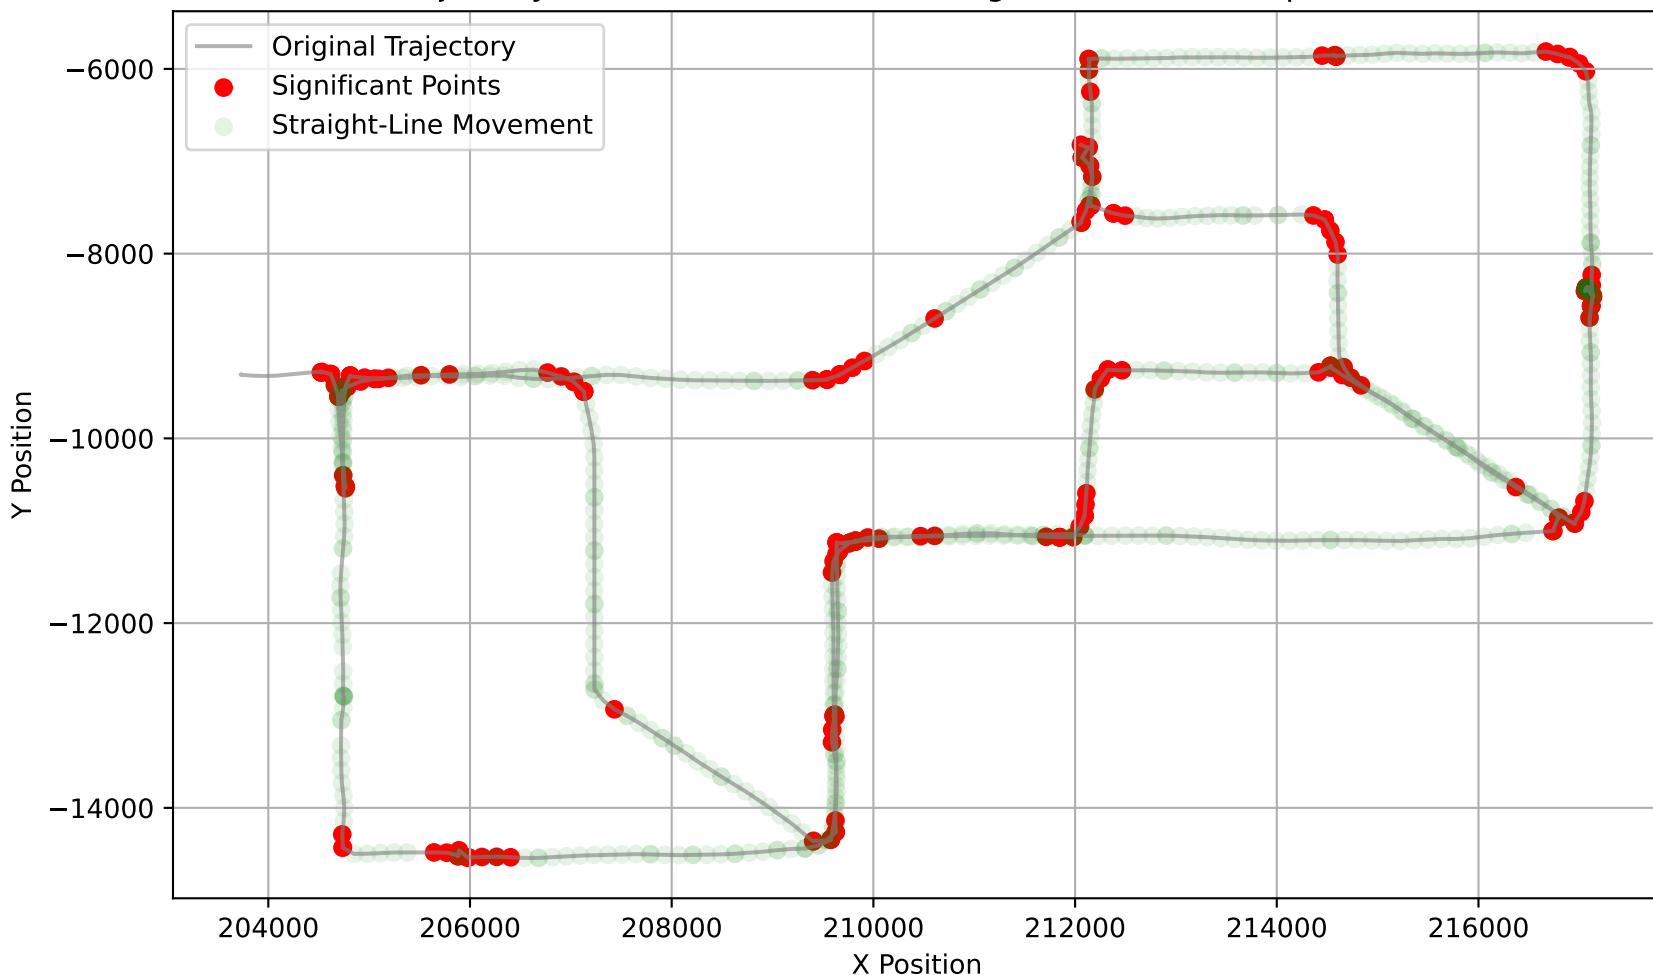

Trajectory with Validated Backtracking Moments (Participant 255)

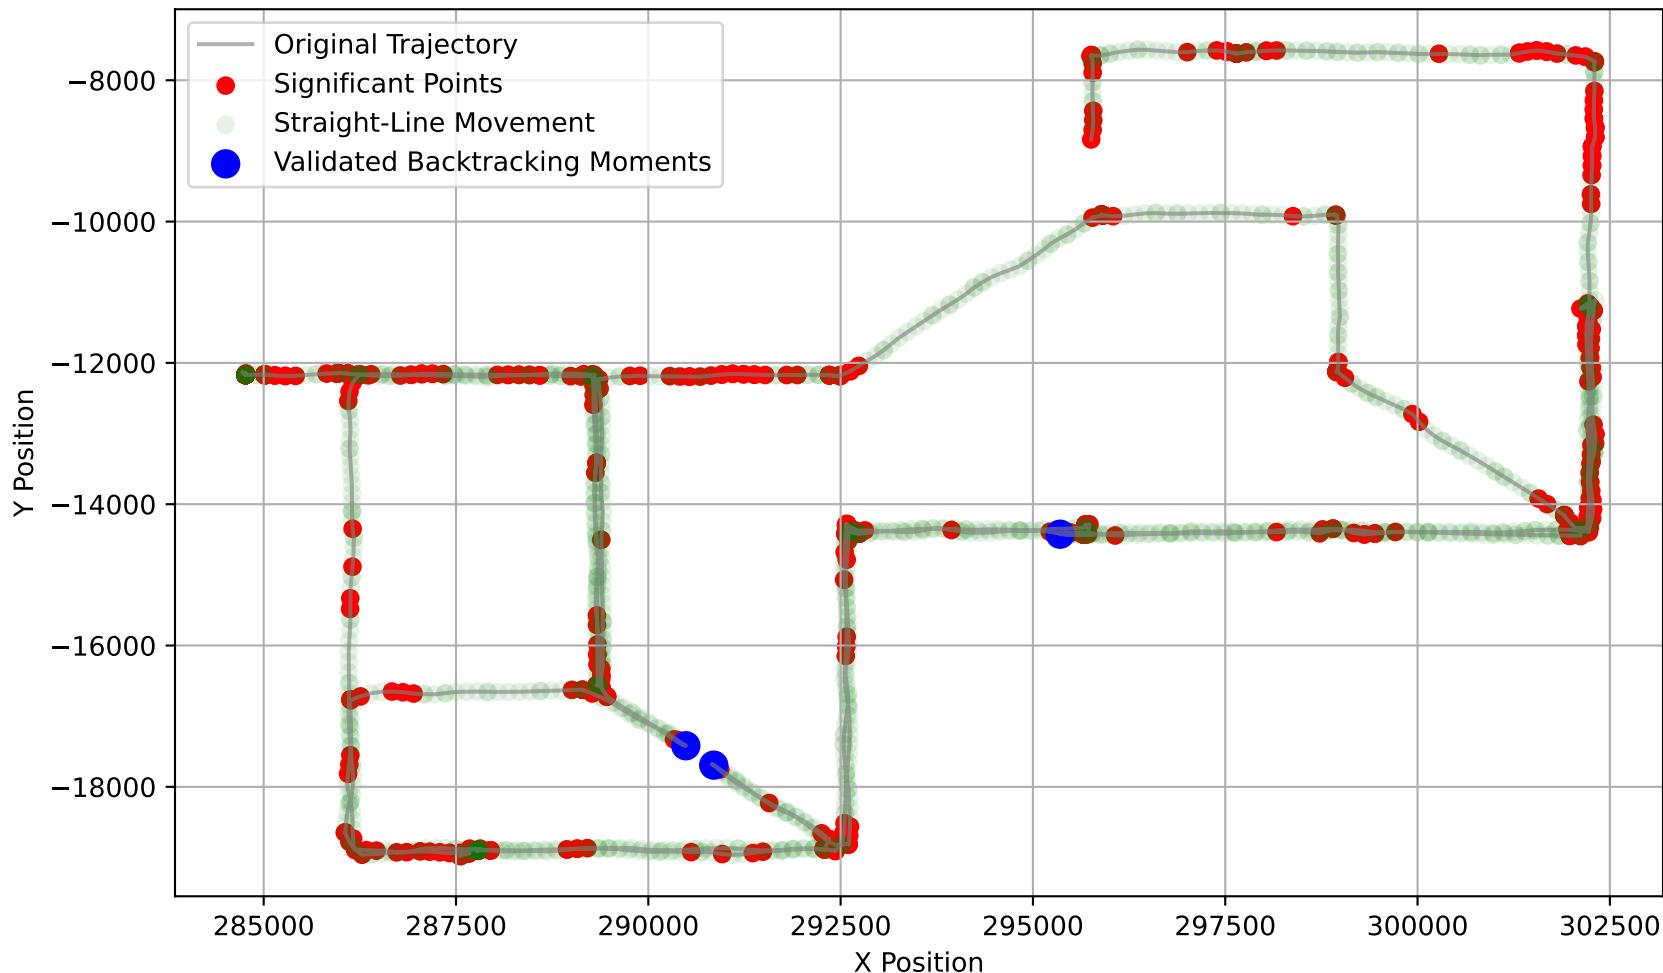

Trajectory with Validated Backtracking Moments (Participant 256)

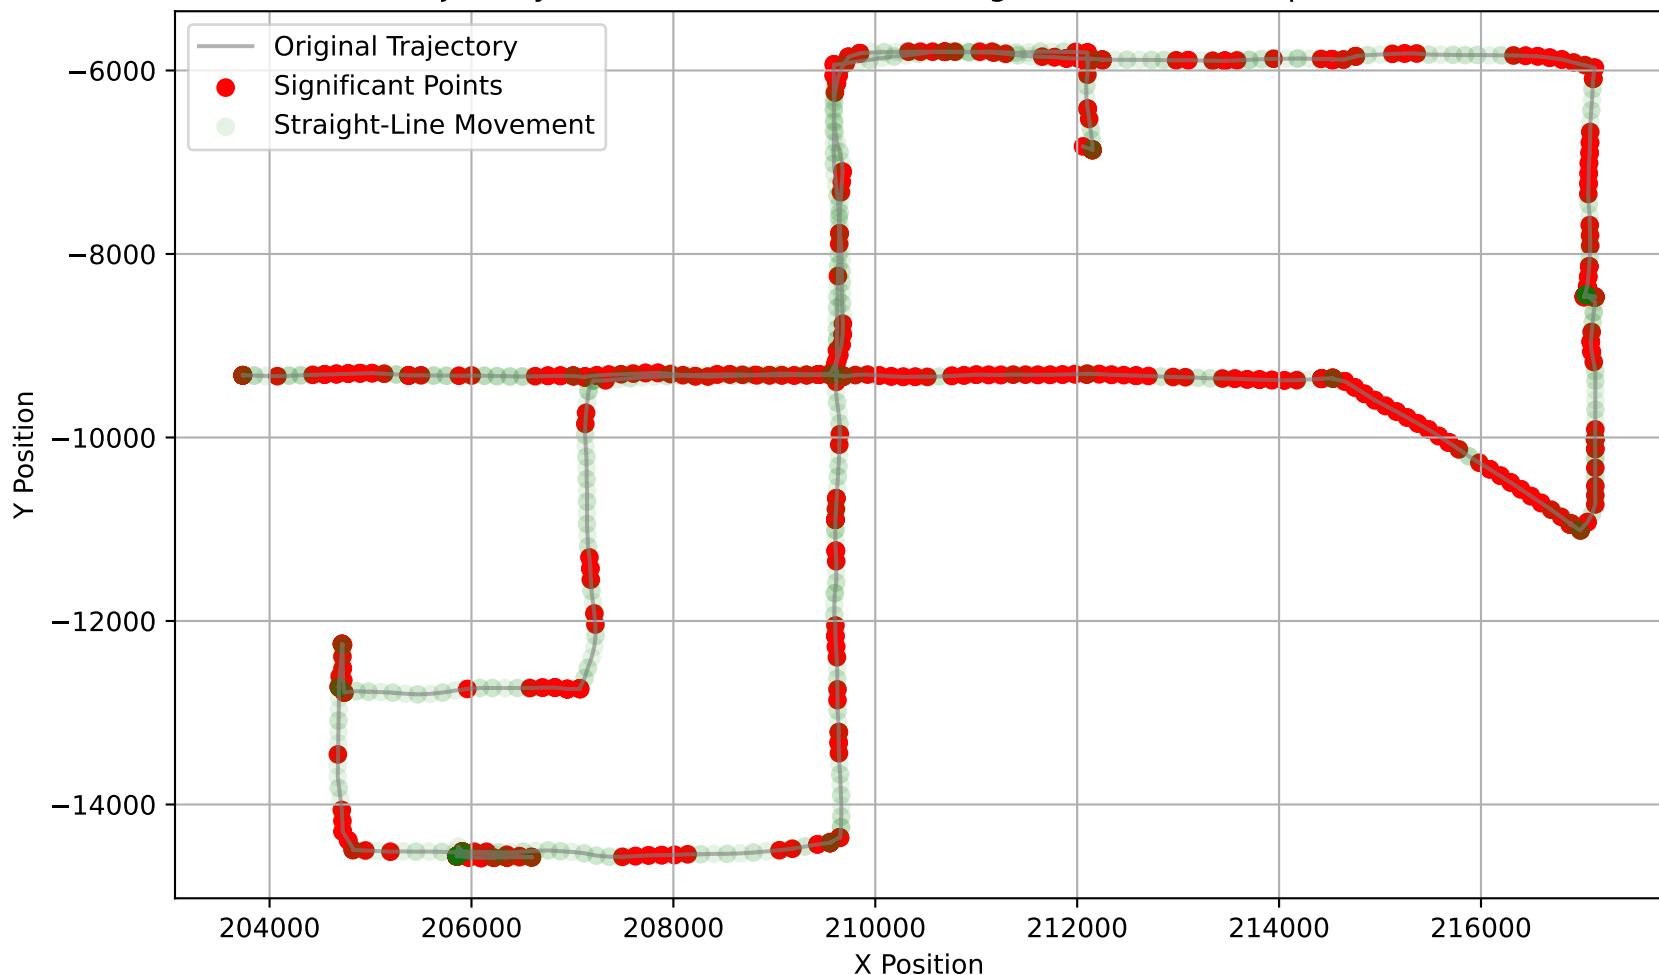

Trajectory with Validated Backtracking Moments (Participant 257)

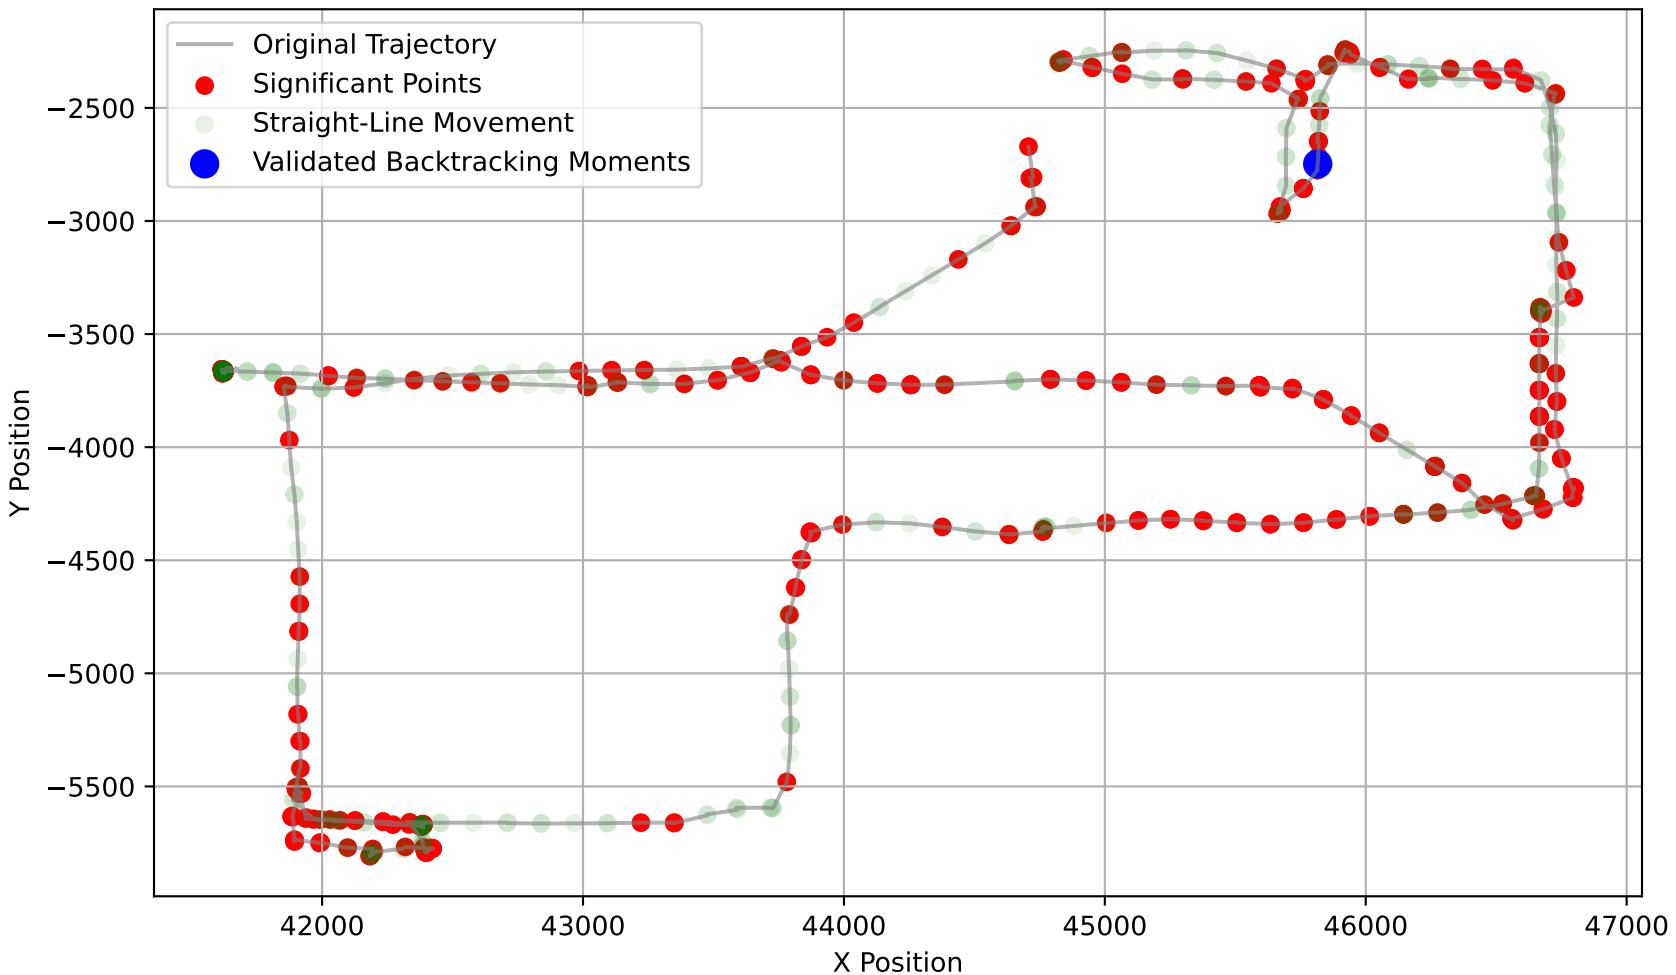

Trajectory with Validated Backtracking Moments (Participant 258)

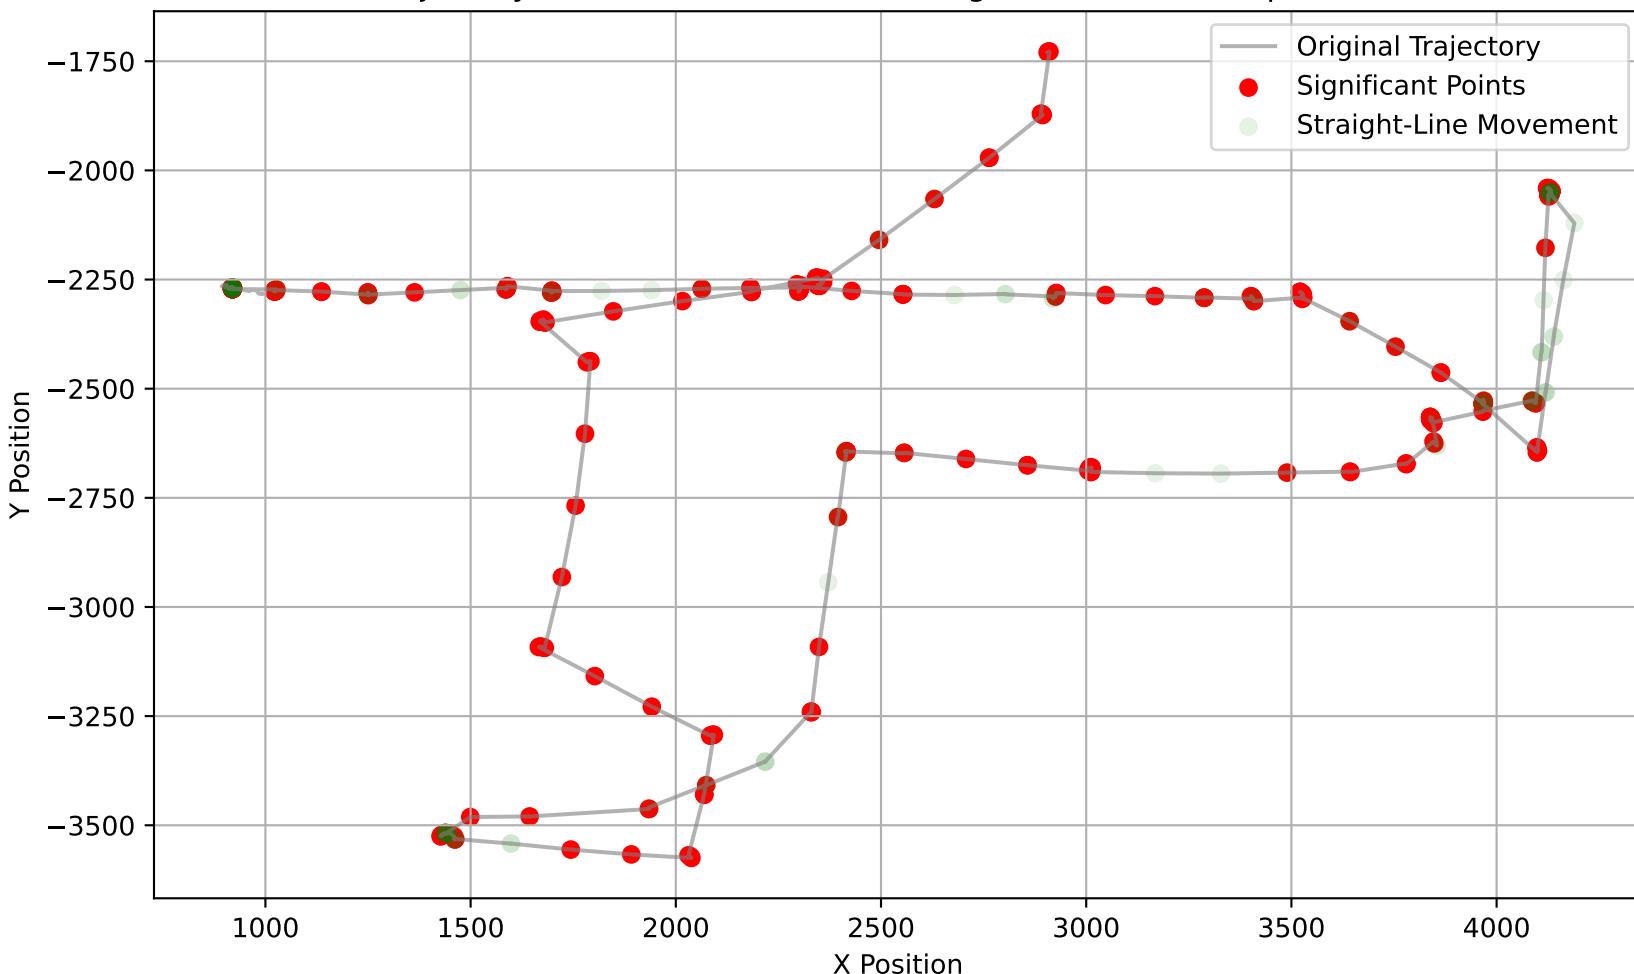

Trajectory with Validated Backtracking Moments (Participant 259)

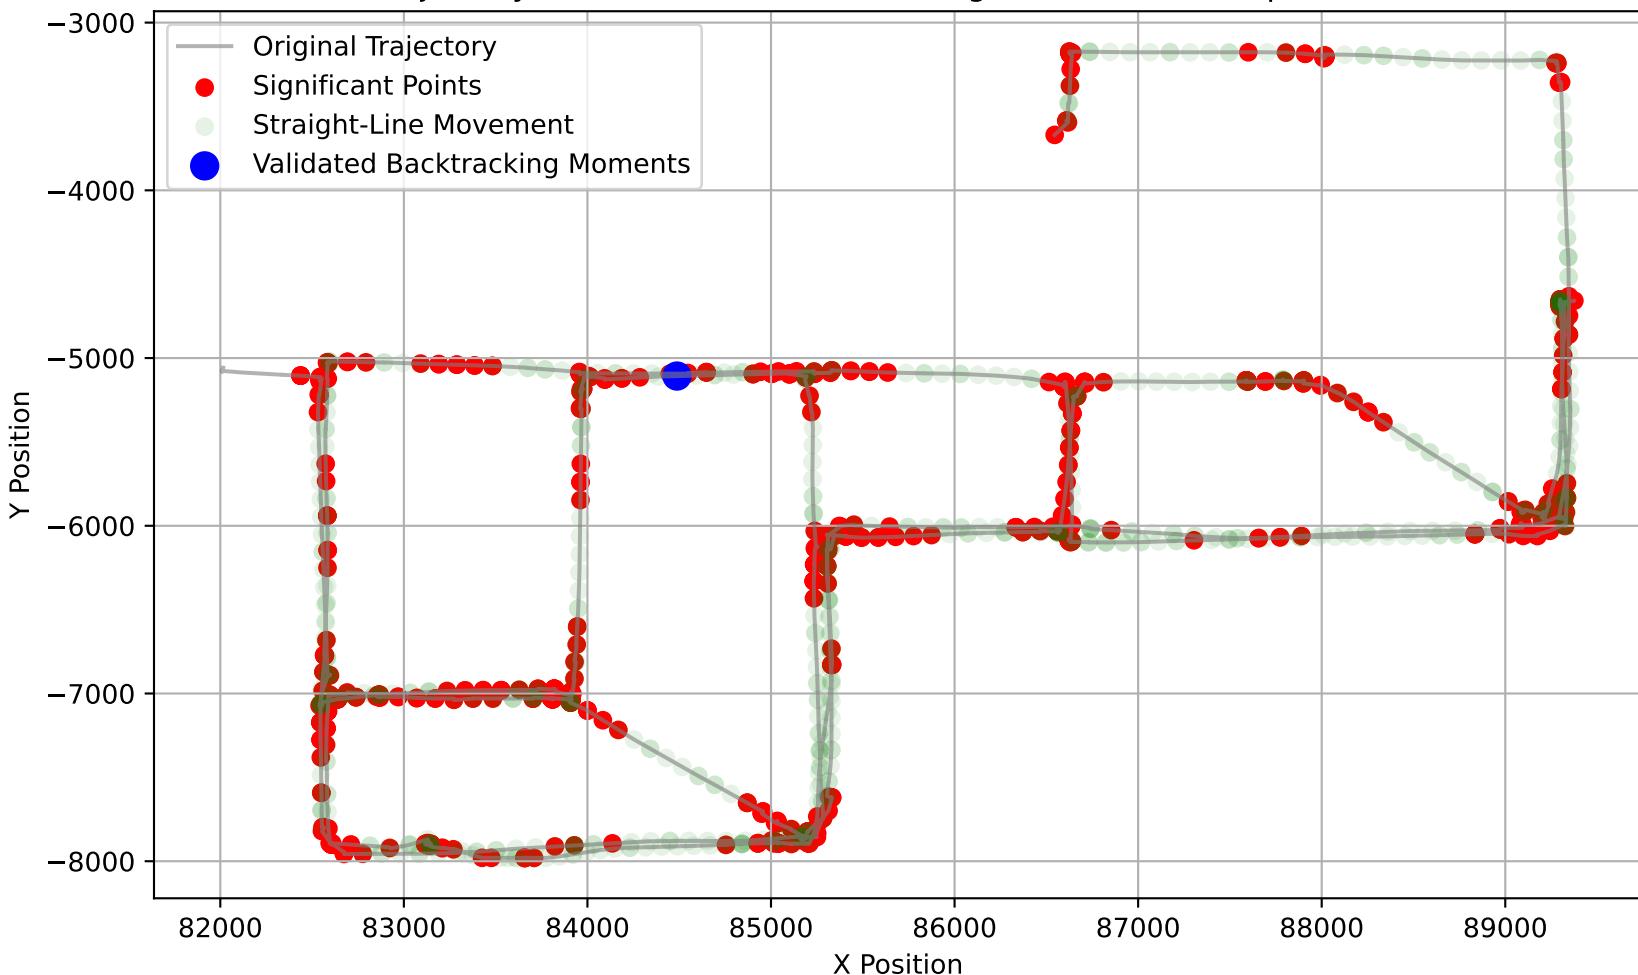

Trajectory with Validated Backtracking Moments (Participant 260)

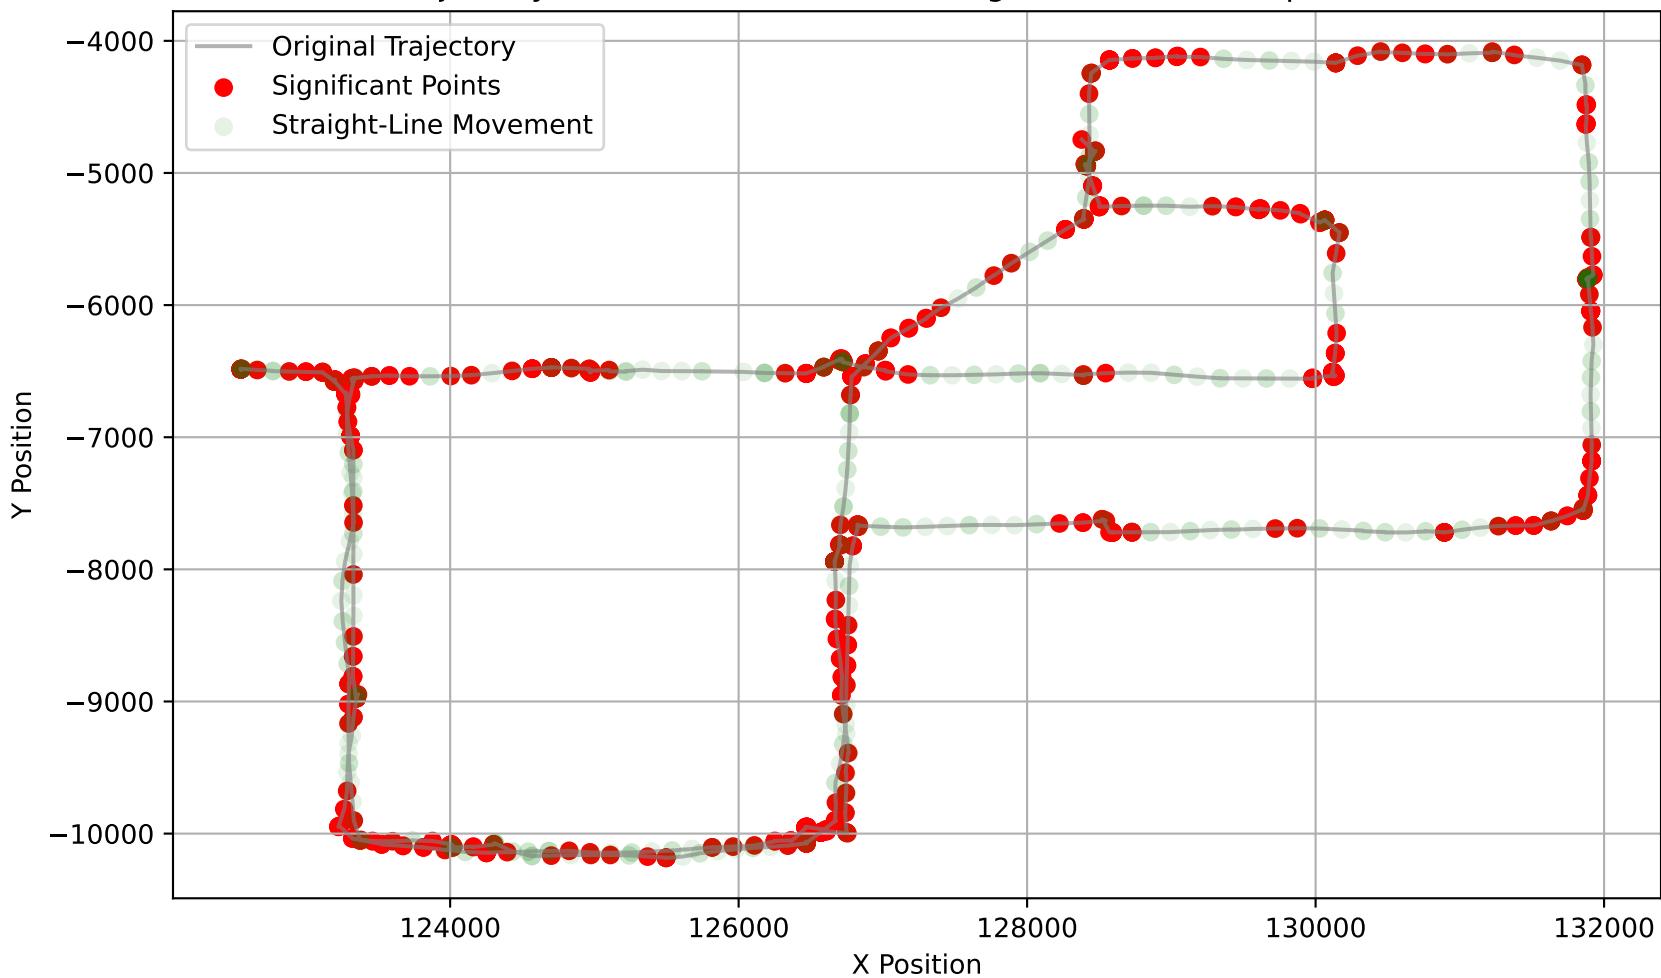

Trajectory with Validated Backtracking Moments (Participant 261)

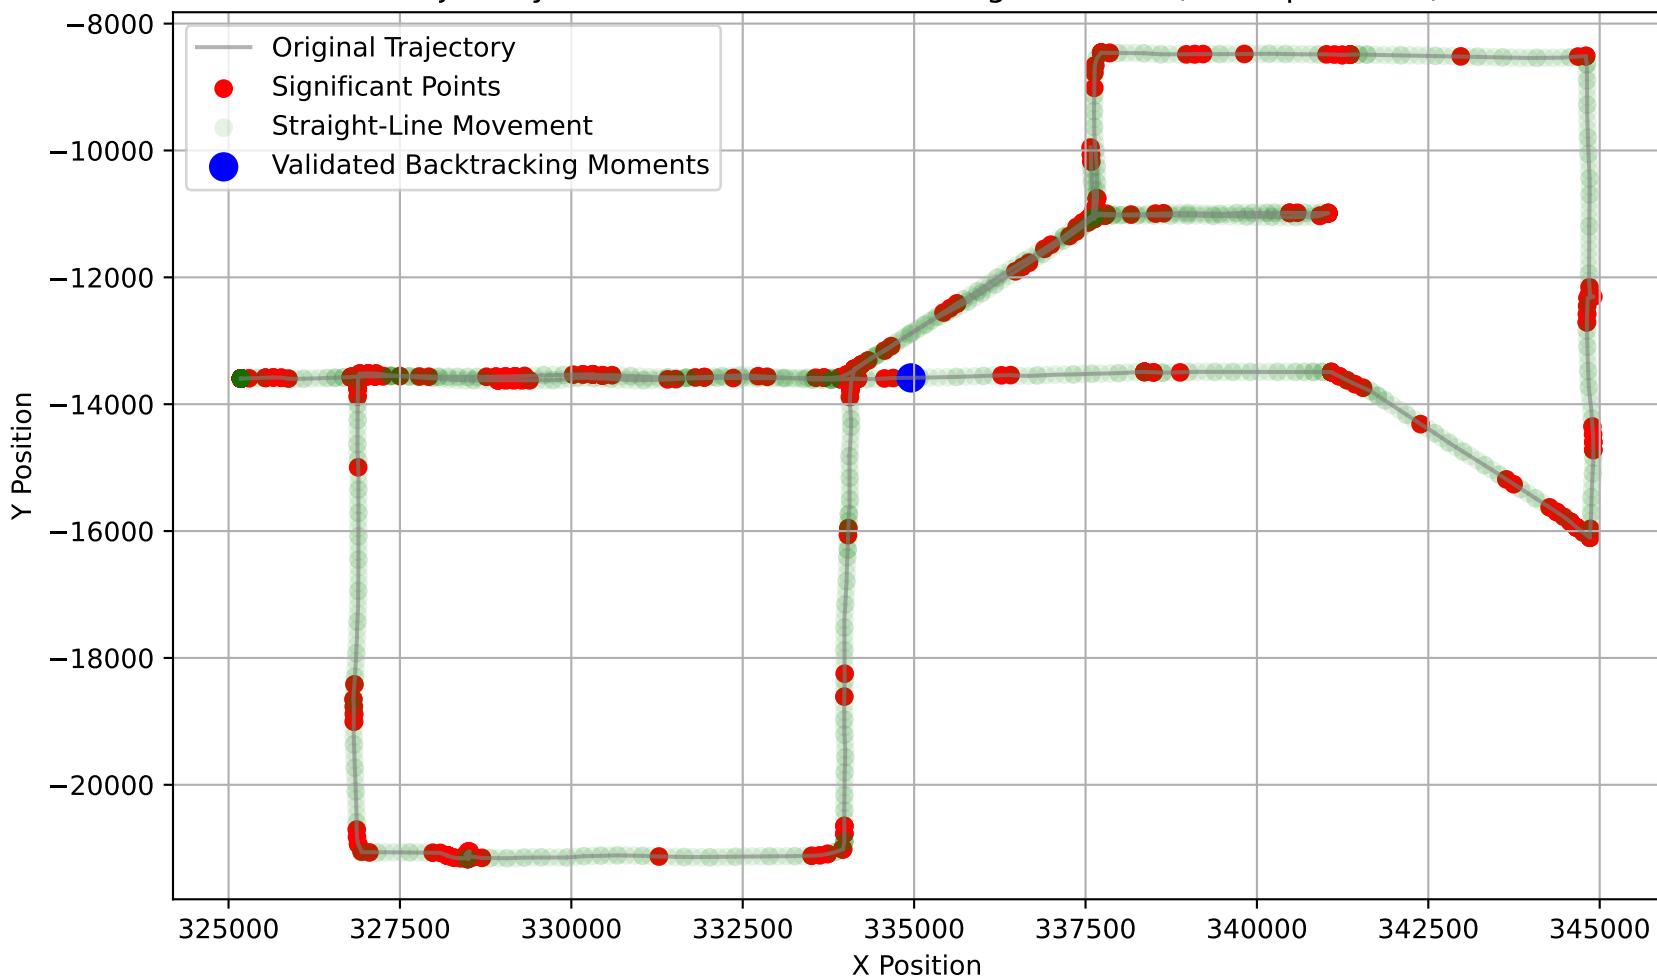

Trajectory with Validated Backtracking Moments (Participant 262)

Trajectory with Validated Backtracking Moments (Participant 263)

Trajectory with Validated Backtracking Moments (Participant 264)

Trajectory with Validated Backtracking Moments (Participant 265)
